

MONTHLY REPORT FOR JULY 2026

Streets

Department Summary

The Street Department continues to make great progress in maintaining city roads and enhancing safety for the citizens of Roswell while remaining committed to supporting other departments.

Mill and fill project for 2nd street is complete, and waiting for striping pending modifications requested by NMDOT.

Fifteen water cuts were patched for the Water Department, 24 loads of millings were hauled to the City of Roswell Landfill, and 52 citizen requests were resolved.

Our Spray Crew is hard at work each day tackling weeds across the city while also clearing limbs, trees, and other obstructions to keep areas safe and accessible.

The Sweeper Crew is doing an outstanding job keeping our streets clean and clear of debris, helping ensure safer travel for motorists quickly.

The Sign Crew continues to provide valuable support with traffic control for the Water Department, Special Events, and various projects. Additionally, Juan has manufactured several new signs and completed the installation of crosswalks at the new Nancy Lopez Elementary School.

The Street Maintenance and Patch Crew stay responsive to request for repairs including potholes, low spots, water cuts, and other obstructions, in addition to flexing to assist with other projects and equipment maintenance.

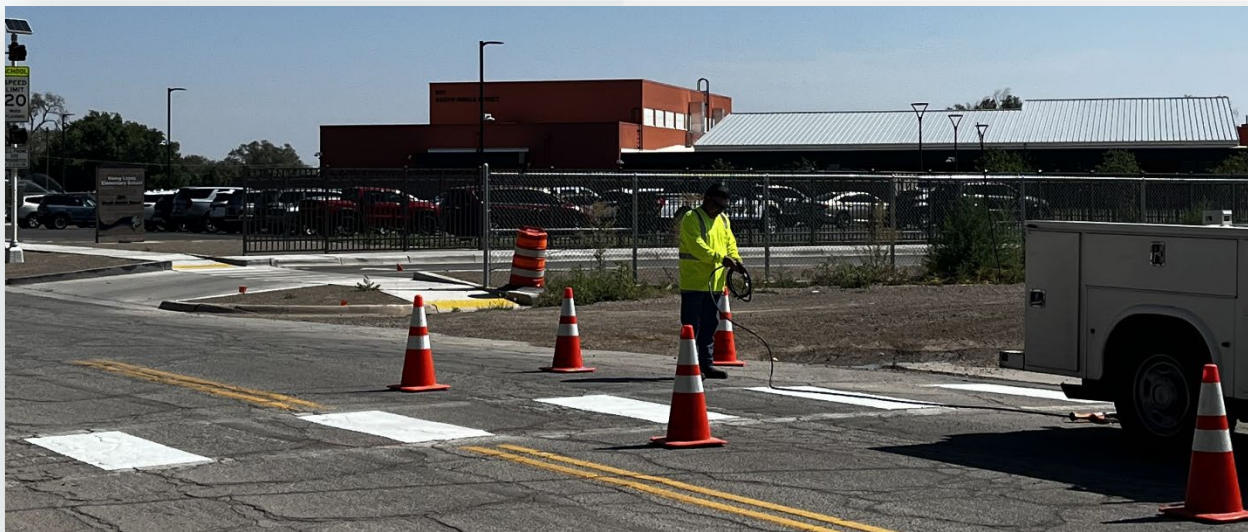

The entire City of Roswell Street Department showed flexibility in deployment and retrieval of traffic control for special events as well as continued work on the parking lots designated for the upcoming Air Races. This included loading, hauling, and blading 310 loads of millings.

Thank you to our entire Street Crew for being flexible while keeping our city streets beautiful and safe for the City of Roswell.

Projects

Lee and Logan work with other team members weed eating curbs, sidewalks, and landings to remove stubborn weeds.

Juan installing thermoplastic crosswalk striping for the student's safety at the new Nancy Lopez Elementary School in time for the new school year.

July 2026 Employee Spotlight

Please join us in recognizing **Marcus Hernandez and Alden Smith**, our dedicated Street Sweeper Crew members, for their outstanding service and commitment to our community.

Marcus and Alden go above and beyond every day to help keep our streets clean and safe. They routinely arrive early to address issues and minimize disruptions for our citizens, ensuring our community continues to look its best.

Their dedication extends far beyond their regular routes. Whether responding after hours or coming in on weekends to assist emergency services with cleanup efforts, Marcus and Alden are always ready to step up when called upon. Their willingness to serve during critical situations makes a meaningful difference for our community.

In addition to their fieldwork, Marcus and Alden take great pride in maintaining and caring for their equipment. Their attention to preventative maintenance helps extend the life of City assets and reduce costly repairs.

They are also known for their flexibility and teamwork, readily assisting other areas within the Street Department whenever needed. Their positive attitude, reliability, and strong work ethic exemplify what it means to be a team player.

Thank you, Marcus and Alden, for your hard work, dedication, and commitment to serving our community. We appreciate all that you do!
