The State and the Local Agency are each individually referred to as a "Party" and are collectively referred to as the "Parties."

I. RECITALS

1. The State is empowered by A.R.S. § 28-401 to enter into this Agreement and has delegated to the undersigned the authority to execute this Agreement on behalf of the State.

3. The improvements proposed in this Agreement include the reconstruction, widening, and improvements of approximately five miles of Cesar Chavez Boulevard (Blvd), (the "Project"). The Project includes stormwater infrastructure improvements, bus stops, intersection improvements, fiber, bicycle facilities, and sidewalks. The Project cost, shown in Exhibit A, is estimated at \$61,200,000, which includes federal aid and the Local Agency's costs. The State will advertise, bid and award, and administer the construction phase of the Project.
4. Preliminary design and right of way acquisition for the Project are addressed in IGA 11-206-I, legislative appropriation funds for the Project are addressed in IGA 22-0008867-I, and the final design is addressed in IGA 22-0008907-I, and any subsequent amendments.

5. The interest of the State in this Project is the acquisition of federal funds for the use and benefit of the Local Agency and authorization of such federal funds for the Project pursuant to federal law and regulations. The State shall be the designated agent for the Local Agency for the Project, if the Project is approved by Federal Highway Administration (FHWA) and funds for the Project are available.
6. The foregoing Recitals and Exhibit A shall be incorporated into this Agreement.

In consideration of the mutual terms expressed herein, the Parties agree as follows:

II. SCOPE OF WORK

1. The Parties agree:
 - a. The Project will be completed, accepted, and paid for in accordance with the requirements of the Project plans and specifications.
 - b. The final cost estimate may exceed the initial estimate identified in Exhibit A, and in such case, the Local Agency is responsible for and agrees to pay, the difference prior to bid advertisement.
 - c. The final Project amount may exceed the initial estimate(s) identified in Exhibit A, and in such case, the Local Agency is responsible for, and agrees to pay, any and all actual costs exceeding the initial estimate. If the final Project amount is less than the initial estimate, the difference between the final bid amount and the initial estimate will be de-obligated or otherwise released from the Project. The Local Agency acknowledges it remains responsible for actual costs and agrees to pay according to the terms of this Agreement.
 - d. The Local Agency and ADOT will each separately file a Notice of Intent (NOI) under the Construction General Permit (CGP) with the Arizona Department of Environmental Quality (ADEQ) before construction begins, if applicable to the Project.
2. The State will:
 - a. Execute this Agreement, and if funds for the Project are available, be the Local Agency's designated agent for the Project.
 - b. Upon execution of this Agreement, invoice the Local Agency for \$3,200,000 for the Local Agency's match. After completion of design and prior to bid advertisement, invoice the Local Agency for the Local Agency's remaining share of the Project construction costs estimated at \$33,000,000. After the Project costs for construction are finalized, the State will either invoice or reimburse the Local Agency for the difference between estimated and actual costs. De-obligate or otherwise release any remaining federal funds from the scoping/design phase of the Project.

- c. After receipt of the Local Agency's estimated share of the Project construction costs, including the difference between the final and the initial construction cost estimates, if applicable, submit all required documentation to FHWA with the recommendation that the maximum federal funds programmed for construction of this Project be approved. Should costs exceed the maximum federal funds available, it is understood and agreed that the Local Agency will be responsible for any overage.
 - d. After receipt of FHWA authorization, proceed to advertise for, receive and open bids, award and enter into a contract with the firm for the construction of the Project. If the bid amounts exceed the construction cost estimate, obtain the Local Agency's concurrence and invoice the Local Agency for the difference between the construction cost estimate and the bid amount prior to awarding the contract.
 - e. Notify the Local Agency of completion and final acceptance of the Project. At such time, file a Notice of Termination (NOT) with ADEQ transferring CGP responsibilities to the Local Agency, and provide a copy to the Local Agency indicating that the State's maintenance responsibility of the Project is terminated, as applicable.
 - f. Notify the Local Agency of completion and final acceptance of the Project; coordinate with the Local Agency and turn over full responsibility of the Project improvements.
 - g. Not be obligated to maintain the Project, should the Local Agency fail to budget or provide for proper and perpetual maintenance as set forth in this Agreement.
3. The Local Agency will:
- a. Designate the State as the Local Agency's authorized agent for the Project.
 - b. Upon execution of this Agreement and within 30 days of receipt of an invoice, pay \$3,200,000 to the State. After completion of design, within 30 days of receipt of an invoice from the State and prior to bid advertisement, pay to the State the Local Agency's remaining share of the Project construction costs, estimated at \$33,000,000 and if applicable, the difference between the final and initial construction cost estimates. Be responsible for and pay the difference between the estimated construction cost and Project bid amount prior to award. After Project completion, be responsible for and pay any outstanding Project costs, within 30 days of receipt of an invoice.
 - c. Be responsible for all costs incurred in performing and accomplishing the work as set forth under this Agreement, that are not covered by federal funding. Should costs be deemed ineligible or exceed the maximum federal funds available, it is understood and agreed that the Local Agency is responsible for these costs; payment for these costs shall be made within 30 days of receipt of an invoice from the State.
 - d. Certify that all necessary rights of way have been or will be acquired prior to advertisement for bid and also certify that all obstructions or unauthorized encroachments of whatever nature, either above or below the surface of the Project area, shall be removed from the proposed right of way, or will be removed prior to the start of construction, in accordance with The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 as amended; 49 CFR 24.102 Basic Acquisition Policies; 49 CFR 24.4 Assurances, Monitoring and Corrective Action, parts (a) & (b) and

- f. Not permit or allow any encroachments on or private use of the right of way, except those authorized by permit. In the event of any unauthorized encroachment or improper use, the Local Agency shall take all necessary steps to remove or prevent any such encroachment or use. Provide a copy of encroachment permits issued within the Project limits to the State.
- g. Automatically grant to the State, by execution of this Agreement, its agents and/or contractors, without cost, the temporary right to enter the Local Agency's rights of way, as required, to conduct any and all construction and preconstruction related activities for the Project, on, to and over said Local Agency's rights of way. This temporary right will expire with completion of the Project.
- h. Investigate and document utilities within the Project limits; submit findings to ADOT determining prior rights or no prior rights; approve a location within the final right of way to re-establish the prior rights location for those utilities with prior rights.
- i. Be obligated to incur any expenditure should unforeseen conditions or circumstances increase Project costs. Be responsible for the cost of any Local Agency requested changes to the scope of work of the Project, such changes will require State and FHWA approval. Be responsible for any contractor claims for additional compensation caused by Project delay attributable to the Local Agency. Payment for these costs will be made to the State within 30 days of receipt of an invoice from the State.
- j. 2. **Amendments.** Any change or modification to the Project will only occur with the mutual written consent of both Parties.
3. **Duration.** The terms, conditions and provisions of this Agreement shall remain in full force and effect until completion of the Project and all related deposits and/or reimbursements are made. Any and all obligations of maintenance hereunder shall remain perpetual and shall survive any termination hereof and the assignment or assumption of this Agreement or the Project by another competent jurisdiction or entity.
