

MONTHLY REPORT FOR JUNE 2026

Project Focus

The Street Department continues to make great progress in maintaining city roads and enhancing safety for the citizens of Roswell. Our team remains committed to supporting other departments, including partnering with the Water Department as they complete water line repairs and assisting Sanitation with hauling materials, along with promptly responding to citizen requests.

Our Spray Crew is hard at work each day tackling weed control across the city while also clearing limbs, trees, and other obstructions to keep areas safe and accessible. The Sweeper Crew is doing an outstanding job keeping our streets clean and clear of debris, helping ensure safer travel for motorists.

The Sign Crew continues to provide valuable support with traffic control for the Water Department, Special Events, and various projects. Meanwhile, the Street Maintenance and Patch Crews stay responsive on call in request for pothole repairs. And filling water cuts from line repairs.

Our mower crews are constantly maintaining city properties, alleys, and rights-of-way, helping keep Roswell looking its best.

Thank you to our entire Streets crew for being flexible with the special events preparations for the July 4th holiday and making the streets safe for the City of Roswell.

Projects

Juan adding thermo striping stop bars to newly installed all-way stop at the intersection of Parkview & Alameda to aid drivers in safely adjusting to the new traffic pattern.

Projects

The City Wide Restriping Project was completed with San Bar improving visibility on streets through out Roswell including portions of Hinkle, Bland, Chisum, Wildy Deming, Mathews Michigan Ave., Cahoon, Sunset, Mann, Eisenhower, Sycamore, Montana, Union, Washington, Lea, Kentucky Pennsylvania, Richardson, Virginia, Garden, and Atkinson.

Marcello and Felipe assist the Engineering Department with testing road conditions. The data is to be used for consideration of future projects.

MONTHLY REPORT FOR JUNE 2026

June 2026 Employee Spotlight

Felipe Sanchez & Marcello De La Cerda

The Patch Crew is composed of two highly experienced and dedicated team members, Felipe and Marcello, who bring a combined 41.5 years of service to the City of Roswell. Felipe contributes 23.5 years of experience, having served in Parks, Facilities, and Streets, while Marcello brings 18 years of

experience across both Parks and Streets. Their diverse backgrounds provide a strong foundation of knowledge and versatility in daily operations.

The primary responsibility of the Patch Crew is the identification and repair of potholes throughout the city, as well as completing asphalt repairs in support of Water Department projects. Their proactive approach plays a critical role in maintaining roadway safety and extending the life of city infrastructure.

Felipe and Marcello consistently demonstrate flexibility and professionalism as they manage a wide range of responsibilities. In addition to their core duties, they operate and maintain heavy equipment, perform skilled driving tasks, and adapt quickly to the evolving needs of the department.

Their experience, reliability, and commitment to quality work make them an essential part of the Street Department's continued success.
