Plan of Operation

2024

It is the plan of operation for the Kalif Shrine to be opened from 4:00-8:30 M-S and 12-6:00 on Sundays.

Our rules indicate that only Kalif Shriners and their Ladies can use the bar. A Shriner may bring a guest but that is the only way a non-member can use the bar. All of our bar-tenders are tip-trained and are over 21 years of age.

We will have Ceremonials the third Saturday of October 2023 and the third Saturday of April 2024. We will have Stag (members and their guests) on the first Friday of the month, except for summer.

We rent out the building to individuals who wish to hold a reception, remembrance, et.al. They must complete a contract and abide by the

House Rules. For instance, people who are renting may not bring their own liquor. All liquor, beer, etc. must be ordered through the bar manager and cost paid to the Kalif Shrine Building Corporation.

PLAN OF OPERATION FOR 2023/24
RENEWAL OF CLUB LICENSE

Name as it appears on license: The Foundry, a Wyoming non-profit corporation

Common Name (doing business as): Foundry

Street Address: 342 Whitney Lane, Sheridan, WY 82801

Phone #: (307) 751-5448

Type of License (circle): ~~Retail~~ Limited Retail-Club ~~Restaurant Bar & Grill~~

Pursuant to City Code Section 4-10, the Applicant's submitted Plan of Operation includes the following information:

1) **An operational statement describing the location and layout of the licensed building, licensed premises and/or dispensing area:** The Foundry is a business/social club for local Sheridan families. In addition to the local charitable work and business development for the Sheridan community, the members also have exclusive access to the 2nd floor of 342 Whitney Lane in that dispensing room described in the attached application, the exterior deck and the private courtyard as their private clubroom (note: the first floor is being developed as a separately owned/operated restaurant). The clubroom is not open to the public. Access to the clubroom is restricted by a coded entry lock known only to members. Non-members are permitted in the clubroom only when in the presence of a member. Inside the clubroom, a small bar (7 seats only) is stocked with malt beverages, wine and alcoholic and non-alcoholic beverages, which are available for self-service by only adult members. If the Foundry holds a special event, a TIPS-trained bar-tender is hired to serve members and their guests at the event. Pre-packaged food obtained from other restaurants are kept in the clubroom for self-serve meal service by members.

2) **Schedule of all days and hours of operation:** The private clubroom is open to only members, seven days per week. Regular business hours are 6 a.m. to Midnight. The clubroom is never opened to the public.

55 Grinnell Street, P.O. Box 848,

Ph (307)674-6483 Fax (307)674-2195

3) **Description of the character and use of the facility (i.e. bar, restaurant, brewery, etc.):** small bar; lounge area; separate dining room comprise the Foundry's clubroom, which is used for a private bar and eating area.
4) **Description of specific alcohol inventory management practices that are relevant to the license at issue:** Inventory is controlled by the operation manager of the clubroom and stocked in the dispensing area for private consumption by the members and accompanied guests. Members pay a membership fee to the Foundry and has the option to consume inventory at a lower-than-retain cost. Inventory is tracked through a point of sale system kept by the operation manager.
5) **Description of specific crowd control and security practices that are relevant to the license at issue**: Because the clubroom is a private, member-only venue not open to the public, crowd control is not an issue like other establishments. The entry door is always locked with access only to members knowing the code. The clubroom rarely has more than six to eight members present at any given time. In the unlikely event any problem should arise at an event, the TIPS-trained bar tender is instructed to call Sheridan PD.
6) Description of other information that is relevant and pertinent to the operation of the Licensee's licensed premises and dispensing area that is reasonably available to the Licensee and that is specifically requested by the City Council at the time or renewal, transfer or issuance of the license. See below.

LEASE AGREEMENT

This Lease is entered into this 20th day of November, 2001, between SUGARLAND DEVELOPMENT COMPANY ("Landlord"), and D & B Liquors LLC, dba Rendezvous Liquor and Lounge ("Tenant" whether one or more.)

1. PREMISES

In consideration of the rents, covenants and agreements contained herein, Landlord leases to Tenant, and Tenant leases from Landlord certain commercial space comprising a part of a building located in the City of Sheridan, County of Sheridan, State of Wyoming, known as Sugarland Village, and described on Exhibit "A" attached hereto.

2. TERM

2.1 Length of Term. The term of this Lease shall be for a period of 36 consecutive full months beginning on the Commencement Date as set forth below.

2.2 Commencement Date and Obligation to Pay Rent. The Commencement Date for this Lease Agreement and Tenant's obligation to pay rent hereunder shall commence on November 20, 2001.

3. SECURITY DEPOSIT

Concurrently with Tenant's execution of this Lease, Tenant shall deposit with Landlord the sum of ONE THOUSAND EIGHT HUNDRED THREE AND NO/100 DOLLARS ($1803.00). Said sum shall be held by Landlord as a Security Deposit for the faithful performance by Tenant of all of the terms, covenants and conditions of this Lease to be kept and performed by Tenant during the term hereof. If Tenant defaults with respect to any provisions of this Lease, including but not limited to the provisions relating to the payment of rent and any of the monetary sums due herewith, landlord may (but shall not be required to) use, apply or retain all or any part of this Security Deposit for the payment of any other amount which Landlord may spend or become obligated to spend by reason of Tenant's default or to compensate Landlord for any other loss or damage which Landlord may suffer by reason of Tenant's default. If any portion of said Deposit is so used or applied, Tenant shall, within ten (10) days after written demand therefor, deposit cash with Landlord in an amount required to keep this Security Deposit separate from its general funds, and Tenant shall not be entitled to interest on such Deposit. If Tenant shall fully and faithfully perform every provision of this Lease to be performed by it, the Security Deposit or any balance thereof shall be returned to Tenant (or, at Landlord's option, to the last assignee of Tenant's interests hereunder) at the expiration of the Lease term and after Tenant has vacated the Premises. In the event of

termination of Landlord's interest in this Lease, Landlord shall transfer said Deposit to Landlord's successor in interest, whereupon Tenant agrees to release Landlord from all liability for the return of such Deposit or the accounting therefor.

4. MONTHLY GUARANTEED RENT

4.1 Minimum Rent

Tenant agrees to pay to Landlord at such place as Landlord may designate, without prior demand therefor and without any deduction or setoff whatsoever, and as fixed minimum rent, the sum of ONE THOUSAND EIGHT HUNDRED THREE AND NO/100($1,803.00) Dollars in advance on the first day of each calendar month during the first year of the term of the Lease. The rent for the 2nd year of the lease term shall be ONE THOUSAND EIGHT HUNDRED FIFTY-SEVEN AND NO/100 DOLLARS ($1857.00). The rent for the 3rd year of the lease term shall be ONE THOUSAND NINE HUNDRED TEN AND NO/100 DOLLARS ($1,910.00). Simultaneously with the execution hereof, Tenant has paid to Landlord the first month's rent, receipt whereof is hereby acknowledged, subject to collection, however, if made by check. In the event the Commencement Date occurs on a day other than the first day of the month, then rent shall be paid on the Commencement Date for the initial fractional month prorated on a per-diem basis.

Tenant also agrees to pay a monthly CAM fee in addition to the minimum rent. This is estimated to be THREE HUNDRED NINETY-FIVE AND NO/100 DOLLARS ($395.00) per month for the year of 2001. This amount might vary as the actual CAM charges vary per the yearly itemized statement. This CAM amount shall be paid on the same schedule as the rent as listed above.

4.2 CPI Adjustment

NOT APPLICABLE

5. PERCENTAGE RENT

NOT APPLICABLE

6. ADJUSTMENTS TO RENT

It is the intent of both parties that the minimum rental herein specified shall be absolutely net to Landlord throughout the term of this Lease, that all costs, expenses, and obligations of every kind relating to the Premises which may arise or become due during the term hereof shall be paid by Tenant as additional rent and that Landlord shall be indemnified by Tenant against such costs, expenses, and obligations. In furtherance thereof, Tenant shall pay as an additional rent, without demand therefor and without setoff or deduction, its proportionate share of expenses and charges as set forth in Section 6.1 - 6.3 below. The "Proportionate Share" of Tenant shall be

obtained by multiplying the expenses in question by a fraction, the numerator of which shall be the square-foot area of the Premises and the denominator of which shall be the square-foot area of all space being used for commercial purposes in the Shopping Center (except that for the purpose of Section 6.1 hereof, the denominator shall be the amount of commercial space footage actually covered by a tax bill, should that amount be less than the square foot area of all space being used for commercial purposes in the Shopping Center).

6.1 Taxes

(a) Tenant shall pay its Proportionate Share of all "Real Estate Taxes" levied or assessed by lawful taxing authorities against the land, buildings, or improvements comprising the Shopping Center.

(b) "Real Estate Taxes" shall mean all taxes, assessments, levies and charges, whether special, extraordinary, or otherwise, whether foreseen or unforeseen, which may be levied, assessed, or imposed upon, on account of or with respect to: (i) the ownership of and/or all other taxable interests in all land situated in the Shopping Center; (ii) all buildings, structures, and other improvements situated thereon; (iii) rents or rental income, whether such tax be levied on the Landlord or the Tenant.

(c) Tenant shall pay one-twelfth of its Proportionate Share of Real Estate Taxes each month in advance on the first day of each month with its payment of minimum monthly rental. The amount of Real Estate Taxes upon which such payment is based shall be the most current notice(s) or assessment or tax bill(s) concerning the entire Shopping Center, or, if there are none, such amount as Landlord may reasonably estimate. Should the taxing authorities include in such Real Estate Taxes, the value of any improvements made by Tenant, or include machinery, equipment, fixtures, inventory, or other personal property of Tenant, then Tenant shall also pay the entire Real Estate Taxes for such items. If the amount paid by Tenant is less than said actual amount due, Tenant shall pay to Landlord the deficiency within ten (10) days after notice from Landlord. A tax bill submitted by Landlord to Tenant shall be conclusive evidence of the amount of Taxes assessed or levied, as well as the items taxed. Tenant at all times shall be responsible for and shall pay, before delinquency, all municipal, county, state, or federal taxes assessed against any leasehold interest or any personal property of any kind owned, installed, or used by Tenant.

(d) Tenant shall also be solely responsible for and shall pay before delinquency all municipal, county, state, or federal taxes assessed during the term of this Lease against any personal property of any kind, owned by or placed in, upon, or around the Premises by Tenant.

6.2 Common Area Expenses

(a) Tenant shall pay to Landlord its Proportionate Share of the Shopping Center's operating cost. The "Shopping Center's operating cost" means the total cost and expense incurred in operating and maintaining the common areas, hereinafter defined, actually used or available for use by Tenant and the employees, agents, servants, customers, and other invitees of Tenant, excluding only items of expense commonly known and designated as carrying charges, but specifically including, without limitation, utility expenses for lighting and operation of air conditioning and heating equipment, personal property taxes and assessments on the common area improvements and equipment; premiums on fire and extended insurance coverage, vandalism insurance, boiler insurance, and plate glass insurance for the common area; maintenance repair and replacement of common area pavement and mechanical equipment; repair, maintenance, and cleaning of the common area structure including floors, ceiling, roofs, skylights, and windows; gardening and landscaping, repairs, line painting, lighting, sanitary control, removal of snow, trash, rubbish, garbage, and other refuse, depreciation on machinery and equipment used in such maintenance, the cost of personnel to implement such services, to direct parking, and to police the common areas, and fifteen (15%) percent of all the foregoing costs to cover administrative and overhead costs. "Common Areas" mean all areas, space, equipment, and special services provided for the common or joint use and benefit of the Lessees or occupants of the Shopping Center, or portions thereof, their employees, agents, servants, customers, and other invitees, including without limitation, parking areas, access roads, driveways, retaining walls, landscaped areas, truck serviceways or tunnels, loading docks, pedestrian malls, courts, stairs, ramps and sidewalks, comfort and first-aid stations, washrooms and parcel pickup stations.

(b) Tenant's Proportionate Share of the Shopping Center's operating cost shall be computed on the basis of periods of twelve consecutive calendar months as designated by Landlord and estimated payments toward the same shall be made by Tenant in equal installments in advance on the first day of each calendar month in an amount to be established by the Landlord. Within sixty (60) days after the end of each twelve (12) month period, Landlord shall furnish to Tenant a statement showing the Shopping Center's operating cost for the preceding period and any adjustments to be made as a result thereof. In the case of a deficiency, Tenant shall promptly remit the amount of such deficiency to Landlord. In the case of a surplus, Landlord shall apply said surplus to payments next falling due from Tenant under this subsection (b).

6.3 Insurance

Tenant shall pay its Proportionate Share of the cost of all insurance procured by Landlord pursuant to Section 24 hereof. Tenant shall pay said Proportionate Share monthly, in advance, at the same time and in the same manner as it pays minimum guaranteed rent. Landlord shall annually provide

a statement of the amount of Tenant's Proportionate Share of such cost, which statement shall set forth the basis for such charge.

7. LANDLORD'S AND TENANT'S WORK

Landlord and Tenant shall perform the work, if any, described in Exhibit "B". All work to be performed by Tenant pursuant to Exhibit "B" shall be constructed by Tenant in a good and workmanlike manner and free of any liens for labor and materials. Tenant agrees to indemnify Landlord and hold Landlord harmless against any loss, liability or damage resulting from such work. Tenant shall have the right to enter the premises and to obtain keys thereto to perform Tenant's work prior to the Commencement Date.

8. MAINTENANCE

8.1 Maintenance and Repairs

(a) Repairs by Landlord. Landlord shall keep in good order, condition and repair the foundations, exterior walls (excluding the interior surface of exterior walls and excluding all windows, doors, plate glass and showcases), canopy, downspouts, gutters and roof of the Premises, and as necessary, or when required by governmental authority, make modifications or replacements thereof, except that Tenant shall make all such repairs, modifications or replacements which become necessary or desirable by reason of Tenant's use of the property or the negligence of Tenant, its customers, invitees or employees, unless and to the extent the damage or loss resulting is covered under the policy of insurance of the Landlord and such loss or damage is paid to or on behalf of Landlord, pursuant to such insurance policy. Landlord shall have no obligation to repair until a reasonable time after the receipt by Landlord of written notice of the need for repairs. Tenant waives the provisions of any law permitting Tenant to make repairs at Landlord's expense. Tenant expressly agrees that the use of roof areas shall be limited to ingress for maintenance purposes only, and that said roof areas shall not be used for storage, inventory and other similar uses.

(b) Repairs by Tenant. Tenant shall decorate, maintain and keep in good order, condition and repair the interior of the Premises, including all heating and electrical equipment, air conditioning equipment, plumbing and sprinkler systems, if any, installed therein, and the improvements and equipment installed by Tenant in the Premises, and shall replace all broken glass, including exterior show windows, with glass of the same or similar quality. Tenant shall make all other repairs, whether of a like or different nature, except those which Landlord is specifically obligated to make under the provisions of Section 8.1 (a) above, and except that Tenant shall not be obligated to make structural repairs to the Premises.

(c) Tenant's Failure to Maintain. In the event Tenant fails to maintain the Premises in good order, condition and repair, Landlord shall give Tenant notice to do such acts as are reasonably required to so maintain the

Premises. In the event Tenant fails to promptly commence such work and diligently prosecute it to completion, then Landlord shall have the right to do such acts and expend such funds at the expense of Tenant as are reasonably required to perform such work. Any amount so expended by Landlord shall be paid by Tenant promptly after demand with interest at ten percent (10%) per annum from the date of such work. Landlord shall have no liability to Tenant for any damage, inconvenience or interference with the use of the Premises by Tenant as a result of performing any such work.

(d) Condition Upon Expiration of Term. Upon the expiration or earlier termination of this Lease, Tenant shall surrender the Premises in the same condition as received, ordinary wear and tear and damage by fire, earthquake, act of God or the elements alone excepted, and shall promptly remove or cause to be removed at Tenant's expense from the Premises and the building any signs, notices and displays placed by Tenant. Tenant agrees to repair any damage to the Premises or the Shopping Center caused by or in connection with the removal of any articles of personal property, business or trade fixtures, machinery, equipment, cabinetwork, signs, furniture, movable partitions or permanent improvements or additions, including without limitation thereto, repairing the floor and patching and painting the walls where required by Landlord to Landlord's reasonable satisfaction, all at Tenant's sole cost and expense. Tenant shall indemnify the Landlord against any loss or liability resulting from delay by Tenant in so surrendering the Premises, including without limitation any claims made by any succeeding tenant founded on such delay.

8.2 Alterations

(a) Tenant shall not make any alterations or additions to the Premises nor make any contract therefor without first procuring Landlord's written consent. All alterations, additions, and improvements made by tenant to or upon the Premises, except light fixtures, signs, electrical equipment, cases, counters or other removable trade fixtures, shall at once when made or installed be deemed to have attached to the freehold and to have become property of Landlord; provided, however, if prior to termination of this Lease, or within fifteen (15) days thereafter, Landlord so directs by written notice to Tenant, Tenant shall promptly removed the additions, improvements, fixtures, trade fixtures and installations which were placed in the Premises by Tenant and which are designated in said notice and shall repair any damage occasioned by such removal and in default thereof Landlord may effect said removal and repairs at Tenant's expense.

(b) All work with respect to any alterations, additions, and changes must be done in a good workmanlike manner and diligently prosecuted to completion to the end that the Premises shall at all times be a complete unit except during the period of work.

(c) Any such changes, alterations and improvements shall be performed and done strictly in accordance with the laws and ordinances relating thereto. In performing the work of any such alterations, additions or changes, Tenant shall have the work performed in such a manner as not to obstruct the access to the premises of any other tenant in the Shopping Center.

(d) Before commencing any such work or construction in or about the Premises, Tenant shall notify Landlord in writing of the expected date of commencement thereof. Landlord shall have the right at any time and from time to time to post and maintain on the Premises such notices as Landlord deems necessary to protect the Premises and Landlord from mechanics' liens, materialmen's liens, or any other liens.

8.3 Installation of Fixtures

It is mutually agreed that in order to expedite the commencement of Tenant's business in the Premises, Tenant may enter upon the Premises for the purpose of installing trade fixtures and furnishings during the construction period; provided, however, that such activity on the part of Tenant shall be done only in such manner as not to interfere with construction and that Landlord shall not be liable to Tenant for damage to or loss of such fixtures, equipment or furnishings, Tenant accepting the full risk for such damage or loss, if any. Tenant shall pay for all utilities consumed by Tenant or its contractors in preparing the Premises for opening of Tenant's business.

9. MECHANIC'S LIEN

10. UTILITIES

Tenant shall be solely responsible for and shall promptly pay all charges for use or consumption for heat, sewer, water, gas, electricity or any other utility services.

11. INDEMNITY

Tenant hereby agrees to defend, pay, indemnify and save free and harmless Landlord, from and against any and all claims, demands, fines, suits, actions, proceedings, orders, decrees, and judgments of any kind or nature by or in favor of anyone whomsoever and from and against any and all costs and expenses, including reasonable attorney's fees, resulting from or in connection with loss of life, bodily or personal injury or property damage arising, directly or indirectly, out of or from or on account of any occurrence in, upon, at or from the Premises or occasioned wholly or in part

through the use and occupancy of the Premises or any improvements therein or appurtenances thereto, or by any act of omission or negligence of Tenant or any subtenant, concessionaire or licensee of Tenant, or their respective employees, agents, or contractors in, upon, at or from its or their negligence. Landlord shall not be responsible or liable for damages at any time for any defects, latent or otherwise, in any buildings or improvements, in the building, nor shall Landlord be responsible or liable for damages at any time for loss of life, or injury or damage to any person or to any property or business of Tenant, or those claiming by, through, or under Tenant, caused by or resulting from the bursting, breaking, leaking, running, seeping, overflowing, or backing up of water, steam, gas, sewage, snow, or ice in any part of the Premises or caused by or resulting from acts of God or the elements, or resulting from any defect or negligence in the occupancy, construction, operation, or use of any buildings or improvements in the building, including the Premises.

12. INSURANCE

12.1 Subrogation

Each party hereto waives its right of subrogation against the other for any reason whatsoever, and any insurance policies herein required to be procured by either shall contain an express waiver of any right of subrogation by the insurer against the other.

12.2 Lenders

Any mortgage lender interested in any part of the Premises may, at Landlord's option, be afforded coverage under any policy required to be secured by Landlord or Tenant hereunder, by use of a mortgagee's endorsement to the policy concerned.

13. CONDEMNATION

13.1 Total Condemnation

If the whole of the Premises shall be acquired or taken by condemnation proceeding, then this Lease shall cease and terminate as of the date of title vesting in such proceeding.

13.2 Landlord's Option to Terminate

If more than fifty percent (50%) of the floor area of the building in which the Premises are located shall be taken as aforesaid, Landlord may, by written notice to Tenant, terminate this Lease. If this Lease is terminated as provided in this subsection, rent shall be paid up to the day that possession is so taken by public authority and Landlord shall make an equitable refund of any rent paid by Tenant in advance.

13.3 Award

Tenant shall not be entitled to and expressly waives all claim to any condemnation award for any taking, whether whole or partial and whether for diminution in value of the leasehold or to the fee, although Tenant shall have the right, to the extent that the same shall not reduce Landlord's award, to claim from the condemnor, but not from the Landlord, such compensation as may be recoverable by Tenant, in its own right, for damages to Tenant's business and fixtures.

14. EVENTS OF DEFAULT, REMEDIES

14.1 Default by Tenant

Upon the occurrence of any of the following events, Landlord shall have the remedies set forth in Section 14.2 of this Lease.

(a) Tenant fails to pay any rental or any other sum due hereunder within ten (10) days after the same shall be due.

(b) Tenant fails to perform any other term, condition, or covenant to be performed by it pursuant to this Lease within ten (10) days after written notice of such default shall have been given to Tenant by Landlord.

(c) Tenant or its agent shall falsify any report required to be furnished to Landlord hereunder.

(d) Tenant or any guarantor of this Lease shall become bankrupt or insolvent or file any debtor proceedings or have taken against such party in any court pursuant to state or federal stature, a petition in bankruptcy or insolvency, reorganization, or appointment of a receiver or trustee; or Tenant petitions for or enters into an arrangement; or suffers this Lease to be taken under a writ of execution.

14.2 Remedies

Upon the occurrence of the events set forth in Section 14.1 Landlord shall have the option to take any or all of the following action, without further notice of demand of any kind to Tenant or any other person:

(a) Immediately re-enter and remove all persons and property from the Premises, storing said property in a public place, warehouse, or elsewhere at the cost of, and for the account of, Tenant, all without service of notice or resort to legal process and without being deemed guilty of or liable in trespass. No such re-entry or taking possession of the Premises by Landlord shall be construed as an election on its part to terminate this Lease unless

a written notice of such intention is given by Landlord to Tenant. No such action by Landlord shall be considered or construed to be a forcible entry.

(b) Collect by suit or otherwise each installment of rent or other sum as it becomes due hereunder, or enforce, by suit or otherwise, any other term or provision hereof on the part of Tenant required to be kept or performed.

(c) Terminate this Lease by written notice to Tenant. In the event of such termination, Tenant agrees to immediately surrender possession of the Premises. Should Landlord terminate this Lease, it may recover from Tenant all damages it may incur by reason of Tenant's breach, including the cost of recovering the Premises, reasonable attorney's fees, and the worth at the time of such termination of the excess, if any, of the amount of the rent and charges equivalent to rent reserved in this Lease for the remainder of the stated term over the then reasonable rental value of the Premises for the remainder of the stated term, all of which amounts shall be immediately due and payable by Tenant hereunder subsequent to default, the rent for each year of the unexpired term shall be equal to the average minimum, percentage, and additional rents paid by Tenant from Commencement Date to the time of default, or during the preceding three (3) full calendar years, whichever period is shorter.

(d) Should Landlord re-enter, as provided above, or should it take possession pursuant to legal proceedings, or pursuant to any notice provided for by law, whether or not it terminates this Lease, it may be necessary in order to relet the Premises to relet the same or any part thereof for such term or terms (which may be for a term extending beyond the term of this Lease) and at such rental or rentals and upon such other terms and conditions as Landlord in its sole discretion may deem advisable. Upon each such reletting all rentals received by the Landlord from such reletting shall be applied, first, to the payment of any indebtedness other than rent due hereunder from Tenant to Landlord; second, to the payment of any costs and expenses of such reletting, including brokerage fees and attorney's fees and costs of any alterations and repairs; third, to the payment of rent due and unpaid hereunder, and the residue if any, shall be held by Landlord and applied in payment of future rent as the same may become due and payable hereunder. If such rentals received from such reletting during any month be less than that to be paid during such month by Tenant hereunder, Tenant shall pay any such deficiency to Landlord. Such deficiency shall be calculated and paid monthly. No such re-entry and reletting of the Premises by landlord shall be construed as an election on its part to terminate this Lease unless a written notice of such intention be given to Tenant pursuant to subsection (c) above, or unless the termination thereof be decreed by a court of competent jurisdiction. Notwithstanding any such reletting without termination, Landlord may at any time thereafter elect to terminate this Lease for such previous breach.

The remedies given to Landlord in this Section shall be in addition and supplemental to all other rights or remedies which Landlord may have under laws then in force.

15. ACCESS TO PREMISES

Landlord shall have the right to place, maintain, and repair all utility equipment of any kind in, upon and under the Premises as may be necessary for the servicing of the Premises and other portions of the Building. Landlord shall also have the right to enter the Premises at all times to inspect the same or to exhibit the same to prospective purchasers, mortgagees, tenants, and lessees, and to make such repairs, additions, alterations, or improvements as Landlord may deem desirable.

16. QUIET ENJOYMENT

Tenant, upon paying the rents and observing and performing all of the terms, covenants, and conditions of its part to be performed hereunder, shall peaceably and quietly enjoy the Premises for the term hereof.

17. SURRENDER OF PREMISES

At the expiration of this Lease, Tenant shall surrender the Premises in the same condition as they were in upon delivery of possession thereto under this Lease, reasonable wear and tear excepted, and shall deliver all keys to Landlord. Before surrendering the Premises, Tenant shall remove all of its personal property and trade fixtures and such alterations or additions to the Premises made by Tenant as may be specified for removal by Landlord, and shall repair any damage caused by such property or the removal thereof. If Tenant fails to remove its personal property and fixtures upon the expiration of this Lease, the same shall be deemed abandoned and shall become the property of the Landlord.

18. SIGNS

Tenant shall not, without Landlord's prior written consent, (a) make any changes to the store front as existing, or (b) install any exterior signs, lighting or awnings, or any exterior decorations, windows and doors, etc.

20. ATTORNEY'S FEES

In the event that at any time during the term of this Lease, either Landlord or the Tenant institutes any action or proceeding against the other relating to the provisions of this Lease or any default hereunder, then the unsuccessful party in such action or proceedings agrees to reimburse the successful party for the reasonable expenses of such action including reasonable attorney's fees, incurred therein by the successful party, such fees not to exceed $2,500.00.

21. PAST DUE SUMS

If Tenant fails to pay, when the same is due and payable, any rent, additional rent, or other sum required to be paid by it hereunder, such unpaid amounts shall bear interest from the due date thereof to the date of payment at the rate of twenty (20%) percent per annum. In addition thereto, Landlord may charge a sum of ten (10%) percent of such unpaid amounts as a service fee. Notwithstanding the foregoing, however, Landlord's right concerning such interest and service fee shall be limited by the maximum amount which may properly be charged by Landlord for such purposes under applicable law.

22. COMMON AREAS

All common areas in the Shopping Center which Tenant may be permitted to use and occupy are to be used and occupied under a revocable license, and if any such license be revoked or if the amount of such areas be changed or diminished, Landlord shall not be subject to any liability nor shall Tenant be entitled to any compensation or diminution or abatement of rent nor shall revocation or diminution of such areas be deemed constructive or actual eviction. All common areas and other facilities in or about the Shopping Center shall be subject to the exclusive control and management of Landlord. Landlord shall have the right to construct, maintain, and operate lighting and other facilities on all said areas and improvements; to police the same; to change the area, level, location, and arrangement of parking areas and other facilities; to restrict parking by Tenants, their officers, agents, and employees; to close all or any portion of said areas or facilities to such extent as may be legally sufficient to prevent a dedication thereof or the accrual of any right to any person or the public therein; and to close temporarily all or any portion of the parking areas or facilities to discourage non-customer parking. Landlord shall operate and maintain the common areas in such manner as Landlord in its discretion shall determine, shall have full right and authority to employ and discharge all personnel with respect thereto, and shall have the right, through reasonable rules, regulations, and/or restrictive covenants promulgated by it from time to time to control use and operation of the common areas in order that the same may occur in a proper and orderly fashion.

23. ASSIGNMENT

23.1 Assignment Prohibited

Tenant shall not transfer, assign, mortgage, or hypothecate this Lease, in whole or in part, or permit the use of the Premises by any person or persons other than Tenant, or sublet the Premises, or any part thereof, without the prior written consent of Landlord in each instance which shall be in the sole and absolute discretion of Landlord. Such prohibition against assigning or subletting shall include any assignment or subletting by operation of law. Any transfer of this Lease from the Tenant by merger, consolidation, transfer of assets, or liquidation shall constitute an assignment for purposes of this Lease. In the event that Tenant hereunder is a corporation, an unincorporated association, or a partnership, the transfer, assignment, or hypothecation of any stock or interest in such corporation, association, or partnership in the aggregate in excess of forty-nine (49%) percent shall be deemed an assignment within the meaning of this section.

23.2 Consent Required

An assignment or subletting without Landlord's consent shall be void, and shall constitute a default hereunder which, at the option of Landlord, shall result in the termination of this Lease or exercise of Landlord's other remedies hereunder. Consent to any assignment or subletting shall not operate as a waiver of the necessity for consent to any subsequent assignment or subletting, and the terms of such consent shall be binding upon any person holding by, under, or through Tenant.

24. INSURANCE

24.1 Common Area Fire, Casualty, and General Liability Insurance

If Landlord shall not so elect to terminate this Lease, the repair of such damage shall be governed by subsection 25.1 or 25.2 as the case may be.

25.4 Partial Destruction of the Shopping Center

If fifty percent (50%) or more of the Shopping Center shall be damaged or destroyed by fire or any other cause, notwithstanding that the Premises may be unaffected thereby, Landlord may at its option cancel and terminate this Lease by giving written notice of its election to do so within ninety (90) days from the date of occurrence of such damage or destruction, in which event the term of this Lease shall expire at the end of the calendar month in which such notice is given, and Tenant shall thereupon surrender the Premises to Landlord.

MEMORANDUM

Date: **October 4, 2023**
To: **Mayor and Council**
RE: **Ord. 2272 – Amending R-1 Zoning for rezones and annexations**

Mayor and Council,

The City of Sheridan has 9 zoning districts. Four of those zones are intended to be primarily used as residential. Below is a brief bullet point description of each residential zoning district. The complete zoning code is included in your packet.

R-1

- One-family dwelling
- Height not to exceed 35' or 3 stories
- Front yard – 25 ft
- Rear yard – 20 ft
- Side yard – 5 ft
- Lot per family – 6,000 sq. ft.
- Parking – 2 spaces per unit

R-2

- All R-1 uses
- Two-family dwellings and multiple family dwelling if not more than 4 families in a single detached building
- Height not to exceed 35' or 3 stories
- Front yard – 20 ft
- Rear yard – 20 ft
- Side yard – 5 ft
- Lot area per family – No restriction
- Parking – 1 space per dwelling or .75 per multifamily dwelling unit

R-3

- All R-2 uses
- Multifamily or apartment court
- Boarding or lodging house
- Nursing Homes
- Parking Garages with multifamily
- Height not to exceed 45 feet or 4 stories
- Front yard – 15 ft
- Rear yard – 15 ft
- Side yard – 5 ft
- Lot area – No restriction
- Lot area per family – No restriction
- Parking – 1 space per dwelling or .75 per multifamily dwelling unit

R-4

- Mobile and Manufactured home parks

City of Sheridan Code Appendix A, Article 3 Paragraph 4 states that any property annexed into the City is to be placed in the R-1 zone unless the Governing Body chooses otherwise. Thus, the presumption is that properties will be subject to the most restricted zone.

It is common knowledge that the City and County of Sheridan lacks adequate housing. See the 2020 Gruen and Gruen Study for an in-depth analysis. There is no quick fix to this issue as the private market ultimately determines the adequacy and affordability of housing. The City response to the matter consists of a multifaceted approach. Once of the most efficient methods of addressing housing is to identify where government regulation is having the unintended effect of stifling the private market. The City R-1 zone requires a minimum lot size of 6,000 sq. ft. which limits density. Thus, more land is required causing an increase in the price of a resident.

Ordinance 2272 will prohibit future subdivisions through annexation or rezone from using an R-1 zoning district. **This ordinance will not affect any currently zoned R-1 properties.** The goal is to remove the government restriction so that developers can create developments that best reflect the needs of Sheridan. Further, if a developer desires to establish minimum lots sizes, larger setbacks or restrict the types of uses in the subdivision, the developer can establish covenants. Thus, the private market will determine what types of development are necessary to address Sheridan needs.

MEMORANDUM

Date: **October 18, 2023**
To: **City of Sheridan Governing Body**
RE: **General Purpose Excise Tax (1%)**

Mayor and Council,

In October 2020, the City Governing Body adopted two policies regarding the General Purpose Excise Tax often referred to at one cent funds or GPET.

In your packet are the two adopted policies. The Mayor has requested that the Annual Application Policy which sets certain deadlines for approval of the next fiscal year 1% contracts be amended. Specifically, the policy requires approval of contracts at the 2nd meeting in January. The consequence is that newly elected officials are being tasked with approving 1% contracts immediately upon taking their seats.

The Mayor is requesting that the Governing Body determine a more appropriate date for 1% contract approval.

City of Sheridan
General Purpose Excise Tax (GPET) Policy

The purpose of this policy is to establish procedures for the efficient and consistent management of the General Purpose Excise Tax. This policy also establishes points of contact for inclusive communications within and without the City.

1. The General Purpose Excise Tax is authorized under W.S. § 39-15-203 and is a general purpose excise tax to be used for general revenue purposes. W.S. § 39-15-204(a)(i) The City refers to the General Purpose Excise Tax as the One % Sales and Use Tax.

2. The proposition "for the county sales and use tax" or "against the county sales and use tax" shall be decided by the vote of the qualified electors of Sheridan County. Any informational campaigns or examples of potential expenditures shall not be deemed as a budgeted appropriation or guarantee to fund. Recipients are not entitled to any specific allocation of funds.

3. The General Purpose Excise Tax may be imposed in one-half (.5%) increments not to exceed two percent (2%). W.S. § 39-15-204(a)(i)

4. The City Clerk and the City Treasurer shall be the designated contacts for all communications regarding the GPET. Any staff member or outside person must direct all questions, comments, or requests for funds/applications to either contact.

5. The annual budgeting of GPET funds is completely at the City's discretion and not tied to or obligated by any informational campaigns or perceived assurances. A portion of the budgeted funds may be set aside for allocation to outside groups, but such funds are not guaranteed.

6. Budgeted funds shall only be used for the purpose requested. Unspent funds shall not be used for other expenditures.

7. Unspent funds at the end of the fiscal year shall revert to the contingency account for future re-allocation.

8. Revenue received in excess of the budgeted revenue shall be placed in the contingency account for future re-allocation.

9. The annual application for GPET funds by outside groups shall be governed by the General Purpose Excise Tax Annual Application Policy. City departments can request funds through the annual budget process.

10. Requests by outside groups for one-time "out-of-cycle requests" will be considered by Council after completion of a General Purpose Excise Tax Out-of-Cycle Request. Out-of-cycle requests are requests that arise after the application period has ended.
