SWAT TEAM

Training:

Two trainings were conducted this month on June 11 and June 24.

On June 11, Operators conducted low/no-light training utilizing Night Observation Devices (NODs) and PEQ-15 laser aiming devices. Training began with an overview of the operation and employment of the equipment followed by an administrative review of equipment placement within the Pit-Bull, white van, and SWAT equipment locker. The team then conducted interior movement training under night vision, focusing on deliberate entries, dynamic entries, and non-verbal communication techniques. Following dinner, operators completed optic confirmations, zeroed visible and infrared PEQ-15 lasers, and conducted low-light weapon manipulation and live-fire drills.

On June 24, Operators conducted scenario-based tactical training emphasizing deliberate and dynamic entry techniques. The training day began with a cold scenario and evolved into several different force-on-force scenarios designed to test the team's interior tactics and movement. Several deficiencies in structure clearing were identified during the scenarios. A dedicated structure clearing training will be mandated for Operators in the near future outside of scheduled training days to address this issue. Additional repetitions will be conducted to improve consistency and proficiency in this area.

Callouts:

The team responded to two SWAT Light activations this month.

On June 9, a SWAT Light was activated in reference to a barricaded subject at 1511 S. Kansas Ave. Patrol officers attempted to contact Isaac Pacheco after he fled from officers during an incident at Albertson's. His vehicle was later located parked outside his residence, and surveillance video showed him entering the home just prior to officers establishing containment. After patrol was unable to make contact, a search warrant was obtained for the residence. SWAT operators cleared the home and located evidence indicating Mr. Pacheco was hiding in the crawl space. OC vapor followed by a single tri-chamber CS canister was deployed into the crawl space, causing Mr. Pacheco to surrender. He exited the crawl space and was taken into custody without further incident.

On June 22, a SWAT Light was activated in reference to Guadalupe Gonzales, who was believed to be barricaded inside a camper trailer at 415 E. 4th St. After patrol established containment and numerous verbal call-outs went unanswered, a search warrant was obtained for the camper trailer. A Noise Flash Diversionary Device (NFDD) was deployed outside the trailer as an attention-getting device, followed by the introduction of OC vapor in an effort to gain voluntary compliance and avoid a physical entry. Shortly thereafter, Guadalupe Gonzales and a female occupant voluntarily exited the camper and were taken into custody without incident. Mr. Gonzales was arrested on multiple outstanding felony warrants and an additional charge of Resisting, Evading, or Obstructing. The incident was resolved without the need for a tactical entry, and no officers or uninvolved bystanders were injured.

Accomplishments:

The team continued to improve tactical readiness through realistic scenario-based training and successfully resolved two SWAT Light activations without injury to officers or uninvolved civilians. Equipment accountability and vehicle organization were further standardized to improve efficiency during future callouts.

Officer Jerod Candelaria was selected as the newest member of the Crisis Negotiations Team and will begin the team's training program. The team's Pit-Bull armored vehicle was also outfitted with a movable turret base, increasing operational flexibility and enhancing the platform's capabilities during tactical deployments.

Plans for Next Month:

A dedicated training day for structure clearing will be hosted by senior members of the SWAT team. This training will be open to all sworn personnel and mandatory for Operators.

Officer Flott, Detective Franklin, and Agent Barela will assist Ruidoso PD with overwatch operations during the Ruidoso Ironman 70.3 on July 11-12. More than 1,000 participants and spectators are expected to attend. This deployment will provide valuable experience in public venue security prior to the NCAR event in Roswell this September and is being conducted at the formal request of the Ruidoso Police Department.

Training will be held July 16 and the 30. July 30 training day will be open to those interested in applying for SWAT to help gain an understanding of the team and our responsibilities.

Equipment Update:

Sniper tripods were received and placed into service. The sniper rifle remains on order.

Issues and Concerns-

We are currently down two Operator positions and three Trailer positions. We have decided to leave these positions vacant until another tryout can be held at the end of August.

Ofc. Jaime Castillo and Ofc. Daniel Fontanez submitted letters of interest for the open dedicated sniper position. Selection will be held later this month.

CRIME REDUCTION TEAM

The purpose of this operation is to proactively reduce crime within the City of Roswell and Chaves County through targeted enforcement efforts directed at violent offenders, narcotics-related activity, weapons violations, and individuals with outstanding warrants. This operation is intended to increase police visibility, deter criminal activity, and enhance public safety through coordinated enforcement and rapid response capabilities.

MISSION OBJECTIVES

Personnel assigned to this operation shall:

1. Conduct proactive enforcement in identified high-crime areas.
2. Locate and apprehend individuals with outstanding warrants.
3. Identify and arrest individuals involved in narcotics possession, distribution and trafficking.
4. Enforce state and local weapons laws.
5. Increase police visibility in targeted neighborhoods.
6. Respond to high-priority calls for service when necessary.
7. Gather criminal intelligence related to ongoing investigations and criminal activity.
8. Disrupt criminal activity through high-visibility enforcement and officer presence.

TARGET ENFORCEMENT AREAS

Deployment locations will be identified during the operational briefing based upon:

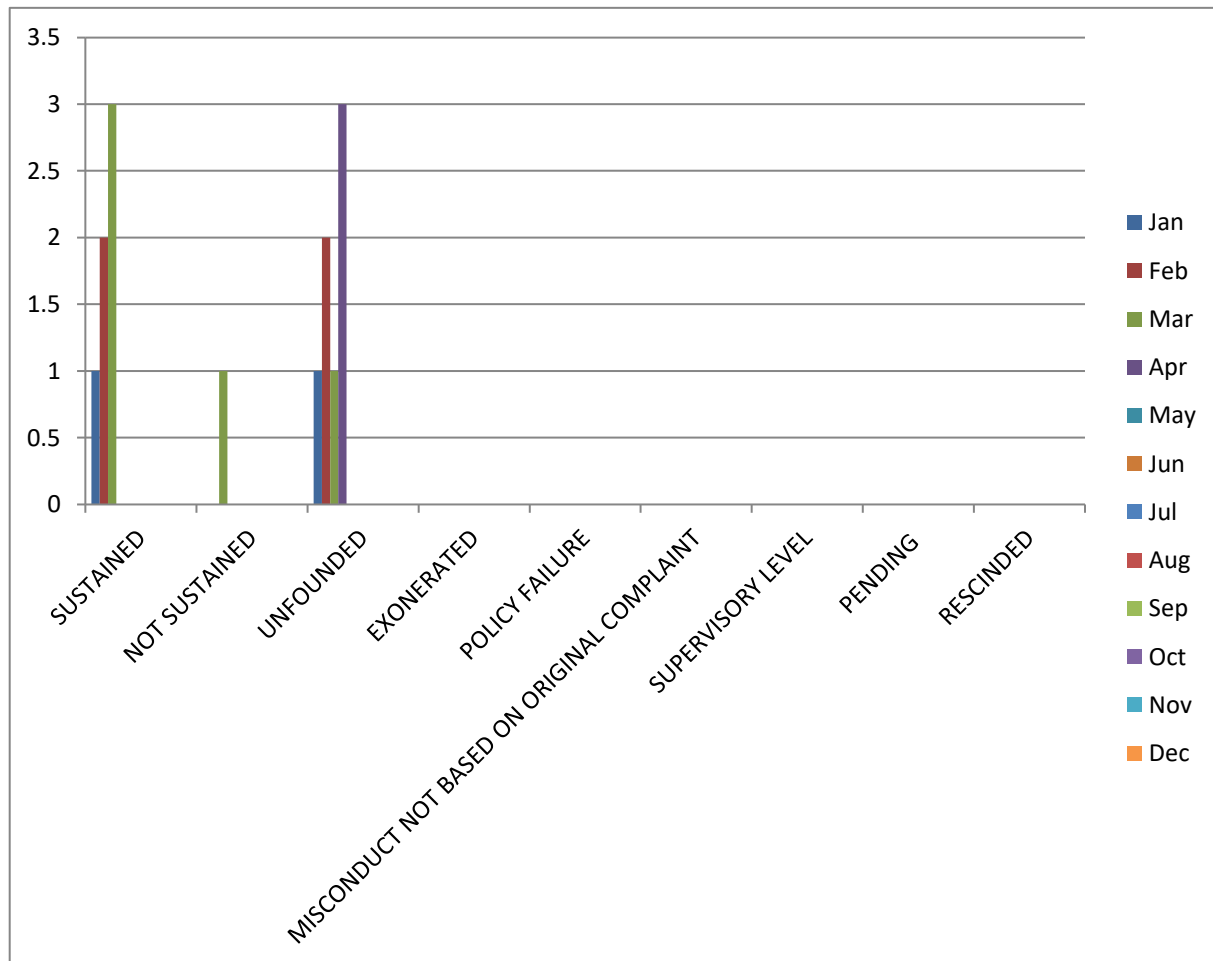

- Recent crime trends
- Violent crime statistics
- Narcotics complaints
- Known offender activity
- Intelligence gathered from patrol officers and detectives
- Calls for service data

JUNE STATS FOR CRT:

- Total arrests: 8
- Narcotics seized: (21.7 grams of methamphetamine)
- 1 vehicle towed for search warrant (SW resulted in narcotics seizure)
- 23 traffic citations

DIVISION HIGHLIGHTS

Community Outreach & Neighborhood Watch:

June 8-9

Officer Gonzalez visited businesses throughout the city and met with managers to seek donations and sponsorships for the department's annual National Night Out event. These efforts support community partnerships and help make the event successful for residents, families and local businesses.

June 16

Officer Gonzalez and Officer D. Morales conducted a DWI awareness presentation for Youth Challenge students at the New Mexico Army National Guard Armory. During the presentation, students learned about the dangers, legal consequences, and life-altering impacts of driving while intoxicated. The officers also demonstrated the proper administration of the Standardized Field Sobriety Tests (SFSTs), explaining how law enforcement officers evaluate impaired drivers. Following the presentation, students had the opportunity to participate in the SFSTs while wearing impairment-simulation goggles ("drunk goggles"), providing a hands-on experience that highlighted the effects alcohol impairment has on balance, coordination and judgment.

June 16-19

Officer Gonzalez visited Villa Mobile Home Park, Sunset 1600 Apartments, Summit Apartments, Wildewood Apartments, and Villas Briar Ridge. I met with the property managers and distributed flyers containing information about the Roswell Police Department's Good Morning Call Program.

Training:

June 18

Lt. Trong Nguyen and Training Officer Fontanez conducted an active-shooter response training at El Capitan Elementary School for School Resource Officers (SROs), recruit officers, and veteran officers seeking a refresher on current response tactics. The training emphasized rapid deployment, communication, threat assessment, and coordinated response strategies to enhance officer preparedness for active shooter incidents.

June 23-25

Reality-based training was conducted at Mesa Middle School. This mandatory training required every sworn officer to complete five separate, scenario-based exercises designed to enhance decision-making, communication, and tactical response skills. The training was well received, with officers providing positive feedback and expressing that the scenarios were realistic, challenging, and beneficial to their overall preparedness.

Academy:

Sgt. Tan Nguyen and Officer Fontanez took 4 police recruits to Santa Fe for the New Mexico Law Enforcement Academy (NMLEA) pre-assessment physical fitness test on June 15. All four police recruits passed and were accepted into the academy. They reported to the NMLEA Sunday, June 28.
