

January 2026 Monthly Report

Past Month Activities:

- Participated in National Weather Service weekly weather briefings. Attended multiple briefs leading up to the winter storm.
- Conducted monthly outdoor warning siren testing.
- Attended senior staff meetings, committee meetings, and monthly DHSEM/City of Roswell flooding disaster-related meetings.
- Posted updates on the January winter storm on the OEM Facebook page.

Accomplishments for the month:

- Continued participation in FEMA, State, and City coordination meetings.
As of February 6, 2026: 2,176 Individual Assistance applications have been approved by FEMA, totaling \$22,649,868.66.
Citizens can fill out an intent to apply for the CDBG-DR grant. State seeks contractors for \$100 million home recovery program.
Public Assistance: Total Public Assistance grant dollars obligated to date are \$21,250,143.01. Consultants continue working with FEMA on project submissions. Monthly Task Force meetings continue for Agriculture, Infrastructure, Debris, Housing, Museum, and Recovery.
- Continued updates to the Emergency Operations Plan (EOP), including task and annex review.
- Continued next steps for THIRA/SPR, consultant using data from surveys.
- Two estimates to replace the outdoor warning siren in Briar Ridge.
- Loaned Salvation Army cots for a warming shelter; the cots were then transferred to Westminster Church for use at that warming shelter.
- NOI for mitigation grant for generator for RFD Station #1.
- Application for Hazard Mitigation Grant to update Chaves County Hazard Mitigation Plan.
- Met with representatives from Thunderbirds, discussed Sept. performance and training before.
- Held quarterly LEPC meeting.

Emergency Management

Plans for February 2026:
