

MONTHLY REPORT FOR AUGUST 2026

Streets

Department Summary

The Street Department continued preparing for the upcoming school year, National Championship Air Races, and preparing for the Hot-In-Place Recycling for various city streets.

All crews are working to clean up weeds, trim trees, and prepare three parking lots for the air races.

The Mill and fill project for 2nd street was complete the beginning of August, and restriping is now complete.

Dustrol will start working on the Hot-In-Place Recycling project beginning at Union between 19th and Country Club. Phase 1 of the resurfacing of several streets is estimated to be completed by October 16th. Once Phase 1 is complete IPR will then apply a sealant, followed shortly by San Bar who will begin re-striping.

Ten water cuts were patched for the Water Department, 6 loads of millings were used to level out alley ways, and 52 citizen requests were resolved.

Our Spray Crew is hard at work tackling weeds, clearing limbs, and removing obstructions across the city. Meanwhile, crews are weed eating at various locations to keep our community clean, safe, and looking its best.

The Sweeper Crew is keeping our streets clean, and clear of debris. Current focus is on clearing streets for the Hot-In Place Recycling Project.

The Sign Crew continues to provide valuable support with traffic control for the Water Department, Special Events, and various projects. In addition, we are working to replace worn and damaged signs throughout the city.

The Street Maintenance and Patch Crew stay responsive to request for repairs including potholes, low spots, water cuts, and other obstructions, in addition to flexing to assist with other projects and equipment maintenance.

Thank you to our entire Street Crew for being flexible while keeping our city streets beautiful and safe for the City of Roswell.

August 2026 Employee Spotlight

Stacey McGuigan is a Senior Administrative Assistant supporting daily operations for the City of Roswell Street and Special Electronics Department for the past 8 months. In this role, Stacey assists management with project support and the community with a strong commitment to exceptional service. She enjoys finding ways to make processes more efficient and supporting her team's success.

Outside of work, Stacey enjoys spending time with family, exploring new interests. Colleagues appreciate her positive attitude, attention to detail, and willingness to help whenever needed. A fun fact about Stacey is that she loves discovering new ways to stay organized and productive.

MONTHLY REPORT FOR AUGUST 2026

August Materials Quantities

Patch and Street Maintenance Crews have used 58 tons of Cold mix.

Alley Crew has hauled 345 loads of millings for the RV parking lot, in addition to 48 loads of waste to the landfill.

Operator Crew crushed 1200 tons of gravel and continued to assist with the loading of material used in various projects.

All crews continued checking drains after rain, maintaining equipment, and assisting with loading of trucks for the transport of fines/millings to the RV Parking lot under construction for the air races.

The Spray crew sprayed a total of 1755 gallons of Round Up on city rights-of-way, medians, and city properties.

The Sweeper Crews daily sweepings totaled 177 loads of materials collected from city streets.
