Dear Business Owner,

Yuma Babe Ruth is wrapping up its 2017 season and gearing up for tournaments. Our program has provided youth with another year of quality baseball. As always, the volunteer board has been busy working hard on ideas to both strengthen and improve the league for the athletes that we serve.

As many of our supporters know, at the end of each regular season we compete in tournaments in our District, State and Regional levels. This year teams are seeking funding for tournament travel for such items as hotel, meal and van expenses.

Your business's support for tournament travel allows us to keep our league affordable to all who wish to participate. All donations collected for tournament travel goes directly back to the team to help pay for tournament related expenses. Checks to be made payable to Yuma Boys Baseball League (no cash please)

The benefit's our children get from participating in an organized sport are invaluable. Besides being taught the fundamentals of the game, these young athletes are being taught respect, sportsmanship, dedication and hard work. Many of these qualities will be carried with them into their adult years as they become active members of our community.

I hope that your company can again be counted on to make this year another overwhelming success.

On behalf of the board of directors, we thank you for your generosity over the years.

Sincerely,

Enrique Porchas
League President
