RE: 7530 FM 482, New Braunfels, TX 78132

To Whom It May Concern:

The nearest sewer mains are approximately 850 feet from this property. As this project submittal pertains solely to platting, with no proposed development at this time, we respectfully request a waiver from the requirement to connect to the sewer system. We acknowledge that if sewer is brought to this site at a future time, the City of Schertz expects us to connect to the sewer system at that time.

If you have any questions please contact Fae Hunter at cookeng@sgce.net or at 210-695-0656.

Sincerely,

Jacqueline Wood
