Project: Juan Sanchez Blvd. Water Line Extension to the West Wastewater Treatment Plant

In response to your request, Taylor Engineering P.L.L.C. is pleased to provide this bid proposal in accordance with the solicitation documents detailed herein for the above referenced project. Taylor Engineering P.L.L.C. agrees to meet all terms, conditions and provisions included in the solicitation and will furnish any or all items upon which prices are offered at the price set opposite each item.

General Description of Work

Taylor Engineering P.L.L.C. shall furnish all the necessary personnel, material, equipment, services and technical supervision to complete the installation of the items included on the attached BID SCHEDULE.

FIRM FIXED FEE

\$28,500.00

Price is contingent on award of this contract prior to Taylor Engineering's completion of the San Luis East Mesa Waterlines project so as to avoid mobilization costs.

It is Taylor Engineering's mission to provide The City of San Luis with superior engineering and construction services. We look forward to the successful and timely completion of this project. If you have any questions or need any additional information, contact me at (480) 326-7115.

Sincerely,

Antonio De Anda PE

Taylor Engineering, P.L.L.C.
