RE: 2024 Election of Bexar Appraisal District Board of Directors – Voting

The Honorable Mayor Gutierrez:

Thank you to those who participated in the nomination phase of the election for the Bexar Appraisal District Board of Directors for the 2024 term. Your nominations have been submitted and the voting phase of the election process is now open.

Enclosed is a copy of the voting entitlement of each taxing unit and a ballot listing all nominees in alphabetical order. As required by Section 6.03(k), Texas Property Tax Code, “the governing body of each taxing unit entitled to vote shall **determine its vote by resolution** and submit it to the Chief Appraiser **before December 15.**”

As a reminder, a recent amendment to Section 6.03, Texas Property Tax Code states “**A taxing unit with at least 5% of the total votes in the election for Bexar Appraisal District Board of Directors must determine its vote by resolution adopted at the first or second open meeting of the governing body that is held after the date the chief appraiser delivers the ballot to the presiding officer of the governing body.**”

Only votes cast by resolution and submitted with the completed ballot before December 15 will be counted in the election process. The five candidates with the greatest number of votes will be declared elected and the results will be delivered to each taxing unit by December 31.

If you have any questions regarding this process, please contact me or my Executive Assistant, Jennifer Rodriguez, at (210) 242-2406.

Sincerely,

A handwritten signature in black ink, appearing to read "Michael A. Amezquita". The signature is fluid and cursive, with a large initial "M" and a long, sweeping tail.

Texas Property Tax Code Sec. 6.03

"The voting entitlement of a taxing unit that is entitled to vote for directors is determined by dividing the total dollar amount of property taxes imposed in the district by the taxing unit for the preceding tax year by the sum of the total dollar amount of property taxes imposed in the district for that year by each taxing unit that is entitled to vote, by multiplying the quotient by 1,000, and rounding the product to the nearest whole number. That number is multiplied by the number of directorships to be filled. A taxing unit participating in two or more districts is entitled to vote in each district in which it participates, but only the taxes imposed in a district are used to calculate voting entitlement in that district."

***A recent amendment to Section 6.03, Texas Tax Code states "A taxing unit with at least 5% of the total votes in the election for Bexar Appraisal District Board of Directors must determine its vote by resolution adopted at the first or second open meeting of the governing body that is held after the date the chief appraiser delivers the ballot to the presiding officer of the governing body."**
