Mr. David Lara, 1032 6<sup>th</sup> Drive, San Luis, AZ, commented that by reading the newspaper and item 6. A. it seems to contradict because there was an emergency and now there is no emergency. He mentioned that if money is needed, City Council should start by taking a cut of their salary. He commented that there are employees that are politically protected and should not be employed anymore. He mentioned that there are lot of ways to find money without sacrificing good quality employees. He asked Mayor Sanchez to be careful on how money is spent, do not protect certain employees, do what is right, and tighten the belt as everybody does. He asked council to get the facts straight.

Ms. Diane Umphress, Amberly's Place, 1310 S. 3<sup>rd</sup> Avenue, Yuma, AZ, informed that the reason for being present during this meeting is because during the last work session a concern was created, regarding the service provided by her agency. She stated that a conversation with her staff was taken regarding the services her agency provides to San Luis Municipal Court. She added that Kay Marion Macuil, City Attorney, provided her with copies of the State Statute regarding the courts. In Yuma County, in the court if there are children involved or if it is a marriage situation with domestic violence, it is a customary practice that those victims are taken to JP Court or the Superior Court because if there is going to be custody issues, they need to follow on that. Furthermore, she informed that the following day, the advocate went to the Municipal Court and the City Prosecutor's office to make the relationship stronger so that better services can be provided to the victims. Ms. Umphress stated that if in the future, there are any issues or concerns, to please inform her to address those issues. She provided copies of the AZPOST training provided to the San Luis Police Department on Predominant Aggressive for Domestic Violence on strangulation and human trafficking. Also, a letter from Judge David Haws regarding what is customary for orders of protection to provide a background. She asked Mayor and Council if they have any questions or concerns to please contact her. She stated that the City of San Luis support is needed to able to support the victims that live in San Luis.

Ms. Maria Nuñez, 1449 Arden Avenue, San Luis, AZ, supported Ms. Umphress on her request and asked Mayor and Council to continue supporting this agency. She asked Mayor and Council to please reconsider their salaries and take a cut to lower the deficit. She asked to please use ethical values. Ms. Nuñez thanked Mr. Tadeo A. De La Hoya as part of the Gadsden School District for using their funds to pave their street for parents and children. She asked to please do not forget Arden Avenue.

Ms. Guillermina Fuentes, 1630 N. 9<sup>th</sup> Avenue, San Luis, AZ, addressed Mr. Lara's comment to council "be aware on where you spend your money, so you can save it," "you are not trying to save the money for our community." She asked Mayor and Council to do what Mr. Lara is requesting, so that wealthy people can abuse the public money of welfare, like ACCHS and family assistance benefits. She mentioned that she had seen a lot of negative comments on the proposed property tax. She added that this tax was to make San Luis a better community. Furthermore, she stated that all those people that criticize the local government should help in the betterment of the community.
