In the event that any action, suit or proceeding is brought against Lessee, Lessee shall, as soon as practicable but no later than three (3) days after it receives notice thereof, notify the legal counsel of City. This Paragraph shall survive the termination, cancellation or relinquishment of this Lease, and any cause of action of City to enforce this provision shall not be deemed to accrue until City's actual discovery of said liability, claim, loss, damage, or expense.

Lessee further agrees that its obligation to indemnify, defend and hold harmless City shall not be limited to the limits or terms of the liability insurance, required pursuant to this Lease.

17.03 INSURANCE. Lessee shall purchase, or cause to be purchased, and maintain in effect during the Term of this Lease with insurance carriers or risk retention groups authorized to do business in the State of New Mexico and approved by the City, any insurance required by this paragraph. The insurance and additional insured requirements contained in this Lease are considered minimum coverage amounts, and Lessee may elect greater coverage limits than what is specified in this Agreement or as may be required by law. All applicable coverage, unless specified otherwise, shall remain in full force and effect until the expiration, cancellation, or termination of the Agreement and for the subsequent three (3) years following the expiration, cancellation, or termination for loss covered by and occurring during the term of the Lease.

A. General Liability Insurance

Lessee shall carry and maintain, at Lessee's cost and expense, a policy of commercial general liability insurance (in the broadest form then available in New Mexico) that names the City as an insured party or additional insured party protecting the City against claims for bodily injury, personal injury, death, and property damage. Such insurance must include coverage for all exposures arising from Lessee's operations, and contractual liability, to protect the Lessee and any additional insured parties from claims for bodily injury, including death, as well as from claims for property damages or loss which may arise from activities, omissions, and operations of the Lessee under the Lease, whether such activities, omissions, and operations be by the Lessee, subcontractor, or by anyone

employed by or acting for the benefit of the Lessee in conjunction with this Lease. Such liability insurance coverage shall also extend to damage, destruction, and injury to City-owned or City-leased property and City personnel, and caused by or resulting from work, acts, operations, or omissions of Lessee.

Such an insurance policy must specifically provide coverage for the City and its employees and agents in minimum amounts of \$2 million dollars (\$2,000,000.00) for damage to or destruction of each legally described real property arising out of a single occurrence; 2 million dollars (\$2,000,000.00) per occurrence for bodily injury, personal injury or death; and \$2 million dollars (\$2,000,000.00) with respect to any one occurrence. Higher coverage for the City may be reasonably required by the City from time to time, including but not limited to increases needed to provide complete coverage for City's maximum liability under the New Mexico Tort Claims Act, NMSA 1978 § 41-4-1 et seq., and New Mexico Civil Rights Act, NMSA 1978 § 41-4A-1 et seq. City shall have no liability for premiums charged for such coverage, and inclusion of City as an insured party is not intended to, and shall not make City a partner or joint venturer with Lessee in its operations.

B. Property Coverage

In addition, the Lessee must obtain at its own expense, insurance coverage adequate to protect its operations, property, employees and agents in amounts Lessee finds sufficient, but in no case shall such property insurance coverage be for less than one hundred percent (100%) Replacement Cost of Improvements on an Agreed Value Basis. Lessee shall be solely responsible for obtaining insurance policies that provide coverage for losses of Lessee-owned property, including improvements, and City shall be named as an additional insured on the policy. City shall not be required to provide such insurance coverage or be responsible for payment of Lessee's costs for such insurance.

22.5. Within ten (10) days after the execution of this Lease by City and delivery to Lessee, Lessee shall deliver to City original or duplicate certificates of insurance evidencing all the insurance which is required to be maintained under this Lease by Lessee certifying that all requirements set forth herein have been complied with, and within ten (10) days prior to the expiration of any such insurance, other original or duplicate certificates evidencing the renewal of such insurance. A certificate, policy, endorsement, or rider which states that failure to give City notice imposes no liability or obligation on the insurer shall not be in

compliance with this Lease. The following specific extensions of coverage must be indicated on the Certificate of Insurance:

- (1) Contractual liability
- (2) Bodily Injury and Property Damage liability
- (3) Premises operations
- (4) Personal injury
- (5) Advertising injury
- (6) Fire legal liability
- (7) Medical expense
- (8) Independent contractor/consultants/subcontractor/consultants
- (9) Products – completed operations
- (10) Pollution Liability
- (11) Additional insured endorsement (primary& non-contributing in favor of City)
- (12) Waiver of subrogation in favor of City

The above required Liability limits can be a combination of Primary Limits and Excess Liability/Umbrella limits. For example, certificates or policies stating that the insurer shall "endeavor to notify" and that "failure to give such notice imposes no obligation" on the insurer are unacceptable to City. Failure to comply with the insurance specifications in this Lease is a material breach of the Lease. Different types of required insurance may be written in one or more policies.

In the event of any cancellation of any insurance coverage required by or on behalf of

Lessee pursuant to this Lease, whether it be for non-payment of premium or for other than non-payment of premium, or in the event of any adverse, material change of

any insurance required by this Lease, effected by the insurance carrier providing such coverage, Lessee must email a copy of the cancellation notice or notice of adverse,

material change to City's legal counsel and mail a copy to the address below no later than three (3) business days after the receipt of a cancellation notice or a notice of adverse material change.
