Sonia,

Thank you so much for arranging this for me. I will get you my power point by the 22nd of March as you requested.

Thanks again and have a great Saint Patrick's Day.

Diane Umphress

Executive Director
Amberly's Place

Good morning Diane,

I will add the presentation for April 12, 2017, please email me the information to attach to the Agenda by March 22, 2017. However, I recommend that you bring your PowerPoint presentation in a thumb drive the night of the meeting, as if I open the attachment that night, it will be opened in PDF format and not in PowerPoint format. I also want to inform you that presentations are limited to five (5) minutes.

Please let me know if you have any questions or if further assistance is needed.

Thank you
Sonia

Good morning Diane, not a problem getting you on the agenda. You guys do such a wonderful job for our community. I'm copying Mrs. Cornelio and she'll be in touch with you to get you into our next available meeting.

Have a great day,

Tadeo

Good Morning,

I hope all is well with you and your family. I spoke with Mayor Sanchez in regards to doing a presentation for the Council on the last 12 months of services we have provided to the City of San Luis. He encouraged me to please get something set up. I was wondering if you can help me schedule this with Council and also let me know if they would like the presentation at a Work Session or a Council Meeting?

We continue to see a increase in calls for services from the City of San Luis. Please understand this is a good thing as people are reporting the abuse and not keeping it a secret. We are so thankful for the support we receive from the police department and the administration in San Luis as it does make a huge difference.

Sincerely,

Diane Umphress

Executive Director
Amberly's Place
