A request by Edais Engineer Inc., on behalf of Riedel Holdings LLC., for the preliminary plat approval of La Esperanza Estates Subdivision. The property is located between 6th Avenue and 8th Avenue, north of Bienestar Estates No. 5 and south of the East Main Canal in San Luis, Arizona.

A. Staff Presentation

Jose A. Guzman, Director of Planning and Zoning, summarized the staff report recommending approval of Subdivision Case No. 2023-0597P with the following conditions:

1. Applicant must address comments from Comment Letter dated 11-21-2023.
2. Developer must comply with the approved development agreement as per Resolution No. 2292.
3. Landscaping plans shall be submitted prior to presenting this item to City Council. Open Space required for this subdivision shall be 5%.

Commission Member Angelica Ortiz mentioned that lot 31 was more significant than the rest and asked what the lots' sizes would be. **Mr. Guzman** responded that if you looked at the plat, the minimum lot size is 6,000 square feet, but the smallest one that they're proposing is 7,000, and the biggest one is 188,000, but it is the one on the west side of the property, it is a big lot adjacent to 6th Avenue lot number 31.

Najeh K. Edais, Edais Engineer, Inc., mentioned that Mr. Guzman presented the case well. I don't have anything else to add to it. It's going to be a gated community. We are just going through the process. If the commission has any questions, I would love to answer them.

Commission Member George Amaya asked if the City of San Luis or the developer would maintain the water and sewer infrastructure. **Mr. Edais** responded yes, they will be by the city. **Mr. Guzman** responded that the city will support the infrastructure but will have easements to access those water lines and infrastructure. Furthermore, Mr. Edais added that they had submitted the plans to ADEQ, and we got ADEQ approval.
