

Projects Focus

Potholes continue to get repaired with two crews working the problem areas. The sign crew has been keeping up with replacing faded signs and helping set up for events such as the Light Parade and Christmas events. The spray crew has been spraying right-of-ways, weather permitting, and picking trash on roadways that can cause driving hazards. The mower crew has been actively mowing City properties for the winter

Projects Continued

IPR continues finishing up road work for the season

New Sign Plotter Machine and Computer, Special thanks to Jose from IT Dept for helping get it set up

Steven Baker Retiring

December Employee Spotlight: Eddie Duran and Lee Randeau:

Eddie (Driver) and Lee (passenger) operate many pieces of equipment including the injector patcher, Patch truck, and Crack Sealer.

They are a vital part of the Street Maintenance crew and are very dedicated to improving Roswell streets.

Monthly Report for December 2025

Streets

Quantities of Materials for the Month

The Patch and Street Maintenance Crew have used 61 tons of Cold Mix and 20 bags of Poly Patch material.

The alley crews have used 11 loads of gravel, 5 loads of Road Base, 78 loads of millings, 71 loads of sweepings waste taken to Landfill, and 63 loads from the Retention pond taken to Sunset Stockpile.

The Crusher Crew received 47 loads of millings from Hobson Rd and loaded 23 loads of crusher fines, 71 loads of Rough Millings. They crushed 1200 tons of gravel.

The Spray Crew sprayed 450 gal of Roundup on City right-of-ways, medians, and City properties.

The Sweeper Crew had 169 loads of daily sweeping waste.
