The below is not in effect if there is a Master Purchasing Agreement in place between the Customer and iT1

Many manufacturers have implemented a policy that cancellations are not accepted. Considering this, all products ordered through iT1 are considered non-cancellable unless otherwise received in writing. Unless a specific customer agreement is in force, this policy supersedes any language that a customer may put on purchase order(s), form(s), email(s), or any other means of communication.

Additionally, As a result of ongoing tariff-related cost volatility, all quotes will be valid for Thirty (30) business day from the date of issuance and prices will need to be validated before order is completed. This change ensures we can continue to provide accurate and up-to-date pricing in response to rapid shifts from our suppliers.

These prices may NOT include applicable taxes, insurance, shipping, delivery, setup fees or any cables or cabling services or material unless specifically listed above. All prices are subject to change without notice. Supply subject to availability. Any purchases Company makes with iT1 are subject to iT1's General Terms and Conditions. iT1 General Terms and Conditions are here: https://it1.com/40-ca-001-3-it1-general-terms-and-conditions_07-24-2023/ These General Terms and Conditions supersede any terms and conditions Company may include in any purchase order or form. Terms and conditions can be changed at iT1's sole discretion at any time.
