MEMORANDUM

RE: Discussion of Resolution 07-24 Designating the 2024 Trees for Trash & Community Clean Up Event; and the Free Fall Landfill Day - Utilities Director Dan Roberts

From: Dan Roberts, Utilities Director

To: City Council

CC: City Administrator Stuart McRae

Date: 02/26/2024

Recommendation:

Staff recommends that the Mayor and City Council adopt Resolution 07-24 which designates the 2024 Trees for Trash & Community Clean-up event as well as the 2024 Free Fall Landfill Day.

Background:

For many years the City of Sheridan (City) has promoted and supported community clean-up events by offering free landfill disposal to residents participating in the annual Trees for Trash/Community Clean-up event as well as the designated Fall Free Landfill Day. These community minded events offer both City and County residents an opportunity to clean-up and beautify their surroundings without having to incur the cost of waste disposal.

Discussion:

The designated days for these events, established in Resolution 07-24, have been carefully identified and planned by City Staff in conjunction with event sponsors. As the title sponsor for Trees for Trash, Sheridan Media has submitted a letter to the Mayor and City Council (attached) requesting the event occur on May 4, 2024. Sheridan Media remains supportive of the Trees for Trash event being combined and coordinated with a Community Clean-up event similar to what has been successfully organized each year since 2017. City staff will plan and coordinate the Community Clean-up event, a big part of which will be soliciting volunteer groups to adopt public areas within our community to clean-up through trash collection and disposal.

Additionally, the Free Fall Landfill Day is proposed to be held on September 28th. This date is approximately one month earlier than prior years in hopes for better weather conditions and increased participation.

Sheridan County has joined with the City and has been a financial sponsor in the past by paying a portion of the landfill disposal costs generated by county residents during these events.

Resolution 07-24, presented for the City Council's consideration, establishes the events, demonstrates City Council's support, and authorizes them to occur.

Resolution 07-24

P.O. Box 5086, Sheridan, WY 82801

**Sheridan City Council
55 East Grinnell
Sheridan, WY 82801**

February 13, 2024

Dear Mayor & Council,

On behalf of Sheridan Media, all our sponsor partners, and the citizens of the City of Sheridan and Sheridan County, we would like to thank you again for your past support of the Trees for Trash program. For several years this county-wide community clean-up program has been very well received and successful.

The time is rapidly approaching to clean up and green up again this spring. In order to coordinate with the City's free landfill weekend dates, we respectfully request free use of the landfill this year on Saturday, May 4th, from 8:30am to 2pm, for all Sheridan County residents.

Together, we can all help keep our communities beautiful places to live.

Sincerely,

**Jim Schellinger
Sheridan Media**

**CITY OF SHERIDAN
RESOLUTION 07-24**

A RESOLUTION designating 2024 events promoting community clean up; and the Mayor and City Council demonstrating their support of these events by authorizing the use of City resources and free solid waste disposal, at the Sheridan Landfill, during the designated events.

WHEREAS, the Sheridan City Council encourages citizens to participate in cleaning up the Sheridan area; and

WHEREAS, the Sheridan City Council is pleased to offer free use of the Sheridan Solid Waste Disposal facility (SSWDF), for the designated events, to residents within the City of Sheridan and Sheridan County.

BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SHERIDAN:
The Sheridan City Council hereby designates the annual Trees for Trash & Community Clean Up event as well as the Fall Free Landfill Day to be held during normal hours of operation on the following dates in 2024:

Trees for Trash & Community Clean Up (Free Landfill Day):	Saturday, May 4, 2024
Fall Free Landfill Day:	Saturday, September 28, 2024

Under the following conditions prescribed below:

- a) Loads shall have a net weight of less than or equal to one (1) ton.
- b) Loads shall be non-commercial waste and generated by residential customers.
- c) Loads shall be separated into categories of household garbage, green waste, construction & demolition, metal, and other recyclable materials and shall be unloaded at the landfill in appropriate disposal areas as directed by landfill staff.
- d) All customers shall cross the landfill scales and a fee waiver transaction completed.
- e) Proof of residency may be required at the landfill at the time of the fee waiver transaction. This shall consist of a driver’s license or utility bill with the name of the individual and current county address.
- f) Dead animals shall be limited to two (2) per load.
- g) City of Sheridan Landfill requires that all waste delivered to the SSWDF will be secured, covered, or in a closed container. Materials delivered which are not secured, covered, or in a closed container will be assessed the following surcharge per load:

\$11.00 for cars & pickup trucks
\$50.00 for all other vehicles (including trailers)

- Fee waivers listed above shall not include:
- a) Refrigeration units that have not been decommissioned by a certified technician
 - b) Lead-acid batteries
 - c) Tires

PASSED, APPROVED AND ADOPTED this ____ day of _____, 2024.

City of Sheridan

Cheyenne, WY 82002

RE: Interest Rate Reduction Request

Dear Ms Blackwell,

The City of Sheridan respectfully requests an interest rate reduction for its State Revolving Fund (SRF) loans held with the Wyoming Office of State Lands and Investments. The respective SRF loans that are currently being held by the City of Sheridan which we are requesting a reduction from 2.5% to 1.5% interest are stated below.

Drinking Water Loans

DWSRF #37 South Hill Waterline Replacement
DWSRF #101 North Main
DWSRF #110 Sugarland
DWSRF #135 Wy-Park Impr Phase II
DWSRF #148 Wy-Park Impr Phase III
DWSRF #166 5th St Water Main
DWSRF #123 WTP Conv. Upgrades
DWSRF #155 Meter Replacement
DWSRF #165 4MG Tank
DWSRF #199 Loucks St Phase II
DWSRF #157 Leopard Waterline
DWSRF #157 Leopard Waterline
DWSRF #157 Leopard Waterline

Clean Water Loans

CWSRF #47 WWTP Grease & Septage Facility
CWSRF #152 WWTP Dewatering Improvements
CWSRF #154 Meter Replacement
CWSRF #164 North Sheridan Interchange Sewer
CWSRF #166 Loucks Street Phase II
CWSRF #168 North End Utilities
CWSRF #181A T6 - T8 Closure

Thank you for your consideration on this matter and for all of your work to effectively manage natural resources and funds for current and future generations. Please feel free to contact me by email at droberts@sheridanwy.gov or by phone at 307-675-4233 if you have any questions or concerns.

Respectfully,

Daniel Roberts, P.E.

MEMORANDUM

RE: Consideration to Request a Decrease in State Revolving Fund (SRF) Loan Interest Rates
From: Dan Roberts, P.E., Utilities Director
To: Mayor, City Council, and City Administrator
Date: 2/26/2024

RECOMMENDATION

Staff recommends that the Mayor and City Council authorize the submission of a letter to the State Revolving Fund (SRF) Loan program requesting lower interest rates on the City's current SRF loans.

BACKGROUND

The Clean Water State Revolving Fund (CWSRF) and Drinking Water State Revolving Fund (DWSRF) programs have been in existence for more than 30 and 20 years, respectively. These programs provide low-interest loans, with occasional principal forgiveness, to eligible recipients. SRF loans are an excellent way to fund water, sewer, and clean water infrastructure projects.

CWSRF Funds can be utilized for Sanitary Sewer Treatment and Collection; Storm Water Control; Landfill Water Pollution Control and Other Water Pollution Control Projects. DWSRF funds can be used for Drinking Water Systems, including source protection; Treatment Plants; Storage Tanks; Transmission and Distribution Lines, and Other Drinking Water Related Projects. In September 2023, it was announced that the State Loan and Investment Board (SLIB) would be decreasing their interest rates on loans from 2.5% to 1.5% and that entities with current loans at the higher (2.5%) could request, through a letter to SLIB, the lower 1.5% interest rate on all eligible SRF loans.

DISCUSSION

The City has six (6), CWSRF Loans and 13, DWSRF Loans that are eligible for the interest rate reduction from 2.5% to 1.5%. They are listed below by category:

Water Fund DWSRF Loans	Maturity Year
DWSRF #37 South Hill Waterline Replacement	2025
DWSRF #101 North Main	2032
DWSRF #110 Sugarland	2031
DWSRF #135 Wy-Park Impr Phase II	2034
DWSRF #148 Wy-Park Impr Phase III	2036

DWSRF #166 5th St Water Main	2037
DWSRF #123 WTP Conv. Upgrades	2038
DWSRF #165 4MG Tank	2039
DWSRF #199 Loucks St Phase II	2039
DWSRF #157 Leopard Waterline	2039
DWSRF #208 North End Utilities Project	2040
DWSRF #187 NSI Sheridan Marginal Project	2041
DWSRF #243 North Heights Water Main Replacements	2045

Sewer Fund CWSRF Loans	Maturity Year
CWSRF #47 WWTP Grease & Septage Facility	2025
CWSRF #152 WWTP Dewatering Improvements	2038
CWSRF #164 North Sheridan Interchange Sewer	2041
CWSRF #166 Loucks Street Phase II	2039
CWSRF #168 North End Utilities	2040

Solid Waste Fund CWSRF Loans	Maturity Year
CWSRF #181A T6 - T8 Closure	2044

The attached letter would constitute the City's formal request to SLIB for an interest rate reduction on all the described loans.

FUNDING/FINANCIAL IMPACT

There is a sizable savings in reducing interest rates to 1.5% on the above loans. The totals for the life of the respective loans are estimated as follows:

Overall Savings	
Water Fund DWSRF Loans interest savings	\$619,818
Sewer Fund CWSRF Loans total savings	\$314,193
Solid Waste Fund CWSRF Loans total savings	\$380,640
Total Savings	\$1,314,651

MEMORANDUM

RE: Discussion of the Purchase of One 2025 Western Star 49X Single Axle Dump Truck from HP Fairfield, LLC for the Amount of \$251,041.00 - Operations Superintendent Trai Bryant

From: Heather Czaplinski, PW Administrative Coordinator

To: City Council

CC:

Date: 02/16/2024

Recommendation:

Staff recommends the approval of the purchase of one (1) 2025 Western Star 49X single axle dump truck from HP Fairfield, LLC through Sourcewell cooperative bidding process for the amount of \$251,041.

Background:

The purchase of this truck was approved in the current FY24 budget. This truck is replacing ST345, a 2008 Freightliner dump truck, which will be surplus. We're standardizing the Street Department dump trucks to all operate cohesively with the Force America system.

Discussion:

This truck will come with the complete Force America package that controls the hydraulic operations of the truck, as well as outfitted to accommodate a future plow and sander hookup.

Funding:

The purchase is funded with Capital Outlay Equipment funds in the Fleet Budget.
