Re: Final Plat – IDV Schertz – Request for waiver of Section 21.14.1.K of the Code of Ordinances

To Whom It May Concern:

This letter is provided on behalf of IDV-BP Schertz, LLC, owner of the property at 22867 IH 35 N (Comal County ID #75290) in Schertz, Texas to request a waiver from the City of Schertz Code of Ordinances section 21.14.1.K which requires construction costs to be committed upon plat recordation for one-half of any planned street from the Schertz Master Thoroughfare Plan abutting the subject property.

IDV-BP Schertz, LLC wishes to record their final plat and dedicate the necessary ROW for the planned collector street, but will not be committing construction costs in the form of an escrow agreement due to newly passed state legislature disallowing local municipalities from requiring commitments of this nature. The waiver request is necessary to comply with local regulations as Schertz is working to amend their UDC to conform with the new state law.

If you have any questions or require any additional information, please do not hesitate to contact our office at your earliest convenience.

Sincerely,  
Pape-Dawson Engineers, Inc.

Andrew Belton, P.E.  
Associate Vice President
