## SECOND EXCISE TAX PURCHASE AGREEMENT

THIS SECOND EXCISE TAX PURCHASE AGREEMENT, dated as of \_\_\_\_\_ 1, 2017 (this "Agreement"), by and between the CITY OF SAN LUIS, ARIZONA, a municipal corporation under the laws of the State of Arizona (the "City"), as purchaser hereunder, and U.S. BANK NATIONAL ASSOCIATION, a national banking association authorized to execute trust powers in the State of Arizona, as trustee under the Second Excise Tax Trust Agreement, dated as of even date herewith (the "Trust Agreement"), but in its separate capacity as seller (the "Seller") hereunder,

### W I T N E S S E T H:

WHEREAS, the Mayor and Council of the City have determined that it will be beneficial to its citizens for the City to refinance the costs of the Prior Project (as such term and all other terms not otherwise defined herein are defined in the Trust Agreement); and

WHEREAS, for the purpose of refinancing the costs of the Prior Project, the Mayor and Council of the City requested that the Trustee sell and execute and deliver the Obligations and the Trustee has, as described in the Trust Agreement, caused a deposit to be made to the Costs of Issuance Fund and a transfer to be made to the Escrow Trustee; and

WHEREAS, the City is a municipal corporation duly incorporated and validly existing under the laws of the State; the Constitution and the laws of the State authorize the City to enter into this Agreement and the transactions contemplated by this Agreement; the City has duly authorized and executed this Agreement; this Agreement is a lawful, valid and binding obligation of the City, enforceable against the City in accordance with its terms; all required procedures for execution and performance of this Agreement, including publication of notice, public hearing or competitive bidding, if applicable, have been or will be complied with in a timely manner; the Payments will be paid when due out of funds which are legally available for such purposes; neither the execution and delivery of this Agreement or the Trust Agreement, nor the fulfillment of or compliance with the terms and conditions hereof or thereof nor the consummation of the transactions contemplated hereby or thereby, conflicts with or results in a breach of the terms, conditions or provisions of any restriction or any agreement or instrument to which the City is now a party or by which the City is bound, or constitutes a default under any of the foregoing, or results in the creation or imposition of any lien, charge or encumbrance whatsoever upon any of the property or assets of the City; the Prior Project complies with all applicable environmental laws, rules and regulations (including, without limitation, all federal, state and local laws) and with Title III of the Americans with Disabilities Act and the regulations issued thereunder by the United States Department of Justice concerning accessibility of places of public accommodation and commercial facilities if and to the extent such Act and regulations apply to the Prior Project; and

WHEREAS, the Seller has full legal authority and is duly empowered to enter into this Agreement and has taken all actions necessary to the execution and delivery hereof;

NOW THEREFORE, pursuant to law and for and in consideration of the mutual covenants hereinafter contained, it is hereby agreed as follows:

*Section 1. Term and Payments.*

(a) In order to refinance the costs of the Prior Project which have not been paid to date pursuant to the terms hereof, the City hereby sells and conveys any interests it has in the Prior Project to the Seller, without warranty, for the sum of \$10.00 and other valuable consideration had and received. For the amounts payable pursuant hereto (including the Payments), the Seller in turn hereby sells and conveys back to the City, without recourse, representation or warranty, and the City hereby purchases from the Seller, any interests the Seller has in the Prior Project. (The City acknowledges that the right of the Trustee to sell the Prior Project arises out of the deposit pursuant to the Escrow Trust Agreement for the benefit of the City.)

(b) As the purchase price, the City shall pay the Payments to the Seller. (The Interest Portion is interest for purposes of the Code.)

The City shall also pay to the Seller its fees and expenses in accordance with the provisions of the Trust Agreement and to the United States of America any amounts required by Section 11(b)(ii).

The City shall further also pay all amounts necessary for compliance with the Continuing Disclosure Undertaking.

The City shall receive a credit against amounts so due, equal to any amounts held in the Payment Fund in excess of the amount then required to be in the Payment Fund. If the balance available in the Payment Fund after a Payment is insufficient to make the next required payments of principal and interest due on the Obligations on the next date for payment thereof, the City shall pay any such deficiency in sufficient time to prevent default in the payment of principal or interest on the Obligations falling due on such date.

[The City shall further also pay or reimburse the Insurer on demand any and all reasonable charges, fees, costs, losses, liabilities and expenses that the Insurer may pay or incur, including, but not limited to, fees and expenses of the Insurer's agents, attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with the administration (including waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of this Agreement or the Trust Agreement ("Administrative Costs"). For purposes of the foregoing, Administrative Costs shall include a reasonable allocation of compensation and overhead attributable to the time of employees of the Insurer spent in connection with the actions described in the preceding sentence. The City agrees that failure to pay any Administrative Costs on a timely basis will result in the accrual of interest on the unpaid amount at the Late Payment Rate, compounded semiannually, from the date that payment is first due to the Insurer until the date the Insurer is paid in full.

Notwithstanding anything herein to the contrary, the City shall further also pay to the Insurer (i) a sum equal to the total of all amounts paid by the Insurer under the Policy ("the Insurer

Policy Payment”) and (ii) interest on such the Insurer Policy Payments from the date paid by the Insurer until payment thereof in full by the City, payable to the Insurer at the Late Payment Rate per annum (collectively, “the Insurer Reimbursement Amounts”) compounded semiannually. The City hereby covenants and agrees that the Insurer Reimbursement Amounts are payable from and secured by a lien on and pledge of the revenues from the Excise Taxes and the State Shared Revenues on a parity with debt service due on the Obligations.]

(c) This Agreement shall be deemed and construed to be a “*net purchase agreement*,” and the Payments shall be an absolute net return to the Seller, free and clear of any expenses or charges whatsoever, except as otherwise specifically provided herein. The obligation of the City to pay the amounts described in paragraph (b) hereof (including the Payments) from the sources described herein and to comply with the other provisions hereof shall be absolute and unconditional and shall not be subject to any defense or any right of set-off, abatement, counterclaim, or recoupment arising out of any breach by the Seller of any obligation to the City or otherwise, or out of indebtedness or liability at any time owing to the City by the Seller. Until such time as all of the payments described in paragraph (b) hereof (including the Payments) shall have been fully paid or provided for, the City (i) shall not suspend or discontinue the same, (ii) shall comply with the other provisions hereof and (iii) shall not terminate this Agreement for any cause, including, without limiting the generality of the foregoing, the occurrence of any acts or circumstances that may constitute failure of consideration, eviction or constructive eviction, destruction of or damage to the Prior Project, the taking by *eminent domain* of title to or temporary use of any or all of the Prior Project, commercial frustration of purpose, abandonment of the Prior Project by the City, any change in the tax or other laws of the United States of America or of the State or any political subdivision of either or any failure of the Seller to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with the Trust Agreement or this Agreement. Nothing contained in this Section shall be construed to release the Seller from the performance of any of the agreements on its part herein or in the Trust Agreement contained and in the event the Seller shall fail to perform any such agreements on its part, the City may institute such action against the Seller as the City may deem necessary to compel performance so long as such action does not abrogate the obligations of the City contained in the first sentence of this paragraph.

(d) Any of the payments described in paragraph (b) hereof (including the Payments) due on a day which is not a Business Day may be made on the next Business Day and will be deemed to have been made on the date due.

(e) Amounts payable to the Seller shall be paid by means instructed to the City in writing.

## *Section 2. Pledge; Limited Obligations.*

(a) The revenues from the Excise Taxes and the State Shared Revenues have been pledged by the City to the payment of all amounts described in Subsection 1(b) hereof (including the Payments), and payment of such amounts shall be secured by a paramount and first lien on and pledge of the revenues from the Excise Taxes and the State Shared Revenues on parity with the pledge and lien hereby granted by the City for the payment

and security of the First Purchase Agreement and the other of the Parity Lien Obligations. All of the Payments are coequal as to the pledge of and lien on the revenues from the Excise Taxes and the State Shared Revenues and share ratably, without preference, priority or distinction, as to the source or method of payment from the revenues from the Excise Taxes and the State Shared Revenues or security therefor.

(b) The City shall remit to the Seller from the revenues from the Excise Taxes and the State Shared Revenues all amounts due under this Agreement in the amounts and at the times and for the purposes as required herein. The obligation of the City to make payments of any amounts due under this Agreement, including amounts due after default hereof, is limited to payment from the revenues from the Excise Taxes and the State Shared Revenues and shall under no circumstances constitute a general obligation or a pledge of the full faith and credit of the City, the State or any of its political subdivisions, or require the levy of, or be payable from the proceeds of, any *ad valorem* property taxes.

(c) The City may, at the sole option of the Mayor and Council of the City, make payments due pursuant to Section 1 hereof from its other funds as permitted by law and as the City shall determine from time to time, but the Seller acknowledges that it has no claim hereunder to such other funds. No part of the purchase price payable pursuant to this Agreement shall be payable out of any *ad valorem* property taxes imposed by the City or from bonds or other obligations, the payment of which the City's general taxing authority is pledged, unless (i) the same shall have been duly budgeted by the City according to law, (ii) such payment or payments shall be within the budget limitations of the statutes of the State and (iii) any such bonded indebtedness or other obligation is within the debt limitations of the Constitution of the State.

*Section 3. Surplus and Deficiency of the Revenues from the Excise Taxes and the State Shared Revenues.* Subject to the rights with respect to the revenues from the Excise Taxes and the State Shared Revenues with respect to the First Purchase Agreement and the other of the Parity Lien Obligations, the revenues from the Excise Taxes and the State Shared Revenues in excess of amounts, if any, required to be deposited with or held by the Seller for payments due under this Agreement shall constitute surplus revenues and may be used by the City for any lawful purpose for the benefit of the City, including the payment of obligations to which the revenues from the Excise Taxes and the State Shared Revenues may from time to time be pledged on a basis subordinate hereto. If at any time the moneys in the funds held for payment of amounts due under this Agreement are not sufficient to make the deposits and transfers required, any such deficiency shall be made up from the first moneys thereafter received and available for such transfers under the terms of this Agreement and, with respect to payment from the revenues from the Excise Taxes and the State Shared Revenues, *pro rata*, with amounts due with respect to the First Purchase Agreement and the other of the Parity Lien Obligations, and the transfer of any such sum or sums to said fund as may be necessary to make up any such deficiency shall be in addition to the then-current transfers required to be made pursuant hereto.

*Section 4. Parity Lien Obligations.* The City shall not encumber the revenues from the Excise Taxes on a basis prior or paramount to the lien and pledge provided for under

Section 2(a) hereof. So long as any amounts due hereunder remain unpaid or unprovided for, the City shall not further encumber the revenues from the Excise Taxes and the State Shared Revenues on a basis equal to the pledge hereunder unless the revenues from the Excise Taxes plus the State Shared Revenues, when combined mathematically for such purpose only, in the most recently completed fiscal year of the City, shall have amounted to at least two (2) times the highest combined interest and principal requirements for any succeeding fiscal year of the City for the First Purchase Agreement, this Agreement and the other of the Parity Lien Obligations secured or so proposed to be secured by such pledge of the revenues from the Excise Taxes and the State Shared Revenues on a parity of lien therewith. For purposes of this Section, any variable rate indebtedness shall be assumed to bear interest at the maximum permissible rate.

*Section 5. City Control over Revenue Collection.* To the extent permitted by applicable law, the revenues from the Excise Taxes shall be retained and maintained so that the amounts received from the revenues from the Excise Taxes and the State Shared Revenues, when combined mathematically for such purpose only, all within and for the most recently completed fiscal year of the City, shall have been equal to at least two (2) times the total of interest and principal requirements for the current fiscal year of the City for the First Purchase Agreement, this Agreement and the other of the Parity Lien Obligations. If the revenues from the Excise Taxes and the State Shared Revenues for any such fiscal year shall not have been equal to at least one and one-quarter (1-1/4) times the total of the interest and principal requirements for the current fiscal year of the City for the First Purchase Agreement, this Agreement and the other of the Parity Lien Obligations or if at any time it appears that the revenues from the Excise Taxes and the State Shared Revenues will not be sufficient to meet such requirements, the City shall, to the extent permitted by applicable law, impose new exactions of the type of the Excise Taxes which will be part of the Excise Taxes or increase the rates for the Excise Taxes currently imposed fully sufficient at all times, after making allowance for contingencies and errors, in each fiscal year of the City in order that (a) the revenues from the Excise Taxes and the State Shared Revenues will be sufficient to meet all current requirements hereunder and (b) the revenues from the Excise Taxes and the State Shared Revenues will be reasonably calculated to attain the level as required by the first sentence of this subsection.

*Section 6. Certain Matters with Respect to the Prior Project.*

(a) Except with respect to its power and authority to enter into this Agreement and to perform its covenants hereunder, the Seller has made and makes no representation or warranty, express or implied, and assumes no obligation with respect to the title, merchantability, condition, quality or fitness of the Prior Project for any particular purpose or the conformity of the Prior Project to any plans, specifications, construction contract, purchase order, model or sample, or as to their design, construction, delivery, installation, construction oversight and operation or their suitability for use by the City after completion. All such risks shall be borne by the City without in any way excusing the City from its obligations under this Agreement, and the Seller shall not be liable to the City for any damages on account of such risks. Except with respect to any acts by the Seller which are not undertaken at the request of the City or with the prior approval of the City, the City waives all claims against the Seller growing out of the acquisition of the Prior Project. The Seller shall have no liability to the City for any failure of any contractor to perform any contract or other undertaking with respect to the Prior Project in

any respect. The Seller shall have no obligation to obtain or insure compliance with any required permits or approval procedures with respect to the Prior Project. In the event of any defect in any item of the Prior Project or other claim with respect to the Prior Project, recourse of the City shall be against the contractors, manufacturers, suppliers, etc. of the Prior Project and, where applicable, the person selling the property to the Seller, and not against the Seller. For such purpose, the Seller hereby assigns and transfers to the City the right, title and interest of the Seller in and to all representations, warranties, guarantees and service agreements relating to the Prior Project made or entered into by the Seller and by any contractor, manufacturers, suppliers, etc. of the Prior Project. The Seller further designates the City as its attorney-in-fact granting to the City the right to initiate and take all actions necessary to enforce any and all construction contracts and all such warranties and service agreements with the same force and effect as the Seller could do if the foregoing assignment had not been made. The Seller is entering into this Agreement solely as the Seller, shall not be personally liable hereunder and shall be afforded the same rights, protections, immunities and indemnities acting hereunder as afforded to it as the Trustee under the Trust Agreement. Notwithstanding anything to the contrary herein, at no time shall the Seller be listed in the chain of title to the Prior Project. Provisions governing the rights, immunities and protections of the Trustee under the Trust Agreement are herein incorporated by reference into this Agreement as though fully set forth herein.

(b) The Seller hereby irrevocably appoints the City as its sole and exclusive agent to act for and on behalf of the Seller in refinancing the costs of the Prior Project. As such agent, the City shall have full authority to do all things necessary to bring about the refinancing of the costs of the Prior Project. The Seller shall not be liable, responsible or accountable for the acts of the City as its agent hereunder, and the City hereby assumes all responsibility for the performance of such duties.

(c) The City, by keeping and performing the covenants and agreements herein contained, shall at all times during the term of this Agreement, peaceably and quietly, have, hold and enjoy the Prior Project, without suit, trouble or hindrance from the Seller. The City hereby grants and conveys to the Seller, and all persons claiming by, through or under the Seller, including its successors and assigns under the Trust Agreement and the Owners for whom it acts, a nonexclusive easement upon, in and to the Prior Project for the purpose of permitting the Prior Project to be maintained upon the premises.

(d) Notwithstanding any other terms or provisions of this Agreement, the interest of the Seller in the Prior Project is solely in its capacity as the Seller for the purpose of facilitating the refinancing of the Prior Project, and the Seller shall not have the power, authority or obligation to assume any responsibility for the overall management or maintenance of the Prior Project, including, without limitation, any day-to-day decision-making or operational aspects of the Prior Project.

*Section 7. Providing for Payment.* The City may provide for the payment of the Payments in any one or more of the following ways:

(a) by paying the Payments as provided herein as and when the same become due and payable at their scheduled due dates pursuant to Section 1 hereof or on a date on which they can be prepaid;

(b) by depositing with a Depository Trustee, in trust for such purposes, money which, together with the amounts then on deposit with the Seller and available for the Payments is fully sufficient to make, or cause to be made, the Payments at their scheduled due dates or on a date on which they can be prepaid; or

(c) by depositing with a Depository Trustee, in trust for such purpose, any Defeasance Obligations which are noncallable, in such amount as shall be certified to the Seller and the City, by a national firm of certified public accountants acceptable to the City, as being fully sufficient, together with the interest to accrue thereon and moneys then on deposit with the Seller and available for the Payments, to make, or cause to be made, the Payments at their scheduled due dates or on a date on which they can be prepaid.

Upon any partial prepayment of a Payment, each installment of interest which shall thereafter be payable as a part of the subsequent Payments shall be reduced, taking into account the interest rate or rates on the Obligations remaining outstanding after the partial prepayment so that the interest remaining payable as a part of the subsequent Payments shall be sufficient to pay the interest on such outstanding Obligations when due.

*Section 8. Term of Agreement.* This Agreement shall not terminate so long as any payments are due and owing pursuant to the Obligations. Subject to Section 7 hereof, upon full payment or provision for payment and in consideration of the timely payment of all of the amounts described in Subsection 1(b) hereof (including the Payments) and provided that the City has performed all the covenants and agreements required by the City to be performed, this Agreement shall cease and expire. The obligations of the City under this Agreement, including, without limitation, its obligation to pay the Payments, shall survive any action brought as provided in the next Section hereof, and the City shall continue to pay the Payments and perform all other obligations provided in this Agreement; provided, however, that the City shall be credited with any amount received by the Seller pursuant to actions brought under the next Section hereof.

*Section 9. Default; Remedies Upon Default.*

(a) (i) Upon (A) the nonpayment of the whole or any part of any of the amounts described in Subsection 1(b) hereof (including the Payments) at the time when the same are to be paid as provided herein or in the Trust Agreement, (B) the violation by the City of any other covenant or provision of this Agreement or the Trust Agreement, (C) the occurrence of an event of default with respect to the First Purchase Agreement or the other of the Parity Lien Obligations or (D) the insolvency or bankruptcy of the City as the same may be defined under any law of the United States of America or the State, or any voluntary or involuntary action of the City or others to take advantage of, or to impose, as the case may be, any law for the relief of debtors or creditors, including a petition for reorganization, and

(ii) if such default has not been cured (A) in the case of nonpayment of any of the amounts described in Subsection 1(b) hereof (including the Payments) as required hereunder or under the Trust Agreement on the due date or the nonpayment of principal or interest due with respect to the First Purchase Agreement or the other of the Parity Lien Obligations on their due dates; (B) in the case of the breach of any other covenant or

provision of the Trust Agreement or this Agreement not cured within sixty (60) days after notice in writing from the Seller specifying such default and (C) in the case of any other default under the First Purchase Agreement or the other of the Parity Lien Obligations after any notice and passage of time provided for under the proceedings under which such obligations were issued then,

(iii) subject to the limitations of the Trust Agreement and the Continuing Disclosure Undertaking, the Seller may take whatever action at law or in equity, including the remedy of specific performance, may appear necessary or desirable to collect the Payments and any other amounts payable by the City under the Trust Agreement or this Agreement then due (but not the Payments and such other amounts accruing), or to enforce performance and observance of any pledge, obligation, agreement or covenant of the City under the Trust Agreement or this Agreement, and with respect to the revenues from the Excise Taxes and the State Shared Revenues, without notice and without giving any bond or surety to the City or anyone claiming under the City, have a receiver appointed of the revenues from the Excise Taxes and the State Shared Revenues which are pledged to the payment of amounts due hereunder, with such powers as the court making such appointment shall confer (and the City does hereby irrevocably consent to such appointment); provided, however, that under no circumstances may the Payments be accelerated.

Each right, power and remedy of the Seller provided for in this Agreement shall be cumulative and concurrent and shall be in addition to every other right, power or remedy provided for herein, or, unless prohibited by the terms hereof, now or hereafter existing at law or in equity or by statute or otherwise, in any jurisdiction where such rights, powers and remedies are sought to be enforced, and the exercise or beginning of the exercise by the Seller of any one or more of the rights, powers or remedies provided for herein or now or hereafter existing at law or in equity or by statute or otherwise shall not preclude the simultaneous or later exercise by either party of any or all of such other rights, powers or remedies. The failure to insist upon strict performance of any of the covenants or agreements herein set forth shall not be considered or taken as a waiver or relinquishment for the future of the rights of the Seller to insist upon a strict compliance by the Seller with all the covenants and conditions hereof. The City shall, upon not less than 10 days' prior request by the Seller, execute, acknowledge and deliver to the Seller a statement in writing certifying that this Agreement is unmodified and in full force and effect (or, if this Agreement has been modified, that it is in full force and effect except as modified, and stating the modification), and the dates to which the amounts payable hereunder have been paid in advance, if any.

(b) The Seller shall in no event be in default in the performance of any of its obligations hereunder unless and until the Seller shall have failed to perform such obligation within 30 days or such additional time as is reasonably required to correct any such default after notice by the City properly specifying wherein the Seller has failed to perform any such obligation. No default by the Seller shall relieve the City of its obligations to make the various payments herein required, so long as any of the Obligations remain outstanding; however, the City may exercise any other remedy available at law or in equity to require the Seller to remedy such default so long as such remedy does not interfere with or endanger the payments required to be made by the Seller under the Trust Agreement.

*Section 10. Assignment.*

(a) Except as otherwise provided herein, the City shall not assign, transfer, pledge or hypothecate or otherwise dispose of this Agreement or any interest therein, and any assignment in contravention hereof shall be void.

(b) Subject to the terms of the Trust Agreement, all and every part of the right, title and interest of the City in and to this Agreement and all payments of any kind due or which become due to the Seller hereunder are sold, pledged, assigned and transferred pursuant to the Trust Agreement.

*Section 11. Federal Law Provisions.*

(a) (i) As described in further detail in the Tax Certificate, no direction for the making of any investment or other use of the proceeds of any of the Tax-Exempt Obligations or of the Prior Project shall be made or omitted from being made which would cause the Tax-Exempt Obligations to be “arbitrage bonds” as that term is defined in section 148 (or any successor provision thereto) of the Code or “private activity bonds” as that term is defined in section 141 (or any successor provision thereto) of the Code, and the requirements of such sections and related regulations of the Code shall be complied with throughout the term of the Tax-Exempt Obligations. Particularly, the City shall be the owner of the Prior Project for federal income tax purposes. The City shall not enter into any management or service contract with any entity other than a governmental entity for the operation of any portion of the Prior Project unless the management or service contract complies with the requirements of such authority as may control at the time or any lease or other arrangement with any entity other than a governmental entity that gives such entity special legal entitlements with respect to any portion of the Prior Project. Also, the payment of principal and interest with respect to the Tax-Exempt Obligations shall not be guaranteed (in whole or in part) by the United States or any agency or instrumentality of the United States. The proceeds of the Tax-Exempt Obligations, or amounts treated as proceeds of the Tax-Exempt Obligations, shall not be invested (directly or indirectly) in federally insured deposits or accounts, except to the extent such proceeds may be so invested for an initial temporary period until needed for the purpose for which the Tax-Exempt Obligations are being executed and delivered, may be so used in making investments in a *bona fide* debt service fund or may be invested in obligations issued by the United States Treasury. The City shall comply with the procedures and covenants contained in any arbitrage rebate provision or separate agreement executed in connection with the execution and delivery of the Tax-Exempt Obligations (initially those in subsection (b) and the Tax Certificate) for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of the Interest Portion. In consideration of the purchase and acceptance of the Tax-Exempt Obligations by the owners from time to time thereof and of retaining such exclusion and as authorized by Title 35, Chapter 3, Article 7, Arizona Revised Statutes, the City shall, and the appropriate officials of the City are hereby directed, to take all action required to retain such exclusion or to refrain from taking any action prohibited by the Code which would adversely affect in any respect such exclusion.

(ii) (A) The City shall take all necessary and desirable steps, as determined by the Mayor and Council of the City, to comply with the requirements

hereunder in order to ensure that the Interest Portion allocable to the Tax-Exempt Obligations is excluded from gross income for federal income tax purposes under the Code; provided, however, compliance with any such requirement shall not be required in the event the City receives a Special Counsel's Opinion that either compliance with such requirement is not required to maintain the exclusion from gross income of such Interest Portion or compliance with some other requirement will meet the requirements of the Code relating to such exclusion. In the event the City receives such a Special Counsel's Opinion, the parties agree to amend this Agreement to conform to the requirements set forth in such opinion.

(B) If for any reason any requirement hereunder is not complied with, the City shall take all necessary and desirable steps, as determined by the City, to correct such noncompliance within a reasonable period of time after such noncompliance is discovered or should have been discovered with the exercise of reasonable diligence and the City shall pay any required interest or penalty under hereinafter described Regulations section 1.148-3(h) with respect to the Code.

(C) Written procedures have been established for the City to ensure that all nonqualified obligations are remediated according to the requirements under the Code and related Regulations and to monitor the requirements of section 148 of the Code relating to arbitrage, with which the City will comply.

(b) (i) Undefined terms used in this subsection shall have the meanings given to them in the Code and the Regulations.

(ii) Unless an exception available pursuant to the Regulations applies as indicated in a Special Counsel's Opinion or a written statement of an expert consultant employed pursuant to paragraph (vii) hereof, within 60 days after the end of each Bond Year, the City shall cause the Rebate Requirement to be calculated and shall pay to the United States of America:

(A) not later than 60 days after the end of the fifth Bond Year and every fifth Bond Year thereafter, an amount which, when added to the future value of all previous Rebate Payments with respect to the Tax-Exempt Obligations (determined as of such Computation Date), is equal to at least 90% of the sum of the Rebate Requirement (determined as of the last day of such Bond Year) plus the future value of all previous Rebate Payments with respect to the Tax-Exempt Obligations (determined as of the last day of such Bond Year); and

(B) not later than 60 days after the retirement of the last Tax-Exempt Obligation, an amount equal to 100% of the Rebate Requirement (determined as of the date of retirement of the last Tax-Exempt Obligation).

Each Rebate Payment required to be made under this Section shall be filed on or before the date such payment is due, with the Internal Revenue Service at the appropriate location and with required forms and other materials, currently by addressing it to IRS Service Center, Ogden, Utah 84201, and accompanying it with IRS Form 8038-T.

(iii) No Nonpurpose Investment shall be acquired for an amount in excess of its fair market value. No Nonpurpose Investment shall be sold or otherwise disposed of for an amount less than its fair market value.

(iv) For purposes of paragraph (iii), whether a Nonpurpose Investment has been purchased or sold or disposed of for its fair market value shall be determined as follows:

(A) The fair market value of a Nonpurpose Investment generally shall be the price at which a willing purchaser would purchase the Nonpurpose Investment from a willing seller in a bona fide arm's length transaction. Fair market value shall be determined on the date on which a contract to purchase or sell the Nonpurpose Investment becomes binding.

(B) Except as provided in Subsection (v) or (vi), a Nonpurpose Investment that is not of a type traded on an established securities market, within the meaning of Code section 1273, is rebuttably presumed to be acquired or disposed of for a price that is not equal to its fair market value.

(C) If a United States Treasury obligation is acquired directly from or sold or disposed of directly to the United States Treasury, such acquisition or sale or disposition shall be treated as establishing the fair market value of the obligation.

(v) The purchase price of a certificate of deposit that has a fixed interest rate, a fixed payment schedule and a substantial penalty for early withdrawal is considered to be its fair market value if the yield on the certificate of deposit is not less than:

(A) the yield on reasonably comparable direct obligations of the United States; and

(B) the highest yield that is published or posted by the provider to be currently available from the provider on reasonably comparable certificates of deposit offered to the public.

(vi) A guaranteed investment contract shall be considered acquired and disposed of for an amount equal to its fair market value if:

(A) A bona fide solicitation in writing for a specified guaranteed investment contract, including all material terms, is timely forwarded to all potential providers. The solicitation must include a statement that the submission of a bid is a representation that the potential provider did not consult with any other potential provider about its bid, that the bid was determined without regard to any other formal or informal agreement that the potential provider has with the City or any other person (whether or not in connection with the Tax-Exempt Obligations), and that the bid is not being submitted solely as a courtesy to the City or any other person for purposes of satisfying the requirements in the Regulations that the City receive bids from at least one reasonably competitive provider and at least three providers that do not have a material financial interest in the Tax-Exempt Obligations.

(B) All potential providers have an equal opportunity to bid, with no potential provider having the opportunity to review other bids before providing a bid.

(C) At least three reasonably competitive providers (i.e. having an established industry reputation as a competitive provider of the type of investments being purchased) are solicited for bids. At least three bids must be received from providers that have no material financial interest in the Tax-Exempt Obligations (e.g., a lead underwriter within 15 days of the issue date of the Tax-Exempt Obligations or a financial advisor with respect to the investment) and at least one of such three bids must be from a reasonably competitive provider. If the City uses an agent to conduct the bidding, the agent may not bid.

(D) The highest-yielding guaranteed investment contract for which a qualifying bid is made (determined net of broker's fees) is purchased.

(E) The determination of the terms of the guaranteed investment contract takes into account as a significant factor the reasonably expected deposit and drawdown schedule for the amounts to be invested.

(F) The terms for the guaranteed investment contract are commercially reasonable (i.e. have a legitimate business purpose other than to increase the purchase price or reduce the yield of the guaranteed investment contract).

(G) The provider of the investment contract certifies the administrative costs (as defined in Regulations section 1.148-5(e)) that it pays (or expects to pay) to third parties in connection with the guaranteed investment contract.

(H) The City retains until three years after the last outstanding Tax-Exempt Obligation is retired, (1) a copy of the guaranteed investment contract, (2) a receipt or other record of the amount actually paid for the guaranteed investment contract, including any administrative costs paid by the City and a copy of the provider's certification described in (G) above, (3) the name of the person and entity submitting each bid, the time and date of the bid, and the bid results and (4) the bid solicitation form and, if the terms of the guaranteed investment contract deviate from the bid solicitation form or a submitted bid is modified, a brief statement explaining the deviation and stating the purpose of the deviation.

(vii) Such experts and consultants shall be employed by the City to make, as necessary, any calculations in respect of rebates to be made to the United States of America in accordance with section 148(f) of the Code with respect to the Tax-Exempt Obligations.

(c) The City shall comply with and carry out all of the provisions of the Continuing Disclosure Undertaking, dated even date with the date of original execution and delivery of the Obligations, provided that such costs of compliance shall be payable solely from revenues from the Excise Taxes and the State Shared Revenues. Notwithstanding any other provision of this Agreement, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default; however, the Trustee may (and, at the

request of the owners of at least 25% aggregate principal amount in outstanding Obligations and receipt of indemnity to its satisfaction, shall) take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the City to comply with its obligations under this Section. The Seller is not responsible for monitoring or verifying compliance by the City with the Continuing Disclosure Undertaking.

*Section 12. Covenant as to Conflict of Interest; Other Statutory Restrictions.*

(a) To the extent applicable by provision of law, the Seller acknowledges that this Agreement is subject to cancellation pursuant to Section 38-511, Arizona Revised Statutes, the provisions of which are incorporated herein and which provides that the City may within three (3) years after its execution cancel any contract (including this Agreement) without penalty or further obligation made by the City if any person significantly involved in initiating, negotiating, securing, drafting or creating the contract on behalf of the City is at any time while the contract or any extension of the contract is in effect, an employee or agent of any other party to the contract in any capacity or a consultant to any other party to the contract with respect to the subject matter of the contract. The cancellation shall be effective when written notice is received by all other parties to the contract unless the notice specifies a later time. The Seller covenants not to employ as an employee, an agent or, with respect to the subject matter of this Agreement, a consultant, any person significantly involved in initiating, negotiating, securing, drafting or creating this Agreement on behalf of the Seller within three years from the execution of this Agreement, unless a waiver of Section 38-511, Arizona Revised Statutes, is provided by the City. No basis exists for the City to cancel this Agreement pursuant to Section 38-511, Arizona Revised Statutes, as of the date hereof.

(b) To the extent applicable under Section 41-4401, Arizona Revised Statutes, the Seller shall comply with all federal immigration laws and regulations that relate to its employees and its compliance with the “e-verify” requirements under Section 23-214(A), Arizona Revised Statutes. The breach by the Seller of the foregoing shall be deemed a material breach of this Agreement and may result in the termination of the services of the Seller by the City. The City retains the legal right to randomly inspect the papers and records of the Seller to ensure that the Seller is complying with the above-mentioned warranty. The Seller shall keep such papers and records open for random inspection during normal business hours by the City. The Seller shall cooperate with the random inspections by the City including granting the City entry rights onto its property to perform such random inspections and waiving its respective rights to keep such papers and records confidential.

(c) Pursuant to Section 35-393 et seq., Arizona Revised Statutes, the Seller hereby certifies it is not currently engaged in, and for the duration of this Agreement shall not engage in, a boycott of Israel. The term “boycott” has the meaning set forth in Section 35-393, Arizona Revised Statutes. If the City determines that the Seller’s certification above is false or that it has breached such agreement, the City may impose remedies as provided by law.

*Section 13. Miscellaneous.*

(a) No covenant or obligation herein to be performed by the City may be waived except by the written consent of the Seller, and a waiver of any such covenant or

obligation or a forbearance to invoke any remedy on any occasion shall not constitute or be treated as a waiver of such covenant or obligation as to any other occasion and shall not preclude the Seller from invoking such remedy at any later time prior to the cure by the City of the condition giving rise to such remedy.

(b) This Agreement shall be construed and governed in accordance with the laws of the State in effect from time to time.

(c) The recitals set forth at the beginning of this Agreement are incorporated in this Agreement by this reference. This Agreement constitutes the entire agreement between the parties and shall not be modified, waived, discharged, terminated, amended, supplemented, altered or changed in any respect except by a written document signed by both the Seller and the City, subject to the restrictions with regard thereto provided by the Trust Agreement.

(d) Any term or provision of this Agreement found to be prohibited by law or unenforceable or which would cause this Agreement to be invalid, prohibited by law or unenforceable shall be ineffective to the extent of such prohibition or unenforceability without, to the extent reasonably possible, causing the remainder of this Agreement to be invalid, prohibited by law or unenforceable.

(e) The captions set forth herein are for convenience of reference only and shall not define or limit any of the terms or provisions hereof.

(f) Except as otherwise provided herein, this Agreement shall be binding upon and inure to the benefit of the parties and their respective heirs, successors, assigns and personal representatives, as the case may be. Any person or entity acquiring any interest in or to the right, title or interest of the Seller herein shall be and have the rights of a third party beneficiary hereunder. [The Insurer is recognized as and shall be deemed to be a third party beneficiary of this Agreement and may enforce provisions of this Agreement as if it were a party thereto.]

(g) This Agreement may be executed in any number of counterparts, each of which shall be regarded as an original and all of which shall constitute but one and the same instrument.
