- Proposed Changes:

- ◆ Eliminate the need to take cumulative purchases with a single vendor exceeding \$50,000.00 for authorization.
- ★ Does not affect purchases/projects with an overall contract value exceeding \$50,000 - would still require Council approval. (Reference Texas LGC 252.041)
- ◆ Modify the small dollar purchasing threshold from \$1,000.00 to \$3,000.00 to align with Texas LGC 252.0215
- ★ Small dollar purchases can be made without soliciting 3 bids

- Rationale

- ◆ Alignment with Texas LGC 252
- ◆ Alignment with Benchmark Cities
- ◆ Increased efficiencies
