This investment portfolio represents a liquid and diverse holding by the City of Schertz. The investment strategy is to hold the monthly operating funds in the bank while investing other funds. By looking at the purpose of the funds being invested, it can be determined that it is in best interest of the City to invest in securities over 1 year to maximize yield while still maintaining all collateral and other safety requirements. This portfolio is in compliance with the City's Investment Policy and with the Public Funds Investment Act.

Glossary

Investment Report Terms

Par Value	This is the amount stated on the original issue of the investment that the interest paid out is based on and is the amount to be returned to the investment holder once the investment reaches the maturity date.
Shares	The original investment is sold in pieces called "Shares", each share has a stated "Par Value" and stated "Interest Rate".
Book Value	Also called "Cost", is the amount the City paid to acquire this investment. Would be the "market value" at the time of purchase.
Market Value (Mkt)	Represents what we could sell our investments for today. It could be different than what we originally paid for the investment.
Interest Earned	Dollars earned on our investments. Is calculated based on the par value and the stated interest rate of the investment.
Yield	Annual projected earnings divided by the current market value. This is the City's return on investment.
Purchases	When we acquire additional investments or invest additional funds.
Withdraws	When we sell some or all of our investment and return cash to the bank.
Maturity Date	The date the investment is to be bought back at the par value and returned to the original issuer. This date is specified during the original issuance of the investment.
Weighted Average Maturity	An average maturity of a group of investments
Investment Pool	Groups combine their funds to purchase a variety of different investment types. The returns are averaged back out to investors every day based on their individual investment.
Certificates of Deposit	Is an investment type with a fixed maturity date, a specified interest rate, and can be issued for any amount. Once purchased, funds cannot be removed from this investment until the maturity date. They are generally issued by commercial banks and are insured by the Federal Deposit Insurance Corporation up to \$250,000 per individual.
