## PRODUCTION FIREWORKS PROPOSAL

Lantis Fireworks and Lasers appreciates the opportunity to submit a proposal for a firework display for the San Luis July 4<sup>th</sup> 2017 Celebration.

The enclosed proposals outline the fireworks materials that will be provided for you:

### Proposal \$20,000 Fireworks (Budget Was \$23,000 Last Year)

#### Main Program

80 each	2.5"	Premium Assorted Shells, with Tails
100 each	3"	Premium Salute Shells, with Tails
260 each	3"	Premium Assorted Shells, with Tails
130 each	4"	Premium Assorted Shells, with Tails
20 each		Multi-Shot Cake Items (600 + individual shots)

#### Finale

100 each	2.5"	Premium Assorted Finale Shells, (chained in 10's) (Finale)
100 each	3"	Premium Assorted Finale Shells, (chained in 10's) (Finale)
30 each	4"	Premium Assorted Finale Shells, (chained in 5's) (Finale)

We have listed the shells by general description, size, and quantity. Aerial shells suitable for the firing site and your budget will include.

**Premium shells** consist of basic colors and shapes, including chrysanthemums willows and peonies in a variety colors, diamonds, bouquets, and titanium salutes. Also included are variations on classic chrysanthemums and peonies that change color or feature glittering patterns. There will also be rings or a variety of palms, hearts, bowties, tourbillions, strobes and comets. Generally, if you take the size of shell in inches and times by 100', that is your break height and then take your shell size and times by 12' for your bloom width.

**Multi Shot Items** consist of basic colors and shapes including chrysanthemums, willows and peonies. These items are designed to keep the sky busy and exciting. A host of these items are also multi break, meaning, they will give a large effect and then many smaller effects. The same measurement formula applies for height and break size. Fans will give horizontal skyline coverage.

Please call me at the corporate office at 1-800-443-3040 with any questions or concerns you might have. We are looking forward to doing business with you.
