Good morning, Janet.

Thank you for reaching out regarding the City of San Luis Border Trade Alliance membership. Attached, please find your invoice.

As well, please let me know who to coordinate with regarding the appointment of a new representative for the City of San Luis on our BTA Board of Directors. We can finalize that change at our upcoming board meeting in June but will need a bio for the new representative so that we can solicit the necessary letters of recommendation from the board. Thanks so much for all your help. Best, Britton

### The Border Trade Alliance

**Invoice** *Due: 02/09/2022*  
2022-116

Amount Due: **\$10,000.00**

Dear Ralph,

2022 opens with uncertainty and especially for our border regions. Ongoing public health pressures, new border crossing protocols, and supply chain disruptions are just a few of the challenges leaders like you are confronting in the New Year. Rest assured that you can count on the Border Trade Alliance to help you navigate these complications while we continue to advocate for needed relief for our border communities.

Thank you for your continued participation in the Border Trade Alliance. Please find attached your 2022 membership invoice.

The BTA continues to build on its decades-long record as a steadfast champion for the prosperity and economic competitiveness that results from free trade. We're working closely with agency heads on the implementation of last year's major infrastructure bill, we're proud of our close working relationship with the

new commissioner of Customs and Border Protection, and we're continuing to ensure that all three member countries live up to the letter and spirit of USMCA by rejecting policies that could erect new barriers to free trade. Your membership is essential to our work and our success.

Thank you again for your commitment and support of the BTA. I look forward to continuing to work with you and win together.

Best, Britton
