National Domestic Violence Awareness Month-October 2026

National Domestic Violence Awareness Month October 2026

WHEREAS, the crime of domestic violence violates an individual's privacy and dignity, security and humanity, due to systematic use of physical, emotional, sexual, psychological and economic control and/or abuse including abuse to children and the elderly; and

WHEREAS, the problems of domestic violence are not confined to any group or groups of people, but cut across all economic, racial and societal barriers, and are supported by societal indifferences; and

WHEREAS, the impact of domestic violence is wide ranging, directly affecting individuals and society as a whole, here in this community Thriving Hearts Crisis Center answered 1,675 crisis calls and provided 7,513 services to survivors from September 2025 to August 2026 and

WHEREAS, women are not only targets; men, young children and the elderly also are victims, and sadly, emotional scars are often permanent, and domestic violence costs United States' companies at least \$3.5 billion in lost work time, increased health care costs, higher turnover, and lower productivity; and

WHEREAS, it is battered women themselves who have been in the forefront of efforts to bring peace and equality to the home.

NOW, THEREFORE, I, Ralph Rodriguez, Mayor of the City of Schertz, Texas, do hereby proclaim the month of **October 2026** as

“National Domestic Violence Awareness Month”

and call all citizens, community agencies, religious organizations, medical facilities and businesses to increase their participation in our effort to prevent domestic violence, thereby strengthening the communities in which we live.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the Seal of the City of Schertz to be affixed on this the 13th day of October 2026.

Ralph Rodriguez, Mayor

Workshop

21. Workshop providing an Update on Unpaved Surfaces (Senior Planner Daisy Marquez).

Senior Planner Daisy Marquez provided an update on 70 code enforcement cases related to unpaved surfaces and impervious coverage. Council supported allowing the identified properties to bypass the platting requirement for permitted paving improvements, with staff to return with a resolution for consideration.

22. Workshop of the Quarterly Financials - 3rd Quarter 2025-26 (Finance Director James Walters)

Finance Director James Walters presented the FY 2025-26 Third Quarter Financial Report, reviewing General Fund, utility, EMS, drainage, EDC, and investment revenues and expenditures. He noted strong sales tax revenue, steady permit activity, and increased EMS and drainage revenues, while certain revenues remained affected by weather and the decline in one-time sales tax collections. Council discussed the City's investment strategy and oversight through the Investment Committee.

23. Workshop on Future Water Demand and Supply (Deputy City Manager Brian James)

Deputy City Manager Brian James presented an overview of the City's current and projected water needs, existing CVLGC water leases, and the costs and challenges associated with developing an additional water supply system. Council discussed options for maintaining access to future water supplies while reducing infrastructure, operational, and financial costs, including potential partnerships with SSLGC, Green Valley SUD, and other entities. Council generally expressed interest in retaining access to a meaningful portion of the existing water rights while exploring alternative arrangements that could provide comparable water availability at a lower cost. Staff was directed to develop and present multiple options, including associated financial, contractual, operational, and rate impacts, for further Council consideration.

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026
Department: Engineering
Subject: Resolution 26-R-108 – Authorizing a contract with RL Jones, LP for the IH-10 Water Main Replacement: Graytown to Pfeil Rd Project (Senior Engineer Eric Schulze)

BACKGROUND

The City's Capital Improvement Plan (CIP) has identified the need for a new water line in southern Schertz between Lower Seguin and Ware Seguin and along IH-10 between Graytown and Pfeil Rd. This CIP project is described as the Ware Seguin/Lower Seguin/Graytown/Pfeil Loop Lines. Negotiations for an easement needed for the line segment from Lower Seguin to Ware Seguin are ongoing so construction is only moving forward at this time on the line from Graytown to Pfeil. This project is the construction of a 12-inch water main along IH-10 that will allow for a more efficient and looped water distribution system in this area of the City. The other line segment will be bid and constructed separately.

Bids for the IH-10 Water Main Replacement: Graytown to Pfeil Rd Project were opened on August 27, 2026. Five bids were received. Of the bids, the lowest bid was from RL Jones, LP. Staff has reviewed the bids and supporting documentation and determined that the bid from RL Jones, LP is acceptable.

GOAL

To obtain authorization from Council to execute a contract with RL Jones, LP for the construction of the IH-10 Water Main Replacement: Graytown to Pfeil Rd Project.

COMMUNITY BENEFIT

The water project will replace an undersized 2" water line with a 12" main and create a looped water system between dead-end mains along IH-10 between Graytown and Pfeil Rd providing better flow conditions and system redundancy.

SUMMARY OF RECOMMENDED ACTION

Staff recommends that Council authorize execution of the construction contract for the IH-10 Water Main Replacement: Graytown to Pfeil Rd Project to RL Jones, LP for \$894,164, with an amount not to exceed \$1,000,000.

FISCAL IMPACT

The cost of the project shall not exceed \$1,000,000. CO 2018 Bonds will provide the project funding.

RECOMMENDATION

Approve Resolution 26-R-108.

RESOLUTION 26-R-108

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS AUTHORIZING A CONSTRUCTION CONTRACT WITH RL JONES, LP RELATING TO THE IH-10 WATER LINE REPLACEMENT: GRAYTOWN TO PFEIL RD PROJECT

WHEREAS, The City staff of the City of Schertz (the “City”) has recommended that the City accept the bid from RL Jones, LP relating to the IH-10 Water Main Replacement: Graytown to Pfeil Rd Project and approve project expenditures; and

WHEREAS, City staff has received qualifications indicating that RL Jones, LP is qualified to provide such services for the City; and

WHEREAS, the project to construct a new 12-inch water line is necessary for a more efficient and redundant distribution system; and

WHEREAS, the project is a portion of the current Capital Improvement Project identified as the Ware Seguin/Lower Seguin/Graytown/Pfeil Loop Lines; and

WHEREAS, the project will be funded by Water Impact Fees and Bonds.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS THAT:

Section 1. The City Council hereby authorizes the City Manager to execute and deliver the contract in substantially the form set forth as attached as Exhibit A with RL Jones, LP for an amount of \$894,164, with an amount not to exceed \$1,000,000.

Section 2. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the City Council.

Section 3. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 4. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 5. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the City Council hereby declares that this Resolution would have been enacted without such invalid provision.

Section 6. It is officially found, determined, and declared that the meeting at which this Resolution is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Resolution, was given, all as required by Chapter 551, Texas Government Code, as amended.

Section 7. This Resolution shall be in force and effect from and after its final passage, and it is so resolved.

PASSED AND APPROVED on the _____ day of _____, 2026.

Attachment A

IH-10 Water Main Replacement: Graytown to Pfeil Rd

RL Jones, LP Construction Contract

THIS AGREEMENT is by and between City of Schertz ("Owner") and
("Contractor").

4.02 *Liquidated Damages*

- A. Contractor and Owner recognize that time is of the essence as stated in Paragraph 4.01 above and that Owner will suffer financial and other losses if the Work is not completed and Milestones not achieved within the times specified in Paragraph 4.02 above, plus any extensions thereof allowed in accordance with the Contract. The Contractor acknowledges and recognizes that the Owner is entitled to full and beneficial occupancy and use of the completed work following expiration of the Contract Time. The Contractor further acknowledges and agrees that, if the Contractor fails to substantially, or cause the Substantial Completion of any portion of the Work within the Contract time, the Owner will sustain actual damages as a result of such failure. The exact amount of such damages will be difficult to ascertain. Therefore, the Owner and Contractor agree that, if the Contractor shall neglect, fail, or refuse to achieve substantial completion of the Work by the Substantial Completion date, subject to proper extension granted by the Owner, then the Contractor agrees to pay the Owner the sum of:
1. **Six hundred dollars (\$600.00) per day** for each day in which such Work is not completed, not as penalty, but as liquidated damages, for the damages ("Liquidated Damages") that would be suffered by Owner as a result of delay for each and every calendar day that the Contractor shall have failed to have completed the Work as required herein. The Liquidated Damages shall be in lieu of any and all other damages which may be incurred by Owner as a result of the failure of Contractor to complete within the Contract Time.

ARTICLE 5 – CONTRACT PRICE

- 5.01 Owner shall pay Contractor for completion of the Work in accordance with the Contract Documents the amounts that follow, subject to adjustment under the Contract:
- A. For all Work, at the prices stated in Contractor's Bid, attached hereto as an exhibit. The extended prices for Unit Price Work set forth as of the Effective Date of the Contract are based on estimated quantities. As provided in Paragraph 13.03 of the General Conditions, estimated quantities are not guaranteed, and determinations of actual quantities and classifications are to be made by Engineer.

ARTICLE 6 – PAYMENT PROCEDURES

6.01 *Submittal and Processing of Payments*

- A. Contractor shall submit Applications for Payment in accordance with Article 15 of the General Conditions. Applications for Payment will be processed by Engineer as provided in the General Conditions.

6.02 *Progress Payments; Retainage*

- A. Owner shall make progress payments on account of the Contract Price on the basis of Contractor's Applications for Payment on a monthly basis during performance of the Work as provided in Paragraph 6.02.A.1 below, provided that such Applications for Payment have been submitted in a timely manner and otherwise meet the requirements of the Contract. All such payments will be measured by the Schedule of Values established as provided in the General Conditions (and in the case of Unit Price Work based on the number of units completed) or, in the event there is no Schedule of Values, as provided elsewhere in the Contract.

1. Prior to Substantial Completion, progress payments will be made in an amount equal to the percentage indicated below but, in each case, less the aggregate of payments previously made and less such amounts as Owner may withhold, including but not limited to liquidated damages, in accordance with the Contract
 - a. 95 percent of Work completed (with the balance being retainage); and
 - b. 95 percent of cost of materials and equipment not incorporated in the Work (with the balance being retainage).
- B. Upon Substantial Completion, Owner shall pay an amount sufficient to increase total payments to Contractor to the full amount of the contract, less such amounts set off by Owner pursuant to Paragraph 15.01.E of the General Conditions, and less such amounts as the Engineer shall determine for incomplete Work, retainage applicable to such work and unsettled claims.

6.03 *Final Payment*

- A. Upon final completion and acceptance of the Work in accordance with Paragraph 15.06 of the General Conditions, Owner shall pay the remainder of the Contract Price as recommended by Engineer as provided in said Paragraph 15.06.

ARTICLE 7 – INTEREST

- 7.01 All amounts not paid when due shall bear interest at the maximum rate allowed by law, not to exceed 1% per month.

ARTICLE 8 – CONTRACTOR’S REPRESENTATIONS

- 8.01 In order to induce Owner to enter into this Contract, Contractor makes the following representations:
 - A. Contractor has examined and carefully studied the Contract Documents, and any data and reference items identified in the Contract Documents.
 - B. Contractor has visited the Site, conducted a thorough, alert visual examination of the Site and adjacent areas, and become familiar with and is satisfied as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.
 - C. Contractor is familiar with and is satisfied as to all Laws and Regulations that may affect cost, progress, and performance of the Work.
 - D. Contractor has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or adjacent to the Site and all drawings of physical conditions relating to existing surface or subsurface structures at the Site that have been identified in the Supplementary Conditions, especially with respect to Technical Data in such reports and drawings, and (2) reports and drawings relating to Hazardous Environmental Conditions, if any, at or adjacent to the Site that have been identified in the Supplementary Conditions, especially with respect to Technical Data in such reports and drawings.
 - E. Contractor has considered the information known to Contractor itself; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Contract Documents; and the Site-related reports and drawings identified in the Contract Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance

of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Contractor; and (3) Contractor's safety precautions and programs.

- F. Based on the information and observations referred to in the preceding paragraph, Contractor agrees that no further examinations, investigations, explorations, tests, studies, or data are necessary for the performance of the Work at the Contract Price, within the Contract Times, and in accordance with the other terms and conditions of the Contract.
- G. Contractor is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Contract Documents.
- H. Contractor has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Contractor has discovered in the Contract Documents, and the written resolution thereof by Engineer is acceptable to Contractor.
- I. The Contract Documents are generally sufficient to indicate and convey understanding of all terms and conditions for performance and furnishing of the Work.
- J. Contractor's entry into this Contract constitutes an incontrovertible representation by Contractor that without exception all prices in the Agreement are premised upon performing and furnishing the Work required by the Contract Documents.

ARTICLE 10 – MISCELLANEOUS

10.01 *Terms*

- A. Terms used in this Agreement will have the meanings stated in the General Conditions and the Supplementary Conditions.

10.02 *Assignment of Contract*

- A. Unless expressly agreed to elsewhere in the Contract, no assignment by a party hereto of any rights under or interests in the Contract will be binding on another party hereto without the written consent of the party sought to be bound; and, specifically but without limitation, money that may become due and money that is due may not be assigned without such consent (except to the extent that the effect of this restriction may be limited by law), and unless specifically stated to the contrary in any written consent to an assignment, no assignment will release or discharge the assignor from any duty or responsibility under the Contract Documents.

10.03 *Successors and Assigns*

- A. Owner and Contractor each binds itself, its successors, assigns, and legal representatives to the other party hereto, its successors, assigns, and legal representatives in respect to all covenants, agreements, and obligations contained in the Contract Documents.

10.04 *Severability*

- A. Any provision or part of the Contract Documents held to be void or unenforceable under any Law or Regulation shall be deemed stricken, and all remaining provisions shall continue to be valid and binding upon Owner and Contractor, who agree that the Contract Documents shall be reformed to replace such stricken provision or part thereof with a valid and enforceable provision that comes as close as possible to expressing the intention of the stricken provision.

10.05 *Contractor's Certifications*

- A. Contractor certifies that it has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for or in executing the Contract. For the purposes of this Paragraph 10.05:

1. “corrupt practice” means the offering, giving, receiving, or soliciting of any thing of value likely to influence the action of a public official in the bidding process or in the Contract execution;
 2. “fraudulent practice” means an intentional misrepresentation of facts made (a) to influence the bidding process or the execution of the Contract to the detriment of Owner, (b) to establish Bid or Contract prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;
 3. “collusive practice” means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish Bid prices at artificial, non-competitive levels; and
 4. “coercive practice” means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.
- B. Certifications required by State Law
1. *Non-Boycott of Energy*. Contractor certifies that either (a) it does not boycott Israel and will not boycott energy companies; and (b) will not boycott energy companies during the term of the contract resulting from this solicitation. Contractor shall state any facts that make it exempt from the boycott certification as an attachment to this agreement.
 2. *Non-Boycott of Firearm Entity*. Contractor certifies that it: (a) does not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association; and (b) will not discriminate during the term of the contract against a firearm entity or firearm trade association .

10.06 Other Provisions

- A. Owner stipulates that if the General Conditions that are made a part of this Contract are based on EJCDC® C-700, Standard General Conditions for the Construction Contract, published by the Engineers Joint Contract Documents Committee®, and if Owner is the party that has furnished said General Conditions, then Owner has plainly shown all modifications to the standard wording of such published document to the Contractor, through a process such as highlighting or “track changes” (redline/strikeout), or in the Supplementary Conditions.

1.02 The undersigned Bidder proposes and agrees, if this Bid is accepted, to enter into an Agreement with Owner in the form included in the Bidding Documents to perform all Work as specified or indicated in the Bidding Documents for the prices and within the times indicated in this Bid and in accordance with the other terms and conditions of the Bidding Documents.

ARTICLE 2 – BIDDER'S ACKNOWLEDGEMENTS

2.01 Bidder accepts all of the terms and conditions of the Instructions to Bidders, including without limitation those dealing with the disposition of Bid security. This Bid will remain subject to acceptance for 60 days after the Bid opening, or for such longer period of time that Bidder may agree to in writing upon request of Owner.

ARTICLE 3 – BIDDER'S REPRESENTATIONS

3.01 In submitting this Bid, Bidder represents that:

A. Bidder has examined and carefully studied the Bidding Documents, and any data and reference items identified in the Bidding Documents, and hereby acknowledges receipt of the following Addenda:

<u>Addendum No.</u>	<u>Addendum, Date</u>
1	8/19/26
2	8/19/26

- B. Bidder has visited the Site, conducted a thorough, alert visual examination of the Site and adjacent areas, and become familiar with and satisfied itself as to the general, local, and Site conditions that may affect cost, progress, and performance of the Work.
- C. Bidder is familiar with and has satisfied itself as to all Laws and Regulations that may affect cost, progress, and performance of the Work.
- D. Bidder has carefully studied all: (1) reports of explorations and tests of subsurface conditions at or adjacent to the Site and all drawings of physical conditions relating to existing surface or subsurface structures at the Site that have been identified in the Supplementary Conditions, especially with respect to Technical Data in such reports and drawings, and (2) reports and drawings relating to Hazardous Environmental Conditions, if any, at or adjacent to the Site that have been identified in the Supplementary Conditions, especially with respect to Technical Data in such reports and drawings.

- E. Bidder has considered the information known to Bidder itself; information commonly known to contractors doing business in the locality of the Site; information and observations obtained from visits to the Site; the Bidding Documents; and any Site-related reports and drawings identified in the Bidding Documents, with respect to the effect of such information, observations, and documents on (1) the cost, progress, and performance of the Work; (2) the means, methods, techniques, sequences, and procedures of construction to be employed by Bidder; and (3) Bidder's safety precautions and programs.
- F. Bidder agrees, based on the information and observations referred to in the preceding paragraph, that no further examinations, investigations, explorations, tests, studies, or data are necessary for the determination of this Bid for performance of the Work at the price bid and within the times required, and in accordance with the other terms and conditions of the Bidding Documents.
- G. Bidder is aware of the general nature of work to be performed by Owner and others at the Site that relates to the Work as indicated in the Bidding Documents.
- H. Bidder has given Engineer written notice of all conflicts, errors, ambiguities, or discrepancies that Bidder has discovered in the Bidding Documents, and confirms that the written resolution thereof by Engineer is acceptable to Bidder.
- I. The Bidding Documents are generally sufficient to indicate and convey understanding of all terms and conditions for the performance and furnishing of the Work.
- J. The submission of this Bid constitutes an incontrovertible representation by Bidder that Bidder has complied with every requirement of this Article, and that without exception the Bid and all prices in the Bid are premised upon performing and furnishing the Work required by the Bidding Documents.

ARTICLE 4 – BIDDER'S CERTIFICATION

4.01 Bidder certifies that:

- A. This Bid is genuine and not made in the interest of or on behalf of any undisclosed individual or entity and is not submitted in conformity with any collusive agreement or rules of any group, association, organization, or corporation;
- B. Bidder has not directly or indirectly induced or solicited any other Bidder to submit a false or sham Bid;
- C. Bidder has not solicited or induced any individual or entity to refrain from bidding; and
- D. Bidder has not engaged in corrupt, fraudulent, collusive, or coercive practices in competing for the Contract. For the purposes of this Paragraph 4.01.D:
 - 1. "corrupt practice" means the offering, giving, receiving, or soliciting of any thing of value likely to influence the action of a public official in the bidding process;
 - 2. "fraudulent practice" means an intentional misrepresentation of facts made (a) to influence the bidding process to the detriment of Owner, (b) to establish bid prices at artificial non-competitive levels, or (c) to deprive Owner of the benefits of free and open competition;

3. "collusive practice" means a scheme or arrangement between two or more Bidders, with or without the knowledge of Owner, a purpose of which is to establish bid prices at artificial, non-competitive levels; and
4. "coercive practice" means harming or threatening to harm, directly or indirectly, persons or their property to influence their participation in the bidding process or affect the execution of the Contract.

Re: CITY OF SCHERTZ – IH-10 WATER MAIN REPLACEMENT: N. GRAYTOWN TO PFEIL RD – Project #2026-008
Bid Evaluation

Three (3) bids were received on the above referenced project by City of Schertz Purchasing Department and opened on August 27th, 2026. The bids are tabulated and attached, along with supporting information required in the Instruction to Bidders.

Review and tabulation of the Base Bid, no Alternate Bids, indicates that **RL Jones, LP.** was the low bidder, with a bid of **\$894,164.00.**

No errors or irregularities were noted in any bid response.

Bids for the bid ranged from \$894,164 to \$1,672,482.00. The median bid was \$1,206,630.13 The engineer's estimate was \$1,455,137.02 with a contingency.

Unitech Consulting Engineers, Inc. called three (3) references provided by the low bidder for projects with a similar scope or cost. All references responded provided positive responses with regard to quality of work.

Unitech Consulting Engineers, Inc. recommends **RL Jones, LP.** for this project with a bid total of **\$894,164.00.** The contractor has responded to all addenda, including required forms, and was found to not be disbarred.

Should there be any questions, or if any other information is needed, please do not hesitate to call me at 210-641-6003.

Sincerely,

1. Did the Contractor meet the project schedule? If not, how or why? **Yes**
2. How would you rate the Contractor's willingness to work with the Owner, and other agencies in carrying out the intent of the contract documents? (Excellent, Average, Very Poor) **Average, started good, ended less so.**
3. Did you think the contractor understood the intent of the specifications and the expectations of the owner? **Not for NBU. Were only familiar with SAWS specifications to start. Had to learn NB standards.**
4. If there were Change Orders, were they handled in a fair manner by the Contractor? (Yes, No). Were the Change Orders owner or contractor requested? **Owner driven mainly, only one change by contractor that involved bypass pump exclusion re-inclusion.**
5. Were there any claims or lawsuits between the Contractor and the Owner or others? (Yes, No). If so, how were they resolved? **One problem with homeowner's foundation regarding installation was NBU specific. Unsure on if claim was made.**
6. What overall rating would you give this Contractor? (Excellent, Average, Very Poor). Would you work with this contractor again? **Excellent, would work again, NBU is already awarding another bid with them.**
7. Is there any additional information regarding this project or contractor that you would like to share? **Field side of work is good, office is slow to respond, not as helpful.**

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026
Department: Parks, Recreation & Community Service
Subject: Resolution 26-R-113 - Authorizing a purchase with PlayCore Wisconsin, Inc. DBA GameTime for the Community Playscape Shade Structure Project (Parks & Recreation Director Lauren Shrum)

BACKGROUND

The City of Schertz Community Playscape is the signature playground in the community adjacent to the Recreation & Aquatic Complex and the Schertz Public Library. The 2025 Schertz Parks, Recreation, Open Space and Trails (PROST) Master Plan notes that the city should increase shade within parks as detailed in the following excerpt:

Goal #3: The City will implement system-wide improvements that enhance access, usability, and aesthetics of existing and future parks.

Action 3.4: Increase shade within parks.

In Texas' climate, shade is an important element in making the parks usable and comfortable and in promoting community health and wellness in public spaces. It is recommended that the City provide additional shaded areas in all parks. This can be through the use of shade structures, shade fabric, or the planting of more shade trees. Shade trees is the preferred shade strategy, since tree planting brings additional multi-benefits to the community. Shade investments should be focused around gathering areas, at amenities and along walking trails.

GOAL

The goal is to integrate shade into the existing play structure at the Schertz Community Playscape located at 629 Westchester Drive. The castle-tops will be removed and square canopy shades will be affixed to the tops of all the current poles on the main 6-12 aged structure, as well as the toddler structure for 3-5 year olds. Free-standing sail shade systems will be installed over the main swing set bank, as well as the train-shaped climbing structure.

COMMUNITY BENEFIT

The community will benefit greatly from the increased shade at the Schertz Community Playscape because having the extra shade will allow residents to enjoy the playground features for a longer duration in the hot-weather seasons in Texas.

SUMMARY OF RECOMMENDED ACTION

Approve Resolution 26-R-113 authorizing a purchase with PlayCore Wisconsin, DBA GameTime, a BuyBoard Purchasing Cooperative member, in the amount of \$250,000 for the Community Playscape Shade Structure Project.

FISCAL IMPACT

The shade structure and safety surfacing will be funded through a combination of the General Fund Parks operating budget with set-aside funds for Park Improvements as well as the Park Fund (317) from Parkland Dedication fees included in the approved operating budget.

\$217,697.89 from General Fund Park Improvements over \$5,000
+ \$6,151.92 from Park Fund (317)
\$223,849.81 Subtotal (Quoted Amount)
+ \$26,150.19 Contingency allowance for possible freight increases, engineered drawings, or unforeseen circumstances from Park Fund (317)
\$250,000.00 Not To Exceed Project Total

RECOMMENDATION

Approve Resolution 26-R-113 authorizing a purchase with PlayCore Wisconsin, DBA GameTime, a BuyBoard Purchasing Cooperative member, in the amount of \$223,849.81 for the Community Playscape Shade Structure Project.

RESOLUTION NO. 26-R-113

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS AUTHORIZING A PURCHASE WITH PLAYCORE WISCONSIN, INC. DBA GAMETIME FOR THE COMMUNITY PLAYScape SHADE STRUCTURE PROJECT.

WHEREAS, the City of Schertz Community Playscape is the signature playground in the community adjacent to the Recreation & Aquatic Complex and the Schertz Public Library; and

WHEREAS, the 2025 Parks, Recreation, Open Space and Trails Master Plan noted increasing shade in the parks as a priority goal; and

WHEREAS, the project includes integrating shade structures into the existing playground structure and replenishing the engineered wood fiber safety surfacing; and

WHEREAS, GameTime, is a BuyBoard Cooperating Purchasing member and is qualified to install shade structures and safety surfacing; and

WHEREAS, the BuyBoard National Purchasing Cooperative is a national online purchasing cooperative formed between the National School Boards Association and several state school boards associations, developed to comply with state laws which require government entities to make purchases through a competitive procurement process; and

WHEREAS, Buyboard gives public entities the advantage of leveraging the cooperative's ability to obtain bulk discounts, combined with the ease of online, web-based shopping and ordering; and

WHEREAS, purchases made through an authorized cooperative purchasing program comply with the competitive purchasing requirements applicable under the Texas Local Government Code, including Texas Local Government Code § 271.102(c).

NOW THEREFORE BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS THAT:

The City Council hereby authorizes the purchase with GameTime for the Community Playscape Shade Structure Project in an amount not to exceed \$250,000 as set forth in the attached Exhibit A.

The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the City Council.

All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the City Council hereby declares that this Resolution would have been enacted without such invalid provision.

It is officially found, determined, and declared that the meeting at which this Resolution is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Resolution, was given, all as required by Chapter 551, Texas Government Code, as amended.

This Resolution shall be in force and effect from and after its final passage, and it is so resolved.

PASSED AND ADOPTED, this ____ day of _____, 2026.

INSTALLATION CONDITIONS:

- **ACCESS:** The site must be clear, level, and provide unrestricted access for trucks and machinery. Any site that is inaccessible may incur additional charges.
- **STORAGE:** The customer is responsible for providing a secure area for off-loading and storing equipment during installation. Once equipment is delivered to the site, the owner assumes responsibility for any theft or vandalism unless alternative arrangements are made and documented in the quotation.
- **FOOTER EXCAVATION:** Installation pricing is based on footer excavation through earth/soil only, prior to the installation of drains, subbase, or surfacing. The customer is responsible for any unforeseen conditions such as buried utilities (public or private), tree stumps, rocks, or any other concealed materials or conditions that may result in additional labor or material costs.
- **UTILITIES:** The installer will contact 811 to locate all public utilities before layout and excavation of footer holes. The owner is responsible for identifying any private utilities. Cunningham Recreation and the installer are not liable for any damage to unmarked private utilities.
- **ADDITIONAL COSTS:** Pricing is based on a single mobilization for installation unless otherwise stated. The price includes only the items specified in this quotation. Additional site work or specialized equipment needs may result in price adjustments.
- **SITE CONDITIONS:** The site must have a slope of less than 1.5%. Any excavation or grading required to achieve an acceptable slope is the responsibility of others unless otherwise noted. All demolition and site preparation must be completed before the installation crew is mobilized.
- **GENERAL INSTALLATION NOTES:** Installation will be performed according to the manufacturer's specifications by a GameTime-certified installer. A one-year warranty on all labor is provided from the date of completion. Product warranty and service claims may not include labor.

CITY COUNCIL MEMORANDUM

City Council Meeting: **October 13, 2026**
Department: **Engineering**
Subject: **Resolution 26-R-109 – Authorizing a Task Order Agreement with Utility Engineering Group, PLLC for Professional Engineering Services related to the North Area Sewer Service Study (Senior Engineer Eric Schulze)**

BACKGROUND

The City's northern sewer collection system utilizes 12 existing lift stations to pump sewage through associated force mains and gravity collection systems to finally discharge to either Cibolo Creek Municipal Authority (CCMA) or New Braunfels Utility (NBU) for final treatment. The largest lift station is the Northcliffe Lift Station that receives flow from all of the other lift stations in northern Schertz. A capital improvement project (CIP) has been established and funded to upgrade that lift station. This study is the first step toward that necessary upgrade.

Continued growth along the IH 35 corridor is placing a strain on the lift stations' overall capacities. The proposed study is to determine the existing pumping and storage capacity of each lift station as well as the force mains and receiving gravity mains. Short- and long-term improvements needed to serve the collection system's demands will be identified, which will include estimated costs for upgrades.

GOAL

The goal of Resolution 26-R-109 is to authorize an agreement with Utility Engineering Group, PLLC for professional services to analyze and provide recommendations for lift station capacity and upgrade options for the northern Schertz sewer service area.

COMMUNITY BENEFIT

The study will identify short-term and long-term sewer lift station capacity and upgrade options which will allow the City to maintain compliance with TCEQ regulations as growth from development continues.

SUMMARY OF RECOMMENDED ACTION

Staff recommends approval of Resolution 26-R-109 authorizing the professional services task order agreement with Utility Engineering Group, PLLC for the North Area Sewer Service Study for \$169,450, with an amount not to exceed \$185,000.

FISCAL IMPACT

The cost of the project shall not exceed \$185,000. Services will be paid from the Northcliffe Lift Station Upgrade budget, which is funded with Sewer Impact Fees and bonds planned for FY 2026-27.

RECOMMENDATION

Approve Resolution 26-R-109.

RESOLUTION 26-R-109

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS AUTHORIZING A TASK ORDER AGREEMENT WITH UTILITY ENGINEERING GROUP, PLLC FOR PROFESSIONAL ENGINEERING SERVICES RELATED TO THE NORTH AREA SEWER SERVICE STUDY

WHEREAS, the City staff of the City of Schertz (the “City”) has recommended that the City enter into an agreement for Professional Engineering Services related to the North Area Sewer Service Study; and

WHEREAS, Utility Engineering Group, PLLC, (UEG) is an approved on-call Engineering Firm for the City of Schertz; and

WHEREAS, pursuant to Section 252.022(a)(4), of the Texas Local Government Code, the City is not required to seek bids or proposals with respect to a procurement for personal, professional, or planning purposes; and

WHEREAS, City staff has determined that UEG is uniquely qualified to provide such services for the City; and

WHEREAS, the City Council has determined that it is in the best interest of the City to approve a task order for UEG to provide the necessary professional services for the project.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS THAT:

Section 1. The City Council hereby authorizes the City Manager to execute and deliver a Task Order Agreement in substantially the form set forth on Attachment 1 with Utility Engineering Group, PLLC. for the North Area Sewer Service Study for \$169,450 with a not to exceed amount of \$185,000.

Section 2. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the City Council.

Section 3. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 4. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 5. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the

application of such provision to other persons and circumstances shall nevertheless be valid, and the City Council hereby declares that this Resolution would have been enacted without such invalid provision.

Section 6. It is officially found, determined, and declared that the meeting at which this Resolution is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Resolution, was given, all as required by Chapter 551, Texas Government Code, as amended.

Section 7. This Resolution shall be in force and effect from and after its final passage, and it is so resolved.

SUGGESTED FORM OF TASK ORDER

This is Task Order No. <u>15</u> , consisting of <u>4</u> pages.
--

Task Order

In accordance with Paragraph 1.01 of the Agreement Between Owner and Engineer for Professional Services – Task Order Edition, dated January 7, 2025 ("Agreement"), Owner and Engineer agree as follows:

1. Background Data

- a. Effective Date of Task Order: _____, 2026
- b. Owner: City of Schertz, Texas (City)
- c. Engineer: Utility Engineering Group, PLLC (UEG)
- d. Specific Project (title): North Area Sewer Service Study
- e. Specific Project (description): The project includes a sewer service study to identify the existing and proposed capacities of the City's existing lift stations, force mains, and downstream gravity mains within the City of Schertz's north sewer service study area. Additionally, the study will include recommendations for proposed improvements, and opinions of probable construction costs for each facility, for both intermediate and full build-out phases, as applicable. The proposed City of Schertz north sewer service area includes twelve (12) existing lift stations, their associated existing force mains and gravity main discharge points, the gravity trunk main connecting the area to Cibolo Creek Municipal Authority's (CCMA) OJR Wastewater Treatment Plant, and review of the flows to the New Braunfels Utilities (NBU) treatment system.

2. Services of Engineer

- A. The specific services to be provided or furnished by Engineer under this Task Order are as follows:

North Area Sewer Service Study

- UEG will coordinate with City Staff to acquire current City sewer service capacity and Living Unit Equivalent (LUE) data, proposed sewer service connection data, sewer service connection build-out projections within the study area, and any known sewer overflow reports. Additionally, UEG will coordinate with City Staff to acquire relevant as-built plan and report information, any contracts or agreements for reserved capacity in the existing lift station infrastructure, and any proposed sewer infrastructure planning documents, as available;
- Based off the information gathered, UEG will develop a draft North Area Sewer Service Study, identifying existing capacities for the lift stations, force mains, and gravity mains receiving flow

from the lift stations within the study area. The study will also include proposed, phased, improvement plans for each lift station and associated force main and discharge gravity main facility within the study area to reach full-build out. The study will include opinions of probable construction costs for the proposed improvements. The study will be presented in an electronic .pdf report format;

- UEG will coordinate with an electrical engineering sub-consultant to identify any electrical and SCADA upgrades, based on the City's current lift station design guidelines and requirements, to support the study recommendations;
- UEG will coordinate with a survey sub-consultant to verify flowline elevations of discharge downstream manholes receiving flow from the service area's existing lift stations to verify and supplement as-built plan information. We anticipate survey for up to 2 manholes per lift station;
- UEG will coordinate with the City of Schertz for review of the draft study, addressing comments as necessary;
- It is anticipated that UEG will attend and participate in up to four (4) site visits and meetings with City staff throughout the study development;
- Based off the City's comments, UEG will update and finalize the North Area Sewer Service Study; and
- UEG will provide City Staff with the final study in hard copy and electronic .pdf format as necessary.

B. Other Services

Engineer shall also provide the following services: **None**

C. All of the services included above comprise Basic Services for purposes of Engineer's compensation under this Task Order.

D. Exclusions

- This scope of services does not include any geotechnical, environmental, subsurface utility exploration, or structural services. If required, UEG can provide these services for an additional fee;
- No easement or site acquisition services are included in this scope of services; and
- UEG will not be responsible for any fees related to the project.

3. Additional Services

A. Additional Services that may be authorized or necessary under this Task Order are: **None**

4. Owner's Responsibilities

Owner shall have those responsibilities set forth in Article 2 of the Agreement and in Exhibit B.

5. Task Order Schedule

In addition to any schedule provisions provided in Exhibit A or elsewhere, the parties shall meet the following schedule:

<u>Party</u>	<u>Action</u>	<u>Schedule</u>
Engineer	Furnish an electronic .pdf version of the draft North Area Sewer Service Study deliverable to Owner.	Within 20 weeks of Owner's authorization to proceed with the task order.
Owner	Submit comments on the draft North Area Sewer Service Study deliverable to the Engineer.	Within 4 weeks of receipt of the draft North Area Sewer Service Study deliverable.
Engineer	Furnish an electronic .pdf version of the final North Area Sewer Service Study deliverable to Owner.	Within 8 weeks of receipt of Owner's comments regarding the draft North Area Sewer Service Study report deliverable.

6. Payments to Engineer

A. Owner shall pay Engineer for services rendered under this Task Order as follows:

Description of Service	Amount	Basis of Compensation
1. Basic Services (Section 2.A)		
a. North Area Sewer Service Study	\$169,450.00	Lump Sum
TOTAL COMPENSATION (lines 1.a)	\$169,450.00	Lump Sum
2. Additional Services	(N/A)	(N/A)

Compensation items and totals based in whole or in part on Hourly Rates or Direct Labor are estimates only. Lump sum amounts and estimated totals included in the breakdown by phases incorporate Engineer's labor, overhead, profit, reimbursable expenses (if any), and Consultants' charges, if any. For lump sum items, Engineer may alter the distribution of compensation between individual phases (line items) to be consistent with services rendered but shall not exceed the total lump sum compensation amount unless approved in writing by the Owner.

B. The terms of payment are set forth in Article 4 of the Agreement and in the applicable governing provisions of Exhibit C.

7. Consultants retained as of the Effective Date of the Task Order:

8. Other Modifications to Agreement and Exhibits: N/A

9. Attachments: N/A

10. Other Documents Incorporated by Reference: N/A

11. Terms and Conditions

Execution of this Task Order by Owner and Engineer shall make it subject to the terms and conditions of the Agreement (as modified above), which Agreement is incorporated by this reference. Engineer is authorized to begin performance upon its receipt of a copy of this Task Order signed by Owner.

The Effective Date of this Task Order is _____, 2026.

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026
Department: Executive Team
Subject: Resolution 26-R-112 - Approving a Schertz Main Street Local Flavor Economic Development Grant for 519 Main Street (Deputy City Manager Brian James)

BACKGROUND

The owner of Schertz Bank and Trust at 519 Main Street has applied for a Main Street Local Flavor Economic Development Grant for roof and parking lot resurfacing work. The cap for Main Street Local Flavor Economic Development Grants for an existing structure is up to \$40,000 over a 5 year period. The cost of the work is well in excess of the \$80,000.00 needed to receive the maximum amount of this 50/50 matching grant.

GOAL

Highlight the history and culture of the City of Schertz to tourists and residents. Promote and enhance commercial activity along Main Street to promote the economic, cultural and general welfare of the public. The area around Main Street in Schertz once served as the commercial and social hub of the community. The City seeks to improve the image of the area around Main Street through matching grants that promote local economic development and stimulate business and commercial activities.

COMMUNITY BENEFIT

Recognize structures of significance to the community's past. Encourage the attraction of small businesses that will create local charm and help develop a sense of place around Main Street. Promote commercial development. Stabilize and improve property values. Foster civic pride. Strengthen the economy of the City by protecting and enhancing the attractiveness of the Main Street area to residents and visitors, as well as provide support of local businesses.

SUMMARY OF RECOMMENDED ACTION

Approval of Resolution 26-R-112 authorizing a Schertz Main Street Local Flavor Economic Development Grant for up to \$40,000.00 for 519 Main Street.

FISCAL IMPACT

Up to \$40,000.00. If all \$40,000.00 is paid, this property will cap out on the local flavor grants (and has capped out at the Historic Preservation Grant). Currently, there is one other outstanding Main Street Local Flavor Grant for up to \$11,837.76 and one Historic Preservation Grant for up to \$9,125.00. There is \$58,284.85 remaining in FY 2025-26 Budget for this proposal and \$50,000 is budgeted for FY 2026-27.

RESOLUTION 26-R-112

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS APPROVING A REQUEST FOR A SCHERTZ MAIN STREET LOCAL FLAVOR ECONOMIC DEVELOPMENT GRANT FOR 519 MAIN STREET.

WHEREAS, the City of Schertz desires to protect, enhance, and preserve the historic resources and landmarks which represent distinctive elements of Schertz' historic, architectural, economic, cultural, and social heritage by providing property owners and incentive for protecting their property; and

WHEREAS, the City of Schertz desires to encourage the attraction of small businesses that will create local charm and help develop a sense of place in and around Main Street; and

WHEREAS, the City of Schertz desires to stabilize and improve property values; and

WHEREAS, the City of Schertz desires to foster civic pride in the beauty and accomplishments of the past, and to promote the use of the historic structures for the culture, education, and general welfare of residents; and

WHEREAS, the City of Schertz desires to strengthen the economy of the city by protecting and enhancing the attractiveness of the Main Street area to residents and visitors, as well as provide support and stimulus to businesses; and

WHEREAS, staff is in support of this program and recommends approval of the grant request for 519 Main for up to \$40,000.00.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS THAT:

Section 1. The City Council hereby approves the Schertz Main Street Local Flavor Economic Development Grant request for 519 Main Street subject to the approved criteria of the program and execution of a funding agreement generally as outlined in Exhibit "A".

Section 2. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the City Council.

Section 3. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 4. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 5. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the City Council hereby declares that this Resolution would have been enacted without such invalid provision.

COUNTY OF BEXAR §

SCHERTZ MAIN STREET LOCAL FLAVOR ECONOMIC DEVELOPMENT PROGRAM
FUNDING AGREEMENT BETWEEN THE CITY OF SCHERTZ, TEXAS AND
SCHERTZ BANK & TRUST FOR EXPENDITURE OF LOCAL FLAVOR GRANT
FUNDS

This Local Flavor Development Program Funding Agreement (AGREEMENT) is made and entered into by and between the City of Schertz, Texas (CITY) and Schertz Bank & Trust, (ENTITY).

WHEREAS, the ENTITY has developed a proposal to make improvements to the rook and parking lot of 519 Main (the “Project”); and

WHEREAS, Section 380.001 of the Texas Local Government Code, as amended, allows the governing body of a municipality to establish and provide for the administration of one or more programs to promote state and local economic development and to stimulate business and commercial activity in the municipality; and

WHEREAS, the Schertz Main Street Local Flavor Economic Development Program is intended to encourage and expansion and attract small businesses that create local charm and help develop a sense of place in and around Main Street, promote commercial development, stabilize and improve property values, foster civic pride, and protect and enhance the attractiveness of the Main Street area to residents and visitors; and

WHEREAS, funding for the Schertz Main Street Local Flavor Economic Development Program will be provided annually through the City’s General Fund; and

WHEREAS, the Schertz Main Street Local Flavor Economic Development Program will enhance other city efforts to improve, beautify, and promote economic development in the Main Street area.

WHEREAS, the area around Main Street in Schertz once served as commercial and social hub of the community; and

WHEREAS, the City seeks to improve the image of the area around Main Street through restoration and rehabilitation of structures in the Main Street area to serve as a commercial, social, cultural and tourism hub of the City; and

WHEREAS, the City Council of the City of Schertz desires to provide funds to Schertz Bank & Trust (ENTITY).

NOW, THEREFORE, it is mutually agreed by and between the CITY and ENTITY as follows:

GENERAL PROVISIONS

Section 1. Purpose. The purpose of this Agreement is to provide funding to the ENTITY for the project identified in the attached Exhibit "A" (the "Project"), the intent of which is to promote state and local economic development and to stimulate business and commercial activity in the municipality to encourage and expansion and attract small businesses that create local charm and help develop a sense of place in and around Main Street, promote commercial development, stabilize and improve property values, foster civic pride, and protect and enhance the attractiveness of the Main Street area to residents and visitors.

Section 2. Obligation of the ENTITY. The ENTITY shall use all of the awarded funds provided by the CITY in accordance with Chapter 351 of the Texas Tax Code, the ENTITY' funding application, and the attached Exhibit "A".

Section 3. Reporting Requirements of the ENTITY. The ENTITY shall deliver a detailed accounting of the expenditures for the Project within thirty (30) days after completion of the Project (the "Post Event Report"). The Post Event Report shall include copies of receipts and other documents establishing the expenditures for the project. The CITY shall not make reimbursements for expenditures where no receipt or invoice is provided. Partial or incomplete reports will not be accepted.

Section 4. Authorization of Payment. Subject to the ENTITY' satisfactory performance and compliance with the terms of this AGREEMENT, the CITY agrees to pay the ENTITY up to fifty percent (50%) of the Project. The Project is estimated to be well over \$80,000.00 total and fifty percent of which, is capped at \$40,000.00. Up to \$20,000.00 for roofing work which falls into the Façade Improvement category and \$20,000.00 for paving work which falls into the Site Improvement category. Payment(s) will be made within forty-five (45) days of acceptance of the complete Post Event Report. Partial or incomplete reports will not be accepted. Only expenditures that meet Chapter 351 of the Tax Code and this AGREEMENT shall be reimbursed.

Section 5. Appeal Process. Any ENTITY wishing to appeal the decision of the CITY must present their appeal in writing within ten (10) business days of funding denial.

Section 6. Rights. The City of Schertz has the right, at any time, to inspect the books or records of the ENTITY that may relate to performance of this AGREEMENT. The CITY, at its sole expenses, has the right to conduct an audit of the ENTITY or Project.

Section 7. Term. The AGREEMENT shall become effective as of the date entered below. The AGREEMENT shall terminate one year from its effective date or once the terms have been met, whichever occurs first.

Section 8. Indemnification. The ENTITY agrees to defend, indemnify and hold harmless the CITY, its officers, agents and employees, against any and all claims, lawsuits, judgments, cause of action, costs and expenses for personal injury (including death), property damage or other harm for which recovery of damages is sought, suffered by any person or persons, that may arise out of or be occasioned

by the ENTITY's breach of any of the terms or provisions of this AGREEMENT, or by any negligent act or omission of the ENTITY, its officers, agents, servants, employees, contractors, or subcontractors, in the performance of this AGREEMENT; except that the indemnity provided for in this paragraph shall not apply to any liability resulting from the sole negligence of the CITY, its officers, agents, employees or separate contractors, and in the event of joint and concurrent negligence of both the ENTITY and the CITY under Texas law and without waiving any defenses of the parties under Texas law. The provisions of this paragraph are solely for the benefit of the parties hereto and not intended to create or grant any rights, contractual or otherwise, to any other person or entity. Both parties expressly agree that this AGREEMENT does not assign any responsibility for civil liability to the City of Schertz that may arise by virtue of this AGREEMENT.

Section 9. Termination. A party may terminate this AGREEMENT in whole or in part if the other party fails to comply with a term of the AGREEMENT, including the inability of the ENTITY to conform to any change required by federal, state or local laws or regulations; or for the convenience of either party. The terminating party shall provide written notification to the other party of the decision to terminate this AGREEMENT within thirty (30) days before the effective date of termination. A party may terminate the AGREEMENT for breach of any provision of this AGREEMENT, upon written notice of the breach and the breaching party shall have ten (10) days after receipt of the written notice in which to cure the breach to the satisfaction of the non-breaching party.

Section 10. Notice. All notices required or permitted under this AGREEMENT shall be in writing and shall be delivered in person or mailed as follows:

to the CITY at:

City of Schertz
Attention: City Manager
1400 Schertz Parkway
Schertz, TX 78154

MISCELLANEOUS

Section 11. Entire Agreement. This AGREEMENT constitutes the entire agreement of the parties regarding the subject matter contained herein. The parties may not modify or amend this AGREEMENT, except by written agreement approved by the governing bodies of each party and duly executed by both parties.

Section 12. Approval. This AGREEMENT has been duly and properly approved by each

party's governing body and constitutes a binding obligation on each party.

Section 13. Assignment. Except as otherwise provided in this AGREEMENT, a party may not assign this AGREEMENT or subcontract the performance of services without first obtaining the written consent of the other party.

Section 14. Non-Waiver. A party's failure or delay to exercise right or remedy does not constitute a waiver of the right or remedy. An exercise of a right or remedy under this AGREEMENT does not preclude the exercise of another right or remedy. Rights and remedies under this AGREEMENT are cumulative and are not exclusive of other rights or remedies provided by law.

Section 15. Paragraph Headings. The various paragraph headings are inserted for convenience of reference only, and shall not affect the meaning or interpretation of this AGREEMENT or any section thereof.

Section 16. Attorney fees. In any lawsuit concerning this AGREEMENT, the prevailing party shall be entitled to recover reasonable attorney's fees from the nonprevailing party, plus all out-of-pocket expense such as deposition costs, telephone, calls, travel expenses, expert witness fees, court costs, and their reasonable expenses, unless otherwise prohibited by law.

Section 17. Severability. The parties agree that in the event any provision of this AGREEMENT is declared invalid by a court of competent jurisdiction that part of the AGREEMENT is severable and the decree shall not affect the remainder of the AGREEMENT. The remainder of the AGREEMENT shall be in full force and effect.

Section 18. Venue. The parties agree that all disputes that arise of this AGREEMENT are governed by the laws of the State of Texas and venue for all purposes herewith shall be in Milam County, Texas.

Section 19. Certificate of Insurance. The ENTITY agrees to provide a certificate of insurance for liability and worker's compensation insurance or letter of self-insurance on its letterhead indicating its self-insured status before any event awarded funding under this AGREEMENT. The cost of the insurance herein mentioned to be secured and maintained by the ENTITY shall be borne solely by the ENTITY.

IN WITNESS HEREOF, the CITY and ENTITY make and execute this AGREEMENT to be effective this _____ day of _____, 2026.

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026
Department: Public Works
Subject: Resolution 26-R-111 - Authorizing the Management Services Agreement between the Schertz/Seguin Local Government Corporation (SSLGC), the City of Schertz, and the City of Seguin ((Director of Public Works Larry Busch)

BACKGROUND

The Schertz-Seguin Local Government Corporation (SSLGC) was created as a wholesale water supply system for the cities of Schertz and Seguin. The Carrizo Aquifer is utilized for this purpose to benefit both cities. SSLGC was formed in December 1998 and is governed by a board which consists of five directors and two ex-officios appointed by the city councils of Schertz and Seguin.

SSLGC began actual production in September 2002 and has continued to grow to serve the Cities of Schertz and Seguin as their primary water source. SSLGC maintains a strong wholesale water customer base including contracts with the Cities of Selma, Universal City, as well as Springs Hill Water Supply Corporation and the San Antonio Water System.

SSLGC combined the Management Services Agreement (formerly two separate agreements between each city and SSLGC) into one document effective through September 30, 2026.

It is the desire of SSLGC to have the Management Services Agreement between SSLGC, the City of Schertz, and the City of Seguin approved by the City of Schertz City Council. On September 17, 2026, the Schertz/Seguin Local Government Board of Directors approved to extend the Management Services Agreement between the SSLGC, the City of Seguin and the City of Schertz. The only suggested changes are to the term of the agreement with the new term being October 1, 2026 through September 30, 2028.

GOAL

To approve the Management Services Agreement.

COMMUNITY BENEFIT

In addition to helping ensure SSLGC maintains compliance with state/local law, through this MSA, Schertz is controlling costs which would impact tax rates and fees passed along to Schertz Residents, as well as maintaining our partnership with SSLGC.

SUMMARY OF RECOMMENDED ACTION

Staff recommends approval of the Resolution approving the Management Services Agreement between SSLGC, the City of Schertz, and the City of Seguin.

FISCAL IMPACT

All costs incurred by the City of Schertz for management and support services are fully reimbursable by SSLGC.

RECOMMENDATION

Staff recommends approval.

THIS SERVICES AGREEMENT, effective the ____ day of _____, 20__, by and between the **City of Schertz**, a municipal corporation, situated in Guadalupe, Comal and Bexar County, Texas, acting by and through its City Manager, (hereinafter referred to as "Schertz"); by and between the **City of Seguin**, a municipal corporation, situated in Guadalupe County, Texas, acting by and through its City Manager, (hereinafter referred to as "Seguin") and the **Schertz/Seguin Local Government Corporation** (hereinafter referred to as the "SSLGC" or the "Corporation") acting by and through its President and in accordance with Subchapter D of the Texas Transportation Corporation Act, Chapter 394 of the Texas Local Government Code, and the Texas Non-profit Corporations Act:

WHEREAS, a local government corporation may be created to aid and act on behalf of one or more local governments to accomplish any governmental purpose of those local governments; and

WHEREAS, the City of Seguin and the City of Schertz created the SSLGC to develop and operate a public water supply system; and

WHEREAS, a local government corporation may contract with a political subdivision of this state in the manner and to the same extent as any other corporation; and

WHEREAS, a state agency or a political subdivision may contract with a local government corporation to accomplish a governmental purpose of the sponsoring local government; and

WHEREAS, in 1999 the City of Seguin, the City of Schertz, and the SSLGC entered into a Regional Water Supply Contract; and

WHEREAS, in 2011 the SSLGC, the City of Seguin, the City of Schertz, and the City of San Antonio acting by and through its San Antonio Water System entered into a Mutual Regional Water Supply Contract; and

WHEREAS, in 2016 the City of Seguin, the City of Schertz, and the SSLGC entered into a Cost Allocation Agreement Relating to the Guadalupe Project; and

WHEREAS, in 2017 the SSLGC, the City of Seguin, the City of Schertz, and the City of San Antonio acting by and through its San Antonio Water System entered into the First Amendment to Mutual Regional Water Supply Contract; and

WHEREAS, in 2018 the City of Seguin, the City of Schertz, and the SSLGC entered into

a Tri-Lateral Agreement Relating to Water Sales.

WHEREAS, the City of Seguin, the City of Schertz, and the Schertz/Seguin Local Government Corporation desire that the SSLGC contract with the City of Schertz for the services of a General Manager, and an Assistant General Manager, to implement, administer, and carry out the duties required for the operations of the public water systems owned by SSLGC; and, that the SSLGC contract with the City of Seguin for the remainder of the employees utilized by the SSLGC and for administrative services for the SSLGC.

WITNESSETH:

That for and in consideration of the covenants, promises, and agreements set forth herein, it is mutually agreed as follows:

I. PURPOSE

It is the express purpose of this contract to have the SSLGC General Manager implement, administer, and carry out the duties required for the operations of the public water systems owned by SSLGC. Seguin's and Schertz's services under this agreement are subject to lawful oversight and direction by the SSLGC Board and the SSLGC General Manager. In performing its duties under this agreement, Seguin and Schertz shall act for the lawful benefit of SSLGC and not of any individual participant in the project.

II. EFFECTIVE DATE AND TERM

Subject to early termination as provided in Article VI below, this agreement shall be in effect for a period of twenty-four (24) months commencing October 1, 2026 and ending September 30, 2028 unless otherwise renewed or extended at the discretion of both parties.

III. DUTIES AND RESPONSIBILITIES

A. SEGUIN

Seguin agrees to provide financial, human resource, information technology, and administrative services to SSLGC according to the terms of this Agreement. For the purpose of this contract, the SSLGC General Manager shall be charged with the responsibility of carrying out SSLGC's operations and program as adopted by the Board. Direct services Seguin shall perform for SSLGC shall include, but not be limited to:

1. Providing all necessary accounting and financial management through Seguin's Finance Department for the SSLGC Budget.

2. Providing all personnel administration services for all employees except the General Manager and Assistant General Manager. The General Manager shall be responsible for hiring, evaluation, and/or termination of personnel, who shall be City of Seguin employees; assigned to SSLGC; and subject to all personnel policies thereof. Seguin agrees the General Manager and Assistant General Manager of SSLGC shall be employees of Schertz, however, shall be assigned to SSLGC and shall be charged with the responsibility of carrying out SSLGC's management, operations, and programs as adopted by the SSLGC Board. Seguin agrees the General Manager may be hired/terminated as an employee by a 2/3 majority vote of the entire SSLGC Board, but as long as this Agreement remains in effect, the SSLGC Board shall consult with the Cities of Schertz and Seguin prior to hiring/terminating the General Manager. In addition, the General Manager will receive annual performance evaluations from the SSLGC Board and may be subject to certain disciplinary action directed by the SSLGC Board subject to Schertz administrative process. The General Manager's salary, to include cost of living/merit increases, shall be set by the SSLGC Board and all adjustments approved by the SSLGC Board. The General Manager shall recommend pay scales and salary changes to include but not limited to cost of living/merit increases for all SSLGC positions to the SSLGC Board for approval.

The SSLGC Board shall establish an annual holiday schedule for all positions serving the Corporation.

3. The City of Seguin Finance Department will work with the Staff to keep complete and current books and records of all SSLGC activities and provide SSLGC quarterly reports of its revenues, expenses and fund balance as requested.

The Staff will continue to revise, as needed, the internal tracking system for all of the SSLGC's operating and project contracts to ensure requests for payment are recorded and contract amounts are not exceeded.

4. Providing IT support for SSLGC office and personnel as required.
5. Providing risk management administration services in accordance with the requirements of SSLGC's bond resolution, the water supply agreement with the Cities of Schertz and Seguin, property and liability insurance, terms of this agreement, and directives of the Board.
6. Include the General Manager and Assistant General Manager (City of Schertz employees) on the City of Seguin's authorized purchasing list for SSLGC purchases only.
7. Seguin acknowledges that the SSLGC General Manager is responsible for supervision and leadership of all SSLGC Staff. He/She will develop, with Board approval, an organization chart and lines of responsibility for all leadership positions to include but not be limited to an Assistant General Manager, Operations Manager and Water Superintendent for the efficient and appropriate operations of the Corporation. These positions and/or others not named here shall be filled or left vacant by the General Manager as they see fit with the approval of the SSLGC Board.

8. The General Manager will perform the annual review process of all SSLGC Operations Personnel, be informed of; concur with any personnel actions; and provide for the annual review of the Assistant General Manager, Operations Manager and Administrative Staff.

B. SCHERTZ

Schertz agrees to provide General Manager and Assistant General Manager staffing for administrative and program support (hereinafter referred to as the “Staff”) to the SSLGC as requested by the Board of Directors of the SSLGC (hereinafter referred to as the “Board”). During the term of this Agreement, the General Manager, as retained by Schertz with the consent of SSLGC and the City of Seguin, shall serve as General Manager of SSLGC as described in the SSLGC Bylaws (herein referred to as Bylaws). Direct services Schertz shall perform for SSLGC shall include, but not be limited to:

1. The General Manager will be responsible to implement, administer, and carry out the duties required for the operation of the public water systems owned by the SSLGC. Follow the provisions of the Bylaws, which are incorporated herein by reference, as may be amended from time to time, as closely as possible to ensure the SSLGC’s efforts are in line with the evolving water procurement and conservation needs of the Schertz/Seguin communities and SSLGC customers. Along with the City of Seguin, provide professional development and succession planning training to the General Manager to enable them to provide long term strategic leadership to SSLGC. General Manager services under this agreement are subject to input from Schertz and Seguin regarding appropriate oversight and direction, from the SSLGC Board. All contracts and management decisions affecting SSLGC will require SSLGC approval and will be governed by the terms of this Agreement. In performing its duties under this Agreement, the General Manager shall act for the benefit of SSLGC and not of any individual City.
2. Consistent with the Bylaws, the General Manager of SSLGC shall recommend policies and procedures to the Board for adoption by the Corporation as needed, including financial, accounting, and purchasing policies and procedures. Unless otherwise stipulated, the Staff shall follow the policies and procedures of the City of Seguin’s Department of Finance when conducting SSLGC financial business. The policies and procedures of the SSLGC Purchasing Policy shall be followed as closely as is feasible for any SSLGC project, except in cases where it is more advantageous to follow other permissible state law regarding bids and purchases for local government corporations.
3. The General Manager shall negotiate, administer and monitor all contracts on behalf of SSLGC with any qualified and appropriate person, association, corporation or governmental entity to perform and discharge designated tasks. The City’s Internal Auditor as selected by the SSLGC Board shall conduct an annual review of this Agreement.
4. The General Manager shall prepare a budget for the forthcoming year for review and final approval by the Board and both City Councils.

5. The General Manager will provide sufficient support staff for the operation of SSLGC programs. Schertz shall be responsible for the hiring, evaluation with SSLGC input, and/or termination of personnel, who shall be City of Schertz employees and subject to all personnel policies thereof. Schertz will serve as the employer of record for the General Manager and the Assistant General Manager. The General Manager and Assistant General Manager shall be considered Schertz employees for the purposes of payroll disbursement and all fringe benefits, including retirement, medical and life insurance, vacations, sick leave, holidays, and any other benefits normally extended to Schertz and Seguin employees. Costs incurred by Schertz for these benefits, and all salary for these two positions will be reimbursed by the SSLGC. The foregoing notwithstanding, Schertz may only hire, evaluate and/or terminate the employee who will provide General Manager services under this Agreement with the concurring vote of 2/3 of the entire board of directors of SSLGC.
6. The General Manager shall maintain records of SSLGC activities in accordance with the same state-mandated records retention schedule that is followed by Schertz.
7. The General Manager shall provide information on local, state, and federal permit and licensing requirements and act as a liaison between the SSLGC and other Schertz and Seguin departments.

III. COMPENSATION

- A. Seguin. To compensate Seguin for the costs it will incur to perform the services described in this Agreement, SSLGC will reimburse Seguin the actual expenditures incurred, with the exception of Finance, HR and IT services, which will be a set annual fee paid quarterly, all not to exceed the SSLGC fiscal year 2026-2027 budgeted amounts.
- B. Schertz. To compensate Schertz for the costs it will incur to perform the services described in this Agreement, SSLGC will reimburse Schertz the actual expenditures incurred, all not to exceed the SSLGC fiscal year 2026-2027 budgeted amounts.
- C. Additional funding. Seguin and Schertz will have the right at any time during a fiscal year to seek additional reimbursement if the Cities reasonably determines that the budgeted amount is inadequate to compensate for the costs they incur on behalf of SSLGC in providing services under this agreement. Projected cash shortages resulting from unplanned costs related to the services to be provided under this agreement will be brought to the immediate attention of the SSLGC Board.

IV. RIGHT TO AUDIT

SSLGC Board or General Manager will have the right during normal business hours upon three business days' prior written notice, to audit, examine, or reproduce any or all books and records of Seguin and Schertz related to the performance of its duties under this agreement.

VI. TERMINATION

A. Generally. This Agreement may be terminated by Seguin, Schertz or SSLGC, in whole, or from time to time, in part, whenever such termination is determined by the Board or the Cities' Governing Body, as the case may be, to be in the best interest of SSLGC or the City. Termination will be effective ninety (90) days after delivery of Notice of Termination specifying to what extent performance or work under the Agreement has been terminated and specifying that the Agreement shall be terminated ninety (90) days after receipt by the notified party.

B. After receipt of a Notice of Termination Seguin and/or Schertz shall:

1. Stop work on the date as specified in the Notice of Termination to extent possible.
2. Place no further orders or subcontracts except as may be necessary for completion of the work not terminated.
3. Terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination in so far as possible.
4. SSLGC shall pay expenses incurred through the date of termination.

VII. DISPUTE RESOLUTION

If a dispute arises out of or relates to this Agreement or the breach thereof, the Parties shall first in good faith seek to resolve the dispute through negotiation between designated representatives of each respective Party. If such dispute cannot be settled through negotiation, the Parties agree to try in good faith to settle the dispute by mediation under the Commercial Mediation

Rules of the American Arbitration Association before resorting to litigation. Notwithstanding the foregoing, any Party may seek immediate equitable relief, without attempting to settle a dispute through mediation, in any case where such Party is entitled to equitable relief by law, the terms of the Agreement, or otherwise. All costs of mediation shall be assessed equally between the Parties with each party bearing their own costs for attorneys' fees, experts, and other costs of mediation and any ensuing litigation.

VIII. LIMITATION OF LIABILITY

The Cities of Seguin and Schertz shall have no liability whatsoever for the actions of, or failure to act by, any employees, agents, representatives, or assigns of the SSLGC in connection with this Agreement, and the SSLGC covenants and agrees, to the extent permitted by law, that the SSLGC shall be solely responsible, as between the SSLGC and the Cities of Schertz and Seguin for and with respect to any claim or cause of action arising out of or with respect to any act, omission, or failure to act by the SSLGC or its respective contracted employees for whom Schertz is not the employer of record, agents, representatives, or assigns, in connection therewith.

Each Party reserves and does not waive any defense available to it at law or in equity as to any claim or cause of action whatsoever that may arise or result from or in connection with this Agreement. This Agreement shall not be interpreted nor construed to give to any third party the right to any claim or cause of action, and neither City nor the SSLGC shall be held legally liable for any claim or cause of action arising pursuant to or in connection with this Agreement except as specifically provided herein or by law.

Neither Party waives or relinquishes any immunity or defense on behalf of itself, its trustees, councilmembers, officers, employees, and agents as a result of the execution of this Agreement and the performance of the covenants and agreements contained herein.

IX. OFFICIALS NOT TO BENEFIT

No public official of the governing bodies of Seguin; Schertz; or SSLGC who exercises any functions or responsibilities in the review or the approval of the undertaking or carrying out of any project hereunder, shall participate in any decision relating to the Agreement which affects his personal interest, nor shall he have any personal or pecuniary interest direct or indirect in this Agreement or proceeds thereof.

X. AGREEMENT:

This Agreement shall constitute the sole agreement between the Cities of Seguin, Schertz, and SSLGC relating to the object of this Agreement and correctly sets forth the complete rights, duties, and obligations of each party to the other as of its date. Any prior agreements, promises, negotiations or representations, verbal or otherwise, not expressly set forth in this Agreement are of no force and effect.

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026
Department: Executive Team
Subject: Resolution 26-R-117 – Authorizing a One-Year Agreement for Management Services with CVLGC (Deputy City Manager Brian James)

BACKGROUND

To support the Cibolo Valley Local Government Corporation (CVLGC), the City of Schertz and CVLGC developed a Management Services Agreement that will allow for the City of Schertz to provide Purchasing, IT, and other business-related support to CVLGC that would be reimbursed on an actual expense basis by tracking hours /salary. In 2021, the Cibolo Valley Local Government Corporation (CVLGC) and the City of Schertz approved an extension to the Management Services Agreement for a three-year term which expired at the end of last fiscal year 2024/2025. A one-year extension was approved last year that consolidated services from multiple previous amendments. This extension is for October 1, 2026 through September 30, 2027 and includes an option to renew upon mutual agreement. It can also be terminated with 90 days notice.

GOAL

To authorize the Management Services Agreement.

COMMUNITY BENEFIT

In addition to helping ensure CVLGC maintains compliance with state/local law, through this MSA, Schertz is controlling costs which would impact tax rates and fees passed along to Schertz residents, as well as maintaining our partnership with CVLGC.

SUMMARY OF RECOMMENDED ACTION

Staff recommends approval of the Resolution authorizing the Management Services Agreement.

FISCAL IMPACT

The anticipated fiscal implications of this MSA are negligible, as all support provided is fully reimbursable by CVLGC. Overall support provided is also expected to be minimal for this MSA period.

SCHERTZ reserves the right through this agreement to utilize SCHERTZ's Representative for duties performed under this agreement. In performing its duties under this agreement, SCHERTZ shall act for the benefit of CVLGC and not for any individual.

CVLGC and its authorized representatives shall have the right during normal business hours, upon three business days' prior written notice, to audit, examine, or reproduce any documents or records of SCHERTZ related to the performance of its duties under this agreement.

II.

Subject to, and upon approval by CVLGC of its initial budget and budgets for subsequent years, as such budgets may be amended from time to time, CVLGC shall reimburse SCHERTZ the cost for the management services provided to CVLGC by SCHERTZ pursuant to this Agreement as described in the following paragraph. Such payments shall be paid within ninety (90) days of receipt of an invoice from SCHERTZ.

To compensate SCHERTZ for the costs it will incur to perform the services described in this Agreement, CVLGC will reimburse SCHERTZ the actual expenditures incurred. SCHERTZ will submit invoices for services to CVLGC on a quarterly basis.

In the event of the termination of this Agreement, CVLGC will be responsible for paying SCHERTZ only the portion of the cost allocated to periods prior to the effective date of termination.

III.

Subject to early termination as provided in below, this Agreement shall be in effect for a period of one year commencing **October 1, 2026** and ending **September 30, 2027** unless otherwise renewed or extended at the discretion of both parties.

IV.

TERMINATION:

1. This Agreement may be terminated by CVLGC or SCHERTZ, in whole, or from time to time in part, upon ninety (90) days written notice from the terminating party to the other party. The effective date of termination shall be ninety (90) days after delivery of Notice of Termination specifying to what extent performance or work under the Agreement shall be terminated ninety (90) days after receipt by the notified party.
2. After receipt of a Notice of Termination SCHERTZ shall:
 - a. Stop work on the date as specified in the Notice of Termination to extent possible.
 - b. Place no further orders or subcontracts except as may be necessary for completion of the work not terminated.
 - c. Terminate all orders and subcontracts to the extent that they relate to the performance of work terminated by the Notice of Termination in so far as possible.
 - d. CVLGC shall pay expenses incurred through the date of termination.

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026
Department: Engineering
Subject: Resolution 26-R-101 - Authorizing the Release of Water and Wastewater Easement Agreement from Scrappy Development, LLC, for Parklands II Unit 1 (City Engineer Kathryn Woodlee)

BACKGROUND

The Water and Wastewater Easement Agreement was recorded on November 29, 2022. This agreement allowed the water and sanitary sewer facilities to be constructed within the easement property in connection with the Parklands II Unit 1 development. The area of the easement has been platted into right of way as the subdivision has expanded into a new unit, so the easement is no longer needed. The easement document requires that its release be authorized through a resolution or ordinance approved by City Council.

GOAL

The goal of this resolution is to authorize the release and termination of the water and wastewater easement across the Parklands II Unit 1 recorded as Document Number [20229903581](#) in the Official Public Records of Guadalupe County, Texas.

COMMUNITY BENEFIT

It is the City's desire to promote safe, orderly, efficient development and ensure compliance with the City's vision of future growth. The release of the easement provides a cleaner public record without the encumbrance of an easement across a City right of way.

SUMMARY OF RECOMMENDED ACTION

Staff recommends approval of Resolution 26-R-101 which will authorize the release of the Water and Wastewater Easement Agreement for Parklands II Unit 1.

RECOMMENDATION

Approve Resolution 26-R-101.

RESOLUTION 26-R-101

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS AUTHORIZING THE RELEASE OF THE WATER AND WASTEWATER EASEMENT AGREEMENT FROM SCRAPPY DEVELOPMENT, LLC FOR PARKLANDS II, UNIT 1

WHEREAS, the City of Schertz, Texas received an Easement from SCRAPPY DEVELOPMENT, LLC titled Water and Wastewater Easement Agreement across the Grantor's property, and said easement was recorded in the Public Records of Guadalupe County on November 29, 2022, as document number 202299035891; and

WHEREAS, the City desires to terminate and grant a release of the easement; and

WHEREAS, a copy of the Release and Abandonment of the Easement Instrument, which includes a more particular description of the Easement as shown in Exhibit A attached hereto and incorporated herein for all purposes and has authorized such release and abandonment; and

WHEREAS, the Release and Abandonment of the Easement will be recorded in the Public Records of Guadalupe County, Texas.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS THAT:

Section 1. The City Council hereby authorizes the City Manager to execute the Release and Abandonment of the Easement in substantially the form as set out in Exhibit A, and such other instruments and documents that are reasonably necessary to effectuate the purpose of this Resolution.

Section 2. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the City Council.

Section 3. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 4. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 5. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the City Council hereby declares that this Resolution would have been enacted without such invalid provision.

Section 6. It is officially found, determined, and declared that the meeting at which this Resolution is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Resolution, was given, all as required by Chapter 551, Texas Government Code, as amended.

Section 7. This Resolution shall be in force and effect from and after its final passage, and it is so resolved.

PASSED AND APPROVED on the _____ day of _____, 2026.

WATER AND WASTEWATER EASEMENT AGREEMENT

THE STATE OF TEXAS §
 §
COUNTY OF GUADALUPE §

GRANT OF EASEMENT:

Scrappy Development, LLC, a Texas limited liability company, 5210 Thousand Oaks, Suite 1318, San Antonio, Bexar County, Texas 78233 ("Grantor"), for the sum of Ten and No/100 Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged and confessed, does hereby grant, sell and convey unto **THE CITY OF SCHERTZ, TEXAS**, a Texas home-rule city, with offices located at 1400 Schertz Parkway, Schertz, Texas 78154 ("Grantee"), an easement and right-of-way ("Easement") upon and across the property of Grantor which is more particularly described on **Exhibits "A" & "B"**, attached hereto and incorporated herein by reference ("Easement Property"),

TO HAVE AND TO HOLD the same perpetually to Grantee and its successors and assigns, together with the rights, and privileges and on the terms and conditions set forth below; and Grantor, subject to the Exceptions, to Warranty, does hereby covenant and agree to WARRANT AND FOREVER DEFEND title to the Easement herein granted, unto Grantee, its successors and assigns, against every person whomsoever lawfully claiming or to claim the same or any part thereof.

Terms and Conditions: The following terms and conditions apply to the Easement granted by this agreement:

1. *Definitions.* For the purposes of this grant of Easement certain terms shall have the meanings that follow:
 - (a) "Holder" shall mean Grantee and Grantee's successors and assigns who at any time own any interest in the conveyance is subject to the terms of this agreement.
 - (b) "Grantor" shall mean Grantor and Grantor's successors and assigns who at any time own any interest in the conveyance is subject to the terms of this agreement.
 - (c) "Public Utility Facilities" shall mean the water and sanitary sewer facilities to be constructed in the Easement Property.

2. *Character of Easement.* The Easement granted herein is "in gross," in that there is no "Benefitted Property." Nevertheless, the Easement rights herein granted shall pass to Grantee's successors and assigns, subject to all of the terms hereof. The Easement rights of use granted herein are nonexclusive and irrevocable. The Easement is for the benefit of Holder.
3. *Purpose of Easement.* The Easement shall be used for public utility purposes, including placement, construction, installation, replacement, repair, maintenance, relocation, removal, and operation of Public Utility Facilities and related appurtenances, or making connections thereto. The Easement shall also be used for the purpose of providing access for the operation, repair, maintenance, replacement and expansion of the Public Utility Facilities and related appurtenances.
4. *Term.* Easement and Secondary Easement shall be in perpetuity unless relinquished or abandoned by ordinance or resolution by Grantee.
5. *Reservation of Rights.* Holder's right to use the Easement Property and Secondary Easement Property is nonexclusive, and Grantor and Grantor's heirs, successors, and assigns retain the right to use all or part of the Easement Property and Secondary Easement Property in conjunction with Holder as long as such use by Grantor and Grantor's heirs, successors, and assigns does not (i) interfere with the use of the Easement Property by Holder for the Easement Purpose, nor (ii) may Grantor construct any building, structure or obstruction on the Easement Property. The right to convey to others the right to use all or part of the Easement Property in conjunction with Holder, as long as such further conveyance is subject to the terms of this agreement. Written approval of Holder must be obtained prior to any use or improvement of Easement Property.
6. *Secondary Easement.* Holder has the right (the "Secondary Easement") to use the surface of the 20-foot wide area adjacent to the Easement Property (the "Secondary Easement Area"), to assist in the initial installation and as may be reasonably necessary to maintain, repair, and replace the Public Utility Facilities within the Easement Property of the Public Utility Facilities within the Easement Property. However, Holder must promptly restore the Secondary Easement Property to its previous physical condition if changed by use of the rights granted by the Secondary Easement.
7. *Improvement and Maintenance of Easement Property.* Subject to the provisions of Section 8., immediately below, improvement and maintenance of the Easement Property and the Facilities will be at the sole expense of Holder. Holder has the right to eliminate any encroachments into the Easement Property. Holder has the right to construct, install, maintain, replace, and remove the Facilities under or across any portion of the Easement Property. All matters concerning the Facilities and their configuration, construction, installation, maintenance, replacement, and removal are at Holder's sole discretion, subject to performance of Holder's

obligations under this agreement. Holder has the right to remove or relocate any fences or other encroachments within the Easement Property, and Secondary Easement Property or along or near its boundary lines if reasonably necessary to construct, install, maintain, replace, or remove the Facilities. Holder will also replace to their original condition any landscaping, driveways or parking areas that were in existence prior to the granting of the Easement Property and are damaged in connection with the work.

8. *Maintenance of Surface Easement Property/Permitted Improvements.* Notwithstanding any contrary provision, Grantor shall retain the obligation to maintain the surface of the Easement Property, including the obligation to regularly mow or cut back vegetation and to keep the surface of the Easement Property free of litter, debris, or trash. Any permitted improvement made by Grantor must comply with applicable ordinances, development codes and engineering guidelines of the City of Schertz, and must not conflict with use of the easement for its intended purpose as described herein.
9. *Equitable Rights of Enforcement.* This Easement may be enforced by restraining orders and injunctions (temporary or permanent) prohibiting interference and commanding compliance. Restraining orders and injunctions will be obtainable on proof of the existence of interference or threatened interference, without the necessity of proof of inadequacy of legal remedies or irreparable harm, and will be obtainable only by the parties to or those benefited by this agreement; provided, however, that the act of obtaining an injunction or restraining order will not be deemed to be an election of remedies or a waiver of any other rights or remedies available at law or in equity.
10. *Attorney's Fees.* If either party retains an attorney to enforce this agreement, the party prevailing in litigation is entitled to recover reasonable attorney's fees and court and other costs.
11. *Binding Effect.* This agreement binds and inures to the benefit of the parties and their respective heirs, successors, and permitted assigns.
12. *Choice of Law.* This agreement will be construed under the laws of the state of Texas, without regard to choice-of-law rules of any jurisdiction. Venue is in the county or counties in which the Easement Property is located.
13. *Counterparts.* This agreement may be executed in any number of counterparts with the same effect as if all signatory parties had signed the same document. All counterparts will be construed together and will constitute one and the same instrument.
14. *Waiver of Default.* It is not a waiver of or consent to default if the non-defaulting party fails to declare immediately default or delays in taking any action. Pursuit of any remedies set forth in this agreement does not preclude pursuit of other remedies in this agreement or provided by law.

15. *Further Assurances.* Each signatory party agrees to execute and deliver any additional documents and instruments and to perform any additional acts necessary or appropriate to perform the terms, provisions, and conditions of this agreement and all transactions contemplated by this agreement.
16. *Integration.* This agreement contains the complete agreement of the parties and cannot be varied except by written agreement of the parties. The parties agree that there are no oral agreements, representations, or warranties that are not expressly set forth in this agreement.
17. *Exceptions to Warranty.* This grant is subject to any and all encumbrances and easements of record, to the extent the same are valid and enforceable.
18. *Legal Construction.* Any provision in this agreement is for any reason unenforceable, to the extent the unenforceability does not destroy the basis of the bargain among the parties, the unenforceability will not affect any other provision hereof, and this agreement will be construed as if the unenforceable provision had never been a part of the agreement. Whenever context requires, the singular will include the plural and neuter include the masculine or feminine gender, and vice versa. Article and section headings in this agreement are for reference only and are not intended to restrict or define the text of any section. This agreement will not be construed more or less favorably between the parties by reason of authorship or origin of language.
19. *Notices.* Any notice required or permitted under this agreement must be in writing. Any notice required by this agreement will be deemed to be delivered (whether actually received or not) when deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this agreement. Notice may also be given by regular mail, personal delivery, courier delivery, facsimile transmission, or other commercially reasonable means and will be effective when actually received. Any address for notice may be changed by written notice delivered as provided herein.
20. *Recitals/Exhibits.* Any recitals in this agreement are represented by the parties to be accurate, and constitute a part of the substantive agreement. All exhibits referenced herein are attached hereto and incorporated by reference herein for all purposes.
21. *Entire Agreement.* This instrument contains the entire agreement between the parties relating to the rights herein granted and the obligations herein assumed. Any oral representation or modification concerning this instrument shall be of no force and effect except for any subsequent modification in writing, signed by the party to be charged.

IN WITNESS WHEREOF, this instrument is executed this 18th day of October, 2022.

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026
Department: Finance
Subject: Ordinance 26-M-032 - Amend the City of Schertz Code of Ordinances and certain other ordinances by amending and establishing fees for certain licenses, permits, and other services (Finance Director James Walters)

BACKGROUND

City Departments collect a wide variety of fees for permits, services, fines and other charges that are all part of everyday operations of municipal government. Since September 2008, the fees have been incorporated into a single fee schedule. Ordinance 08-M-43 established the consolidated fee schedule and allows for the modification of existing fees to be done by resolution while new fees are established or added to the Fee Schedule by ordinance.

The Fee Schedule ordinance provides a single document with all City fees that directly affect the users. The changes to the fees ensure the continued operation of public utilities, provides for essential services to the community and to adequately maintain the investment in existing infrastructure. All changes to the fee schedule will have an effective date of November 1, 2026.

Drainage

The Drainage Fee is proposed to increase \$3 from \$8 per home equivalent to \$11 each month. This increase is to support future drainage capital projects to enhance the community's drainage system and increase public safety. Projects supported include FM 78 South Channel Silt Removal, Wendy Swan Drainage Improvements, Kramer Farm Drainage Improvements, Woodbridge Drainage Improvements, Portage Lane Culvert Replacement and Channel Rehabilitation, Morning Drive Culvert Replacement and Channel Rehabilitation, and Oak Forest Channel Improvements. More detail can be found in the FY 2026-27 Capital Improvements Plan.

Per the Local Government Code Section 552.041 the Municipal Drainage Act, the drainage fee proposal and public hearing were advertised in the San Antonio Express News on September 2, September 16, and September 23 meeting the requirements for this agenda item.

Utility Billing

Staff is recommending an increase in the Fire Hydrant Meter rental program for both the deposit and the replacement fee. The refundable deposit is currently at \$200.00 with staff's recommendation to increase it to \$900.00. The deposit is generally used to cover balances left on the account once its closed. The current \$200 deposit isn't sufficient to cover the majority of the monthly bills used by development. The \$900 is also common regionally for this type of service.

The hydrant meter replacement fee is also proposed to be updated to match current meter costs. The current base meter cost is \$1,183.63 while the replacement fee is \$910.00. The new fee will cover the current meter replacement cost as well as anticipated price increases midyear. This fee is only charged when a rented Hydrant Meter is damaged in order to replace it.

Police

The changes to the Police Fee schedule are only descriptive changes to clarify the fee categories with no changes to the fee amounts. Alarm Permit Fees are changed to "Annual Alarm Permit Fees" to clarify this fee is only charged once per year. While the "Alarm Service Fees: Other than Burglar Alarms" and "Burglar Alarm Service Fees:" are changed to "Commercial False Alarm Fees" and "Residential False Alarm Fees", respectively.

The changes proposed in this amendment would go into effect November 1, 2026 or the next bill thereafter.

GOAL

To update the Adopted Fee Schedule for FY 2026-27.

COMMUNITY BENEFIT

Provide a single place for information on City fees.

SUMMARY OF RECOMMENDED ACTION

Staff recommends council approve the proposed changes to the fees schedule.

FISCAL IMPACT

The Drainage Fee increase would increase resident's utility bills by \$3 per month and raise an estimated \$800,000 and support debt payments for \$8,375,000 of drainage projects.

The Utility Billing changes to the Hydrant Meter program are expected to meet costs of replacing meters as well as cover unpaid bills.

The Police Fee changes are description updates that don't affect the fee function or price and is to clarify the fee's purpose only.

RECOMMENDATION

Adopt Ordinance 26-M-032 and updated fees for FY 2026-27

ORDINANCE 26-M-032

AN ORDINANCE BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS AMENDING THE CITY OF SCHERTZ CODE OF ORDINANCES AND CERTAIN OTHER ORDINANCES BY AMENDING AND ESTABLISHING FEES FOR CERTAIN LICENSES, PERMITS, AND OTHER SERVICES PROVIDED BY THE CITY OF SCHERTZ; AND PROVIDING AN EFFECTIVE DATE.

WHEREAS, the City of Schertz (the “City”) has established by ordinances and resolutions for fees for licenses, permits, and services provided by the City; and

WHEREAS, the City Council has authorized a review and a consolidation of certain fees for licenses, permits, and services provided by the City; and

WHEREAS, the Schedule of Fees attached as Exhibit A reflects revisions to certain fees, a restatement of certain fees not revised, and a consolidation of all such fees; and

WHEREAS, the City Council of the City of Schertz has determined that it is in the best interest of the City to adjust fees for services as more fully set forth in this Ordinance.

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS THAT:

Section 1. All persons, firms, or corporations applying for licenses or permits or receiving other City services described on Exhibit A that require the payment of a fee incident to such application or service shall pay the fees as prescribed in the Fee Schedule attached hereto as Exhibit A and made a part of hereof. It shall be a violation of this Ordinance to conduct any activity or commence any use or receive any service for which payment of a fee described herein is required until such fee has been paid (if required to be paid in advance) or to fail to pay such fee when properly billed.

Section 2. This Ordinance shall be cumulative of all provisions of ordinances and of the Code of Ordinances of the City of Schertz, Texas as to the fees set forth on Exhibit A effect on the effective date of this Ordinance, except where the provisions of this Ordinance are in direct conflict with the provisions of such ordinances and such Code, in which event the conflicting provisions of such ordinances and such Code are hereby repealed.

Section 3. The City Council may, from time to time, by ordinance add to the fees set forth on Exhibit A, and the fees now or hereafter set forth on Exhibit A may be modified from time to time by resolution of the City Council.

Section 4. It is hereby declared to be the intention of the City Council that the phrases, clauses, sentences, paragraphs, and sections of this Ordinance are severable, and if any phrase, clause, sentence, paragraph, or section of this Ordinance shall be declared unconstitutional by the valid judgment or decree of any court of competent jurisdiction, such unconstitutionality shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Ordinance, since the same would have been enacted by the City Council without the incorporation in this Ordinance of any such unconstitutional phrase, clause, sentence, paragraph, or section.

Section 5. Subject to the last sentence of this Section, any person, firm, or corporation who violates, disobeys, omits, neglects, or refuses to comply with or who resists the enforcement of any of provisions of this Ordinance shall be fined not more than Five Hundred Dollars (\$500.00) for each offense. Each day that a violation is permitted to exist shall constitute a separate offense. If any other ordinance, including the Code of Ordinances, establishes a different penalty for the failure to pay any fee on Exhibit A, the provisions of such other ordinance or the Code of Ordinances shall control with respect to such penalty.

Section 6. All rights and remedies of the City are expressly saved as to any and all violations of the provisions of the Code of Ordinances in effect on the effective date of this Ordinance and modified by this Ordinance or any other ordinances in effect on the effective date of this Ordinance and modified by this Ordinance and requiring the payment of fees for licenses, permits, and other services provided by the City which have accrued on the effective date of this Ordinance; and any and all accrued violations and all pending litigation, both civil and criminal, whether pending in court or not, under such ordinances, shall not be affected by this Ordinance but may be prosecuted until final disposition by the courts.

Section 7. This Ordinance shall be in full force and effect from and after its final passage and any publication required by law.

PASSED AND APPROVED on the _____ day of _____ 2026.

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026
Department: Police Department
Subject: Resolution 26-R-115 - Authorizing the acceptance of a quote from Motorola Solutions Inc. and BRINC for a pilot DFR program that includes two DFR pods with the City of Schertz (Chief of Police Jim Lowery)

BACKGROUND

A Drone as First Responder (DFR) program is a modern public safety model where unmanned aerial vehicles (UAVs) are pre-positioned in weatherproof docking stations across the city. Upon a 911 call or CAD (Computer Aided Dispatch) alert, a drone automatically launches and flies directly to the scene, often arriving under 90 seconds, well ahead of ground units. The objective is to provide responding officers with instant, live situational awareness via real-time video streaming, allowing for safer, faster, and more informed decision-making. Measurable outcomes archived by peer agencies include accelerated response times (drones travel in a straight line at or up to 50 MPH by passing traffic obstacles), resource optimization (on average, DFR programs allow agencies to clear 25% to 38% of low-risk calls without ever dispatching a physical officer, preserving ground resources for true emergencies), de-escalation and safety (live video allows supervisors to see if a suspect is actually armed or if a situation requires a specialized response giving officers the time and distance needed to de-escalate safely), and specific high-impact cases (Missing Persons; quickly locating lost children or elderly individuals in dense terrain using thermal sensors, Crimes in Progress; safely tracking fleeing suspects of stolen vehicles without resorting to high-speed vehicle pursuits, Multi-Agency Support; assessing a fire spread for the Fire Department or mapping structural damage for Emergency Management). The DFR program would supplement our current drone program embedded within the Police and Fire Department.

GOAL

The goal is to approve the acceptance of the quote from BRINC and Motorola for a pilot DFR program to initiate a DFR pilot program.

COMMUNITY BENEFIT

The community benefit is the ability of first responders to speed up response times and the ability to deploy a drone ahead of ground units that provides early visuals, reduces response times, optimizes resources, and enhances public safety.

SUMMARY OF RECOMMENDED ACTION

Approve Resolution 26-R-115.

FISCAL IMPACT

Year one (1) includes a cancellation for convenience clause and the \$119,998/YR fee is covered by Motorola Solutions Inc. Years two (2) through four (4) include a Non-appropriations of Funding clause. Thus, the first year there is a \$0 cost. The remaining three years (two-four) is \$119,998 each year for a total of \$359,994. We intend to seek grant funding with a 20% match. Therefore, our total monetary obligation would be \$71,998. Our yearly cost would be \$23,996.60 if the grant requires a yearly application versus a total package.

RECOMMENDATION

Recommend approval of Resolution 26-R-115.

RESOLUTION NO. 26-R-115

A RESOLUTION BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS AUTHORIZING THE SCHERTZ POLICE DEPARTMENT TO ENTER INTO A CONTRACT WITH AND MOTOROLA SOLUTIONS, INC. AND BRINC FOR A DFR (DRONE AS FIRST RESPONDER) PILOT PROGRAM WITH A THREE YEAR OPTION TO EXTEND THE DFR PROGRAM.

WHEREAS, the Schertz City Council finds it in the best interest of the citizens of the City of Schertz that the Motorola Solutions and BRINC DFR pilot program be accepted; and

WHEREAS, the Schertz City Council designates the City Manager as the authorized official and is given the power to apply for, accept, reject, alter, or terminate the contract on behalf of the applicant agency; and

WHEREAS, the Schertz City Council recognizes the Drone as First Responder (DFR) program is a modern public safety model unmanned aerial vehicles (UAVs) are pre-positioned in weatherproof docking stations across the city; and

WHEREAS, the DFR program will assist City of Schertz public safety officials with instant, live situational awareness via real-time video streaming, allowing for safer, faster, and more informed decision making while addressing public safety that includes but not limited to crime, traffic safety, and quality of life issues.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS THAT:

Section 1. The City Council hereby authorizes the City Manager to accept, decline, modify, or cancel the Motorola Solutions Inc and BRINC DFR quote/contract as set forth in Exhibit A.

Section 2. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Resolution for all purposes and are adopted as a part of the judgment and findings of the City Council.

Section 3. All resolutions, or parts thereof, which are in conflict or inconsistent with any provision of this Resolution are hereby repealed to the extent of such conflict, and the provisions of this Resolution shall be and remain controlling as to the matters resolved herein.

Section 4. This Resolution shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 5. If any provision of this Resolution or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Resolution and the application of such provision to other persons and circumstances shall nevertheless be valid, and the City Council hereby declares that this Resolution would have been enacted without such invalid provision.

RE: Motorola Quote for Schertz PD, TX - BRINC Takeoff

Dear Chief James Lowery,

We're excited to present the BRINC MSI Takeoff Program, built in partnership between BRINC and Motorola Solutions to give every public safety agency access to a reliable, cost-effective, and purpose-built air program. Too often, agencies are forced to choose between expensive aviation solutions or tools not designed for the realities of public safety work. The Takeoff Program changes that. Together with BRINC, we're making it simple for agencies to stand up Drone as First Responder (DFR) programs that:

- Fit within real budgets with the first year at no cost
- Rely on technology built for first responders, not adapted from consumer or inspection hardware
- Integrate directly into existing Motorola systems like Command Central Software, radios and ALPR
- Include full training and support so teams are mission-ready from day one

We believe every community deserves the benefits of a DFR program—safer officers, lower response times, and better outcomes for the public. The Takeoff Program helps make that possible for every agency ready to deploy an air program. We are confident that Motorola Solutions' ongoing commitment to safety, innovation, and mission-critical performance, combined with BRINC's cutting-edge drone technology, will deliver significant value to your operations.

This offer is subject to the attached Products Agreement and TAKEOFF Program Addendum, and expires 60 days from the date of this letter.

Please let us know when we can schedule time to review this proposal in more detail. Thank you for your leadership and commitment to serving your community. We're honored to support you.

Sincerely,

David Redus

Drone as First Responder

How It Works

Utilizing strategically positioned drones operated by remote pilots, the BRINC DFR solution provides **advanced air support capabilities.**

These drones are designed to arrive on scene ahead of traditional patrol units, delivering real-time situational awareness and enhancing response effectiveness.

01

Call for service received.

02

Drone automatically responds.

03

Drone provides live video feed with the capability for two-way communication.

04

Drone autonomously returns to Station and lands.

Measures of Success

Agencies adopting **Drone as First Responder(DFR)** programs have seen significant improvements in response times, situational awareness, and resource efficiency. By deploying drones within seconds of an emergency call, agencies can assess incidents faster, reduce risks to first responders, and make data-driven decisions that enhance public safety.

STATEMENT OF WORK - BRINC DRONE AS A FIRST RESPONDER IMPLEMENTATION

Motorola is providing the BRINC solution, as set out below.

BRINC Drone as First Responder (DFR) Implementation

Term: This SOW is effective as of the Effective Date and will continue unless terminated earlier pursuant to the Agreement.

This Statement of Work ("SOW") is governed by the Agreement (the "Agreement") entered into between Motorola and Customer. All definitions not defined herein shall have the meaning set forth in the Agreement (including its addenda or riders). In the event of a direct conflict between this SOW and the Agreement, this SOW will control solely with respect to the services and deliverables described herein. Terms used but not defined in this SOW have the meanings set forth in the Agreement.

PURPOSE & SCOPE

This SOW defines the roles, responsibilities, deliverables, acceptance criteria, and project governance for the implementation of a Drone as First Responder (DFR) program powered by BRINC LiveOps software and BRINC UAS hardware. The objective is to deploy an operational DFR capability, including fixed launch sites, teleoperations (where applicable), training, and support.

DEFINITIONS

DFR: Drone as First Responder operational model, designed to enable rapid Unmanned Aircraft System (UAS) response to calls for service.

Go-Live: The date on which the Customer begins live operational use of the BRINC DFR solution.

CIQ: Customer Input Questionnaire used to capture configuration, networking, and deployment specifics.

DESCRIPTION OF SERVICES

Implementation Services

BRINC will perform the implementation tasks described herein to prepare the Customer's environment for full DFR functionality, including the following:

- DFR Solution Design & Configuration (subdomain creation, network configuration, geofencing, RF/EMF analysis).
- Hardware & Software Deployment (BRINC UAS, docking station if applicable, LiveOps SaaS activation).
- Training for System Administrators, Pilots in Command (PIC), and Teleoperators.
- Support (24x7x365).
- Project Documentation & Handover (CIQ, IP plans).

Warranty and Replacement Policy:

BRINC offers the Warranty and Replacement Policy for Equipment sold to Customer pursuant to the Agreement that is manufactured or supplied by BRINC (the "BRINC Equipment"), as set forth on Schedule A.

SYSTEM REQUIREMENTS

The Hosted Services are cloud-based and provided over the internet. Customer must provide all equipment and software necessary to connect to the Services, including:

- Dedicated bandwidth minimum of 30 Mbps upload and 30 Mbps download at each teleoperator and launch site location, with IT firewall profile configuration allowing required ports/IP ranges for BRINC internet traffic.
- DFR launch and related infrastructure sites provided and equipped as specified in Schedule C.
- Part 107 certified pilots (or equivalent regulatory authorization).
- Hardware required to support BRINC operations (ability to launch browser).

ROLES & RESPONSIBILITIES

BRINC Obligations.

Motorola will engage BRINC to provide:

- Project Management
 - Lead project planning, execution, reporting, and closure.
 - Coordinate technical clarification, CIQ completion, configuration, staging, deployment, and acceptance activities.
- Configuration Documentation
 - Provide BRINC configuration documents and coordinate with Customer IT on necessary settings.
- Support
 - Provide 24x7x365 support channels (Intercom, phone, email) through BRINC, as set forth on Schedule B.
- Limitations / Disclaimers
 - BRINC procures cloud hosting from third-party vendors and is not responsible for interruptions or breaches caused by such providers, subject to applicable law and the Agreement.
- Solution Design & Environment Prep
 - Create a unique subdomain/URL for Customer access.
 - Collaborate with Customer IT on firewall, port, and IP configuration for LiveOps.
 - Conduct RF/EMF analysis and launch area testing to validate flight operations, geofenced areas, and interference mitigation.
- Software Activation & Configuration
 - Enable BRINC Drone Software on the Customer's network, create Customer accounts, and provide admin access using Authorized User information.
 - Provision BRINC LiveOps SaaS, including admin portal access, telemetry, error/warning notifications, and PIC/teleoperator data capture.
- Hardware
 - Recommend proper hardware requirements and deployment architecture for the DFR program.
- Training
 - Deliver on-site and/or remote training for administrators, PICs, and teleoperators, covering BRINC hardware, LiveOps, geofencing, emergency override, and DFR best practices.
- Documentation
 - Deliver CIQ, IP plans, configuration documents, and final project close-out documentation.
- Out of Scope (unless separately contracted):
 - Management of on-site resources used during installation. This includes resources to add or build required infrastructure (pre-install) to accommodate base STATION placement or RF Infrastructure at strategic regional locations. This could include non-customer sites requiring an MOU driven by customer.

- Implementation/management of Customer's networking equipment, routing/switching, or third-party systems not listed herein.
- Configuration changes requested after CIQ sign-off (unless via approved change order).
- Ongoing operations beyond specified support, including remote operations, unless contracted as Managed Services.

Customer Obligations.

Customer will provide the following:

- Program Governance
 - Appoint a Project Manager to manage user access, retention periods, and public data visibility; act as primary point of contact.
- Regulatory Compliance
 - Obtain and maintain FAA waivers, CoAs, and other regulatory approvals required for DFR operations (Motorola Managed Services may assist as agreed).
 - Ensure Part 107 certified pilots and appropriate SOP/SRM/PPE are in place.
- Technical Readiness
 - Provide required infrastructure, bandwidth (≥30 Mbps up/down at teleoperator and launch sites), LTE fallback, firewall configurations, electrical, and other prerequisites.
- Deployment Requirements & Site Prep
 - Meet site preparation, power, environmental, mounting/security, airspace, maintenance access, and backup landing zone requirements as outlined in Schedule C.
- Accounts & Security
 - Provide Authorized User emails; maintain account/password security; promptly notify Motorola/BRINC of security issues.
- Operations & Data
 - Properly configure and use the services; secure, protect, and back up content; implement encryption and routine archiving as needed.

ASSUMPTIONS

The Services are provided under the following assumptions:

- Customer will meet all system requirements and maintain them during the term.
- Material scope changes post-CIQ require a change order (fees/timeframe adjustments may apply).
- DFR docking station and infrastructure (if included) will be installed only after Customer meets the prerequisites defined in Schedule C.

EXCLUSIONS.

Unless expressly stated, the following are excluded from the Services:

- Customer network hardware configuration and maintenance.
- Third-party platform licensing not listed herein.
- Long-term managed operations.
- Post-CIQ configuration changes without a change order.

TRAINING

BRINC will provide the following training:

- Flight Hardware Training: Manual RC flight basics, emergency override maneuvers, hardware limitations.
- BRINC Software Training: Admin overview, safety features, geofence editor usage, teleoperation basics.
- Operational Validation: Test flights within geofenced areas; validate launch/landing reliability.

ACCEPTANCE CRITERIA

The solution will be deemed accepted ("Final Acceptance") upon:

- Successful completion of agreed work packages and test flights demonstrating DFR functionality, as set forth on Schedule D.
- Delivery of all documentation (CIQ, IP plans, admin portal credentials, configuration docs).
- Go-Live commencement.
- Resolution (or documented plan) for any material issues blocking operational use.

SUPPORT & SLAS

BRINC provide the following support Services:

- Go-Live Support: 8 weeks post-implementation.
- Ongoing Support: 24x7x365 via Intercom, phone, and email; on-site support if issues cannot be resolved virtually.
- Data Handling: Data will not be intentionally deleted prior to termination; however, certain media (e.g., video/images >30 days) may be deleted per platform policy (adjust to your policy).
- Support Program set forth on Schedule B

SCHEDULE A – BRINC EQUIPMENT WARRANTY & REPLACEMENT POLICY

- **Hardware Warranty.** Motorola warrants that BRINC Equipment is free from defects in workmanship and materials for one year from the date of Customer's receipt. For BRINC Equipment purchased by Customer under the BRINC Support Program, Motorola warrants such BRINC Equipment is free from defects in workmanship and materials from the date of Customer's receipt for the duration of the BRINC Support Program term.
- **Disclaimers.** **Except as expressly provided herein, BRINC and Motorola provides all BRINC Equipment and BRINC Services "AS IS," without any warranty of any kind, either express or implied, including without limitation the implied warranties of merchantability, fitness for a particular purpose and non-infringement. Non-BRINC Materials are not covered by the limited hardware warranty described in Section 1 of this Schedule above and are only subject to the warranties of the third-party provider or manufacturer.**
- **Claims.** If BRINC or Motorola receives a valid warranty claim for BRINC Equipment during the limited hardware warranty term, BRINC's and Motorola's sole responsibility is to repair or replace such BRINC Equipment with the same or like BRINC Equipment, at BRINC's or Motorola's option, as applicable. A replacement BRINC Equipment will be new or like new. The limited hardware warranty of the replacement BRINC Equipment will be the longer of (a) the remaining limited hardware warranty term of the original BRINC Equipment or (b) 90-days from the date of repair or replacement.
- **Exclusions.** BRINC's limited hardware warranty excludes damage related to: (a) failure to follow BRINC Equipment use instructions, including those set forth in the applicable BRINC Equipment documentation; (b) BRINC Equipment used with equipment not manufactured or recommended by BRINC; (c) abuse, misuse, or intentional damage to the BRINC Equipment; (d) force majeure; (e) BRINC Equipment repaired or modified by persons other than BRINC, without BRINC's written permission; (f) BRINC Equipment with a defaced or

removed serial number; or (g) Customer's or its Authorized User's failure to complete training from BRINC on operating and flying the BRINC Equipment prior to Customer's or its Authorized User's use of the BRINC Equipment. BRINC's limited hardware warranty will be void if Customer resells BRINC Equipment.

- **Replacement BRINC Equipment.** BRINC or Motorola may permit Customer to exchange BRINC Equipment or a part thereof. In such events, subject to Section 4 of this Schedule, the replacement BRINC Equipment or part thereof will become Customer's property, and the replaced Equipment or part thereof will become Motorola's or BRINC's property, as applicable. Before delivering BRINC Equipment for any BRINC Services (including replacement services), Customer must download BRINC Equipment data and retain a copy. BRINC is not responsible for any loss of software, data, or other information contained in storage media or any part of the BRINC Equipment sent to BRINC for BRINC Services.
- **Spare BRINC Equipment.** At BRINC's or Motorola's reasonable discretion, as applicable, BRINC or Motorola may provide Customer a predetermined number of spare BRINC Equipment. Spare BRINC Equipment is intended to replace broken or non-functioning units while BRINC or Motorola repairs or replaces the broken or non-functioning units through the warranty return process. Title and risk of loss for all spare BRINC Equipment shall pass to Customer in accordance with the Agreement.

SCHEDULE B – BRINC SUPPORT PROGRAM

If the Customer purchases BRINC Support Program or a bundle including BRINC Support Program, this appendix applies.

- **BRINC Support Program.** The "BRINC Support Program" is an extended full-service warranty that starts on the Subscription commencement date and terminates as detailed in the Proposal. The extended warranty includes (i) unlimited repairs on BRINC Equipment and (ii) for any BRINC Equipment that cannot be repaired, up to 1 replacement per year for the Responder and Guardian Camera payload, and unlimited replacements for any other BRINC Equipment that BRINC is unable to repair between hardware Upgrades (as defined below). Customer is to return the destroyed device or provide reasonable documentation that the device was destroyed (i.e. pictures or video). The BRINC Support Program is available to agencies only upon completion of BRINC certified training on the associated product or service.
- **BRINC Support Program Upgrade.** If Customer has no outstanding payment obligations and purchased BRINC Support Program, BRINC will provide Customer a new BRINC Lemur, Responder or Guardian Drone, corresponding Stations and/or BRINC Ball as scheduled in the Proposal ("Upgrade"). If Customer purchased BRINC Support Program, BRINC will provide an upgrade that is the same or like BRINC Device, at BRINC's option. BRINC makes no guarantee the Upgrade will utilize the same accessories. Upgrades exclude new products that BRINC introduces and markets as distinct products or applications. New or additional BRINC products and applications, as well as any BRINC professional services are not included. Neither BRINC nor Motorola will offer any warranty for such BRINC Equipment that has been replaced with an Upgrade, and will have no liability for any damages relating to the use of such BRINC Equipment. BRINC and Motorola will not and have no obligation to provide Upgrades once the BRINC Support Program terminates for any reason.
- **Upgrade Delay.** BRINC may ship the Upgrades as scheduled in the Proposal without prior confirmation from Agency. BRINC may ship the final Upgrades as scheduled in the Proposal 60 days before the end of the Subscription Term without prior confirmation from Customer.
- **Upgrade Change.** If Customer wants a different BRINC Equipment model from the Upgrade offered by BRINC, Customer must pay the price difference between the MSRP for the desired BRINC Equipment and the MSRP for the Upgrade. If the model Customer desires has an MSRP less than the MSRP of the offered Upgrade, Motorola will not provide a refund. The MSRP is the MSRP in effect at the time of the Upgrade.
- **Firmware Updates.** BRINC will provide Updates to BRINC Equipment firmware for as long as a BRINC Equipment is part of an active Support Program. An "Update" can be either (i) a generally available release that BRINC makes available from time to time, or (ii) a new version of BRINC software and/or firmware that enhance features and functionality, as solely determined by BRINC.
- **Original BRINC Device.** Following receipt of an Upgrade, Customer will retain the original BRINC Devices, provided that: (i) Customer cannot resell, gift, or donate the BRINC Devices; (ii) Customer will not allow the

BRINC Devices to be used for personal use; (iii) Customer must retain direct custody and control of the BRINC Devices; and (iv) BRINC will offer no warranty for those BRINC Devices and will have no liability for any damages relating to the use of such BRINC Devices (as the warranty for such devices will have shifted to the Upgrade).

SCHEDULE C – CUSTOMER DEPLOYMENT REQUIREMENTS (DFR SITE & DOCK READINESS)

Site Preparation

- Base STATION Infrastructure: Safe accessibility; minimum surface area (16' x 16'), adequate load support (≥ 360 lbs), unobstructed view of the sky. Station placement must be possible via ground transport, crane, or walking access with standard door clearance. Power and network access as specified below.
- RF Site Infrastructure: Safe accessibility; minimum surface area for Non-Penetrating RF Pole (6' x 6'), or appropriate Penetrating RF Wall Mount (with mounting hardware preinstalled as directed by BRINC). Both RF options must have an unobstructed 360° view of the geographical flight area (i.e. RF array above all obstructions) and installed away from other high powered RF or cellular antennae. RF access must be possible via standard door clearance or roof hatch. Power and network access as specified below.

Power

- Continuous 110V/20A (outdoor rated plugs/protection), surge protection, battery backup where possible to ensure 100% uptime, proper grounding ($\leq 10\Omega$).

Network/Backhaul

- Dedicated hard-wired internet access with LTE or similar fallback preferred, properly configured firewall rules, outdoor IP-rated connectors and wiring.

Environmental & Physical Security

- Weatherproofing, secure mounting, controlled access.

Flight Safety & Airspace

- No-fly zones reviewed; documented RF/geofencing compliance; defined backup landing area.

Maintenance Access

- Routine access, maintenance plan for cleaning, battery management, firmware updates.

Documentation & Compliance

- Site layout, network diagrams, operational SOP, permits/insurance, logging/ticketing for incidents.

Backup Safe Landing Area

- Required: 16' diameter area, clear view of the sky with obstruction-free vertical corridor above, clearly marked, traffic restricted. Preferred: Same altitude as station.

SCHEDULE D – ACCEPTANCE TEST PLAN (ATP)

Functional Tests

- LiveOps connectivity, drone telemetry, flight log validation, geofence enforcement.

Operational Tests

- Launch/land cycles, teleoperation handoff (if applicable), emergency failsafe procedures.

TAKEOFF Program Addendum

This TAKEOFF Program Addendum (this “TOPA”) is entered into between Motorola and Customer, and shall be subject to, and governed by, the terms of the MCA, or other agreement between Motorola and Customer, as applicable, including any applicable addenda (the “Agreement”). Unless the context otherwise requires, all capitalized terms used but not defined herein shall have the meanings set forth in the MCA and DA which may be found at: https://www.motorolasolutions.com/en_us/about/legal/us_terms.html.

If you are purchasing drone or unmanned aerial vehicle and related Products manufactured, supplied or otherwise provided by BRINC Drones, Inc. (“BRINC”, and such Products, the “BRINC Products”) as part of the TAKEOFF Program (from Motorola on behalf of your employer or another entity, you warrant that: (a) you have authority to bind your employer or the applicable entity, as “Customer” to this TOPA; (b) you have read and understand this TOPA; and (c) on behalf of the Customer that you represent, you agree to this TOPA. If you do not have the legal authority to bind your employer or the applicable entity as Customer to this TOPA, please do not complete the purchase. The BRINC Products include Equipment (“BRINC Equipment”), and related Services and Licensed Software.

This TOPA governs Customer’s purchase of BRINC Products from Motorola under the TAKEOFF Program and shall form part of the Parties’ Agreement. This TOPA shall control with respect to conflicting terms in the Agreement or any other applicable Addendum (including, without limitation, the Drone Addendum agreed to between Customer and Motorola (the “DA”)), but only as applicable to the BRINC Products purchased under this TOPA and not with respect to other Products. For the avoidance of doubt, BRINC Products which are purchased under the Agreement (and, where applicable, the DA) which are not part of the TAKEOFF Program shall not be subject to this TOPA. Unless otherwise stated in this TOPA, the terms of the Agreement, including the DA apply.

1. THE FIRST YEAR OF THE SUBSCRIPTION. As set forth in the Proposal, Customer has agreed to a multi-year Subscription for BRINC Products (the “BRINC Subscription”). All references to the first twelve months of the BRINC Subscription (the “Initial Subscription Period”) and each renewal year (each a “Renewal Subscription Year”) in this TOPA shall refer to the BRINC Subscription. The Initial Subscription Period of the BRINC Subscription is subject to the following terms:
 - 1.1. Title. Title to the BRINC Equipment shall transfer to Customer at the commencement of the first Renewal Subscription Year. During the Initial Subscription Period the BRINC Equipment shall be the sole property of BRINC. Customer shall have no rights whatsoever in or to the BRINC Products other than the right to use the BRINC Products during the Initial Subscription Year. Customer shall have the benefit of the Support Program as set out in the Proposal, however Customer shall reimburse Motorola for the cost of any

necessary repairs or replacement of the BRINC Equipment for damage not covered by the Support Program.

2. CUSTOMER RESPONSIBILITIES

- 2.1. Customer Obligations. Customer shall fulfil the Customer Obligations as set out in the Proposal ("Customer Obligations").
- 2.2. Feedback. Customer may provide Motorola internal reports and feedback to assist in improving the TAKEOFF Program. Motorola and BRINC may use such internal reports and feedback to develop or improve their Products and Services (including without limitation BRINC Products)
- 2.3. Reference. Motorola or BRINC may request that Customer act as a public reference or that Customer participate in a case study.
- 2.4. Exclusivity. During the Initial Subscription Period, Customer shall use Products from BRINC as its sole Drone as First Responder ("DFR") provider for any Products covered by the TAKEOFF Program, and shall not, until the commencement of the first Renewal Subscription Period, deploy or purchase any autonomous docked drone platform or DFR product from a third party ("Competing Product").
- 2.5. Compatibility. Customer is responsible for ensuring that any Customer-Provided Equipment and any alterations to the applicable network with which the BRINC Products are to be used are compatible with the BRINC Product.

3. EARLY TERMINATION

- 3.1. Customer Termination. Customer may terminate the BRINC Subscription without penalty by giving notice to Motorola up to 30 days prior to the commencement of the first Renewal Subscription Year.
- 3.2. Motorola Termination. During the Initial Subscription Year, Motorola may terminate the BRINC Subscription immediately by giving notice to Customer should:
 - 3.2.1. Customer fail to fulfill a Customer Obligation pursuant to Section 2.1; or
 - 3.2.2. Customer deploy or purchase a Competing Product.

- 4. ON TERMINATION On termination pursuant to Section 3, Motorola or its subcontractors (including BRINC or its subcontractors) shall remove the BRINC Equipment from Customer's premises, and will deactivate (or cancel Customer's access to) all related Software and SaaS Products (as defined in the Agreement) provided or made available by BRINC. Customer will cooperate with such removals and deactivations (including without limitation by allowing Motorola and its subcontractors (including BRINC and its

subcontractors) to access Customer facilities for such purpose. Motorola shall work with Customer to offload any Customer Data to Customer's system.

5. SURVIVAL The following sections of this TOPA survive termination of this Agreement:
Sections 1 and 4.

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026

Department: City Secretary

Subject: Ordinance 26-S-019 - Conduct a Public Hearing and consider a request to approve a Specific Use Permit to allow for Automobile Repairs and Service, Major on approximately 1.19 acres of land, generally located 1,200 feet southeast of the intersection of FM 3009 and Borgfeld Rd., also known as Guadalupe County Property Identification Number 67644, City of Schertz, Texas (Deputy City Manager Brian James)

BACKGROUND

The applicant is requesting a Specific Use Permit (SUP) to allow Automobile Repairs and Service, Major, in General Business District (GB) on approximately 1.19 acres of land. As per UDC Article 16, Automobile Repairs and Service, Major is defined as general repairs or reconditioning of engines, air-conditioning systems, and transmissions for motor vehicles; wrecker or towing service with on-site storage of vehicles; collision services including body, frame, or fender straightening or repair; customizing; painting; vehicle steam cleaning; tire retreading; muffler services; upholstery shop; insurance estimations with on-site storage; undercoating and rust proofing, and other similar uses.

On July 24, 2026, six (6) public hearing notices were mailed to the surrounding properties within a 200-foot notification boundary of the subject property. At the time of the staff report, one (1) response in favor, zero (0) responses neutral, and zero (0) responses in opposition have been received. A public hearing for this Specific Use Permit was originally noticed for and scheduled for the September 1st City Council meeting, and then was re-noticed for October 13th, 2026. A public hearing notice was published in the "San Antonio Express" on September 23, 2026. Additionally, one (1) sign was placed on the subject property by the applicant.

West	Right-of-Way; FM 3009/Roy Richard Dr.	(Principal Arterial 120'-130' ROW)
-------------	---------------------------------------	------------------------------------

GOAL

The applicant is requesting a Specific Use Permit on approximately 1.19 acres of land to allow Automobile Repairs and Service, Major in General Business District (GB). As per the letter of intent, Express Oil Change, the proposed business offers services which include oil changes, AC repair, brakes, battery alignment, inspections, tire repair, drive train, and state inspections. Based on the described list of services provided, the proposed business would be classified as Automobile Repairs and Services, Major.

COMMUNITY BENEFIT

It is the City's desire to promote safe, orderly, efficient development and ensure compliance with the City's vision of future growth.

SUMMARY OF RECOMMENDED ACTION

When evaluating Specific Use Permits, Staff uses the criteria listed in UDC Section 21.5.11.D. The criteria are listed below:

1. The proposed use at the specified location is consistent with the policies of the adopted Comprehensive Land Plan, or any other applicable adopted plans.

The subject property is designated as Local Corridor in the Comprehensive Land Use Plan- Future Land Use Map. Local Corridor is described as areas with locally oriented commercial and entertainment situated along medium to high-volume collector roads with neighborhoods at the perimeter. When considering zone changes in Local Corridor, the scale and intensity of the uses allowed within the proposed zoning shall be of a scale and intensity that is compatible with the surrounding residential neighborhoods. The proposed Specific Use Permit is consistent with the policies of the Comprehensive Plan as it meets the scale and intensity of the immediately surrounding area. The subject property is located along FM 3009, which is a Principal Arterial. To the north of the subject property is undeveloped land, and the Specs and HealthTexas businesses. To the south and the east of the property are undeveloped land.

2. The proposed use is consistent with the general purpose and intent of the applicable zoning district regulations.

General Business District (GB) is intended for non-residential uses which offer a wide variety of retail and service establishments that are generally oriented toward serving the overall needs of the entire community and that are located on appropriately designed principal transportation corridors. The proposed Specific Use Permit to allow Automobile Repairs and Service, Major is located along FM 3009, which is a major transportation corridor.

While the Automobile Repairs and Service Major use would allow for intense uses like wrecker or towing service with on-site storage of vehicles, collision services including body, frame, or fender straightening or repair, and undercoating and rust proofing services, the proposed business would provide services that would be generally oriented to serving the needs of the entire community. The applicant's business provides oil changes, ac repair, drive train work, tire alignment and repair, brake rotors and brake pads, cooling and fuel system work, starter and alternator work, shocks and struts, exhaust and muffler, as well as steering and suspension.

3. The proposed use is compatible with and preserves the character and integrity of adjacent developments and neighborhoods.

There are no businesses directly adjacent to the subject property, as the adjacent lots are all undeveloped land zoned General Business District (GB). This proposed business is consistent with other similar businesses located along FM 3009, like Christian Brothers Automotive, Classic Collision located off of Borgfeld, which received an SUP in 2024 via Ordinance 24-S-02, and Total True Automotive located at 1000 FM 3009, which received an SUP for Automotive Repairs & Service Major via Ordinance No. 15-S-39. The conditions that staff are recommending for the proposed SUP are consistent with other SUPs that have been granted in the past.

4. The proposed use will not adversely affect the overall health, safety, or general welfare of the City.

The Specific Use Permit would allow for this business to provide services that are existing along the FM 3009 corridor. If the Specific Use Permit is approved, the applicant will still need to submit and apply for the subsequent development applications, including platting, site plan, and building permits. The subject property will need to meet all site design requirements and building code requirements.

The Engineering Department reviewed the application and noted that at the time of Site Plan they will need to adjust their layout to accommodate the Right-of-Way for FM 3009.

While the proposed uses by the applicant would not adversely affect the overall health, safety, or general welfare of the City, allowing the full scope of Automobile Repairs and Service, Major, could adversely affect the overall health, safety, or general welfare of the City. Staff is recommending approval of the SUP with the condition that the following uses are not permitted: wrecker or towing services with on-site storage of vehicles, collision services including body, frame, or fender straightening or repair, customizing or painting, vehicle steam cleaning, insurance estimates with on-site storage, undercoating and rustproofing, and other similar uses.

5. Whether other factors are deemed relevant and important in the consideration of the Specific Use Permit.

The Planning and Zoning Commission and City Council have not provided additional criteria for consideration of the Specific Use Permit. TxDOT is currently in the design phase of an FM 3009 grade separation over the railroad tracks at FM 3009 and FM 78. This proposed development will need to consider the TxDOT project in their site layout.

The City of Schertz Fire, EMS, and Police Departments have been notified of the Specific Use Permit and did not provide objections.

RECOMMENDATION

Staff Recommendation:

Staff recommends approval of the requested Specific Use Permit to allow Automobile Repairs and Service, Major in General Business District (GB), conditioned upon the following:

1. The following uses are not permitted: wrecker or towing service with on-site storage of vehicles; collision services including body, frame, or fender straightening or repair; customizing or painting; vehicle steam cleaning; insurance estimations with on-site storage; undercoating and rust proofing, and other similar uses to be allowed on site.

2. A building permit is approved within (3) years of the adoption of the Specific Use Permit Ordinance in accordance with Unified Development Code Article 5, Section 21.5.11.F Expiration of Specific Use Permit and allowing for the development process due to the subject property location on FM 3009 and consideration by TxDOT.

Planning and Zoning Commission Recommendation:

The Planning and Zoning Commission held a public hearing for the item on August 5, 2026, and made a recommendation of approval with the conditions as proposed by Staff, to City Council with a unanimous vote.

ORDINANCE 26-S-019

AN ORDINANCE BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS, TO APPROVE A SPECIFIC USE PERMIT TO ALLOW FOR AUTOMOBILE REPAIRS AND SERVICE MAJOR ON APPROXIMATELY 1.19 ACRES OF LAND, GENERALLY LOCATED 1,200 FEET SOUTHEAST OF THE INTERSECTION OF FM 3009 AND BORGFELD RD, ALSO KNOWN AS GUADALUPE COUNTY PROPERTY IDENTIFICATION NUMBER 67644, CITY OF SCHERTZ, TEXAS.

WHEREAS, an application for a Specific Use Permit to allow for Automobile Repairs and Service, Major on approximately 1.19 acre of land, generally located approximately 1,200 feet southeast of the intersection of FM 3009 and Borgfeld Rd, also known as Guadalupe County Property Identification Number 67644, more specifically described in the Exhibit A attached (herein, the “Property”) has been filed with the City; and

WHEREAS, the City’s Unified Development Code Section 21.5.11.D. provides for certain criteria to be considered by the Planning and Zoning Commission in making recommendations to City Council and by City Council in considering final action on a requested Specific Use Permit (the “Criteria”); and

WHEREAS, on August 5, 2026, the Planning and Zoning Commission conducted a public hearing and, after considering the Criteria, made a recommendation to City Council to approve with the conditions the Specific Use Permit presented by staff for an Automobile Repairs and Service, Major use; and

WHEREAS, on October 13, 2026, the City Council conducted a public hearing and, after considering the Criteria and recommendation by the Planning and Zoning Commission, determined that the requested Specific Use Permit be approved as provided for herein.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SCHERTZ, TEXAS THAT:

Section 1. A Specific Use Permit for 1.19 acres of land, known as Guadalupe County Property Identification Number 67644, more particularly described in the attached Exhibit A is hereby approved to allow Automobile Repairs and Service, Major, conditioned upon the following occurring:

- a) The following uses are not permitted: wrecker or towing service with on-site storage of vehicles; collision services including body, frame, or fender straightening or repair; customizing or painting; vehicles steam cleaning, insurance estimations with on-site storage; undercoating and rust proofing, and other similar uses to be allowed on site.

- b) A building permit is approved within (3) years of the adoption of the Specific Use Permit Ordinance in accordance with Unified Development Code Article 5, Section 21.5.11.F Expiration of Specific Use Permit and allowing for the development process due to the subject property location on FM 3009 and consideration by TxDOT.

Section 2. The recitals contained in the preamble hereof are hereby found to be true, and such recitals are hereby made a part of this Ordinance for all purposes and are adopted as a part of the judgment and findings of the Council.

Section 3. All ordinances and codes, or parts thereof, which are in conflict or inconsistent with any provision of this Ordinance are hereby repealed to the extent of such conflict, and the provisions of this Ordinance shall be and remain controlling as to the matters resolved herein.

Section 4. This Ordinance shall be construed and enforced in accordance with the laws of the State of Texas and the United States of America.

Section 5. If any provision of this Ordinance or the application thereof to any person or circumstance shall be held to be invalid, the remainder of this Ordinance and the application of such provision to other persons and circumstances shall nevertheless be valid, and the City hereby declares that this Ordinance would have been enacted without such invalid provision.

Section 6. It is officially found, determined, and declared that the meeting at which this Ordinance is adopted was open to the public and public notice of the time, place, and subject matter of the public business to be considered at such meeting, including this Ordinance, was given, all as required by Chapter 551, as amended, Texas Government Code.

Section 7. This Ordinance shall be effective upon the date of final adoption hereof and any publication required by law.

Section 8. This Ordinance shall be cumulative of all other ordinances of the City of Schertz, and this Ordinance shall not operate to repeal or affect any other ordinances of the City of Schertz except insofar as the provisions thereof might be inconsistent or in conflict with the provisions of this Ordinance, in which event such conflicting provisions, if any, are hereby repealed.

PASSED, APPROVED and ADOPTED on this ____ day of _____ 2026.

UDC Section 21.5.11.D Criteria for approval

1. The proposed use at the specified location is consistent with the policies of the adopted Comprehensive Land Plan, or any other applicable adopted plans.

- Comprehensive Land Use Plan has this as Local Corridor
 - Locally oriented commercial and entertainment.
 - Along medium to high-volume collector roads
- Proposed SUP is intended to serve the local community and is located along FM 3009, a high-volume principal arterial, thus meets the intent of the Future Land Use Map Designation

UDC Section 21.5.11.D Criteria for approval

2. The proposed use is consistent with the general purpose and intent of the applicable zoning district regulations

- Zoned General Business District (GB)
 - Retail and service establishments along principal transportation corridors

3. The proposed use is compatible with and preserves the character and integrity of adjacent developments and neighborhoods.

- The subject property is surrounded by undeveloped lots that are zoned GB
- Proposed business is consistent with similar businesses along FM 3009 like Total True Automotive and Christian Brothers Automotive
- Will be required to meet all Article 9 Site Design Requirements

UDC Section 21.5.11.D Criteria for approval

4. The proposed use will not adversely affect the overall health, safety, or general welfare of the City.
 - While the proposed uses by the applicant will not adversely affect the overall health, safety, or general welfare of the city, allowing the full scope of Automobile Repairs and Service, Major could.
 - The Engineering Department reviewed the application and noted that at the time of the Site Plan the applicant will need to adjust their layout to accommodate the Right-of-Way for FM 3009
4. Whether other factors are deemed relevant and important in the consideration of the specific use permit.
 - All UDC Requirements have been met for the application.
 - Schertz EMS, Fire, and Police Departments have reviewed the application and did not provide an objection.
 - The proposed development will need to consider the TxDOT FM 3009 Flyover project in their site layout.

Staff Recommendation

Staff recommends approval of the requested Specific Use Permit to allow Automobile Repairs and Service, Major in General Business District (GB), conditioned upon the following:

1. The following uses are not permitted: Wrecker or towing service with on-site storage of vehicles; collision services including body, frame, or fender straightening or repair; customizing or painting; vehicle steam cleaning; insurance estimations with on-site storage; undercoating and rust proofing, and other similar uses to be allowed on site.
2. A building permit is approved within (3) years of the adoption of the Specific Use Permit Ordinance in accordance with Unified Development Code Article 5, Section 21.5.11.F Expiration of Specific Use Permit and allowing for the development process due to the subject property location on FM 3009 and consideration by TxDOT

Planning and Zoning Commission Recommendation

The Planning and Zoning Commission held a public hearing for the item on August 5th, 2026, and made a recommendation of approval with the conditions as proposed by Staff, to City Council with a unanimous vote.

CITY COUNCIL MEMORANDUM

City Council Meeting: **October 13, 2026**
Department: **Executive Team**
Subject: **Workshop to provide consensus on goals for CVLGC water rights (Deputy City Manager Brian James)**

BACKGROUND

On September 15, 2026, City Council held a workshop to discuss future water demand and supply. During this workshop, discussion occurred regarding the role CVLGC could play in providing water. As part of ongoing discussions by the CVLGC Board, staff is seeking insight from Council into the priorities associated with Schertz' portion of the water lease rights. Factors include: how council prioritizes retaining "ownership" of the water rights, leasing the water rights, all the water rights, part of the water rights, the cost of eventually having access to the water, getting value for the cost to the city associated with these water rights, ensuring the water serves Schertz vs another community, etc. Having a better understanding of the priorities will allow staff to better discuss and evaluation potential options.

October 2026 Project Updates

CITY COUNCIL MEMORANDUM

City Council Meeting: October 13, 2026

Department: City Manager

Subject: Update on Major Projects in Progress

Background

This is the monthly update on large projects that are in progress or in the planning process. This update is being provided so Council will be up to date on the progress of these large projects. If Council desires more information on any project or on projects not on this list, please reach out to staff and that information will be provided.

Facilities Projects:

1. Fleet Building Parking Lot

Project Description – Pave the open grassy area located at 27 Commercial Place

- Project Status: Site Plan Development and Construction Design
- Projected Completion: To be determined
- Consultant: Unintech Consulting Engineers, Inc.
- Contractor: To be determined

Project Update: This project has been pushed back due to the need to reallocate funding from this project to help fund the repairs of the retention wall and pavers at the Schertz Library. In the interim, Public Works has graded a small area of the lot to provide additional improved surface for parking and storage of vehicles and equipment in order to comply with the City's regulations regarding the use of unimproved surfaces.

2. Library Retention Wall (Pavers)

Project Description – Replacing the failing plastic panels around the library foundation with concrete panels. This includes removal and replacement of some of the concrete pavers in the rear courtyard.

- Project Status: Design
- Projected Completion: Fall 2027
- Project Cost: \$350,000
- Consultant: Unintech Consulting Engineering
- Contractor: To be determined

Project Update: Staff is in the process of scheduling a "notice of intent to bid" meeting for the project. The intent is to have a dialog with prospective bidders to explain the project and receive feedback from them on how the bid package could be improved. The bid package will be revised and the project re-bid.

3. Fire Station 4

Project Description – Fire Station 4 Build

- Project Status: Still on schedule for completion. No issues with minimal need for change orders.
- Projected Completion: March 2027
- Total Project Cost: Estimated \$13.25 million
- Building Cost: \$9.75 million
- Consultant: AGCM – Owner Rep
- Architect: Martinez Architecture
- Contractor: Marksman Construction – CMAR

Project Update: Walls are all closed in and interior of building getting all sheetrock up. All stone has been put up and working on brick around the building. Store front for entry and back of dayroom is in. Working on getting wiring run into the building and then throughout the building. Permanent water has been established. Finalizing technology package has been finalized and waiting on pricing. Things are progressing better than we could ask for.

4. FM 78 Build Out PD CID Property Room

Project Description – Remodel a portion of the County Building that PD will utilize for CID and Property.

- Project Status: Approved by the County
- Projected Completion: TBD
- Consultant: AG/CM (Owners Representative)
- Contractor: Koehler/ Martinez (In negotiations)

Project Update: Contractor interviews were completed and the top was selected and in negotiations with Koehler/ Martinez. Due to ongoing discussions with the county, it was also determined the design will be altered to remove the sallyport door that was planned for temporary vehicle storage and processing. No completion date has been set yet, but we are looking towards the end of 2027 for project completion.

5. Police Department Building Remodel

Project Description – Remodel office areas within building #6 where the Police Department operates. Areas to remodel may include the current CIS division, P&E holding area, and possibly other offices along that hallway.

- Project Status: Once the FM 78 project is nearing completion, we can move forward.
- Projected Completion: TBD
- Consultant: TBD
- Contractor: TBD

Project Update: On hold until administrative tasks with the FM 78 build-out for the property room and CID are complete.

6. HVAC Replacement

Project Description – Replacing aged HVAC units at the following locations City Hall (5 units), Council Chambers (1), Library (9) and YMCA (11).

- Project Status: In progress
- Projected Completion: estimated August 2026
- Contractor: Way Mechanical

Project Update: The installation and replacement of the Council Chambers, Library, and YMCA HVAC units have been completed and passed inspection. All of the units at City Hall have been replaced. The contractor discovered additional repairs are needed for a compressor; this work is expected to be completed the week of October 5th – 9th

Drainage Projects:

1. FM 78 South Channel Silt Removal

Project Description – Silt removal for the existing FM 78 South Drainage channel to include permitting, easement acquisition and construction.

- Project Status: Easement Acquisition
- Projected Completion: Spring 2027
- Project Cost: Design \$32,100, Drainage Report \$4,600
- Consultant: Unintech Consulting Engineers, Inc.
- Contractor: TBD

Project Update: No change from the last update. Easement negotiations are continuing with the property owners. After easements are acquired, the project will be rebid, and construction will proceed.

2. Pickrell Park & FM 1518 Drainage

Project Description – Installation of underground drainage, upgraded creek outfalls and provide localized surface drainage swales. Sanitary sewer relocation within areas of conflict with proposed drainage improvements

- Project Status: Preliminary Engineering Study
- Projected Completion: TBD
- Project Cost: \$41,987 - \$47,500 NTE (study only)
- Consultant: Unintech Consulting Engineers, Inc.
- Contractor: TBD

Project Update: Unintech has provided a final report, and it has been reviewed and approved by staff. This report will be used to develop a future drainage and sewer project as funds become available.

3. Wendy Swan Drainage

Project Description – Removal of an existing concrete retaining wall, install underground drainage and fill to grade with localized surface drainage.

- Project Status: Design
- Projected Completion: Summer 2026
- Project Cost: Design \$108,500 (\$125,000 NTE), Construction Estimate \$800,000
- Consultant: Unintech Consulting Engineers, Inc.
- Contractor: TBD

Project Update: Staff has received final plans and specifications. Staff has received the signed temporary access agreement from the abutting property owner. Staff is moving forward with bidding the project later this month.

4. Friesenhahn Lift Station Drainage Improvements

Project Description – Drainage study of Friesenhahn Lift Station site will be performed and used to develop plans for construction of recommended improvements to remedy poor drainage conditions around the site.

- Project Status: Study and Design
- Projected Completion: TBD
- Project Cost: Design \$74,815 Construction Estimate TBD
- Consultant: Utility Engineering Group
- Contractor: TBD

Project Update: UEG has revised their report on the drainage deficiencies surrounding the lift station and will begin the design for improvements. A separate study will look at all of the lift station sites in the Northern Schertz area for capacity and proposed upgrades. The locations of some of the gravity

mains and manholes discharging into the Friesenhahn lift station have been discussed in the drainage report but will be further analyzed in the capacity report.

5. Weir Road Cibolo Creek Crossing

Project Description – Repair and Improvement of the Weir Road Crossing of Cibolo Creek

- Project Status: Design Proposal
- Projected Completion: TBD
- Project Cost: Initial Estimate of Interim Design - \$150,000
- Consultant: Halff and Associates
- Contractor: TBD

The improvement of the low water crossing of the Cibolo has been on the City's Capital Improvement Plan and was scheduled for the years between five and ten years out. After recent rain events, it was discovered that the structure of the crossing is severely damaged and must be closed to all traffic until repaired. Staff is working on a task order with Halff to prepare a design for restoration of the crossing as an interim solution to allow traffic to flow across the creek. Additional work is planned to identify a more substantial improvement of the crossing so that it can remain open during more frequent storm events.

Water and Wastewater Projects:

1. Woman Hollering Creek Wastewater Interceptor Main and Lift Station

Project Description – Design and construction of a sanitary sewer system to collect and convey wastewater to the future CCMA water reclamation plant off Trainer Hale Road in Southern Schertz. The system consists of approximately 19,000 linear feet of 30" gravity wastewater line running generally along Woman Hollering Creek from the existing Sedona lift station on FM 1518 to a new lift station on IH 10 and approximately 6,000 feet of force main from the lift station to CCMA plant. It also includes an additional 18" gravity line approximately 1,500 feet in length that will first serve the Hallie's Cove Subdivision. The system is necessary for the new CCMA plant to begin operation and to allow the existing Woman Hollering Lift Station at Sedona to be taken out of service.

- Project Status: Construction
- Projected Completion: Fall 2026
- Project Cost: Engineering/Design \$1,187,594, Land purchases, ROW, legal and advertising \$700,810, Construction \$11,200,000, and miscellaneous costs for a project total of \$13,088,404
- Design Engineer: Cobb Fendley & Associates, Inc.
- Owner's Representative: AGCM, Inc.
- Contractor: Thalle Construction Co, Inc.

Project Update: The collection and conveyance system including the lift station was put into operation March 3, 2025. The CCMA South Plant is operational. The contractor continues to work on correction of items identified on the punchlist for the project to be completed. Of that list, the pump issues have been addressed, relocation and elevation of main disconnect is underway and waiting for a task completion by CPS, and repair of settling crane foundation and subsequent crane operational testing is pending. It is still estimated that the remainder of the work on the project may still take several months to complete but as stated, the project is operational.

2. Riata Lift Station Relocation

Project Description – Relocation of the Riata Lift Station ahead of TxDOT's IH 35 NEX project to remove it from conflict with the proposed highway improvements. The design phase included identification of a new site for the lift station, design of new lift station and design of the abandonment

of the existing lift station. Property and easement acquisitions were required. The new lift station is needed to maintain sewer services.

- Project Status: Begin Construction 4th Quarter of 2024.
- Projected Completion: Summer 2026
- Project Cost: Design & Acquisition of easements and existing lift station \$478,000; Construction: \$2,800,000
- Consultant: Utility Engineering Group, PLLC
- Contractor: Keystone Construction

Project Update: Staff and UEG continue to discuss with the contractor and their sub-contractor regarding the trees that were previously planted and their replacement, however due to the ongoing work fronting the lift station on IH 35 we plan to discuss with the Planning staff if we can defer the trees to a later time. The construction of the lift station is complete. Staff and UEG are still working with TxDOT for approval of final reimbursement.

Riata Lift Station Location

3. FM 1518 Utility Relocations

Project Description – Relocation of water and sewer utilities to avoid conflicts as part of the TxDOT FM 1518 Improvement Project.

- Project Status: Construction
- Projected Completion: The City's utility relocation portion of the project is expected to be completed in the Fall of 2026.
- Project Cost: Design NTE \$980,000, Construction Joint Bid \$8,986,837/Aztec 16" Line \$884,270
- Consultant: Halff Associates, Inc.
- Contractor: SER Construction Partners (TxDOT's General Contractor)/Qro Mex Construction (Aztec 16" Line-completed)

Project Update: SER has completed a temporary tie-in to place a section of water line into service from Schaefer Rd to just north of Lisa Meadows. SER has also been working on water and sewer relocations near FM 78.

4. Corbett Ground Storage Tank

Project Description – Construction of a new 3-million-gallon Ground Storage Tank (GST). The GST will be used to fill the existing Corbett Elevated Storage Tank and provide additional water storage capacity. This new GST will receive water directly from the Schertz Seguin Local Government Corporation.

- Project Status: Construction Phase
- Projected Completion: Summer 2026
- Project Cost: Design \$547,100, Construction \$8,665,220
- Consultant: Unintech Consulting Engineers
- Contractor: Pesado Construction Co.

Project Update: Pesado is completing some signage required by CPS. Staff is completing its review of the provided O&M manuals.

5. Water Loop Lines

Project Description – Install 12” water main lines to provide a looped distribution system from Ware Seguin to Lower Seguin and Pfeil Road to N Graytown Road.

- Project Status: Design/Easement Acquisition
- Projected Completion: Fall 2026
- Project Cost: Design NTE \$254,974, Construction Estimate \$4,400,000

Project Update: The section of water line along IH 10 between Pfeil and N. Graytown roads was bid on August 27th. Five (5) bids were received. Staff and Unintech have provided a recommendation of award to RL Jones.

6. IH 35 NEX-North Utility Relocations

Project Description – Relocation of water and sewer utilities to avoid conflicts as part of the TxDOT IH 35 NEX project.

- Project Status: Design - Construction
- Projected Completion: Joint Bid Construction is planned for Fall 2027
- Project Cost: Design & Easement Acquisition Services - \$1,250,000
- Project Cost: Construction Sewer Only - \$1,787,074 (\$2,000,000 NTE)
- Consultant: Halff Associates, Inc.

Project Update: No new updates - Blackrock Construction continues the sewer construction effort along IH 35. Halff is working to revise plans of a sewer crossing of IH 35 due to conflicts discovered with other utility providers. This is being coordinated with the contractor, TxDOT, and the other utilities to ensure a change in the vertical alignment does not create any other concerns. Once these plans are approved, Blackrock will continue with the bore to install the sewer line casing.

7. Robin Hood Way Waterline Replacement

Project Description – Replacement and upsizing of water line in Robin Hood Way, Sherlock Lane, and Nottingshire. The main replacement is to increase flows in the area, particularly to meet fire flow requirements. The project also includes street resurfacing and rehabilitation work that was previously removed from the SPAM project.

- Project Status: Design
- Projected Completion: Fall 2027
- Project Cost: \$5,350,000
- Consultant: Kimley- Horn & Associates

Project Update: No change from last update. The additional survey work has been completed, and our consultant is revising the project plans. Some value engineering is also ongoing with the proposed street work in the project. We anticipate having the project plans received and reviewed by the end of October. Due to the streets costs coming in higher than expected, the street work may be removed from the project and bid as a separate project when additional funding is available.

8. Bell North Sewer Extension

Project Description – Ten commercial properties on the west end of Bell North Drive are served by private grinder pumps that pump into a public wastewater force main that discharges into a manhole near 17316 Bell North Drive. This project is the construction of a gravity sewer main within Bell North Drive that will flow toward and discharge into the main on Doerr Lane.

- Project Status: 90% Completion
- Projected Completion: Winter 2026
- Project Cost: Design \$95,000
- Project Cost: Construction \$513,900 (\$575,000 NTE)
- Consultant: Freeland Turk Engineering Group LLC
- Contractor: RL Jones, LP

Project Update: Freeland Turk has completed the survey of the two businesses and is in the process of designing a method to disconnect the on-site septic systems and tie into the newly installed sewer main. We anticipate a preliminary design to be received by the end of the month.

9. Northcliffe Country Club Estates Water and Wastewater Main Replacement

Project Description – replacement of the water and wastewater mains and rehabilitation of the streets in the Northcliffe Country Club Estates subdivision.

- Project Status: Design
- Projected Completion: Fall 2027
- Project Cost: \$8,733,400 (estimated)
- Consultant: Unintech Consulting Engineers, Inc.

Project Update: Staff has reviewed the latest plan revision and provided feedback to our consultant. The bid package is being assembled, and the project will be going out to bid this month.

10. Cibolo West Wastewater Trunk Main

Project Description – Installation of approximately 21,680 LF of gravity wastewater trunk main that will collect wastewater at the location of the Saddlebrook Wastewater Lift Station as well as areas north of Schaefer Road and convey flows south along a route including along Weir and Trainer Hale Roads and the west side of Cibolo Creek to the CCMA South Water Reclamation Plant. Having this line in place will ultimately allow the decommissioning of the Corbett and Saddlebrook Lift Stations. The project is a collaboration between the City of Schertz and Green Valley Special Utility District (GVSUD).

- Project Status: Easement Acquisition
- Projected Completion: Fall 2027
- Total Project Cost: \$26,743,000
- Consultant for Route Study: Lockwood, Andrews, & Newnam, Inc.
- Consultant for PER and Easement Acquisition: Halff Associates, Inc.

Project Update: No change from last update. Staff are reviewing the scope and fee proposal from Halff to prepare a preliminary engineering report and easement acquisitions. Staff plans to present the results of the route study and bring the PER task order to Council during a coming meeting.

11. Elevated Storage Tank Pipe Replacement and Tank Painting

Project Description – Rehabilitation of vertical fill and drain line piping in the East Live Oak and Northcliffe elevated storage tanks due to increased signs of fatigue at the welded joints. The project also includes the painting of the interior and exterior of the East Live Oak and Northcliffe elevated tanks and the Ware Seguin ground storage tank.

- Project Status: Design
- Projected Completion: Design expected to be complete by Fall 2026.
- Total Project Cost: \$2,600,000 Estimated Total
- Consultant for Study: Unintech Consulting Engineers, Inc.

Project Update: No changes since last update. Staff has provided their preference on pipe materials to replace the damaged riser piping. Unintech will begin work on their design for staff review.

12. Schertz Parkway 16” Water Transmission Main Replacement

Project Description – Replacement of approximately 1,200 linear feet of 16” water transmission main along Schertz Parkway between Mare Way and Maske Road.

- Project Status: Design
- Projected Completion: Winter 2026
- Project Cost: Design \$180,824 (\$245,000 NTE), Easements \$50,000, Construction Estimate \$1,500,000
- Consultant: Unintech Consulting Engineers, Inc.
- Contractor: TBD

Project Update: Final plans have been received. An offer has been made for a necessary easement. Once acquired, the project will move to the bidding stage.

13. FM 3009 18” Water Transmission Main Replacement

Project Description – Replacement of approximately 7,600 linear feet of 18” water transmission main.

- Project Status: Design
- Projected Completion: Fall 2027
- Project Cost: Design \$431,752 (\$550,000 NTE), Construction Estimate (including easement acquisition) \$4,800,000
- Consultant: Unintech Consulting Engineers, Inc.
- Contractor: TBD

Project Update: No change from the last update. Preliminary plans have been reviewed by staff and returned to Unintech for correction and final design.

14. IH 35 Ground Storage Tank and Pump Station

Project Description – Construction of a 3-million-gallon ground storage tank and pump station adjacent to the existing IH 35 elevated storage tank to provide storage capacity that can be filled during non-peak hours of the day.

- Project Status: Design
- Projected Completion: Fall 2027
- Project Cost: Design \$728,068 (\$800,000 NTE), Construction Estimate (including land acquisition) \$13,750,000
- Consultant: Unintech Consulting Engineers, Inc.
- Contractor: TBD

Project Update: Unintech has provided a revised report on the proposed improvements for the ground storage tank. Staff is reviewing these changes and will coordinate with Unintech if additional information is needed prior to beginning design.

15. Dedicated Transmission Main 24"

Project Description – Construction of a 24" dedicated water transmission main to connect the Live Oak water storage facility to the IH 35 storage tank.

- Project Status: Design 90% complete, resuming Easement Acquisition Negotiations
- Projected Completion: to be determined
- Project Cost: Design \$2,502,060, Easement Acquisition \$1,000,000, Construction \$28,572,940
- Consultant: Kimley-Horn & Associates

Project Update: Project has been on hold but is currently planned to resume. We are still pending award of a grant through the Texas Water Development Board (TWDB) Water Supply Infrastructure Grant (WSIG), the application for which was authorized by Council on July 7, 2026. Regardless of grant status, work is being resumed on the project. Staff and the consultant will begin meeting again with property owners to actively negotiate easements needed.

16. Lift Station Decommissioning

Project Description – Decommissioning of Elbel and Whisper Branch Lift Stations including regulatory documentation and physical demolition and abandonment. The project also includes the development of a lift station decommissioning standard guidance document that can be used by the City for future lift station decommissioning projects.

- Project Status: Design
- Projected Completion: TBD
- Project Cost: Design \$49,635 Construction Estimate TBD
- Consultant: Utility Engineering Group
- Contractor: TBD

Project Update: UEG is working on the final design of the decommissioning plans. Once received and approved by staff the project will begin the bidding stage.

Street Projects:

1. Main Street Improvements Project

Project Description – The project will improve sidewalks, provide street lighting, way-finding signage, landscaping, utility relocations, and architectural elements such as decorative concrete, decorative lighting, screening, and area signage. This project will also replace aging water and sanitary sewer mains and reconstruct the street with a new, stronger pavement section. Additionally, Lindbergh between Main and Exchange will be reconstructed.

- Project Status: Design
- Projected Completion: Fall 2028
- Project Cost: \$25,880,893
- Consultant: Kimley- Horn Associates

Project Update: Utility outreach is still ongoing, but the majority of the known conflicts have been addressed. The new water main, sewer main, and duct bank alignments have been established. This information has been provided to the other utility companies so they can do a double-check of their relocation plan efforts. Staff and our consultant met with TXDOT to affirm some of the project elements and continue our coordination effort with them. With the water, sewer, and duct bank alignments being finalized, a final coordination check with GVEC will be done to confirm their easement needs. This will allow Staff to start doing the public outreach and easement acquisition efforts by the end of this year.

2. Lookout Road Reconstruction

Project Description – The project involves reconstruction of Lookout Road from Schertz Parkway to Doerr Lane. A traffic signal at the Lookout Road/Schertz Parkway intersection will also be installed. The project also includes the replacement and upsizing the existing sanitary sewer main in Lookout Road from Doerr Lane to Schertz Parkway.

- Project Status: Design
- Projected Completion: Fall 2027
- Project Cost: Design \$571,000 (\$20,000 from Selma), Construction estimate \$6,738,092 (\$100,000 from Selma)
- Design Consultant: Halff Associates, Inc.

Project Update: No change from last month. The design amendment to shift the Schertz Parkway alignment will be on the Council agenda for approval later this month. Paperwork has been received from CAT for the Right-of-Way parcel at their corner of Doerr Lane and Lookout Road. A formal closing on the parcel is being scheduled. Staff anticipates the project being bid before the end of this year.

3. Lower Seguin Road Reconstruction

Project Description – The project will reconstruct a 2.9-mile segment of Lower Seguin Road to widen and improve the street to the section identified in the Master Thoroughfare Plan. The City intends to pursue Federal DCIP funding for project construction.

- Project Status: Design
- Projected Completion: Fall 2028
- Project Cost: \$18,200,000
- Consultant: Halff Associates, Inc.

Project Update: We were unsuccessful with our DCIP application. We will be re-applying for DEAG funding later this month to help fund the project. Staff is working with the consultant to revise the project estimate and focus on moving the project forward towards construction as quickly as possible. If other funding sources become available while this effort is ongoing, we may consider trying to pursue them, but we're not intending to delay work on the project for additional funding opportunities.

4. Buffalo Valley South Resurfacing and Rehabilitation and Utility Replacements

Project Description – Water and sanitary sewer main replacements and street rehabilitation of Buffalo Valley South, specifically Mill Street, 1st St, 2nd St, Bowman St, Lee St, Church St, Zuehl St, and Wuest. PCI data was used to select the streets in the project. Project will be funded with a combination of SPAM funding (for the street rehabilitation) and ARP funding for the utility replacement.

- Project Status: Construction
- Projected Completion: April 16 (Substantial Completion)

- Project Cost: \$5,977,000
- Design Consultant: Unintech Consulting Engineering
- Contractor: E-Z Bel Construction, LLC

Project Update: The contractor is still working on some of the punch list items for the project.

5. Boenig Drive Reconstruction

Project Description – Reconstruction of Boenig Drive between Ware Seguin Road and Graytown Road. The reconstruction includes reconfiguration of the intersection with Ware Seguin Road to improve efficiencies and eliminate having two street intersections side-by side on Ware Seguin Road.

- Project Status: Design
- Projected Completion: Spring 2027
- Project Cost: \$3,240,000
- Consultant: Unintech Consulting Engineers, Inc.

Project Update: No change from the last update. The utility conflicts have been fully identified and explained to the utility companies. CPS is in the process of going through their process to relocate their facilities out of the way of the project. Their process is expected to take a few months to complete, which will cause a delay in getting the project out to bid. We anticipate bidding the project in early January. If CPS is able to complete their work sooner, we will be able to bid the project sooner.

6. 2024 SPAM Rehabilitation

Project Description – Rehabilitation of St. Andrews, Maple, and part of the Silvertree Subdivision streets. Rehabilitation involves removing the existing pavement, applying cement stabilizing to the material underneath, and placing a new layer of pavement on the street.

- Project Status: Construction
- Projected Completion: August 20, 2026 (Substantial Completion)
- Project Cost: \$3,581,000
- Consultant: Kimley-Horn Associates
- Contractor: E-Z Bel Construction, LLC

Project Update:

The contractor is still working on some punch list items for the project. Some punch list items have been completed.

7. 2025 SPAM Resurfacing

Project Description – Resurfacing of the streets in The Village Subdivision. Resurfacing involves performing localized concrete repairs; base repairs; asphalt level up; crack sealing; and applying a slurry seal to the surface of the streets.

- Project Status: Design
- Projected Completion: Summer 2027
- Project Cost: \$1,282,231
- Consultant: Kimley-Horn Associates

Project Update: No change from last month. The original project scope was reduced to one subdivision to stay within budget and to provide some funding to help fund the increased cost street work in the Northcliff Country Club Estates project. This resurfacing work will be “bundled” with the Savannah Drive Overlay, the 2026 SPAM Resurfacing project and the TSAC crosswalks.

8. Kramer Farm Rehabilitation

Project Description – Rehabilitation of the western streets in Kramer Farm Subdivision. Rehabilitation involves removing the existing pavement, applying cement stabilizing to the material underneath, and placing a new layer of pavement on the street.

- Project Status: Design
- Projected Completion: Summer 2027
- Project Cost: \$1,446,582
- Consultant: Kimley-Horn Associates

Project Update: No change since last month. Final plan changes are almost complete, and the project is expected to go out for bids later this month.

9. 2026 SPAM Resurfacing

Project Description – resurfacing of the streets in the Woodbridge and Rio Vista Subdivisions. The project also includes the TSAC-recommended crosswalk improvements.

- Project Status: Design
- Projected Completion: Summer 2027
- Project Cost: \$1,780,000
- Consultant: Kimley-Horn Associates

Project Update: Because we're now in the FY 26-27 budget, the \$2,000,000 funding provided for SPAM in the budget will be used to restore some of the areas that were removed from the project because of budget constraints. The goal is to restore as much of the work as the additional funding will allow. Areas that can't be completed with this effort, will be included in the next resurfacing project. The work will be "bundled" with the 2025 SPAM, Savannah Mill and Overlay, and the TSAC Crosswalk work to take advantage of economies of scale.

10. Savannah Drive Overlay

Project Description – Resurfacing of Savannah Drive from the Selma City Limits to FM 3009.

- Project Status: Construction
- Projected Completion: Spring 2027
- Project Cost: \$1,460,000
- Consultant: Kimley-Horn Associates

Project Update:

The project plans are still being updated. Once the updates are complete the bid package for this work, the 2025 and 2026 SPAM projects, and the TSAC crosswalks will be created and bid as a single construction project.

11. FM 3009 Overpass

Project Description – TxDOT project for overpass construction at the FM 3009/FM 78 intersection to elevate the main lanes of FM 3009 over the railroad tracks and FM 78. On and off ramps will be provided so vehicles can travel between FM 3009 and FM 78 at the intersection. The project includes some improvements to FM 78 to improve operational efficiencies of the on and off ramps.

- Project Status: Schematic Design and Environmental Clearance
- Projected Completion: TBD
- Project Cost: \$100,000,000 (TxDOT)
- Consultant: Kimley-Horn Associates

Project Update:

TxDOT is planning an open house for the project in mid-November. Work continues on the environmental clearance for the project. TxDOT expects to have the project environmentally cleared by the end of the year. Once they have this, they will proceed with final design and Right-of-Way acquisition.

12. Intersection of Wiederstein Road and Schertz Parkway

Project Description – Signalization of the Intersection of Wiederstein Road and Schertz Parkway

- Project Status: Preliminary Evaluation
- Projected Completion: TBD
- Project Cost: TBD
- Consultant/Contractor: TBD

Project Update: With new development in the vicinity of this intersection – particularly the Heritage Oaks Subdivision and Schertz Fire Station #4 – it is highly likely that full signalization of this intersection will be warranted. Staff will begin evaluation of the steps necessary to plan and implement intersection improvements proactively.

Parks & Recreation Projects:

1. Schertz Soccer Complex Irrigation Water Storage Project

Project Description – Upgrading electrical components, upsizing well pump and piping, and adding storage capacity for irrigation of the Schertz Soccer Complex.

- Project Status: Completed
- Project Cost: \$200,000 (estimated total)
- Consultant: Unintech Engineering
- Contractor: Kutscher Drilling and Specified Water Systems

Project Update: The tank has been installed, filled with water, and is working as designed. Minor punch list items are being addressed, but the system is operating. Staff is working on programming the watering windows to convert them all to evening hours now that there is added capacity.

I.T. Projects:

1. Asset Management- Work Order System – Open Gov

Project Description- Replace the current work order and asset management systems

- Project Status: In progress
- Projected Completion: Fall 2025
- Project Cost: Approximately \$470,000
- Contractor: Open Gov

Project Update: Parks, Street, and Drainage staff are gearing up to go-live October 19th. All information that is currently in the sandbox environment will be transferred over into production the week of October 12th – 16th. Staff continue to meet weekly with OpenGov to go over Project Status updates and trainings.

Studies and Plans:

1. Master Thoroughfare Plan and Roadway Impact Fee Update

Project Description – Update to City’s Master Thoroughfare Plan and Roadway Impact Fee Program.

- Project Status: Study
- Projected Completion: Schedule Pending
- Total Project Cost: \$149,460 (\$170,000 NTE)
- Consultant for Study: Kimley-Horn Associates

Project Update: The draft fee report is expected to be complete by the end of the month. Focused outreach group meetings and the city-wide open house were held for the Master Thoroughfare Plan (MTP). The revised MTP will be adjusted based on feedback from the outreach meetings, then presented to the Planning and Zoning Commission for review and recommendation. After this, the MTP will be presented to Council for approval. A separate approval track will be done for the Impact Fee report.

2. Southern Schertz Interim Sewer Service Study

Project Description – Until the completion of expansion of the CCMA South Water Reclamation Plant, treatment capacity in southern Schertz is severely limited. This project is a study to identify potential short-term and long-term sewer service treatment options for the City’s southern service area.

- Project Status: Study
- Projected Completion: Schedule Pending
- Total Project Cost: \$59,695
- Consultant for Study: Utility Engineering Group

Project Update: Staff is continuing to pursue potential solutions to provide interim capacity. It was determined that a temporary package treatment plant is likely not a viable option due to a conflict with CCMA’s current and future permits for discharge in the same watershed (mid Cibolo Creek). Pump and haul scenarios are being evaluated for some developments.

3. Regional Flood Planning

Staff has been collecting and sharing information including previous studies, maps, photographs, and anecdotal accounts of flood events with the AECOM, the consultant preparing the Flood Management Evaluation (FME). Progress meetings are being scheduled. A future public meeting is planned for the early December; staff will work with the consultant to notify residents and schedule.

TxDOT Roadway Projects:

Note: If links do not work, please contact engineering@schertz.com

- 1. FM 1103 Improvement Project:** Construction officially began in November 2022 and was originally expected to be complete in fall 2026. Minor progress is being made on the roadway while utility relocation continues. General project updates are available by signing up at this link: [FM 1103 Construction Newsletter](#)
- 2. FM 1518 Improvement Project:** SER Construction, LLC, formally began construction on April 9, 2024. The contractor has leased property owned by the City on Schaefer Road to stage construction activities. The first few months of the project will be mainly underground utility construction and will mostly take place outside travel lanes. While there may be some delays, major traffic disruptions should not be experienced much during this phase of the project. The project is currently anticipated

to be completed in 2028. Updates regarding the FM 1518 project are available by visiting and subscribing at the following link: [FM 1518 Expansion](#)

3. **IH-35 NEX (I-410 South to FM 1103):** The central segment of the I-35 Northeast Expansion project continues with Alamo NEX Construction handling the design-build project. The central section runs from 410 N to FM 3009. Utility coordination work for the northern segment of the project is underway. TxDOT consultants have met with Public Works and Engineering Staff to begin establishing relocation needs. The City will be reimbursed for the costs of all relocations needed except for any upsizing or improvements above current conditions. Updates about the project can be obtained by signing up at the following link: [I 35 NEX Project Updates](#)
4. **IH-10 Graytown Road to Guadalupe County Line: Work** for the widening of the main lanes and utility relocations continues. Work on the FM 1518 bridge over IH 10 continues and will involve numerous episodes of the rerouting of traffic including shifting lanes and detours as necessary. Updates regarding the IH 10 project are available by signing up at the following link: [IH 10 Expansion Information](#)
