B. *New and Unlisted Uses.* When a proposed land use is not classified in this section or a single use which have varying parking needs depending on the function of that specific single use, an applicant may submit a parking ratio based on best/current planning and transportation practices.

1. A best/current parking ratio application should include the following:
  - a. An application shall fully cite the sources used to derive the applicant-submitted parking ratio, possible resources include parking standards material from the Institute of Transportation Engineers (ITE) or the American Planning Association (APA).
  - b. The City Manager or his/her designee shall review the applicant submitted parking ratio to confirm best/current planning practices for a use.
  - c. The City Manager or his/her designee shall approve, modify, or deny the applicant submitted parking ratio.
2. Parking ratio determination where no application is submitted

**Proposed UDC Amendment- Article 10 Section 21.10.4 Parking Ratio- Red Lines**

- a. If the applicant does not submit a parking ratio, then the City Manager or his/her designee shall determine the parking ratio based on the best/current planning and transportation practices.
- C. *Mixed uses.* In the event that several users occupy a single structure, or parcels of land, the total requirements for off street parking shall be the sum of the requirements for the several uses computed separately unless it can be shown that the peak parking demands are offset, for example with retail and residential, or theater and office uses. In such case the City Manager or his/her designee may reduce the total requirements accordingly, but not more than twenty-five percent (25%).
- D. *Joint use of facilities.* Required parking facilities of two (2) or more uses, structures, or parcels of land may be satisfied by the same parking facility used jointly, to the extent that it can be shown by the owners or operators that the need for the facilities does not materially overlap and provided that such right of joint use is evidenced by a deed, lease, contract, or similar written instrument establishing the joint use.
- E. *Properties zoned main street mixed-use.* Properties zoned Main Street Mixed-Use shall only be required to provide two (2) on-site parking spaces but must still provide the minimum required number of handicapped spaces on site.
