From a true legal standpoint this one is not legally entitled to be granted. There is nothing unique to the land as this lot is the same as others, and it is one that is not needed for use of the lot as a single family dwelling, and is one that is self created.

That being said, I would want to be certain that the height of the wall does not block vision of vehicular movement including neighbors using their driveways.

**Subject:** Request for Comments for Minor Variance Case No. 20106-0522

Good evening-

Please find attached request for comments form, and location map for your review. If you have any questions concerning this request, please contact the office of Planning and Zoning Department.

Thanks.
