Why are you interested in becoming a member of the Board(s) and/or Commission(s) you have selected?

To listen to both sides, be able to analyze projects for the future and to be part of a better planning decision in collaboration with others. As well as being able to serve my community by being their voice of need and without leaving aside the enormous educational enrichment that I would acquire with this opportunity.

**Members are expected to attend all meetings of the Board/Commission unless otherwise excused. If a member is absent without excuse from three or more consecutive meetings, the City Council may remove this member from the Board/Commission and appoint another individual to serve the remainder of the term**
