

### Project Focus

The Street Department has continued to focus on maintenance of city roads, and safety for the citizens of Roswell. We continue to support other departments including the Water Department as they complete repair on the water lines, assisting Sanitation with hauling materials, and other requests from citizens. The Spray Crew works daily on weed control throughout the city and clearing limbs, trees, and obstructions. The Sweeper Crew is maintaining the streets by minimizing debris for motorists. Sign Crew continues to support with traffic control for the Water Department, Special Events, and other projects. Street Maintenance crew continues to seal streets to prolong the life of the roadways while the patch crew stays on top of pothole as urgently as reported. Mower crews stay busy with the upkeep of city property, allies, and right of ways to keep our city beautiful. Thank you to the entire team for maintaining and clearing drains, culverts, inlets with the recent rains. In addition, our team is working to complete the construction of the RV parking lot on Earl Cummings getting it ready for the next stage.

### Projects

Heath and Jerry work to remove trees posing a danger or obstructing views and access.

## Projects

Crews work to remove a bee hive and wasps that fell in the road way on E. Country Club. Crews moved the fallen tree from the street to until a local bee keeper was contacted to remove the bees so tree could be cut and hauled away.

## MAY 2026 Employee Spotlight

# Congratulations Juan Rodriguez!

Juan has been a central part of the Street Department Sign Shop for the past 20 years! He begins each day by checking on traffic control previously deployed for various projects for Streets, Water, Engineering, and Public Affairs for special events. Juan handles inventory, loading, setting, resetting, pick up and unloading of barricades, barrels, signs, cones, sandbags as well as programable signs. In this role he also designs, cuts, fabricates, and installs signage for a variety of city projects. He demonstrates a strong working knowledge of safety practices and takes tremendous pride in the quality of his work.

Thank you, Juan, for your dedication, professionalism, and 20 years of outstanding service to our community. Your hard work and commitment are truly appreciated.
