

- THE BIGGEST CONCERN TO THE FIRE DEPARTMENT IS SAFETY AND TIMELY SERVICE TO OUR RESIDENTS.
- WE STRIVE TO DECREASE OUR RESPONSE TIMES.
- THESE TIMES ARE PROVIDED TO AZDHS. AZDHS IS THE AGENCY WHO GOVERNS OUR CERTIFICATE OF NECESSITY.
- IF WE DON'T MEET RESPONSE TIMES LISTED ON OUR CON, WE CAN LOSE OUR PRIVLEDGE TO TRANSPORT OUR RESIDENTS.
- WE GET AN AUDIT EVERY ONE TO THREE YEARS.

Alley Parking

Alley Parking

Pictures with cars on one side.

- When there are cars on one side of the street, we can manage to safely deploy our ladder truck, but not in all alley ways as you can see.
- Time is very important to the fire department because it can have life and death implications.

Alley Parking

- When there is parking on both sides of the alley way, there is no way that we can safely deploy our ladder truck in a safe and secure manner.

- There are areas that we cannot even access the houses on the alley way because of parked vehicles.

Alley Parking

- It is concerning to the Fire Department not being able to have access to the houses in the alley way.
- The golden hour in medical emergencies and fires that get toned out are very important. There needs to be something done to better serve the residents of the City of San Luis within the area of downtown.
