4. CALL TO THE PUBLIC

Mr. James Allen Jr., 1549 E. Babbit Lane, San Luis, AZ, addressed the City Council regarding three (3) concerns: pedestrian safety, street lighting, and services for residents with disabilities. He expressed concern about the lack of marked pedestrian crosswalks throughout the city, particularly along 6th Avenue, where children and other pedestrians need to cross safely to access nearby residential blocks and schools. He recommended that the city evaluate intersections for marked crosswalks and consider installing four-way stop signs to improve pedestrian safety. Mr. Allen also raised concerns about inadequate street lighting in residential areas, noting that poor visibility reduces safety for residents and may challenge police and fire personnel responding to emergencies. He encouraged the city to evaluate lighting needs and consider appropriate funding options to improve visibility and public safety. Additionally, Mr. Allen recommended that the city consider establishing a commission or advisory committee dedicated to addressing the needs of residents with disabilities. He emphasized the importance of giving residents with disabilities, their families, and caregivers opportunities to help identify accessibility concerns and recommend improvements.

Mayor Nieves Riedel announced the Governor's scheduled visit to City Hall on Friday at 6:00 p.m. and personally invited Mr. Allen to attend, acknowledging his candidacy and expressing hope for his future in public service.

7. DISCUSSION AND POSSIBLE ACTION ITEMS:

7. A. Discussion and possible action on any and all matters regarding the purchase of a new rescue truck from National Auto Fleet Group. (Angel Ramirez, Fire Chief)

Mr. Jose Barragan, Fire Battalion Chief, presented a request to purchase a 2026 GMC Sierra rescue truck from National Auto Fleet Group through an attached cooperative purchasing agreement. He stated that the vehicle would support frontline emergency response operations, expand response capabilities, and reduce wear and tear, maintenance costs, and repair downtime associated with larger fire department vehicles.

Council Member Esteban C. Rosales asked about the fire truck's delivery timeline.

Mr. Barragan clarified that the purchase is for a 2026 GMC Sierra rescue pickup truck, not a full-size fire engine. The vehicle was expected to be available for delivery as early as the week of approval or the following week, pending purchase approval.

He added that additional preparations, including installing decals, radios, lights, and sirens, are required before the vehicle can be placed into service. The estimated timeframe to complete these preparations and place the vehicle into service is approximately one (1) month.

Council Member Lizeth Servin noted that the amount budgeted for the rescue vehicle was $100,000.00, while the proposed purchase price was $66,346.61, indicating potential savings.

Mr. Barragan stated that the department would incur additional expenses for decals, radio equipment, lights, and sirens. Although the final cost of these items had not yet been determined, the department anticipated that the total expenditure could remain below the allocated budget.

MOTION: Mayor Nieves Riedel/Council Member Tadeo Azael De La Hoya moved to approve the purchase of a new rescue truck from National Auto Fleet Group in the amount of $66,346.61, as presented. The motion passed unanimously.

The vote was as follows:

Vice Mayor Javier Vargas	Aye

7. B. Discussion and possible action on any and all matters regarding the award of a construction contract to TF Contracting Services, LLC, for the Well Site #4 Water Storage Tank Rehabilitation Project. (Tomas Sanchez, City Engineer)

Mr. Tomas Sanchez, City Engineer, presented on behalf of the Public Works Water Division for City Council approval to award the construction contract for the Well Site No. 4 Water Storage Tank Rehabilitation Project to TF Contracting Services, LLC. The project is located at the northwest corner of Cesar Chavez Boulevard and 8th Avenue and includes structural rehabilitation of the 500,000-gallon potable water storage tank, installation of a new steel roof and ventilation system, interior blasting and recoating, miscellaneous piping improvements, and recoating of the backwash tank. Mr. Sanchez reported that the project was publicly advertised through the formal bidding process and that two (2) bids were received on September 3. TF Contracting Services, LLC, was identified as the lowest responsive bidder, with an original bid of $1,262,326.90. As the original project budget was $1,000,000, staff met with the contractor to discuss a reduction in the scope of work to bring the project within the available funding. The revised contract amount was $869,971.72, as documented in Change Order No. 1. The project is scheduled for completion within 150 days of the notice to proceed.

Staff recommended that the City Council award the construction contract to TF Contracting Services, LLC, in the revised amount of $869,971.72 and approve Change Order No. 1 for the Well Site No. 4 Water Storage Tank Rehabilitation Project.

Mayor Nieves Riedel asked Mr. Sanchez to elaborate on the items removed or reduced from the project scope to bring the Well Site No. 4 Water Storage Tank Rehabilitation Project within the available budget.

Mr. Sanchez explained that staff coordinated with the contractor and Public Works to identify portions of the project scope that could be deferred to a future fiscal year. As part of the revised scope, the project removed the rehabilitation and recoating of the hydropneumatic pressure tanks and may complete them in the next fiscal year, subject to available funding. He noted that these adjustments would allow the city to complete as much of the necessary tank rehabilitation work as possible within the available budget. He clarified that this does not jeopardize residents' health in the City of San Luis.

Council Member Esteban C. Rosales asked Mr. Sanchez to clarify the specific changes included in Change Order No. 1.

Mr. Sanchez explained that Change Order No. 1 documents the reduction in the original project scope by removing the rehabilitation of the hydropneumatic pressure tanks. He clarified that staff recommended awarding the contract at the original bid amount of approximately $1.26 million while simultaneously approving Change Order No. 1, which reduces the contract amount to $869,971.72.

MOTION: Council Member Esteban C. Rosales/Vice Mayor Javier Vargas moved to award a contract to TF Contracting Services, LLC for the construction of the City of San Luis Well Site 4 Water Storage Tank Rehabilitation project in the amount of $1,262,326.90, and to approve Change Order No. 1, as presented. The motion passed unanimously.

The vote was as follows:

Council Member Maria Cecilia Cruz	Aye
Council Member Tadeo Azael De La Hoya	Aye
Council Member Esteban C. Rosales	Aye
Council Member Lizeth Servin	Aye
Vice Mayor Javier Vargas	Aye
Mayor Nieves Riedel	Aye

7. C. Discussion and possible action on any and all matters regarding authorization to approve Fiscal Year 2027 cumulative purchases for the Public Works Department. (Xochitl Lopez, Office Supervisor)

Ms. Xochitl Lopez, Public Works Office Supervisor, asked for City Council approval of the department's cumulative purchases for the current fiscal year, as detailed in the attached purchasing documents of this agenda item. She explained that the purchases exceeded the Procurement Office's $45,000.00 threshold, requiring Council approval. She stated that the purchases included materials and services necessary for daily departmental operations, including chlorine products for water and wastewater treatment, water meters and antennas for the metering infrastructure, lubricants for city vehicles, landfill fees and wastewater sludge disposal, and residential garbage containers for the Solid Waste Division. Additionally, the department requested authorization to waive formal purchasing procedures, where applicable, and to ratify purchases made from July through September of the current fiscal year for certain vendors. The attached documents to the agenda item identified purchases involving cooperative purchasing agreements, exclusive services, and requests for waivers of formal purchasing procedures. The cumulative purchases totaled $1,635,702.24, which was budgeted for the current fiscal year.

Council Member Tadeo Azael De La Hoya asked whether the cumulative purchases presented represented all anticipated ratifications or whether the City Council would consider additional ratification requests in the future.

Ms. Lopez responded that the items presented represented all current cumulative purchase requests for ratification. She added that the department planned to solicit bids for certain vendors used in the previous year, as well as for laboratory services and asphalt and concrete materials. These procurements would be handled separately.

MOTION: Council Member Esteban C. Rosales/Mayor Nieves Riedel moved to approve purchases for Fiscal Year 2027 of services and materials listed on the Public Works cumulative purchases schedule as presented in this agenda item for the total amount of $1,635,170.24, and ratify purchases made from July to September 2026, and waive formal purchasing procedures as stated in the fiscal impact of this item. The motion passed unanimously.

The vote was as follows:

Council Member Maria Cecilia Cruz	Aye
Council Member Tadeo Azael De La Hoya	Aye
Council Member Esteban C. Rosales	Aye
Council Member Lizeth Servin	Aye
Vice Mayor Javier Vargas	Aye
Mayor Nieves Riedel	Aye

7. D. Discussion and possible action on any and all matters regarding the City of San Luis procuring slurry seal application services from American Pavement Preservation/APP–Cactus Joint Venture for the application of Type II slurry seal as part of the Fiscal Year 2027 Pavement Preservation Program. (Manuel Hernandez, Assistant Director of Public Works)

Mr. Manuel Hernandez, Assistant Director of Public Works, requested Mayor and City Council approval to contract with American Pavement Preservation/APP Cactus Joint Venture, for the city's Fiscal Year 2027 Pavement Preservation Program. He explained that the project would apply approximately 166,000 square yards of slurry seal to city streets at a cost not to exceed $350,000.00. He noted that slurry seal provides a protective coating that seals road surfaces, extends pavement life, and prevents more costly repairs, including pavement replacement. If approved, the city would utilize the City of Yuma's Cooperative Purchasing Contract. The project is funded through the Highway User Revenue Fund. Mr. Hernandez further clarified that the city would pay only for work completed, up to the approved contract amount. He requested Mayor and City Council approval to contract with American Pavement Preservation/APP Cactus Joint Venture, in an amount not to exceed $350,000.00.

Mayor Nieves Riedel asked where the city planned to begin pavement preservation work, noting that pavement conditions varied throughout the community and that some areas needed more attention.

Mr. Hernandez explained that the city follows a pavement preservation schedule based on previously maintained roads and the years when maintenance was performed. He added that staff conducts field inspections approximately two (2) to three (3) years in advance to verify pavement conditions and determine which roads are suitable for treatment.

Mayor Nieves Riedel emphasized the need to promptly repaint crosswalks that may fade due to weather conditions and pavement preservation work, noting that delays in remarking crosswalks could affect visibility.

Mr. Hernandez responded that Public Works restripes crosswalks and markings near schools annually before the start of the school year. He added that Public Works recently restriped crosswalks along Cesar Chavez Boulevard and, in most cases, restripes them twice a year.

Council Member Maria Cecilia Cruz asked about the benefits of utilizing the City of Yuma's Cooperative Purchasing Contract for the Fiscal Year 2027 Pavement Preservation Program.

Mr. Hernandez explained that using the City of Yuma's Cooperative Purchasing Contract would save the City of San Luis time and resources by avoiding a separate formal procurement process.

He noted that cooperative purchasing allows municipalities and other public agencies to use contracts that have already undergone the required procurement procedures, provided they meet applicable state procurement requirements.

Council Member Maria Cecilia Cruz asked whether staff could estimate the time and cost savings of using the cooperative contract.

Mr. Hernandez responded that he did not have an estimate at the time but would provide one to the Council later.

MOTION: Vice Mayor Javier Vargas/Council Member Maria Cecilia Cruz moved to accept slurry seal application services from American Pavement Preservation in the amount of $350,000.00 for the Fiscal Year 2027 pavement preservation program. The motion passed unanimously.

The vote was as follows:

Council Member Maria Cecilia Cruz	Aye

A Resolution of the Mayor and City Council of the City of San Luis, authorizing the submission of an application to the United States Department of the Interior, Bureau of Land Management, to renew lease AZA-17382 — the Recreation and Public Purposes Lease (R&PP) of May 18, 2001. (Jorge Perez, Assistant Director of Public Works)

Mr. Jorge Perez, Assistant Director of Public Works, presented Resolution No. 2416 for review and approval by the Mayor and City Council. The Resolution authorizes the city and its designated representative to submit an application to the Bureau of Land Management (BLM) to renew the lease for the property on which the West Wastewater Treatment Plant is located. He provided background, explaining that the West Wastewater Treatment Plant occupies four (4) parcels of BLM land. The city holds patents for three (3) of the parcels and currently leases the fourth. He stated that the city is seeking to renew the existing lease and will subsequently pursue the necessary steps to obtain a patent for the remaining parcel.

Mayor Nieves Riedel expressed support for pursuing a patent for the property and asked about the lease term.

Mr. Perez responded that the lease is for 25 years and clarified that the city has held the lease since 2001. He added that staff sought guidance from BLM on the patent process and explained that the lease must be renewed before the city can obtain a patent for the property.

8. SUMMARY OF CURRENT EVENTS

Council Member Esteban C. Rosales reported that he was attending the Arizona Transportation Conference on behalf of the city, along with Vice Mayor Javier Vargas, Council Members Maria Cecilia Cruz and Lizeth Servin. He noted that representatives from the Yuma Metropolitan Planning Organization (YMPO), other Yuma County Supervisors, and elected officials from Somerton and Yuma also attended. He explained that the purpose of attending the conference was to learn about opportunities to secure additional funding for the city and expressed hope that the delegation would bring back valuable information following the two- to three-day event.

Mayor Nieves Riedel informed city employees that the Governor would visit on Friday at 6:00 p.m. She encouraged employees to attend the town hall and stay a little longer to show appreciation for the Governor’s work and funding that improves the quality of life for city residents.

Council Member Maria Cecilia Cruz reported that she met with Congresswoman Grijalva the previous week to discuss transportation priority projects in the Yuma region through the Yuma Metropolitan Planning Organization (YMPO). She discussed the region’s transportation funding needs and the longstanding funding gap resulting from decades of underfunding. She also noted that state and federal gas taxes have not increased since 1990, citing Arizona’s 18-cent-per-gallon gas tax and the federal 19-cent-per-gallon gas tax, and emphasized the need for additional revenue to meet transportation infrastructure needs. Council Member Maria Cecilia Cruz expressed hope that the Congresswoman would advocate for the region’s transportation priorities. She added that her participation in regional transportation organizations and the Arizona Transportation Policy Summit gave her opportunities to inform state legislators about the region's and state's transportation needs. She noted that legislative participation in and support for transportation policy discussions have grown over the years.

Mayor Riedel thanked Council Member Maria Cecilia Cruz for her service.

Council Member Lizeth Servin reminded the community about the annual community cleanup campaign and commended the Public Works Department for its work, noting that she had received positive feedback from residents and expressing appreciation for the department’s continued efforts. She also suggested inviting all candidates running in the upcoming election to attend the Governor’s scheduled town hall visit.

She asked Ms. Jenny Torres, City Manager, to make note of the request and notify the candidates of the event. Additionally, she thanked the Council Members who attended the recent "Conversation with Council" event and expressed appreciation to the community members who participated.

SERVICES AGREEMENT

This services agreement ("Agreement") made this ___day of November 2026 and is effective as of July 1, 2026, between:

Ramirez Advisors Inter-national, LLC 2642 East Thomas Road Phoenix, Arizona 85016, an Arizona limited liability company ("RAI-N") and	City of San Luis 1090 East Union Street (Physical) P.O. Box 1170 (Mailing) San Luis, Arizona 85349 An Arizona municipal corporation (the "City").

RAI-N and the City may be referred to singularly as the "Party" and collectively as the "Parties."

In consideration of the mutual benefits and obligations set forth in this Agreement, the Parties agree as follows:

SECTION 1. RAI-N SERVICES

1.1 Among the key projects under consideration and are to be monitored – although this is not an all-inclusive list are:

(a) the San Luis I Border Station Reconfiguration Project,

(b) the San Luis Rio Colorado I Border Station Reconfiguration Project,

(c) the operations at the San Luis II border station, and

(d) others as they become better defined or as determined appropriate for consideration.

1.2 Among the areas in which RAI-N will be directly involved, RAI-N will work with the City to ensure that its efforts achieve the following:

(a) assisting in the preparation and dissemination of strategic information that outlines the critical areas of need and/or projects,

(b) assist the City of San Luis in implementing an outreach strategy at the Federal, state, and binational levels to raise awareness of the needs of the region,

(c) facilitate the dialogue, communication and interaction with key state federal agencies, primarily with the General Services Administration ("G.S.A."), Customs and Border Protection ("C.B.P."), and the Arizona Department of Transportation ("ADOT"),

(d) as determined appropriate and in full coordination with the U.S. Counterparts, establish similar outreach efforts with the relevant federal, state, and municipal entities on the Mexican side as it pertains to the port of entry projects, and

(e) more as determined appropriate by the City in consultation with RAI-N.

1.3 To inform the City of RAI-N's activities and relevant matters, RAI-N will:

(a) a. Provide updates via electronic format to the City. At the request of the City of San Luis, all updates are to be provided to the Mayor and the entire City Council. There will be additional exchanges of communication on an as needed basis. RAI-N's experience has proven that more frequent reporting can cause an information overload for its clients and inefficient use of time.

(b) b. RAI-N, as determined appropriate, will participate in leadership meetings, both in person or via teleconference.

1.4 Professional Staffing

(a) Luis E. Ramírez Thomas will be the primary point of contact for all services relating to this engagement.

(b) Other firm professionals will be involved in this engagement on an as-needed basis and as determined appropriate by RAI-N. Should it be deemed appropriate by both the City and RAI-N that third-party professionals be required to provide complementary services to execute any portion of this engagement effectively, RAI-N will work with the City to secure those services. The City will be responsible for payment of any third-party services.

SECTION 2. TERM OF AGREEMENT AND TERMINATION

2.1 This Agreement shall be in effect from July 1, 2026, and continue through June 30, 2027.

2.2 Either Party may terminate this agreement with 30 days of notice without cause. The City shall pay RAI-N for all services rendered to the date of termination at RAI-N's regular prorated monthly rate if the Agreement is terminated before June 30, 2027. RAI-N shall reimburse the City for any payment the City has made above RAI-N's regular rate. This Agreement may be terminated by either Party for a material breach of nonperformance of Agreement requirements upon thirty (30) days' written notice.

2.3 Efforts on the part of either Party to negotiate a resolution of any breach of the Agreement shall not constitute a waiver of the right to terminate the Agreement upon thirty (30) days' notice.

2.4 Funding for this Agreement shall be subject to the San Luis City Council's annual appropriation of funds for this activity under the City's required budget process.

SECTION 3. ACCOUNTABILITY

3.1 Ethics RAI-N shall adhere to the strictest standards of ethics and professional behavior and provide professional services based on commonly accepted business principles, term and standards unless otherwise indicated.

3.2 Confidentiality RAI-N's practice is to hold any information provided to RAI-N by its clients as confidential. RAI-N agrees to maintain in confidence all City or City-related information that RAI-N may receive as a result of its work with the City. Further, RAI-N agrees that it will not disclose to anyone or use directly or indirectly to compete with the City or divulge such information that others may use directly or indirectly to compete with the City, any confidential information, including, but not limited to, City information, City lists, trade secrets, data, financial information, negotiation strategies, legal opinions, and legal advice, etc., that may be accessible to RAI-N in connection with its working relationship with the City, without the express permission of City or disclosure is required by law. RAI-N understands that its engagement letter to the City is a public record.

SECTION 4. CONSIDERATION

4.1 In consideration for RAI-N's performance of the duties listed herein, The City will pay an annual flat fee of $93,000.00, payable in 12 equal monthly payments of $7,750.00. This fee rate reflects a discount on the standard fees, a discount requested by the City.

4.2 Additionally, the City will cover all essential travel-related and out-of-pocket expenses, including lodging, airfare, and ground transportation, as they pertain to this engagement. Invoices are due within 30 days of the date the City receives them. Delays of more than 30 days in receiving payment will result in a 1% additional charge on a per-month basis. The City shall have a contingency budget of $3,500.00 for travel and other contingencies for an expanded scope of work as needed.

4.3 To help save money for the City whenever possible and appropriate, RAI-N will travel by rental vehicle whenever ground travel is required. Should the use of a personal vehicle be required, RAI-N will adhere to the federal mileage reimbursement rate, as provided by the U.S. General Services Administration, of $0.76 per mile as of January 1, 2026 (source: GSA.gov).

4.4 RAI-N will request prior verification, either in hard copy or via electronic mail, to incur any expenses over $100 on behalf of the City. Seeking written approval for expenses of lesser quantities can be time-consuming. RAI-N does not anticipate incurring any expenses without prior approval from the City, and a detailed report of all expenses will be submitted with each invoice.

SECTION 5. INDEPENDENT CONTRACTOR AND RIGHTS OF THE PARTIES

5.1 Purpose. RAI-N, by working with the key representatives of the City, will work to help identify the key issues, work to define the areas of concern, help identify strategies to address the concerns and work to build consensus among the key stakeholders. There are several key infrastructure projects underway or under consideration that can impact the region's long-term economic viability and sustainability, the opportunities for growth in key sectors, and the quality of life for the residents of the City. Some of the projects are immediate, and others will gain greater relevance in the long run. However, they must all be considered as part of a broader economic development strategy for the region.

5.2 Independent Contractor. RAI-N is an independent contractor to the City

(a) Rights of RAI-N. Rights of RAI-N include but are not limited to control of the work, manner and methods of the work, and the right to contract with other employers.

(b) Rights of the City. Rights of the City include but are not limited to inspection and approval of the work and the right to contract with others to perform the work.

(c) Material, Supplies, Equipment, and Tools. RAI-N shall supply, at its own expense, all materials, supplies, equipment and tools required to accomplish the work agreed to be performed under this Contract.

(d) Payroll Taxes. Payroll taxes, including federal, state, and local taxes, shall not be withheld or paid by the City on behalf of RAI-N or for the employees of RAI-N. RAI-N shall not be treated as an employee for federal or state tax purposes regarding the services performed under this Contract. RAI-N shall be responsible for paying all taxes as mandated by law.

(e) Fringe Benefits. Since RAI-N is not an employee of the City, RAI-N is not eligible for and shall not participate in any employee benefit of the City, including pension, health, or other fringe benefits.

SECTION 6. INDEMNITY

6.1 RAI-N agrees to indemnify, defend, and hold harmless the City, its officials, employees, and agents from any and all liability, demands, claims, causes of action, suits, or judgments, including costs and expenses incurred in connection with this Agreement, of whatsoever kind or nature, arising out of, in connection with, or incident to, the performance of this Agreement, except those caused by the sole negligence of the City.

6.2 This indemnity agreement shall include any claim made against the City by an employee of RAI-N or subcontractor or agent of RAI-N, even if RAI-N is otherwise immune from liability pursuant to the applicable workers' compensation statute.

6.3 In the event of litigation between the Parties to enforce rights under this section, reasonable attorney's fees and costs shall be allowed to the prevailing Party.

SECTION 7. INSURANCE

7.1 Additional Insured. The policy shall be endorsed to include the following additional insured language: "The City of San Luis, its elected officials, officers, employees, and agents shall be named as an additional insured with respect to liability arising out of the activities performed by, or on behalf of the Contractor."

7.2 Waiver of Subrogation. The policy shall contain a waiver of subrogation against the City of San Luis for losses arising from work performed by or on behalf of RAI-N.

7.3 Primary and non-contributory. Each policy, including primary, umbrella, and excess policies, shall state that the insurance provided to the additional Insureds is primary and non-contributory to any other insurance (primary, umbrella, excess, self-insurance, or any other basis) available to the additional insured.

7.4 Minimum Coverage. RAI-N must, at their own expense, purchase and maintain the above minimum insurance with companies duly licensed to do business in the state of Arizona. All policies and forms must be satisfactory to the City. The City requires its prior approval to use alternative insurers. RAI-N acknowledges that the insurance coverage and policy limits set forth below constitute the minimum amount of coverage required. Any insurance proceeds in excess of the limits and coverage required in this Agreement and which is applicable to a given loss will be available to the City. Prior to the beginning and throughout the duration of this Agreement, RAI-N will maintain insurance in conformance with the requirements set forth below:

Type	Coverages	Limits
Commercial General Liability – Occurrence Form	General Aggregate	$2,000,000
	Products-Completed Operations Aggregate	$1,000,000

7.5 Without in any way limiting RAI-N's obligations and liability pursuant to the indemnification described above, RAI-N shall maintain, during the term of this Agreement, the above types and amounts of insurance. RAI-N will use existing coverage to comply with these requirements. If that existing coverage does not meet the requirements set forth in the indemnity section of this Agreement, then such coverage shall be amended to do so.

The City of San Luis is experiencing high rates of growth and is confronting a number of significant issues that stand to impact their long-term planning and the quality of life for the residents of the City.

The US Federal government is spending $307 million to modernize the San Luis 1 port of entry, an generational investment with local and regional impacts. Much work needs to take place with the US The General Services Administration (GSA), and US Customs and Border Protection to ensure that the investment being made at San Luis I

offers the most benefits possible for San Luis and the entire region.

Additionally, there are various transportation and related infrastructure issues that need to be addressed to handle the expected growth in cross-border traffic and local population growth. As experienced in various other border communities, these types of projects typically serve as catalysts for growth. The challenge is to position the City and the region to be the beneficiary of that growth. Without appropriate planning, the City stands to be bypassed by the growth and be left to deal with the challenges associated with the growth and traffic.

OUR PROPOSAL

RAI-N, by working with you and the key representatives of the City, will work to help identify the key issues, work to define the areas of concern, help identify strategies to address the concerns and work to build consensus among key stakeholders. In particular, there are a number of key infrastructure projects under way or under consideration that can impact the regions long-term economic viability and sustainability, the opportunities for growth in key sectors and the quality of life for the residents of the region. Some of the projects are of an immediate nature and others will gain greater relevance in the long-run but all have to be considered as part of a broader economic development strategy for the region.

Among the key projects under consideration and are to be monitored – though this is not an all-inclusive list – are:

- The San Luis I Border Station Modernization Project;
- Working with Mexican authorities to advance the needed improvements to the Mexican side of the border at San Luis I;
- Promote the long-term strategy to allow cars to cross at San Luis II;
- By working with you and stakeholders, devise and implement strategies that promote the utilization of the San Luis II port of entry ;
- Others as they become better defined or as determined appropriate for consideration.

Among the various areas in which RAI-N will be directly involved, RAI-N will work with the City to achieve the following:

- Assisting in the preparation and dissemination of strategic information that outline the critical areas of need and/or projects;

- Assist the City of San Luis in the implementation of an outreach strategy at the Federal, state and binational levels to raise awareness of the needs of the region;

- Facilitate the dialogue, communication and interaction with key local, state and federal agencies, primarily with the General Services Administration ("GSA"), Customs and Border Protection ("CBP"), and the Arizona Department of Transportation ("ADOT"); and

- As determined appropriate and in full coordination with the US Counterparts, establish similar outreach efforts with the relevant federal, state and municipal entities on the Mexican side as it pertains to the port of entry projects.

In an effort to maintain the City informed of our activities and relevant matters, RAI-N will:

- Provide updates via electronic format to the City. At the request of the City of San Luis, all updates are to be provided to the City Manager and Deputy Manager. There will be additional exchanges of communication on as needed basis. Our experience has proven that more frequent reporting can result in an information overload for our clients and thus an inefficient use of time;

- We will continue our efforts to issue *#LuisOnTheBorder: San Luis* newsletter, a newsletter that has garnered a lot of attention from key leaders and decision makers throughout Arizona. This newsletter will be issued a minimum of twice per year. Additional editions may be issues depending on the issues and timeliness of information; and

- RAI-N, as determined appropriate, will participate in leadership meetings, both in person or via teleconference.

PROFESSIONAL STAFFING

Luis Ramirez will be primary point of contact for all services relating to this engagement. Other firm professionals will be involved in this engagement on as needed basis and as determined appropriate by RAI-N.

Should it be deemed appropriate by both the City and RAI-N that third-party professionals be required to provide complementary services in order to effectively

execute any portion of this engagement, RAI-N will work with you in order to secure those services. You will be responsible for payment of any third-party services.

OUR FEES AND EXPENSES

RAI-N will require an annual retainer of $60,000 to be paid in 12 equal payments of $5,000. The retainer reflects a discount of our standard fees, a discount that was requested by the City of San Luis.

Additionally, the City will cover all travel related and out of pocket expenses including but not limited to lodging, airfare and ground transportation as they pertain to this engagement. Invoices are due within 30 days of the date they are received. RAI-N will submit any and all expenses as a direct pass through, without any markup. Delays of more than 30 days in receiving payment will result in a 1% additional charge on a per month basis.

In an effort to help save money for the City, whenever possible and appropriate, RAI-N will travel by rental vehicle whenever ground travel is required. Should the use of a personal vehicle be required, RAI-N will adhere to the federal mileage reimbursement rate, as provided by the US General Services Administration of $0.655/mile as of January 1, 2023 (source: GSA.gov).

RAI-N will request prior verification, either in hard copy or via electronic mail in order to incur any expenses in excess of $100 on behalf of the City. We have found that seeking written approval for expenses that are of lesser quantities can be time consuming. Of course, we do not anticipate incurring any expenses without prior approval from you and a detailed reporting of all expenses will be submitted along with each invoice.

GENERAL TERMS AND CONDITIONS

The duration of this agreement shall be for one (1) year commencing from the date of execution. At the conclusion of that year, the City and RAI-N will jointly assess whether to renew, expand, modify or terminate this agreement. Additionally, either party shall have the option of terminating this agreement by providing a 30-day advance notice in writing and all fees owed to that termination date shall be paid to RAI-N as per the terms of this agreement.

RAI-N adheres to the strictest standards of ethics and professional behavior and provides professional services based on commonly accepted business principles, terms

and standards, unless otherwise indicated.

It is our practice to hold any and all information provided to us by our clients as confidential.

RAI-N will act as an independent contractor to you and the City, and RAI-N will be directly responsible for any compensation and/or coverage of benefits and taxes to any RAI-N personnel.

This engagement letter is presented to you and your leadership team only and is to be treated as confidential information at all times.

CONFIDENTIALITY OF INFORMATION; DISCLOSURE

RAI-N agrees to maintain in confidence all City or City related information which RAI-N may receive as a result of its work with the City. Further, RAI-N agrees that it will not disclose to anyone, for any reason, or use directly or indirectly to compete with the City or divulge such information that others may use directly or indirectly to compete with the City, any confidential information, including, but not limited to, City information, City lists, trade secrets, data, financial information, negotiation strategies, legal opinions and/or advice, etc., that may be accessible to RAI-N in connection with its working relationship with the City, without express permission of City.

It is understood that RAI-N maintains a working relationship with other persons and legal entities. RAI-N shall promptly disclose the names of all other governmental entities that it is working with in the Country of Mexico and the States of Arizona, or other locations in the United States and the projects that it is working on for the purpose of avoiding conflicts of interest between clients. City agrees that any information disclosed by RAI-N shall be treated as confidential information and must be treated as either private commercial trade secret information or as private work product information of RAI-N.

This agreement is subject to the cancellation provisions of A.R.S. §38-511.

CONCLUSION

Much work remains to be done on the modernization project, including the on-time and on-budget delivery of a project that meets the needs of the city and the region. We are confident that our direct experience in projects on the border, our

ability to interact with key stakeholder agencies and entities on both sides of the border and our fully bi-cultural and binational experience allows us to assure you that we will continue to be a value-added member of the City's leadership team. Should you find the terms of this proposal acceptable kindly sign and date it and return it at your earliest convenience.

Thank you in advance for the consideration you give to this proposal. We are excited about our continued work with you and the City on these very unique projects and we thank you for the consideration that you give to this proposal.

Respectfully,
FOR RAMIREZ ADVISORS INTER-NATIONAL, LLC

Luis E. Ramirez, MSFS

Action Requested: Motion
Order

ITEM:

Discussion and possible action on any and all matters regarding Order No. 2026-10. An Order of the Mayor and City Council of the City of San Luis, Arizona, authorizing the City to join the Remnant Defendants' Opioid Settlement Agreement dated August 20, 2026. **(Jenny Torres, City Manager and Joe Estes, City Attorney)**

SUMMARY:

On November 13, 2019, the City Council authorized participation in the In re National Prescription Opiate Litigation multi-jurisdictional lawsuit against manufacturers, distributors, and retailers of prescription opiate drugs for reimbursement for money spent addressing the opioid crisis. That case against the corporations ended in 2019, and the money is being distributed.

On October 15, 2026, a notice was sent by email providing notice of a proposed Remnant Defendant Opioid Settlement Agreement reached with Albertsons. In order to participate in the settlement proceeds, the City must execute and submit a Subdivision Settlement Participation Form ("Participation Form") before December 30, 2026 for the City to be considered a "Participating Subdivision." Submission of the Participation Form means the City (a) agrees to the terms of the Agreement; (b) releases all Released Claims against all Released Entities (described in the attachment); (c) agrees to use monies it receives from the settlement for purposes that qualify as opioid remediation; and (d) the City submits to the jurisdiction of the filed consent judgment. If, for any reason, the Settlement Agreement does not become effective, the Participation Form is void.

This Order allows the Mayor to sign the Participation Form upon receipt and for staff to take any other necessary action.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Albertsons Settlement.

11. Nothing herein is intended to modify in any way the terms of the Albertsons Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Albertsons Settlement in any respect, the Albertsons Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

The Reference Date shall be no later than thirty (30) calendar days after the Initial Participation Date, unless it is extended by written agreement of Albertsons and the Enforcement Committee.

Any person or entity described in subsections (3)-(6) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in Section X.G. If applicable state law requires that opt-out rights be afforded to members of the class, a class action resolution otherwise meeting the foregoing requirements shall qualify as a Settlement Class Resolution unless Subdivisions collectively representing more than one percent (1%) of the total population of that Settling State opt out. In seeking certification of any Settlement Class, the applicable Settling State and Participating Subdivisions shall make clear that certification is sought solely for settlement purposes and shall have no applicability beyond approval of the settlement for which certification is sought. Nothing in this Agreement constitutes an admission by any Party that class certification would be appropriate for litigation purposes in any case or for purposes unrelated to this Agreement.

A State-Subdivision Agreement shall be effective if approved pursuant to the provisions of Exhibit O or if adopted by statute. Preexisting agreements addressing funds other than those allocated pursuant to this Agreement shall qualify if the approval requirements of Exhibit O are met. A Settling State and its Subdivisions may revise a State-Subdivision Agreement if approved pursuant to the provisions of Exhibit O, or if such revision is adopted by statute.

BBBB. *"Statutory Trust."* A trust fund established by state law to receive funds allocated to a Settling State's Remediation Accounts Fund and restrict any expenditures made using funds from the Settling State's Remediation Accounts Fund to Opioid Remediation, subject to reasonable administrative expenses. DDDD. "*Subdivision Allocation Percentage.*" The portion of a Settling State's Subdivision Fund set forth in Exhibit G that a Subdivision will receive pursuant to Section V if it becomes a Participating Subdivision. The aggregate Subdivision Allocation Percentage of all Subdivisions receiving a Subdivision Allocation Percentage in each Settling State shall equal one hundred percent (100%). Immediately upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund, whether before or after the Initial Participation Date, Exhibit G will automatically be amended to reflect the allocation from the Subdivision Fund pursuant to the State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3. The Subdivision Allocation Percentages contained in Exhibit G may not change once notice is distributed pursuant to Section VII.A, except upon the effectiveness of any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3 (or upon the effectiveness of an amendment to any State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution allowed by Section V.D.3) that addresses allocation from the Subdivision Fund. For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

II. Participation by Eligible States and Condition to Preliminary Agreement

A. *Notice to Eligible States.* On August 21, 2026, this Agreement shall be distributed to all Eligible States. The Attorneys General of the Eligible States shall then have until September 21, 2026 to decide whether to become Settling States. Eligible States that determine to become Settling States shall so notify Albertsons and shall further commit to obtaining any necessary additional state releases prior to the Reference Date. This notice period may be extended by written agreement of Albertsons and the Enforcement Committee.

B. *Condition to Preliminary Agreement*. Following the notice period set forth in Section II.A, Albertsons shall determine whether, in its sole discretion, enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VII. If Albertsons determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee on the Preliminary Agreement Date. If Albertsons determine that this condition has not been satisfied, and this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by Eligible States*. After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Albertsons and the Enforcement Committee. If an Eligible State becomes a Settling State more than sixty (60) calendar days after the Preliminary Agreement Date, but on or before the Reference Date, the Subdivisions in that Eligible State that become Participating Subdivisions within ninety (90) calendar days of the Eligible State becoming a Settling State shall be considered Initial Participating Subdivisions. An Eligible State may not become a Settling State after the Reference Date.

D. *Litigation Activity.* Following the Preliminary Agreement Date, Eligible States that determine to become Settling States shall make reasonable efforts to cease litigation activity against Albertsons, including by jointly seeking stays or, where appropriate, severance of claim against Albertsons, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the entry of the injunctive relief terms attached in Exhibit P.

IV. Settlement Payments

A. *Settlement Fund.* All payments under this Section IV shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section V.

B. *Annual Remediation Payments*

1. Albertsons shall make nine (9) Annual Remediation Payments, each comprised of Base Payments and Incentive Payments as provided in this Section IV and as determined by the Settlement Fund Administrator as set forth in this Agreement, *provided that* the Annual Remediation Payment in Payment Year 1 shall consist solely of Base Payments. The payment schedule for the Annual Remediation Payments is attached hereto as Exhibit M-2.

2. In no instance shall Albertsons's Annual Remediation Payment obligation exceed the Annual Remediation Maximum, reduced for Non-Settling States, except as specified in the definition of "Annual Remediation Maximum" for Payment Years 3, 4, and 9. In no instance shall the sum of Albertsons's Annual Remediation Payment obligations for Payment Years 1-9 exceed the sum of Albertsons's Annual Remediation Maximums for Payment Years 1-9, reduced for Non-Settling States.

C. *Settlement Fund Payment Process*

1. To determine each Annual Remediation Payment for Payment Year 2 forward, the Settlement Fund Administrator shall use the data as of sixty (60) days prior to the Payment Date for each payment, unless another provision of the Agreement specifies a different date. Prior to the Effective Date, the Parties will include an exhibit to the Agreement setting forth in detail the process for the Settlement Fund Administrator obtaining relevant data and for distributing funds to the Settling States and their Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. The Settlement Fund Administrator shall determine the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by:

a. Determining, for each Settling State, the amount of Base Payments and Incentive Payments to which the Settling State is entitled by applying the criteria under Section IV.F, Section IV.G, and Section IV.H;

b. applying any offsets, credits or reductions as specified under Section IV and Section XII;

c. determining the total amount owed by Albertsons to all Settling States and the Participating Subdivisions listed on Exhibit G; and

d. the Settlement Fund Administrator shall then allocate, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section V.C.5, the Annual Remediation Payment pursuant to Section V among the Settling States, among the separate types of funds for each Settling State (if applicable), and among the Participating Subdivisions listed on Exhibit G.

3. If, no later than fifty (50) days prior to the Payment Date, Albertsons and the Enforcement Committee inform the Settlement Fund Administrator that they agree on the amount of the Annual Remediation Payment and the Statewide Payment Amount for each Settling State, Albertsons shall pay the agreed-upon Annual Remediation Payment amount on the Payment Date and the Settlement Fund Administrator shall treat those amounts as the determination described in Section IV.C.2. If the Settlement Fund Administrator is not so informed, it shall give notice to Albertsons, the Settling States, and the Enforcement Committee of the amount of the Annual Remediation Payment, and the Statewide Payment Amount for each Settling State, following the determination described in Section IV.C.2, and the following timeline shall apply:

a. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, Albertsons, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Annual Remediation Payment or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Albertsons identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Albertsons identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute, and Albertsons shall pay the adjusted amount, collectively totaling that year's Annual Remediation Payment, on the Payment Date. If a written response to the written

notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Albertsons of the preliminary amount to be paid, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute, *provided, however,* that in no circumstances shall the preliminary amount to be paid be higher than the Annual Remediation Maximum. For the avoidance of doubt, a transfer of payments from the Settlement Fund Escrow for other Payment Years does not count toward determining whether the amount to be paid is higher than the Annual Remediation Maximum.

d. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Albertsons into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4.

4. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have agreed on the amount of its Statewide Payment Amount, determined pursuant to Section IV.C.2 or Section IV.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State as quickly as practical. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section V, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section IV.C.2 or Section IV.C.3, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

5. Disputes described in this subsection shall be resolved in accordance with the terms of Section VI.F.

6. The Settlement Fund Administrator may combine the disbursements of Annual Remediation Payments with disbursement of funds under other comparable opioid settlements. In determining when disbursements for each Annual Remediation Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

7. For the avoidance of doubt, a Subdivision not listed on Exhibit G shall not receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Procedure for Annual Remediation Payment and Annual Fees Payment in Payment Year 1.* The process described in Section IV.C shall not apply to Payment Year 1. The procedure in lieu of Section IV.C for Payment Year 1 is as set forth below:

1. The Payment Date for Payment Year 1 is April 30, 2026. Albertsons shall deposit into a segregated interest-bearing bank account it establishes the "Maximum Base Payment" for Payment Year 1 as specified in Exhibit M-2. Albertsons shall also deposit into two (2) separate segregated interest-bearing bank accounts it establishes: (a) the "Maximum Exhibit R Attorney Fee and Cost Funds" for Payment Year 1 as specified in Exhibit M-3; and (b) the "Maximum Additional Remediation Amount" for Payment Year 1 as specified in Exhibit M-3. Albertsons shall separately account for the interest earned on each of the three (3) accounts.

2. Albertsons shall provide proof to the Enforcement Committee of the deposits required by Section IV.D.1 by April 30, 2026. Albertsons shall not remove any money from the segregated bank accounts, except as provided by Section IV.D.3 and Section IV.D.4.

3. In the event that an Eligible State does not agree to become a Settling State by the Preliminary Agreement Date, such State's share of the funds held in the segregated bank account holding the "Maximum Base Payment" for Payment Year 1 shall

immediately revert to Albertsons. This amount shall be calculated by multiplying the aggregate Overall Allocation Percentage attributable to Eligible States that have not agreed to become Settling State by the Preliminary Agreement Date by the "Maximum Base Payment" amount specified in Exhibit M-2 for Payment Year 1. In the event that, in accordance with the terms of Section VIII.B, Albertsons determines not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the segregated bank accounts shall immediately revert to Albertsons.

4. If the condition set forth in Section VIII.B is met, Albertsons shall transfer into the Settlement Fund, no later than five (5) business days after the Reference Date (unless the Enforcement Committee specifies a later date), the amount in the segregated account holding the "Maximum Base Payment" for Payment Year 1 (including all interest accrued on that account) plus the total amount of the Base Payment owed in Payment Year 1 for the Eligible States that newly agreed to become a Settling State between the Preliminary Agreement Date and the Reference Date, which shall be calculated by multiplying those Settling States' Overall Allocation Percentage by the amount specified in Exhibit M-2 for Payment Year 1. If the condition set forth in Section VIII.B is met, Albertsons also shall transfer into the relevant funds as directed by the Enforcement Committee, no later than five (5) business days after the Reference Date (unless the Enforcement Committee specifies a later date), the amount in the segregated account holding the "Maximum Exhibit R Attorney Fee and Cost Funds" for Payment Year 1 (including all interest accrued on that account), and the amount in the segregated account holding the sum of the "Maximum Additional Remediation Amount" for Payment Year 1 (including all interest accrued on that account), except that any reductions provided by Section IX.B and Exhibits R shall revert to Albertsons. Albertsons shall provide an accounting to the Enforcement Committee of the transfers, including Statewide Payment Amount for Payment Year 1 for each Eligible State that newly agreed to become a Settling State between the Preliminary Agreement Date and the Reference Date.

5. The Annual Remediation Payment for Payment Year 1 transferred by Albertsons into the Settlement Fund pursuant to Section IV.D.4 shall be disbursed by the Settlement Fund Administrator after the Effective Date to each Settling State and to its Initial Participating Subdivisions listed on Exhibit G pursuant to Section IV.C.4 through Section IV.C.7; *provided, however*, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions listed on Exhibit G shall not be disbursed until ten (10) calendar days after the entry of the Consent Judgment in that Settling State.

E. *Payment Date for Payment Years 2 through 9.* The Payment Date for Payment Year 2 is March 31, 2027. The Payment Date for Payment Years 3 through 9 shall be each successive March 31, or the first business day thereafter if March 31 falls on a weekend. The Annual Remediation Payments for those Payment Years shall be made pursuant to the process set forth in Section IV.C.

F. *Offsets to Annual Remediation Payments to the Settlement Fund for Non-Settling States.* An offset equal to $655,114,448.14 times the Overall Allocation Percentage assigned to each Non-Settling State in Exhibit F shall be deducted from the total amount to be paid by

Albertsons to the Settlement Fund. For the avoidance of doubt, the Adjusted State Remediation Payment is calculated in a way that reflects this offset. The Base Payments and Incentive Payments are also subject to offset and reduction as provided in Section XII.

G. *Base Payments.*

1. Subject to the offset and reduction provisions set forth in Section XII, Albertsons shall make Base Payments into the Settlement Fund in an amount equal to thirty-eight percent (38%) of the Adjusted State Remediation Payment. The maximum total for Base Payments is $248,943,490.30. The Base Payments shall be due in installments consistent with Exhibit M-2 over the nine (9) Payment Years, subject to potential offsets for Non-Settling States as provided in Section IV.F.

2. The Base Payment for any Settling State in each Payment Year shall be the Base Payment for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F.

H. *Incentive Payments.*

1. Subject to the offset and reduction provisions set forth in Section XII, Albertsons shall make potential additional incentive payments totaling up to a maximum of sixty-two percent (62%) of the Adjusted State Remediation Payment, with the Incentive Payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is $406,170,957.84.

2. A Settling State qualifies to receive Incentive Payments in addition to Base Payments if it meets the incentive eligibility requirements specified below. With the exception of the Incentive Payment Earn-Back, the maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments listed in Section IV.H.1 times the Settling State's Overall Allocation Percentage specified in Exhibit F. With the exception of the Incentive Payment Earn-Back, Incentive Payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The incentive payments shall be divided among four (4) categories, referred to as Incentive Payments A, BC and D, and the Incentive Payment Earn-Back. Incentive Payments A and BC will be due in installments over the eight (8) Payment Years beginning with Payment Year 2, and Incentive Payment D will be due in installments over Payment Years 6 through 9, as shown on Exhibit M-2. The Incentive Payment Earn-Back will be due, if earned pursuant to Section IV.H.7, in Payment Year 9. The total amount of incentive payments in an Annual Remediation Payment shall be the sum of the incentive payments for which the individual Settling States are eligible for that Payment Year under the criteria set forth below. The incentive payments shall be made with respect to a specific Settling State based on its eligibility for that Payment Year under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A, BC, and D shall be determined on a Settling State-by-Settling State basis.

4. Incentive Payment A.

a. Incentive Payment A is mutually exclusive with Incentive Payments BC and D; if a Settling State receives Incentive Payment A in an Annual Remediation Payment, such Settling State is not eligible for Incentive Payments BC or D in that Annual Remediation Payment. A Settling State that receives Incentive Payment A is eligible to receive the Incentive Payment Earn-Back, if the requirements of Section IV.H.7 are met.

b. Incentive Payment A shall be equal to sixty-two percent (62%) of the Adjusted State Remediation Payment, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment A will be due to a Settling State as part of the Annual Remediation Payment over eight (8) Payment Years, starting in Payment Year 2, and shall equal a total potential maximum of $406,170,957.84 if all Eligible States qualify for Incentive Payment A. Each Settling State's share of Incentive Payment A in a given year, *provided* that Settling State qualifies, shall equal the total maximum amount available for Incentive Payment A for that year as reflected in Exhibit M-2 times the Settling State's Overall Allocation Percentage.

c. Qualification for Incentive Payment A is as follows: A Settling State qualifies for Incentive Payment A if, as of two (2) years of the Effective Date: (i) there is a Bar in that Settling State in full force and effect, (ii) there is a Settlement Class Resolution in that Settling State in full force and effect, (iii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a Settling State's population, whichever is greater, Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and Primary Fire Districts; or (iv) a combination of the actions in clauses (i)-(iii) has achieved the same level of resolution of Claims by Subdivisions (*e.g.,* a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iv) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Albertsons and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Initial Participation Date.

d. A Settling State that does not qualify for Incentive Payment A as of two (2) years after the Effective Date shall not be eligible for Incentive Payment A for that Payment Year or any subsequent Payment Years.

e. Albertsons shall indicate before the Initial Participation Date whether existing legislation in a Settling State is sufficient to qualify as a Bar.

f. If a Settling State does not qualify for Incentive Payment A as of the Payment Date for Payment Year 2, and becomes eligible for Incentive Payment A as of Payment Date for Payment Year 3, it shall receive the payment that it would have received for Incentive Payment A for Payment Year 2 (the "Incentive Payment A Catch-up Payment") on the Payment Date for Payment Year 3. If a Settling State is not eligible for Incentive Payment A as of the Payment Date for Payment Year 3, and becomes eligible for Incentive Payment A as of two (2) years after the Effective Date, it shall receive the payment that it would have received for Incentive Payment A for Payment Years 2 and 3 (also an "Incentive Payment A Catch-up Payment") on the Payment Date for Payment Year 4. The Incentive Payment A Catch-up Payment shall be reduced by any amounts paid to the Settling State under Incentive Payment BC prior to the Settling State's eligibility for Incentive Payment A.

g. If Albertsons made a payment under Incentive Payment A solely on the basis of a Bar or Settlement Class Resolution in a Settling State and that Bar or Settlement Class Resolution is subsequently removed, revoked, rescinded, reversed, overruled, interpreted in a manner to limit the scope of the release, or otherwise deprived of force or effect in any material respect, that Settling State shall not be eligible for Incentive Payment A thereafter, unless the Settling State requalifies for Incentive Payment A through any method pursuant to Section IV.H.4.c, in which case the Settling State shall be eligible for Incentive Payment A less any litigation fees and costs incurred by Albertsons in the interim, except that, if the re-imposition occurs after the completion of opening statements in a trial involving a Released Claim, the Settling State shall not be eligible for Incentive Payment A (unless this exception is waived by Albertsons).

5. Incentive Payment BC.

a. Incentive Payment BC shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment BC shall be up to a maximum of fifty-nine percent (59%) of the Settling State's State Allocation. Incentive Payment BC will be due to a Settling State as part of the Annual Remediation Payment over ten (8) Payment Years, starting in Annual Remediation Payment 2. Subject to Section IV.F, Incentive Payment BC shall equal a total potential maximum of $386,517,524.40 if all states are eligible.

c. A Settling State may earn Incentive Payment BC in Annual Remediation Payments 2 through 9 and may receive, when combined with the Settling State's Base Payment, a maximum of up to ninety-seven 97% of the Settling State's State Allocation. The maximum Incentive Payment BC for any Settling State in a given Payment Year shall be the Incentive Payment BC for that Payment Year specified in Exhibit M-2 times the Settling State's Overall Allocation Percentage specified in Exhibit F, provided such Settling State becomes eligible for

Incentive Payment BC by sixty (60) days before the Payment Date for Payment Year 6.

d. The amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all the Settling State's Incentive BC Subdivisions. The Settling State's Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Non-Litigating Threshold Subdivisions (collectively, all Litigating Subdivisions and all Non-Litigating Threshold Subdivisions are "*Incentive BC Subdivisions*").

e. The percentage of the Settling State's maximum Incentive Payment BC for the Payment Year provided by Section IV.H.5.c to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

Participation Percentage of Incentive BC Eligible Subdivision Population[5]	**Incentive Payment BC Percentage for the Relevant Payment Year**
Less than 85%	0%
85% or more but less than 86%	3.57%
86% or more but less than 87%	8.93%
87% or more but less than 88%	14.29%
88% or more but less than 89%	19.64%
89% or more but less than 90%	25%
90% or more but less than 91%	30.36%

[5] The "Participation Percentage of Incentive BC Eligible Subdivision Population" shall be determined by the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions, or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of the Settling State's Incentive BC Subdivisions. In calculating the Settling State's population that resides in Incentive BC Subdivisions, the population of the Settling State's Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; provided, however, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section X) of the Subdivision to be excluded.

91% or more but less than 92%	35.71%
92% or more but less than 93%	41.07%
93% or more but less than 94%	46.43%
94% or more but less than 95%	51.79%
95% or more but less than 96%	60.71%
96% or more but less than 97%	68.75%
97% or more but less than 98%	76.79%
98% or more but less than 99%	84.82%
99% or more but less than 100%	92.86%
100%	100%

f. For Payment Years 2-5, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date. For Payment Years 6-9, the percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days before the Payment Date for Payment Year 6. If Incentive BC Eligible Subdivisions that have become Participating Subdivisions, or achieved Case-Specific Resolution status, collectively represent less than eighty-five percent (85%) of a Settling State's Incentive BC Eligible Subdivision population by sixty (60) days before the Payment Date for Payment Year 6, the Settling State shall not receive any Incentive Payment BC.

g. If there are no Incentive BC Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment BC because it is not eligible for Incentive Payment A, that Settling State will receive its maximum Incentive Payment BC for that Annual Remediation Payment provided by Section IV.H.5.c.

6. Incentive Payment D.

a. Incentive Payment D shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment D shall be equal to up to a maximum of ten percent (10%) of the Adjusted State Remediation Payment, with the actual amount depending whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payment D is $65,511,444.81.[6]

c. Incentive Payment D shall be paid starting at Payment Year 6 and the amount of Incentive Payment D in Payment Years 6-9 will depend on (i) the Settling State meeting the qualifications set out in Section IV.H.6.d and (ii) the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6.

d. A Settling State qualifies for Incentive Payment D if no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the Settling State's population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that Settling State has a lawsuit against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion.

e. A Settling State's qualification for Incentive Payment D shall be determined as of sixty (60) calendar days prior to the Payment Date ("*Incentive Payment D Look-Back Date*"). If a Later Litigating Subdivision's lawsuit in that Settling State survives more than six (6) months after denial in whole or in part a Threshold Motion after that date, that Settling State shall not be eligible for Incentive Payment D for the Payment Year in which that occurs and any subsequent Payment Year.

f. The Incentive Payment D for any Settling State qualifying for Incentive Payment D in Payment Years 6-9 shall be equal to between three percent (3%) and ten percent (10%) of the State Remediation Payment times the Settling State's Overall Allocation Percentage specified in Exhibit F. The applicable percentage shall be determined based on the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of sixty (60) days prior to the Payment Date for Payment Year 6 as shown in the table below:

[6] The Incentive Payment BC table specified in Section IV.H.5.e and Incentive Payment D table specified in Section IV.H.6.f operate so that the combined amount of Incentive Payment BC and Incentive Payment D cannot exceed sixty-two percent (62%) of the Adjusted State Remediation Payment over the term of the Agreement. Albertsons will have no obligation to pay more than $406,170,957.84 for the combined amounts of Incentive Payment BC and Incentive Payment D minus any offsets for Non-Settling States specified in Section IV.F.

Participation Percentage of Incentive BC Eligible Subdivision Population as of sixty (60) days prior to the Payment Date for Payment Year 6	Each Eligible Settling State's Applicable Incentive Payment D Percentage
Participation of less than 95%	10% of State Allocation
Participation of 95% but less than 96%	9% of State Allocation
Participation of 96% but less than 97%	8% of State Allocation
Participation of 97% but less than 98%	7% of State Allocation
Participation of 98% but less than 99%	6% of State Allocation
Participation of 99% but less than 100%	5% of State Allocation
Participation of 100%	3% of State Allocation

g. Incentive Payment D shall be paid in four equal installments. Prior to making the Annual Remediation Payment for Payment Years 6-9, the Settlement Fund Administrator shall determine a Settling State's qualification for Incentive Payment D as of the Incentive Payment D Look-Back Date for that Payment Year. Prior to the Incentive Payment D Look-Back Date for each Payment Year, Albertsons may provide the Settlement Fund Administrator and the Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

h. Notwithstanding Section IV.H.6.d and Section IV.H.6.e, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for Incentive Payment D less any litigation fees and costs incurred by Albertsons in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

7. Incentive Payment Earn-Back. Upon calculation of Incentive Payments A, BC, and D for Payment Year 9, all Incentive Payment amounts that have been unearned by any Settling State under this Agreement for Payment Years 2-9 will be aggregated to determine the Total Unearned Incentive Payments for all Settling States. In Payment Year 9, the Settling States can collectively qualify to receive the Total Unearned Incentive Payments, up to a maximum of 2% of the State Remediation Payment ($13,102,288.96) (the "Potential Earn-Back Amount"), if there has been no lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State that survived more than six (6) months after denial in whole or in part of a Threshold Motion. If, at any point prior to Payment Year 9, any lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State survives more than (6) months after denial in whole or in part of a Threshold Motion, no Settling State is eligible for any portion of the Potential Earn-Back Amount. If no lawsuit for Covered Conduct against a Released Entity by a Non-Eligible State or Subdivision in a Non-Eligible State survives more than six (6) months after denial in whole or in part of a Threshold Motion, then the Settling States will receive the Potential Earn-Back Amount in accordance with the Overall Allocation Percentages in Exhibit F.

I. In no event shall any Settling State receive Base Payments and Incentive Payments A, BC, and D totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F times the State Remediation Payment. However, if the requirements in Section IV.H.7 are met by the Settling States, a Settling State may receive Base Payments and Incentive Payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage specified in Exhibit F times the State Remediation Payment.

V. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be funded by the Annual Remediation Payments and comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below. Payments placed into the Settlement Fund do not revert back to Albertsons.

B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section V.B.2. In no event may less than ninety-five (95%) of Albertsons's maximum amount of payments pursuant to Section IV as set forth on Exhibit M-2 over the entirety of all Payments Years (but not any single Payment Year) be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Albertsons how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section V.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section V.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Compensatory Restitution Amount for purposes of Section V.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of Settling States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement

Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section IV.G among the Settling States pursuant to Section IV.G.2. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under Section IV.H on a state-specific basis. Incentive Payments for which a Settling State is eligible under Section IV.H will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section V.D.

3. Application of Adjustments. If an offset or reduction under Section XII applies with respect to a Settling State, the offset or reduction shall be applied proportionally to all amounts that would otherwise be apportioned and distributed to the State Fund, the Remediation Accounts Fund, and the Subdivision Fund for that Settling State.

4. Settlement Fund Administrator. Prior to the Effective Date, Albertsons and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

5. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; *provided, however,* that if such accrued interest is insufficient to pay the entirety of any such costs and fees, Albertsons shall pay fifty percent (50%) of the additional amount and fifty percent (50%) shall be paid out of the Settlement Fund.

D. *Settlement Fund Reallocation and Distribution*. As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section V.D.1 and Section V.D.2, then the default provisions of Section V.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section V.D.1 and Section V.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary

Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section V.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.[7] For a State-Subdivision Agreement to be applied to the relevant portion of an Annual Payment, notice must be provided to Albertsons and the Settlement Fund Administrator at least sixty (60) calendar days prior to the Payment Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such Settling State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section V.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation then, to the extent allocation or distribution is addressed, the amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section V of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section V.D.2 only addresses funds restricted to remediation, then the default provisions of this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that Settling State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the Settling State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary redistribution for which notice is provided to it less than sixty (60) calendar days prior to the applicable Payment Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section V.D.1 and Section V.D.2 do not apply, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section V.C shall be distributed as follows:

a. Amounts apportioned to that Settling State's State Fund shall be distributed to that Settling State.

b. Amounts apportioned to that Settling State's Remediation Accounts Fund shall be distributed consistent with Section V.E. Each Settling State shall

[7] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms

submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the Settling State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that Settling State's Subdivision Fund shall be distributed to Participating Subdivisions in that Settling State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VII.I shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will directly receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section V.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VII, i.e., no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VII.E through Section VII.H. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section V.D.1 or by an Allocation Statute or a Statutory Trust described in Section V.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that Settling State's Remediation Accounts Fund so long as it complies with the requirements of Section V.D.1 or Section V.D.2, as applicable, and all direct payments to Subdivisions comply with Section VII.E through Section VII.H.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that

addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. Regional Remediation.

(i) At least fifty percent (50%) of distributions for remediation from a Settling State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section V.E.2.d to define its regions and assign regional allocations percentages. Otherwise, the Settling State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that Settling State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of Settling States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action, (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more and (3) has funded or otherwise managed an established health care or treatment infrastructure *(e.g.,* health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small Settling States.* Notwithstanding the provisions of Section V.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section V.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section V.E.2.b shall be divided regionally so that each block-grant eligible Subdivision is a region and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the *"Advisory Committee")* to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however,* the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their remediation needs, and proposals for remediation strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between Albertsons and the Enforcement Committee

F. *Nature of Payment*. Albertsons, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution and remediation for alleged damage or harm caused by the potential violation of a law (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i) as

damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Compensatory Restitution Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by Albertsons constitutes, and is paid for, compensatory restitution and remediation for alleged damage or harm caused by the potential violation of a law (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i) in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes compensatory restitution and remediation for alleged damage or harm allegedly caused by the potential violation of a law; and

4. For the avoidance of doubt: (a) the entire Compensatory Restitution Amount is properly characterized as described in Section V.F, (b) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount constitutes the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for, is in place of, or is properly characterized as the payment of any fine, penalty, punitive damages, or other punitive assessments.

VI. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and Albertsons; *provided, however,* that Released Entities may enforce Section X and Participating Subdivisions listed on Exhibit G have the enforcement rights described later in this paragraph and in Section VI.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights against Albertsons with respect to either the terms of this Agreement that apply only to or in other Settling States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Albertsons with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments that would be allocated to the Participating Subdivisions or the Remediation Accounts Fund in such Settling State; *provided, however,* that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Albertsons consents to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VI.F.1 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

2. In the event that Albertsons believes that the ninety-five percent (95%) threshold established in Section V.B.1 is not being satisfied, any Party may request that Albertsons and the Enforcement Committee meet and confer regarding the use of funds to implement Section V.B.1. The completion of such meet-and-confer process is a precondition to further action regarding any such dispute. Further action concerning Section V.B.1 shall: (i) be limited to Albertsons seeking to reduce its Annual Remediation Payments by no more than five percent (5%) of the difference between the actual amount of Opioid Remediation and the ninety-five percent (95%) threshold established in Section V.B.1; (ii) only reduce Annual Remediation Payments to those Settling States and their Participating Subdivision(s) that are below the ninety-five percent (95%) threshold established in Section V.B.1; and (iii) not reduce Annual Remediation Payments restricted to future Opioid Remediation.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section V.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between the Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Albertsons Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State to seek resolution regarding the failure by Albertsons to make its Annual Remediation Payment in a Payment Year.

F. *Other Terms Regarding Dispute Resolution.*

1. Except to the extent provided by Section VI.C or Section VI.F.2, all disputes shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent

Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VI.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims; and

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section V.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VI.C or Section VI.F.2.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

2. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and/or Albertsons shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VI.C, and which are exceptions to Section VI.F.1's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular state's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Covered Conduct," "Released Entities," and "Released Claims";

(iv) the failure by Albertsons to pay the Annual Remediation Payment or the Additional Restitution Amount in a Payment Year, but for the avoidance of doubt, disputes between Albertsons and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(v) the interpretation and application of any most-favored-nation provision in Section XIII.D;

(vi) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vii) disputes involving liability of successor entities;

(viii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC or D;

(ix) disputes involving a Releasor's compliance with, and the appropriate remedy under, Section X.B.4.c;

(x) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(xi) any dispute subject to resolution under Section VI.F.1 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VI.F.2.

b. The National Arbitration Panel shall be comprised of three (3) arbitrators. One (1) arbitrator shall be chosen by Albertsons, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating

Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VI.A, or Albertsons on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Albertsons, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Albertsons whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a Settling State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VI. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, e.g., a dispute between Albertsons and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Albertsons and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to

the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute.

3. Prior to initiating an action to enforce pursuant to this Section VI.F, the complaining party must:

a. Provide written notice to the Enforcement Committee and/or Albertsons of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however,* that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

4. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VI.F.1 or Section VI.F.2, a committee comprising the Enforcement Committee and sufficient representatives of Albertsons such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. To the extent allowed by applicable law, this Settlement Agreement shall not be deemed to create a lien or encumbrance against any real property owned by Albertsons or its affiliates, unless in the event of a default or breach of the payment provisions by Albertsons. Nothing in this Section shall be construed to limit any remedy of any Settling State or Participating Subdivision in the event of a default or breach of this Agreement by Albertsons.

H. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand *("CID")* or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Albertsons reserve all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VII. Participation by Subdivisions

A. *Notice.* No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be

delivered via e-mail or other electronic means and may be combined with distribution of the Subdivision Settlement Participation Form) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. Up to $1,500,000 of the costs of the Implementation Administrator shall be paid for by Albertsons. The Settling States, with the cooperation of Albertsons, may also provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section V; *provided, however,* that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Litigating Subdivision or Later Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit following the Reference Date or the date on which the conditions for

effectiveness in Section VIII.B have been met, whichever is later. A Settling State may require each Litigating Subdivision in that Settling State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide quarterly reports of this information to the parties organized by Settling State. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of the lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Implementation Administrator until the Reference Date. If, for any reason, the Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and/ all Subdivision Participation Agreements shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VII.B or Section VII.C after the Initial Participation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section V.D or Section V.E. The following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall not receive any share of any Annual Remediation Payment due before it became a Participating Subdivision.

2. A Later Participating Subdivision that becomes a Participating Subdivision after June 30, 2027, shall receive seventy-five percent (75%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to that date (unless the Later Participating Subdivision is subject to Section VII.E.3 or Section VII.E.4).

3. A Later Participating Subdivision that, after the Initial Participation Date, maintains a lawsuit for a Released Claim(s) against a Released Entity and has judgment entered against it on every such Claim before it became a Participating Subdivision (other than a consensual dismissal with prejudice) shall receive fifty percent (50%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision prior to such judgment; *provided, however,* that if the Subdivision appeals the judgment and the judgment is affirmed with finality before the Subdivision becomes a Participating Subdivision, the Subdivision shall not receive any share of any Base Payment or Incentive Payments.

4. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its state shall receive

twenty-five percent (25%) of the share of future Base Payments or Incentive Payments that it would have received had it become a Later Participating Subdivision without such Bar or Case-Specific Resolution.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Albertsons.

G. *Ineligible Subdivisions.* Prior Litigating Subdivisions whose claims have already been resolved, Subdivisions located in Non-Settling States, and Subdivisions not located in Eligible States cannot be Participating Subdivisions.

H. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of any Annual Remediation Payment, including from the State Fund and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

I. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any Base Payment and Incentive Payments allocated pursuant to Section V.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VII, including the amounts that remain unpaid after the reductions required by Section VII.E.2 through Section VII.E.4, will be allocated to the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

VIII. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed with Settlement—Settling States*. Following the Initial Participation Date, the Settling States on the Enforcement Committee shall determine whether to proceed with the Agreement. No later than fifteen (15) calendar days prior to the Reference Date, the Settling States shall provide notice to Albertsons and the Enforcement Committee of their decision. If the Settling States elect not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Participation Agreements) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void. Within seven (7) calendar days of informing Albertsons that there is sufficient participation to proceed, the Settling States will deliver all signatures and releases required by the Agreement to be provided by the Settling States to Albertsons.

B. *Determination to Proceed with Settlement—Albertsons*. If the Settling States elect to proceed, Albertsons will then determine on or before the Reference Date whether there is sufficient Eligible State participation, sufficient Subdivision participation, and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Albertsons and may be based on any criteria or factors deemed relevant by Albertsons.

C. *Notice by Albertsons.* On or before the Reference Date, Albertsons shall inform the Settling States of its determination pursuant to Section VIII.B. If Albertsons determines to proceed,

the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If Albertsons determines not to proceed, this Agreement will have no further effect, any amounts deposited for Payment Year 1, including funds referenced in Section IV.D.1 and Exhibit M, shall revert to Albertsons, and all releases (including those contained in Subdivision Settlement Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

IX. Participating Subdivision Attorneys' Fees and Costs and Additional Remediation Amount

A. The Agreement on Subdivision Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference.

B. *Additional Remediation Amount*.

1. Subject to and without exceeding the maximum payment amounts set forth in the "Additional Remediation Amount" column of Exhibit M-3 and subject to the reduction specified in Section IX.B.2, Albertsons shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid, on the schedule set forth in Exhibit M-3, as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

2. *Reduction of Additional Remediation Amount*. The amounts owed by Albertsons pursuant to this Section IX.B shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

3. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with the investigation of Albertsons that receives an Additional Remediation Amount may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section V.C through Section V.E.

C. All payments addressed by this Section IX will be made for each Payment Year in which they are due pursuant to Exhibit M-3.

X. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivisions hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar

against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement.*

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

The provisions of this Section X.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

2. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; *provided* that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

3. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization (whether individually or as a class of creditors), the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Albertsons in Section X.B.2, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

4. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section X.B.3 or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section X.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section X.B.2 with respect to that Non-Released Entity and that Releasor and Albertsons shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to Releasors or to Non-Released Entities than the amounts owed under this Settlement Agreement by Albertsons:

a. Albertsons shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Albertsons and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that they are not required to pay more with respect to Covered Conduct than the amounts owed by Albertsons under this Agreement;

c. That Releasor and Albertsons shall take steps sufficient and permissible under the law of the state of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Albertsons under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Albertsons or Released Entities, and supported by Releasors, in response to any claim filed in litigation or arbitration;

(ii) Reduction of that Releasors' Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Albertsons to that Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Albertsons by that Releasor to ensure they are held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Albertsons under this Agreement to reduce the overall amounts to be paid under the Agreement such that they are held harmless from the Claim-Over; and

(vii) Such other actions as that Releasor and Albertsons may devise to hold Albertsons harmless from the Claim-Over.

d. The actions of that Releasor and Albertsons taken pursuant to paragraph (c) must, in combination, ensure Albertsons is not required to pay more with respect to Covered Conduct than the amounts owed by Albertsons under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), that Releasor and Albertsons may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasors to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Albertsons shall have a claim for breach of this Agreement by Releasors, with the remedy being payment of sufficient funds to hold Albertsons harmless from the Claim-Over. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Albertsons may have.

5. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section X.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a clinic, hospital or other purchaser, distributor or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Albertsons shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entity asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Albertsons (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, the Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Albertsons.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty.* The signatories hereto on behalf of their respective Settling States expressly represent and warrant that they have (or have obtained, or will obtain no later than the Initial Participation Date) the authority to settle and release, to the maximum extent of the Settling State's power, all Released Claims of (1) their respective Settling States, (2) all past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts, and (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions, and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation or suspension of a pharmaceutical distribution or dispensing license. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commissions, and instrumentalities are those that are under the executive authority or direct control of the Settling State's Governor. Also for the purposes of clause (3), a release from a Settling State's Governor as set forth in Exhibit X is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors.

Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by Albertsons to secure the prompt dismissal of any and all Released Claims, including suits brought by non-Releasors based on Released Claims. Releasors will meet and confer and make reasonable efforts to resolve any action that is filed by a Subdivision against Albertsons on or after the date the Preliminary Agreement Date. This provision shall not require a Settling State to make any monetary payment or adjustment to allocation or incur other obligation.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, this Agreement does not waive, release or limit any criminal liability, workers' compensation Claims, Claims for liability under tax law, Claims under securities law by a Settling State Releasor as investor, Claims against parties who are not Released Entities, Claims by private individuals, and any claims arising under this Agreement for enforcement of this Agreement.

XI. Later Litigating Subdivisions

A. *Released Claims against Released Entities*. If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date, the following shall apply subject to Section XI.B:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. Albertsons shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Albertsons under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Albertsons shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

2. If the lawsuit asserting a Released Claim is resolved with finality on terms requiring payment by the Released Entity, Albertsons shall receive a dollar-for-dollar offset against Incentive Payment D for the amount paid. The offset shall be applied against the relevant portion of the Annual Remediation Payments starting in Payment Year 9 and working backwards.

3. For the avoidance of doubt, any offset pursuant to this Section XI in a Settling State that at the time is not eligible for Incentive Payment A shall continue to apply even if the Settling State at issue subsequently becomes eligible for Incentive Payment A.

4. *"Terms requiring payment"* shall mean (i) a final monetary judgment or (ii) a settlement; *provided* that the Released Entity sought the applicable State Attorney General's consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

B. *Exceptions*

1. Section XI.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A for the Payment Year at issue, except as expressly provided therein.

2. An offset under Section XI.A.2 shall not apply where the Later Litigating Subdivision opted out of a Settlement Class Resolution in the Settling State at issue that was in full force and effect in that Settling State as of the due date of the payment for Payment Year 2 and remains in full force and effect; *provided* that an offset relating to that Subdivision may apply under Section XII.

3. Section XI.A shall not apply where the Later Litigating Subdivision seeks less than $10 million, or so long as its total claim is reduced to less than $10 million, in the lawsuit for a Released Claim at issue.

C. *No Effect on Other Provisions.* An offset under Section XI.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States*. An offset under Section XI.A applicable to one State shall not affect the allocation or payment of the Annual Remediation Payment to other Settling States.

E. *Litigating Subdivisions in Non-Eligible States.* The Settling States will not encourage, facilitate, or assist in any manner whatsoever claims for Covered Conduct against Albertsons in any Settling, Non-Settling, or Non-Eligible State, regardless of whether those claims were filed against Albertsons prior to, on, or after the Effective Date.

XII. Other Reductions/Offsets

A. *Settlement Class Resolution Opt Outs.* If a Settling State is eligible for Incentive Payment A on the basis of a Settlement Class Resolution, and a Primary Subdivision that opted out of the Settlement Class Resolution maintains a lawsuit asserting a Released Claim against a Released Entity, the following shall apply. If the lawsuit asserting a Released Claim either survives a Threshold Motion or has an unresolved Threshold Motion fewer than sixty (60) calendar days prior to the scheduled start of a trial involving a Released Claim, and is resolved with finality on terms requiring payment by the Released Entity, Albertsons shall receive a dollar-for-dollar offset for the amount paid against its obligation to make remaining Incentive Payment A payments that would be apportioned to that Settling State and to its Subdivisions. For the avoidance of doubt, an offset shall not be applicable under this subsection if it is applicable under Section XI.A with respect to the Subdivision at issue.

B. *Revoked Bar, Settlement Class Resolution, or Case-Specific Resolution.* If Albertsons made any Annual Remediation Payments that included any incentive payments earned as a result of the existence of a Bar, Settlement Class Resolution, or Case-Specific Resolution in a Settling State, and there is subsequently a Revocation Event with respect to that Bar, Settlement Class Resolution, or Case-Specific Resolution after the determination of the amount of such Annual Remediation Payment, Albertsons shall receive a dollar-for-dollar offset against the portion of remaining Annual Remediation Payments that would be allocated to that Settling State and its Participating Subdivisions. This offset will be calculated as the dollar amount difference between (1) the total amount of incentive payments paid by Albertsons by virtue of the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event and (2) the total amount of incentive payments that would have been due from Albertsons during that time had the Bar, Settlement Class Resolution, or Case-Specific Resolution subject to the Revocation Event not been in effect. The amount of incentive payments that would have been due, referenced in clause (2) above, will be calculated one hundred eighty (180) calendar days after the Revocation Event; for purposes of calculating the amount of incentive payments that would have been due, any relevant Subdivision shall be included as a Participating Subdivision if: (1) its Released Claims are extinguished by any subsequent Bar, Settlement Class Resolution, or Case-Specific Resolution in effect as of the date of such calculation, or (2) it becomes a Participating Subdivision (in addition to all other Participating Subdivisions) prior to the date of such calculation.

C. *Certain Taxes.* Amounts paid by Albertsons under an Opioid Tax in a Settling State in a Payment Year shall give rise to a dollar-for-dollar offset against Albertsons obligation to pay its share of the Annual Remediation Payment in that Payment Year that would be allocated to the taxing Settling State or its Participating Subdivisions. If such amounts paid exceed the Annual Remediation Payment allocable to the taxing Settling State or its Participating Subdivisions in that Payment Year, the excess shall carry forward as an offset against its remaining Annual Remediation Payments that would be allocated to the taxing Settling State or its Participating Subdivisions. Albertsons represents that as of August 20, 2026, there is no Opioid Tax currently in effect in any Eligible State that would give rise to this offset provision.

XIII. Miscellaneous

A. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section IV.H.4.c and Section IV.H.6.d: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act *("IDEA")* or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and

Library Districts') population will be measured at ten percent (10%) of the population served.[8] For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Albertsons and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

C. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *Most-Favored-Nation Provision*

1. If, after the Effective Date, Albertsons enters into any settlement agreement with any Non-Settling State that resolves Claims similar in scope to the Claims released by a Settling State under this Agreement on overall payment terms that are more favorable to such Non-Settling State than the overall payment terms of the Agreement (after due consideration of relevant differences in population or other appropriate factors), then the Settling States, individually or collectively, may elect to seek review, pursuant to Section XIII.D.3, of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain overall payment terms at least as favorable as those obtained by such Non-Settling State. "Overall payment terms" refers to consideration of all payment terms of the two agreements, taken together, including, but not limited to the amount of payments, the timing of payments, and conditions or contingencies on payments.

2. For any settlement with a Non-Settling State involving Released Claims that is entered into after the Effective Date, Albertsons shall provide the Enforcement Committee with a copy of the settlement agreement or relevant consent judgment within thirty (30) calendar days of the consummation of such settlement. The Enforcement Committee will promptly distribute such copy to all Settling States.

3. In the event that one or more Settling State(s) believes that the overall payment terms of an agreement by Albertsons with a Non-Settling State are more favorable to the Non-Settling State, when compared based on the totality of the consideration set forth in Section XIII.D.1, the Settling State(s) and Albertsons shall engage in the following process:

a. Within sixty (60) calendar days of the date on which the Enforcement Committee provides a settlement agreement or consent judgment to Settling States, the Settling State(s) shall provide notice to Albertsons of its intent to seek revision of this Agreement to provide payment terms that are, on an overall basis, as favorable as those obtained by the Non-Settling State. To the extent allowed by law, such notice shall be confidential and not disclosed publicly and

[8] The estimates for counties and parishes were accessed at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html. The estimates for cities and towns can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html.

shall provide, in detail, the basis for the Settling State(s)'s belief that it is entitled to a revision of the Agreement.

b. Albertsons shall, within thirty (30) calendar days, provide a response to the Settling State(s), explaining its position, in detail, as to whether the Settling State(s) are entitled to more favorable overall payment terms than those provided for in this Agreement.

c. In the event the Settling State(s) and Albertsons do not reach agreement as to the application of Section XIII.D.1, the Settling State(s) may petition the National Arbitration Panel to seek a ruling from the Panel as to the applicability of Section XIII.D.1, provided that the Settling State(s) may seek such review only if at least five (5) Settling States co-sign the petition. The Panel shall consider submissions and argument by the parties pursuant to the procedures set forth in Section VI.F.2.

d. The Settling State and Albertsons shall be bound by the determination of the National Arbitration Panel of the overall payment terms of this Agreement and the Non-Settling State agreement so that such Settling State(s) may obtain, with respect to Albertsons, overall payment terms at least as favorable as those obtained by such Non-Settling State.

4. This Section XIII.D does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement with Albertsons that is entered into with a Non-Settling State: (a) either the earlier of (i) after the close of expert discovery or (ii) after a date ninety (90) calendar days prior to the scheduled start date of a trial between Albertsons and the Non-Settling State, or any severed or bifurcated portion thereof, provided that, where, in order to complete a settlement, a Non-Settling State and Albertsons jointly request an adjournment of the scheduled start date of a trial within ninety (90) days of that date, this exception will apply as if the trial date had not been adjourned; (b) that previously litigated to judgment a case related to opioids against any manufacturer, distributor, or pharmacy; (c) the earlier of (i) after a Non-Settling State that has obtained any court order or judicial determination that grants judgment (in whole or in part) against Albertsons in the Non-Settling State's case; (ii) after a sanctions ruling against Albertsons in the Non-Settling State's case against Albertsons; or (iii) after any ruling has issued in the Non-Settling State's case against any manufacturer, distributor, or pharmacy on the issue of joint and several liability. The National Arbitration Panel shall have no power to review agreements that satisfy any of the conditions described in this paragraph.

5. This Section XIII.D does not apply to, and there is no ability of any Settling State to seek or obtain revision of this Agreement based on, any agreement between Albertsons and Non-Participating Subdivisions or Non-Participating Special Districts.

6. This Section XIII.D will not apply to any agreement entered into more than eighteen (18) months after the Effective Date.

E. *No Admission.* Albertsons does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Albertsons.

F. *Tax Cooperation and Reporting.*

1. Upon request by Albertsons, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Albertsons to establish the statements set forth in Section V.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by 26 C.F.R § 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

2. Without limiting the generality of Section XIII.F.1, each Settling State and Participating Subdivision shall cooperate in good faith with Albertsons with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. Pursuant to 26 C.F.R. § 1.6050X-1(a) and (b), the Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of 26 C.F.R. § 1.6050X-1(f)(1)(ii)(B) (the "Appropriate Official"). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Albertsons and (ii) any legally required forms, returns or amended returns with any applicable governmental authority, or any returns requested by Albertsons, and (b) provides to Albertsons a copy of (i) the IRS Form 1098-F filed with respect to Albertsons and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such forms, returns, or statements shall be prepared and filed in a manner fully consistent with Section V.F. and as set forth in Section XIII.F.4.

4. Any form, return, amended return, or written statement filed or provided pursuant to Section XIII.F.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 3 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any form, return, amended return, or written statement contemplated by this Section XIII.F other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to Albertsons a draft of such form, return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from Albertsons on the return, amended return, or written statement.

5. For the avoidance of doubt, neither Albertsons nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

G. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not the Settling State or Released Entity. Settling States may not assign or otherwise convey any right to enforce any provision of this Agreement.

H. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

I. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

J. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

K. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

L. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

M. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that

no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement

N. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving Albertsons of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules. Except with respect to the Injunctive Relief Terms, in the event of a conflict between this Agreement and any requirement or requirements of federal, state, or local laws, such that Albertsons cannot comply with this Agreement without violating such a requirement or requirements, Albertsons shall document such conflicts and notify the Attorney(s) General of the relevant Settling State(s) that it intends to comply with the requirement or requirements to the extent necessary to eliminate the conflict. With respect to the Injunctive Relief Terms, in the event of such a conflict, the procedures set forth in the Injunctive Relief Terms will be followed.

O. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any statute, because the Parties and Participating Subdivisions have reached a good faith settlement.

P. *Waive Challenge.* The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.N.

Q. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIII.R.

S. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

T. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

U. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Albertsons and its respective successors and assigns.

2. Albertsons shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Albertsons (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by Albertsons) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Albertsons's ability to make the payments under this Agreement that are due on or before the third Payment Date following the close of a sale or transfer transaction, unless Albertsons obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Albertsons's remaining Payment Obligations under this Agreement equal to the percentage of Albertsons's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of Albertsons most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.U shall be enforceable solely by the Settling States, and any objection under this Section XIII.U not raised within sixty (60) calendar days of the announcement of the relevant transaction is waived.

V. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Albertsons concludes

prior to the Reference Date that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Albertsons shall meet and confer and make such amendments as they agree are appropriate. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Albertsons, along with the signature of at least two-thirds of those then serving as Attorney General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to Section V.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in Settling States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

W. *Termination.*

1. Unless otherwise agreed to by each of Albertsons and the Settling States, this Agreement and all of its terms (except Section XIII.Q and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to a Settling State by a court of competent jurisdiction on or before one hundred eighty (180) calendar days after the Effective Date;

b. this Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

2. If this Agreement is terminated with respect to a Settling State for whatever reason pursuant to Section XIII.W.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Albertsons and the

Settling State shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Albertsons and the Settling State shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Albertsons and the Settling State shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Albertsons and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as to all Parties as of the Payment Date for Payment Year 9, *provided* that Albertsons has performed its Payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.W.3 or in this Agreement, all releases under this Agreement will remain effective despite any termination under this Section XIII.W.3.

X. *Governing Law.* Except as (1) otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Albertsons or against which Albertsons is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

Y. *Bankruptcy.* The following provisions shall apply if Albertsons enters bankruptcy and (i) the Albertsons bankruptcy estate recovers, pursuant to 11 U.S.C. § 550, any payments made under this Agreement, or (ii) this Agreement is deemed executory and is rejected by Albertsons pursuant to 11 U.S.C. § 365:

1. In the event that both a number of Settling States equal to at least seventy-five percent (75%) of the total number of Settling States and Settling States having aggregate Overall Allocation Percentages as set forth on Exhibit F equal to at least seventy-five percent (75%) of the total aggregate Overall Allocation Percentages assigned to all Settling States deem (by written notice to Albertsons) that the financial obligations of this Agreement have been terminated and rendered null and void (except as provided in Section XIII.Y.1.a) due to a material breach by Albertsons, whereupon:

a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to Albertsons; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to Albertsons and the Settling States shall have the right to assert any and all claims against Albertsons in the bankruptcy or otherwise without

regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided, however,* that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than Albertsons itself; and (ii) in the event the Settling State asserts any Released Claim against Albertsons after the rejection and/or termination of this Agreement as described in this Section XIII.Y.1.a and receives a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments the Settling State has previously received from Albertsons under this Agreement shall be applied to reduce the amount of any such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that the Settling State is required to disgorge or repay to Albertsons's bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against Albertsons subject to all defenses and rights of the Albertsons.

Z. *Waiver*. Albertsons, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "Texas Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Albertsons's payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Albertsons's payment obligations incurred hereunder are satisfied in full, Albertsons's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

The governmental entity identified above ("*Governmental Entity*"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated August 20, 2026 ("*Albertsons Settlement*"), and acting through the undersigned authorized official, hereby elects to participate in the Albertsons Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Albertsons Settlement, understands that all terms in this Participation and Release Form have the meanings defined therein, and agrees that by executing this Participation and Release Form, the Governmental Entity elects to participate in the Albertsons Settlement and become a Participating Subdivision as provided therein.

2. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice substantially in the form found at [website link to national settlement website to be provided].

3. The Governmental Entity agrees to the terms of the Albertsons Settlement pertaining to Participating Subdivisions as defined therein.

4. By agreeing to the terms of the Albertsons Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

5. The Governmental Entity agrees to use any monies it receives through the Albertsons Settlement solely for the purposes provided therein.

6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Albertsons Settlement. The Governmental Entity likewise agrees to arbitrate before the National

Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in, the Albertsons Settlement.

7. The Governmental Entity has the right to enforce the Albertsons Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Albertsons Settlement, including without limitation all provisions of Section X (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in their official capacity elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Albertsons Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Albertsons Settlement shall be a complete bar to any Released Claim.

9. The Governmental Entity hereby takes on all rights and obligations of a Participating Subdivision as set forth in the Albertsons Settlement.

10. In connection with the releases provided for in the Albertsons Settlement, each Governmental Entity expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Albertsons Settlement.

11. Nothing herein is intended to modify in any way the terms of the Albertsons Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Albertsons Settlement in any respect, the Albertsons Settlement controls.

I have all necessary power and authorization to execute this Participation and Release Form on behalf of the Governmental Entity.

NOTES TO EXHIBIT M-2:

1. All figures for the Maximum Base Payment, Maximum Incentive A Payment, and Maximum Incentive Payment BC are maximum figures that reflect the following:

- An assumption that all Eligible States are Settling States.
- An assumption that all Settling States earn the full amount of the relevant incentive payment.

2. All figures for the Maximum Incentive Payment D show the amount earned based on all Settling States obtaining its maximum value of 10%, and reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that all Settling States are eligible for Incentive Payment D in every Payment Year in which Incentive D is paid.

3. All figures for the Maximum Annual Remediation Payment reflect the following:
   - An assumption that all Eligible States are Settling States.
   - An assumption that each Settling State earn the maximum amount of the available Incentive Payment by either qualifying for Incentive Payment A, or the combination of obtaining a 100% participation percentage for Incentive Payment BC and earning Incentive Payment D at a value of 3%).

4. Pursuant to the terms of the Settlement Agreement, Albertsons will never have to pay both the Maximum Incentive Payment BC and Maximum Incentive Payment D.

5. Any offsets for Eligible States that are Non-Settling States would be deducted from the Maximum Base Payment, Maximum Incentive Payments (A, BC, and D), and Maximum Annual Remediation Payment by subtracting the amount of the payment times the Overall State Allocation Percentage for each Non-Settling State.

6. A Settling State may receive Base Payments and Incentive Payments totaling more than one hundred percent (100%) of its respective Overall Allocation Percentage in Year 9 if it is eligible to receive an Earnback Payment. The maximum aggregate Earnback Payment for all Settling States shall be lesser of the Total Unearned Incentive Payments for all Settling States, or $13,102.288.96 million.

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority*. Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation*. For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes[1] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

[1] Certain states do not have counties or parishes that have functional governments, including Alaska.

5. *Revised Agreements*. A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

EXHIBIT P

Pharmacy Controlled Substance Compliance Program & Anti-Diversion Injunctive Terms

I. INTRODUCTION

1. Except where these Injunctive Terms specify a different implementation period, Albertsons shall implement the Injunctive Terms set forth below in Sections II through XVII by the Injunctive Terms Implementation Date (defined below).

2. To the extent that Albertsons already has in place positions, committees, departments, policies or programs that satisfy the Injunctive Terms, no re-naming or other change is required by these Injunctive Terms.

3. Overview

    a. Albertsons will implement or maintain a Controlled Substance Compliance Program ("CSCP").

    b. The CSCP must include written standard operating procedures and/or corporate policies (the "CSCP Policies and Procedures") required by these Injunctive Terms.

    c. The CSCP shall apply during the term of these Injunctive Terms, to each of Albertsons' retail pharmacy stores that dispense Schedule II Designated Controlled Substances and are registered or licensed with each Settling State.

    d. Albertsons shall provide a copy of the relevant CSCP Policies and Procedures to each Settling State within sixty (60) days of the Injunctive Terms Implementation Date. To the extent any implementation is expected to require additional time, the Parties agree to work together in good faith to establish a timeline for implementation. No later than thirty (30) days after the Injunctive Terms Implementation Date, each Settling State shall identify the person or office to whom Albertsons must provide a copy of the relevant CSCP Policies and Procedures and any other State-specific reporting required under these Injunctive Terms.

    e. Settling States shall form the States Injunctive Relief Committee to serve as a point of contact for Albertsons and to perform such other roles as set forth herein. Upon the committee's formation, Settling States shall provide notice to Albertsons of the members of the committee.

4. Compliance with Laws

a. Albertsons acknowledges and agrees that its pharmacies must comply with applicable state and federal laws, regulations, and rules, including those regarding the dispensing of Controlled Substances. The requirements of these Injunctive Terms are in addition to, and not in lieu of, any other requirements of federal, state, or local law. Nothing in the Injunctive Terms shall be construed as relieving Albertsons of the obligation of its pharmacies to comply with all federal, state and local laws, regulations or rules, nor shall any of the provisions of the Injunctive Terms be deemed as permission for Albertsons to engage in any acts or practices prohibited by such laws, regulations or rules.

b. The Injunctive Terms are not intended to and shall not be interpreted to prevent Albertsons from taking or implementing any other compliance or policy steps that are more restrictive or that are necessary to conform with federal, state, or local legal requirements, unless such steps would conflict with State or local law. The Injunctive Terms are not intended to and shall not be interpreted to require Albertsons to inventory any Controlled Substances or any particular Controlled Substances or to require dispensing of any Controlled Substances or of any individual, types, subsets or categories of Controlled Substances prescriptions.

c. In the event that Albertsons determines that there may be a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or interpretations of such laws articulated by an agency responsible for enforcing such laws or a court ("Express Interpretations"), such that Albertsons determines that it cannot comply with the Injunctive Terms without violating these express requirements or Express Interpretations, Albertsons shall follow the express requirements of the federal, state or local law or Express Interpretation thereof and shall provide notice to the Settling State(s). Within thirty (30) days after receipt of a notification from Albertsons referenced above, Albertsons and the State shall meet and discuss the potential conflict, and Albertsons shall comply with any reasonable requests from the Settling State as necessary to determine whether there is a conflict between the Injunctive Terms and the express requirements of federal, state, or local laws, or Express Interpretations. In the event that Albertsons believes a court or administrative action brought by a governmental body in a Settling State has commenced against it or its pharmacists for actions required by the Injunctive Terms, then Albertsons may notify the Attorney General of the Settling State of such pending action. If the State agrees that the court or administrative action is a result of actions required by the Injunctive Terms, the State will engage in best efforts to resolve the conflict or assist in achieving resolution of the court or administrative action. Nothing in this paragraph shall (i) limit the right of the Settling State to disagree with Albertsons as to the conflict; (ii) be deemed to relieve Albertsons from following any subsequently enacted law or regulation,

or judicial decisions from a regulatory authority with jurisdiction over controlled substances that is more restrictive than the provisions of the Injunctive Terms, or from following the Injunctive Terms if they are more restrictive than applicable laws at issue in the administrative action if there is no conflict; (iii) be deemed to relieve Albertsons from adhering to the outcome of a court or administrative action when it is determined that there is no conflict; or (iv) limit a Settling State's ability to relieve Albertsons of a duty under these Injunctive Terms if that Settling State determines that that term is in conflict with that Settling State's express legal requirements.

d. Albertsons shall retain all records it is required to create pursuant to its obligations hereunder for a period no shorter than three years, unless otherwise specified. Nothing in these Injunctive Terms shall prevent a Settling State from issuing a lawful subpoena or Civil Investigative Demand (CID) for records pursuant to an applicable law.

5. No Admission and No Use as Evidence. Albertsons does not admit liability or wrongdoing. These Injunctive Terms shall not be considered, construed, or represented to be (1) an admission, concession, or evidence of liability, wrongdoing, or to impose the existence of any legal obligations or requirements other than the requirement to follow these Injunctive Terms, or (2) a waiver or limitation of any defense otherwise available to Albertsons. These Injunctive Terms shall not be offered or received in evidence or otherwise relied on in any action or proceeding for any purpose other than in an action or proceeding to modify or enforce or monitor compliance with these Injunctive Terms.

II. TERM AND SCOPE

1. The term of these Injunctive Terms shall be from the Injunctive Terms Implementation Date until ten years from the Injunctive Term Implementation Date, unless otherwise specified herein.

2. Except as otherwise stated herein, the Injunctive Terms shall apply to Albertsons' retail pharmacy stores located in, and registered or licensed with, each Settling State that dispense Schedule II Designated Controlled Substances to Patients, including any Schedule II Designated Controlled Substances dispensed by any such retail pharmacy stores that are mailed or shipped to patients in a Settling State. Should Albertsons operate an online pharmacy that is registered or licensed to dispense Schedule II

Designated Controlled Substances in any Settling State while these Injunctive Terms are in effect, the Injunctive Terms shall apply to such pharmacy as well.[1]

3. These Injunctive Terms may be amended by mutual agreement of a majority of the States Injunctive Relief Committee and Settling Pharmacy. Any such amendments must be in writing.

III. DEFINITIONS

1. The term "Distributor Injunctive Terms" means Exhibit P of the Settlement Agreement, dated as of July 21, 2021, between McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation and certain States and subdivisions.

2. The term "Block" means an action taken by Albertsons preventing or otherwise prohibiting any Settling Pharmacy pharmacist from filling prescriptions for Controlled Substances from a specific identified Prescriber.

3. The term "Clearinghouse" means the system established by Section XVII of the Distributor Injunctive Terms.

4. The term "Controlled Substances" means those substances designated under schedules II-V pursuant to the federal Controlled Substances Act.

IV. CONTROLLED SUBSTANCE COMPLIANCE PERSONNEL

1. Albertsons shall designate a Controlled Substance Compliance Director, or other appropriately titled position, to be a member of the Controlled Substance Compliance Committee (described below in Section VI), and to oversee a Controlled Substance Compliance Department and Albertsons' compliance with 21 C.F.R. 1306.04 and these Injunctive Terms. As used in these Injunctive Terms, the terms "Controlled Substance Compliance Committee" and "Controlled Substance Compliance Department" refer to the entity or entities, however titled, that carry out the functions required by these Injunctive Terms. Notwithstanding the preceding sentence, to the extent an existing position, committee or department carries out the functions required by these Injunctive Terms, any other functions undertaken by such position, committee or department shall not be subject to these Injunctive Terms or oversight by the Settling States pursuant to these Injunctive Terms. The position, committee and department discussed in these Terms may bear different names and need not be limited to the roles and functions set forth herein.

2. The Controlled Substance Compliance Director shall have knowledge of and experience with the laws and regulation of Controlled Substances, in particular the regulations in 21 C.F.R. § 1306.04.

3. The Controlled Substance Compliance Director shall provide at least quarterly reports to the Controlled Substance Compliance Committee (described below in Section VI) regarding Albertsons' compliance with these Injunctive Terms, including the implementation of any changes to the CSCP Policies and Procedures required by these Injunctive Terms.

4. Staffing levels of Albertsons' Controlled Substance Compliance Department shall be reviewed periodically, but at least on an annual basis, by Albertsons' Controlled Substance Compliance Committee to assess whether such staffing levels are sufficient for the Controlled Substance Compliance Department to comply with this Agreement. This review shall include consideration of relevant developments in technology, law, and regulations.

5. Throughout the term of these Injunctive Terms, Albertsons shall maintain a telephone and electronic submission hotline(s) (the "Hotline") to permit employees and/or Patients and/or members of the public to anonymously report suspected inappropriate or illegitimate dispensing, prescribing or diversion of Designated Controlled Substances, violations of the CSCP Policies and Procedures, these Injunctive Terms, Albertsons' company policy, or other applicable law. The Hotline may be implemented by adding a dedicated option to existing systems that includes reporting regarding Designated Controlled Substances. Albertsons shall publish its Hotline contact information to its employees and Patients in the Settling States. Albertsons shall maintain for the duration of these Injunctive Terms a record of each complaint made to the Hotline regarding Designated Controlled Substances and documentation regarding any investigation or response to such complaints. Nothing herein shall require Albertsons to investigate a pharmacist's professional judgment to refuse a prescription that the pharmacist believes was prescribed or is being used for other than a legitimate medical purpose or that the pharmacist believes was not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

V. INDEPENDENCE

1. Albertsons' Controlled Substance Compliance Department personnel, pharmacists, contract pharmacists, and pharmacist technicians who work at Albertsons' pharmacies within the Settling States, and field personnel who supervise pharmacists and pharmacist technicians (together, "CSCP Employees"), shall not be compensated in whole or in part by commissions, bonuses, incentives or any other monetary or non-pecuniary benefit that depends in material part on revenue or profitability targets or expectations to sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent compensation of employees based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

2. No CSCP Employees may be terminated, suspended, threatened with or face any other negative employment consequence for failing to meet any revenue or profitability targets or expectations that depends in material part on sales of Controlled Substances. Nothing in these Injunctive Terms shall be interpreted to prevent Albertsons from taking employment action based on sales volume, revenue or profitability targets/expectations for enterprise-, store-, or pharmacy-wide sales that include Controlled Substances.

3. Personnel in Albertsons' Controlled Substance Compliance Department shall not report to Albertsons' sales, marketing, or business development departments, and sales, marketing, or business development departments shall not be authorized to make decisions regarding the promotion, compensation, demotion, admonition, discipline, commendation, periodic performance reviews, hiring, or firing of Controlled Substance Compliance Department personnel. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

4. Albertsons' sales, marketing and business development departments are prohibited from interfering with, obstructing, or otherwise exerting control over any Controlled Substance Compliance Department or Controlled Substance Committee decision-making. This provision does not apply to an officer or executive to whom both the Controlled Substance Compliance Department and sales, marketing and/or business development departments report.

5. To the extent necessary to comply with this section, Albertsons' Controlled Substance Compliance Committee shall review, modify, and direct any changes to any compensation and non-retaliation policies specific to the sale or dispensing of Designated Controlled Substances.

VI. OVERSIGHT

1. To the extent not already established, within thirty (30) business days of the Injunctive Terms Implementation Date, Albertsons shall establish a compliance committee, however titled, that includes representatives from its respective legal, compliance, pharmacy operations and asset protection departments, however named, to provide oversight over the CSCP and its compliance with the Injunctive Terms. For the purposes of reference herein, this committee, however named, shall be referred to as the "Controlled Substance Compliance Committee." Albertsons shall maintain its Controlled Substance Compliance Committee for the duration of the term of the Injunctive Terms. The Controlled Substance Compliance Director shall be a member of the Controlled Substance Compliance Committee.

2. Albertsons' Controlled Substance Compliance Committee shall have quarterly meetings during which the Controlled Substance Compliance Director shall report on, and the Controlled Substance Compliance Committee shall review, among other things, (a) the Prescription Validation Process, including the CSCP Policies and Procedures on identifying and resolving Patient, Prescriber and Prescription Red Flags; (b) the training required under the Injunctive Terms; (c) proactive due diligence and site visits; (d) the Prescriber Review Processes; (e) significant new national and regional diversion trends involving Controlled Substances; (f) Albertsons' adherence to the Injunctive Terms and applicable laws and regulations; and (g) any technology, staffing, or other resource needs for the CSCP. The Controlled Substance Compliance Committee shall have access to all CSCP reports described in the following subsection.

3. On an annual basis, Albertsons' Controlled Substance Compliance Committee shall provide a written report to the President of the Settling Pharmacy's Retail Division, the Chief Financial Officer of the Settling Pharmacy's Retail Division, the Chief Legal Officer of the Settling Pharmacy's Retail Division, and the corporate Chief Compliance Officer, outlining (a) the Settling Pharmacy's adherence to, and any material deviations from these Injunctive Terms; (b) the allocation of resources sufficient to comply with these Injunctive Terms; and (c) any revisions to the CSCP that the Controlled Substance Compliance Committee has approved. The corporate Chief Compliance Officer shall determine if and when it is appropriate to make a report to the Board or any subcommittee thereof, but shall report at least annually.

4. Albertsons, through its Controlled Substance Compliance Department and Committee, shall, at least once every year, review and oversee any enhancements to the CSCP Policies and Procedures and systems for dispensing activity that the Controlled Substance Compliance Committee deems necessary.

5. The Controlled Substance Compliance Committee shall be responsible for the approval of all material revisions to the CSCP Policies and Procedures, provided that nothing herein shall prevent Albertsons from implementing changes to the CSCP Policies and Procedures pending such review and approval.

VII. MANDATORY TRAINING

1. The CSCP Policies and Procedures shall be published in a form and location readily accessible to all pharmacy and compliance personnel at each of Albertsons' retail pharmacy locations in the Settling States. Online availability is sufficient, so long as pharmacy and compliance personnel have access to a computer with access to the CSCP Policies and Procedures.

2. Albertsons shall launch training for all existing CSCP Employees, to the extent practical (for example, accounting for employee leave), on the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility. The training shall be launched within one hundred twenty (120) days of the Injunctive Terms Implementation Date. All CSCP Employee new hires, to the extent practical, shall be required to participate in such trainings within sixty (60) days of hiring or six (6) months of the Injunctive Terms Implementation Date, whichever is later. Albertsons will further require that every CSCP Employee, to the extent practical, receive such training at least once every three (3) years for the term of these Injunctive Terms.

3. On an annual basis for the duration of these Injunctive Terms, Albertsons shall test its CSCP Employees on their knowledge regarding the CSCP Policies and Procedures required under these Injunctive Terms, including the Prescription Validation Process and corresponding responsibility.

4. It shall be a part of the CSCP Policies and Procedures and all trainings of all CSCP Employees required under these Injunctive Terms that pharmacists shall refuse to dispense Controlled Substances that they believe were prescribed or are being used for other than a legitimate medical purpose or that they believe were not prescribed by an individual Prescriber acting in the usual course of his or her professional practice.

5. All trainings required under these Injunctive Terms shall also make clear that (i) Albertsons' compensation and non-retaliation policies, including pursuant to these Injunctive Terms, prevent CSCP Employees from being compensated or penalized in any way related to revenue or profitability targets or expectations specific to sales of Controlled Substances; and ii) pharmacists will not be penalized in any way for exercising their professional judgment to refuse to fill prescriptions for Controlled Substances pursuant to their corresponding responsibility. To the extent that trainings designed and launched prior to the Effective Date of these Injunctive Terms do not reference these policies, they shall be added by the end of 2026.

VIII. THE PRESCRIPTION VALIDATION PROCESS

1. As part of its CSCP, Albertsons shall maintain a Prescription Validation Process in the CSCP Policies and Procedures, as further described and set forth in this section, that each pharmacist employed by Albertsons in a Settling State must follow when dispensing a prescription for a Controlled Substance. A Red Flag shall not be interpreted to mean that a prescription is, or is more likely than not, illegitimate and/or not issued in the usual course of professional practice or treatment.

2. A Red Flag will be considered "resolved" if, after further investigation as described below, and given other facts and circumstances surrounding the prescription, a pharmacist determines, in his or her professional judgment, that the facts that triggered the Red Flag do not lead him or her to believe that the prescription was written or is being submitted for an illegitimate medical purpose or outside the usual course of a Prescriber's professional practice.

3. Albertsons' CSCP Policies and Procedures shall provide that if a pharmacist identifies any "Patient Red Flags" associated with a Controlled Substances prescription (described in Section IX(3) below), before filling the prescription the pharmacist must resolve them; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with the Settling Pharmacy, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available Prescription Monitoring Program ("PMP" or "PDMP") data, and/or reviewing other data or information available to the pharmacist.

4. Albertsons' CSCP Policies and Procedures shall provide that if forgery or fraud is suspected, or if the pharmacist identifies any other "Prescription Red Flags" associated

with a Controlled Substances prescription (described in Section IX(4) below), the pharmacist must resolve the Prescription Red Flags before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing the Patient's profile and history with Albertsons, calling the Prescriber or Prescribers if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to the pharmacist.

5. Albertsons' CSCP Policies and Procedures shall require that if a pharmacist identifies any "Prescriber Red Flags" associated with a Controlled Substances prescription (described in Section IX(5) below), the pharmacist must resolve them before filling the prescription; and that the method of resolution falls within the judgment of the pharmacist and may include reviewing any Albertsons records regarding the Prescriber, calling the Prescriber if appropriate, speaking with the Patient if appropriate, calling on the pharmacist's pre-existing knowledge of the Patient or Prescriber, reviewing available PMP or PDMP data, and/or reviewing other data or information available to Albertsons.

6. Albertsons' CSCP Policies and Procedures related to Schedule II Designated Controlled Substances shall provide that the resolution of all Red Flags identified by the pharmacist, as well as any prescriptions that were rejected pursuant to Red Flags identified by the pharmacist, and the reasons why they were rejected, must be documented by the pharmacist, unless if based on the pharmacist's pre-existing knowledge of the Patient or Prescriber. Any such records shall be maintained for the duration of these Injunctive Terms. To the extent that a Red Flag is resolved based upon facts or circumstances that are already reflected or documented in Albertsons' records, further documentation of those facts or circumstances is not required for resolution of substantially the same Red Flag on subsequent prescriptions. For example, if a Patient lives fifty-five (55) miles from an Albertsons but works near the pharmacy and that fact is reflected in pharmacy records, no documentation for the resolution of the Red Flag addressing the Patient's distance from the pharmacy is required in connection with individual prescriptions dispensed for that Patient. A lack of documentation shall not be interpreted to create a presumption that a pharmacist did not resolve any identified Red Flags. Nothing in these Injunctive Terms shall require Albertsons to create a record in those instances where the pharmacist rejects a prescription when presented without an effort to resolve any red flags, including but not limited to instances where the pharmacist rejects a prescription for clinical reasons, or where the pharmacist identifies on the face of the prescription a Prescription Red Flag (defined in Section IX below) that causes the pharmacist to conclude without further inquiry that the prescription is invalid.

7. Albertsons' CSCP Policies and Procedures shall provide that, even if all Red Flags are resolved, a pharmacist shall reject a prescription if, in his or her professional judgment, he or she believes that it was written or is being submitted for other than a legitimate medical purpose and/or was written outside the usual course of an individual Prescriber's professional practice.

IX. RED FLAGS

1. Upon request by the Settling States, but no more than annually, and no earlier than four months after the Injunctive Terms Implementation Date, Albertsons shall provide to the Settling States a report (the "Annual Data Report") that sets forth: (1) the total number of prescriptions for Controlled Substances dispensed annually, aggregated nationally and by state; (2) the top twenty-five prescribers of Designated Controlled Substances in each Settling State; and (3) the list of prescribers subject to disclosure in section X.5; (4) the specific process, system, metrics or algorithms (if any) sufficient to demonstrate the operational system's ability to identify each category of Red Flag listed in this section; (5) the total number of Designated Controlled Substance prescriptions that pharmacists at the Settling Pharmacy refused to dispense, as reflected in the pharmacy dispensing or other electronic system. Unless otherwise required by law, if a Settling State seeks to disclose any data and/or information provided under this provision as part of a proceeding to enforce these Injunctive Terms or otherwise, it shall first provide ten (10) days' notice to Albertsons unless doing so would conflict with applicable law. A Settling State shall not otherwise disclose or provide any data provided under this provision to third parties during or after the Term of these Injunctive Terms unless required to do so by law. If a Settling State is required to disclose or provide any data under this provision to third parties during or after the Term of these Injunctive Terms, it shall first provide ten (10) days' notice to Albertsons unless doing so would conflict with applicable law. All data and/or information provided under this paragraph shall be deemed confidential law enforcement material, to the extent state law permits, and shall not be subject to production unless required by law. Nothing in this paragraph shall be deemed to prevent a Settling State from sharing this material with other State or federal law enforcement agencies.

2. Within the three months following the provision of the Annual Data Reports, either Albertsons or the States Injunctive Relief Committee may propose in writing a meet and confer to discuss potential changes to the scope of one or more categories of Red Flags. At such a meeting, Albertsons or the States Injunctive Relief Committee may provide additional research, information or data available to them beyond that provided in the Annual Data Reports. For example, Albertsons might propose reducing the threshold for triggering a particular category of Red Flag or consolidating certain Red Flags or subcategories of Red Flags into a single metric, or the States Injunctive Relief Committee might propose increasing the threshold for triggering a particular Red Flag

or expanding that Red Flag to include multiple subcategories (*e.g.*, number of prescriptions, distance thresholds).

a. If Albertsons and the States Injunctive Relief Committee agree on such changes to one or more Red Flags, they shall document those changes in writing and they shall become a part of these Injunctive Terms for all intents and purposes.

b. If Albertsons and the States Injunctive Relief Committee cannot agree on the proposed changes during their meeting and confer, the Party seeking the change(s) to the Red Flag(s) may seek a 5-day mediation of the issue at its own expense. If the mediation fails to resolve the dispute between the parties, the party seeking the proposed change(s) may appeal to the National Arbitration Panel to have the National Arbitration Panel modify the Red Flags on the basis that the change(s) would be consistent both with avoiding unnecessary material costs of identifying and resolving Red Flags and materially reducing the diversion of Controlled Substances. In such a proceeding, the Party seeking the proposed change(s) may provide evidence from Annual Data Reports or from other research, data and information.

c. In any such proceedings, there shall be a presumption against imposition of any proposed Red Flags, or proposed modifications to pre-existing Red Flags, that have not been identified by the United States Drug Enforcement Administration (DEA) or other law enforcement agencies tasked with the regulation of Controlled Substances.

d. The Red Flags required by these Injunctive Terms shall at no point be too numerous or complex to be reasonably workable for pharmacists in the context of protecting patient safety, performing corresponding responsibility, drug utilization review, and their other responsibilities. Any dispute over whether the Red Flags required by these Injunctive Terms have become too numerous or complex to be reasonably workable for pharmacists shall be submitted to the National Arbitration Panel. In the event a dispute is submitted to the National Arbitration Panel, it shall be Albertsons' burden to prove that the Red Flag(s) at issue are overly burdensome and that their burdensome nature outweighs any public health benefit.

3. Albertsons' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Patient Red Flags":

a. A Patient seeks to fill a Schedule II Designated Controlled Substance prescription more than three days prior to the contemplated exhaustion date of an earlier prescription of the same Schedule II Designated Controlled Substance (e.g., exhaustion of the days' supply assuming the prescription has been taken in accordance with the prescribers' directions on the face of the prescription), provided the previous prescription was also dispensed by the same Settling Pharmacy;

b. A Patient seeks to fill a Designated Controlled Substance prescription from a Prescriber after having filled Designated Controlled Substance prescriptions at the same Albertsons from more than four other Prescribers, from separate practices, in a given 6-month period;[2]

c. To the extent personally known by the dispensing pharmacist, Prescriber has been the subject of more than ten (10) documented refusals to fill within a six-month period;

d. A Patient seeks to fill a Designated Controlled Substance prescription after having filled three other Designated Controlled Substance prescriptions written by multiple Prescribers with overlapping days of supply at Albertsons' pharmacies within thirty (30) days;

e. The distance between a Patient's residence and the Albertsons receiving the Designated Controlled Substance prescription is farther than 50 miles;

f. The Patient resides more than one hundred (100) miles from the Prescriber who issued the Designated Controlled Substances prescription;

g. To the extent personally known by the dispensing pharmacist, a Patient seeks to fill a Designated Controlled Substance prescription after having two other prescriptions for Designated Controlled Substances subjected to documented refusals to fill by an Albertsons pharmacist within the past thirty (30) days;

h. A patient pays in cash for a Designated Controlled Substance despite having prescription drug insurance on file for that medication;

i. Three or more Patients come to the pharmacy together to fill prescriptions for the same Designated Controlled Substances;

j. A Patient requests a Designated Controlled Substance by its slang or street description, such as "Mallinckrodt blues," "M's" or "the blue pill"; and

[2] In Albertsons' sole discretion, for administrative convenience Albertsons may implement this Red Flag without regard to whether Prescribers are at separate practices, thereby resulting in more instances in which the flag occurs.

k. A Patient presenting a prescription for a Designated Controlled Substance appears visibly altered, intoxicated, or incoherent.

4. Albertsons' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescription Red Flags:"

   a. A Controlled Substance prescription fails to meet the requirements of law;

   b. A Controlled Substance prescription that appears altered, including but not limited to, a photocopied prescription or a prescription in which an altering agent, such as white out, was used;

   c. A Controlled Substance prescription written with misspellings suggesting the prescription may not have been written by a valid Prescriber;

   d. A Controlled Substance prescription using atypical abbreviations suggesting the prescription may not have been written by a valid Prescriber; and

   e. A Controlled Substance prescription written with multiple colors of ink or in multiple different handwritings.

5. Albertsons' CSCP Policies and Procedures shall direct its pharmacists to treat the following circumstances as "Prescriber Red Flags:"

   a. A Prescriber provides a Patient with prescriptions for all three of a Schedule II Designated Controlled Substance, a benzodiazepine, and carisoprodol;

   b. A Prescriber has no office within fifty (50) miles of the retail pharmacy store where a Designated Controlled Substance prescription is submitted; and

   c. A Prescriber of Designated Controlled Substances uses prescriptions that are preprinted or stamped with drug type and amount.

X. PRESCRIBER REVIEW

1. Albertsons shall regularly review the prescribing patterns and practices of Prescribers of Designated Controlled Substances (the "Prescriber Review Process"). The Prescriber Review Process shall employ algorithms, or other means, to review data on Albertsons' retail dispensing for potential Prescribers of concern.

2. Albertsons shall initiate Prescriber Review Process in the following circumstances:

   a. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been the subject of a blanket refusal to fill by one or more of Albertsons' retail pharmacy stores in the Settling States;

b. Personnel implementing the Prescriber Review Process become aware that a Prescriber of Designated Controlled Substances located in a Settling State has been charged or indicted with a crime related to prescribing Designated Controlled Substances by the Federal Government or law enforcement in a Settling State; or

c. Albertsons has received a Hotline complaint that has been investigated and substantiated concerning a Prescriber's illegitimate prescribing of Designated Controlled Substances.

3. Based on the professional judgment of the employees operating the Prescriber Review Process, Albertsons may also initiate the Prescriber Review Process when:

a. Personnel implementing the Prescriber Review Process are notified in writing by law enforcement that a Prescriber of Designated Controlled Substances located in a Settling State is the target of an investigation regarding the prescribing of Controlled Substances;

b. A Prescriber of Designated Controlled Substances was flagged for review by an Albertsons pharmacist in a Settling State (other than through a refusal to fill or blanket refusal to fill) or by field personnel who supervise Albertsons' pharmacies in a Settling State; or

c. A Prescriber of Designated Controlled Substances located in a Settling State was identified through the running of algorithms on Albertsons' retail dispensing.

4. Once Albertsons identifies a Prescriber for further investigation, Albertsons shall review pertinent and available data or information pertaining to the Prescriber, which may include interviews or other information gathered in the discretion of the employees operating the Prescriber Review Process. All data and information collected or created as part of the Prescriber Review Process shall be maintained by Albertsons for the length of these Injunctive Terms. When permitted by law, nothing contained in this Section prevents Albertsons from taking immediate action to Block a Prescriber.

5. If after the Prescriber Review Process those making the decision have not resolved the circumstances that caused Albertsons to further investigate the Prescriber, then the Prescriber shall be Blocked from having Controlled Substance prescriptions filled at Albertsons' retail pharmacies in the Settling States, when permitted by law. A Prescriber may have an opportunity at the discretion of Albertsons to seek future reinstatement by providing information to Albertsons that may resolve its concerns. Nothing in this Section shall limit the right or ability of Albertsons pharmacists to either refuse to fill a given prescription or refuse to fill all prescriptions for Controlled Substances from a given Prescriber independent of any decision by Albertsons to Block

or not Block a given Prescriber. On written demand, on an annual basis, Albertsons shall provide to each Settling State the names of and DEA registration or NPI numbers of Prescribers of Designated Controlled Substances within that Settling State that it has Blocked. Each Settling State shall provide contact information in order to receive such information. For each of the Settling States, on an annual basis, Albertsons shall provide to the Injunctive Relief Committee: (a) the number, names and DEA registration or NPI numbers of Prescribers who were blocked, and (b) the number of prescribers who were reviewed pursuant to X.2 or X.3 above but not blocked.

XI. PROACTIVE DUE DILIGENCE AND SITE VISITS

1. During the term of these Injunctive Terms, Albertsons shall conduct periodic proactive compliance reviews of its retail pharmacy stores in the Settling States to assist with the identification of potential compliance issues related to the dispensing of Designated Controlled Substances at its retail pharmacy stores in the Settling States. This may be satisfied by the use of algorithms, or other electronic means, to analyze data associated with each pharmacy's dispensing of Designated Controlled Substances to identify particular pharmacies for review as required under this Section XI. Documentation of any resulting reviews shall be maintained by Albertsons and made accessible to all Controlled Substance Compliance Department personnel upon request for the duration of these Injunctive Terms.

2. During the term of these Injunctive Terms, Albertsons personnel or qualified third-party compliance consultants shall conduct site visits to each pharmacy in a calendar year. These site visits shall at a minimum consist of a review of Controlled Substance dispensing documentation and recordkeeping; and a review of physical surroundings and other circumstances for any indications of potential non-compliance with these Injunctive Terms or the CSCP Policies and Procedures, or any violations of other applicable laws and regulations related to the dispensing of Controlled Substances.

3. During site visits, Albertsons' personnel or qualified third-party compliance consultants shall interview relevant pharmacy employees, if appropriate, about any potential areas or issues of concern, including potential violations of laws related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

4. Albertsons' personnel or qualified third-party compliance consultants who conduct site visits shall complete a report reflecting the findings of any site visit pursuant to this section. This report shall document areas or issues of concern, including potential violations of law related to the dispensing of Controlled Substances, the CSCP Policies and Procedures, and these Injunctive Terms.

5. The site visit reports described above shall be maintained by Albertsons and made

accessible to all Controlled Substance Compliance Department personnel for the duration of these Injunctive Terms. Upon its request, the States Injunctive Relief Committee shall be provided sample reports or a report for a particular store.

XII. THEFT AND LOSS PREVENTION

1. In addition to complying with all theft and loss procedures, policies and precautions required by state and federal law, Albertsons shall maintain for at least three years information regarding the receipt and disposition of inventory of all Designated Controlled Substances at each retail pharmacy store.

2. In addition to any other reporting obligations under state and federal law, Albertsons must provide to each Settling State on a quarterly basis any reports it has made to the DEA regarding the theft or significant loss of Designated Controlled Substances in that Settling State pursuant to 21 C.F.R. §1301.76(b). Each Settling State shall provide contact information in order to receive such reports. There shall be no obligation to provide these reports to Settling States that receive contemporaneous reporting of thefts or significant losses of Designated Controlled Substances to a Settling State's board of pharmacy.

XIII. REPORTING TO LAW ENFORCEMENT

1. The Settling States shall inform Albertsons to what extent their law enforcement authorities would like to receive reports, other than those already required by law or regulation, of any confirmed forged prescriptions. To the extent not already in place, Albertsons shall implement standard operating procedures directing its employees to report any confirmed forged prescriptions for Designated Controlled Substances to those Settling States who have indicated that they want to accept it, within five (5) business days of completing any review of such prescription or conduct. The Settling States shall provide contact information in order to receive such reports.

2. Albertsons shall document and for at least two (2) years maintain records of any such reports that are made to Settling States regarding confirmed fraudulent or forged prescriptions, which are maintained centrally.

XIV. ENFORCEMENT OF INJUNCTIVE TERMS

1. Notice of Potential Violations and Opportunity to Cure.

    a. A "Potential Violation" occurs when the Settling State determines, after appropriate investigation and due diligence, that Albertsons is not in substantial compliance with a material aspect of the Injunctive Terms. A Potential Violation may be for a single retail pharmacy. A violation of this Agreement

is not presumed to occur when a pharmacist, pharmacist technician, or other field personnel who supervise pharmacists and/or pharmacist technicians employed by Albertsons violates Albertsons' CSCP Policies and Procedures.

b. Potential Violation Discovered by Settling State.

   i. In the event of a Potential Violation identified by a Settling State, the Settling State shall notify Albertsons in writing (the "State's Notice").

   ii. Within thirty (30) days of receipt of the State's Notice, Albertsons shall provide a written response to the Settling State. The response shall include Albertsons' position as to the act(s) of non-compliance, including, possibly, a statement setting forth why Albertsons believes it is in substantial compliance with the relevant provision(s) or a statement explaining how the Potential Violation has been addressed.

   iii. If the Settling State wishes to meet with Albertsons, Albertsons shall promptly make itself available for such a meeting.

c. If, after review of a written response and any meeting, the Settling State believes that a Potential Violation is ongoing or has not been substantially addressed, it will provide written notice to Albertsons and work in conjunction with Albertsons to devise, within thirty (30) days, a corrective action plan ("Corrective Action Plan") to remedy such Potential Violation, including a reasonable period for implementation of such plan.

d. Within sixty (60) and one hundred twenty (120) days after implementing the Corrective Action Plan, Albertsons will provide a written compliance update to the Settling State and make itself available to meet with the Settling State if requested. If after reviewing the compliance update and any meeting, the Settling State believes a Potential Violation remains ongoing or has not been substantially addressed, the Settling State may commence a 30-day mediation period. If mediation fails to resolve the dispute between the parties, the Settling State may take whatever action it deems necessary, including but not limited to bringing an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conducting further investigation, or attempting to negotiate an updated Corrective Action Plan with Albertsons. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

e. If Albertsons fails or refuses to provide a written response, to devise or implement a Corrective Action Plan or to provide a compliance update as

required by subsections 1(b), 1(c) and/or 1(d), a Settling State may bring an action to enforce these Injunctive Terms, filing a new action (administrative or civil action) for violation of the Injunctive Terms as allowed by state law, conduct further investigation, or attempt to negotiate an updated Corrective Action Plan with Albertsons. But the Settling State may not seek to reinstate claims that have been released as part of the Settlement Agreement.

f. If, after review of a written response and any meeting, pursuant to subsections 1b. or 1c., above, the Settling State concludes that a Potential Violation is not ongoing or has been substantially addressed, the Settling State will provide written notice of this conclusion to the Settling Pharmacy within thirty (30) days of reaching its conclusion.

2. Enforcement Action. Each Settling State agrees that prior to taking any court or administrative action, other than an action that the Settling State concludes is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State, or that a public emergency requiring immediate action exists, it will follow the process outlined above. If the Settling State concludes that action is necessary to address an immediate threat to the health, safety, or welfare of the citizens of the Settling State or that a public emergency requiring immediate action exists, it will make best efforts to provide reasonable notice to a Settling Pharmacy prior to initiating any such action.

XV. COMPLIANCE CERTIFICATION

1. Albertsons' Controlled Substance Compliance Director shall, after diligent inquiry, complete an annual compliance certification as set out in Section XV(4).

2. The certification shall be filed annually for the duration of these Injunctive Terms with a Settling State's appropriate licensing and/or regulatory agency and its Attorney General.

3. The certification shall state:

> "I understand the compliance requirements and responsibilities as they relate to [insert name of department], an area under my supervision. My job responsibilities include attempting to achieve compliance with regard to the [insert name of department] with all applicable statutory requirements, obligations of the Injunctive Terms, and applicable policies, and I have taken steps to promote such compliance. To the best of my knowledge, the [insert name of department] is in compliance with the obligations of these Injunctive Terms. I understand that this certification is being provided to and relied upon by the State of [Settling State]."

4. If the Controlled Substance Compliance Director is unable to provide such a certification, the Controlled Substance Compliance Director shall provide a written explanation of the reasons why he or she is unable to provide the certification outlined above.

XVI. DATA SHARING

1. Albertsons shall consent to the provision by its distributors of Albertsons' unblinded "867 Data" (data sent from the distributor to the manufacturer concerning the sale of its products to Albertsons) to opioid manufacturers on any particular Designated Controlled Substances manufactured by them as soon as commercially reasonable and at no cost to the manufacturers, provided that, pursuant to a prior written agreement with Albertsons, the opioid manufacturers agree (a) to ensure the confidentiality of the 867 Data, except as required by law; (b) to implement safeguards and procedures to limit access to and use of the 867 Data, except as required by law; (c) that the 867 Data shall be used solely for compliance purposes as part of their Suspicious Order Monitoring programs; and (d) that the 867 Data shall be shared only with specified personnel and shall not be shared with business or sales personnel.

2. To the extent that Albertsons provides McKesson Corporation, Cardinal Health, Inc., or AmerisourceBergen Corporation (the "Settling Distributors") with Pharmacy Customer Data (as defined in the Distributor Injunctive Terms) for use in their Controlled Substance Monitoring Programs, Albertsons agrees that the Settling Distributor(s) may share such Pharmacy Customer Data with the Monitor appointed pursuant to the Distributor Injunctive Terms, provided that the Monitor agrees, pursuant to a prior written agreement with Albertsons, (a) to ensure the confidentiality of the Pharmacy Customer Data; (b) to implement safeguards and procedures to limit access to and use of the Pharmacy Customer Data; (c) that the Pharmacy Customer Data is used solely for the purpose of ensuring the Settling Distributors' compliance with the Distributor Injunctive Terms; and (d) that the Pharmacy Customer Data shall be shared only with specified personnel.

XVII. CLEARINGHOUSE

1. Albertsons will confer with any Settling Distributor that distributes Designated Controlled Substances to its retail pharmacies and the States Injunctive Relief Committee for a period not to exceed six (6) months from the Injunctive Terms Implementation Date to determine: what additional deidentified information, if any, is needed from Albertsons for a Settling Distributor to perform suspicious order monitoring; if additional deidentified information is needed, how the Settling Pharmacy shall provide it to a Settling Distributor; and what information provided by Albertsons to a Settling Distributor may be deposited by the Settling Distributor into the Clearinghouse. For the avoidance of doubt "deidentified" does not refer to Prescribers. If agreements are not reached, the matters in dispute shall be submitted to arbitration. Due to patient privacy and legal restrictions and other confidentiality and

commercial concerns, in connection with any meet and confer described above, Albertsons may not be compelled to provide individual patient-level or prescription-level data, de-identified or otherwise, to the Settling Distributors.

2. Albertsons and Settling Distributors will also determine whether and in what amount the Settling Pharmacy will contribute to the cost of the operation of the Clearinghouse. When Albertsons contributes to the costs of the Clearinghouse, Settling Pharmacy, Settling Distributors and all other participants in the Clearinghouse shall determine an equitable amount of Albertsons' contribution. If agreements are not reached, the matters in dispute shall be submitted to arbitration.

3. Any data provided by Albertsons to a Settling Distributor and/or the Clearinghouse pursuant to these Injunctive Terms shall be treated in compliance with state and federal law, including but not limited to the Health Insurance Portability and Accountability Act of 1996 ("HIPAA") and all applicable state and federal privacy laws.

4. No Settling Distributor or other participant in the Clearinghouse shall receive from the Clearinghouse information specific to Albertsons.

II. Fees and Costs

A. *Total Attorneys' Fees and Costs*

1. Total attorneys' fees and costs to be paid by Albertsons to Attorneys under this Fee Agreement shall be up to, but in no event more than, $81,234,191.57, subject to the reductions and provisions set forth below. The total attorneys' fees and costs consists of up to $ 76,234,191.57 for the Attorney Fee Fund, as set forth in Section II, and $5,000,000.00 in total for the MDL Expense Fund.

[1] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

The Maximum Attorney Fees, subject to the reductions set forth herein, are $76,234,191.57 and shall be paid on the schedule in Ex. M-3.

2. If an Eligible State does not join the Agreement by the State Participation Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Albertsons shall be reduced by twelve point four percent (12.4%) times the Remediation Payment amount that would have been allocated to that Non-Settling State as set forth in Section IV.B of the Albertsons Agreement.

3. If Albertsons settles with any Non-Settling State after May 1, 2026 and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Albertsons agrees to withhold from the gross recoveries a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the gross recovery paid as defined in the Court Common Benefit Order (Docket #4428). If Albertsons settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after May 1, 2026, then Albertsons agrees to withhold from the gross recoveries a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the gross recoveries (the "*Albertsons Subdivision CBF Assessment,*" and, along with the Albertsons State Settlement CBF Assessment, each a "*Albertsons CBF Assessment*"). If (a) Albertsons settles with a Non-Settling State after May 1,2026 (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Albertsons later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Albertsons agrees to deposit the Albertsons State Settlement CBF Assessment in the Common Benefit Fund. Any Albertsons CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order (Docket #4428). .

B. *Attorney Fee Fund and Sub Funds*

1. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fee Fund. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund, provided the Contingency Fee Fund shall pay a Contingency Fee of the lesser of the Contingency Fee Contract amount, or 20% of client recovery. Any excess Contingency Fee Fund monies shall revert to the Common Benefit Fund.

2. The Cost Fund shall include the MDL Expense Fund The State Counsel Fee Fund and the State Cost Fund shall be separate funds under the control of the Settling States.

3. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel appointed under MDL

Docket No. 3828, which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Orders. The Cost Funds shall be administered by the Cost and Expense Fund Administrator appointed under MDL Docket No. 3828, who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

4. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Albertsons Agreement. Fees to be paid under this Fee Agreement are not available for representation of Non-Participating Subdivisions, or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than those claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain. e.

5. In no event shall Albertsons be required to pay more into the Attorney Fee Fund than the maximum amount specified in paragraph II.A.1. The amounts allocated to the Contingency Fee Fund and the Common Benefit Fund set by the Fee Panel shall be subject to the reductions set forth in Section II.A.2 and the reductions and refunds set forth below.

6. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Albertsons Agreement, as set forth in Exhibit G to the Albertsons Agreement, and shall be made by applying the Mathematical Model attached as Exhibit "A" to this Fee Agreement. The collection of the data and calculations for the Mathematical Model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis has been spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the Model. The Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in Section II.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

7. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

8. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard and there shall be no further appeal to a higher court and any applicant for a common benefit fund award agrees to waive any such appeal to a higher court than the MDL Court

C. *Common Benefit Fund* (60% of the Attorney Fee Fund)

1. The maximum potential total Common Benefit Fund payment to be made by Albertsons into the Attorney Fee Fund is $45,740,514.94, and in no event shall it exceed that amount. Albertsons's maximum potential Common Benefit Fund payments shall be paid on the following yearly schedule:

	Albertsons Shall Pay Common Benefit
Year 1 April 30, 2026	$12,783,652.99
Year 2 February 28, 2027	$12,783,652.99
Year 3 February 28, 2028	$7,481,913.47
Year 4 February 28, 2029	$7,481,913.47
Year 5 February 28, 2030	$5,209,382.01
Total	$45,740,514.94

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

   a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the Order dated May 1, 2018, under docket number 358, which is included herein by reference; and

   b. satisfy the eligibility criteria set forth in Section II.G.

   For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, Attorneys representing Tribal Nations litigating against Albertsons have also reached a settlement for Released Claims with Albertsons, and these

settlements are the subject of agreements with Albertsons. Attorneys are eligible for Common Benefit consideration provided such agreement with Albertsons became effective under their terms. Such Attorneys must meet the eligibility criteria in Section II.G.

For purposes of Common Benefit Fund distribution, notwithstanding paragraph II.A.5, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in Section II.G. shall be eligible.

3. Albertsons' Common Benefit Fund payments under this Fee Agreement satisfy any assessments or withholdings for the Albertsons Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating Subdivisions. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement and the Common Benefit Order.

4. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) Subdivision Participation in the Albertsons Agreement as of the Initial Participation Date, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Albertsons Agreement, including the Albertsons Tribal Agreement. The Fee Panel may also consider additional fee recoveries the Applicant may potentially obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Albertsons Agreement or not. It is the intent of this provision to recognize that the goal of the Albertsons Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. However, litigation against Albertsons after the Effective Date by the plaintiffs in *County of Tarrant, Texas v. Purdue Pharma L.P.*, et al. (Case No. 1:18-OP-45274) ("CT9") and *County of Monterey v. Amerisourcebergen Drug Corporation*, et al. (Case No. 1:18-op-45614) ("CT21") may continue and shall not be considered common detriment. Therefore, except with respect to CT9 and CT21, representing one or more Non-Participating States or Non-Participating Subdivision does not further the goal of the Albertsons Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating Subdivisions or Later Litigating States is antithetical to the Albertsons Agreement and detracts from Common Benefit; the Fee Panel shall

consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any reductions provided to Albertsons as set forth in Section II.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph II.C.4, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

5. As set forth in Section II.H, the Fee Panel must consider the factors described in paragraph II.C.4 to determine how and whether to reduce the amounts to be paid by Albertsons under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Albertsons in this Fee Agreement shall be applied against the last Payment Year and then working backwards. Any reduction to an Applicant not credited to Albertsons shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

D. *Contingency Fee Fund* (40% of the Attorney Fee Fund)

1. The maximum potential total Contingency Fee Fund payment to be made by Albertsons into the Attorney Fee Fund is $30,493,676.63, and in no event shall it exceed that amount. Albertsons' maximum potential Contingency Fee Fund payment shall be paid on the following yearly schedule:

	Albertsons Shall Pay Contingency Fee Fund
Year 1 April 30, 2026	$8,522,435.33
Year 2 February 28, 2027	$8,522,435.33
Year 3 February 28, 2028	$4,987,942.32
Year 4 February 28, 2029	$4,987,942.32
Year 5 February 28, 2030	$3,472,921.34
Total	$30,493,676.63

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions that meet the criteria set forth in Section II.G.

    a. The Contingency Fee Fund shall be available to Attorneys who represent Litigating Subdivisions that are Participating Subdivisions, whether their actions are filed in state or federal court, and meet the eligibility criteria of Section II.G.

    b. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

3. The amount owed by Albertsons to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph II.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

4. In the event that after the date of the Albertsons Agreement, Albertsons, prior to the Effective Date of the Albertsons Agreement, settles with any Litigating Subdivision that would have been eligible to participate in the Settlement Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Albertsons Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited to Albertsons, except that such refund shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement. All credits will be applied to the last Payment Year.

5. The Contingency Fee Allocation shall be determined as set forth in the Mathematical Model attached. If after application of the attached model funds remain in the Contingency Fee Fund, such funds shall be transferred to the MDL Common Benefit Fund established by Order of May 9, 2022 (Docket #4428).

E. *MDL Expense Fund*

1. Albertsons shall pay $5,000,000 into the MDL Expense Fund on the Effective Date, on the schedule set forth below.

	MDL Expense Fund
Year 1 April 30, 2026	$2,500,000.00
Year 2 February 28, 2027	$2,500,000.00
Total	$5,000,000.00

2. The MDL Expense Fund shall be released following the Effective Date of this Fee Agreement without any delay to reimburse the MDL PEC for an agreed-to portion of the expenses incurred, as approved by the Cost and Expense Fund Administrator. The sum deposited into the MDL Expense Fund will be paid directly to the MDL Opiate Capital Account.

3. In allocating the MDL Expense Fund, the Administrator shall not allocate any funds for costs incurred after the Effective Date of the Settlement, unless the Administrator determines they were reasonable costs related to the implementation and/or enforcement of the Albertsons Agreement, orin furtherance of MDL 2804

4. At the conclusion of the Opioid MDL 2804 any funds remaining in the MDL Cost & Expense Fund shall be transferred to the MDL 2804 Common Benefit Fund (Dkt #5100).

F. Eligibility

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with

input from Attorneys for Participating Litigating Subdivisions, for which party or parties should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph II.G.3, must be subject to the criteria set forth in paragraph II.C.4, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

   a. The Attorney must expressly waive the enforcement against the Participating Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

   b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, with respect to Released Claims against Released Entities.

   c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date unless the Attorney is recommending participation in the Agreement.

   d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later

Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit Order.

e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, other than a potential Common Benefit Fee.

f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Albertsons Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Albertsons Agreement to be fair and will make or has made best efforts to recommend the Agreement to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this Section shall include an affirmation by the Attorney in compliance with this Subsection.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling State or a Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this Section shall include an affirmation by the Attorney of compliance with this Section.

5. An Attorney who has filed an application under this section and received an award of attorneys' fees shall provide a certification of compliance with the

Sections of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Panel.

6. If, at any time, the Attorney is unable to make the representations set forth in this Section, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this Section II.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, shall be prohibited from receiving any future funds from the Attorney Fee Fund and be subject to additional obligations as set forth in Subsection 8 below. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Albertsons when it receives notification.

8. To the extent an Attorney who has received compensation from the Attorney Fee Fund based on Qualifying Representations of Participating Litigating Subdivisions under the Albertsons Agreement represents a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State, such Attorney shall be obligated to refund such amounts received as compensation from the Attorney Fee Fund to Albertsons. Albertsons or such Attorney may bring any dispute as to whether such Attorney shall be obligated to refund such amounts received from the Attorney Fee Fund to Albertsons, to the Fee Panel. Nothing herein shall require a multi-attorney law firm that has received compensation from the Attorney Fee Fund to refund such amounts if an attorney of the firm that is no longer affiliated with such law firm, after such departure, represents a Later Litigating Subdivision or Later Litigating State, provided that (a) neither the law firm nor any of its other attorneys have any contractual or financial arrangement regarding, stand to benefit directly or indirectly from, or directly or indirectly provide financial or other support of any kind to, the former attorney's representation of the Later Litigating Subdivision or Later Litigating State and (b) if the former attorney was a partner or owner of the multi-attorney law firm at the time that the law firm received compensation from the Attorney Fee Fund, the former attorney shall be obligated to refund such amounts as the former

attorney earned as a result of the compensation that the law firm received from the Attorney Fee Fund.

9. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

10. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Albertsons Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

11. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

12. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

G. Calculation of Amounts Due

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this Section, except that the Fee Panel may receive information from Albertsons as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph II.C.4; and (c) such other information as Albertsons may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Albertsons) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in Section II.G of this Fee Agreement and the criteria set forth in Section II. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

   a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

   b. The novelty, time, and complexity of the Qualifying Representations;

   c. The skill requisite to perform legal services properly and undesirability of the case;

   d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

   e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

   f. Any "common detriment," as set forth in paragraph II.C.4;

   g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

   h. The experience, reputation, and ability of the Applicant;

i. Whether the Applicant's clients brought Released Claims against Released Entities;

j. The status of discovery in cases primarily handled by the Applicant;

k. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

l. Any pressure points successfully asserted by the Applicant in cases against Albertsons or any risk for Albertsons created by the Applicant in cases against Albertsons;

m. Any risk for defendants created by Applicants in cases against Albertsons;

n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

o. The date of filing of any cases filed by the Applicant;

p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

r. Whether the Applicant's clients brought claims against Albertsons prior to the announcement of this settlement onMay 1,2026

s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

u. Whether the Applicant's cases have survived motions to dismiss;

v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

w. The extent to which litigation occurred prior to and contributed to completion of settlement negotiations, as distinct from litigation that occurred after the announcement of the Albertsons Agreement on September 8, 2023, such latter litigation both being of less value and, the

case of litigation filed after the announcement of the Albertsons Agreement on September 8, 2023, resulting in a common detriment to the settlement process, which in both cases should be viewed less favorably;

x. The extent to which an Applicant demonstrated a continued commitment of time and resources to MDL 2804 since July 1, 2023; and

y. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. It is possible that the States and Subdivisions that are litigating Opioid cases will enter additional settlements in close proximity of the time for processing the Albertsons Agreement. If there are additional settlements and these settlements create a Common Benefit Attorney Fee Fund to be administered by the Fee Panel, the Fee Panel may:

   a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered after November 14, 2022;

   b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees that come after December 9, 2022, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;

   c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

   d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

   e. Be guided in their work by the Orders of the Court related to Fees and Costs.

5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

   a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in Section II.G.

   b. Using criteria set forth in Sections II.C and II.G, allocate amounts from the Common Benefit Fund to eligible Applicants, including payment amounts for each Payment Year. In making such allocations, the Panel shall apply the principles set forth in paragraph II.C.5 to the amounts paid to Applicants with a Common Benefit Fee Entitlement.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:

a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in Section II.G.

b. Apply the Mathematical Model in Exhibit A.

c. Use such allocations to determine refund amounts owed to Albertsons from the Attorney Fee Fund, and inform Albertsons and the MDL PEC of all such adjustments.

8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amount that Albertsons is required to pay (including application of any reductions or refunds under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the Mathematical Model set forth in Exhibit A, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which the Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

H. Miscellaneous

1. The Fee Panel shall charge an hourly rate approved by the Court. The Pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the Cost Fund. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund based on allocation by the Fee Panel and shall not be otherwise funded by Albertsons.

2. The MDL PEC will seek, and the Attorneys General for Settling States and the Albertsons will not oppose, a Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court.

3. The MDL PEC shall provide to Albertsons information the PEC has that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

4. The MDL PEC and Albertsons agree that it is a conflict of interest for an Attorney that had represented a Participating Subdivision or Settling State to represent a Later Litigating Subdivision or Later Litigating State, including a Non-Eligible State or a subdivision in a Non-Eligible State. This Subsection shall be enforceable to the extent permitted by the equivalent to Rules 1.16 and 5.6 of the ABA Model Rules of Professional Conduct in the relevant jurisdictions. The MDL PEC represents that it will comply with this provision in the case of the Albertsons Agreement until the Effective Date of the Albertsons Agreement, as well as thereafter, if the Albertsons Agreement proceeds.

5. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents), including Non-Eligible States or subdivisions in Non-Eligible States. However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

III. Miscellaneous

A. *Termination*. If the Albertsons Agreement does not proceed past the Reference Date, whether because Albertsons does not determine to proceed or for any other reason, this Fee Agreement shall be null and void, Albertsons shall have no obligation to make any payments under this Fee Agreement, and Albertsons and the MDL PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration*. This Fee Agreement shall be attached as an exhibit to the Albertsons Agreement. This Fee Agreement shall also be submitted by Albertsons and the MDL PEC to the MDL Court for approval pursuant to the motion and order that shall be attached.

1. In the event that the MDL Court, through an order, makes any change to the amounts potentially to be paid by Albertsons under this Fee Agreement, makes any change to the Fee Panel's consideration of the factors set forth in paragraph II.C.4, or any other material change to the draft Order attached as part of Exhibit B or the terms of this Fee Agreement, Albertsons and the MDL PEC shall meet

and confer concerning such changes. The MDL Court shall have no authority to increase the payments made by Albertsons related to fees and costs beyond the amounts described in this Fee Agreement.

2. If Albertsons and the MDL PEC are unable to reach agreement and revisions to this Fee Agreement, this Fee Agreement shall be null and void, Albertsons shall have no obligation to make any payments under this Fee Agreement, and Albertsons and the MDL PEC shall take such further steps as are necessary to restore the *status quo ante.*

C. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement, this Fee Agreement can only be amended by (1) written agreement of Albertsons and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Albertsons as set forth in this Fee Agreement and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Albertsons, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this paragraph authorizes the MDL Court to act contrary to this Agreement or to share any of the work product, or provides the MDL Court with jurisdiction over the Albertsons Agreement.

EXHIBIT A

Description of Mathematical Model for the Allocation of the Contingency Fee Funds

Albertsons Settlement Agreement

This document describes the Mathematical Model for allocation of the Contingency Fee Fund described in Exhibit R (Agreement of Attorneys' Fees, Costs, and Expenses) to the Albertsons Settlement Agreement.[1] Awards of fees from the Contingency Fee Funds shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Albertsons Settlement Agreement.[2] A Fee Panel shall oversee the application of the Model and resolve any questions or disputes concerning the eligibility of a counsel to participate. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculations.

In general terms, allocation of the Contingency Fee Fund shall be made by (1) determining the amount of the Settlement Fund that is attributable to each Participating Litigating Subdivision; (2) making certain adjustments to these amounts based on when the Subdivision filed suit and the terms of the applicable fee contract; and (3) dividing the Contingency Fee Fund proportionately among counsel for each Participating Litigating Subdivision based on the amounts calculated in subpart 2.

To collect a fee award from the Contingency Fee Fund, a Participating Litigating Subdivision must have named Albertsons (or any Released Entity) in its lawsuit. The total maximum amount of the Contingency Fee Fund in the Albertsons Settlement Agreement is $30,493,676.63.[3]

Allocation of the Contingency Fee Fund shall be made according to the following steps. These calculations are made only for purpose of determining the percentage share of the Contingency Fee Fund that Attorneys for each Participating Litigating Subdivision should receive, ***not*** for determining the dollar amount each Subdivision will receive.

(1) For each Settling State, attribute 50% of the settlement funds for that State to its Subdivisions according to the Subdivision Allocation Percentage in Exhibit G to the Albertsons Settlement Agreement.

Illustrative example:

- Assume that State A is allocated 1.00000% of the $1,200,000,000 Remediation amount [see Exhibit M of the Albertsons Settlement Agreement].
- 50% of the 1% share allocated to State A is $6,000,000.

[1] *See* Albertsons Settlement Agreement, Exhibit R § II.D.2.
[2] Albertsons Settlement Agreement, Exhibit R § II.D.2.
[3] Albertsons Settlement Agreement, Exhibit R § II.A.1 & II.D.1.

- Assume that, per Exhibit G of the Agreement, the Subdivision Allocation Percentage for City B in State A is 1.00000000%.
- For purposes of determining its counsel's share of the Contingency Fee Fund, City B is attributed 1.00000000% of $6,000,000, or $60,000.

(2) Adjust the amounts in paragraph 1 as follows:

a. *Upward Adjustment for Early Filers.* Increase the amount calculated in paragraph 1 above by 10% for any Litigating Subdivision that named Albertsons in a suit before December 5, 2017, the date the National Prescription Opiate Litigation MDL was formed. If the Litigating Subdivision did not name Albertsons in a suit before September 8, 2023, then fees from the Contingency Fee Fund will not be awarded to Attorneys with otherwise Qualifying Representations of that Participating Litigating Subdivision.

Illustrative Example:

- Assume City C is attributed $1,000,000 under paragraph 1 above.
- If City C named Albertsons before 12/5/2017, the attributed amount would be adjusted to $1,100,000.

b. *Determine Amount Due under Contingency Fee Contract*. Determine the amount that would be due to Attorneys with Qualifying Representations of each Participating Litigating Subdivision under the terms of the applicable fee contract if the Participating Litigating Subdivision were to receive the amount calculated in paragraph 2.a. This amount can be referred to as the Contingency Fee Assumption.

Illustrative Example:

- Continuing the example given in paragraph 2.a, if Attorneys have a 20% contingency fee contract with City C for the relevant litigation, the amount calculated in this step would be 20% of $1,100,000, or $220,000.

In the next step, the Contingency Fee Assumption is used to determine the percentage share of the Contingency Fee Fund due to Attorneys for each Participating Litigating Subdivision.

(3) Divide the Contingency Fee Fund proportionately among Attorneys for each Participating Litigating Subdivision in two ways:

a. *National Fee Pool Calculation.* Determine each Litigating Subdivision's

percentage share of all amounts due under contingency fee contracts nationwide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions. Then multiply that percentage by the Contingency Fee Fund to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Albertsons in a lawsuit).

Illustrative example:

- $220,000 [from para. 2.b] ÷ $280,000,000 [total amount owed under contingency fee contracts nationwide] = 0.0785714%[4]
- 0.0785714% * $225,493,007.20 [Contingency Fee Fund] = $177,173.08

b. *Separate State Fee Pools Calculation.* Determine each Litigating Subdivision's percentage share of all amounts due under contingency fee contracts statewide by dividing the Contingency Fee Assumption calculated for each Subdivision in paragraph 2.b by the sum of all Contingency Fee Assumptions in the same State. Then multiply that percentage by the portion of the Contingency Fee Fund that corresponds to that State's Overall Allocation Percentage, shown in Exhibit F of the Albertsons Settlement Agreement, to figure each Subdivision's dollar share of the Contingency Fee Fund (but only if the Subdivision timely named Albertsons in a lawsuit).

Illustrative example:

- 1% * $225,493,007.20 = $2,254,930.07 [amount of the Contingency Fee Fund corresponding to State A]
- Assume a total of $2,500,000 is owed under contingency fee contracts for State A.
- $220,000 [from para. 2.b] ÷ $2,500,000 = 8.8%
- 8.8% * $2,254,930.07 = $198,433.85

The award of fees to Attorneys with Qualifying Representations of Participating Litigating Subdivisions will be the average of the final amounts calculated in paragraphs 3.a and 3.b above, less any amounts the Fee Panel is authorized to, and does, withhold.[5]

Paragraph 3.a represents allocation based on a proportional share of a National Fee Pool,

[4] In this example, $280 million is the amount theoretically owed under all contingency fee contracts for litigation against Albertsons as calculated in paragraph 2.b. This amount is illustrative only; the actual amount will not be known until all litigating subdivisions are identified and the terms of their contingency fee contracts are collected.

[5] The model also enforces a maximum fee award of 20% of the amount calculated in paragraph 2.b. The description in this document of the Mathematical Model is by necessity an abstraction; the precise contours of the calculations are defined in the model itself.

while paragraph 3.b represents allocation based on a proportional share of the Separate State Fee Pools. In other words, for the National Fee Pool described above in paragraph 3.a, the contingency fee contract rate is compared to all other contingency fee contract rates in the nation. For the Separate State Fee Pools described above in paragraph 3.b, the contingency fee contract terms are compared to the other contingency fee contract terms in that same State. The National Fee Pool and the Separate State Fee Pools are given equal weighting.

Using the first methodology, Attorneys for two Subdivisions in different States with the same amount calculated under paragraph 2.b would be assigned the same amount under paragraph 3.a. Using the second methodology, Attorneys for the same two Subdivisions would be assigned different amounts under paragraph 3.b because they are in different States. Specifically, the Subdivision in the State with a smaller proportion of Participating Litigating Subdivisions would be allocated more than the Subdivision in the State with a greater proportion of Participating Litigating Subdivisions.

[3] As defined in the Remnant Defendant Settlement Agreement, the "Remnant Defendants" means Associated Pharmacies, Inc., American Associated Pharmacies, J M Smith Corporation, Louisiana Wholesale Drug Company, Inc., Morris & Dickson Co., North Carolina Mutual Wholesale Drug Company, Inc., United Natural Foods, Inc. (including without limitation its direct and indirect subsidiaries SuperValu, Inc., Advantage Logistics Southwest, Inc., Advantage Logistics USA West, L.L.C., Advantage Logistics USA East, L.L.C., and UNFI Distribution Company, LLC) collectively, and all their past and present subsidiaries (excluding, in the case of United Natural Foods, Inc., New Albertsons, Inc. (a former subsidiary of SuperValu, Inc.)), divisions, predecessors, successors, and assigns (in each case, whether direct or indirect).

[4] *See* RDSA § I.L.

RECITALS

1. Remnant Defendants have been sued in various Actions brought by Litigating Subdivisions and pending in this MDL and in various other state and federal courts.[5]

2. On February 23, 2026, the Plaintiffs' Settlement Counsel and Remnant Defendants reached a global settlement—the RDSA—to potentially resolve all opioid cases that have been filed, and that might have been filed, by eligible subdivisions against certain Remnant Defendants, conditioned on a sufficient level of subdivision participation.

3. On April 10, 2026, the Plaintiffs' Settlement Counsel and Remnant Defendants filed a consent motion to establish a qualified settlement fund in connection with the RDSA (ECF 6534), which the Court subsequently granted (ECF 6539).

4. As provided by the RDSA, and over the course of the ensuing months, eligible subdivisions elected to participate in the RDSA by executing and returning Subdivision Settlement Participation Forms. The eligible subdivisions that returned Subdivision Settlement Participation Forms are the Participating Subdivisions. *See* Ex. 2.

5. On September 26, 2026, each Remnant Defendant timely elected to proceed with the RDSA.

6. On October 15, 2026, the Settling Parties filed a Joint Motion for Entry of Final Consent Order, Judgment, and Dismissal with Prejudice (the "Motion").

[5] **Appendix A** represents a good faith list of lawsuits brought by or on behalf of any Litigating Subdivision against one or more Remnant Defendants coordinated under this MDL. **Appendix B** represents a good faith list of lawsuits brought by or on behalf of any Litigating Subdivision against one or more Remnant Defendants outside the MDL.

7. Each Settling Party represents and warrants that it engaged in arm's-length negotiations in good faith and with the assistance of a neutral mediator. In executing the RDSA and submitting this Judgment for entry, the Settling Parties intend to effect a good-faith settlement.

8. Participating Subdivisions have determined the RDSA is in the public interest.

9. Remnant Defendants each deny the allegations against them and deny that they have any liability to Participating Subdivisions. Remnant Defendants are agreeing to entry of this Judgment solely for the purposes of settlement, and nothing contained herein may be taken as or construed to be an admission or concession of any violation of law, rule, regulation, or ordinance, or of any other matter of fact or law, or of any fault, liability, or wrongdoing, all of which Remnant Defendants deny.

10. Therefore, without any admission of liability or wrongdoing on the part of Remnant Defendants or any other Released Entities (as defined in the RDSA), and without this Judgment constituting evidence against or admission by anyone with respect to any issue of fact or law, the Settling Parties now mutually consent to the entry of this Judgment and agree to dismissal and release of the claims with prejudice pursuant to the terms of the RDSA to avoid the delay, expense, inconvenience, and uncertainty of protracted litigation.

11. By executing its Combined Subdivision Participation and Release Form, each Participating Subdivision, and all entities that are Releasors by virtue of their relationship or association with such Participating Subdivision, duly authorized entry into the RDSA and has accepted, agreed to, and confirmed the terms of the RDSA.

12. Settling Parties have jointly moved for entry of this Judgment.

13. The Court has reviewed the RDSA, the Motion, and all supporting materials.

14. Each Settling Party was given notice and has been afforded the opportunity to be heard in connection with the Motion for entry of this Judgment.

NOW, THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

In consideration of the mutual promises, terms, and conditions set forth in the RDSA, the adequacy of which is hereby acknowledged by all Settling Parties, it is agreed by and between the Participating Subdivisions, Plaintiffs' Settlement Counsel, and the Remnant Defendants, and adjudicated by the Court, as follows:

1. The foregoing Recitals are incorporated herein and constitute express terms of this Judgment.

2. The Settling Parties agree that the Court has subject-matter jurisdiction over the Actions and over the Settling Parties for purposes of the Actions and this Judgment.

3. Participating Subdivisions consent to personal jurisdiction over them for purposes of the RDSA including entry of this Judgment. *See also* RDSA §§ IV.C.1(4), IV.E, IX.A, X.P; Ex. G, Combined Subdivision Participation and Release Form, § 7.

4. Remnant Defendants consent to personal jurisdiction over them for purposes of the RDSA including entry of this Judgment. *See also* RDSA §§ IX.A, X.P.

5. The Court finds that the RDSA was entered into in good faith.

6. The Court finds that the RDSA and entry of this Judgment reflect a negotiated settlement agreed to by the Settling Parties, and are fair, reasonable, adequate, and in the public interest.

7. Upon consideration of the Motion, and any opposition thereto, the Motion is hereby GRANTED.

8. By this Judgment, the RDSA is hereby approved in its entirety, and the Court hereby adopts the RDSA's terms as its own determination of this matter and the Settling Parties' respective rights and obligations subject to the additional terms in this Judgment.

9. The Court and the Settling Parties acknowledge that the release provisions of the RDSA, which are incorporated by reference into this Judgment as if fully set forth herein, are an integral part of this Judgment. Pursuant to the RDSA, without limitation, and to the maximum extent of the power of each Participating Subdivision, the Remnant Defendants and the other Released Entities are, as of the Effective Date (as defined in the RDSA), hereby released and discharged from any and all Released Claims.

10. With respect to the Released Claims, Participating Subdivisions have expressly waived, released, and forever discharged any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

11. A Participating Subdivision may hereafter discover facts other than or different from those which each knows, believes, or assumes to be true with respect to the Released Claims, but the Participating Subdivision expressly waived and fully, finally, and forever settled, released and discharged, through the RDSA, any and all Released Claims that may exist as of the Effective Date but which a Participating Subdivision does not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would have materially affected the Participating Subdivision's decision to enter into the RDSA.

12. The Settlement is a good-faith settlement that bars any claim by any Non-Party against any Released Entities for contribution, indemnification, or otherwise seeking to recover all or a portion of any amounts paid by or awarded against that Non-Party to any Participating Subdivision or Releasor by way of settlement, judgment, or otherwise on any claim that would be a Released Claim, to the extent that a good-faith settlement (or release thereunder) has such an effect under applicable law, including, without limitation, Ohio Rev. Code § 2307.28 and similar laws in other states or jurisdictions.

13. Each Releasor's Released Claims against one or more of the Remnant Defendants or Released Entities pending in the MDL are hereby DISMISSED WITH PREJUDICE.

14. As a result, the pending MDL Actions, including those listed on Appendix A, are hereby DISMISSED WITH PREJUDICE as to the Remnant Defendants only,[6] subject to a retention of jurisdiction by the Court to resolve disputes arising under or related to the RDSA or this Judgment.

15. Each Releasor is ORDERED to DISMISS WITH PREJUDICE any and all non-MDL Actions asserting Released Claims against one or more of the Remnant Defendants or Released Entities including those listed on Appendix B within fourteen (14) days of receiving the notice provided for in Paragraph 22 of this Judgment, to the extent such non-MDL Actions have not already been dismissed.

16. The Compensatory Restitution Amount shall be used by Participating Subdivisions solely for Opioid Remediation as set forth in Section VII of the RDSA. The Revised Plan of

[6] This shall not include the Actions brought by Delhi, Louisiana (1:18-op-45973), and Fort Cobb, Oklahoma (1:20-op-45023), both of which are not participating in the RDSA and previously dismissed their actions.

Allocation submitted by Plaintiffs' Settlement Counsel and attached as Exhibit B to the Motion is approved.

17. The Settling Parties will bear their own costs and attorneys' fees except as otherwise provided in the RDSA. The Agreement on Attorneys' Fees, Costs, and Expenses attached as Exhibit H to the RDSA is approved. The MDL Court's Orders regarding contingent fees, common benefit fees, costs, and expenses shall apply to the Settlement Fund.

18. This Judgment is binding upon the Settling Parties, their successors and assigns, and all persons or entities acting on their behalf or in concert with them.

19. This Judgment shall be governed by, construed under, and enforced in accordance with the laws of the State of Ohio, without regard to its choice of law provisions, and, where applicable, federal law.

20. The Court shall retain and have exclusive and continuing jurisdiction over the Settlement, the RDSA, this Judgment, the Settlement Fund, the Opioid Remediation Fund, the Settlement Fund Administrator, the Notice and Claims Administrator and all matters arising under or related to each, including enforcement, interpretation, administration, and implementation.

21. Neither the RDSA nor any act performed or document executed pursuant to or in furtherance of the RDSA: (i) is or may be deemed to be or may be used as an admission of, or evidence of, the validity of any Released Claim or of any wrongdoing or liability of the Remnant Defendants or Released Entities; or (ii) is or may be deemed to be or may be used as an admission of, or evidence of, any fault or omission of the Remnant Defendants or Released Entities in any civil, criminal, or administrative proceeding in any court or other forum. Notwithstanding the foregoing, the Remnant Defendants and/or the Released Entities may file the RDSA and/or this Judgment in any other action that may be brought against them to support a defense or

counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar, or any theory of claim preclusion or issue preclusion or similar defense.

22. The Notice and Claims Administrator shall provide notice to all Participating Subdivisions of the entry of this Judgment within fourteen (14) days of its entry, including: (a) a copy of this Judgment; (b) the Effective Date; (c) the obligation to dismiss Released Claims with prejudice; and (d) the process for distribution of the Opioid Remediation Funds.

23. In the event that, for any reason, the Effective Date does not occur in accordance with the terms of the RDSA then: (i) this Judgment shall be rendered null and void to the extent provided by and in accordance with the RDSA and shall be vacated; (ii) all Orders entered and releases delivered in connection herewith shall be null and void to the extent provided by and in accordance with the RDSA; and (iii) the Settlement Funds shall be returned to Remnant Defendants in accordance with the RDSA.

24. The Court finds, pursuant to Rule 54(b) of the Federal Rules of Civil Procedure, there is no just reason for delay and expressly directs that this Judgment be entered as a final judgment as to the Released Entities and all Released Claims.

SO ORDERED, ADJUDGED AND DECREED this 19th day of October, 2026.

AGENDA ITEM REVIEW FORM

Special City Council Meeting **7. A.**

Meeting Date: 11/10/2026

Department Head: Tomas Sanchez, City Engineer, Engineering

Submitted By: Oscar Barnett, Project Manager, Engineering

Action Requested: Motion

ITEM:

Discussion and possible action on any and all matters regarding the award of a contract to DPE Construction for the Sewer Manhole Drop Connection Repair - Merrill Avenue and Ramona Street project. **(Tomas Sanchez, City Engineer)**

SUMMARY:

The Department of Engineering, on behalf of Public Works, is seeking Council approval to accept and award a construction contract to DPE Construction, Inc. for the Sewer Manhole Drop Connection Repair - Merrill Avenue and Ramona Street project. The project consists of removing and replacing approximately 35 linear feet of damaged 8-inch sewer main; removing and replacing the existing damaged sewer manhole lateral drop connection and associated fittings; coring/cutting the existing manhole as required; repairing the manhole base and lining; adjusting the existing manhole frame and cover to finished grade; and restoring the affected pavement and cross gutter.

This project was not included in the City's budget. The damaged sewer main and manhole drop connection were identified during the final inspections of the recently completed Merrill Avenue – Phase 2 Roadway Project. Therefore, a budget transfer is also requested as part of this approval.

The City advertised the project and received three construction bids from DPE Construction, Inc., Gutierrez Canales Engineering, PC, and Accurate Excavation, LLC. DPE Construction, Inc. was the lowest responsible bidder, submitting a bid in the amount of $64,050.00.

Staff evaluated the bids and recommends awarding the construction contract to DPE Construction, Inc. under procurement code 3.05.030 Bidding. Staff is also requesting approval to transfer funds as shown in the Fiscal Impact section.

RECOMMENDATION / SUGGESTED MOTION:

I MOVE TO APPROVE THE CONTRACT WITH DPE CONSTRUCTION, INC. FOR THE SEWER MANHOLE DROP CONNECTION REPAIR - MERRILL AVENUE AND RAMONA STREET PROJECT, IN THE AMOUNT OF $64,050.00, AND TO APPROVE THE BUDGET TRANSFER, AS PRESENTED IN THE FISCAL IMPACT STATEMENT.

SECTION 4 - CONTRACTOR'S RESPONSIBILITIES FOR CONSTRUCTION SERVICES

4.1 General

4.1.1 The Contractor shall construct the Work in accordance with the Contract Documents and as outlined in the Contract Documents to the satisfaction of the City, exercising the degree of professional care, skill, diligence, quality, and judgment that a professional Contractor engaged, experienced, and specializing in the construction of facilities of similar scope, function, size, quality, complexity, and detail in urban areas throughout the United States comparable to the City would exercise at such time, under similar conditions. The Contractor shall, at all times, perform the Work in conformance with sound and generally accepted engineering principles and construction management and construction contracting practices.

4.1.2 The Contractor shall comply with, and require all Subcontractors to comply with, the Arizona Contractors' license laws, including all requirements with respect to being duly registered and licensed.

4.1.3 Pursuant to A.R.S. § 41-4401, the Contractor warrants to the City that the Contractor and all its Subcontractors are in compliance and will comply with all Federal Immigration laws and regulations that relate to their employees and with the E-Verify Program under A.R.S. § 23-214(A). The Contractor acknowledges that a breach of this warranty by the Contractor or any of its Subcontractors is a material breach of this Contract subject to penalties up to and including termination of the Contract or any subcontract. The City retains the legal right to inspect the papers of any employee related to this statute and of the Contractor or any Subcontractor who works on this Contract to ensure compliance with this warranty. The City may conduct random verification of the Contractor's employment records and any of its Subcontractors' employment records to ensure compliance with this warranty. The City will not consider the Contractor or any of its Subcontractors in material breach of the foregoing warranty if the Contractor and its Subcontractors establish that they have complied with the employment verification provisions prescribed by 8 USCA §1324(a) and (b) of the Federal Immigration and Nationality Act and the e-verify requirements prescribed by Arizona Revised Statutes § 23-214(A). The provisions of this Section must be included in any agreement the Contractor enters into with its Subcontractors who provide services under this Contract or any subcontract. "Services" are defined as furnishing labor, time, or effort in the State of Arizona by a contractor or Subcontractor. Services include construction or maintenance of any structure, building, or transportation facility or improvement to real property.

Breach of this warranty shall constitute a material breach of the contract and shall subject the Contractor to penalties, including termination of the Contract at the sole discretion of the City.

4.1.4 The Contractor further understands and acknowledges the applicability of the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986, and the Drug-Free Workplace Act of 1989 to the Contract. The Contractor understands and acknowledges that it must also comply with A.R.S. § 34-301, "Employment of Aliens on Public Works Prohibited," and A.R.S. § 34-302, as amended, "Residence Requirements for Employees," and A.R.S. § § 12-2701 through 12-704 "Immigration and Nationality Law Practice Act" as amended.

4.2.1 Before beginning any Work under the Contract, the Contractor shall execute the Contract and deliver to the City the items listed in Section 4-2.2 below within seven (7) days after the award of the Contract, and the City must execute the Contract. Failure to do so will be a material breach of the Contract, entitling the City to terminate the Contract for Cause.

4.2.2 When the Contractor delivers the executed Contract to the City, the Contractor shall also deliver to the City such bonds and certificates of insurance with endorsements in such amounts (and other evidence of insurance requested by the City) required under Section 11 - of these General Conditions, and as the Contract requires.

4.2.3 The Contractor shall obtain all necessary permits for the Work and pay all applicable fees unless otherwise noted on the plans and in the specifications. The Contractor is specifically notified of the need to obtain traffic control permits from the Arizona Department of Transportation (ADOT) and the necessary environmental permits or file the necessary environmental and regulatory permit notices. Copies of all permits and the associated notices must be provided to the City prior to starting the permitted activity.

4.3 Pre-Construction Conference

4.3.1 Prior to the commencement of any Work, the City may schedule a Pre-Construction Conference.

4.3.2 Prior to the Pre-construction Conference, the Contractor shall provide the Project Manager with a Schedule of Values reflecting the subcontracts and other categories that will be used to submit pay applications for the Work. The total amount of the Schedule of Values shall not be greater than the Contract Price. The Schedule of Values shall be reviewed at the Pre-Construction Conference and revised in response to comments and questions from the City. Once accepted by the City in writing, the Schedule of Values for the Project will not be changed without the City's prior written approval.

4.4 Performance of the Work (Including Field Measurements, Subcontractors, and Suppliers)

4.4.1 Unless otherwise provided in the Contract Documents to be the responsibility of the City or a separate Contractor, the Contractor shall provide through itself or its Subcontractors the necessary supervision, labor, inspection, testing, start-up, material, equipment, machinery, temporary utilities, and

other temporary facilities to permit Contractor to complete the Work consistent with the Contract Documents.

4.4.2 The Contractor's Superintendent shall be present at the Project site at all times that material Work under this Contract is taking place. The Contractor's Superintendent or designee shall be present at the Project site at all times any other Work under this Contract is taking place. All elements of the Work shall be under the direct supervision of a foreman or his designated representative on the Project site, who shall have the authority to take actions required to carry out that particular element of the Work properly.

4.4.3 Before ordering materials or doing work, the Contractor and each Subcontractor shall verify measurements at the Project site and shall be responsible for the correctness of such measurements. No extra charge or compensation will be allowed because of differences between the actual dimensions and the dimensions indicated on the Contract Documents, including the drawings.

4.4.4 If the Contractor observes errors, discrepancies, or omissions in the Contract Documents, it shall promptly notify the Contractor and City and request clarification. The Contractor shall be liable to the City for damages resulting from errors, inconsistencies, or omissions in the Contract Documents or for differences between field measurements or conditions in the Contract Documents. If the Contractor, with the exercise of reasonable care, should have recognized such error, inconsistency, omission, or difference and fails to report it to the City, and if the Contractor proceeds with the Work affected by such observed errors, discrepancies, or omissions, without receiving such clarifications, it does so at its own risk.

4.4.5 In all cases of interconnection of its Work with existing or other work, the Contractor shall verify at the Project site all dimensions relating to such existing or other work. Any errors due to the Contractor's failure to so verify all such grades, elevations, locations, or dimensions shall be promptly rectified by the Contractor without any increase in the Contract Price. Any design errors or omissions noted by the Contractor during this review shall be reported promptly to the City.

4.4.6 The Contractor shall be responsible for the proper performance of the Work of Subcontractors and any acts and omissions in connection with such performance. Nothing in the Contract Documents is intended or deemed to create any legal or contractual relationship between the City and any Subcontractor or Sub-Subcontractor, including but not limited to any third-party beneficiary rights.

4.4.7 The Contractor will not substitute or change any Subcontractor or Supplier without the City's prior written approval. Any substitute or replacement Subcontractor or Supplier shall be required to meet the same qualifications and selection criteria and process as the original Subcontractor or supplier. If a Subcontract or Supplier selection plan has been approved by the City, the Contractor will follow that plan unless otherwise approved by the City in writing.

4.4.8 The Contractor shall not change or replace the Contractor's Project Manager or Superintendent on this Project without an explanation for the change being given to the City and receiving prior written approval of the change from the City, which approval will not be unreasonably withheld.

4.4.9 Subcontractors whose scope of work has a value greater than fifteen percent (15%) of the total Contract Price may be required to furnish performance and payment bonds to the Contractor if directed in writing by the City.

4.5 Control of the Project Site

Throughout all phases of construction, including suspension of Work, the Contractor shall keep the Project site reasonably free from debris, trash, and construction wastes to permit the Contractor to perform its construction services efficiently, safely, and without interfering with the use of adjacent land areas. Prior to the Final Acceptance of the Work, or a portion of the Work, the Contractor shall remove all debris, trash, construction wastes, materials, equipment, machinery, and tools arising from the Work or applicable portions thereof to permit the City to occupy the Project or a portion of the Project for its intended use.

4.5.1 The Contractor shall take whatever steps, procedures, or means necessary to prevent dust nuisance due to construction operations. The dust control measures shall be maintained at all times to the satisfaction of the City and in accordance with the requirements of the Yuma County dust control regulations.

4.5.2 The Contractor shall be responsible to the City for the acts and omissions of the Contractor's employees, Subcontractors and their agents and employees, and any other person performing any of the Work under a contract with Contractor, or claiming by, through, or under Contractor, for all damages, losses, costs, and expenses resulting from such acts or omissions.

4.6 Project Safety

4.6.1 The Contractor is responsible for the safety of the job site for the Contractor's employees as well as for members of the general public and others who may drive or walk through or be at the Project site.

4.6.2 The Contractor assumes responsibility for implementing and monitoring all safety precautions and programs related to the performance of the Work.

4.6.3 The Contractor shall provide a "competent person" as required by O.S.H.A. regulations. The "competent person" shall be identified at the Pre-Construction Conference, and the City will be advised in writing of any changes.

4.6.4 The Contractor and Subcontractors shall comply with all legal and regulatory requirements relating to safety, as well as any City-specific safety requirements set forth in the Contract Documents, provided that such City-specific requirements do not violate any applicable legal and regulatory requirements.

4.6.5 As between the City and the Contractor, the Contractor is responsible to the City for any and all the safety issues relating to the Work on the Project. The Contractor shall administer and manage the safety program. The safety program will include, but not necessarily be limited to, reviews of the safety programs of each Subcontractor. The Contractor shall monitor the establishment and execution of compliance with all applicable regulatory and advisory agency construction safety standards.

4.6.6 The Contractor shall maintain and have sole responsibility for safety on the job site.

4.7 Materials Quality, Substitutions, and Shop Drawings

4.7.1 All construction materials to be used or incorporated in the Project are subject to inspection, quality control and quality assurance testing, and approval or rejection by the City. Any material rejected by the City shall be removed immediately and replaced in an acceptable manner to the City at no additional cost to the City. When quality control and quality assurance tests indicate noncompliance with the Contract Documents, retesting shall be performed by the same testing laboratory that performed the tests that indicated noncompliance.

4.7.2 A schedule of shop drawing submissions shall be submitted with the Project Schedule for City approval that avoids bulk submissions to the extent reasonably possible. Unless otherwise noted, shop drawings will not be required for items specified or detailed in the Uniform Standard Specifications and Details or the Technical Specifications. The schedule of shop drawing submissions shall include all of the items for which shop drawings are required by the Contract Documents, including the specifications.

4.7.3 Long Lead Time Items. The Contractor shall submit shop drawings, as required by the Project Engineer, on all long lead items to be furnished and installed as part of the Project within ten (10) days after execution of the Contract. In addition, the Contractor shall order all long lead items to be furnished and installed as part of this Project within (3) days after receiving approved shop drawings. For all long lead times for which shop drawings are not required, the Contractor shall order said long lead items within fifteen (15) days after execution of the Contract. Within two (2) days after ordering long lead items, the Contractor shall supply copies of all purchase orders, along with an accurate delivery schedule from the supplier.

4.8 Project Record Documents

The Contractor shall ensure that any and all changes or modifications done as a result of field changes are accurately reflected in red-lined markings. At the completion of construction, all red lines and markings shall be compiled to aid in the creation of “as-built” plans.

4.9 Warranty and Correction of Defect Work

4.9.1 The Contractor warrants to the City that the construction of the Work shall be of good and workmanlike quality and completed in strict conformance with all applicable laws, rules, and regulations and the plans and specifications and all other terms and conditions of the Contract Documents, including all materials and equipment furnished as part of the construction, shall be new unless otherwise specified in the Contract Documents, of good quality, in conformance with the Contract Documents and free of defects in materials and workmanship.

4.9.2 The date of Final Completion shall be the beginning of the Warranty period, regardless of early completion by some Subcontractors of their work.

4.9.3 Unless otherwise specified in the Contract Documents, the Contractor and Subcontractors shall provide to the City all of the following written warranties that apply to the Work in a form acceptable to the City.

(i) General Warranty — Two (2) years
(ii) Mechanical Contractor — Two (2) years
(iii) Plumbing Contractor — Two (2) years
(iv) Electrical Contractor — Two (2) years
(v) Caulking — One (1) year
(vi) Steel Joists, Certificate of Manufacturer
(vii) Exterior Metal Wall System — Five (5) years
(viii) Painting — One (1) year
(ix) Termite — Five (5) years
(x) Sheet Metal: Zinc coating thickness on hot-dipped galvanized Metals — One (1) year

4.9.4 Nothing in the warranties contained in the Contract Documents are intended to limit any manufacturer's warranty, which provides the City with greater warranty rights than set forth in this Section or the Contract Documents. The Contractor will provide the City with all manufacturers' warranties prior to Final Acceptance.

4.9.5 A progress payment, or partial or entire use or occupancy of the Project by the City, shall not constitute Acceptance of Work not in accordance with the Contract Documents.

4.9.6 Without limiting the foregoing or anything in these General Conditions or the Contract to the contrary, the Contractor shall obtain and provide to the City all warranties for any portion of the Project offered by the manufacturer, installer, or provider thereof. The City and the user of the facility shall have the right to the full value and benefit of all such warranties. The Contractor will ensure all such warranties are fully transferrable to facilitate the full value of this Section.

SECTION 5 - CITY'S RESPONSIBILITIES

5.1 City Project Manager The Project Manager is responsible for providing City-supplied information and approvals in a timely manner to assist the Contractor to fulfill its obligations under the Contract Documents.

5.2 Contract Services The City may contract separately with one or more contractors to provide construction administration of the Project. The Contractor's Contract, as well as other firms hired by the City, shall be furnished to the Contractor. The contractor shall not have the right to limit, restrict, or reject any Contract modifications that are mutually acceptable to the City and the Contractor.

SECTION 6 - CONTRACT TIME

6.1 Contract Time

6.1.1 The Contract Time shall start with the Notice to Proceed ("NTP") and end with Final Acceptance, as set forth in Section 6.3 below.

6.1.2 The Contract Time shall be as set forth in the Project Schedule. The Contractor agrees that it will commence the performance of the Work and complete the Project within the Contract Time.

6.1.3 Time is of the essence of this Contract, for the Project, for the Work, and for each phase and/or designated milestone of the Project.

6.2 Project Schedule

6.2.1 The Project Schedule shall be updated and maintained throughout the Contract Time.

6.2.2 The Project Schedule shall be revised as required by conditions and progress of the Work. However, such revisions shall not relieve the Contractor of its obligations to complete the Work within the Contract Time, as adjusted in accordance with the Contract Documents. No modification to the Contract Documents or the Contract Time shall be effective unless approved in advance by the City.

6.2.3 An updated Project Schedule shall be submitted monthly to the City as part of the Payment Request.

6.2.4 The Contractor shall provide the City with a monthly status report with each Project Schedule detailing the progress of the Work, including:

6.2.5 Acceptance of a submitted schedule by the City should in no way be construed as an affirmation or admission that the schedule is reasonable or workable by the Contractor. The responsibility for completing the Work on the Project within the Contract Time remains the obligation of the Contractor. The City's review shall not relieve the Contractor from compliance with the requirements of the Contract Documents or be construed as relieving the Contractor of its complete and exclusive control over the means, methods, sequences, and techniques for executing the Work.

6.2.6 Critical Path Method (CPM)

6.2.6.1 Unless otherwise specified in the Contract, the Project Schedule shall include a Critical Path Method (CPM) diagram schedule showing the sequence of activities, the interdependence of each activity, and identifying the Critical Path.

6.2.6.2 The CPM diagram schedule shall be in calendar Days and indicate duration, earliest and latest start and finish dates for all activities, and total Float Times for all activities except critical activities. The CPM diagram shall be presented in a time-scaled graphical format for the Project as a whole.

6.2.7 Float Time

6.2.7.1 The total Float time within the overall schedule is for the exclusive use of the City. However, the City may approve the Contractor's use of Float time as needed to meet contract milestones and the Project completion date.

6.2.7.2 The Contractor shall not be allowed to sequence, hide, or reallocate Float time through

such strategies as extending activity duration estimates to consume available Float, using preferential logic, or using extensive crew or resource sequencing. No time extensions will be granted nor delay damages paid until a delay occurs which extends the Work beyond the Contract Time.

6.2.7.3 Rain-Related Delays. In preparing the Project Schedule, The Contractor is required to take into account all relevant weather conditions, including normal rainfall and distribution. No additional Compensation shall be given for any rain-related delays or impacts on the Work or the Project Schedule. The burden of documenting normal rainfall, excessive rainfall, and the impact on Critical Path activities is on the Contractor.

6.3 Final Completion and Final Acceptance

6.3.1 Unless otherwise expressly agreed to in writing by the City, Final Completion must be obtained by no later than Thirty (30) calendar days after the date of Notice to Proceed. Failure to timely obtain Final Completion will be a material breach of the Contract.

6.3.2 Upon receipt of written notice that the Work is ready for final inspection and Acceptance, the City and the Contractor will jointly inspect to verify that the remaining items of Work have been completed. There shall be no partial acceptance. Final Acceptance shall not be issued, and Final Completion shall not occur until all items of Work, including punch list items, have been completed to the City's satisfaction as reflected in the written Final Acceptance.

6.3.3 Final Payment under Section 8.2 below shall not be due, owing, or paid by the City until the Final Completion is obtained.

6.4 Liquidated Damages

6.4.1 The Contractor acknowledges and agrees that if the Contractor fails to obtain Final Completion of the Work within the Contract Time, the City will sustain extensive damages and serious loss as a result of such failure. The exact amount of such damages will be extremely difficult to ascertain. Therefore, the City and the Contractor agree that if Contractor fails to achieve Final Completion of the Work within the Contract Time, the City shall be entitled to retain or recover from the Contractor, as liquidated damages and not as a penalty, the applicable dollar sum amount in Subsection 108.9 of the 2016 City of San Luis Supplement to the 2015 MAG Uniform Standard Specification for Public Works Construction per calendar day, commencing from the Completion Date required under the Contract until the actual date of the Final Completion of the Work.

6.4.2 The City may deduct liquidated damages described in this Section 6.4 from any unpaid amounts then or thereafter due Contractor under this Contract. Any liquidated damages not so deducted from any unpaid amounts due to the Contractor shall be payable to the City at the demand of the City, together with interest from the date of the demand at the highest lawful rate of interest payable by the Contractor.

6.4.3 Nothing herein shall be deemed to constitute a waiver of any other remedy available to the City in the event of Contractor's default under this Contract prior to the full performance of the Work, including, as applicable, specific performance or completion of the Work on behalf of Contractor, the cost and expense of which shall be offset against any monies then or thereafter due to Contractor (if any) and otherwise immediately reimbursed to City by Contractor.

SECTION 7 - CONTRACT PRICE

7.1 Fixed Price Contracts The Contract Price shall be the amount set forth in the Contract.

7.2 City Sales Tax The Contractor is required to pay Sales Taxes on any contracting activity done for the City, and this cost shall be included in all Contract Prices.

SECTION 8 - PAYMENT

8.1 Payment for Construction Services

8.1.1 Monthly progress payments for certified work and material delivered to the Project site for the preceding month shall be paid on or before fourteen (14) business days after the estimate of the Work is certified and approved. The submittal estimate shall be deemed certified and approved for payment after seven (7) days from the date of submission unless the City's Project Manager issues a written finding setting forth items not approved for payment.

8.1.2 The City shall retain ten percent (10%) of all progress payments as insurance of proper performance of the Contract or, at the option of the Contractor, a substitute security may be provided by the Contractor in an authorized form approved by the City. The Contractor is entitled to all interest from any such substitute security.

8.1.3 When the Contract is fifty percent (50%) completed, one-half of the amount retained or securities substituted shall be paid to the Contractor upon the Contractor's request, provided the Contractor is making satisfactory progress on the Contract. There is no specific cause or claim requiring a greater amount to be retained. After the Contract is fifty percent (50%) completed, no more than five percent (5%) of the amount of any subsequent progress payments made under the Contract shall be retained, providing the Contractor is making satisfactory progress on the Project. If at any time the City determines satisfactory progress is not being made, ten percent (10%) retention shall be reinstated for all progress payments made under the Contract subsequent to the determination.

8.1.4 . Unless the City Project Manager delivers specific written findings of deficiencies and expected cost to cure, any retention shall be paid, or substitute security shall be returned to the Contractor within sixty (60) Days after Final Completion and Acceptance of Work under the Contract. The City may withhold an amount from the progress payment sufficient to pay the expenses the City's Project Manager reasonably expects to incur in correcting the deficiency set forth in the written finding.

8.1.5 The Contractor, and all Subcontractors, shall pay to Subcontractors or material Suppliers within seven (7) days of receipt of each progress payment unless otherwise agreed in writing by the parties, the respective amounts allowed the Contractor or Subcontractor on account of the Work performed or

materials delivered to the extent of each such Subcontractor's or material Supplier's interest therein. No agreement for construction may materially alter the rights of any Contractor, Subcontractor, or material Supplier to receive prompt and timely payment as provided under this Section. These monthly progress payments to Subcontractors or material Suppliers shall be passed on payments received pursuant to this Section. Any diversion by the Contractor or Subcontractor of payments received for Work performed or failure to reasonably account for the application or use of such payments constitutes grounds for disciplinary action by the Registrar of Contractors. The Subcontractor or material Supplier shall notify the Registrar of Contractors and the City in writing of any payment less than the amount or percentage approved for the class or item of work as set forth in this Section. The Subcontractor may notify the City's Project Manager in writing, requesting that the City notify the Subcontractor in writing within five (5) days from payment of each progress payment made to the Contractor. The Subcontractor's request remains in effect for the duration of the Subcontractor's work on the Project.

8.1.6 Nothing in this Section 8.1 prevents the Contractor at the time of application/certification to the City from withholding application or certification to the City for payment to the Subcontractor or material Supplier for unsatisfactory job progress, defective work, or materials not remedied, disputed work or materials, third party claims filed or reasonable evidence that claim will be filed, failure of a Subcontractor to make timely payment for labor, equipment and materials.

8.2 Final Payment Subject to all of the City's rights to withhold or offset payment and other rights under the Contract, Final Payment, including remaining retainage, shall be paid only after:

(i) The Work has been fully completed (including completion of all incorrect or incomplete work items), and the City has issued the written Final Acceptance;
(ii) necessary operating manuals, any excess materials and supplies necessary for matching materials and supplies incorporated into the Work, and complete "as-built" drawings (including the Building Information Model, if required by the Contract Documents), plans, and specifications have been delivered to City;
(iii) full and unconditional lien waivers and releases by Contractor and any person performing labor or supplying material, machinery, fixtures, or tools for the Work have been delivered to the City;
(iv) all conditions and requirements imposed by the City or any financing entity for the corresponding disbursement have been met; and
(v) the Contractor delivers to the City a Contractor Payment Request Form requesting Final Payment.

8.3 The City's Right to Withhold Payment The City may withhold payment to such extent as may be necessary in the City's opinion to protect the City from loss for which the Contractor is responsible, including, without limitation:

(i) Defective Work not remedied;
(ii) Third-party claims filed or reasonable evidence indicating probable filing of such claims unless Contractor provides security acceptable to the City;

(iii) Failure of Contractor to make payments properly to Subcontractors or for labor, materials, or equipment;
(iv) Reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Price;
(v) Damage to the City or another Contractor or any third party for which the Contractor may have an obligation under Article 12 of the General Conditions;
(vi) Reasonable evidence that the Work will not be completed within the Contract Time and that the unpaid balance would not be adequate to cover actual or liquidated damages for the anticipated delay; or
(vii) Persistent failure to carry out the Work in accordance with the Contract Documents.

8.4 Joint/Direct Checks Payments to the Contractor may be made by checks payable jointly to the Contractor and its employees, agents, Subcontractors, and Suppliers, or any of them. When in the sole opinion of the City, it is advisable, payments may be made directly to the Contractor's Subcontractors. Any amount so paid shall be deducted from the amounts owed to the Contractor under this Contract.

8.5 Payment Not A Waiver No payment (nor use or occupancy of the Project by the City) shall be deemed Acceptance or approval of the Work or as a waiver of any claims, rights, or remedies of the City.

8.6 Liens and Bond Claims The Contractor shall make all payments, in the time required, of all labor and materials furnished to the Contractor in the course of the Work and shall promptly furnish evidence of such payments as the City may require. The Contractor shall pay when due all claims arising out of the performance of the Work covered by this Contract for which a lien may be filed either against the real estate or leasehold interest of City, or against payments due from City to Contractor, or for which a claim may be made against any payment or performance bond or both. To the fullest extent permitted by law, Contractor agrees that no liens or other claims in the nature of a lien against the real estate, leasehold, or other interest of City, against payment due from City to Contractor, or against any payment or performance bond, shall be filed or made in connection with the Work by any party who has supplied professional services, labor, materials, machinery, fixtures, tools, or equipment used in or in connection with the performance of this Contract. The Contractor agrees to remove or to cause to be removed any such liens or claims in the nature of a lien or bond claim within ten (10) days upon receiving notice or obtaining actual knowledge of the existence of such liens or claims. 12.4 The defense, indemnification, hold harmless provisions, and City's Liability Insurance set forth herein shall survive any termination of the Contract.

SECTION 13 - DISPUTE RESOLUTION

13.1 **Informal Dispute Resolution** The Parties to the Contract agree that time is of the essence in relation to the performance of the Contract and completion of the Project. Therefore, any and all disputes in relation to the Contract will initially be referred to the City Project Manager and Contractor Project Manager, as applicable to the dispute, for immediate resolution. If, after good faith efforts to reach a resolution, none is reached, any party to the dispute may submit the dispute to the Dispute Resolution Representative ("DRR") process set forth below, which is intended to be an expedited process.

13.2 **Dispute Resolution Representative (DRR) Process** 1.2.1 The Parties under the Contract agree that all claims and disputes in relation to the Project that are not resolved in the ordinary course of the Project ("Claim or Claims") shall, as a prerequisite to any mediation or litigation of the Claim, first be submitted for resolution between the designated Dispute Resolution Representatives of the Parties as set forth herein (the "DRR Process").

13.2.2 The DRR Process shall be initiated through the service of a DRR Notice as set forth below:

(i) For claims by the Contractor, the DRR Process shall be initiated by the party asserting the claim serving written notice on the City setting forth in detail:

(a) the basis for the claim;
(b) the effect of the Claim upon the construction of, and/or Project Schedule for, the Project;
(c) the specific relief requested, the amount thereof, and how such was calculated;
(d) the parties involved in the Claim and how they are involved;
(e) the specific contract provisions in the Contract Documents (including, if applicable, drawings and specifications) which apply; and
(f) efforts made to date to resolve the Claim.

(ii) For claims by the City, the DRR process will be initiated by the City providing written notice to the other parties of the basis and amount of its claim, the parties involved in the Claim, and how they are involved, the provisions in the Contract Documents that apply, and the relief requested. (iii) The DRR Notice shall be hand-delivered and e-mailed to the other parties' designated Dispute Resolution Representatives.

13.2.3 The other parties shall respond in writing to the DRR Notice ("DRR Response") within ten (10) calendar days of receipt of the DRR Notice, setting forth those items set forth in the DRR Notice that they agree with, dispute, and/or have questions concerning. The DRR Response shall be hand-delivered and e-mailed to the other parties' Dispute Resolution Representatives.

13.2.4 The designated Dispute Resolution Representatives for the parties to the claim shall then meet as soon as possible and, in any event, within twenty (20) calendar Days of submission of the DRR Notice (regardless of whether a DRR Response has been submitted by all parties involved in the dispute), at a mutually agreed upon time and place, to attempt to resolve the Claim based upon the DRR Notice and DRR Response.

13.2.5 At any time after the first meeting required above, either party may terminate the DRR Process by written notice to the other party.

13.2.6 The parties may agree, in writing, to extend or modify the time limits or other provisions of the DRR process in relation to a specific pending Claim.

13.2.7 Unless otherwise designated in a written notice to the other parties, the Project Manager, the representatives of the Contractor, and of the Design Professional shall act as the parties' designated Dispute Resolution Representatives.

13.2.8 If a resolution of the Claim is reached, that resolution shall be set forth in writing. The resolution shall be signed by the Parties' designated Dispute Resolution Representatives. If the resolution involves a change in any Contract Documents, the Contract Price, the Project Schedule, or any other change requiring a written Change Order or Amendment, the parties shall execute an appropriate written Change Order or Amendment pursuant to the terms of the Contract Documents.

13.3 Mediation

13.3.1 Unless extended by written agreement of the parties involved in the dispute, any Claim not resolved through the DRR process set forth above within five (5) calendar days after the meeting required under 13.2.4 or after the DRR is terminated pursuant to 13.2.5 above, whichever is earlier, shall be submitted to mediation as a condition precedent to litigation by either party.

13.3.2 The mediation shall be commenced by written demand upon the other party for mediation. If the parties cannot agree upon a mediator within ten (10) calendar Days of the written demand, either party may make a request to the Civil Presiding Judge of the Yuma County Superior Court to appoint a mediator. The mediation shall occur within forty (40) calendar Days of the written demand for mediation unless the parties agree, in writing, to a longer period of time.

13.3.3 The qualifications for the mediator shall be that the mediator be:

13.3.5 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in San Luis, Arizona unless another location is mutually agreed upon. Agreements reached in mediation shall be specifically enforceable in any court having jurisdiction over the dispute.

13.4 Arbitration

13.4.1 If the mediation is unsuccessful, the parties shall submit the dispute and/or claim to be resolved through binding arbitration conducted according to the then-current Construction Industry Arbitration Rules of the American Arbitration Association ("AAA") but not administrated or conducted by the AAA. The arbitration shall be held in Yuma County, Arizona, utilizing a single arbitrator selected by the parties unless the parties agree, in writing, to an alternative arbitration procedure.

13.4.2 If: (a) the parties cannot agree on a single arbitrator within two (2) weeks of the demand for arbitration; or (b) the parties at any time prior to the arbitrator being appointed or before the arbitrator has accepted the appointment, cannot agree upon any significant aspect of the arbitration, not already addressed herein, either party may submit the Claim directly to the AAA to select the arbitrator, and thereafter the arbitration shall be administered by the AAA.

13.4.3 The arbitrator shall be an attorney with at least fifteen (15) years of experience in construction-related practice and whose practice, for at least the last five (5) years, consists of at least 50% construction law.

13.4.4 At the request of either party, the arbitration may include as parties, through joinder, consolidation, or otherwise, additional persons or entities involved in the Project, involving claims and/or disputes with common issues and/or facts. The arbitrator shall promptly rule upon any request for joinder or consolidation.

13.4.5 In relation to claims in which the amount in controversy is less than $250,000, no discovery other than the exchange of documents, designation of witnesses, and detailed disclosure of claims and defenses (including specifically a detailed basis for calculating all claims) and no more than three (3) depositions and one (1) expert per issue per side, shall be allowed, subject to disclosure of such other information as approved by the arbitrator. Otherwise, discovery shall be allowed and/or limited as decided by the arbitrator.

13.4.6 The prevailing party in any arbitration or court proceeding under this Contract shall be entitled to an award of its attorneys' fees, costs, and expenses (including expert witness fees) incurred.

13.4.7 A demand for arbitration shall be made within the time limits specified in the Contract Documents as applicable, and in other cases within a reasonable time after the Claim has arisen, and in no event shall it be made after the date when the applicable statute of limitations would bar institution of legal or equitable proceedings based on such Claim.

13.4.8 The Parties agree to participate as a party, by joinder and/or consolidation, in any arbitration, litigation, or other dispute resolution involving as an issue, claim, or defense, any action, inaction, or service provided under this Contract or in relation to the Project or the Work, or any defect or deficiency in the Work.

13.4.9 The party filing a notice of demand for arbitration, or a counterclaim, must assert in the demand or counterclaim all Claims then known to that party on which arbitration is permitted to be demanded.

13.4.10 Any award by the arbitrator shall not include any consequential or punitive damages.

13.4.11 The award entered by the arbitrator shall be a reasoned award.

13.4.12 The award entered by the arbitrator shall be final, and judgment may be entered upon the award in the Arizona Superior Court.

SECTION 14 - MISCELLANEOUS PROVISIONS

14.1 Assignment Neither the Contractor nor the City shall, without the written consent of the other, assign, transfer, or sublet any portion of this Contract or part of the Work or the obligations required by the Contract Documents. Any such assignment will be void, will transfer no rights to the purported assignee, and would be a material breach of the Contract.

14.2 Governing Law and Venue. In the performance of the Contract, Contractor shall abide by and conform to any and all laws of the United States, State of Arizona, Yuma County, and the City, including but not limited to federal and state executive orders providing for equal opportunities, the Federal Occupational Safety and Health Act and any other federal, state, county, or local laws applicable to the Contract. 14.5 No Waiver The failure of either Party to enforce any of the provisions of the Contract Documents or to require the performance of the other Party of any of the provisions under this Contract shall not be construed to be a waiver of such provisions, nor shall it affect the validity of the Contract Documents or any part of them, or the right of either Party to thereafter enforce each and every provision. Unless otherwise specifically agreed to in writing by both Parties, any consent to delay in the Contractor's performance of its obligation is applicable only to the particular transaction to which it relates and is not applicable to any other obligation or transaction.

The use of e-mails is for information only, and e-mails will have no legal or binding effect.

14.7 Independent Contractor The parties intend that this Contract will create an independent contractor relationship and not an employer-employee relationship. The City is interested only in the results to be achieved, and the conduct and control of the performance of the services contemplated under this Contract will be solely with the Contractor. Contractor’s employees, agents, and Subcontractors shall not be considered to be employees or agents of the City for any purpose. They shall not be entitled to any of the benefits the City provides for its employees. The Contractor shall furnish at its own expense all materials and equipment necessary to carry out the terms of this Contract.

14.8 No Partnership Nothing in this Contract constitutes a partnership, joint venture or similar arrangement between the Parties. Neither Party is the principal or agent of the other.

14.9 No Third-Party Beneficiaries There are no third-party beneficiaries to this Contract and no person or entity, not a Party, shall have any right or cause of action under this Contract.

14.10 *Force Majeure* If the Contractor or the City or both are prevented or materially restricted from performing any of their obligations under this Contract by an event of *force majeure*, then the obligations of each Party shall be suspended or reduced to the extent made necessary by the event. As used in this section, "*force majeure*" means any act or cause not reasonably within the control of the Party whose ability to perform is impaired and which that Party could not have prevented by the exercise of reasonable diligence. *Force majeure* events include but are not limited to natural disasters, fire, flood, explosions, strikes (or labor disputes) over which the affected Party has no control, sabotage, riots, civil commotion, acts of civil or military authority, wars, public health emergencies, or material changes in applicable business laws (including but not limited to through statutes, regulations, executive orders, or emergency declarations and proclamations).

AGENDA ITEM REVIEW FORM

Special City Council Meeting **7. B.**

Meeting Date: 11/10/2026

Department Head: Jessica Potts, Director of Parks & Recreation, Parks & Recreation Department

Submitted By: Crystal Ochoa, Administrative Coordinator, Parks & Recreation Department

Action Requested: Motion

ITEM:

Discussion and possible action on any and all matters regarding the award of a construction contract to DWD Construction for the Joe Orduno Park Tennis Courts Renovation Project. **(Jessica Potts, Director of Parks and Recreation)**

SUMMARY:

The Parks and Recreation Department is seeking Mayor and City Council approval to award a construction contract to DWD Construction for the Joe Orduño Park – Tennis Courts Renovation Project.

The Tennis Courts Renovation Project is located at Joe Orduño Park in San Luis, Arizona. The project consists of the renovation of two existing tennis courts. The improvements include, but are not limited to, removal of existing tennis net and net posts, repair of existing chain-link fencing and gates, replacement of damaged fencing components, removal of existing court surface coatings, repair of cracks and surface imperfections, application of new acrylic court surfacing and striping, repainting of existing court features, installation of new tennis net posts, hardware, and nets, and all associated work necessary to restore the courts to a safe, functional, and playable condition, extend their service life, and improve recreational facilities for the community.

The City of San Luis was awarded $100,000.00 in community beautification funding from Arizona Public Service (APS) as part of its 140th anniversary celebration to support the renovation of two existing tennis courts and other structures at Joe Orduño Park.

City staff conducted a formal bidding process for the Joe Orduño Park – Tennis Courts Renovation Project. The bid solicitation included three (3) alternative bid schedules: Schedule A (complete rehabilitation of two tennis courts), Schedule B (complete rehabilitation of one tennis court), and Schedule C (reduced-scope rehabilitation of two tennis courts). Bidders were required to submit pricing for all three alternative bid schedules, allowing the City to select the most appropriate option based on available funding.

One (1) bid was received and opened on October 26, 2026, from DWD Construction, with the following bid amounts: Alternative Bid Schedule A Complete Rehabilitation of Two Tennis Courts: $167,079.00. Alternative Bid Schedule B – Complete Rehabilitation of One Tennis Court: $87,267.44. Alternative Bid Schedule C – Reduced-Scope Rehabilitation of Two Tennis Courts: $160,800.00.

Following evaluation of the bid schedules, City staff determined that Alternative Bid Schedule A was the preferred option to proceed with the renovation of both tennis courts. Staff subsequently coordinated with DWD Construction to identify potential scope reductions resulting in Change Order No. 1.

Staff is requesting City Council approval to award the construction contract to DWD Construction for the Joe Orduño Park – Tennis Courts Renovation Project under Alternative Bid Schedule A in the amount of $167,079.00 and authorize staff to proceed with contract execution. Staff further recommends that the City Council approve Change Order No. 1, agreed upon with DWD Construction, which includes a reduction in project scope and cost, with certain elements of the work to be completed by City staff, resulting in a revised contract amount of $99,999.76.

This purchase falls under the bidding provisions of the City of San Luis Procurement Code Sections 3.05.030, 3.05.040, and 3.05.050.

As part of the strategy to complete both tennis courts with the available funding, City staff will be completing portions of the scope of work that was reduced from the contract. This will require additional funding for concrete, rebar, paint, decorative rock, and other materials that will be used for the completion of the tennis courts rehabilitation as well as the concession stand. Additional request will total $30,000.00.

RECOMMENDATION / SUGGESTED MOTION:

I MOVE TO AWARD A CONTRACT TO DWD CONSTRUCTION FOR THE CONSTRUCTION OF THE CITY OF SAN LUIS JOE ORDUNO PARK TENNIS COURTS RENOVATION PROJECT IN THE AMOUNT OF $167,079.00, TO APPROVE CHANGE ORDER NO.1, AND TO APPROVE THE BUDGET TRANSFER IN THE FISCAL IMPACT STATEMENT, AS PRESENTED.

TOTAL:	$130,000.00
BUDGETED AMOUNT:	$100,000.00
AVAILABLE AMOUNT TO TRANSFER:	$30,000.00

FISCAL IMPACT STATEMENT (IF THIS IS A BUDGET TRANSFER, YOU MUST ATTACH THE BUDGET ADJUSTMENT FORM):

In Fiscal Year 2026, the City of San Luis received a $100,000.00 grant from Arizona Public Service (APS) as part of the APS 140th Anniversary Beautification Project.

The APS grant will fully cover the contract amount for the reduced project scope. However, the City still needs additional materials, including concrete, rebar, paint, and decorative rock, to complete the remaining work in-house. These materials are estimated to cost approximately $30,000.

To cover these additional costs, City Council authorization is requested for a budget transfer of $30,000.00 from the Roof Repair at Cultural Center project to the Beautification of Joe Orduño Park project, as follows:

From:

- GL Account: 100-999-89000 – Non-Departmental Non-Capital Project Account
- Project: Roof Repair at Cultural Center
- Project No.: 2027028

To:

- GL Account: 255-144-90015 – Capital Outlay CIP
- Project: Beautification of Joe Orduño Park (FS1, Tennis Courts, Concession Stand)
- Project No.: 2027037

Total Budget Transfer Requested: $30,000.00

SECTION 4 - CONTRACTOR'S RESPONSIBILITIES FOR CONSTRUCTION SERVICES

4.1 General

4.1.1 The Contractor shall construct the Work in accordance with the Contract Documents and as outlined in the Contract Documents to the satisfaction of the City, exercising the degree of professional care, skill, diligence, quality, and judgment that a professional Contractor engaged, experienced, and specializing in the construction of facilities of similar scope, function, size, quality, complexity, and detail in urban areas throughout the United States comparable to the City would exercise at such time, under similar conditions. The Contractor shall, at all times, perform the Work in conformance with sound and generally accepted engineering principles and construction management and construction contracting practices.

4.1.2 The Contractor shall comply with, and require all Subcontractors to comply with, the Arizona Contractors' license laws, including all requirements with respect to being duly registered and licensed.

4.1.3 Pursuant to A.R.S. § 41-4401, the Contractor warrants to the City that the Contractor and all its Subcontractors are in compliance and will comply with all Federal Immigration laws and regulations that relate to their employees and with the E-Verify Program under A.R.S. § 23-214(A). The Contractor acknowledges that a breach of this warranty by the Contractor or any of its Subcontractors is a material breach of this Contract subject to penalties up to and including termination of the Contract or any subcontract. The City retains the legal right to inspect the papers of any employee related to this statute and of the Contractor or any Subcontractor who works on this Contract to ensure compliance with this warranty. The City may conduct random verification of the Contractor's employment records and any of its Subcontractors' employment records to ensure compliance with this warranty. The City will not consider the Contractor or any of its Subcontractors in material breach of the foregoing warranty if the Contractor and its Subcontractors establish that they have complied with the employment verification provisions prescribed by 8 USCA §1324(a) and (b) of the Federal Immigration and Nationality Act and the e-verify requirements prescribed by Arizona Revised Statutes § 23-214(A). "Services" are defined as furnishing labor, time, or effort in the State of Arizona by a contractor or Subcontractor. Services include construction or maintenance of any structure, building, or transportation facility or improvement to real property. Breach of this warranty shall constitute a material breach of the contract and shall subject the Contractor to penalties, including termination of the Contract at the sole discretion of the City.

4.1.4 The Contractor further understands and acknowledges the applicability of the Americans with Disabilities Act, the Immigration Reform and Control Act of 1986, and the Drug-Free Workplace Act of 1989 to the Contract. The Contractor understands and acknowledges that it must also comply with A.R.S. § 34-301, "Employment of Aliens on Public Works Prohibited," and A.R.S. § 34-302, as amended, "Residence Requirements for Employees," and A.R.S. § § 12-2701 through 12-704 "Immigration and Nationality Law Practice Act" as amended.

Failure to do so will be a material breach of the Contract, entitling the City to terminate the Contract for Cause.

4.2.2 When the Contractor delivers the executed Contract to the City, the Contractor shall also deliver to the City such bonds and certificates of insurance with endorsements in such amounts (and other evidence of insurance requested by the City) required under Section 11 - of these General Conditions, and as the Contract requires.

4.2.3 The Contractor shall obtain all necessary permits for the Work and pay all applicable fees unless otherwise noted on the plans and in the specifications. The Contractor is specifically notified of the need to obtain traffic control permits from the Arizona Department of Transportation (ADOT) and the necessary environmental permits or file the necessary environmental and regulatory permit notices. Copies of all permits and the associated notices must be provided to the City prior to starting the permitted activity.

The total amount of the Schedule of Values shall not be greater than the Contract Price. The Schedule of Values shall be reviewed at the Pre-Construction Conference and revised in response to comments and questions from the City. Once accepted by the City in writing, the Schedule of Values for the Project will not be changed without the City's prior written approval.

4.4 Performance of the Work (Including Field Measurements, Subcontractors, and Suppliers)

4.4.1 Unless otherwise provided in the Contract Documents to be the responsibility of the City or a separate Contractor, the Contractor shall provide through itself or its Subcontractors the necessary supervision, labor, inspection, testing, start-up, material, equipment, machinery, temporary utilities, and other temporary facilities to permit Contractor to complete the Work consistent with the Contract Documents.

4.4.2 The Contractor's Superintendent shall be present at the Project site at all times that material Work under this Contract is taking place. The Contractor's Superintendent or designee shall be present at the Project site at all times any other Work under this Contract is taking place. 4.4.3 Before ordering materials or doing work, the Contractor and each Subcontractor shall verify measurements at the Project site and shall be responsible for the correctness of such measurements.

No extra charge or compensation will be allowed because of differences between the actual dimensions and the dimensions indicated on the Contract Documents, including the drawings.

4.4.4 If the Contractor observes errors, discrepancies, or omissions in the Contract Documents, it shall promptly notify the Contractor and City and request clarification. The Contractor shall be liable to the City for damages resulting from errors, inconsistencies, or omissions in the Contract Documents or for differences between field measurements or conditions in the Contract Documents. If the Contractor, with the exercise of reasonable care, should have recognized such error, inconsistency, omission, or difference and fails to report it to the City, and if the Contractor proceeds with the Work affected by such observed errors, discrepancies, or omissions, without receiving such clarifications, it does so at its own risk.

4.4.5 In all cases of interconnection of its Work with existing or other work, the Contractor shall verify at the Project site all dimensions relating to such existing or other work. Any errors due to the Contractor's failure to so verify all such grades, elevations, locations, or dimensions shall be promptly rectified by the Contractor without any increase in the Contract Price. Any design errors or omissions noted by the Contractor during this review shall be reported promptly to the City.

4.4.6 The Contractor shall be responsible for the proper performance of the Work of Subcontractors and any acts and omissions in connection with such performance. Nothing in the Contract Documents is intended or deemed to create any legal or contractual relationship between the City and any Subcontractor or Sub-Subcontractor, including but not limited to any third-party beneficiary rights.

4.4.7 The Contractor will not substitute or change any Subcontractor or Supplier without the City's prior written approval. Any substitute or replacement Subcontractor or Supplier shall be required to meet the same qualifications and selection criteria and process as the original Subcontractor or supplier. If a Subcontract or Supplier selection plan has been approved by the City, the Contractor will follow that plan unless otherwise approved by the City in writing.

4.4.8 The Contractor shall not change or replace the Contractor's Project Manager or Superintendent on this Project without an explanation for the change being given to the City and receiving prior written approval of the change from the City, which approval will not be unreasonably withheld.

4.4.9 Subcontractors whose scope of work has a value greater than fifteen percent (15%) of the total Contract Price may be required to furnish performance and payment bonds to the Contractor if directed in writing by the City.

4.5 Control of the Project Site

Throughout all phases of construction, including suspension of Work, the Contractor shall keep the Project site reasonably free from debris, trash, and construction wastes to permit the Contractor to perform its construction services efficiently, safely, and without interfering with the use of adjacent land areas. Prior to the Final Acceptance of the Work, or a portion of the Work, the Contractor shall remove all debris, trash, construction wastes, materials, equipment, machinery, and tools arising from the Work or applicable portions thereof to permit the City to occupy the Project or a portion of the Project for its intended use.

4.5.1 The Contractor shall take whatever steps, procedures, or means necessary to prevent dust nuisance due to construction operations. The dust control measures shall be maintained at all times to the satisfaction of the City and in accordance with the requirements of the Yuma County dust control regulations.

4.5.2 The Contractor shall be responsible to the City for the acts and omissions of the Contractor's employees, Subcontractors and their agents and employees, and any other person performing any of the Work under a contract with Contractor, or claiming by, through, or under Contractor, for all damages, losses, costs, and expenses resulting from such acts or omissions.

4.6 Project Safety

4.6.1 The Contractor is responsible for the safety of the job site for the Contractor's employees as well as for members of the general public and others who may drive or walk through or be at the Project site.

4.6.2 The Contractor assumes responsibility for implementing and monitoring all safety precautions and programs related to the performance of the Work.

4.6.3 The Contractor shall provide a "competent person" as required by O.S.H.A. regulations. The "competent person" shall be identified at the Pre-Construction Conference, and the City will be advised in writing of any changes.

4.6.4 The Contractor and Subcontractors shall comply with all legal and regulatory requirements relating to safety, as well as any City-specific safety requirements set forth in the Contract Documents, provided that such City-specific requirements do not violate any applicable legal and regulatory requirements.

4.6.5 As between the City and the Contractor, the Contractor is responsible to the City for any and all the safety issues relating to the Work on the Project. The Contractor shall administer and manage the safety program. The safety program will include, but not necessarily be limited to, reviews of the safety programs of each Subcontractor. The Contractor shall monitor the establishment and execution of compliance with all applicable regulatory and advisory agency construction safety standards.

4.6.6 The Contractor shall maintain and have sole responsibility for safety on the job site.

4.7 Materials Quality, Substitutions, and Shop Drawings

4.7.1 All construction materials to be used or incorporated in the Project are subject to inspection, quality control and quality assurance testing, and approval or rejection by the City. Any material rejected by the City shall be removed immediately and replaced in an acceptable manner to the City at no additional cost to the City. When quality control and quality assurance tests indicate noncompliance with the Contract Documents, retesting shall be performed by the same testing laboratory that performed the tests that indicated noncompliance.

4.7.2 A schedule of shop drawing submissions shall be submitted with the Project Schedule for City approval that avoids bulk submissions to the extent reasonably possible. Unless otherwise noted, shop

drawings will not be required for items specified or detailed in the Uniform Standard Specifications and Details or the Technical Specifications. The schedule of shop drawing submissions shall include all of the items for which shop drawings are required by the Contract Documents, including the specifications.

4.7.3 Long Lead Time Items. The Contractor shall submit shop drawings, as required by the Project Engineer, on all long lead items to be furnished and installed as part of the Project within ten (10) days after execution of the Contract. In addition, the Contractor shall order all long lead items to be furnished and installed as part of this Project within (3) days after receiving approved shop drawings. For all long lead times for which shop drawings are not required, the Contractor shall order said long lead items within fifteen (15) days after execution of the Contract. Within two (2) days after ordering long lead items, the Contractor shall supply copies of all purchase orders, along with an accurate delivery schedule from the supplier.

4.8 Project Record Documents

The Contractor shall ensure that any and all changes or modifications done as a result of field changes are accurately reflected in red-lined markings. At the completion of construction, all red lines and markings shall be compiled to aid in the creation of “as-built” plans.

4.9 Warranty and Correction of Defect Work

4.9.1 The Contractor warrants to the City that the construction of the Work shall be of good and workmanlike quality and completed in strict conformance with all applicable laws, rules, and regulations and the plans and specifications and all other terms and conditions of the Contract Documents, including all materials and equipment furnished as part of the construction, shall be new unless otherwise specified in the Contract Documents, of good quality, in conformance with the Contract Documents and free of defects in materials and workmanship.

4.9.2 The date of Final Completion shall be the beginning of the Warranty period, regardless of early completion by some Subcontractors of their work.

4.9.3 Unless otherwise specified in the Contract Documents, the Contractor and Subcontractors shall provide to the City all of the following written warranties that apply to the Work in a form acceptable to the City.

(i) General Warranty — Two (2) years

(ix) Termite — Five (5) years
(x) Sheet Metal: Zinc coating thickness on hot-dipped galvanized Metals — One (1) year

4.9.4 Nothing in the warranties contained in the Contract Documents are intended to limit any manufacturer's warranty, which provides the City with greater warranty rights than set forth in this Section or the Contract Documents. The Contractor will provide the City with all manufacturers' warranties prior to Final Acceptance.

4.9.5 A progress payment, or partial or entire use or occupancy of the Project by the City, shall not constitute Acceptance of Work not in accordance with the Contract Documents.

4.9.6 Without limiting the foregoing or anything in these General Conditions or the Contract to the contrary, the Contractor shall obtain and provide to the City all warranties for any portion of the Project offered by the manufacturer, installer, or provider thereof. The City and the user of the facility shall have the right to the full value and benefit of all such warranties. The Contractor will ensure all such warranties are fully transferrable to facilitate the full value of this Section.

SECTION 5 - CITY'S RESPONSIBILITIES

5.1 City Project Manager The Project Manager is responsible for providing City-supplied information and approvals in a timely manner to assist the Contractor to fulfill its obligations under the Contract Documents.

5.2 Contract Services The City may contract separately with one or more contractors to provide construction administration of the Project. The Contractor's Contract, as well as other firms hired by the City, shall be furnished to the Contractor. The contractor shall not have the right to limit, restrict, or reject any Contract modifications that are mutually acceptable to the City and the Contractor.

SECTION 6 - CONTRACT TIME

6.1 Contract Time

6.1.1 The Contract Time shall start with the Notice to Proceed ("NTP") and end with Final Acceptance, as set forth in Section 6.3 below.

6.1.2 The Contract Time shall be as set forth in the Project Schedule. The Contractor agrees that it will commence the performance of the Work and complete the Project within the Contract Time.

6.1.3 Time is of the essence of this Contract, for the Project, for the Work, and for each phase and/or designated milestone of the Project.

6.2 Project Schedule

6.2.1 The Project Schedule shall be updated and maintained throughout the Contract Time.

6.2.2 The Project Schedule shall be revised as required by conditions and progress of the Work. However, such revisions shall not relieve the Contractor of its obligations to complete the Work within the Contract Time, as adjusted in accordance with the Contract Documents. No modification to the Contract Documents or the Contract Time shall be effective unless approved in advance by the City.

6.2.3 An updated Project Schedule shall be submitted monthly to the City as part of the Payment Request.

6.2.4 The Contractor shall provide the City with a monthly status report with each Project Schedule detailing the progress of the Work, including:

6.2.5 Acceptance of a submitted schedule by the City should in no way be construed as an affirmation or admission that the schedule is reasonable or workable by the Contractor. The responsibility for completing the Work on the Project within the Contract Time remains the obligation of the Contractor. The City's review shall not relieve the Contractor from compliance with the requirements of the Contract Documents or be construed as relieving the Contractor of its complete and exclusive control over the means, methods, sequences, and techniques for executing the Work.

6.2.6 Critical Path Method (CPM)

6.2.6.1 Unless otherwise specified in the Contract, the Project Schedule shall include a Critical Path Method (CPM) diagram schedule showing the sequence of activities, the interdependence of each activity, and identifying the Critical Path.

6.2.6.2 The CPM diagram schedule shall be in calendar Days and indicate duration, earliest and latest start and finish dates for all activities, and total Float Times for all activities except critical activities. The CPM diagram shall be presented in a time-scaled graphical format for the Project as a whole.

6.2.7 Float Time

6.2.7.1 The total Float time within the overall schedule is for the exclusive use of the City. However, the City may approve the Contractor's use of Float time as needed to meet contract milestones and the Project completion date.

6.2.7.2 The Contractor shall not be allowed to sequence, hide, or reallocate Float time through such strategies as extending activity duration estimates to consume available Float, using preferential logic, or using extensive crew or resource sequencing. No time extensions will be granted nor delay damages paid until a delay occurs which extends the Work beyond the Contract Time.

6.2.7.3 Rain-Related Delays. In preparing the Project Schedule, The Contractor is required to take into account all relevant weather conditions, including normal rainfall and distribution. No additional Compensation shall be given for any rain-related delays or impacts on the Work or the Project Schedule. The burden of documenting normal rainfall, excessive rainfall, and the impact on Critical Path activities is on the Contractor.

6.3 Final Completion and Final Acceptance

6.3.1 Unless otherwise expressly agreed to in writing by the City, Final Completion must be obtained by no later than December 30, 2026 after the date of Notice to Proceed. Failure to timely obtain Final Completion will be a material breach of the Contract.

6.3.2 Upon receipt of written notice that the Work is ready for final inspection and Acceptance, the City and the Contractor will jointly inspect to verify that the remaining items of Work have been completed. There shall be no partial acceptance. Final Acceptance shall not be issued, and Final Completion shall not occur until all items of Work, including punch list items, have been completed to the City's satisfaction as reflected in the written Final Acceptance.

6.3.3 Final Payment under Section 8.2 below shall not be due, owing, or paid by the City until the Final Completion is obtained.

6.4 Liquidated Damages

6.4.1 The Contractor acknowledges and agrees that if the Contractor fails to obtain Final Completion of the Work within the Contract Time, the City will sustain extensive damages and serious loss as a result of such failure. The exact amount of such damages will be extremely difficult to ascertain. Therefore, the City and the Contractor agree that if Contractor fails to achieve Final Completion of the Work within the Contract Time, the City shall be entitled to retain or recover from the Contractor, as liquidated damages and not as a penalty, the applicable dollar sum amount in Subsection 108.9 of the 2016 City of San Luis Supplement to the 2015 MAG Uniform Standard Specification for Public Works Construction per calendar day, commencing from the Completion Date required under the Contract until the actual date of the Final Completion of the Work.

6.4.2 The City may deduct liquidated damages described in this Section 6.4 from any unpaid amounts then or thereafter due Contractor under this Contract. Any liquidated damages not so deducted from any unpaid amounts due to the Contractor shall be payable to the City at the demand of the City, together with interest from the date of the demand at the highest lawful rate of interest payable by the Contractor.

6.4.3 Nothing herein shall be deemed to constitute a waiver of any other remedy available to the City in the event of Contractor's default under this Contract prior to the full performance of the Work, including, as applicable, specific performance or completion of the Work on behalf of Contractor, the cost and expense of which shall be offset against any monies then or thereafter due to Contractor (if any) and otherwise immediately reimbursed to City by Contractor.

SECTION 7 - CONTRACT PRICE

7.1 Fixed Price Contracts The Contract Price shall be the amount set forth in the Contract.

7.2 City Sales Tax The Contractor is required to pay Sales Taxes on any contracting activity done for the City, and this cost shall be included in all Contract Prices.

SECTION 8 - PAYMENT

8.1 Payment for Construction Services

8.1.1 Monthly progress payments for certified work and material delivered to the Project site for the preceding month shall be paid on or before fourteen (14) business days after the estimate of the Work

is certified and approved. The submittal estimate shall be deemed certified and approved for payment after seven (7) days from the date of submission unless the City's Project Manager issues a written finding setting forth items not approved for payment.

8.1.2 The City shall retain ten percent (10%) of all progress payments as insurance of proper performance of the Contract or, at the option of the Contractor, a substitute security may be provided by the Contractor in an authorized form approved by the City. The Contractor is entitled to all interest from any such substitute security.

8.1.3 When the Contract is fifty percent (50%) completed, one-half of the amount retained or securities substituted shall be paid to the Contractor upon the Contractor's request, provided the Contractor is making satisfactory progress on the Contract. There is no specific cause or claim requiring a greater amount to be retained. After the Contract is fifty percent (50%) completed, no more than five percent (5%) of the amount of any subsequent progress payments made under the Contract shall be retained, providing the Contractor is making satisfactory progress on the Project. If at any time the City determines satisfactory progress is not being made, ten percent (10%) retention shall be reinstated for all progress payments made under the Contract subsequent to the determination.

8.1.4 . Unless the City Project Manager delivers specific written findings of deficiencies and expected cost to cure, any retention shall be paid, or substitute security shall be returned to the Contractor within sixty (60) Days after Final Completion and Acceptance of Work under the Contract. The City may withhold an amount from the progress payment sufficient to pay the expenses the City's Project Manager reasonably expects to incur in correcting the deficiency set forth in the written finding.

8.1.5 The Contractor, and all Subcontractors, shall pay to Subcontractors or material Suppliers within seven (7) days of receipt of each progress payment unless otherwise agreed in writing by the parties, the respective amounts allowed the Contractor or Subcontractor on account of the Work performed or materials delivered to the extent of each such Subcontractor's or material Supplier's interest therein. No agreement for construction may materially alter the rights of any Contractor, Subcontractor, or material Supplier to receive prompt and timely payment as provided under this Section. These monthly progress payments to Subcontractors or material Suppliers shall be passed on payments received pursuant to this Section. Any diversion by the Contractor or Subcontractor of payments received for Work performed or failure to reasonably account for the application or use of such payments constitutes grounds for disciplinary action by the Registrar of Contractors. The Subcontractor or material Supplier shall notify the Registrar of Contractors and the City in writing of any payment less than the amount or percentage approved for the class or item of work as set forth in this Section. The Subcontractor may notify the City's Project Manager in writing, requesting that the City notify the Subcontractor in writing within five (5) days from payment of each progress payment made to the Contractor. The Subcontractor's request remains in effect for the duration of the Subcontractor's work on the Project.

8.1.6 Nothing in this Section 8.1 prevents the Contractor at the time of application/certification to the City from withholding application or certification to the City for payment to the Subcontractor or material Supplier for unsatisfactory job progress, defective work, or materials not remedied, disputed

work or materials, third party claims filed or reasonable evidence that claim will be filed, failure of a Subcontractor to make timely payment for labor, equipment and materials.

8.2 Final Payment Subject to all of the City's rights to withhold or offset payment and other rights under the Contract, Final Payment, including remaining retainage, shall be paid only after:

(i) The Work has been fully completed (including completion of all incorrect or incomplete work items), and the City has issued the written Final Acceptance;
(ii) necessary operating manuals, any excess materials and supplies necessary for matching materials and supplies incorporated into the Work, and complete "as-built" drawings (including the Building Information Model, if required by the Contract Documents), plans, and specifications have been delivered to City;
(iii) full and unconditional lien waivers and releases by Contractor and any person performing labor or supplying material, machinery, fixtures, or tools for the Work have been delivered to the City;
(iv) all conditions and requirements imposed by the City or any financing entity for the corresponding disbursement have been met; and
(v) the Contractor delivers to the City a Contractor Payment Request Form requesting Final Payment.

8.3 The City's Right to Withhold Payment The City may withhold payment to such extent as may be necessary in the City's opinion to protect the City from loss for which the Contractor is responsible, including, without limitation:

(i) Defective Work not remedied;
(ii) Third-party claims filed or reasonable evidence indicating probable filing of such claims unless Contractor provides security acceptable to the City;
(iii) Failure of Contractor to make payments properly to Subcontractors or for labor, materials, or equipment;
(iv) Reasonable evidence that the Work cannot be completed for the unpaid balance of the Contract Price;
(v) Damage to the City or another Contractor or any third party for which the Contractor may have an obligation under Article 12 of the General Conditions;
(vi) Reasonable evidence that the Work will not be completed within the Contract Time and that the unpaid balance would not be adequate to cover actual or liquidated damages for the anticipated delay; or
(vii) Persistent failure to carry out the Work in accordance with the Contract Documents.

8.4 Joint/Direct Checks Payments to the Contractor may be made by checks payable jointly to the Contractor and its employees, agents, Subcontractors, and Suppliers, or any of them. When in the sole opinion of the City, it is advisable, payments may be made directly to the Contractor's Subcontractors. Any amount so paid shall be deducted from the amounts owed to the Contractor under this Contract.

8.5 Payment Not A Waiver No payment (nor use or occupancy of the Project by the City) shall be deemed Acceptance or approval of the Work or as a waiver of any claims, rights, or remedies of the City.

8.6 Liens and Bond Claims The Contractor shall make all payments, in the time required, of all labor and materials furnished to the Contractor in the course of the Work and shall promptly furnish evidence of such payments as the City may require. The Contractor shall pay when due all claims arising out of the performance of the Work covered by this Contract for which a lien may be filed either against the real estate or leasehold interest of City, or against payments due from City to Contractor, or for which a claim may be made against any payment or performance bond or both. To the fullest extent permitted by law, Contractor agrees that no liens or other claims in the nature of a lien against the real estate, leasehold, or other interest of City, against payment due from City to Contractor, or against any payment or performance bond, shall be filed or made in connection with the Work by any party who has supplied professional services, labor, materials, machinery, fixtures, tools, or equipment used in or in connection with the performance of this Contract. The Contractor agrees to remove or to cause to be removed any such liens or claims in the nature of a lien or bond claim within ten (10) days upon receiving notice or obtaining actual knowledge of the existence of such liens or claims. In addition, the Contractor agrees to defend, indemnify, and hold harmless the City from and against any and all such liens and claims. This paragraph does not apply to claims and liens of Contractor due to non-payment for work performed by Contractor. The obligations under this Section 8.4 survive termination of this Contract.

8.7 Financial Record Keeping and City's Audit Right

8.7.1 Records for all Contracts between the City and the Contractor shall, upon reasonable notice, be open to inspection and subject to audit, scanning, and/or reproduction during normal business working hours. The City or its designee may conduct such audits or inspections throughout the term of this Contract and for a period of three years after Final Payment or longer if required by law.

8.7.2 The City, its authorized representative, and/or the appropriate agency reserve the right to audit the Contractor's records in compliance with local, state, or federal policies, statutes, or at the City's discretion within three (3) years of Final Acceptance of the Work.

SECTION 9 - CHANGES TO THE CONTRACT

9.1 Extra Work/Changes in the Work

9.1.1 The City reserves the right to make such changes in the plans and specifications for the Work as it may deem appropriate. Any such change as set forth in a written Change Order or Extra Work Order shall be deemed a part of this Contract as if originally incorporated into this Contract.

9.1.2 The Contractor shall not be entitled to payment for additional work unless a written Change Order or Extra Work Order, in form and content prescribed by the City, has been executed by the City prior to starting the additional work.

9.1.3 Any agreement that modifies the terms of the Contract (including Change Orders) shall be approved in writing by the Project Manager and approved by the San Luis City Council if necessary. Once

properly executed by both Parties, these modifications to the Contract shall have the same effect as if they had been included in the original Contract.

9.2 Accuracy of Change Order Pricing Information Signature by the contracting Parties shall constitute full accord and satisfaction between the City and the Contractor for all costs, damages, and expenses of whatever kind of nature, including delay, impact, or acceleration damages, which may be occasioned by a Change Order or other modification of the Contract, the Parties agreed to in writing.

SECTION 10 - TERMINATION

10.1 Termination by the City for Cause

10.1.1 If, for any reason, the Contractor fails to fulfill in a timely and proper manner its obligations under the Contract Documents, or if the Contractor violates any of the covenants, agreements, or stipulations of this Contract, the City shall thereupon have the right to terminate the Contract by giving written notice to the Contractor of such termination and specifying the effective date of the termination. In such event, all finished or unfinished site or structural improvements, as well as all materials or equipment acquired or stored by the Contractor under this Contract, shall, at the option of the City, become the City's property. The Contractor shall be entitled to receive just and equitable compensation for any Work satisfactorily completed under this Contract.

10.1.2 Notwithstanding Section 10.1.1, the Contractor shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of this Contract by the Contractor, and the City may withhold any payments to the Contractor for the purpose of set-off until such time as the exact amount of damages due the City from the Contractor is determined.

10.2 Termination by the City for Convenience The City may also terminate the Contract at any time for its convenience upon seven (7) business days' written notice to the Contractor specifying the termination date. In the event of termination, which is not the fault, in whole or in part, of the Contractor, the City shall pay to the Contractor only such compensation, including reimbursable expenses, due for Work properly performed on the Project prior to the termination date. Upon any termination of the Contract, no further payments shall be due from the City to the Contractor.

10.3 A.R.S. § 38-511 and Other Statutory Requirements This Contract is subject to and may be terminated by the City in accordance with the conflict provisions of A.R.S. § 38-511. The Contractor certifies, to the extent permitted by law, that it is not currently engaged in and agrees that for the duration of this Contract, it will not engage in a boycott of Israel, as that term is defined in A.R.S. § 35- 393. The Contractor certifies, to the extent permitted by law, that it does not currently, and agrees for the duration of this Contract, it will not use the forced labor of the ethnic Uyghurs in the People's Republic of China, nor use any goods or services produced by them, nor use any Contractors, Subcontractors, or Suppliers that use them. If the Contractor becomes aware during the term of this Contract that the Contractor is not in compliance with this certification, it shall follow the notice procedures in A.R.S. § 35- 393.

10.4 Non-Appropriation The City is a government agency that relies upon the appropriation of funds by its governing body to satisfy its obligations. If the City determines that it does not have funds to meet its

obligations under the Contract, the City shall have the right to terminate the Contract without penalty on the last day of the fiscal period for which funds were legally available for the Project.

10.5 Limited Liability Under no circumstances shall the City have any liability for any costs, expenses, overhead, or profits in relation to any work not actually performed or for any future or anticipated profits, recovery, damages, expenses, or losses.

SECTION 11 - BONDS

11.1 Bonds and Other Performance Security

11.5.1 Prior to the execution of the Contract, the Contractor shall provide a Performance Bond and a Payment Bond, each in an amount equal to the full amount of the Contract Price.

11.5.2 Each such bond shall be executed by a surety company or companies holding a Certificate of Authority to transact surety business in the State of Arizona, issued by the Director of the Arizona Department of Insurance. A copy of the Certificate of Authority shall accompany the bonds.

11.5.3 The bonds shall be made payable and be acceptable to the City. The bond forms for the performance and payment bonds shall be in the forms required under A.R.S. § 34-221, et seq.

11.5.4 All bonds submitted for this Project shall be provided by a company that has been rated AM Best rating of B++6 or better for the prior four (4) quarters by the latest edition of the *Results Best's Key Rating Guide (Property/Casualty)*" published by the A.M. Best Company.

11.5.5 Personal or individual bonds are not acceptable.

SECTION 12 - INDEMNIFICATION

12.1 To the fullest extent permitted by law, the Contractor, its successors, and assigns shall defend, indemnify, and hold harmless the City and its elected officials, officers, employees, and agents from all demands, proceedings, suits, actions, claims, damages, or losses relating to, arising out of, resulting from or alleged to have resulted from the performance of the Work or failure to comply with Contractor's obligations under the Contract Documents or any laws, regulations, or legal requirements. The Contractors' duty to defend, indemnify, and hold harmless the City and its agents, representatives, officers, elected officials, and employees shall arise in connection with all demands, proceedings, suits, actions, claims, workers' compensation claims, unemployment claims, damages, losses or expenses (including but not limited to attorney's fees, expert fees, court costs, and the cost of appellate proceedings) that are attributable to personal or bodily injury, sickness, disease, death or injury to, impairment or destruction of property including loss of use resulting therefrom, caused by any act or omission of Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable.

12.2 The Contractor shall also defend, indemnify, and hold harmless the City, any jurisdiction or agency issuing permits for any work involved in the Project and their consultants and each of their officers, officials, employees, representatives, directors, and agents from and against all losses, expenses, damages (including damages to the Work itself), attorney's fees and other costs including costs of defense, which any of them

may incur with respect to the failure, neglect, or refusal of Contractor to faithfully perform the Work and all of the Work and all of Contractor's obligations under the Contract. Such costs, expenses, and damages shall include all costs, including attorney's fees, incurred by the indemnified parties in any lawsuit to which they are a party.

12.3 The indemnified party shall have the right to approve the legal counsel selected by the Contractor or the insurer of the liability, which approval shall not be unreasonably withheld.

12.4 The defense, indemnification, hold harmless provisions, and City's Liability Insurance set forth herein shall survive any termination of the Contract.

SECTION 13 - DISPUTE RESOLUTION

13.1 Informal Dispute Resolution The Parties to the Contract agree that time is of the essence in relation to the performance of the Contract and completion of the Project. Therefore, any and all disputes in relation to the Contract will initially be referred to the City Project Manager and Contractor Project Manager, as applicable to the dispute, for immediate resolution. If, after good faith efforts to reach a resolution, none is reached, any party to the dispute may submit the dispute to the Dispute Resolution Representative ("DRR") process set forth below, which is intended to be an expedited process.

13.2 Dispute Resolution Representative (DRR) Process 1.2.1 The Parties under the Contract agree that all claims and disputes in relation to the Project that are not resolved in the ordinary course of the Project ("Claim or Claims") shall, as a prerequisite to any mediation or litigation of the Claim, first be submitted for resolution between the designated Dispute Resolution Representatives of the Parties as set forth herein (the "DRR Process").

13.2.2 The DRR Process shall be initiated through the service of a DRR Notice as set forth below:

(i) For claims by the Contractor, the DRR Process shall be initiated by the party asserting the claim serving written notice on the City setting forth in detail:

(a) the basis for the claim;
(b) the effect of the Claim upon the construction of, and/or Project Schedule for, the Project;
(c) the specific relief requested, the amount thereof, and how such was calculated;
(d) the parties involved in the Claim and how they are involved;
(e) the specific contract provisions in the Contract Documents (including, if applicable, drawings and specifications) which apply; and
(f) efforts made to date to resolve the Claim.

(ii) For claims by the City, the DRR process will be initiated by the City providing written notice to the other parties of the basis and amount of its claim, the parties involved in the Claim, and how they are involved, the provisions in the Contract Documents that apply, and the relief requested. (iii) The DRR Notice shall be hand-delivered and e-mailed to the other parties' designated Dispute Resolution Representatives.

13.2.3 The other parties shall respond in writing to the DRR Notice ("DRR Response") within ten (10) calendar days of receipt of the DRR Notice, setting forth those items set forth in the DRR Notice that they agree with, dispute, and/or have questions concerning. The DRR Response shall be hand-delivered and e-mailed to the other parties' Dispute Resolution Representatives.

13.2.4 The designated Dispute Resolution Representatives for the parties to the claim shall then meet as soon as possible and, in any event, within twenty (20) calendar Days of submission of the DRR Notice (regardless of whether a DRR Response has been submitted by all parties involved in the dispute), at a mutually agreed upon time and place, to attempt to resolve the Claim based upon the DRR Notice and DRR Response.

13.2.5 At any time after the first meeting required above, either party may terminate the DRR Process by written notice to the other party.

13.2.6 The parties may agree, in writing, to extend or modify the time limits or other provisions of the DRR process in relation to a specific pending Claim.

13.2.7 Unless otherwise designated in a written notice to the other parties, the Project Manager, the representatives of the Contractor, and of the Design Professional shall act as the parties' designated Dispute Resolution Representatives.

13.2.8 If a resolution of the Claim is reached, that resolution shall be set forth in writing. The resolution shall be signed by the Parties' designated Dispute Resolution Representatives. If the resolution involves a change in any Contract Documents, the Contract Price, the Project Schedule, or any other change requiring a written Change Order or Amendment, the parties shall execute an appropriate written Change Order or Amendment pursuant to the terms of the Contract Documents.

13.3 <u>Mediation</u>

13.3.1 Unless extended by written agreement of the parties involved in the dispute, any Claim not resolved through the DRR process set forth above within five (5) calendar days after the meeting required under 13.2.4 or after the DRR is terminated pursuant to 13.2.5 above, whichever is earlier, shall be submitted to mediation as a condition precedent to litigation by either party.

13.3.2 The mediation shall be commenced by written demand upon the other party for mediation. If the parties cannot agree upon a mediator within ten (10) calendar Days of the written demand, either party may make a request to the Civil Presiding Judge of the Yuma County Superior Court to appoint a mediator. The mediation shall occur within forty (40) calendar Days of the written demand for mediation unless the parties agree, in writing, to a longer period of time.

13.3.3 The qualifications for the mediator shall be that the mediator be:

(i) an experienced mediator, arbitrator, or litigator of construction disputes; and
(ii) having engaged a significant portion of their time involving and/or resolving construction disputes for at least the past five (5) years.

In addition, the parties shall exchange and provide to the mediator such additional memoranda, information, and/or documentation, as the mediator may request, and in the form and at such times as the mediator may direct.

13.3.5 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in San Luis, Arizona unless another location is mutually agreed upon. Agreements reached in mediation shall be specifically enforceable in any court having jurisdiction over the dispute.

13.4 Arbitration

13.4.1 If the mediation is unsuccessful, the parties shall submit the dispute and/or claim to be resolved through binding arbitration conducted according to the then-current Construction Industry Arbitration Rules of the American Arbitration Association ("AAA") but not administrated or conducted by the AAA. The arbitration shall be held in Yuma County, Arizona, utilizing a single arbitrator selected by the parties unless the parties agree, in writing, to an alternative arbitration procedure.

13.4.2 If: (a) the parties cannot agree on a single arbitrator within two (2) weeks of the demand for arbitration; or (b) the parties at any time prior to the arbitrator being appointed or before the arbitrator has accepted the appointment, cannot agree upon any significant aspect of the arbitration, not already addressed herein, either party may submit the Claim directly to the AAA to select the arbitrator, and thereafter the arbitration shall be administered by the AAA.

13.4.3 The arbitrator shall be an attorney with at least fifteen (15) years of experience in construction-related practice and whose practice, for at least the last five (5) years, consists of at least 50% construction law.

13.4.4 At the request of either party, the arbitration may include as parties, through joinder, consolidation, or otherwise, additional persons or entities involved in the Project, involving claims and/or disputes with common issues and/or facts. The arbitrator shall promptly rule upon any request for joinder or consolidation.

13.4.5 In relation to claims in which the amount in controversy is less than $250,000, no discovery other than the exchange of documents, designation of witnesses, and detailed disclosure of claims and defenses (including specifically a detailed basis for calculating all claims) and no more than three (3) depositions and one (1) expert per issue per side, shall be allowed, subject to disclosure of such other information as approved by the arbitrator. Otherwise, discovery shall be allowed and/or limited as decided by the arbitrator.

13.4.6 The prevailing party in any arbitration or court proceeding under this Contract shall be entitled to an award of its attorneys' fees, costs, and expenses (including expert witness fees) incurred.

13.4.7 A demand for arbitration shall be made within the time limits specified in the Contract Documents as applicable, and in other cases within a reasonable time after the Claim has arisen, and in

no event shall it be made after the date when the applicable statute of limitations would bar institution of legal or equitable proceedings based on such Claim.

13.4.8 The Parties agree to participate as a party, by joinder and/or consolidation, in any arbitration, litigation, or other dispute resolution involving as an issue, claim, or defense, any action, inaction, or service provided under this Contract or in relation to the Project or the Work, or any defect or deficiency in the Work.

13.4.9 The party filing a notice of demand for arbitration, or a counterclaim, must assert in the demand or counterclaim all Claims then known to that party on which arbitration is permitted to be demanded.

13.4.10 Any award by the arbitrator shall not include any consequential or punitive damages.

13.4.11 The award entered by the arbitrator shall be a reasoned award.

13.4.12 The award entered by the arbitrator shall be final, and judgment may be entered upon the award in the Arizona Superior Court.

SECTION 14 - MISCELLANEOUS PROVISIONS

14.1 Assignment Neither the Contractor nor the City shall, without the written consent of the other, assign, transfer, or sublet any portion of this Contract or part of the Work or the obligations required by the Contract Documents. Any such assignment will be void, will transfer no rights to the purported assignee, and would be a material breach of the Contract.

14.2 Governing Law and Venue. In the performance of the Contract, Contractor shall abide by and conform to any and all laws of the United States, State of Arizona, Yuma County, and the City, including but not limited to federal and state executive orders providing for equal opportunities, the Federal Occupational Safety and Health Act and any other federal, state, county, or local laws applicable to the Contract. This Contract shall be governed by and construed in accordance with the substantive and procedural laws of the State of Arizona, including choice of law and conflict of laws and principles. Exclusive jurisdiction and venue for any action brought to enforce or construe any provision of this Contract shall be proper in the Superior Court of Yuma County, Arizona. Both Parties consent to jurisdiction and venue in such court for such purposes. The Party prevailing in any such action or other proceeding to resolve a dispute shall be paid all reasonable costs, reasonable expert services fees, and reasonable attorney's fees by the other Party. In the event any judgment is secured by said prevailing Party, all such costs, expert fees, and attorney's fees shall be included in the judgment, such fees to be set by the court and not by jury.

14.3 San Luis Business License The General Contractor and sub-contractors shall obtain a San Luis Business License before commencing Work.

14.4 Survival All warranties, representations, and indemnifications by Contractor shall survive the completion or termination of this Contract.

14.5 No Waiver The failure of either Party to enforce any of the provisions of the Contract Documents or to require the performance of the other Party of any of the provisions under this Contract shall not be construed

to be a waiver of such provisions, nor shall it affect the validity of the Contract Documents or any part of them, or the right of either Party to thereafter enforce each and every provision. Unless otherwise specifically agreed to in writing by both Parties, any consent to delay in the Contractor's performance of its obligation is applicable only to the particular transaction to which it relates and is not applicable to any other obligation or transaction.

14.6 Project Communications

14.6.1 All communications concerning the performance of the Work or the Project shall be provided to the designated Project Manager and Contractor's Representative set forth in Article 1 of the Contract.

14.6.2 Project communications may be exchanged by e-mail upon the written agreement of the Project Manager and Contractor Representative. However, e-mail communications are not binding upon the City. E-mail communications cannot change the terms of the Contract or the scope of work or effectuate any change that requires a written change order. The use of e-mails is for information only, and e-mails will have no legal or binding effect.

14.7 Independent Contractor The parties intend that this Contract will create an independent contractor relationship and not an employer-employee relationship. The City is interested only in the results to be achieved, and the conduct and control of the performance of the services contemplated under this Contract will be solely with the Contractor. Contractor's employees, agents, and Subcontractors shall not be considered to be employees or agents of the City for any purpose. They shall not be entitled to any of the benefits the City provides for its employees. The Contractor shall furnish at its own expense all materials and equipment necessary to carry out the terms of this Contract.

14.8 No Partnership Nothing in this Contract constitutes a partnership, joint venture or similar arrangement between the Parties. Neither Party is the principal or agent of the other.

14.9 No Third-Party Beneficiaries There are no third-party beneficiaries to this Contract and no person or entity, not a Party, shall have any right or cause of action under this Contract.

14.10 *Force Majeure* If the Contractor or the City or both are prevented or materially restricted from performing any of their obligations under this Contract by an event of *force majeure*, then the obligations of each Party shall be suspended or reduced to the extent made necessary by the event. As used in this section, "*force majeure*" means any act or cause not reasonably within the control of the Party whose ability to perform is impaired and which that Party could not have prevented by the exercise of reasonable diligence. *Force majeure* events include but are not limited to natural disasters, fire, flood, explosions, strikes (or labor disputes) over which the affected Party has no control, sabotage, riots, civil commotion, acts of civil or military authority, wars, public health emergencies, or material changes in applicable business laws (including but not limited to through statutes, regulations, executive orders, or emergency declarations and proclamations).

14.11 Notices The notices under this Contract shall be validly given and fully received when in compliance with all of the following:

14.11.2 Either Party may designate in writing and deliver notice of a different address in the same way as above. Any such change of address notice shall be delivered at least ten (10) Days before the date on which the change is to become effective.

14.11.3 Notices for delivery to the City shall be to the attention of the Public Works Director, copies to the City Manager, City Attorney, and City Clerk.

14.12 Severability If any terms, parts, or provisions of this Contract are for any reason invalid or unenforceable, the remaining terms, parts, or provisions are nevertheless valid and enforceable.

14.13 Entire Agreement This Contract (including the incorporated documents) contains the entire agreement between the Parties, and no oral or written statement, promise, or inducement made by either Party or its agents not contained or specifically referred to in this Contract is valid or binding. All modifications to this Contract must be in writing, signed, and endorsed by the Parties.

14.14 Headings The headings of this Contract are solely for the convenience of the Parties and shall not be used to explain, modify, simplify, or aid in the interpretation of the provisions of this Contract.

6-1.03 Failure on the part of the Contractor to adhere to the approved Project Schedule will be deemed a material breach and sufficient grounds for the City to terminate this Contract.

6-2 Project Schedule. The Project Schedule, as required by Section 6.2 of the General Conditions, shall be updated and maintained throughout the Contractor's performance under this Contract in accordance with Section 6.2 of the General Conditions.

6-3 Final Completion and Final Acceptance.

Final Completion will be determined, and Final Acceptance will be issued pursuant to Sections 6.3 and 6.4 of the General Conditions.

6-4 Liquidated Damages.

6-4.01 The Contractor acknowledges and agrees that if the Contractor fails, neglects, or refuses to obtain the Final Completion of the Work no later than December 30, 2026, the City will sustain extensive damages and serious loss as a result of such failure. The Contractor agrees to pay the City liquidated damages for delay in the sum of **$350.00** for each consecutive calendar Day after the thirty (30) days have expired and the Final Completion of Work is not achieved. The Parties agree that the stated liquidated damages are reasonable to compensate the City and not as punitive damages. (The sum of $350.00 per day is consistent with Section 6.4 of the General Conditions and its reference to Subsection 108.9 of the 2016 City of San Luis Supplement to the 2015 MAG Uniform Standard Specification for Public Works Construction.)

City at the demand of the City, together with interest from the date of the demand at the highest lawful rate of interest payable by the Contractor.

6-4.03 Nothing in this Contract shall be deemed to constitute a waiver of any other remedy available to the City in the event of the Contractor's default under this Contract prior to full performance of the Work, including, as applicable, specific performance or completion of the Work on behalf of the Contractor, the cost and expense of which shall be offset against any monies then or thereafter due to Contractor (if any) and otherwise immediately reimbursed to City by the Contractor

AGENDA ITEM REVIEW FORM

Special City Council Meeting **7. D.**

Meeting Date: 11/10/2026

Department Head: Jose A. Guzman, Director of Development Services, Development Services

Submitted By: Juan Tejeda, Assistant Director of Development Services, Development Services, Planning & Zoning

Action Requested: Motion
Resolution

ITEM:

Discussion and possible action on any and all matters regarding Resolution No. 2418. A Resolution of the Mayor and City Council of the City of San Luis, Arizona, authorizing and directing the entering into a development agreement between the City of San Luis, Arizona and Von Verde Partners LLC, for the development of property located between Avenue E and Avenue D and between County 24 1/2 Street and County 25th Street. **(Jose A. Guzman, Director of Development Services)**

SUMMARY:

This is a request by Vega & Vega Engineering, PLC, on behalf of Von Verde Partners LLC, to enter into a development agreement with the City for the south portion of the Preliminary Plat approved for the development known as Orchidea Park. On June 10, 2025, the Planning and Zoning Commission approved Subdivision Case No. 2023-0194P, a preliminary plat amendment for Orchidea Park Subdivision, covering land between Avenue E and Avenue D, and between County 24 1/2 Street and County 25th Street. This subdivision case created a north and south portion for the development.

The north portion of Orchidea Park, located between Avenue E and D and between County 24th Street and County 24 1/2 Street is covered under Resolution No. 2350. The remaining south portion of the development located between Avenue E and D and between County 24 1/2 Street and County 25th Street will be covered under this development agreement.

The property was annexed into the City pursuant to the Pre-Annexation Agreement approved under Resolution No. 936. A portion of the property is also subject to a Memorandum of Understanding approved under Resolution No. 2234.

INITIAL LOT SPLIT:

The proposed agreement allows the developer to establish Parcel Q-3 through an initial lot split before final platting, allowing its sale to a contractor for use as a contractor yard. Required improvements include the County 25th Street half-street along the parcel frontage, water connections, a sewer extension, stormwater retention, and landscaping. Sidewalks are excluded due to the industrial uses along this street.

Before the lot split can be recorded, improvement plans must be approved, required financial assurances posted, and applicable dedications and easements recorded or provided for concurrent recording. Development remains subject to the agreement's improvement and permitting requirements.

DEFERRAL OF IMPROVEMENTS IN PREVIOUS CASES:

The City has historically addressed similar issues by including language on plats or agreements that restricts building permits until necessary improvements, such as utility extensions and off-site improvements, are completed. While this approach has been development-friendly, allowing projects to move forward while deferring improvements, challenges arise when land is sold after approval. New owners are often unaware of or unwilling to meet the required improvements, complicating compliance.

However, challenges arise when properties are sold and subsequent owners are unaware of, or dispute responsibility for, the required improvements. The proposed agreement addresses this concern by assigning improvement obligations to each parcel and requiring the agreement to be recorded against the property. These obligations would remain binding on subsequent owners.

The developer must disclose the agreement to subsequent owners, and an owner conveying a parcel must notify the City within 30 days of the conveyance. The draft also allows the City to refuse development when required improvements have not been provided in the manner or timing established by the agreement and applicable City requirements

PROPOSED DEVELOPMENT AGREEMENT:
This agreement is proposed to outline phased development for the area between County 24 1/2 and County 25th Streets and between Avenues E and D.

The proposed agreement does not establish a required sequence of development for the south portion of Orchidea Park. Each parcel may develop independently, provided the owner completes the improvements required to serve that parcel as it develops.

The developer's primary concern was to establish the required trunk water and wastewater improvements and the right-of-way widths and roadway improvements. The agreement identifies these requirements, subject to the supporting engineering reports and City approval of the master infrastructure plans.

Staff included language assigning improvement responsibilities to each parcel as it develops while preserving the City's authority to require additional improvements based on the proposed development, infrastructure capacity, access, and applicable City requirements.

While staff's position remains focused on protecting the City and ensuring consistency. Council may choose to impose additional conditions or amend the terms of the agreement.

STAFF RECOMMENDATION:
To maintain consistency with prior agreements, staff included conditions similar to those imposed on previous developments. Staff recommends approval of Resolution No. 2418.

RECOMMENDATION / SUGGESTED MOTION:
I MOVE TO APPROVE AND ADOPT RESOLUTION NO. 2418.

ARTICLE II
THE AGREEMENT

2.1 Duration of Development Agreement. The term of this Agreement shall commence on the Effective Date and shall terminate on the date which is twenty (20) years after the Effective Date (the "**Termination Date**"). No notice of such termination is or shall be required.

ARTICLE III
ZONING

3.1 Existing Zoning; Zoning Amendments. The Property is currently zoned R1-6 (Single Residence Zoning District – Medium Density), R-2 (Multiple Residence Zoning District – Medium-High Density Residential), C-2 (Community Commercial) and L-I (Light Industrial). Developer and any Parcel Owner, at any time, may submit a request to the City to rezone any portion of the Property to accommodate the development of the Property by Developer or a Parcel Owner (each, a "**Rezone Application**"). If a Rezone Application is submitted, the Developer or Parcel Owner who submitted the Rezone Application will prepare and provide to the City all necessary application materials needed for the City to process the Rezone Application and place the Rezone Application on a City Council agenda for consideration of approval, and the City shall use good faith efforts to place such Rezone Application on a City Council agenda. Any decision regarding such application shall be subject to the sole discretion of the City Council.

ARTICLE IV
PROJECT / DEVELOPMENT OF THE PROPERTY

4.1 Project Regulation of Development. The Property shall be developed in accordance with this Agreement and all applicable regulations and development requirements of the City, including provision of adequate financial assurances, in effect at the time of development for each Phase, except for the Offsite Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City). In developing the Offsite Infrastructure Improvements adequate financial assurances shall be posted. Permitted uses on the Property shall be in accordance with the underlying zoning for the Property, subject to any subsequent rezoning or modified entitlements approved by the City for the Property. With respect to the Offsite Infrastructure Improvements only, this Agreement governs and controls over conflicting ordinances, rules, regulations, standards, procedures, and administrative policies of the City.

4.2 Phasing. The Property shall be developed in multiple phases. Each Parcel identified on the Conceptual Parcel Map in **Exhibit B** constitutes a development "**Phase**." The Property (including each Parcel) may be developed in any sequence (no Parcel shall be required to be developed before any other Parcel). However, to accommodate the orderly construction of public infrastructure improvements (including wastewater, water, and roadway infrastructure improvements as set forth in this Agreement) needed to serve the entire Property upon full buildout, each Parcel shall be required to develop the Offsite Infrastructure Improvements required

by this Agreement and other applicable ordinances, rules, regulations, standards, procedures, and administrative policies of the City. Any deferred improvements or modifications to the Parcels not proposed or contemplated by this Agreement shall require an amendment and approval by the City.

4.3 Conveyance of Phases; Other Parcel Owners. The Parties recognize and agree that Developer may convey a Parcel to one or more subsequent property owners to develop such Parcel. Developer shall disclose this Agreement to any subsequent property owner. Any record owner of all or any portion of a Parcel shall be deemed a "**Parcel Owner**" under this Agreement and shall assume all rights and obligations under this Agreement as a Parcel Owner with respect to such Parcel acquired (for avoidance of doubt, a "Parcel Owner" includes Developer with respect to such Parcel owned by Developer). Conveyance of one or more Parcels by Developer or a Parcel Owner to other subsequent owners shall not require the City's prior approval for the conveyance; provided, however, the conveying Parcel Owner shall inform the City within thirty (30) days of the conveyance. Developer and Parcel Owners shall be subject to all ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing or as may be amended or adopted in the future, except as to the Offsite Infrastructure Improvements as set forth in this Agreement (and the Master Infrastructure Plan upon approval by the City). City may refuse to allow development on any Parcel if required improvements are not made in substance, manner or timing as set forth in this Agreement and other applicable ordinances, rules, regulations, standards, procedures and administrative policies of the City.

4.4 Processing of Development Plans. The City and Developer will cooperate in the processing of any permits, site plans, subdivision plats, or other development approvals (collectively, the "**Approvals**") required of or requested by Developer in connection with the development of each Phase of the Project.

ARTICLE V
PLATTING & MASTER SITE PLANNING

5.1 Master Subdivision Plat. Developer shall submit a preliminary subdivision plat application to the City identifying parcel/lot boundaries for each Parcel, consistent with the Conceptual Parcel Map (the "**Master Preliminary Plat**"). The Parties recognize and agree that the Master Preliminary Plat will require preliminary plat approval by City staff (no public hearing is required). The Master Infrastructure Plans (defined in Section 5.3 below) shall be submitted by Developer with the Master Preliminary Plat for the City's review and approval in accordance with the City's standard approval process and requirements.

5.2 Final Plat; Amendments/Replats. Following the City's approval of the Master Preliminary Plat, the parcel/lot boundaries for the Property shall be established via one or more final plats (each a "**Final Plat**"). Each Final Plat may include one or more Parcels or a portion of a Parcel, as identified in the Conceptual Parcel Map and Master Preliminary Plat. Each Final Plat shall be subject to administrative approval by City staff and this Development Agreement shall in no way be interpreted to guarantee Final Plat approval if the Final Plat submission does not meet the City's policies and requirements for Final Plat approval. While the Conceptual Parcel Map and Master Preliminary Plat identify the intended configuration of each Parcel to accommodate the

development of the Property, Developer and any Parcel Owner may modify the configuration of each Parcel or divide a Parcel into new parcels, lots, and/or tracts, through a new subdivision process which would include approval of a preliminary plat and final plat, or subsequent replat (each a "**Replat**"); provided, however, the Parties acknowledge and agree that the Conceptual Parcel Map in this Agreement shall govern the identification of Parcels for purposes of this Agreement (by way of example, if a Final Plat is approved that splits Parcel M into two parcels, both parcels shall be considered Parcel M for purposes of this Agreement as shown in the Conceptual Parcel Map). Any plat or Replat shall be subject to all ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing, or as may be amended or adopted in the future.

5.3 Master Plans. Developer shall prepare and submit to the City, for City's approval, the master infrastructure plans, which include the Master Wastewater Infrastructure Plan, Master Water Infrastructure Plan and the Master Roadway Infrastructure Plan described in Sections 5.3.1 through 5.3.3, alongside the Master Preliminary Plat application in accordance with this Section 5.3 (each a "**Master Infrastructure Plan**, and together, the "**Master Infrastructure Plans**"). All Master Infrastructure Plans submitted by Developer pursuant to the Article must be supported by an engineer's design report, prepared and sealed by an Arizona registered professional engineer. Developer shall submit all Master Infrastructure Plans and their corresponding Engineer's Design Report with the Master Preliminary Plat application.

Any proposed change to a plat, land use, density, intensity, infrastructure design, or development sequence that affects an assumption, capacity, alignment, access arrangement, or construction sequence reflected in an approved Master Infrastructure Plan or Engineer's report shall require submittal and City approval of the affected plan and report amendments before approval of the affected engineering or improvement plans or authorization of the affected construction.

5.3.1 Master Wastewater Infrastructure Plan. Developer shall prepare and submit to the City, for City's approval, a master wastewater infrastructure plan identifying the wastewater infrastructure improvements that will be needed to provide wastewater service for each Phase of the Project, which, upon approval by the City, shall constitute the "**Master Wastewater Infrastructure Plan**" under this Agreement. The Master Wastewater Infrastructure Plan shall be consistent with the Conceptual Sewer Master Plan in **Exhibit C**. The Master Wastewater Infrastructure Plan shall be submitted with an engineer's design report to confirm pipe size is adequate, and shall evaluate wastewater flows, collection-system capacity, pipe sizing, connection points, downstream constraints, and the improvements and sequencing necessary to serve each Phase and the Property at full buildout, which, for purposes of this Agreement, upon approval by the City will be known as the "**Approved Wastewater Engineer's Design Report**." No Parcel shall be developed in a manner that exceeds the capacity within the Trunk Wastewater Infrastructure Improvements, as determined by the Approved Wastewater Engineer's Design Report (as such report may be amended with the approval of the City). Any changes to the Master Preliminary Plat or Final Plat that may impact the Infrastructure will require an approved amendment to the Master Infrastructure Plans.

5.3.2 **Master Water Infrastructure Plan**. Developer shall prepare and submit to the City, for City's approval, a master water infrastructure plan identifying the water infrastructure improvements that will be needed to provide water (both potable and non-potable) service for each Phase of the Project, which, upon approval by the City, shall constitute the "**Master Water Infrastructure Plan**" under this Agreement. The Master Water Infrastructure Plan shall be consistent with the Conceptual Water Master Plan in **Exhibit D**. The Master Water Infrastructure Plan shall be submitted with an engineer's design report to confirm pipe size is adequate, and shall evaluate demands at each Phase and at full buildout, available supply and system capacity, pipe size, operating pressures, required fire flows, connection points, system looping, and construction sequencing, which, for purposes of this Agreement, upon approval by the City will be known as the "**Approved Water Engineer's Design Report**". No Parcel shall be developed in a manner that will exceed the capacity within the Trunk Water Infrastructure Improvements, as determined by the Approved Water Engineer's Design Report (as such report may be amended with the approval of the City). Any changes to the Master Preliminary Plat or Final Plat that may impact the Infrastructure will require an approved amendment to the Master Infrastructure Plans.

5.3.3 **Master Roadway Infrastructure Plan**. Developer shall prepare and submit to the City, for City's approval, a master roadway infrastructure plan identifying the roadway infrastructure improvements, rights-of-way, access rights, and construction sequence necessary to serve each Phase of the Project at full buildout, which, upon approval by the City, shall constitute the "**Master Roadway Infrastructure Plan**" under this Agreement. The Master Roadway Infrastructure Plan must identify the provision of secondary access to each Parcel and identify how and when such access will be developed. City may refuse development on any Parcel that does not have both primary and secondary access. The Master Roadway Infrastructure Plan must not allow for "scalloped streets." For purposes of this Agreement, "scalloped streets" means discontinuous roadway improvements that leave intervening unimproved segments or abrupt changes in pavement width, alignment, drainage, or pedestrian facilities that fail to meet applicable City requirements. The Master Roadway Infrastructure Plan shall be consistent with the Conceptual Roadway Master Plan in **Exhibit E**, provided that **Exhibit E** does not allow for "scalloped streets".

5.3.4 The wastewater infrastructure, water infrastructure, and roadway infrastructure improvements identified in the approved Master Infrastructure Plans (which includes the Trunk Infrastructure Improvements and the branch sewer and water lines identified within the Master Infrastructure Plans) shall constitute the "**Offsite Infrastructure Improvements**" for purposes of this Agreement. The Offsite Infrastructure Improvements identified in the approved Master Infrastructure Plans constitute both the master (trunk) offsite improvements required to provide the development opportunity for the Property as well as the branch sewer and water lines located on each Parcel to connect to the Trunk Infrastructure Improvements. However, such improvements are not necessarily reflective of all infrastructure improvements required for the development of each Parcel (including, but not limited to, additional sewer and water lines, drainage improvements or streets within each Parcel as may be required by the City in accordance with applicable City ordinances, rules, regulations, standards, procedures and administrative policies of the City. In addition to the Offsite Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure

Plans upon approval by the City), the City reserves the right to require additional offsite improvements and/or dedications as required for the development of each Parcel in accordance with Arizona law, the City's ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing, or as may be amended or adopted in the future. In the City's discretion, all water and wastewater infrastructure shall be designed and built in a contiguous and operationally practical fashion. The water system shall be looped to reduce dead ends. These requirements shall apply to all Master Infrastructure Plans.

5.4 Right-of-Way Dedications. The Master Preliminary Plat shall identify the existing half-street right-of-way dedications and any additional right-of-way dedications to be made (and associated roadway improvements to be constructed) as part of the development of the Project for the following roadways within or adjacent to the Property: (i) Avenue D, (ii) 24th Avenue, (iii) County 24 ½ Street, (iv) Avenue E, and (v) County 25th Street. Any future development of the Property must not allow for "scalloped streets". Unless half streets are permitted by the City's ordinances, rules, regulations, standards, procedures, or administrative policies of the City now existing, or as may be amended or adopted in the future, no half streets will be allowed, all right of way dedications, together with previous half street dedications, will comply with the City's full street dedication requirements; provided, however, notwithstanding the foregoing, in no event shall Developer or any Parcel Owner be required to dedicate any right-of-way for any property that is not a Parcel subject to this Agreement. This limitation shall not relieve Developer or a Parcel Owner of the obligation to obtain property rights necessary for its required improvements, or an alternative design approved by the City, before the applicable approval or construction milestone. The City shall have no obligation under this Agreement to acquire or condemn property or to fund the acquisition of property rights for Developer or a Parcel Owner.

5.4.1 Existing Right-of-Way Dedications. The Parties recognize and agree that certain half-street right-of-way dedications for County 25th Street, Avenue E, 24th Avenue, Avenue D and County 24 ½ Street have already been made, as shown on the Conceptual Roadway Master Plan in Exhibit E. The City will require additional right-of-way dedications for certain Parcels as set forth in Article IX of this Agreement.

5.4.2 New Right-of-Way Dedications. The Parties recognize and agree that the new/additional right-of-way dedications for public roads shall be identified in the Master Preliminary Plat and shall be in accordance with Article IX of this Agreement. For any new right-of-way dedications for County 25th Street, Avenue E, 24th Avenue, Avenue D and County 24 ½ Street that have not yet been dedicated to the City per Article IX herein, such dedications shall be made to the City within ninety (90) days from the Effective Date of this Agreement via a Final Plat, map of dedication or separate instrument to effectuate a right-of-way dedication as approved by the City. The right-of-way dedications shall include the necessary visibility triangles.

5.5 Phasing of Improvements; Assurances. To accommodate the phased development of the Property, the construction of the subdivision improvements for the Property (including, but not limited to, the Offsite Infrastructure Improvements) will be constructed in phases as each Parcel develops in accordance with this Agreement. The Offsite Infrastructure Improvements identified in the approved Master Infrastructure Plans constitute the master (trunk) offsite improvements required to provide the development opportunity for the Property as well as

the branch sewer and water lines located on each Parcel to connect to the Trunk Infrastructure Improvements as currently designed and planned, and any amendments may require additional infrastructure improvements as required by the City. However, such improvements are not necessarily reflective of all infrastructure improvements required for the development of each Parcel (including, but not limited to, additional sewer and water lines, drainage improvements or streets within each Parcel as may be required by the City in accordance with applicable City ordinances, rules, regulations, standards, procedures and administrative policies of the City. For other offsite improvements not specifically set forth in this Agreement or the Master Infrastructure Plans, the City reserves the right to require additional offsite improvements and/or dedications as required for the development of each Parcel in accordance with the City's ordinances, rules, regulations, standards, procedures, and administrative policies of the City, including provision for adequate financial assurances, now existing, or as may be amended or adopted in the future. Such additional offsite infrastructure improvements, right-of-way dedications, or easement dedications shall be made either as a condition of rezoning, as a condition for the issuance of any building permit, as a condition for a variance, or as part of the approval of any Final Plat. Except for the Offsite Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), any development of the Property or any Parcel shall be subject to all ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing or as may be amended or adopted in the future as existing at the time of development. In developing the Offsite Infrastructure Improvements adequate financial assurances shall be posted.

5.6 Initial Lot Split for Parcel Q-3. Developer may submit a lot split application to the City (including prior to any Final Plat for a Parcel) to establish the parcel boundaries for Parcel Q-3 (the "**Initial Lot Split**"). The City shall process and approve the Initial Lot Split as a lot split through the lot split application without requiring a Final Plat. Alongside the submittal of the lot split application for the Initial Lot Split, Developer shall submit to the City improvement plans for the improvements required under this Section. Approval of the Initial Lot Split shall be conditioned upon the following improvements for Parcel Q-3, which shall be constructed or installed by the Parcel Owner of Parcel Q-3: (a) construction of the 50-foot half-street segment of County 25th Street adjacent to Parcel Q-3, including required curb cuts and driveways; provided, however, that no sidewalks shall be required; (b) a water main tap for domestic and fire services (it being acknowledged that there is an existing 10-inch water main within County 25th Street along the frontage of Parcel Q-3 that is already installed); (c) a 15-inch sewer main extension within County 25th Street along the frontage of Parcel Q-3; (d) a retention basin to handle stormwater runoff from County 25th Street; and (e) landscaping along the County 25th Street frontage of Parcel Q-3. Before final approval and authorization to record the Initial Lot Split, the required improvement plans shall be approved, required financial assurances shall be posted, and dedications and easements then required shall be executed and recorded or provided for recording concurrently with the division documents.

5.7 Special Taxing Districts. Developer will agree to the formation of a street lighting improvement district to pay for the costs to operate and maintain required streetlights required as a result of the development of the Property and any enhanced municipal district needed to provide required municipal services to the Property.

ARTICLE VI
MASTER OFFSITE INFRASTRUCTURE / TRUNK INFRASTRUCTURE

6.1 **Offsite Infrastructure Phasing**. In recognition of the Project phasing, the City agrees that the Offsite Infrastructure Improvements may be constructed by Developer in phases as each Parcel within the Project develops. In addition to the Offsite Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), the City reserves the right to require additional offsite improvements and dedications in accordance with Arizona law, its ordinances, rules, regulations, standards, procedures, and administrative policies, now existing or as may be amended or adopted in the future, and any rezoning, plat, lot split, variance, conditional use permit, or building permit may be so conditioned. Except for the right-of-way dedications for the public roadways as set forth in Article IX (which shall be dedicated within 90 days from the Effective Date of this Agreement), required infrastructure improvements shall be made at the time of the development of a Parcel and right-of-way dedications or easement dedications for a Parcel shall be made either at the time of rezoning, as a condition for the issuance of any building permit, or as part of the approval of any Final Plat, variance, or conditional use permit.

6.2 **Trunk Wastewater Infrastructure Improvements**. As conceptually shown by the Conceptual Sewer Master Plan in **Exhibit C**, the following trunk wastewater infrastructure improvements will be needed to accommodate necessary wastewater connections in order to provide wastewater service for each Phase of the Project (collectively, the "**Trunk Wastewater Infrastructure Improvements**") – Developer shall submit the corresponding Engineer's report required by Section 5.3 to demonstrate that the proposed facilities are adequate and meet applicable City requirements. The stated pipe diameters are subject to modification through the City-approved Master Wastewater Infrastructure Plan and Approved Wastewater Engineer's Design Report.

6.2.1 A 15-inch sewer main extension within 24th Avenue from County 25th Street to County 24 ½ Street, as further identified, specified or modified by the Master Wastewater Infrastructure Plan approved by the City (the "**24th Avenue Sewer Main Extension**").

6.2.2 A 15-inch sewer main extension within County 25th Street from the existing sewer main at/near the eastern boundary of Parcel Q-3 to Avenue E, as further identified, specified or modified by the Master Wastewater Infrastructure Plan approved by the City (the "**County 25th Street Sewer Main Extension**").

6.2.3 A 15-inch sewer main at/near the shared property line of Parcel S and Parcel R to the northern boundary of Parcel S and Parcel R, as further identified, specified or modified by the Master Wastewater Infrastructure Plan approved by the City (the "**Parcel S-R Sewer Main Extension**").

6.2.4 Development and connection of each Parcel shall comply with the capacity limitations described in the approved Master Infrastructure Plans described in Section 5.3. No

Parcel shall be developed in a manner that will cause the capacity within the Trunk Wastewater Infrastructure Improvements to be exceeded, as determined by the Approved Wastewater Engineer's Design Report (as such report may be amended with the approval of the City).

6.3 Trunk Water Infrastructure Improvements. As conceptually shown by the Conceptual Water Master Plan in **Exhibit D**, the following trunk water infrastructure improvements will be needed to accommodate necessary water connection in order to provide water service for each Phase of the Project (collectively, the "**Trunk Water Infrastructure Improvements**") - Developer shall provide an engineer's report to ensure that such pipe sizes are adequate and meet the City's requirements:

6.3.1 A 10-inch water main extension within County 24 ½ Street from Avenue D to Avenue E, as further identified, specified or modified by the Master Water Infrastructure Plan approved by the City (the "**County 24 ½ Street Water Main Extension**").

6.3.2 A 10-inch water main extension within 24th Avenue from County 25th Street to County 24 ½ Street, as further identified, specified, or modified by the Master Water Infrastructure Plan approved by the City (the "**24th Avenue Water Main Extension**").

6.3.3 A 10-inch water main extension at/near the shared property line of Parcel S and Parcel R to the northern boundary of Parcel S and Parcel R, as further identified, specified, or modified by the Master Water Infrastructure Plan approved by the City (the "**Parcel S-R Water Main Extension**").

6.3.4 No Parcel shall be developed in a manner that will cause the capacity within the Trunk Water Infrastructure Improvements to be exceeded, as determined by the Approved Water Engineer's Design Report (as such report may be amended with the approval of the City).

6.4 Reserved.

6.5 Construction Obligations. In recognition of the fact that the development of the Project will occur in Phases, in order to ensure the orderly development of each Parcel, as each Parcel within the Project develops, each Parcel shall have the following construction obligations:

6.5.1 Trunk Infrastructure Improvements. At the time of development of a Parcel, the Parcel Owner of such Parcel being developed shall construct, at its sole cost and expense (subject to reimbursement in accordance with Section 10.1 of this Agreement), the portion of the Trunk Wastewater Infrastructure Improvements and the Trunk Water Infrastructure Improvements which are necessary (and have not yet been developed) to provide water and sewer service to such Parcel being developed. Upon completion, the portion of the Trunk Wastewater Infrastructure Improvements and Trunk Water Infrastructure Improvements constructed by the Parcel Owner shall be dedicated to the City for ownership, operation, and maintenance in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City.

6.5.2 Branch Connections. At the time of development of a Parcel, the Parcel Owner of such Parcel being developed shall construct, at its sole cost and expense (subject to

potential reimbursement in accordance with Section 10.2), the branch water line and sewer line improvements located on its Parcel and the branch water line and sewer line improvements located on any other Parcels that are necessary for such Parcel to connect the Trunk Wastewater Infrastructure Improvements and Trunk Water Infrastructure Improvements in accordance with the Master Wastewater Infrastructure Plan and Master Water Infrastructure Plan. To the extent branch lines are required to be constructed on another Parcel in order to connect to the Trunk Infrastructure Improvements, the Parcel Owner of the Parcel being developed shall be responsible for constructing such branch lines on the other Parcel (and such other Parcel Owner shall grant the easements required by Section 6.6 for the construction and installation of such infrastructure improvements), subject to future reimbursement from the non-constructing Parcel Owner in accordance with Section 10.2. Upon completion, the branch water line and sewer line improvements constructed by the Parcel Owner shall be dedicated to the City for ownership, operation, and maintenance in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City.

6.5.3 Extension to Parcel Edges. In order to accommodate future connections as other Parcels develop, each Parcel Owner developing its Parcel shall be required to extend the Trunk Infrastructure Improvements and the other branch line water and sewer improvements to be constructed by such Parcel Owner to the edges of such Parcel Owner's Parcel in accordance with the approved Master Wastewater Infrastructure Plan and Master Water Infrastructure Plan. The City shall not issue any permits for the construction of water and sewer improvements on a Parcel unless the submitted/approved water and sewer plans for such Parcel comply with the requirements of this Section 6.5.3.

6.5.4 Submittal of Plans to Developer: To ensure compliance with the requirements in Section 6.5.3, each Parcel Owner that submits development plans to the City for the development of its Parcel shall provide copies of each submittal (and resubmittal) of water and sewer plans submitted to the City within five (5) days thereof. Developer shall have the opportunity to request revisions to such plans to the extent necessary to comply with Section 6.5.3, and, in such case, the developing Parcel Owner shall be required to make any such revisions to the development plans to the extent necessary to comply with Section 6.5.3, and, upon revision, shall resubmit the revised plans to the City.

6.6 Easements & Dedications. The Parties acknowledge and agree that, depending on the order of development of the Parcels within the Project, a Parcel Owner may need to construct Trunk Infrastructure Improvements or other branch wastewater or water infrastructure improvements in order to provide necessary connections and service to a developing Parcel in accordance with the Master Wastewater Infrastructure Plan and Master Water Infrastructure Plan. In such case, upon written request from the Parcel Owner developing its Parcel, the other Parcel Owner (of such Parcel upon which the infrastructure improvements are required to be placed) shall grant appropriate temporary construction, sewer and water easements in the form and of a location and size required by the City and as necessary to accommodate the construction of wastewater and water infrastructure improvements in accordance with the Master Wastewater Infrastructure Plan and Master Water Infrastructure Plan. Further, upon completion of such infrastructure improvements, the Parcel Owners shall mutually cooperate in dedicating such completed

infrastructure improvements to the City in the manner required by the City's ordinances, rules, regulations, standards, procedures, and administrative policies.

6.7 Construction by Other Parcel Owners. Any Parcel Owner shall have the right to construct all or any portion of the Trunk Infrastructure Improvements by providing written notice to the Parties, provided a Parcel Owner responsible for constructing such offsite improvements under this Agreement has not commenced construction of such portion of the Trunk Infrastructure Improvements.

ARTICLE VII
WASTEWATER INFRASTRUCTURE

7.1 Trunk Wastewater Improvements. The Trunk Wastewater Infrastructure Improvements specified in Section 6.2 constitute the trunk wastewater infrastructure improvements for the Project and will serve the other Parcels within the Project. In addition to the Trunk Wastewater Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), the City expressly has the right to require additional wastewater infrastructure improvements for the development of any Parcel in accordance with Arizona law and the City's ordinances, rules, regulations, standards, procedures, and administrative policies, now existing or as may be amended or adopted in the future, and may so condition any rezoning, plat, lot split, variance, conditional use permit, or issuance of any building permit.

With respect to all wastewater infrastructure required by this Article, all wastewater collection systems shall have stub outs adequately sized to serve other parcels within the service area.

7.2 Dedication. In accordance with the City's dedication requirements and process, upon completion, the wastewater infrastructure improvements constructed by a Parcel Owner will be dedicated to the City for ownership, operation, and maintenance, in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City. City maintenance will only be in the public right of way.

7.3 City Services. After the Parcel Owner has satisfied the requirements for connection under this Agreement and other City requirements, and subject to the construction and dedication of the wastewater infrastructure improvements as may be required for each Parcel as set forth in this Agreement, the City agrees to provide wastewater service to each Parcel, subject to the ordinances, resolutions, rules, regulations, standards, procedures, and administrative policies of the City, as may exist at the time of development of said Parcel.

ARTICLE VIII
WATER INFRASTRUCTURE

8.1 Trunk Water Improvements. The Trunk Water Infrastructure Improvements constitute the trunk water infrastructure improvements for the Project and will serve the other Parcels within the Project. In addition to the Trunk Water Infrastructure Improvements (the size,

location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), the City expressly has the right to require additional water infrastructure improvements for the development of any Parcel in accordance with Arizona law and the City's ordinances, rules, regulations, standards, procedures, and administrative policies, now existing or as may be amended or adopted in the future, and may so condition any rezoning, plat, lot split, variance, conditional use permit, or issuance of any building permit. Water line improvements will be constructed such as to provide looped systems and avoid dead end lines as much as possible.

8.2 Dedication. In accordance with the City's dedication requirements and process, upon completion, the water infrastructure improvements installed with each Parcel will be dedicated to the City for ownership, operation, and maintenance, in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City.

8.3 City Services. Subject to the construction and dedication of the water infrastructure improvements constructed by a Parcel Owner will be dedicated to the City for ownership, operation, and maintenance, in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City. City maintenance will only be in the public right of way.

ARTICLE VIV
ROADWAY INFRASTRUCTURE

9.1 Right-of-Way Dedications; Roadway Improvements. In accordance with the City's dedication requirements and process, upon the following right-of-way dedications and roadway improvements for section line and mid-section line streets shall be required to be dedicated and constructed alongside each Parcel. In addition to the right-of-way dedications and roadway improvements for section line and mid-section line streets (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans), the City expressly has the right to require additional right of way dedications and roadway improvements for other streets within each Parcel for the development of such Parcel in accordance with Arizona law and the City's ordinances, rules, regulations, standards, procedures and administrative policies, now existing or as may be amended or adopted in the future, and may so condition any rezoning, plat, lot split, variance, conditional use permit, or issuance of any building permit. In addition, with respect to the right-of-way dedications and roadway improvements for section line and mid-section line streets as set forth in this Agreement and the Master Infrastructure Plans, the City reserves the right to require additional right-of-way from a Parcel as a condition to development of such Parcel to accommodate deceleration lanes and/or right-turn pockets that are warranted by a traffic impact analysis.

9.1.1 Parcel K. The Parcel Owner of Parcel K shall be required to dedicate (to the extent not already dedicated) and construct the 40-foot half-street segment of Avenue D adjacent to Parcel K and the 40-foot half-street segment of County 24 ½ Street adjacent to Parcel K, as identified in the Conceptual Roadway Master Plan in **Exhibit E**.

9.1.2 Parcel L. The Parcel Owner of Parcel L shall be required to dedicate (to the extent not already dedicated) and construct the 40-foot half-street segment of County 24 ½ Street adjacent to Parcel L and the 40-foot half-street segment of 24th Avenue adjacent to Parcel L, as identified in the Conceptual Roadway Master Plan in **Exhibit E**.

9.1.3 Parcel M. 9.1.14 Additional Right-of-Way at Roadway Intersections. The Parties recognize and agree that additional right-of-way shall be dedicated at the following roadway intersections to provide for adequate site visibility triangles in accordance with the City's standards for site visibility triangles at roadway intersections: (i) southeast corner of intersection of Avenue E and County 24 ½ Street (to be dedicated by Parcel N); (ii) southwest corner of intersection of County 24 ½ Street and 24th Avenue (to be dedicated by Parcel M); (iii) southeast corner of intersection of County 24 ½ Street and 24th Avenue (to be dedicated by Parcel L); (iv) southwest corner of intersection of Avenue D and County 24 ½ Street (to be dedicated by Parcel K); (v) northeast corner of intersection of 24th Avenue and County 25th Street (to be dedicated by Parcel Q-2); (vi) northwest corner of intersection of 24th Avenue and County 25th Street (to be dedicated by Parcel R); and (vii) northeast corner of intersection of Avenue E and County 25th Street (to be dedicated by Parcel T).

9.1.15 Additional Roadways. The right-of-way dedications and roadway improvements for section line streets and mid-section line streets are established by this Agreement (and the Master Infrastructure Plans upon approval by the City). The City expressly has the right to require additional right of way dedications and roadway improvements for other streets within each Parcel for the development of such Parcel or other Parcels within the Property in accordance with Arizona law and the City's ordinances, rules, regulations, standards, procedures and administrative policies, now existing or as may be amended or adopted in the future, and may so condition any rezoning, plat, lot split, variance, conditional use permit, or issuance of any building permit. In addition, with respect to the right-of-way dedications and roadway improvements for section line and mid-section line streets as set forth in this Agreement and the Master Infrastructure Plans, the City reserves the right to require additional right-of-way from a Parcel as a condition to development of such Parcel to accommodate deceleration lanes and/or right-turn pockets that are warranted by a traffic impact analysis.

9.1.16 Timing. All right-of-way dedications as set forth in this Article IX shall be dedicated to the City (to the extent not already dedicated) within ninety (90) days from the Effective Date of this Agreement via a Final Plat, map of dedication or separate instrument to effectuate a right-of-way dedication as approved by the City (except for additional right-of-way to be dedicated pursuant to Section 9.1.17, which shall be dedicated prior to development of a Parcel). The physical roadway improvements for each Parcel shall be part of the subdivision improvements associated with a Parcel and shall be constructed as a condition to the City's issuance of a building permit to develop vertical improvements on such Parcel. In the event of development without further platting of a Parcel, infrastructure improvements including roadway, sidewalks, water, wastewater, and street lighting shall be required as a condition of the issuance of a building permit.

9.1.17 Deceleration Lanes; Right-Turn Pockets. Notwithstanding anything to the contrary in this Agreement, the City reserves the right to require additional right-of-way from a Parcel as a condition to the development of such Parcel to accommodate deceleration lanes and/or right-turn pockets that are warranted by a traffic impact analysis. Any additional right-of-way dedications required pursuant to this Section 9.1.17 shall be made prior to the development of such Parcel and as a condition to the development of such Parcel.

ARTICLE X
REIMBURSEMENT FOR INFRASTRUCTURE IMPROVEMENTS

10.1 Reimbursement for Trunk Infrastructure Improvements. The Parties recognize and agree that the Trunk Wastewater Improvements and Trunk Water Improvements will be upsized to serve other Parcels within the Property and, therefore, will provide the development opportunity to the other Parcels within the Property. As such, Developer intends to apply to the City for a payback agreement with the City for the Trunk Wastewater Improvements and Trunk Water Improvements in accordance with City ordinances, which, if approved by the City, would result in the City collecting monies from Parcel Owners (and potentially other property owners outside the Property) seeking to connect to the Trunk Wastewater Improvements and Trunk Water Improvements and remitting an amount to the Parcel Owner(s) who installed such improvements in accordance with the terms of the payback agreement (the "**Payback Agreement**"). The approval of the Payback Agreement is at the discretion of the City. As such, Developer also desires to establish a private covenant via this Agreement, which shall burden and benefit each Parcel, for the reimbursement of the Trunk Wastewater Improvements and Trunk Water Improvements in the event a Payback Agreement is not entered into with the City (either because a Payback Agreement is not applied for or because the City does not approve a Payback Agreement). In the event a Payback Agreement with the City is not approved by the City (regardless whether a Payback Agreement has been applied for) at the time a Parcel Owner connects to any Trunk Wastewater Improvements or Trunk Water Improvements that were installed prior to the development of such Parcel Owner's Parcel, the private reimbursement obligations in Section 10.1.1 shall apply.

10.1.1 Each Parcel Owner that taps into the Trunk Wastewater Improvements or Trunk Water Improvements, shall be required to provide reimbursement to the Parcel Owner(s) that installed such improvements by paying a connection fee ("**Connection Fee**") to the Parcel Owner(s) that installed such improvements. Each Parcel Owner that connects to the following trunk infrastructure improvements shall be required to provide a Connection Fee to the Parcel Owner(s) who installed such improvement in an amount equal to its pro rata share (calculated based on gross acreage of the Parcels) of the total costs of constructing the following trunk infrastructure improvements: (i) the Trunk Wastewater Infrastructure Improvements, and (ii) the Trunk Water Infrastructure Improvements. For purposes of determining the amount of the Connection Fee, the "total costs" of constructing the Trunk Infrastructure Improvements shall include the construction contract price, the inspection and permit fees paid to the City, the engineering fees required for the preparation of plans and specifications, and the costs of acquiring the necessary property rights and/or easements to construct and install the Trunk Infrastructure Improvements. A Parcel Owner who installed any portion of the Trunk Infrastructure Improvements shall provide written request for reimbursement (a "**Reimbursement Request**") to

a Parcel Owner who has connected to the trunk infrastructure improvements that the requesting Parcel Owner installed. The Reimbursement Request shall include proof of payment and copies of all invoices (including from contractors and/or subcontractors who performed the work) demonstrating the total costs; and a Parcel Owner shall provide payment to the requesting Parcel Owner within 60 days of receiving the Reimbursement Request. The reimbursement obligations set forth in this Section 10.1.1 shall be private obligations enforceable by each Parcel Owner. The Parties recognize and agree that the City shall have no responsibility whatsoever for enforcing any such obligations. The obligation of a Parcel Owner to reimburse another Parcel Owner that installed the trunk water infrastructure improvements per this Section 10.1.1 shall be a private restriction that runs with, burdens and benefits the Parcels and shall inure to the benefit of and be binding upon the successors and assigns of the Parcel Owners.

10.1.2 For any additional offsite improvements required by the City (other than the Trunk Infrastructure Improvements established by this Agreement and the Master Infrastructure Plans upon approval by the City), a Parcel Owner responsible for constructing such additional offsite improvements shall be entitled to apply for a payback agreement with the City in accordance with City ordinances.

10.2 Reimbursement for Other Infrastructure Improvements. Per Section 6.5.2 of this Agreement, depending on the order of development of other Parcels, a Parcel Owner may be required to construct branch water line and sewer line improvements on another Parcel Owner's Parcel that would have been constructed by such other Parcel Owner (at such Parcel Owner's sole cost and expense) had such other Parcel Owner developed first. Accordingly, each Parcel Owner upon the development of its Parcel shall be required to reimburse any other Parcel Owner that previously constructed branch lines on its Parcel by paying a Connection Fee in an amount equal to one hundred percent (100%) of the total costs of constructing such branch lines located within the Parcel of the reimbursing Parcel Owner. For purposes of determining the amount of the Connection Fee, the "total costs" of constructing the branch lines shall include the construction contract price, the inspection and permit fees paid to the City, the engineering fees required for the preparation of plans and specifications, and the costs of acquiring the necessary property rights and/or easements to construct and install the Trunk Infrastructure Improvements.

ARTICLE XI
DEFAULT; TERMINATION

11.1 Default; Remedies; Effect of Termination. It shall be a default under this Agreement (a "**Default**") if any Party fails to perform any of its obligations under this Agreement, and such failure continues for a period of thirty (30) days after written notice from the non-defaulting Party specifying in reasonable detail the nature of such failure.

11.2 Parcel Owner's Remedies. If City is in Default under this Agreement (beyond any applicable cure period) and the Parties are unable to resolve City's Default, Developer and other Parcel Owners shall not have the right to terminate this Agreement, but shall have the right to pursue all other legal and equitable remedies which such Developer or Parcel Owner may have at law or in equity, including, without limitation, the right to seek specific performance requiring the City to fully and timely perform its obligations under this Agreement, the right to seek and obtain

damages, and the right to self-help; provided the City shall in no event be liable for punitive, incidental or consequential damages.

11.3 City's Remedies. If a Parcel Owner is in Default under this Agreement (beyond any applicable notice and cure period) and the Parties are unable to resolve the Parcel Owner's Default, City shall have the right to pursue any rights or remedies at law or in equity including the rights and remedies provided hereunder; provided that a Parcel Owner shall in no event be liable for punitive, incidental or consequential damages. If Developer is in Default under this Agreement (beyond any applicable notice and cure period) and the Parties are unable to resolve the Developer's Default, then in addition to the remedies in the preceding sentence, City shall have the additional right to terminate this Agreement upon written notice to the Parties.

11.4 Effect of Event of Termination. Upon the termination of this Agreement, this Agreement shall become null and void and no Party shall have any further rights or obligations hereunder except those obligations which expressly survive termination.

ARTICLE XII

13.5 Successors and Assigns. No City consent shall be required for an assignment to an entity owned or controlled by, or under common control with, Developer. If the City does not respond to a written request for consent to an assignment within ten (10) business days after receipt of such request, the City's consent shall be deemed granted.

13.6 Waiver. No waiver by a Party of any breach of any of the terms, covenants or conditions of this Agreement shall be construed or held to be a waiver of any succeeding or preceding breach of the same for any other term, covenant or condition herein contained.

Any such statement may be relied upon by any existing or prospective lender, title insurer, assignee, or other third party. D. The Parties desire to enter into this Agreement to accommodate the orderly development of the Property in multiple phases and to establish certain infrastructure obligations related to the development of each Phase (hereinafter defined) of the Project.

E. The City hereby acknowledges and agrees that significant benefits will accrue to the City from development of the Project by Developer, including, without limitation, development that results in orderly growth in the City, promotes additional economic development, and will increase housing choices and introduce new housing in the City.

F. The Parties hereto acknowledge that this Agreement constitutes a "**Development Agreement**" within the meaning of Arizona Revised Statutes ("A.R.S.") § 9-500.05, and that, in accordance therewith, it shall be recorded against the interest of City and Developer in the Property, in the Office of the Yuma County Recorder to give notice to all persons of its existence.

NOW, THEREFORE, in consideration of the premises and the mutual obligations of the Parties hereto, the Parties agree as set forth below:

THE AGREEMENT

2.1 **Duration of Development Agreement.** The term of this Agreement shall commence on the Effective Date and shall terminate on the date which is fifteen (15) years after the Effective Date (the "**Termination Date**"). No notice of such termination is or shall be required.

ARTICLE III
ZONING

3.1 Existing Zoning; Zoning Amendments. The Property is currently zoned R1-6 (Single Residence Zoning District – Medium Density), R-2 (Multiple Residence Zoning District – Medium-High Density Residential), R-3 (Multiple Residence Zoning District – High Density Residential) and C-2 (Community Commercial). Developer and any Parcel Owner, at any time, may submit a request to the City to rezone any portion of the Property to accommodate the development of the Property by Developer or a Parcel Owner (each, a "**Rezone Application**"). If a Rezone Application is submitted, the Developer or Parcel Owner who submitted the Rezone Application will prepare and provide to the City all necessary application materials needed for the City to process the Rezone Application and place the Rezone Application on a City Council agenda for decision, and the City shall use good faith efforts to place such Rezone Application on a City Council agenda. Any decision regarding such application shall be subject to the sole discretion of the City Council.

ARTICLE IV
PROJECT / DEVELOPMENT OF THE PROPERTY

4.1 Project Regulation of Development. The Property shall be developed in accordance with this Agreement and all applicable regulations and development requirements of the City, including provision of adequate financial assurances, in effect at the time of development for each Phase, except for the Offsite Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City). In developing the Offsite Infrastructure Improvements adequate financial assurances shall be posted. Permitted uses on the Property shall be in accordance with the underlying zoning for the Property, subject to any subsequent rezoning or modified entitlements approved by the City for the Property. Notwithstanding the foregoing, nothing in this Agreement shall in any way affect the applicability or inapplicability of zoning regulations to public school uses under State law. Developer and Parties agree that public and charter schools are subject to building regulations. With respect to the Offsite Infrastructure Improvements only, this Agreement governs and controls over conflicting ordinances, rules, regulations, standards, procedures, and administrative policies of the City.

4.2 Phasing. The Property shall be developed in multiple phases. Each Parcel identified on the Conceptual Parcel Map in **Exhibit B** constitutes a development "**Phase**." To accommodate the orderly construction of public infrastructure improvements (including wastewater, water, and roadway infrastructure improvements as set forth in this Agreement) needed to serve the entire Property upon full buildout, the Property shall be developed in the following sequence:

1.	Parcel 1 shall be developed prior to any other Phase.

2.	Following the construction completion of the Parcel 1 Offsite Infrastructure Improvements, the following Phases may be developed:	Parcel 2
3.	Following the construction of the Parcel 2 Offsite Infrastructure Improvements, the following Phases may be developed (in any order), except as provided in Section 4.2.1 below:	Parcel A Parcel B Parcel C Parcel E Parcel F
4.	Following the construction completion of the Parcel E Offsite Infrastructure Improvements, the following Phases may be developed (in any order), except as provided in Section 4.2.1 below:	Parcel D Parcel G Parcel H Parcel I Parcel J

In the event that Parcels are developed other than in accordance with the sequence set forth herein and Section 4.2.1 below, the City shall have the right to require such water, wastewater, roadway, or such other infrastructure improvement that it deems appropriate (in accordance with all ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing or as may be amended or adopted in the future) as a condition for any City approval for development of said Parcel. This may be a condition for approval of rezoning, conditional use permit, variance, lot split, subdivision plat, or building permit.

4.2.1 To ensure wastewater and water infrastructure is installed on adjacent Parcels as needed to facilitate a Parcel's wastewater/water branch line connections to the Trunk Wastewater Infrastructure Improvements and Trunk Water Infrastructure Improvements within 24th Avenue, the following additional phasing requirements are imposed on the development of the Property:

(a) Parcel A: Parcel A shall not be developed until water line and wastewater improvements on Parcel B (as approved by the City) are constructed and connected to the Trunk Wastewater Infrastructure Improvements and Trunk Water Infrastructure Improvements.

(b) Parcel I: Parcel I shall not be developed until the water line and wastewater improvements on Parcel F and Parcel G (as approved by the City) are constructed and connected to the Trunk Wastewater Infrastructure Improvements and Trunk Water Infrastructure Improvements.

(c) Parcel J: Parcel J shall not be developed until the water line and wastewater improvements on Parcel G and Parcel H (as approved by the City) are constructed and connected to the Trunk Wastewater Infrastructure Improvements and Trunk Water Infrastructure Improvements.

4.2.2 Alongside the Master Preliminary Plat application (see Article V), Developer shall submit to the City, for the City's approval, a plan for sequential phasing of the Offsite Infrastructure Improvements (the "**Offsites Phasing Plan**").

4.3 **Conveyance of Phases; Other Parcel Owners**. The Parties recognize and agree that Developer may convey a Parcel to one or more subsequent property owners to develop such Parcel. Developer shall disclose this Agreement to any subsequent property owner. Any record owner of all or any portion of a Parcel shall be deemed a "**Parcel Owner**" under this Agreement and shall assume all rights and obligations under this Agreement as a Parcel Owner with respect to such Parcel acquired (for avoidance of doubt, a "Parcel Owner" includes Developer, the Somerton School District and the High School District with respect to such Parcel owned by such Party). Nothing in this Agreement shall prevent Developer, Somerton School District, or High School District from conveying one or more Parcels it owns to other subsequent owners. And neither Developer, Somerton School District, nor High School District shall be required to obtain the City's prior approval for the conveyance of a Parcel. Developer, High School District, Somerton School District, and Parcel Owners shall be subject to all ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing or as may be amended or adopted in the future, except as to the Offsite Infrastructure Improvements as set forth in this Agreement (and the Master Infrastructure Plan upon approval by the City). City may refuse to allow development on any Parcel if required improvements are not made in substance, manner or timing as set forth in this Development Agreement and other applicable ordinance, rules, regulations, standards, procedures and administrative policies of the City.

4.4 **Processing of Development Plans**. The City and Developer will cooperate in the processing of any permits, site plans, subdivision plats, or other development approvals (collectively, the "**Approvals**") required of or requested by Developer in connection with the development of each Phase of the Project.

ARTICLE V
PLATTING & MASTER SITE PLANNING

5.1 **Master Subdivision Plat**. Developer shall submit a preliminary subdivision plat application to the City identifying parcel/lot boundaries for each Parcel, consistent with the Conceptual Parcel Map (the "**Master Preliminary Plat**"). The Parties recognize and agree that the Master Preliminary Plat will require preliminary plat approval by the City's Planning Commission. The Master Infrastructure Plans (defined in Section 5.3 below) shall be submitted by Developer with the Master Preliminary Plat for the City's review and approval.

5.2 **Final Plat; Amendments/Replats**. Following the City's approval of the Master Preliminary Plat, the parcel/lot boundaries for the Property shall be established via one or more final plats (each a "**Final Plat**"). Each Final Plat may include one or more Parcels or a portion of a Parcel, as identified in the Conceptual Parcel Map and Master Preliminary Plat. Each Final Plat shall be subject to approval by the City Council and this Development Agreement shall in no way be interpreted to guarantee Final Plat approval if the Final Plat submission does not meet the City's policies and requirements for Final Plat approval. While the Conceptual Parcel Map and Master Preliminary Plat identify the intended configuration of each Parcel to accommodate the development of the Property, Developer and any Parcel Owner may modify the configuration of each Parcel or divide a Parcel into new parcels, lots, and/or tracts, through a new subdivision process which would include approval of a preliminary plat and final plat, or subsequent replat

(each a "**Replat**"); provided, however, the Parties acknowledge and agree that the Conceptual Parcel Map in this Agreement shall govern the identification of Parcels for purposes of this Agreement (by way of example, if a Final Plat is approved that splits Parcel G into two parcels, both parcels shall be considered Parcel G for purposes of this Agreement as shown in the Conceptual Parcel Map). Any plat or Replat shall be subject to all ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing, or as may be amended or adopted in the future.

5.3 Master Plans. Developer shall prepare and submit to the City, for City's approval, certain master infrastructure plans alongside the Master Preliminary Plat application in accordance with this Section 5.3 (each a "**Master Infrastructure Plan**, and together, the "**Master Infrastructure Plans**"). All Master Plans submitted by Developer pursuant to the Article must be supported by an engineer's design report.

5.3.1 Master Wastewater Infrastructure Plan. Developer shall prepare and submit to the City, for City's approval, a master wastewater infrastructure plan identifying the trunk wastewater infrastructure improvements that will be needed to provide wastewater service for each Phase of the Project, which, upon approval by the City, shall constitute the "**Master Wastewater Infrastructure Plan**" under this Agreement. The Master Wastewater Infrastructure Plan shall be consistent with the Conceptual Sewer Master Plan in **Exhibit E**.

5.3.2 Master Water Infrastructure Plan. Developer shall prepare and submit to the City, for City's approval, a master water infrastructure plan identifying the trunk water infrastructure improvements that will be needed to provide water (both potable and non-potable) service for each Phase of the Project, which, upon approval by the City, shall constitute the "**Master Water Infrastructure Plan**" under this Agreement. The Master Water Infrastructure Plan shall be consistent with the Conceptual Water Master Plan in **Exhibit F**.

5.3.3 Master Roadway Infrastructure Plan. Developer shall prepare and submit to the City, for City's approval, a master roadway infrastructure plan identifying the roadway infrastructure improvements that will serve each Phase of the Project, which, upon approval by the City, shall constitute the "**Master Roadway Infrastructure Plan**" under this Agreement. The Master Roadway Infrastructure Plan must identify the provision of secondary access to each Parcel and identify how and when such access will be developed. City may refuse development on any Parcel that does not have both primary and secondary access. The Master Roadway Infrastructure Plan must not allow for "scalloped streets". The Master Roadway Infrastructure Plan shall be consistent with the Conceptual Roadway Master Plan in **Exhibit G**, provided that **Exhibit G** does not allow for "scalloped streets".

5.3.4 The wastewater infrastructure, water infrastructure, and roadway infrastructure improvements identified in the approved Master Infrastructure Plans shall constitute the "**Offsite Infrastructure Improvements**" for purposes of this Agreement. The Offsite Infrastructure Improvements identified in the approved Master Infrastructure Plans constitute the master (trunk) offsite improvements required to provide the development opportunity for the Property; however, such improvements are not reflective of all infrastructure improvements required for the development of each Parcel (including, but not limited to, future branch sewer and

water lines and streets within each Parcel). In addition to the Offsite Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), the City reserves the right to require additional offsite improvements and/or dedications as required for the development of each Parcel in accordance with Arizona law, the City's ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing, or as may be amended or adopted in the future. In the City's discretion, all water and wastewater infrastructure shall be designed and built in a contiguous and operationally practical fashion. The water system shall be looped to reduce dead ends. These requirements shall apply to all Master Infrastructure Plans.

5.4 Right-of-Way Dedications. The Master Preliminary Plat shall identify the existing half-street right-of-way dedications and any additional right-of-way dedications to be made (and associated roadway improvements to be constructed) as part of the development of the Project for the following roadways within or adjacent to the Property: (i) Avenue D, (ii) 24th Avenue, (iii) County 24th Street, (iv) Avenue E, and (v) County 24 ½ Street. Any future development of the Property must not allow for "scalloped streets".

5.4.1 Existing Right-of-Way Dedications. The Parties recognize and agree that certain half-street right-of-way dedications for County 24th Street, Avenue E, 24th Avenue, Avenue D and County 24 ½ Street have already been made, as shown on the Conceptual Roadway Master Plan in Exhibit G. The City will require additional right-of-way dedications for certain Parcels as set forth in Article IX of this Agreement.

5.4.2 New Right-of-Way Dedications. The Parties recognize and agree that the new/additional right-of-way dedications for public roads shall be identified in the Master Preliminary Plat and shall be in accordance with Article VIV of this Agreement. For any new right-of-way dedications for County 24th Street, Avenue E, 24th Avenue, Avenue D and County 24 ½ Street that have not yet been dedicated to the City per Article IX herein, such dedications shall be made to the City within ninety (90) days from the Effective Date of this Agreement via a Final Plat, map of dedication or separate instrument to effectuate a right-of-way dedication as approved by the City.

5.5 Phasing of Improvements; Assurances. To accommodate the phased development of the Property, the construction of the subdivision improvements for the Property (including, but not limited to, the Offsite Infrastructure Improvements) will be constructed in phases, subject to the City's approval of the Offsites Phasing Plan. The Offsite Infrastructure Improvements identified in the approved Master Infrastructure Plans constitute the master (trunk) offsite improvements required to provide the development opportunity for the Property; however, such improvements are not reflective of all infrastructure improvements required for the development of each Parcel (including, but not limited to, future branch sewer and water lines and streets within each Parcel). For other offsite improvements not specifically set forth in this Agreement, the City reserves the right to require additional offsite improvements and/or dedications as required for the development of each Parcel in accordance with the City's ordinances, rules, regulations, standards, procedures, and administrative policies of the City, including provision for adequate financial assurances, now existing, or as may be amended or adopted in the future. Such additional offsite infrastructure improvements, right-of-way

dedications, or easement dedications shall be made either as a condition of rezoning, as a condition for the issuance of any building permit, as a condition for a variance, or as part of the approval of any Final Plat. Except for the Offsite Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), any development of the Property or any Parcel shall be subject to all ordinances, rules, regulations, standards, procedures, and administrative policies of the City now existing or as may be amended or adopted in the future as existing at the time of development. In developing the Offsite Infrastructure Improvements adequate financial assurances shall be posted.

5.6 **Initial Lot Split for Parcel A, Parcel B, and Parcel C**. Prior to any Final Plat for a Parcel, Developer intends to submit a lot split application to the City to establish the parcel boundaries for Parcel A, Parcel B, and Parcel C (the "**Initial Lot Split**"). Alongside the submittal of the Initial Lot Split, Developer will apply to the City Council to approve a memorandum of understanding ("**MOU**"), which, if approved by the City Council, would allow for the Initial Lot Split to be processed and approved administratively by City staff without requiring a subdivision plat approved by the City Council. Infrastructure improvements and right-of-way dedications for Parcel A, Parcel B and Parcel C shall be made in accordance with this Agreement.

5.7 **Final Plat for Parcels D & E**. Developer (as the current Parcel Owner of Parcel E) and High School District (as the current Parcel Owner of Parcel D) acknowledge and agree that the Final Plat for Parcel E shall include Parcel D (the "**Parcel D&E Final Plat**"), so as to create legally established lot lines for Parcel D (the existing lot lines for Parcel D were created without approval of a lot split application by the City). High School District and Developer agree that City may require the construction of infrastructure improvements. The High School District shall cooperate with Developer in obtaining the City's approval of the Parcel D&E Final Plat. In so doing, the City may require complete compliance with the subdivision regulations of City. If the High School District is not ready to develop its Parcel D at the time Developer begins to prepare the Parcel D&E Final Plat for submission to the City, Developer and High School District may choose to identify Parcel D as a "future phase" on the Parcel D&E Final Plat. If Parcel D is identified as a "future phase", the City shall not require subdivision improvement plans for Parcel D in order to obtain the City's approval of the Parcel D&E Final Plat, provided the following conditions are met: (i) Parcel Owner of Parcel D has dedicated to the City the right-of-way dedications required by this Agreement, including the 40-foot half-street right-of-way dedications for the segment of 24th Avenue adjacent to Parcel D (so as to complete the 80-foot full-street dedication, it being understood that the 40-foot half-street right-of-way for 24th Avenue along Parcel E has already been dedicated) and for the segment of County 24 ½ Street adjacent to Parcel D (as set forth in Section 9.1.6 of this Agreement so as to complete the 80-foot full street), and (ii) at the time of development of Parcel D, the subdivision improvement plans for Parcel D shall be prepared by the Parcel Owner of Parcel D and shall be subject to approval by the City and the City's approval of such subdivision improvement plans shall be a condition to the City's issuance of any permits for the development of Parcel D.

5.8 **No School Zones or School Crossings Along Avenue E**. The Parties acknowledge and agree that development of any portion of the Property for any school, public or private, including charter schools, shall occur in such a manner that no school zones or school crossings will result along Avenue E.

5.9 **Special Taxing Districts**. Developer, Somerton School District and High School District will agree to the formation of a street lighting improvement district to pay for the costs to operate and maintain required streetlights required as a result of the development of the Property and any enhanced municipal district needed to provide required municipal services to the Property.

ARTICLE VI
MASTER OFFSITE INFRASTRUCTURE PHASING

6.1 **Offsite Infrastructure Phasing**. In recognition of the Project phasing, the City agrees that the Offsite Infrastructure Improvements may be constructed by Developer in phases, subject to approval by City of the Offsites Phasing Plan. In addition to the Offsite Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), the City reserves the right to require additional offsite improvements and dedications in accordance with Arizona law, its ordinances, rules, regulations, standards, procedures, and administrative policies, now existing or as may be amended or adopted in the future, and any rezoning, plat, lot split, variance, conditional use permit, or building permit may be so conditioned. Except for the right-of-way dedications for the public roadways as set forth in Article IX (which shall be dedicated within 90 days from the Effective Date of this Agreement), required infrastructure improvements shall be made at the time of the development of a Parcel and right-of-way dedications or easement dedications for a Parcel shall be made either at the time of rezoning, as a condition for the issuance of any building permit, or as part of the approval of any Final Plat, variance, or conditional use permit.

6.2 **Parcel 1 Offsite Improvements**. The Parcel Owner of Parcel 1 shall, at its sole cost and expense (subject to reimbursement in accordance with Section 10.1 of this Agreement), construct the following Offsite Infrastructure Improvements (collectively, the "**Parcel 1 Offsite Infrastructure Improvements**"):

6.2.1 **Parcel 1 Sewer Main Extension**. The Parcel Owner of Parcel 1 shall construct the 15-inch sewer main extension within 24th Avenue from County 24th Street to the southern end of Parcel 1, as shown in the Conceptual Sewer Master Plan in **Exhibit E** (the "**Parcel 1 Sewer Main Extension**").

6.2.2 **Parcel 1 Water Main Extension**. The Parcel Owner of Parcel 1 shall construct the 10-inch water main extension within 24th Avenue from County 24th Street to the southern end of Parcel 1, as shown in the Conceptual Water Master Plan in **Exhibit F** (the "**Parcel 1 Water Main Extension**"). The Parcel Owner of Parcel 1 may, in the City's discretion, be required to construct such improvements to establish and maintain a looped system which may require a main extension within 25th Avenue.

6.2.3 **Parcel 1 Roadway Improvements**. The Parcel Owner of Parcel 1 shall construct the half-street roadway and utility improvements for the portions of County 24th Street and 24th Avenue adjacent to Parcel 1, as identified in the Conceptual Roadway Master Plan in **Exhibit G** (the "**Parcel 1 Roadway Improvements**").

6.2.4 Dedication. Upon completion, the Parcel 1 Offsite Infrastructure Improvements shall be dedicated to the City for ownership, operation, and maintenance in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City.

6.3 Parcel 2 Offsite Improvements. The Parcel Owner of Parcel 2 shall, at its sole cost and expense (subject to reimbursement in accordance with Section 10.1 of this Agreement), construct the following offsite infrastructure improvements (the "**Parcel 2 Offsite Infrastructure Improvements**"):

6.3.1 Parcel 2 Sewer Main Extension. The Parcel Owner of Parcel 2 shall construct the 15-inch sewer main extension within 24th Avenue from the Parcel 1 Sewer Main Extension to the southern end of Parcel 2, as shown in the Conceptual Sewer Master Plan in **Exhibit E** (the "**Parcel 2 Sewer Main Extension**").

6.3.2 Parcel 2 Water Main Extension. The Parcel Owner of Parcel 2 shall construct the 10-inch water main extension within 24th Avenue from the Parcel 1 Water Main Extension to the southern end of Parcel 2, as shown in the Conceptual Water Master Plan in **Exhibit F** (the "**Parcel 2 Water Main Extension**"). The Parcel Owner of Parcel 2 may, in the City's discretion, be required to construct such improvements to establish and maintain a looped system which may require a main extension within 25th Avenue.

6.3.3 Parcel 2 Roadway Improvements. The Parcel Owner of Parcel 2 shall construct the half-street roadway improvements for the portion of 24th Avenue adjacent to Parcel 2, as identified in the Conceptual Roadway Master Plan in **Exhibit G** (the "**Parcel 2 Roadway Improvements**").

6.3.4 Dedication. Upon completion, the Parcel 2 Offsite Infrastructure Improvements shall be dedicated to the City for ownership, operation, and maintenance in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City. City maintenance will only be in the public right of way.

6.3.5 Half-Streets Along Parcels A and B. The City, at its sole discretion, may require the Parcel Owner of Parcel 1 and/or 2 to construct the half-street roadway and utility improvements not yet constructed along Parcel A and Parcel B (per Sections 9.1.4 and 9.1.5 of this Agreement). If the City chooses to require Parcel 2 to construct such half-street roadway or utility improvements along Parcel A and/or Parcel B, then such improvements shall be part of the required Parcel 2 Offsite Infrastructure Improvements for purposes of this Agreement. Further, if the Parcel Owner of either Parcel 1 or Parcel 2 constructs such half-street right-of-way or utility improvements along Parcel A and/or Parcel B, then such Parcel Owner of Parcel 1 or Parcel 2 shall be entitled to, and the Parcel Owner(s) of Parcel A and B shall be required to provide, reimbursement from (i) the Owner of Parcel A an amount equal to one hundred percent (100%) of the total costs of the half-street roadway work adjacent to Parcel A, and (ii) from the Owner of Parcel B an amount equal to one hundred percent (100%) of the total costs of the half-street roadway or utility work adjacent to Parcel B. Reimbursement by the Parcel Owner(s) of Parcel A and B pursuant to this Section shall be provided to the Parcel Owner of Parcel 1 or Parcel 2, as

applicable, by the earlier of (i) the date the Parcel Owner(s) of Parcel A and Parcel B commence development of its respective Parcel, or (ii) the Termination Date. The Parties acknowledge and agree that, during the term of this Agreement, the City shall withhold issuance of a building permit for Parcel A and Parcel B until such reimbursement is provided. The reimbursement obligations in this Section shall expressly survive the termination of this Agreement and shall be a covenant and restriction that runs with, burdens and benefits Parcel A, Parcel B, Parcel 1 and Parcel 2 and shall inure to the benefit of and be binding upon the successors and assigns of the Parcel Owners; provided, however, following the termination of this Agreement, the City shall have no obligation whatsoever to enforce the reimbursement obligations in this Section (including, but not limited to, by withholding issuance of a building permit), it being understood by the Parties that, following termination of this Agreement, the reimbursement obligations in this Section shall be a private restriction enforceable by the Parcel Owners (not the City).

6.4 Parcel E Offsite Improvements. The Parcel Owner of Parcel E shall, at its sole cost and expense (subject to reimbursement in accordance with Section 10.1 of this Agreement), construct the following offsite infrastructure improvements (the "**Parcel E Offsite Infrastructure Improvements**"):

6.4.1 Parcel E Sewer Main Extension. The Parcel Owner of Parcel E shall construct the 15-inch sewer main extension within 24th Avenue from the Parcel 2 Sewer Main Extension to the southern end of Parcel E, as shown in the Conceptual Sewer Master Plan in **Exhibit E** (the "**Parcel E Sewer Main Extension**").

6.4.2 Parcel E Water Main Extension. The Parcel Owner of Parcel E shall construct the 10-inch water main extension within 24th Avenue from the Parcel 2 Water Main Extension to the southern end of Parcel E, as shown in the Conceptual Water Master Plan in **Exhibit F** (the "**Parcel E Water Main Extension**"). The Parcel Owner of Parcel E may, in the City's discretion, be required to construct such improvements to establish and maintain a looped system, which may include a 10-inch water main along County 24 ½ Street to Avenue E.

6.4.3 Parcel E Roadway Improvements. The Parcel Owner of Parcel E shall construct the half-street roadway improvements for the portions of 24th Avenue and County 24 ½ Street adjacent to Parcel E, as identified in the Conceptual Roadway Master Plan in **Exhibit G** (the "**Parcel E Roadway Improvements**") and as additionally set forth in Section 6.4.5 below.

6.4.4 Dedication. Upon completion, the Parcel E Offsite Infrastructure Improvements shall be dedicated to the City for ownership, operation, and maintenance in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City. City maintenance will only be in the public right of way.

6.4.5 Half-Streets Along Parcel D. If, at the time of development of Parcel E, the half-street roadway improvements along Parcel D are not yet constructed (per Section 9.1.6 of this Agreement), the City, at its sole discretion, may require the Parcel Owner of Parcel E to construct such half-street roadway, water and wastewater utility improvements along Parcel D (within the right-of-way dedicated by the Parcel D&E Final Plat). If the City chooses to require Parcel E to construct the half-street roadway and utility improvements along Parcel D, then such

improvements shall be part of the required Parcel E Offsite Infrastructure Improvements for purposes of this Agreement. Further, if the Parcel Owner of Parcel E constructs such half-street right-of-way and utility improvements along Parcel D, then the Parcel Owner of Parcel E shall be entitled to, and the Parcel Owner of Parcel D shall be required to provide, reimbursement from the Parcel Owner of Parcel D an amount equal to one hundred percent (100%) of the total costs of such work. Reimbursement by the Parcel Owner of Parcel D pursuant to this Section shall be provided to the Parcel Owner of Parcel E by the earlier of (i) the date the Parcel Owner of Parcel D commences development of Parcel D, or (ii) the Termination Date. The Parties acknowledge and agree that the City shall withhold issuance of a building permit for Parcel D until such reimbursement is provided. The reimbursement obligation in this Section shall expressly survive the termination of this Development Agreement and shall be a covenant and restriction that runs with, burdens and benefits Parcel D and Parcel E and shall inure to the benefit of and be binding upon the successors and assigns of the Parcel Owners; provided, however, following the termination of this Agreement, the City shall have no obligation whatsoever to enforce the reimbursement obligations in this Section (including, but not limited to, by withholding issuance of a building permit), it being understood by the Parties that, following termination of this Agreement, the reimbursement obligations in this Section shall be a private restriction enforceable by the Parcel Owners (not the City).

6.5 Construction by Other Parcel Owners. Any Parcel Owner shall have the right to construct the Parcel 1 Offsite Infrastructure Improvements, Parcel 2 Offsite Infrastructure Improvements and/or the Parcel E Offsite Infrastructure Improvements by providing written notice to the Parties, provided the Parcel Owner responsible for constructing such offsite improvements has not commenced construction of the offsite improvements.

ARTICLE VII
WASTEWATER INFRASTRUCTURE

7.1 Trunk Improvements. The Parcel 1 Sewer Main Extension, Parcel 2 Sewer Main Extension, and Parcel E Sewer Main Extension constitute the trunk wastewater infrastructure improvements for the Project (the "**Trunk Wastewater Infrastructure Improvements**") and will serve the other Parcels. In addition to the Trunk Wastewater Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), the City expressly has the right to require additional wastewater infrastructure improvements for the development of any Parcel in accordance with Arizona law and the City's ordinances, rules, regulations, standards, procedures, and administrative policies, now existing or as may be amended or adopted in the future, and may so condition any rezoning, plat, lot split, variance, conditional use permit, or issuance of any building permit.

With respect to all wastewater infrastructure required by this Article, all wastewater collection systems shall have stub outs adequately sized to serve other parcels within the service area.

7.2 Other Wastewater Improvements. Each Parcel Owner of a Parcel within the Property (other than Parcel 1, Parcel 2, and Parcel E) will construct its own wastewater improvements (i.e., branch lines) to the Trunk Wastewater Infrastructure Improvements. Such

improvements will conform to all City requirements and any approved Master Wastewater Infrastructure Plan.

7.3 **Dedication**. Upon completion, the wastewater infrastructure improvements installed with each Parcel will be dedicated to the City for ownership, operation, and maintenance, in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City. City maintenance will only be in the public right of way.

7.4 **City Services**. Subject to the construction and dedication of the wastewater infrastructure improvements as may be required for each Parcel as set forth in this Agreement, the City agrees to provide wastewater service to each Parcel, subject to the ordinances, resolutions, rules, regulations, standards, procedures, and administrative policies of the City, as may exist at the time of development of said Parcel.

ARTICLE VIII
WATER INFRASTRUCTURE

8.1 **Trunk Improvements.** The Parcel 1 Water Main Extension, Parcel 2 Water Main Extension, and Parcel E Water Main Extension constitute the trunk wastewater infrastructure improvements for the Project (the "**Trunk Water Infrastructure Improvements**") and will serve the other Parcels. In addition to the Trunk Water Infrastructure Improvements (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans upon approval by the City), the City expressly has the right to require additional water infrastructure improvements for the development of any Parcel in accordance with Arizona law and the City's ordinances, rules, regulations, standards, procedures, and administrative policies, now existing or as may be amended or adopted in the future, and may so condition any rezoning, plat, lot split, variance, conditional use permit, or issuance of any building permit. Water line improvements will be constructed such as to provide looped systems and avoid dead end lines as much as possible.

8.2 **Other Water Improvements**. Each Parcel Owner of a Parcel within the Property (other than Parcel 1, Parcel 2, and Parcel E) will construct its own water line improvements (i.e., branch lines) to the Trunk Waster Infrastructure Improvements. Such improvements will conform to all City requirements and any approved Master Waster Infrastructure Plan, and shall result in a looped system.

8.3 **Dedication**. Upon completion, the water infrastructure improvements installed with each Parcel will be dedicated to the City for ownership, operation, and maintenance, in accordance with the ordinances, rules, regulations, standards, procedures, and administrative policies of the City.

8.4 **City Services**. Subject to the construction and dedication of the water infrastructure improvements required for each Parcel as set forth in this Agreement, the City agrees to provide water service to each Parcel, subject to the ordinances, resolutions, rules, regulations, standards, procedures, and administrative policies of the City, as may exist at the time of development of said Parcel. City maintenance will only be in the public right of way.

ARTICLE IX

ROADWAY INFRASTRUCTURE

9.1 Right-of-Way Dedications; Roadway Improvements. The following right-of-way dedications and roadway improvements for section line and mid-section line streets shall be required to be dedicated and constructed alongside each Parcel. In addition to the right-of-way dedications and roadway improvements for section line and mid-section line streets (the size, location and extent of which are established by this Agreement and the Master Infrastructure Plans), the City expressly has the right to require additional right of way dedications and roadway improvements for other streets within each Parcel for the development of such Parcel in accordance with Arizona law and the City's ordinances, rules, regulations, standards, procedures and administrative policies, now existing or as may be amended or adopted in the future, and may so condition any rezoning, plat, lot split, variance, conditional use permit, or issuance of any building permit. In addition, with respect to the right-of-way dedications and roadway improvements for section line and mid-section line streets as set forth in this Agreement and the Master Infrastructure Plans, the City reserves the right to require additional right-of-way from a Parcel as a condition to development of such Parcel to accommodate deceleration lanes and/or right-turn pockets that are warranted by a traffic impact analysis.

9.1.1 Parcel 1. The Parcel Owner of Parcel 1 shall be required to dedicate (to the extent not already dedicated) and construct the 55-foot half-street segment of County 24th Street adjacent to Parcel 1 (and to Avenue E if requested by the City per Section 6.3.5) and the 40-foot half-street segment of 24th Avenue adjacent to Parcel 1 (defined earlier in this Agreement as the Parcel 1 Roadway Improvements), as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.2 Parcel 2. The Parcel Owner of Parcel 2 shall be required to dedicate (to the extent not already dedicated) and construct the 40-foot half-street segment of 24th Avenue adjacent to Parcel 2 (defined earlier in this Agreement as the Parcel 2 Roadway Improvements), as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.3 Parcel E. The Parcel Owner of Parcel E shall be required to dedicate (to the extent not already dedicated) and construct the 40-foot half-street segment of 24th Avenue and 40-foot half-street segment of County 24 ½ Street adjacent to Parcel E (defined earlier in this Agreement as the Parcel E Roadway Improvements above), as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.4 Parcel A. The Parcel Owner of Parcel A shall be required to dedicate (to the extent not already dedicated) and construct the 55-foot half-street segment of County 24th Street and 75-foot half-street segment of Avenue E adjacent to Parcel A, as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.5 Parcel B. The Parcel Owner of Parcel B shall be required to dedicate (to the extent not already dedicated) and construct the 55-foot half-street segment of County 24th Street and 40-foot half-street segment of 24th Avenue adjacent to Parcel B, as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.6 Parcel D. The Parcel Owner of Parcel D shall be required to dedicate (to the extent not already dedicated) and construct the 40-foot half-street segment of 24th Avenue and 40-foot half-street segment of County 24 ½ Street adjacent to Parcel D, as identified in the Conceptual Roadway Master Plan in **Exhibit G** and 75-foot half street segment of Avenue E adjacent to Parcel D, as identified in the Conceptual Roadway Master Plan in Exhibit G

9.1.7 Parcel F. The Parcel Owner of Parcel F shall be required to dedicate (to the extent not already dedicated) and construct the 55-foot half-street segment of County 24th Street adjacent to Parcel F, as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.8 Parcel H. The Parcel Owner of Parcel H shall be required to dedicate (to the extent not already dedicated) and construct the 40-foot half-street segment of County 24 ½ Street adjacent to Parcel H, as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.9 Parcel I. The Parcel Owner of Parcel I shall be required to dedicate (to the extent not already dedicated) and construct the 55-foot half-street segment of County 24th Street and 40-foot half-street segment of Avenue D adjacent to Parcel I, as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.10 Parcel J. The Parcel Owner of Parcel J shall be required to dedicate (to the extent not already dedicated) and construct the 40-foot half-street segment of Avenue D and 40-foot half-street segment of County 24 ½ Street adjacent to Parcel J, as identified in the Conceptual Roadway Master Plan in **Exhibit G**.

9.1.11 Additional Right-of-Way at Roadway Intersections. The Parties recognize and agree that additional right-of-way shall be dedicated at the following roadway intersections to provide for adequate site visibility triangles in accordance with the City's standards for site visibility triangles at roadway intersections: (i) southeast corner of intersection of Avenue E and County 24th Street (to be dedicated by Parcel A); (ii) southwest corner of intersection of 24th Avenue and County 24th Street (to be dedicated by Parcel B); (iii) southeast corner of intersection of 24th Avenue and County 24th Street (to be dedicated by Parcel 1); (iv) southwest corner of intersection of Avenue D and County 24th Street (to be dedicated by Parcel I); (v) northwest corner of intersection of Avenue D and County 24 ½ Street (to be dedicated by Parcel J); (vi) northeast corner of intersection of 24th Avenue and County 24 ½ Street (to be dedicated by Parcel E); (vii) northwest corner of intersection of 24th Avenue and County 24 ½ Street (to be dedicated by Parcel D); (viii) northeast corner of intersection of Avenue E and County 24 1/2th Street (to be dedicated by Parcel D).

9.1.12 Additional Roadways. The right-of-way dedications and roadway improvements for section line streets and mid-section line streets are established by this Agreement (and the Master Infrastructure Plans upon approval by the City). The City expressly has the right to require additional right of way dedications and roadway improvements for other streets within each Parcel for the development of such Parcel or other Parcels within the Property in accordance with Arizona law and the City's ordinances, rules, regulations, standards, procedures and administrative policies, now existing or as may be amended or adopted in the future, and may so condition any rezoning, plat, lot split, variance, conditional use permit, or

issuance of any building permit. In addition, with respect to the right-of-way dedications and roadway improvements for section line and mid-section line streets as set forth in this Agreement and the Master Infrastructure Plans, the City reserves the right to require additional right-of-way from a Parcel as a condition to development of such Parcel to accommodate deceleration lanes and/or right-turn pockets that are warranted by a traffic impact analysis.

9.1.13 Timing. All right-of-way dedications as set forth in this Article IX shall be dedicated to the City (to the extent not already dedicated) within ninety (90) days from the Effective Date of this Agreement via a Final Plat, map of dedication or separate instrument to effectuate a right-of-way dedication as approved by the City (except for additional right-of-way to be dedicated pursuant to Section 9.1.15, which shall be dedicated prior to development of a Parcel). The physical roadway improvements for each Parcel shall be part of the subdivision improvements associated with a Parcel and shall be constructed as a condition to the City's approval of a subdivision plat or issuance of a building permit to develop vertical improvements on such Parcel. In the event of development without further platting of a Parcel, infrastructure improvements including roadway, sidewalks, water, wastewater, and street lighting shall be required as a condition of the issuance of a building permit.

9.1.14 Avenue D. City has informed Developer that, as of the date of this Agreement, the City's roadway width standard for the segment of Avenue D adjacent to Parcel I and Parcel J is 110 feet for the full street and, to meet this roadway width standard, the City would ordinarily require a 55-foot half-street dedication along Parcel I and Parcel J. Nonetheless, because the City does not anticipate Avenue D will extend north to Arizona State Route 195 in the future, and because the City's full-street roadway width standard for the segment of Avenue D north of County 24th Street is only 80 feet, the City hereby agrees (subject to this Section 9.1.13) to modify its full-street roadway width standard for Avenue D to 100 feet and further agrees to accept the existing 40-foot half-street dedication along Parcel I and Parcel J (without requiring an additional 15-foot half-street dedication), on the following conditions: (i) Developer, as the owner of the approximately 320 acres located on the east side of Avenue D at the southeast corner of County 24th Street and Avenue D and addressed as 10602 S. Camino Del Sol, Yuma, Arizona 85367 (the "**Section 13 North Half Property**"), agrees that a 60-foot half-street right-of-way dedication will be required by the City for the east half of Avenue D adjacent to the Section 13 North Half Property as a condition to the development of the Section 13 North Half Property (such dedication shall be made either as a condition of rezoning, as a condition for the issuance of any building permit, the granting of a variance or conditional use permit, or as part of the approval of a final plat for the Section 13 North Half Property); and (ii) the roadway improvements for Parcel I at the intersection of Avenue D and County 24th Street (including, but not limited to, paving and striping improvements) shall be improved in accordance with a design approved by the City to provide an appropriate transition to the narrower 80-foot full-street segment of Avenue D that is anticipated north of County 24th Street. The Parties recognize and agree that the City is agreeing to modify the full-street roadway width standard for Avenue D from 110 feet to 100 feet because City engineering staff believes the roadway improvements necessary to meet the City's half-street standards for an arterial street (which includes two (2) lanes, sidewalk, street lights and related improvements) may be accomplished inside the existing 40-foot half-street dedication along Parcel I and Parcel J. As such, in the event the 60-foot dedication for the Section 13 North Half Property has not yet been made and, further, if the City determines in its sole discretion that the standards

for an arterial half-street cannot be accommodated within the existing 40-foot half-street dedication along Parcel I and Parcel J, then Parcel I and Parcel J shall be required to dedicate the additional right-of-way to accommodate such half-street improvements. The owner or owners those portions of Section 13 need for the aforedescribed 60-foot dedication shall take such actions as may be needed or necessary so that a roadway, utility, or other public improvements may be constructed including securing proper approvals from the United States of America.

9.1.15 Deceleration Lanes; Right-Turn Pockets. Notwithstanding anything to the contrary in this Agreement, the City reserves the right to require additional right-of-way from a Parcel as a condition to the development of such Parcel to accommodate deceleration lanes and/or right-turn pockets that are warranted by a traffic impact analysis. Any additional right-of-way dedications required pursuant to this Section 9.1.15 shall be made prior to the development of such Parcel and as a condition to the development of such Parcel.

ARTICLE X
REIMBURSEMENT FOR INFRASTRUCTURE IMPROVEMENTS

10.1 Reimbursement. The Parties recognize and agree that the Trunk Wastewater Improvements and Trunk Water Improvements will be upsized to serve other Parcels within the Property and, therefore, will provide the development opportunity to the other Parcels within the Property. As such, Developer intends to apply to the City for a payback agreement with the City for the Trunk Wastewater Improvements and Trunk Water Improvements in accordance with City ordinances, which, if approved by the City, would result in the City collecting monies from Parcel Owners (and potentially other property owners outside the Property) seeking to connect to the Trunk Wastewater Improvements and Trunk Water Improvements and remitting an amount to the Parcel Owner(s) who installed such improvements in accordance with the terms of the payback agreement (the "**Payback Agreement**"). The approval of the Payback Agreement is at the discretion of the City. As such, Developer, Somerton School District and High School District also desire to establish private covenants for the reimbursement of the Trunk Wastewater Improvements and Trunk Water Improvements in the event a Payback Agreement is not entered into with the City (either because a Payback Agreement is not applied for or because the City does not approve a Payback Agreement). In the event a Payback Agreement with the City is not approved by the City (regardless whether a Payback Agreement has been applied for) at the time a Parcel Owner connects to the Trunk Wastewater Improvements or Trunk Water Improvements, the private reimbursement obligations in Section 10.1.1 shall apply.

10.1.1 Each Parcel Owner that taps into the Trunk Wastewater Improvements or Trunk Water Improvements, shall be required to provide reimbursement to the Parcel Owner(s) that installed such improvements by paying a connection fee ("**Connection Fee**") to the Parcel Owner(s) that installed such improvements. Each Parcel Owner that connects to the following trunk infrastructure improvements shall be required to provide a Connection Fee to the Parcel Owner(s) who installed such improvement in an amount equal to its pro rata share (calculated based on gross acreage of the Parcels) of the total costs of constructing the following trunk infrastructure improvements: Parcel 1 Sewer Main Extension, Parcel 1 Water Main Extension, Parcel 2 Sewer Main Extension, Parcel 2 Water Main Extension, Parcel E Sewer Main Extension, Parcel E Water Main Extension. For purposes of determining the amount of the Connection Fee,

the "total costs" of constructing the trunk infrastructure improvements shall include the construction contract price, the inspection and permit fees paid to the City, the engineering fees required for the preparation of plans and specifications, and the costs of acquiring the necessary property rights and/or easements to construct and install the trunk infrastructure improvements. A Parcel Owner who installed any portion of the trunk infrastructure improvements shall provide written request for reimbursement (a "**Reimbursement Request**") to a Parcel Owner who has connected to the trunk infrastructure improvements that the requesting Parcel Owner installed. The Reimbursement Request shall include proof of payment and copies of all invoices (including from contractors and/or subcontractors who performed the work) demonstrating the total costs; and a Parcel Owner shall provide payment to the requesting Parcel Owner within 60 days of receiving the Reimbursement Request. The reimbursement obligations set forth in this Section 10.1.1 shall be private obligations enforceable by each Parcel Owner. The Parties recognize and agree that the City shall have no responsibility whatsoever for enforcing any such obligations. The obligation of a Parcel Owner to reimburse another Parcel Owner that installed the trunk water infrastructure improvements per this Section 10.1.1 shall be a private restriction that runs with, burdens and benefits the Parcels and shall inure to the benefit of and be binding upon the successors and assigns of the Parcel Owners.

10.1.2 For any additional offsite improvements required by the City (other than the Offsite Infrastructure Improvements established by this Agreement and the Master Infrastructure Plans upon approval by the City), a Parcel Owner responsible for constructing such additional offsite improvements shall be entitled to apply for a payback agreement with the City in accordance with City ordinances.

ARTICLE XI
SOMERTON SCHOOL DISTRICT EXCHANGE

11.1 **Somerton School Parcel**. The Somerton School District is a Party to this Agreement as the current owner of the Somerton School District Parcel (which is a portion of Parcel B) so that all of Parcel B is made subject to this Agreement and all subsequent record owners of Parcel B will have the rights and obligations as a Parcel Owner with respect to Parcel B.

11.2 **Exchange**. Following the Effective Date of this Agreement, Developer intends to enter into an agreement with the Somerton School District (the "**School Exchange Agreement**") for the exchange of the Somerton School District Parcel and Parcel C (Developer will convey Parcel C to the Somerton School District and the Somerton School District will convey the Somerton School District Parcel to Developer). For avoidance of doubt, upon the exchange of Parcel C and the Somerton School District Parcel, the Somerton School District shall be a Parcel Owner as to Parcel C and shall have all rights and obligations of a Parcel Owner under this Development Agreement with respect to Parcel C.

ARTICLE XII
DEFAULT; TERMINATION

12.1 Remedies; Effect of Termination. It shall be a default under this Agreement (a "**Default**") if any Party fails to perform any of its obligations under this Agreement, and such failure continues for a period of thirty (30) days after written notice from the non-defaulting Party specifying in reasonable detail the nature of such failure.

12.2 Parcel Owner's Remedies. If City is in Default under this Agreement (beyond any applicable cure period) and the Parties are unable to resolve City's Default, Developer and other Parcel Owners shall not have the right to terminate this Agreement, but shall have the right to pursue all other legal and equitable remedies which such Developer or Parcel Owner may have at law or in equity, including, without limitation, the right to seek specific performance requiring the City to fully and timely perform its obligations under this Agreement, the right to seek and obtain damages, and the right to self-help; provided the City shall in no event be liable for punitive, incidental or consequential damages.

12.3 City's Remedies. If a Parcel Owner is in Default under this Agreement (beyond any applicable notice and cure period) and the Parties are unable to resolve the Parcel Owner's Default, City shall have the right to pursue any rights or remedies at law or in equity including the rights and remedies provided hereunder; provided that a Parcel Owner shall in no event be liable for punitive, incidental or consequential damages. If Developer is in Default under this Agreement (beyond any applicable notice and cure period) and the Parties are unable to resolve the Developer's Default, then in addition to the remedies in the preceding sentence, City shall have the additional right to terminate this Agreement upon written notice to the Parties.

12.4 Effect of Event of Termination. Upon the termination of this Agreement, this Agreement shall become null and void and no Party shall have any further rights or obligations hereunder except those obligations which expressly survive termination.

14.5 Successors and Assigns. This Agreement shall run with the land and all of the covenants and conditions set forth herein shall inure to the benefit of and be binding upon the successors and assigns of Developer and any Parcel Owner. the Parties hereto, including, without limitation, future City Councils. The Parties recognize and agree that Developer, Somerton School District and High School District may convey portions of the Property to other owners who may develop a portion or all of one or more Parcels. Nothing in this Agreement shall

prevent a Party from conveying any portion of the Property, and the City's prior consent shall not be required to convey, all or a portion of the Property to one or more subsequent property owners. Each subsequent owner of any portion of the Property shall be a Parcel Owner under this Agreement and shall have all rights and obligations of a Parcel Owner as to the Parcel (or portion) acquired by such Parcel Owner. Developer's rights and obligations under this Agreement may be assigned by Developer (in whole or in part), subject to City's prior written consent, to one or more entities owned or controlled by or under common control with Developer. Except as provided in this **Section 14.5**, the rights and obligations of Developer under this Agreement (in whole or in part) may not otherwise be assigned, conveyed or otherwise transferred to any person or entity without City's prior written consent, which consent may not be unreasonably withheld. An assignment of any other Parcel Owner's (other than Developer's) rights and obligations under this Agreement shall be prohibited, unless mutually agreed in writing by the Parties.

14.6 Waiver. No waiver by a Party of any breach of any of the terms, covenants or conditions of this Agreement shall be construed or held to be a waiver of any succeeding or preceding breach of the same for any other term, covenant or condition herein contained.

14.7 Attorneys' Fees. In the event of any actual litigation between the Parties in connection with this Agreement, the Party prevailing in such action shall be entitled to recover from the other Party all of its costs and fees, including reasonable attorneys' fees, which shall be determined by the court and not by the jury.

14.8 Severability. In the event that any phrase, clause, sentence, paragraph, section, article or other portion of this Agreement shall become illegal, null or void or against public policy, for any reason, or shall be held by any court of competent jurisdiction to be illegal, null or void or against public policy, the remaining portions of this Agreement shall not be affected thereby and shall remain in full force and effect to the fullest extent permitted by law, provided that the overall intent of the parties is not materially vitiated by such severability.

14.9 Recitals and Exhibits. The Recitals set forth in the preamble of this Agreement and all exhibits attached hereto are incorporated into this Agreement by this reference as though fully set forth herein.

14.10 Entire Agreement. This Agreement constitutes the entire agreement between the Parties hereto pertaining to the subject matter hereof and all prior and contemporaneous agreements, representations, negotiations and understandings of the parties hereto, oral or written, are hereby superseded and merged herein.

14.11 Recordation of Agreement. This Agreement shall be recorded in the Official Records of Yuma County, Arizona, within ten (10) days after its execution by the Parties.

This Agreement is entered into pursuant to City Resolution Number 936.

RECITALS

D. WHEREAS, the City's governing body has authorized execution of this Agreement by Resolution No. 936, a draft of which is attached to this Agreement.

NOW, THEREFORE, the parties agree as follows:

AGREEMENT

ARTICLE 1. DEFINITIONS

The following terms shall have the meanings set forth below whenever used in this Agreement, except where the context clearly indicates otherwise:

1.1. "City" shall mean and refer to the City of San Luis, an Arizona municipal corporation, and any successor public body or entity.

1.2. "Developer" shall mean and refer to San Luis Port II Industrial Park LLC, an Arizona limited liability company, successor(s), or nominee.

1.3 "Improvements" shall mean and refer to all public improvements which may be constructed from time to time in and around the Property.

1.4 "Improvement Costs" shall mean and refer to all costs, expenses, fees and charges actually incurred and paid to contractors, architects, engineers, surveyors, third-party construction managers, governmental agencies and other third parties for materials, labor, design, engineering, surveying, land acquisition, site excavation and preparation, governmental permits, payment and performance bonds, and other costs and expenses reasonably necessary for the construction or installation of one or more Improvements. "Improvement Costs" shall not include any profit to or mark-up by any person or entity seeking payment under a buy-in or other payment agreement, or their affiliates, and any other costs or expenses not reasonably necessary for the construction or installation of the Improvements.

1.5 "Property" as used in this Agreement shall mean and refer to all of the real property which is shown in Exhibit A (Annexation Map) and legally described as:

S1/2 S1/2 SE1/4 of Section 11, Section 13 and Section 14, T 11 S, R 24 W, G.&S.R.B.&M. Yuma County Arizona.

1.6 "Street Standards" shall mean and refer to the street standards which govern the design and construction of the Improvements for public streets required under each subdivision plat approved for all or any portion of the Property, and shall be the street standards set forth in the City of San Luis subdivision ordinance in effect at the time the applicable subdivision plat is approved by City Council, subject to the following: (a) the subdivision ordinance in effect on the Effective Date is the City of San Luis Subdivision Ordinance, July 8, 2008 Edition and the Street Standards set forth therein shall govern the public street Improvements that are part of the public infrastructure requirements for the initial subdivision plat for the Property being processed concurrently with the Zoning Approvals (defined below); (b) the infrastructure requirements and total right-of-way for Avenue D, Avenue C, and County 25th Street shall be as provided in Section 3.2, Section 3.3, and Section 3.4, respectively, and any and all Street Standards applicable to such streets are hereby modified reflect the right-of-way widths and infrastructure requirements of such Sections; and (c) Developer is authorized to install flat curbs within the portions of the Property zoned as industrial, as provided in Section 3.11 hereof, and any and all Street Standards applicable to such curbs are hereby modified to be consistent with the provisions of Section 3.11.

ARTICLE 2. ANNEXATION; WAIVER

2.1 Proposition 207 Waiver. Developer hereby waives and releases City from any and all claims under Arizona Revised Statutes § 12-1134, et seq., including any right to compensation for reduction to the fair market value of the Property, as a result of the City's approval of the Annexation Ordinance (defined herein), the City's approval of the City ordinance granting the Zoning Approvals (defined herein) and enforcement of the conditions to such approval set forth in such zoning ordinance (provided that Developer agrees to the inclusion of such conditions in the zoning ordinance), and the City's approval of, and performance under, this Agreement. The

terms of this waiver shall run with the land and shall be binding upon all subsequent landowners and shall survive the expiration or earlier termination of this Agreement.

2.2 Annexation Petition. City, having held public meetings thereon, has filed in the office of the Recorder of Yuma County a blank petition, as required by A.R.S. § 9-471, setting forth a description and an accurate map of all the exterior boundaries of the Property (the "Annexation Petition"). After the Annexation Petition is consented to and signed by Developer, City shall comply with the requirements of A.R.S. § 9-471 and, if determined to be in the best interest of City, adopt an ordinance annexing the Property into the municipal boundaries of City ("Annexation Ordinance"). Notwithstanding the foregoing, the City agrees that Developer's consent to the Annexation Petition is expressly conditioned on the approval and entering into of this Agreement by City and the granting of the zoning approvals in the corresponding zoning case considered for approval by City Council immediately after approval of the Annexation Petition ("Zoning Approvals").

ARTICLE 3. PROVISIONS FOR WASTEWATER MANAGEMENT PLANS; OPTION TO PURCHASE; DEVELOPMENT OF PROPERTY; AND RIGHTS-OF-WAY

3.1 Duration of Development Agreement. The term of this Agreement shall commence on the Effective Date, and shall terminate on the date which is 30 years after the Effective Date. If the proceedings to annex the Property into the City have not been completed on or before December 15, 2011, or such later date as agreed to by City and Developer, the provisions of this Agreement shall be deemed to not have become operative and this Agreement shall terminate and have no further force or effect. If the Agreement is so terminated, Developer may record a document evidencing such termination in the land records of Yuma County.

3.2 Avenue D. Avenue D shall be a public street from County 24th Street to County 25th Street. Avenue D from the northern boundary of the Property to County 25th Street shall be a Major Collector street, with a total right-of-way of 80 feet along the alignment shown on Exhibit B. Within one-year after the Effective Date, provided that the Property's annexation into the City has been completed, Developer shall dedicate, through quit-claim deed or map of dedication, the portion of the Property east of Avenue D between County 24th Street and County 25th Street necessary to increase the right-of-way for that portion of Avenue D to 80 feet, provided that the total amount of such dedication shall not exceed a width of 34 feet. As part of the public improvement requirements for each Subdivision Plat approved for any portion of the Property that abuts Avenue D, Developer shall design, construct, and install the half-street Improvements for that portion of Avenue D included within such Subdivision Plat in accordance with the Street Standards, provided that Developer's obligation to design, construct or install any portion of Avenue D shall be limited to the portion of Avenue D which directly abuts the portion of the Property that Developer is then developing. Such public improvement requirements shall not include the relocation of all or any portion of the power poles of the Arizona Public Service Corporation (the "Power Poles"). City agrees that Developer shall have no obligations with respect to the Power Poles, including, without limitation no obligation to re-locate or underground the Power Poles, or locate new power poles in the same or a different location.

3.3 Avenue C. Avenue C shall be a public street from County 24th Street to County 25th Street. Avenue C shall be a Major Collector street, with a total right-of-way of 80 feet along its current section-line alignment. As part of the public improvement requirements for each Subdivision Plat approved for any portion of the Property that abuts Avenue C, Developer shall dedicate, through a subdivision plat dedication or map of dedication, the portion of such Property within the Subdivision Plat that is necessary to increase the half-street right-of-way for Avenue C, west from centerline, to 40 feet, provided that the total amount of such dedication shall not exceed 7 feet. As a further part of the public improvement requirements for each such Subdivision Plat, Developer shall design, construct, and install the half-street Improvements for that portion of Avenue C included within such Subdivision Plat in accordance with the Street Standards, provided that Developer's obligation to design, construct or install any portion of Avenue C shall be limited to the portion of Avenue C which directly abuts the portion of the Property that Developer is then developing.

3.4 County 25th Street. County 25th Street shall be a public street along its current section–line alignment, and shall be classified as a Minor Arterial with a total right-of-way of 100 feet. At the time of recordation of each Subdivision Plat approved for any portion of the Property that abuts County 25th Street, Developer shall dedicate, through a subdivision plat dedication or map of dedication, the portion of such Property necessary to increase the right-of-way for County 25th Street to 100 feet. As part of the public improvement requirements for each Subdivision Plat approved for any portion of the Property that abuts County 25th Street, Developer shall design, construct, and install the half-street Improvements for the portion of County 25th Street included within such Subdivision Plat in accordance with the Street Standards, provided that Developer's obligation to design, construct or install any portion of County 25th Street shall be limited to the portion of County 25th Street which directly abuts the portion of the Property that Developer is then developing. Notwithstanding the foregoing, City agrees that the public improvement requirements and City design standards require Developer to only dedicate the half-street right-of-way for County 25th Street. Developer's agreement to dedicate the full-street right-of-way has been made in consideration of the City's agreements, herein, including without limitation, the City's agreements set forth in Section 3.6.

3.5 Signalization at Avenue E and County 24th Street and at Avenue E and County 24 ½ Street. Those Improvements needed within the City right-of-way shall be at the cost of the City. Prior to signalization, the City agrees to place 4-way stop signs at the intersection of Avenue E and County 24th Street and/or County 24 ½ Street as conditions may warrant in the City's discretion. At such time as a traffic signal is warranted at the intersection of Avenue E and County 24th Street, Developer (or succeeding parties) shall participate in the cost of signalization equal to ¼ of the total cost. At such time as a traffic signal is warranted at the intersection of Avenue E and County 24 ½ Street Developer (or succeeding parties) shall participate in the cost of signalization equal to ¼ of the total cost.

3.6 Wastewater Management Plans and Access to Water and Wastewater Mains. The City hereby modifies the City of San Luis East Master Sewer Service Area Map to change the service boundary line of Service Area # 2 and Service Area # 3 as follows:

- The south half of Section 13, T 11 S, R 24 W, G. & S.R.B.&M. that is currently located on Service Area #3 will be incorporated into Service Area # 2 ("Area #2 Property");

- The north half of Section 14, T 11 S, R 24 W, G. & S.R.B. & M. that is currently located on Service Area #2 will be incorporated into Service Area #3 ("Area #3 Property").

After the Effective Date, Service Area #2 and Service Area #3 shall have the service boundary lines set forth on Exhibit C hereto. The City shall take all actions necessary to effectuate the change in the boundaries of the Service Areas described in this Section 3.6.

The City's current sewer lift station, located as depicted on Exhibit C, shall serve the Area #3 Property ("Area #3 Lift Station"). In consideration of the full-street dedication for County 25th Street and other Developer agreements set forth herein, the City shall allow the wastewater collection system for the Area #3 Property to connect to the Area #3 Lift Station. The City shall allow for such connection and the connection of the Area # 3 Property to the City's wastewater collection system without such connection being subject to any infrastructure reimbursement requirements, buy-in-fees, or any other fees or costs related to infrastructure costs for such wastewater collection system, including, without limitation the Area #3 Lift Station, save and except regular impact fees (defined under ARS § 9-463.05 as development fees). The City represents and warrants that the City owns the Area #3 Lift Station and has the authority, without further approval, to allow the Area #3 Property to be connected to the Area #3 Lift Station in accordance with the provisions of this Section 3.6.

Within one-year after the Effective Date, provided that the Property's annexation into the City has been completed, Developer shall convey by quit-claim deed the following described land ("Lift Station Land"):

> *That part of the Southeast Quarter of Section 11, Township 11 South, Range 24 West of the Gila and Salt River and Meridian, Yuma County, Arizona, more particularly described as follows:*
> *Beginning at the Southwest corner of the Southeast Quarter of Section 11,*
> ***Thence** N 00°26'29" Ea distance of 659.62 feet along the West line of the Southeast Quarter to a point;*
> ***Thence** S89031'30" Ea distance of 2,506.18 feet to **The True Point of Beginning;***
> ***Thence** continuing S89 31 '30"E a distance of 100.00 feet to a point;*
> ***Thence** S00027'38"W a distance of 100.00 feet to a paint;*
> ***Thence** N89031 '30"W a distance of 100.00 feet to a point;*
> ***Thence** NOo027'38"E a distance of 100.00 feet to **The True Point of Beginning;***
> *Containing 0.23 acres more or less.*

The fair market value of the Lift Station Land is hereby determined to be $75,000 per acre (the "Fair Market Value").

City shall cause the construction of the Sewer Lift Station for Service Area #2 in a manner that allows for Service Area #2 to receive wastewater collection services from the City. At the time of development, City shall connect the portion of the Property within Service Area #2 to the

City's wastewater collection system through the Sewer Lift Station for Service Area #2. City and Developer acknowledge that all of Service Area #2 shall be subject to a payment agreement for the total Improvement Costs for the construction of the Lift Station. City agrees that the Fair Market Value of the Lift Station Land shall be credited as a payment against the total amount owed by all or any portion of the Property under such payment agreement

- Developer shall have access to the water main located on County 24th Street, east of Ave. E, and may be able to tap into or otherwise use the main without having to pay, or otherwise be assessed, a special charge for the development and/or cost of construction of said main. The then current owner or developer of each portion of the Property being developed shall at all times pay all applicable regular impact fees (defined under ARS § 9-463.05 as development fees), utility fees, or building permit fees of the City.

- Developer shall have access to the sewer line located on Ave. E south of County 24th Street and may be able to tap into or otherwise use the sewer line without having to pay, or otherwise be assessed, a special charge for the development and/or cost of construction of said main. The then current owner or developer of each portion of the Property being developed shall at all times pay all applicable regular impact fees (defined under ARS § 9-463.05 as development fees), utility fees, or building permit fees of the City.

3.7 Public Safety Facilities. From undeveloped land on the parcel described on Exhibit D hereto (the "Additional Land"), Developer agrees to dedicate, to the City of San Luis, property in an amount not to exceed 5 acres, for only the construction and use by the City of a facility to be used for City governmental purposes (the "Government Facilities Land"). The Government Facilities Land shall be conveyed to City subject to deed restrictions which shall provide that the Government Facilities Land shall be only used by the City for the construction and use of a facility for City governmental purposes, and if (a) a City governmental facility is not constructed on the Governmental Facilities Land within 10-years from the date of the conveyance, or (b) the Government Facilities Land ceases to be used for a City governmental purpose, or (c) the City conveys, leases or otherwise transfers its ownership or possessory interest in the Government Facilities Land, then Developer shall have the right to cause title in the Government Facilities Land to revert back to Developer. City may designate, as the Government Facilities Land, a portion of the Additional Land which has a frontage on County 24th Street. The City shall assume any and all responsibility for environmental assessment and/or remediation, if needed or necessary. City agrees to exercise this designation on or before November 1, 2011.

The City shall allow all of the Additional Land (including the Government Facilities Land) to be connected to the City's water system and wastewater collection system. The connection of the Additional Land to the City's wastewater collection system shall be made through the main sewer line and not by connection to a Sewer Lift Station. At the time City develops the Government Facilities Land, City shall construct all infrastructure Improvements, at its own cost and expense, necessary for the connection of the Additional Land to the City's water system and wastewater collection system, provided that Developer shall dedicate to the City, without charge to the City, the public utility easement required for the installation of water and sewer

lines necessary for such connection. If Developer develops the Additional Land before development of the Government Facilities Land, Developer shall construct such infrastructure Improvements at its own cost and expense, provided that Developer's infrastructure requirements shall only require Developer to connect the Additional Land to the City's wastewater system through the main sewer line, and there shall be no requirement to install a Lift Station to serve the Additional Land.

3.8 Access on Avenue E. At the present time, access on Avenue E between the County 24th Street alignment and the County 25th Street alignment is restricted to every half-mile (County 24th Street, County 24-1/2 Street, and County 25th Street). At such time as additional access to any private property located on the west side of Avenue E is granted access on Avenue E, City agrees to use its best efforts to grant the same degree of access to the portion of the Property located on the east side of Avenue E between the two aforementioned alignments. It is understood that this subsection is conditioned upon the City's right, power, or authority to grant access. It is also understood that the promise to use its best efforts is not a promise of access.

3.9 Zoning. Developer shall have the right to apply for zoning changes, and as long as the proposed change in zoning is in conformance with the most current City of San Luis General Plan, City agrees that staff will recommend approval, subject to such conditions as may reasonably be deemed appropriate and are allowable under applicable law. City agrees that the Property may be developed in accordance with the zoning designation applicable to the Property, any site plans or subdivision plats for the Property approved by City through its normal and customary site plan or subdivision plat approval process (respectively, the "Site Plans" or the "Subdivision Plats"), and the provisions of this Agreement, and such right shall be vested as of the Effective Date for the term of this Agreement. City agrees that the Developer has the right to apply for rezoning for each portion of the Property without charge during the period beginning January 1, 2011 and ending on the date which is forty-eight months after the date on which the Annexation Ordinance becomes effective. During that forty-eight month period, the Developer agrees to pay for all legal publications including notice of Public Hearing(s) and the final publication of the Ordinance.

3.10 Avenue E streetscape. At the time of development of any portion of the Property that abuts Avenue E, the Developer agrees to install xeriscape landscaping in the parkway between the property line and the edge of the paved surface of the portion of Avenue E between (a) the mid-way point between County 25th Street and County 24 ½ Street (i.e., the County 24 ¾ Street alignment), and (b) the mid-way point between County 24 ½ Street and County 24th Street (i.e., the County 24 ¼ Street alignment). The number and type of landscaping shall be in accordance with the landscaping standards attached hereto as Exhibit E. The design of the landscaping, sidewalks, storm water retention/detention elements, and/or fencing shall be part of the subdivision improvement plans and drawings that will be subject to City approval pursuant to the City of San Luis subdivision ordinance then in effect at the time the applicable subdivision plat is approved by City Council. Stormwater facilities for the adjacent street may be incorporated within the landscaping. The City will maintain the landscaping and storm water retention upon acceptance of these Improvements. City agrees that Developer may take time to develop the landscaping and sidewalks, and may take up to three years to do so from the

date of the subdivision plat approval. In the event the other Improvements to the subdivision are developed ahead of said landscaping and sidewalks, the delay in sidewalk and landscaping development shall not delay acceptance by the City of the other Improvements. At all times, any adequate assurances posted for development of Improvements shall be adjusted to reflect the value of outstanding offsite Improvements and any warranty period pursuant to the Subdivision Ordinance of City.

3.11 Use of flat curbs. Developer may use flat curbs within the portions of the Property which are zoned as Industrial. Said flat curbs shall be constructed to City of San Luis Construction Standards (or other generally applicable engineering standards adopted by the City through its normal and customary adoption process), provided, that Developer shall not be required to install sidewalks within the portions of the Property in which Developer uses flat curbs. The Developer shall use vertical curbs within the portions of the Property which are zoned as Commercial. All curbs on Avenue E, Avenue D, Avenue C, County 24th Street, or County 25th Street shall be vertical curbs regardless of zoning.

3.12 Design, Construction and Dedication. Improvements shall be designed, constructed and dedicated in accordance with applicable laws, including, without limitation, the City's normal and customary plan submittal, review and approval processes, day-to-day inspection requirements, and insurance requirements. When the Improvements, or a discrete portion thereof, are completed, then upon written request of City or Developer, Developer shall dedicate and City shall accept such Improvements. City shall grant all rights, licenses, easements, and rights of entry necessary to permit Developer to construct the Improvements within the public rights-of-way.

ARTICLE 4. INDEMNIFICATION

4.1 Developer agrees to defend, indemnify and hold harmless City, its officers, officials and employees ("Indemnified Group") for liability from and against claims, damages, losses and expenses of any nature whatsoever (including but not limited to reasonable attorney expense), relating to, arising out of, resulting from the Developer's negligent acts or omissions or intentional torts which relate to Developer's performance under this Agreement, including but not limited to work or services provided in the performance of this Agreement by Developer's subcontractors or any one directly or indirectly employed by or contracting with the Developer or subcontractor or by anyone for whose acts Developer may be liable. Notwithstanding the foregoing, the provisions of this Section 4.1 do not extend to any liability, claims, damages, losses or expenses which result from the negligent acts or omissions, or intentional torts of the City, for which the City agrees to indemnify and hold harmless Developer, its officers, directors, partners, shareholders, managers, members and employees for liability from and against claims, damages, losses and expenses of any nature whatsoever (including but not limited to reasonable attorney expense).

4.2 If any claim, action or proceeding is brought against the Indemnified Group, by reason of any event that is the subject of this Agreement, Developer (at its sole cost and expense) shall pay, resist or defend such claim or action on behalf of the Indemnified Group by the attorney of

the Developer, or if covered by insurance, the insurer, all of which must be approved by City, which approval will not be unreasonably withheld, conditioned or delayed. The City shall cooperate with all reasonable efforts in the handling and defense of such claim. Notwithstanding the foregoing, the City may engage its own attorney to defend or assist in its defense if Developer neglects or refuses to provide an adequate defense, and the Developer shall pay the reasonable costs and expenses thereof.

4.3 Any settlement of claims must fully release and discharge the Indemnified Group from any liability for such claims. The release and discharge shall be in writing and shall be subject to approval by the City, which approval shall not be unreasonably withheld, conditioned or delayed. If Developer neglects or refuses to defend any of the Indemnified Group for a claim covered by the indemnity set forth in Section 4.1, any recovery or judgment against the Indemnified Group for a claim covered by such indemnity shall conclusively establish the amount of Developer's liability to the Indemnified Group in connection with such recovery. If the City desires to settle any claim covered by the indemnity set forth in Section 4.1 for which Developer neglects or refuses to defend, the City shall be entitled to settle such claim in good faith and Developer shall be liable for the amount of such settlement and all expenses in connection with such settlement. Any dispute between the parties regarding whether or not a claim is covered by the indemnity set forth in Section 4.1, or whether Developer has neglected or refused to provide a defense, shall be resolved in accordance with the provisions of Section 5.2.

4.4 The indemnity provisions of this Agreement shall survive the termination of this Agreement.

ARTICLE 5. MEDIATION AND DEFAULT

5.1 Representatives. To further the cooperation of the parties in implementing this Agreement, the City and Developer each shall designate and appoint a representative to act as a liaison between the City and its various departments and the Developer. The initial representative for the City (the "City Representative") shall be the City Manager and the initial representative for the Developer shall be its project manager, as identified by the Developer from time to time (the "Developer Representative"). The representatives shall be available at all reasonable times to discuss and review the performance of the parties to this Agreement and the development of the Property.

5.2 Mediation. In the event that there is a dispute hereunder which the parties cannot resolve between themselves, the parties agree that there shall be a forty-five (45) day moratorium on litigation during which time the parties agree to attempt to settle the dispute by nonbonding mediation before commencement of litigation. The mediation shall be held under the commercial mediation rules of the American Arbitration Association. The matter in dispute shall be submitted to a mediator mutually selected by Developer and the City. In the event that the parties cannot agree upon the selection of a mediator within seven (7) days, then within three (3) days thereafter, the City and the Developer shall request the presiding judge of the Superior Court in and for the County of Yuma, State of Arizona, to appoint a mediator from a list

of mediators maintained by the Arizona Municipal Risk Retention Pool. The cost of any such mediation shall be divided equally between the City and Developer. The results of the mediation shall be nonbinding on the parties, and any party shall be free to initiate litigation subsequent to the moratorium.

5.3 Default. Failure or unreasonable delay by any party to perform any term or provision of this Agreement for a period of ten (10) days after written notice thereof from another party shall constitute a default under this Agreement. If the default is of a nature which is not capable of being cured within ten (10) days, the cure shall be commenced within such period, and diligently pursued to completion. The notice shall specify the nature of the alleged default and the manner in which the default may be satisfactorily cured. In the event of a default hereunder by any party, the non-defaulting party shall be entitled to all remedies at both law and in equity, including, without limitation, termination. specific performance, and/or the right to perform the obligation (s) of which the defaulting party is in default and to immediately seek reimbursement from the defaulting party of all sums expended in order to cure such default, together with interest, at the rate of 10% per annum, on all such sums from the date said sums are expended by the non-defaulting party for the purpose of curing the default to the date such sums are paid in full.

ARTICLE 6. CONFLICT OF INTEREST; REPRESENTATIVES NOT INDIVIDUALLY LIABLE.

6.1 Conflict of Interest. Pursuant to Arizona law, rules and regulations, no member, official or employee of the City shall have any personal interest, direct or indirect in this Agreement, nor shall any such member, official or employee participate in any decision relating this Agreement which affects his or her personal interest or the interest of any corporation, partnership or association in which he or she is, directly or indirectly, interested.

6.2 No Personal Liability. No member, official or employee of the City shall be personally liable to Developer, or any successor or assignee, (a) in the event of any default or breach by the City, (b) for any amount which may become due to the Developer or its successor or assign, or (c) pursuant to any obligation of the City under the terms of this Agreement. Notwithstanding anything contained in this Agreement to the contrary, the liability of Developer under this Agreement shall be limited solely to the assets of Developer and shall not extend to or be enforceable against: (i) the individual assets of any of the individuals or entities who are shareholders, members, managers constituent partners, officers or directors of the general partners or members of Developer; (ii) the shareholders, members or managers or constituent partners of Developer; or (iii) officers of Developer.

MEMORANDUM OF UNDERSTANDING

Comes now the City of San Luis, Arizona, a municipal corporation and political subdivision of the State of Arizona ("City") and MOY Farming Company, L.L.C., Von Verde Development, L.L.C, and SAM Group Investment Company (Arizona entities), known as owners ("Owner") and hereby make this agreement ("Agreement") on the 27th day of October 2022 to an understanding regarding the proposed lot split for ATS Lot Split, City Lot Split Case Number 2022-0509, dividing Assessor's Parcel Number 227-14-004 located on the northwest corner of Avenue D and County 25th Street, in San Luis, Arizona.

WHEREAS, MOY Farming Company, L.LC. is the owner of real property, Assessor's Parcel Number 227-14-004, and desires to split said parcel into two parcels pursuant to City Lot Split Case Number 2022-0509.

WHEREAS, a true and correct legal description of the property to be divided, and to which this instrument applies, is marked "Exhibit A" attached hereto, and by this reference is incorporated herein as though fully set forth again in full.

WHEREAS, Section 7.1 of the Subdivision Regulations of the City provides in part that lot splits may be approved if the division of land is into three or fewer parcels and does not involve right-of-way dedication, utility extension, or other off-site public improvements.

WHEREAS, the Subdivision Regulations of the City do not allow for a lot split process under the particular circumstances of City Lot Split Case Number 2022-0509.

WHEREAS, the purpose of this Memorandum of Understanding (Agreement) is to make appropriate provision for right-of-way dedications, utility extensions, and off-site public improvements such that the application for City Lot Split Case Number 2022-0509 can be approved.

WHEREAS, Von Verde Development, L.L.C.; MOY Farming Company, L.L.C.; and SAM Group Investment Company are the owners of Section 13, which is adjacent to the east of Assessor's Parcel Number 227-14-004.

WHEREAS, at the October 19, 2022, San Luis City Council Special Meeting, City Council adopted commitments Von Verde Development, L.L.C.; MOY Farming Company, L.L.C.; and SAM Group Investment Company made involving Section 13,

Township 11 South, Range 24 West, Gila and Salt River Base and Meridian ("Section 13").

NOW, THEREFORE, the recitals to this Agreement are incorporated into and shall constitute part of this Agreement. Intending to be legally bound hereby, the City and Owner agree as follows:

1. **Sidewalks**

    a. For the property described as proposed Parcel C2 on the proposed lot split Case No. 2022-0509 ("Parcel C2"), said parcel will be allowed to be developed without the requirement of sidewalks provided the property is developed for the uses of warehouse, transfer of heavy freight, or other uses consistent with heavy truck parking and storage within two calendar years from the date of this Agreement.

    b. The Owner of Parcel C2, on behalf of itself and its successors in interest, shall construct sidewalks on the proposed Parcel C2 if other uses not listed above develop on Parcel C2.

2. The Owner or its successor of Parcel C2 shall conduct a traffic impact statement or traffic study, whichever is required, and develop such improvements and dedicate such right of ways as called for by the impact statement or study or both.

3. **Avenue D**

    a. **Full Width of Avenue D Eighty Feet (80') with Listed Uses**
    If the uses in Section 13 and parcel C1 on the proposed lot split Case No. 2022-0509 ("Parcel C1") and Parcel C2 are for warehouse, transfer of heavy freight, or other uses consistent with heavy truck parking and storage within two calendar years from the date of this Agreement, then the City shall require the following:

At the present time, the right-of-way width is thirty-three feet (33') west of the section line. The purpose of this dedication would be to add up to seven feet (7') of right-of-way to the existing thirty-three feet (33'), making the total width to be up to forty feet (40') west of the section line. This

additional dedication will be made at such time as the City of San Luis requests it. Further, the Owner, or its successors in interest, shall build one-half of an arterial road adjacent to Parcel C1 and Parcel C2 along the Avenue D alignment to City standards at the time of such a request by the City of San Luis.

This additional dedication will be made at such time as the City of San Luis requests it. Further, the Owner, or its successors in interest, shall build one-half of an arterial road adjacent to Section 13 of the Avenue D alignment to City standards at the time of such a request by the City of San Luis.

b. Conditions for Full Width of Avenue D One Hundred Feet (100')

If at any time, the uses in Section 13, or proposed parcel C1 or proposed parcel C2 are uses *other* than those listed (specifically, the listed uses are warehouse, transfer of heavy freight, or other uses consistent with heavy truck parking and storage), then the City shall require, and the Owner of Section 13 on behalf of itself and its successors in interest commit to dedicating not only the seven feet (7') described in paragraph 3(a)(ii) but an additional twenty feet (20') for a total of sixty feet (60') west of the section line. . Further, the Owner of Section 13, or its successors in interest, shall build its share of an arterial road adjacent to Section 13 on the Avenue D alignment to City standards at the time of such a request by the City of San Luis.

4. Prior to connection to water or wastewater, improvements shall be built to the Public Works Standards of the City of San Luis and all other federal, state, and local regulations then in effect. As a condition of development of proposed parcel C2, such water and wastewater improvements and connections shall be

developed in a manner to serve the Property of the Development Agreement of April 27, 2011, passed by City Resolution No. 936.

5. The Owner represents and warrants that it is duly formed and validly existing under the laws of the State of Arizona and that it is duly qualified to do business in the State of Arizona and is in good standing under applicable state laws. The Owner and the City warrant to each other that the individuals executing this Agreement on behalf of their respective parties are authorized and empowered to bind the party on whose behalf each individual is signing. The Owner represents to the City that by entering into this Agreement, the Owner has bound the property and all persons and entities having any legal or equitable interest therein to the terms of this memorandum of understanding.

8. Any successor in interest to Owner shall be bound by the terms and conditions hereof.

9. Subject to the provisions hereof, upon compliance with the other terms and conditions of Section 7.1 of the Subdivisions Regulations and other appropriate ordinances and regulations of the City, City shall approve City Lot Split Case Number 2022-0509.

10. No delay in exercising any right or remedy shall constitute a waiver thereof, and no waiver by the parties of the breach of any provision of this Agreement shall be construed as a waiver of any preceding or succeeding breach of the same or of any other provision of this Agreement.

11. This Agreement, including Exhibit A, hereto constitute the entire agreement between the parties. This provision applies only to the entirety of this Agreement only; additional and separate zoning stipulations and agreements with the City may apply to the property, and this provision has no effect on them.

The City shall record the amendment or cancellation in the official records of the Yuma County Recorder.

13. In the event of a conflict between the provisions of this Agreement and any other prior agreement between the parties hereto, the conflicting provisions are hereby rescinded and replaced, and this Agreement shall control.

14. If any other provision of the Agreement is declared void or unenforceable, such provision shall be severed from this Agreement, which shall otherwise remain in full force and effect.

The parties agree that venue for any action commenced in connection with this Agreement shall be proper only in a court of competent jurisdiction located in Yuma County, Arizona, and the parties hereby waive any right to object to such venue. This Agreement is subject to the provisions of A.R.S. § 38-511.

16. This Agreement and any amendment or cancellation of it shall be recorded in the official records of the Yuma County Recorder no later than ten (10) days after the City and the Owner execute such agreement, amendment, or cancellation.

17. If any party to this Agreement brings a legal action either because of a breach of this Agreement or to enforce a provision of this Agreement, the prevailing party will be entitled to reasonable attorney's fees and court costs.
