MINUTES MASTER THOROUGHFARE PLAN MEETING September 30, 2026

A Master Thoroughfare Plan Meeting was held by the City of Schertz Engineering Department of the City of Schertz, Texas, on September 30, 2026, at 6:00 p.m. in Civic Center Ballroom, 1400 Schertz Parkway, Building #5, Schertz, Texas. The following members present to-wit:

Present: Mayor Pro Tem Michelle Watson; Councilmember Robert Westbrook;
Councilmember Sarah Dietz; Councilmember Robert Sheridan

Staff present: Brian James, Deputy City Manager; Sheila Edmondson, City Secretary; Kathy Woodlee, City Engineer; John Nowak, Assistant City Engineer

Deputy City Manager Brian James and City Engineer Kathy Woodlee welcomed the residents to the Master Thoroughfare Plan meeting. CE Woodlee presented a short PowerPoint to the residents about the alignment refinements and one new alignment that was identified in the City Comprehensive Plan.

The Master Thoroughfare Plan Meeting is an opportunity to have a discussion and receive feedback from residents regarding the proposed plan. The Schertz MTP serves as a framework to identify future transportation needs for the area.

The Presentation/Meeting ended at 7:15 p.m., after the presentation, residents had the opportunity to speak to staff about their individual concerns.

Ralph Rodriguez, Mayor

ATTEST:

Sheila Edmondson, TRMC
City Secretary
