Cibolo, Converse, Judson ISD, Kirby, Live Oak, Seguin, Selma, Schertz, Universal City and
Windcrest

INTERLOCAL COOPERATION AGREEMENT

THE STATE OF TEXAS

COUNTY OF BEXAR

This Interlocal Cooperation Agreement (the "Agreement") is made and entered into by and between the City of Cibolo, City of Converse, Judson Independent School District, the City of Kirby, the City of Live Oak, the City of Seguin, the City of Selma, the City of Schertz, the City of Universal City, and the City of Windcrest, (collectively, "the Parties"), acting by and through their authorized representatives.

Whereas, the Alamo Area Metro SWAT Team (SWAT Team), hereafter referred to as the SWAT Team, is in vast need of team equipment, and operating/training needs. For these items to be purchased it would cost a significant amount of funding and the resources are not available to the individual Cities who are a party to the SWAT Team, but collectively makes purchasing the resources and assets feasible. The team is also in need of funds to replace equipment, purchase additional expendable items used during deployments, and provide for training needs.

Whereas, the participating jurisdictions in the SWAT Team have agreed to enter into this agreement to develop a sustaining fund for the purchase of assets and equipment to assist with its operating needs and the Fund being established shall be called the Regional Law Enforcement Support Fund ("The Fund"); and

Whereas, the participating jurisdictions and the respective Governing Bodies have determined that entering into this agreement will achieve a municipal public purpose to ensure the safety and welfare of the citizens of the participating jurisdictions; and

Whereas, the participating jurisdictions to the Fund agree to establish an Oversight Committee consisting of the Chiefs of Police for each entity entering into this Agreement, to establish and assist with policy decisions associated with expending the funds within the Fund and maintaining the vision for the Fund; and

Whereas, Chapter 362, Sec. 362.001 et seq., Texas Local Government Code, authorizes a county or municipality by resolution of its governing body to enter into an agreement with any neighboring municipality or contiguous county for the formation of a mutual aid law enforcement task force to cooperate in the investigation of criminal activity and enforcement of the laws of this State; and

Whereas, the Parties, and other cities and agencies which may hereafter become parties after this agreement is entered, desire to form a mutual aid law enforcement task force wherein the specialized equipment, facilities and trained personnel of their respective police departments or law enforcement agencies are available to each other as requested and required; additionally a

joint tactical or SWAT team (Special Weapons and Tactics Team) hereafter referred to as the Alamo Area Metro SWAT Team shall be created under this Agreement; and

Whereas, pursuant to the Interlocal Cooperation Act, Texas Government Code, Chapter 791 (the "Act"), as amended, cities, counties, special districts, and other legally constituted political subdivisions of the State of Texas are authorized to enter into inter-local contracts and agreements with each other regarding governmental functions and services as set forth in the Act; and

Whereas, the Parties each provide law enforcement services to the citizens of their respective jurisdictions; and

Whereas, the Parties desire to provide Special Weapons and Tactics (SWAT) capabilities within Bexar, Comal, and Guadalupe Counties in accordance with Chapter 418 of the Texas Government Code and Chapter 362 of the Texas Local Government Code, as applicable; and

Whereas, the Parties desire to coordinate and form the multi-agency Alamo Area Metro SWAT Team for deployment within the jurisdictions of participating agencies and other surrounding areas and desire to enter into this agreement to ensure that there are finances available for to the SWAT Team to purchase assets and equipment as necessary now and in the future in accordance with Chapter 418 of the Texas Government Code and Chapter 362 of the Texas Local Government Code, as applicable; and

Whereas, the Parties to this Agreement understand that entering into this Agreement in no way obligates any Party to participate in any tactical response activities.

NOW, THEREFORE, pursuant to the Act and as otherwise authorized and permitted by the laws of the State of Texas, for and in consideration of the covenants, conditions, and undertakings hereinafter described, and subject to each and every term and condition of this Agreement, the Parties contract, covenant and agree as follows:

Article One – Findings and Declarations

Section 1.1 The recitals hereinabove set forth are incorporated herein for all purposes and are found by the City Councils of Cibolo, Converse, Kirby, Live Oak, Seguin, Selma, Schertz, Universal City, Windcrest, and the Board of Trustees of Judson ISD to be true and correct. It is further found and determined that the City Councils of Cibolo, Converse, Kirby, Live Oak, Seguin, Selma, Schertz, Universal City, Windcrest, and the Board of Trustees of Judson ISD have authorized and approved this Agreement by resolution duly adopted by each of the City Councils and Board of Trustees.

Section 1.2 It is the declared and stated intent of the Parties that the terms, conditions, and provisions of this Agreement may be enforced by each of the Parties, jointly or independently, either at law or in equity, and the Parties shall be deemed to have waived any claim or right that is inconsistent with this Agreement and shall be stopped from challenging any term, provision, or condition hereof.

Article Two – Purpose

The purpose of this Agreement is to coordinate multiple law enforcement agencies to provide adequate assets, training, and equipment in responding to law enforcement SWAT incidents within the Randolph Metro Area and participating jurisdictions with Bexar, Comal, and Guadalupe Counties.

Article Three – Administration

Section 3.1 The City of Live Oak (“City”) will be the administrative agent for the Fund under this Agreement pursuant to the Act.

Section 3.2 For the purpose of continuity of records management, audit process, and centralizing inventory control, and pursuant to this Agreement, all decision making, and administration of Vehicles, Equipment, Training, and management of the SWAT Team will be governed according to the overall strategy approved by the Oversight Committee (see Section 3.3).

Section 3.3 The law enforcement Chiefs of each of the jurisdictions entering into this Agreement will jointly and equally serve as Directors on the Oversight Committee to establish and maintain direction and authorize the allocation of the financial resources in the SWAT Team. The Chiefs may designate someone as their representative when necessary.

Section 3.5 All assets and equipment purchased pursuant to this Agreement that the Parties must pay for, if any, will be paid from current revenues available to each respective jurisdiction.

Section 3.6 During the term of this Agreement, the Parties agree to provide upon request of one party (requesting party) to the other (providing party) such law enforcement personnel, including available equipment and facilities, as may be requested for the investigation or suppression of crime within the jurisdictional area of the requesting party; provided that the personnel, equipment, and facilities requested are not otherwise required by the providing party as determined by the Chief of the providing agency, or his designee. Requests for mutual aid made pursuant to this Agreement shall be made by and to the respective Chief or his designated representatives.

Article Four – Duties and Responsibilities of the Parties

Section 4.1 The Oversight Committee or their designee will conduct two inventories a year of any assigned vehicles or equipment purchased pursuant to this Agreement, on a form approved by the City. The Oversight Committee will provide the inventory lists to the City prior to January 1st and July 1st of each year.

Section 4.2 The City may request, from all parties, an additional inventory of vehicles or equipment housed and may request copies of personnel training records relating to the regional SWAT team pursuant to this Agreement in preparation for an audit. Additional inventories and records will be due within 30 days of receipt of a written request from the city. Inventory records will be available to all participating jurisdictions at any time.

Section 4.3 The SWAT Team is prohibited from transferring or relocating assigned SWAT vehicle(s) and equipment purchased with this funding pursuant to this agreement without prior notification to the Oversight Committee.

Section 4.4 The SWAT Team will forward all maintenance records for the SWAT vehicles and equipment purchased with this funding and housed by such parties pursuant to this Agreement to the City of Live Oak within 30 days of work being performed. Such records will include, but not be limited to, all records of preventative maintenance, tire replacements, and any other maintenance work performed on the vehicles or equipment by any authorized service facility other than at the City of Live Oak Vehicle Maintenance Department.

Section 4.5 The Parties will use the vehicles and equipment, pursuant to this Agreement, solely for responding to incidents, related training activities, driver familiarization activities, and community public safety events.

Section 4.6 In preparation for audits, each party will submit a Quarterly Summary Report to the City in a format approved by the City of Live Oak, along with copies of individual incident reports for each call for service responded to by SWAT Team. The reports will be due no later than April 10th, July 10th, October 10th, and January 10th of each year for the previous quarter. This report is intended to document the mobilization and use of the SWAT Team.

Section 4.7 Repairs for damages to the SWAT vehicle(s) or equipment incurred while training, responding to an incident, or operating the vehicle or equipment for any reason will be paid by the party operating the vehicle or equipment if such damages are the result of the operating party's negligence.

Section 4.8 While any law enforcement officer regularly employed by the providing party is in the service of a requesting party pursuant to this Agreement, he shall be under the command of the requesting party's law enforcement officer who is in charge, and said peace officer shall have all the powers of a regular peace officer of the requesting party as though he were within the jurisdiction where he is regularly employed; and his qualification for office with the providing party shall constitute his qualification for office with the requesting party; and no other oath, bond, or compensation need be made. In the performance of work or services hereunder, each peace officer is deemed solely as an employee of his hiring agency, which shall assume sole and exclusive responsibility for the payment of wages to the employee for services performed under this Agreement.

Section 4.9 A peace officer employed by a providing Party covered by this Agreement may make arrests outside the jurisdiction in which he is employed, but within the areas (any participating jurisdiction) covered by the Agreement, provided, however, that the law enforcement agency within the requesting jurisdiction shall be notified of such arrest without delay. The notified agency shall make available the notice of such arrest in the same manner as if said arrest were made by a member of the law enforcement agency of said requesting jurisdiction.

Section 4.10 Peace officers employed by the Parties to this Agreement shall have such investigative and other law enforcement authority in the jurisdictional area encompassed by this Agreement as is reasonable and proper to accomplish the purpose for which a request for mutual aid assistance is made.

Section 4.11 The Chief of the requesting agency or his designee shall be the final authority in deciding whether deadly force is required to bring a critical incident to an end; provided, however, that this authority shall not limit the authority of a peace officer, confronted with an immediate threat and no alternative, to use such force as may be required to preserve his life or the life of another. To the maximum feasible extent, time and negotiation shall be used to bring a critical incident to a close without loss of life or injury to a Party.

Article Five- Alamo Area Metro SWAT Team Criteria and Appointment

Article 5.1 The Alamo Area Metro SWAT Team is hereby created pursuant to this Agreement, as an emergency response team comprised of peace officers from the agencies, which are Parties to this Agreement. The command structure of the team will be defined and agreed to by the Chief of each agency represented under this Agreement within the operational policies established for the team. In appointing personnel to the Alamo Area Metro SWAT Team, each agency represented by this Agreement shall be subject to the foregoing articles and further subject to the following specific criteria:

- (a) Each Party to this Agreement shall use the same selection, training, uniform, fitness, and firearms standards to ensure the availability of peace officers specifically trained in responses to and management of critical incidents involving substantial risk of death or serious injury to persons.
- (b) Each Party to this Agreement shall provide not less than sixteen hours monthly of duty time for the joint training of peace officers from all the participating Parties.
- (c) Each Party shall also designate a peace officer to coordinate its participation in both training and callout incidents.

Article 5.2 All peace officers designated by each Party as qualified to be appointed to the Alamo Area Metro SWAT Team shall meet the following criteria as a minimum: not less than minimum full time experience established by the oversight committee; demonstrated ability to meet or surpass the fitness requirements established for team members; successful completion of an approved basic SWAT school in special tactics; and a minimal acceptable score on the firearms qualification course established for these officers. Further, officers assigned by each city are subject to reassignment from the response team at the discretion of the employing agency or command staff of the team if it is determined to be in the best interest of the team.

Article Six – Cost Sharing/Budget and Finance

The Parties agree to budget and finance provisions for costs incurred by or in connection with the operations, training, purchasing of assets and equipment for the SWAT Team, in accordance with the following:

Section 6.1 For purposes of general administration, the City of Live Oak shall be designated as the Host Police Department. The City's police department will coordinate budgetary expenditures with all participating jurisdictions and in association with the Oversight Committee.

Section 6.2 All costs associated with the initial and continued outfitting of a SWAT Team member, including but not limited to, clothing, equipment and weapons shall be the responsibility of the employing participating Jurisdiction of any team member. This equipment shall remain the property of the purchasing Jurisdiction. The maintenance and replacement of individual team member's equipment shall be the responsibility of the employing Jurisdiction. All uniforms, weapons, and equipment purchased by participating jurisdictions are required to meet minimum standards as established by the Oversight Committee.

Section 6.3 Any overtime costs associated with deployment operations or team training of SWAT Team members shall be the responsibility of the employing Jurisdiction of any participating team member.

Section 6.4 All parties understand there is need for equipment, and/or training for specialty positions within the team, that may be utilized by any qualified team member during the course of operations or training.

Section 6.5 Each participating Jurisdiction agrees that the annual contributions made pursuant to this Section shall be used for sustaining annual training and support, as well as capital replacement for an armored asset and other designated equipment.

- (a) \$6,500.00 represents the annual contributions by the Parties.
- (b) In exchange for the City of Selma's contribution of making use of Selma's armored asset available to the SWAT Team, the City of Selma shall not be required to pay into the fund.
- (c) Annual contributions may be approved by each Jurisdiction's governing body in the budget process on an annual basis. Each party paying for the performance of governmental functions or services must make those payments from current revenues available to the paying party.
- (d) The City of Live Oak will establish a single operational budget at the direction of the Oversight Committee. Participating Jurisdictions agree to leave any remaining balance from that calendar year in the operational budget, which will be held in the account to supplement/augment organizational operations with the approval of the Oversight Committee.

- (e) In exchange for making the annual contributions and each participating Jurisdiction shall receive the full support of the team and equipment to support critical and planned incidents within its jurisdiction.

Section 6.6 By May of each year, the SWAT Team Commander will submit a proposed operational budget request for approval to the Oversight Committee, itemizing anticipated team/specialty training and team equipment purchase requests for the following budget cycle. Each participating Party will be responsible for their annual contribution of \$6,500.00 or the amount established by the oversight committee to be placed within their budget for consideration by respective City Councils. All team/specialty equipment purchases made during the calendar year will be documented via an inventory database spreadsheet. Training and equipment for individual team members will be the responsibility of each participating Party.

Section 6.7 During unusual occurrences, emergency expenses outside the parameters of the approved SWAT Team operational budget can be approved and ratified by agreement with a quorum of the Board. These expenses will be incurred only out of operational necessity (i.e., additional overtime or supplies related to a SWAT operation).

Section 6.8 All Parties intend that the budget and finance provision contained herein shall support the activities of SWAT Team operations, training, equipment, and vehicles.

Section 6.9 Any additional equipment or vehicle needs associated with Alamo Area Metro SWAT Team may be supported with funding under this section as determined by the Oversight Committee.

Section 6.10 The City of Live Oak will act as the Administrator of the Alamo Area Metro SWAT Team. The City of Live Oak's Finance Department will create a means to track and record the revenues and expenditures generated under this Agreement by creating a new separate Special Revenue Fund within the reporting structure of the City to specifically record the financial transactions under this Agreement. This fund will be audited annually as part of the City of Live Oak's annual audit process and will be reported as part of the City's annual Audit Report. The Live Oak Police Chief will serve as the administrative liaison between the Alamo Area Metro SWAT Team Oversight Committee and the City of Live Oak Finance Department for any required approval needed to disburse funds. As the administrative liaison, the Live Oak Police Chief will approve and authorize appropriate expenditures as directed by the Alamo Area Metro SWAT Team Oversight Committee and submit them to the Finance Department for final disbursement.

Article Seven – No Co-Partnerships

It is agreed that nothing herein contained is intended or should be construed as in any manner creating or establishing a relationship of co-partners between the Parties, or as creating or establishing the relationship by any of the parties as agent, representative, or employee of another party for any purpose, or in any manner, whatsoever.

Article Eight – Term, Renewals, and Amendments

This Agreement will be in effect for one (1) year from the effective date hereof and will be considered automatically renewed for each succeeding year, up to a total of ten (10) such years. This agreement may be reviewed annually, and any party may withdraw from participation in this Agreement, with or without cause, by giving at least thirty (30) days written notice to all of the other parties. The decision to withdraw from this Agreement by one Party will not impact the other Parties' participation in this Agreement. This Agreement may only be amended by a written instrument recommended by the Oversight Committee and approved by the Governing bodies of the Parties. This Agreement may only be amended by written agreement of all the undersigned Parties that have not withdrawn their respective participation under this Agreement.

If a participating jurisdiction elects to terminate their participation in this Agreement, they shall forfeit their rights to the assets and equipment, as well as their financial contributions to the Fund.

In the event the Parties agree to eliminate and dissolve this Agreement and the Oversight Committee, and the Parties agree to dissolve this Agreement prior to the tenth year of the Agreement, the parties shall distribute the assets and equipment based on a proportionate share of their participation in the Fund.

In the event another jurisdiction not a party to the initial agreement expresses an interest in participating, the Oversight Committee will evaluate the new jurisdiction's participation and vote on participation and terms, including the financial investment necessary to participate and an Interlocal agreement reflecting the new jurisdiction's participation and terms.

Article Nine – Benefit of Term, Renewals, and Amendments

This Agreement is intended for the exclusive and sole benefit of Alamo Area Metro SWAT Team and neither this Agreement nor any provision thereof shall be construed to confer or provide any benefit or right to any other person.

Article Ten – Severability Clause

If any provision of this Agreement or any application hereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby.

Article Eleven– Governing Law

This Agreement shall be construed in accordance with and governed by the laws of the State of Texas.

Article Twelve – Governmental Immunity

It is expressly understood and agreed that in the execution of this Agreement, the Parties hereto do not intend to waive, nor shall be deemed to waive, any immunity or defense at law or in equity, that would otherwise be available to each against claims arising in the exercise of governmental powers and functions including the defense of governmental or sovereign immunity.

Article Thirteen – Authorization

The undersigned officers and/or agents are properly authorized to execute this contract on behalf of the Parties hereto, and each hereby certifies to the other that any necessary resolution or order extending such authority has been duly passed and are now in full force and effect.

Article Fourteen – No Third-Party Rights

By entering into this Agreement, the Parties do not create any obligations, express or implied, other than those set forth herein, and this Agreement shall not create any rights in Parties not signatories hereto.

Article Fifteen – Multiple Counterparts

This Agreement may be simultaneously executed in several counterparts each of which shall be an original and all of which shall be considered fully executed as of the date when all parties have executed an identical counterpart, notwithstanding that all signatures may not appear on the same counterparts.

Article Sixteen – Venue

Venue for any legal actions arising out of this Agreement shall lie exclusively in Bexar County, Texas.
