Line Item Veto Memo

Line-Item Veto

The Mayor of the City of Sheridan, Roger Miller, hereby executes and issues a Line-Item Veto pursuant to W.S. § 15-3-201. Resolution 24-18 adopting the City of Sheridan Fiscal Year 2019 Budget, "Budget", was set and presented before the City of Sheridan City Council, "Council", on June 18, 2018 in in an open hearing.

The Budget was presented at the hearing for public comment and properly presented to Council. The Budget was properly moved and seconded for discussion and approved by a vote of 5-1 with the Mayor being the sole dissenting vote.

The Mayor, in the open meeting after approval of the Budget, announced that he would be executing a Line-Item Veto on the Budget on certain matters. Per statute, the Mayor is required to present to Council his written objection and basis concerning the Budget Item vetoed.

Per W.S. § 15-3-201, the Mayor declares that the following Item of the Budget is vetoed:

- Budget Line item #27 in Water Department, Sheridan Water Treatment Plant section of City of Sheridan FY 2019 budget pertaining to purchasing of fluoride, specifically in the amount of $16,000.
- Budget line item #26 in Water Department, Big Goose Water Treatment Plant section of City of Sheridan FY 2019 Budget pertaining to purchasing of fluoride, specifically in the amount of $5,000.
- Budget Line item #11 in Water Department, Sheridan Water Treatment Plant section of City of Sheridan FY 2019 budget pertaining to utilities for the administration of fluoride, specifically in the amount of $350 for power.
- Budget Line item #12 in Water Department, Big Goose Water Treatment Plant section of City of Sheridan FY 2019 budget pertaining to utilities for the administration of fluoride, specifically in the amount of $100 for power.

The Mayor's objection and reasoning for the veto of the stated Item is: Fluoride is an unnecessary expense of the City and community. Providing fluoride in the SAWS/City water system is an unresolved issue that should be voted on by the Sheridan Community.

Dated this 22nd day of June, 2018.

Line Item Veto Memo

Line-Item Veto

The Mayor of the City of Sheridan, Roger Miller, hereby executes and issues a Line-Item Veto pursuant to W.S. § 15-3-201. Resolution 24-18 adopting the City of Sheridan Fiscal Year 2019 Budget, "Budget", was set and presented before the City of Sheridan City Council, "Council", on June 18, 2018 in in an open hearing.

The Budget was presented at the hearing for public comment and properly presented to Council. The Budget was properly moved and seconded for discussion and approved by a vote of 5-1 with the Mayor being the sole dissenting vote.

The Mayor, in the open meeting after approval of the Budget, announced that he would be executing a Line-Item Veto on the Budget on certain matters. Per statute, the Mayor is required to present to Council his written objection and basis concerning the Budget Item vetoed.

Per W.S. § 15-3-201, the Mayor declares that the following Item of the Budget is vetoed:

The amount of salary increase identified in Budget Line item #2 of the Administration section of FY 2019 City of Sheridan Budget pertaining to the City Administrator salary as outlined in the Condrey Salary study. Specifically that annual amount is $2,210.28.

Line in Condrey line pertaining to City Administrator salary:

Name	New Title	HMOS	HDAY	HYR	Current Annual Salary	Current Montly Salary	New Grade	New Step	New Salary	Equity Code	New Salary + Equity	$ Diff	Final Montly Salary	Final Hourly Salary	Final Step	# of Steps
Collins, Mari	City Adminis	11	30	2016	$137,427.10	$11,452.26	28	L	$137,913.46	B	$139,637.38	$2,210.28	$11,636.45	$67.13	M	1

The Mayor's objection and reasoning for the veto of the stated Item is: This is an unnecessary expenditure to be included in the budget and the Condrey scale for employees. The City Administrator has a complete pay and benefits package in the three year contract with the City of Sheridan, Charter Ordinance 2158 states in section I. (a) that the City Council shall set the salary from year to year. I believe this statement in this ordinance was intended to ensure there are no conflicts of interests of the City Administrator and minimize potential of impropriety between the City administrator, the department heads and staff positions.
