(b) Regarding Agricultural Use of the Agricultural Tract herein described, this Agreement is determined to be a plan under which general uses and development of the Property are authorized pursuant to and in accordance with Section 212.172(b)(2), as amended, Texas Local Government Code.

(c) The Owner acknowledges and agrees that the City may zone the Agricultural Tract in a manner consistent with the uses hereunder contemplated, but this Agreement does not constitute a contract for specific zoning.

**2.02 Term.** This Agreement shall become effective and enforceable on the Effective Date and shall continue through the Termination Date.

## **ARTICLE 3 DEVELOPMENT**

### **3.01 Development.**

(a) Agricultural Tract. As a result of full-purpose annexation of the Agricultural Tract in accordance with Article 5, the Parties intend that the City shall have and exercise exclusive jurisdiction over the review and approval of preliminary and final plats relative to the Agricultural Tract. The Agricultural Use of the Agricultural Tract may continue subsequent to annexation by the City. City building permits related to the Agricultural Use shall be required, but only if required by Code and not excepted by State law or UDC Section 21.7.11, as adopted by the City on June 18, 2024. Any other use of the Agricultural Tract shall require all necessary City approvals in effect as of the date of such change in use.

(b) Residential Tract. The Residential Tract shall remain in the ETJ, and provided that this tract is used for single-family residential purposes or Agricultural Use, and is not subdivided, it shall not be subject to City regulations, including platting and permitting requirements.

(c) Governing Regulations. Except as specifically provided in this Agreement, all Property development shall be governed solely by this Agreement. The Agricultural Tract shall also be subject to the provisions of Code, with the Agreement controlling in the event of conflict. This Agreement, and Code as applicable to the Agricultural Tract, are exclusive, and no other ordinances, rules, regulations, standards, policies, orders, guidelines, or other City-adopted or City-enforced requirements of any kind (including but not limited to any development moratorium adopted by the City after the Effective Date) apply to the development of the Property.

(d) Chapter 245. Notwithstanding the foregoing, and to the extent not inconsistent with the provisions of this Agreement, the Owner may exercise rights under Chapter 245. The Parties hereby agree that the Effective Date shall be the date for establishment of the Owner's rights under Chapter 245, pursuant to Section 245.002(a-1) of such Chapter. The Owner may not take advantage of any changes to laws, rules, regulations, or ordinances of the City or other regulatory agency occurring after the Effective Date that are inconsistent with the terms of this Agreement without prior receipt of the City's consent (such consent not to be unreasonably withheld), which shall be reflected in the form of an amendment to this Agreement made in accordance with Section 11.05 hereof. For the avoidance of doubt, the foregoing restriction shall not prohibit the Owner from taking advantage of prospective changes in laws, rules, regulations, or City ordinances that do not otherwise conflict with the provisions of this Agreement.

(e) Conflict. Except as otherwise provided by the foregoing, if there is a conflict between this Agreement and the application of any other ordinance, rule, regulation, standard, policy, order, guideline or other City-adopted or City-enforced requirement, whether existing on the Effective Date or hereafter adopted (including the Code), then this Agreement shall control. If there is a conflict between any Approved Plat and any of the other Governing Regulations, the Approved Plat shall control. The Governing Regulations shall be read in concert, with all reasonable effort made by the Parties to reconcile their respective terms and provisions. In the event of direct conflict, the provisions of this Agreement shall supersede and control over competing or contradictory provisions of the Code.

## **ARTICLE 4 MUNICIPAL SERVICES**

**4.01** Police Services. The City shall, upon annexation of the Agricultural Tract (and not before), provide police service to the Agricultural Tract. The City shall, upon annexation of the Residential Tract (and not before), provide police service to the Residential Tract.

**4.02** Fire and Emergency Response Services. The City shall, upon annexation of the Agricultural Tract (and not before), provide fire and emergency response service to the Agricultural Tract. The City shall, upon annexation of the Residential Tract (and not before), provide fire and emergency response service to the Residential Tract.

**4.03 Trash Service.** The City shall, following annexation of the Agricultural Tract (and not before), and at the written request of the Owner, provide trash service to the Agricultural Tract. The City shall, upon annexation of the Residential Tract (and not before), provide trash service to the Residential Tract.

**4.04 Water/Sewer Service.** If within its certificate of convenience and necessity (“CCN”) service area, the City shall make available, upon annexation of the Agricultural Tract (and not before), water and sewer service to the Agricultural Tract. Unless the Agricultural Use of the Agricultural Tract is terminated, and the Agricultural Tract is being subdivided, Owner shall have no obligation to use City water or sewer, nor to extend infrastructure to the Property. Private water wells are permitted on the Property and shall not be regulated by the City, further, wells on the Agricultural Tract may serve the Residential Tract and vice versa. If within its CCN service area, the City shall make available, upon annexation of the Residential Tract (and not before), water and sewer service to the Residential Tract.

## **ARTICLE 5 ANNEXATION & ZONING**

**5.01 Petition for Annexation into City.** The Owner hereby agrees to the voluntary, full-purpose annexation of the Agricultural Tract and hereby submits, as Exhibit “D” hereto, a petition requesting the annexation of the Agricultural Tract (the “Annexation Petition”). The Annexation Petition is deemed filed by the Owner as of the Effective Date and the City agrees to pursue and process full annexation as quickly as reasonably possible. The Parties agree that the Residential Tract shall remain in the City’s ETJ during the Term of this Agreement unless the Owner or Owner’s successors in interest submits a petition for annexation of the Residential Tract to the City.

**5.02 City Council Action.** City action initiating annexation shall occur as soon as practicable after the Effective Date and after the City’s receipt of the completed Annexation Petition, which shall include the steps required under Chapter 43 for the full-purpose annexation of the Agricultural Tract. Notwithstanding its full-purpose annexation of the Agricultural Tract, provision of City services, including extension of Public Infrastructure, to the Property shall be made subject to this Agreement and no other agreement, regulation, or law.

**5.03 Permanent Zoning.** City agrees that the Agricultural Tract shall be permanently zoned simultaneously with annexation of the Property. The City cannot contractually agree to the zoning designation the Agricultural Tract shall receive; however, the City recognizes the Owner’s rights under Chapter 245 and Section 43.002 of the Texas Local Government Code. In the event the Agricultural Tract is rezoned to another zoning classification, or when the Residential Tract is annexed and zoned, City rezoning and plan amendment fees shall not apply.

**ARTICLE 6**  
**DEFAULT AND NOTICE**

**6.01 Notice and Opportunity to Cure.** If either Party defaults in its obligations under this Agreement, the other Party must, prior to exercising a remedy available to that Party due to the default, give written notice to the defaulting Party, specifying the nature of the alleged default and the manner in which it can be satisfactorily cured, and extend to the defaulting Party at least thirty (30) calendar days from receipt of the notice to cure the default. If the nature of the default is such that it cannot reasonably be cured within the thirty (30) calendar day period, the commencement of the cure within the thirty (30) calendar day period and the diligent prosecution of the cure to completion will be deemed a cure within the cure period.

**6.02 Enforcement.** The Parties may enforce this Agreement by any proceeding at law or equity. Failure of either Party to enforce this Agreement shall not be deemed a waiver to enforce the provisions of this Agreement thereafter. The Parties agree that monetary damages are not a sufficient remedy for a default of this Agreement. As a remedy for default, the non-defaulting party shall be entitled to equitable relief, including specific performance of this Agreement, but not monetary damages. In addition to the foregoing, a remedy to each Party for the other's default hereunder shall be termination of this Agreement.

**6.03 Notices.** Any notice required or permitted to be delivered hereunder shall be in writing and shall be deemed received on the earlier of (i) actual receipt by mail, Federal Express or other delivery service, fax, email or hand delivery; or (ii) three (3) business days after being sent by United States mail, postage prepaid, certified mail, return receipt requested, addressed to City or the Developer, as the case may be, at the address stated below.

## **ARTICLE 2 AUTHORITY, TERM, AND LIABILITY**

### **2.01 Authority.**

(a) The City enters into this Agreement pursuant to the authority granted thereto under the Constitution and general laws of the State of Texas, including (particularly) Article III, Section 52-a of the Texas Constitution, Subchapter G of Chapter 212, and the Authorizing Ordinance.

(b) Regarding Agricultural Use of the Agricultural Tract herein described, this Agreement is determined to be a plan under which general uses and development of the Property are authorized pursuant to and in accordance with Section 212.172(b)(2), as amended, Texas Local Government Code.

(c) The Owner acknowledges and agrees that the City may zone the Agricultural Tract in a manner consistent with the uses hereunder contemplated, but this Agreement does not constitute a contract for specific zoning.

**2.02 Term.** This Agreement shall become effective and enforceable on the Effective Date and shall continue through the Termination Date.

## **ARTICLE 3 DEVELOPMENT**

### **3.01 Development.**

(a) Agricultural Tract. As a result of full-purpose annexation of the Agricultural Tract in accordance with Article 5, the Parties intend that the City shall have and exercise exclusive jurisdiction over the review and approval of preliminary and final plats relative to the Agricultural Tract. The Agricultural Use of the Agricultural Tract may continue subsequent to annexation by the City. City building permits related to the Agricultural Use shall be required, but only if required

by Code and not excepted by State law or UDC Section 21.7.11, as adopted by the City on June 18, 2024. Any other use of the Agricultural Tract shall require all necessary City approvals in effect as of the date of such change in use.

(b) Residential Tract. The Residential Tract shall remain in the ETJ, and provided that this tract is used for single-family residential purposes or Agricultural Use, and is not subdivided, it shall not be subject to City regulations, including platting and permitting requirements.

(c) Governing Regulations. Except as specifically provided in this Agreement, all Property development shall be governed solely by this Agreement. The Agricultural Tract shall also be subject to the provisions of Code, with the Agreement controlling in the event of conflict. This Agreement, and Code as applicable to the Agricultural Tract, are exclusive, and no other ordinances, rules, regulations, standards, policies, orders, guidelines, or other City-adopted or City-enforced requirements of any kind (including but not limited to any development moratorium adopted by the City after the Effective Date) apply to the development of the Property.

(d) Chapter 245. Notwithstanding the foregoing, and to the extent not inconsistent with the provisions of this Agreement, the Owner may exercise rights under Chapter 245. The Parties hereby agree that the Effective Date shall be the date for establishment of the Owner's rights under Chapter 245, pursuant to Section 245.002(a-1) of such Chapter. The Owner may not take advantage of any changes to laws, rules, regulations, or ordinances of the City or other regulatory agency occurring after the Effective Date that are inconsistent with the terms of this Agreement without prior receipt of the City's consent (such consent not to be unreasonably withheld), which shall be reflected in the form of an amendment to this Agreement made in accordance with Section 11.05 hereof. For the avoidance of doubt, the foregoing restriction shall not prohibit the Owner from taking advantage of prospective changes in laws, rules, regulations, or City ordinances that do not otherwise conflict with the provisions of this Agreement.

(e) Conflict. Except as otherwise provided by the foregoing, if there is a conflict between this Agreement and the application of any other ordinance, rule, regulation, standard, policy, order, guideline or other City-adopted or City-enforced requirement, whether existing on the Effective Date or hereafter adopted (including the Code), then this Agreement shall control. If there is a conflict between any Approved Plat and any of the other Governing Regulations, the Approved Plat shall control. The Governing Regulations shall be read in concert, with all reasonable effort made by the Parties to reconcile their respective terms and provisions. In the event of direct conflict, the provisions of this Agreement shall supersede and control over competing or contradictory provisions of the Code.

## **ARTICLE 4 MUNICIPAL SERVICES**

**4.01** Police Services. The City shall, upon annexation of the Agricultural Tract (and not before), provide police service to the Agricultural Tract. The City shall, upon annexation of the Residential Tract (and not before), provide police service to the Residential Tract.

**4.02 Fire and Emergency Response Services.** The City shall, upon annexation of the Agricultural Tract (and not before), provide fire and emergency response service to the Agricultural Tract. The City shall, upon annexation of the Residential Tract (and not before), provide fire and emergency response service to the Residential Tract.

**4.03 Trash Service.** The City shall, following annexation of the Agricultural Tract (and not before), and at the written request of the Owner, provide trash service to the Agricultural Tract. The City shall, upon annexation of the Residential Tract (and not before), provide trash service to the Residential Tract.

**4.04 Water/Sewer Service.** If within its certificate of convenience and necessity (“CCN”) service area, the City shall make available, upon annexation of the Agricultural Tract (and not before), water and sewer service to the Agricultural Tract. Unless the Agricultural Use of the Agricultural Tract is terminated, and the Agricultural Tract is being subdivided, Owner shall have no obligation to use City water or sewer, nor to extend infrastructure to the Property. Private water wells are permitted on the Property and shall not be regulated by the City, further, wells on the Agricultural Tract may serve the Residential Tract and vice versa. If within its CCN service area, the City shall make available, upon annexation of the Residential Tract (and not before), water and sewer service to the Residential Tract.

## **ARTICLE 5 ANNEXATION & ZONING**

**5.01 Petition for Annexation into City.** The Owner hereby agrees to the voluntary, full-purpose annexation of the Agricultural Tract and hereby submits, as Exhibit “D” hereto, a petition requesting the annexation of the Agricultural Tract (the “Annexation Petition”). The Annexation Petition is deemed filed by the Owner as of the Effective Date and the City agrees to pursue and process full annexation as quickly as reasonably possible. The Parties agree that the Residential Tract shall remain in the City’s ETJ during the Term of this Agreement unless the Owner or Owner’s successors in interest submits a petition for annexation of the Residential Tract to the City.

**5.02 City Council Action.** City action initiating annexation shall occur as soon as practicable after the Effective Date and after the City’s receipt of the completed Annexation Petition, which shall include the steps required under Chapter 43 for the full-purpose annexation of the Agricultural Tract. Notwithstanding its full-purpose annexation of the Agricultural Tract, provision of City services, including extension of Public Infrastructure, to the Property shall be made subject to this Agreement and no other agreement, regulation, or law.

**5.03 Permanent Zoning.** City agrees that the Agricultural Tract shall be permanently zoned simultaneously with annexation of the Property. The City cannot contractually agree to the zoning designation the Agricultural Tract shall receive; however, the City recognizes the Owner’s rights under Chapter 245 and Section 43.002 of the Texas Local Government Code. In the event the Agricultural Tract is rezoned to another zoning classification, or when the Residential Tract is annexed and zoned, City rezoning and plan amendment fees shall not apply.

**ARTICLE 6  
DEFAULT AND NOTICE**

**6.01 Notice and Opportunity to Cure.** If either Party defaults in its obligations under this Agreement, the other Party must, prior to exercising a remedy available to that Party due to the default, give written notice to the defaulting Party, specifying the nature of the alleged default and the manner in which it can be satisfactorily cured, and extend to the defaulting Party at least thirty (30) calendar days from receipt of the notice to cure the default. If the nature of the default is such that it cannot reasonably be cured within the thirty (30) calendar day period, the commencement of the cure within the thirty (30) calendar day period and the diligent prosecution of the cure to completion will be deemed a cure within the cure period.

**6.02 Enforcement.** The Parties may enforce this Agreement by any proceeding at law or equity. Failure of either Party to enforce this Agreement shall not be deemed a waiver to enforce the provisions of this Agreement thereafter. The Parties agree that monetary damages are not a sufficient remedy for a default of this Agreement. As a remedy for default, the non-defaulting party shall be entitled to equitable relief, including specific performance of this Agreement, but not monetary damages. In addition to the foregoing, a remedy to each Party for the other's default hereunder shall be termination of this Agreement.

**6.03 Notices.** Any notice required or permitted to be delivered hereunder shall be in writing and shall be deemed received on the earlier of (i) actual receipt by mail, Federal Express or other delivery service, fax, email or hand delivery; or (ii) three (3) business days after being sent by United States mail, postage prepaid, certified mail, return receipt requested, addressed to City or the Developer, as the case may be, at the address stated below.

**7.08 No Personal Liability.** None of the members of the City Council, nor any officer, agent, or employee of the City, shall be charged personally by the Owner with any liability, or be held liable to the Owner under any term or provision of this Agreement, or because of execution or attempted execution, or because of any breach or attempted or alleged breach, of this Agreement.

**7.09 Severability.** If any provision of this Agreement shall be held or deemed to be or shall, in fact, be invalid, inoperative or unenforceable as applied in any particular case in any jurisdiction or jurisdictions, or in all jurisdictions because it conflicts with any provision of any Constitution, statute, rule of public policy, or any other reason, such circumstances shall not have the effect of rendering the provision in question invalid, inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions of this Agreement invalid, inoperative or unenforceable to any extent whatever.
