OFFICE OF THE
MAYOR
CITY OF SAN LUIS

Proclamation

GIS DAY
November 18, 2026

WHEREAS, the City of San Luis recognizes that an understanding, use and application of geospatial technology is crucial to operating our infrastructure, sustaining our natural resources, and stimulating economic growth, thus benefiting the welfare of the general public throughout the City of San Luis; and

WHEREAS, Geographic Information Systems (GIS) technology allows us to see and model complex relationships and patterns to respond more intelligently; and

WHEREAS, there is a need to promote GIS awareness, education and technical training to use this rapidly developing technology to its full potential; and

WHEREAS, the City of San Luis acknowledges those who have chosen GIS as their profession or as part of their discipline to improve the lives of our citizens; and

WHEREAS, to recognize and support the efforts of nonprofits that work on activities to improve conservation, human services, and various humanitarian efforts to better our world; and

WHEREAS, having a day of GIS activities open to students, citizens, and government leaders will help promote Science, Technology, Engineering and Mathematics (STEM) education and inspire others to a higher calling to use technology for good; and

WHEREAS, the City of San Luis is committed to utilizing GIS to inform decision-making and better serve its residents, making useful geographic information open and readily available to the public as a platform for innovation.

NOW, THEREFORE, BE IT RESOLVED, that I, Nieves Riedel, Mayor of the City of San Luis, Arizona, do hereby proclaim November 18, 2026, as **"GIS Day"**, and invite the community to promote awareness of GIS and demonstrate its importance in various fields, such as urban planning, environmental science, transportation, and more.

DATED this **10th** day of **November 2026**.
