Childhood Cancer Awareness Month Proclamation

CITY OF Sheridan
WYOMING

PROCLAMATION
Childhood Cancer Awareness Month

WHEREAS, Jason's Friends Foundation is currently supporting over 175 Wyoming families who have had the misfortune of having a child diagnosed with cancer, brain and spinal cord tumors, and will continue to help these families until their child reaches 21 years of age; and,

WHEREAS, Jason's Friends Foundation has enrolled 19 new families so far in 2025 alone compared to 21 total in 2024 and 21 total in 2023, and this sharp increase is a sobering reminder of the ongoing need in Wyoming; and,

WHEREAS, Jason's Friends Foundation has expended over $8,650,000 directly to Wyoming families of children with cancer, brain or spinal cord tumors since its inception in 1996, preventing financial instability and relieving much of the families' financial burden; and,

WHEREAS, over 70 Wyoming children have lost their battle with cancer, brain, or spinal cord tumors in the last 29 years; and,

WHEREAS, cancer affects children and young adults differently than it does adults, as their bodies are still developing and the side effects of treatment alone can cause more harm to their maturing systems; and,

WHEREAS, September is observed internationally as Childhood Cancer Awareness Month.

NOW, THEREFORE, BE IT RESOLVED, the City of Sheridan, Wyoming, hereby recognizes and proclaims September 2025 as "Childhood Cancer Awareness Month" in this community and encourages citizens to help raise awareness for pediatric cancer and to support programs such as Jason's Friends Foundation that give financial and emotional assistance to the victims and their families.

IN WITNESS WHEREOF, I, Richard Bridger, Mayor of the City of Sheridan, Wyoming, have hereunto set my hand and seal of the City of Sheridan to be affixed this 2nd day of September 2025.

MEMORANDUM

RE: Public Hearing for PL-25-20, Resolution 22-25, Gillispie Draw Subdivision Final Plat - City Planner Kelly Schroeder
From: Kelly Schroeder, Planning Director
To: City Council
CC:
Date: 08/07/2025

Recommendation:

Staff recommends that City Council certify that the application for Gillispie Draw Subdivision is in conformance with all rules and regulations governing the Joint Planning Area between City and County, and is in agreement with the Future Land Use Plan for the area.

Background:

Morrison-Maierle, on behalf of Sheridan Heights Ranch, LLC, has submitted an application for Gillispie Draw Subdivision, a County conservation design subdivision located north of the Kendrick Municipal Golf Course with access off of W. 5th Street (PINs 56841910000533, 56843030000100, 56842910000200, and 56842910000210). The subject property is currently unplatted County land and is primarily zoned A-Agriculture with two small UR-Urban Residential areas. The applicant seeks to divide 622.93 acres into 15 lots, two of which will be conservation lots maintained by the Sheridan Community Land Trust. The remaining 13 lots will be residential use lots ranging from 4.47 acres to 9.28 acres in size.

The subject property is located north of the Kendrick Municipal Golf Course and will be accessed from W. 5th Street. It is adjacent to City limits along the Kendrick Golf Course. Parts of the property are located within City limits, but a petition to de-annex these portions has been filed with the City and with the County, and is currently moving through the approval process (see PL-25-21).

The proposed subdivision will be accessed from W. 5th Street with a 60-foot private access easement to be known as Gillispie Drive. A proposed internal private road to be known as Porcupine Lane will also be located in a 60-foot private access easement. Gillispie Drive will tie into W. 5th Street, which is currently a City-owned road but located within the County. A stop sign will be placed at the intersection along with a sign alerting drivers to possible bicyclists and pedestrians coming from the Soldier Ridge trail to the City of Sheridan pathway system.

The proposed subdivision will be served by private wells and private septic systems.

The Future Land Use Map of the Joint Planning Area identifies this area as appropriate for agricultural use, which includes ranching and low-intensity residential uses. For conservation design subdivisions, such as this one, the Joint Land Use Plan recommends a net development density of 1 unit per 20 acres. The proposed subdivision will have approximately 1 residential unit per 48 acres, which is well above the recommended minimum. The Joint Land Use Plan also shows the proposed subdivision lies outside of the Urban Service Area boundary, meaning that it is unlikely that the City will provide future municipal water or sewer services to the area.

Discussion:

The Memorandum of Understanding Between Sheridan County and the City of Sheridan Regarding the Subdivision of Land within One Mile of the Contiguous Corporate Limits, dated April 27, 2022, outlines the responsibilities of the two jurisdictions in reviewing and taking action on development proposals within the Joint Planning Area. The MOU stipulates that City staff and the City Governing Body shall have the opportunity to make comments and suggestions on development plans in the area.

City staff sent letters to 12 property owners within 300 feet of the property notifying them of the City Public Hearing for the proposed subdivision. No comments have been received on this application to date.

City County MOU

CITY OF SHERIDAN
RESOLUTION 22-25

A RESOLUTION CERTIFYING PL-25-20, THE FINAL PLAT OF GILLISPIE DRAW SUBDIVISION, IS IN ACCORDANCE WITH THE SHERIDAN JOINT PLANNING AREA LAND USE PLAN APPENDIX ADOPTED IN 2017, AND THE MEMORANDUM OF UNDERSTANDING BETWEEN SHERIDAN COUNTY AND THE CITY OF SHERIDAN REGARDING EXTRA-TERRITORIAL JURISDICTION WITHIN ONE MILE OF THE CONTIGUOUS CORPORATE LIMITS DATED APRIL 27, 2022.

WHEREAS, Sheridan County has jurisdiction and final approval of the proposed Gillispie Draw Subdivision; and

WHEREAS, the final plat of the Gillispie Draw Subdivision has been reviewed for consistency with Appendix B (Subdivision Regulations) and other applicable City code; and

WHEREAS, all applicable requirements for a final plat have been met and all documents meet the applicable requirements in Appendix B (Subdivision Regulations); and

WHEREAS, the Gillispie Draw Subdivision is a joint City-County subdivision due to its location within one mile of City limits requiring Council approval.

BE IT RESOLVED BY THE GOVERNING BODY OF THE CITY OF SHERIDAN, WYOMING:

The City certifies that a review has been completed of the final plat of Gillispie Draw Subdivision, a joint City-County subdivision, dividing 622.93 acres into 13 residential use tracts and 2 conservation tracts, located on E. 5th Street and north of the Kendrick Municipal Golf Course.

In certifying the Gillispie Draw Subdivision, the City of Sheridan Governing Body finds the following as required by Sheridan City Code Appendix B §202A:

1. The property is not completely surrounded by City limits, therefore a signed pre-annexation agreement is not required.

2. The lots as platted conform to the requirements of the City Zoning Ordinance.

3. The subdivision falls outside the Airport Influence Area.

4. As concluded by Public Works staff, there is adequate long-term water supply to serve this subdivision as of the time of this resolution.

Memorandum of Understanding
Between Sheridan County and the City of Sheridan
Regarding Subdivision of Land
Within One Mile of the Contiguous Corporate Limits

An MOU between the City of Sheridan (City) and Sheridan County (County) related to the subdivision of land within one mile of the contiguous corporate limits.

WHEREAS, the *Sheridan County Comprehensive Plan, 2020*, encourages well-designed, compact urban growth and sets forth the following:

· The County will continue to jointly plan for orderly growth at the edge of the City of Sheridan.

· The County will maintain a compact development pattern within or near communities where adequate services are available.

· Urban growth will be located in defined areas around incorporated towns and cities and unincorporated places, based on existing community expansion patterns and the ability of municipal systems to accommodate future development.; and

WHEREAS, both the City and County have adopted the *Sheridan Joint Planning Area – Land Use Plan* 2017 for which coordination will occur for the area surrounding the City of Sheridan.

WHEREAS, subdivision ordinances, rules and regulations adopted by the City and County are important and enforceable tools in shaping development and implementing the visions set forth in the community's plans; and

WHEREAS, the subdivision standards of the City are appropriate for areas within one mile of the contiguous corporate limits of the City suitable for future annexation while the subdivision standards of the County are suitable for rural development in areas beyond the one-mile area adjacent to the City (County subdivision standards may be appropriate in those portions of the one-mile area not planned to be served by public water and sewer); and

WHEREAS, it is in the interest of promoting logical, efficient and sequential urban development for the City and County to commit to a single subdivision review and approval process within the one-mile area, as provided herein;

NOW, THEREFORE, BE IT RESOLVED:

1. The City and County shall have joint meetings when requested by the County or City.

2. The County will invite City staff to pre-application meetings and provide City staff with copies of all applications, plats, plans, staff memos, and similar documentation. City staff members and members of the public will be afforded the opportunity to comment at public meetings.

3. City staff shall prepare and arrange for the City Governing Body to make comments and suggestions relating to the potential impacts to City infrastructure, considerations defined in

W.S. 34-12-103(b)(i) through (v) or other development plans.

4. The County shall respond to the City in writing regarding any disagreement between the parties prior to approval of the final plat.

5. To the extent possible, the County shall ensure that the final plat meets the considerations defined in W.S. § 34-12-103 (b)(i) through (v).

6. The County shall require public dedication of rights-of-way for any existing county roads, subdivision roads and adjacent roads that are currently in easement only, and are under the ownership or control of the subdivider.

7. The design, layout and construction of subdivisions shall adhere to the higher or most rigorous of the City or County standards. All negotiations, deliberations and design determinations pertaining to required city infrastructure shall be conducted between the subdivider and City staff. City staff shall notify the County in writing once the subdivision adequately meets City standards.

8. Any provision of City services shall be conditioned on the subdivider signing a pre-annexation agreement, the form and substance of which as determined by the City.

9. The City, at its expense, shall oversee, inspect, and recommend acceptance for all City owned/operated onsite and offsite subdivision infrastructure. The County, at its expense, shall oversee, inspect, and recommend acceptance for County onsite and offsite subdivision infrastructure. Financial assurances provided for the completion of subdivision infrastructure shall list: 1) Sheridan County as the beneficiary in the case of default for County required infrastructure, and 2) the City of Sheridan as the beneficiary in the case of default for City required infrastructure. Where the subdivider has been found in default of the subdivision improvement agreement, Sheridan County may contract for and oversee the construction of County infrastructure, and the City of Sheridan may contract for and oversee the construction of City infrastructure.

10. City subdivision standards can only be achieved in areas where wastewater collection and treatment are planned for extension. The City will adopt a rural-type road section suitable for the one-mile area where wastewater services are not planned.

11. This Memorandum of Understanding may be amended by written consent of the Sheridan City Governing Body and the Sheridan Board of County Commissioners.

13. This Memorandum of Understanding may be terminated at any time by resolution by either Party upon 90-days written notice. Any subdivision application submitted within 90 days of termination shall be resolved regardless of this termination clause.

14. This Memorandum of Understanding shall become effective only upon approval of the City Governing Body and upon County adoption of an amendment to its Rules and Regulations Governing the Division of Land that incorporates this agreement as an appendix to said resolution.

15. This Memorandum of Understanding shall supersede any and all previous Memorandum of Understanding addressing the same.

MEMORANDUM

RE: Public Hearing for PL-25-21, Ordinance 2295, Sheridan Heights Ranch, LLC De-annexation of 3.64 Acres - City Planner Kelly Schroeder

From: Kelly Schroeder, Planning Director

To: City Council

CC:

Date: 08/01/2025

Background:

In December 2024, the City of Sheridan worked with adjacent property owner Sheridan Heights Ranch, LLC to adjust the boundary line of the Kendrick Municipal Golf Course to match the existing fence line. This was simply a property boundary adjustment, not a municipal boundary adjustment, and resulted in 3.64 acres of land owned by Sheridan Heights Ranch, LLC to fall within municipal limits, and 4.15 acres of land owned by the City of Sheridan to fall within the County.

This application will consider de-annexing the 3.64 acres of land owned by Sheridan Heights, while application PL-25-26 will consider annexing the 4.15 acres of land owned by the City of Sheridan so that the property boundary line will match the municipal boundary line. The legal descriptions and map of these lands can be found in the attached exhibit.

Discussion:

On June 26, 2025, Sheridan Heights Ranch, LLC filed a petition with the City of Sheridan to de-annex two small tracts of land that are adjacent to the Kendrick Municipal Golf Course and which are part of the proposed Gillispie Draw County subdivision (PL-25-20). Pursuant to W.S. 15-1-421, the Board of County Commissioners must prepare a report on the impact of the proposed de-annexation within 60 days of receiving the petition. The City received an approved report from the Board of County Commissioners that was signed on August 19, 2025. The full report can be found attached to this memo. In summary, the report states that there are little to no expected impacts to services or revenue with this proposed de-annexation.

A Notice of the Petition to De-Annex was published in the Sheridan Press within ten days of the filing of the petition with the City as required by W.S. 15-1-421. The City also published a legal ad with the date of the Planning Commission public hearing as well as the City Council public hearing and first reading. No comments have been received to date from the public on this de-annexation proposal.

Findings of Fact:

Pursuant to W.S. 15-1-421, the following findings can be made in support of this de-annexation:

a. Sheridan Height Ranch, LLC is the sole owner of all the land to be de-annexed;

b. Sheridan Heights Ranch, LLC has signed the Petition for De-Annexation;

c. This de-annexation will not cause land within the City to no longer be contiguous with the rest of the City;

d. The City does not own any rights-of-way, easements, streets, or other property or improvements in the area to be de-annexed; and

e. This de-annexation will not create an area which is situated entirely within the City but is not part of the City.

Recommendation:
Staff recommends that the Governing Body approve PL-25-21, Ordinance 2295. Petitioner: Sheridan Heights Ranch, LLC

Approved by the Board of County Commissioners

BOARD OF COUNTY COMMISSIONERS

Lonnie Wright, Chairman

ATTEST:

Eda Schunk Thompson, County Clerk

PETITION

On June 26, 2025, Sheridan County (Public Works Department) received a copy of a petition to de-annex from the City of Sheridan filed by Sheridan Heights Ranch, LLC (Petitioner) dated June 26, 2025 (see petition attached). The two small areas covered in the petition are a part of the proposed county "Gillispie Draw Subdivision" and would be included in a much larger conservation tract within that subdivision. Pursuant to W.S. 15-1-421, within 60 days of the county's receipt of the petition, the BOCC must prepare a report on the impact of de-annexation.

ORIGINAL ANNEXATION

According to City of Sheridan, the subject property was annexed on May 21, 1959 with the adoption of Ordinance #1019. The annexation was initiated by the City of Sheridan.

PARCEL INFORMATION

Location: N ½ SE ¼ Section 30, T. 56 N., R. 84 W. (see petition Exhibit "A")
Total Area: Two tracts, 3.64 Acres (Tract Nos. D & E)
City Zoning: R-1 (Residential)
Assessed: Agricultural, Parcel # 56842910000210
2025 Assessed Value: Unknown

PLANNING DESIGNATIONS

Sheridan Land Use Plan, 2016: "Public Open Space"
Sheridan Joint Planning Area Land Use Plan, 2017: "Agricultural"
201 Intergovernmental Agreement, 1985: Outside designated Sewer Service Area

EXISTING MUNICIPAL SERVICES

Water- Not served
Sewer- Not served
Streets- Not served
Police- presumed
Animal Control- presumed
Fire Rescue- presumed
Waste Collection- Not served

ANTICIPTED COUNTY SERVICE IMPACTS

Water – No direct impacts would be anticipated since Sheridan County government does not provide water service.

Sewer- No direct impacts would be anticipated since Sheridan County government does not provide sewer service.

Streets/Roads- No direct impact would be anticipated since no county maintained public ways serve the subject area.

Law Enforcement- Calls to this property would typically be responded to by the County Sheriff's Office. The addition of this small agricultural property to the Sheriff's response area should prove insignificant.

Emergency Services- It is anticipated that the parcel would become a part of the Sheridan Area Rural Fire Protection District. The addition of subject area to the District's response area would most likely be insignificant.

Animal Control- No direct impacts would be anticipated since the county government does not provide dedicated animal control services. (Animals running at large may be controlled by the Sheriff.)

Waste Collection- No direct impacts would be anticipated since the county government does not provide waste collection services.

ANTICIPTED COUNTY REVENUE IMPACTS

Property Tax- The revenue derived from property taxes on this parcel for the County General Fund (12 mills) would remain unaltered. Revenue to the Sheridan Area Rural Fire Protection District (3 mills) would be increased slightly.

State Shared Revenue- Revenues derived from some state taxes, such as sales tax and gasoline tax, are based on the proportion of residents living in the various municipalities versus the unincorporated areas of the county. Since there are no residents in the subject area (nor are there any foreseeable future residents because of the proposed conservation status), the county would not realize a gain in such population-based revenues when figured as a percentage of the overall revenues derived from the same sources.

GENERAL COMMENTS

Net service and revenue impacts to Sheridan County would appear to be negligible as a consequence of the proposed de-annexation. With any de-annexation proposal, principles that define sound community development ought to be given equal consideration. The municipal form of government exists principally to support urban-type development where the institutions, powers and resources best suited for human settlement occur in patterns that are typically denser than country counterparts. Wyoming counties, on the other hand, are poorly endowed by the legislature to deal with the needs of modern urban life.

While the decision to remain a part of a municipality is largely political, a major premise of good planning is that municipalities must have the ability to grow through urban development to maintain a healthy revenue base and efficiently provide municipal services. In many ways, good municipal growth is also good county growth. In the case at hand, however, no development

exists nor is any depicted in official city and county planning policies[1]. The proposed de-annexation at hand would appear to be supported by these guidelines and further be of little or no impact to Sheridan County services or revenues.

MEMORANDUM

RE: Public Hearing for PL-25-26, Ordinance 2297, Annexation of 4.15 Acres - City Planner Kelly Schroeder
From: Kelly Schroeder, Planning Director
To: City Council
CC:
Date: 08/11/2025

Background:

In December 2024, the City of Sheridan worked with adjacent property owner Sheridan Heights Ranch, LLC to adjust the boundary line of the Kendrick Municipal Golf Course to match the existing fence line. This was simply a property boundary adjustment, not a municipal boundary adjustment, and resulted in 3.64 acres of land owned by Sheridan Heights Ranch, LLC to fall within municipal limits, and 4.15 acres of land owned by the City of Sheridan to fall within the County.

This application will consider annexing the 4.15 acres of land owned by the City of Sheridan and zoning said land R-1 Residence district, while application PL-25-21 will consider de-annexing the 3.64 acres of land owned by Sheridan Heights Ranch, LLC so that the property boundary line will match the municipal boundary line. The legal descriptions and map of these lands can be found in the attached exhibit.

Discussion:

Wyoming State Statute 15-1-407 states that if the City is the sole owner of any territory it desires to annex, the governing body of said city may do so without public hearing or public notice and without preparing an annexation report or providing estimates for infrastructure costs. As this proposed annexation will simply adjust the municipal boundary to match the property boundary of the Kendrick Municipal Golf Course, there are no anticipated impacts to City services or revenues.

Upon annexation, this land will be zoned R-1 Residence district, which is the current zoning of the Kendrick Municipal Golf Course.

The City published a legal ad in the Sheridan Press with the dates of the Planning Commission and City Council public hearings. No comments have been received to date from the public on this de-annexation proposal.

Findings of Fact:

Pursuant to W.S. 15-1-402(a), the following findings can be made in support of this annexation:

i. The annexation of the area is for the protection of the health, safety, and welfare of the persons residing in the area and in the City;
ii. The urban development of the area sought to be annexed would constitute a natural, geographical, economical, and social part of the City;
iii. The area sought to be annexed is a logical and feasible addition to the City and the extension of basic services customarily available to residents of the City shall, within reason, be available to the area;

iv. The area sought to be annexed meets the requirements of W.S. 15-1-407;
v. The Governing Body is prepared to issue one (1) or more franchises as necessary to serve the annexed area pursuant to W.S. 15-1-410; and
vi. A public hearing was not required pursuant to W.S. 15-1-407.

Recommendation:
Staff recommends approval of PL-25-26, Ordinance 2297 Kendrick Golf Course Annexation to the Governing Body. Planning Commission held a public hearing and consideration of the application on Monday, August 25, 2025. Planning Commission voted unanimously to also recommend approval of PL-25-26, Ordinance 2297 to the Governing Body.

MEMORANDUM

RE: Public Hearing for PL-25-22, Ordinance 2296, Rezone 1.78 Acres from B-1 to M-1 at 1140 Coffeen Ave - City Planner Kelly Schroeder
From: Kelly Schroeder, Planning Director
To: City Council
CC:
Date: 08/01/2025

Background:

WWC Engineering, on behalf of Larry G. Hoover Family Trust and the Geraldine T. Hoover Family Trust, has submitted a rezone application for a portion of Lot 2 of the J&E Subdivision, located at 1140 Coffeen Avenue (PIN 56843524700125). The applicant is requesting to rezone 1.78 acres from B-1 Business District to M-1 Industrial District.

The reason for the rezone request is to allow the property's existing tenant, Derby Club, to conduct pari-mutuel wagering (gambling) on the property, which is not currently allowed in the B-1 zone district. In the fall of 2024, City Staff discovered the zoning violation and requested that the zoning issue be resolved prior to the 2026 liquor license renewal period.

Discussion:

The subject property is currently zoned B-1 and is bordered by other B-1 properties to the north and east, M-1 property to the south and east, and R-3 property to the west. Adjacent land uses include residential and commercial uses, such as Autozone and Papa Murphy's, and another pari-mutuel wagering location to the south known as Wyoming Downs.

The Future Land Use Map indicates that this area is appropriate for commercial use. Many of the properties in the area are zoned M-1 Industrial but are commercial in nature. A rezone of the subject property to M-1 would allow for a wider variety of commercial uses in the area that are compatible with surrounding zoning and land uses.

Staff sent notices to 18 surrounding property owners and published a legal ad in the Sheridan Press with information about the project and the public hearing. To date, staff has received one inquiry regarding the proposed rezone from an area business looking for more details.

Findings of Fact:

Neither state statute nor city code contains required findings that must be made in changing a property's zoning designation. State statute does provide some requirements for zoning regulations in general, which the Planning Commission and City Council should be aware of:

WS §15-1-601(d)

d) All regulations shall be made:
  i. In accordance with a comprehensive plan and designed to:

A. Lessen congestion in the streets;
B. Secure safety from fire, panic and other dangers;
C. Promote health and general welfare;
D. Provide adequate light and air;
E. Prevent the overcrowding of land;
F. Avoid undue concentration of population; and
G. Facilitate adequate provisions for transportation, water, sewage, schools, parks and other public requirements.

ii. With reasonable consideration, among other things, of the character of the district and its peculiar suitability for particular uses;

iii. With a view to conserving the value of buildings and encouraging the most appropriate use of land throughout the city or town; and

iv. With consideration given to the historic integrity of certain neighborhoods or districts and a view to preserving, rehabilitating and maintaining historic properties and encouraging compatible uses within the neighborhoods or districts, but no regulation made to carry out the purposes of this paragraph is valid to the extent it constitutes an unconstitutional taking without compensation.

The Preamble of the City's Zoning Ordinance (Appendix A) states that the purpose of the zoning ordinance is to, "promoting the health, safety, morals and general welfare of the inhabitants of the City of Sheridan by lessening congestion in the streets; securing safety from fire, panic and other dangers providing adequate light and air; preventing the overcrowding of land; avoiding the undue concentration of population, facilitating the adequate provision of transportation, water, sewerage, schools, parks, and other public requirements."

Recommendation:
Staff recommends approval of PL-25-22, Ordinance 2296 Derby Club Rezone. Planning Commission held a public hearing and consideration of the application on Monday, August 25, 2025. No questions or comments were made by commissioners or the public. Planning Commission voted unanimously to also recommend approval of PL-25-22, Ordinance 2296 to the Governing Body.

VERDELLO LEASE AGREEMENT

THIS AGREEMENT is made by and between Verdello Market Properties, LLC, a Wyoming limited liability company, and its successor or assigns (herein "Landlord"), and Verdello Market, Inc., a Wyoming corporation, (herein "Tenant"), who agree to the terms set forth herein. Landlord and Tenant, for good and valuable consideration the receipt and sufficiency of which is acknowledged, do hereby agree as follows:

1. **BUSINESS OPERATION AND SALE OF ALCHOHOL.** Tenant will be doing business as Verdello, a food/service/alcohol sales business, as has been historically operated at 23-25 Grinnell Street, Sheridan, WY (the "Premises). The Premises shall be occupied for the operation of a food and beverage service, dining and retail sales. Tenant is specifically authorized to the use of the Premises and outside patio for the distribution and sale of alcohol. As required by Wyoming Statute, ***Landlord expressly acknowledges and agrees that the Tenant may sell alcoholic or malt beverage on the Premises in accordance with W.S. 12-4-103(a)(iii).***

2. **TERM:** TENANT's right to occupy, and its obligation to pay for, the Premises shall begin on the earlier of: (a) the date Landlord closes on the purchase of the Premises from the existing owner, or (b) the date the City of Sheridan transfers the liquor license associated with Verdello, whichever is earlier. The term of this agreement shall be not less than one (1) year thereafter but will not expire or terminate until the parties agree to terminate, not sooner than with one (1) year prior notice.

3. **RENT:** Tenant shall pay Landlord rent for the entire term hereof, in monthly installments of $4,5000/month, unless otherwise mutually agreed by the parties.

4. **UTILITIES:** TENANT will pay all charges for utilities associated with its occupation of, and operation within, the Premises, including water, sewer, trash, gas/electric, phone, internet and any and all other utility services provided to the Premises.

5. **ASSIGNMENT AND SUBLET:** This lease may not be assigned in whole or in part, nor sublet, by TENANT without the express written consent of LANDLORD which may be withheld in LANDLORD'S sole discretion.

6. **SIGNAGE**: TENANT may construct, erect, place, maintain and control one or more sign(s) on the Premises, both in compliance with City Code and approved in writing by the Landlord.

7. **TRADE FIXTURES AND EQUIPMENT:** LANDLORD owns the current furniture, fixtures, equipment and personal property currently in the Premises, and allows Tenant's use of the same as part of this lease agreement. Tenant shall return all of the same to Landlord at the expiration of this lease agreement in the same condition as in on the date hereof, reasonable wear and tear excepted, or an equivalent replacement thereof.

After the date of occupancy, TENANT may install and maintain in and on the Premises during the term of this lease, at Tenant's own cost, additional trade fixtures, equipment and supplies as are necessary and used to the conduct of its food/beverage service. Any equipment installed by TENANT at its cost hereafter may be removed by TENANT at the expiration of the full term of this lease so long as Tenant is not in default of any provisions hereunder or their agreement to pay the full term of rental installments, in which case all equipment, trade fixtures and personal property added by Tenant to the operation shall remain with the Premises and become the sole property of LANDLORD. Provided however, TENANT shall repair any damage caused by installation or removal of its equipment, if in good standing and permitted to remove, and shall leave the Premises in move-in condition and shall leave all interior finishes thereof in a good and repaired state ready for immediate occupation by the subsequent tenant.

Docusign Envelope ID: 8D54A4D7-3B50-4BA6-B892-2EE874019E06

8. ALTERATIONS & IMPROVEMENTS: TENANT wishes to improve the Premises to better accommodate its operations, and LANDLORD consents to TENANT making those alterations described on Exhibit B. Other than the approved alterations described therein, TENANT will not make any alterations, additions, changes or improvements within the Premises that affect the walls, floors, ceilings or structure without the prior written consent of LANDLORD. LANDLORD understands that TENANT'S remodel plans may be part of TENANT'S operational plan for use of its liquor license. Any improvements shall be at TENANT's cost and said alterations, additions, changes or improvements do not structurally compromise or denigrate the Premises or the value thereof. Any alterations, additions, changes or improvements made by TENANT of the type permitted in this paragraph (excluding removable trade fixtures, portable improvements and equipment installed by TENANT) shall become part of the Premises and the property of LANDLORD.

9. REPAIRS & MAINTENANCE OF PREMISES: LANDLORD shall make and/or pay for all major repairs of the structure of the building and shall work to keep the Premises substantially free from structural defects that would destroy Tenant's ability to operate. As part of this lease, LANDLORD also agrees to keep the hood system in reasonable working order if TENANT properly maintains/cleans the hood, vents and components.

After occupancy, TENANT shall repair and/or pay for repairs of all furniture, fixtures and equipment and personal property it uses in the operation of the restaurant and any repairs to non-structural components of the building for damages caused by its operation. TENANT shall also pay for all regular maintenance of the Premises during the term of this lease, including but not limited to maintenance of the electrical, plumbing, exhaust hood (and regular cleaning of the hood filters and not less than semi-annual cleaning of the hood) and the heating/cooling HVAC (and monthly replacement of filter) system, all aspects of the interior of the Premises; utility system and system components; wood flooring; exterior signs, doors, windows and store fronts; interior lighting and other interior portions of the Premises. Tenant will communicate to Landlord regarding the maintenance and repairs needed at least annually. TENANT agrees to surrender the Premises at the expiration or earlier termination of this lease in as good condition and repair, ordinary wear and tear and damage from the elements excepted, as the condition in which it was in of the first day of the term of this lease.

10. DISCLAIMER OF WARRANTY: LANDLORD makes no warranty of habitability, warranty of fitness or other warranties as to the condition of the Premises. The Premises is leased to TENANT in an "AS IS, WHERE IS" condition.

11. DAMAGE AND DESTRUCTION: In the event the Premises shall be damaged by fire, flood, windstorm, earthquake or any other natural disaster or casualty to such an extent that, in the written opinion of a mutually-acceptable licensed contractor, they cannot be restored to operable condition, or as good as they were in prior to such damage, within 90 days thereafter, either party shall have the right to pause the payment of rent until such time as the condition is reasonably operable. If the operation must cease for more than six months, either party may cancel and terminate this lease, rent to be adjusted as of the date of the damage or destruction. Otherwise, this lease shall continue and LANDLORD agrees to repair the Premises with due diligence within a one hundred eighty (180) day period, or as soon as reasonably possible, and, in the meantime, the rent shall be reduced in such proportion as will compensate TENANT for the space not in operable condition during such repair period.

12. HOLDING OVER: In the event TENANT holds over after lease termination or lease expiration without providing the written notice required herein, said holding over shall not be deemed to be a renewal or extension of this lease, but shall create a tenancy from calendar month

Docusign Envelope ID: 8D54A4D7-3B50-4BA6-B892-2EE874019E06

to calendar month at a monthly rent equal to the rent for the last month paid under this lease. In the event of a holdover, the other terms of this lease shall remain in effect. Any month- to-month tenancy may be terminated by either party giving written notice to the other party on or before the day any monthly rent is due, with termination becoming effective on the day the next following monthly rent would have otherwise become due.

13. **QUIET ENJOYMENT:** LANDLORD covenants that TENANT, on timely payment of the rent and the performance of the covenants and agreements of this lease, may peaceably and quietly have, hold and enjoy the Premises. TENANT covenants and agrees that it will not interrupt the quiet enjoyment of occupants of the adjacent properties.

14. **RULES OF OCCUPANCY:** TENANT agrees to comply with the rules, regulations, orders, laws, statutes and ordinances of the duly constituted public authorities and as adopted by LANDLORD, all of which govern the use and occupancy of the Premises.

15. **TENANT'S DEFAULT/BREACH OF COVENANTS:** In the event TENANT: (a) fails to timely make any payment of rent or any other payment as herein provided when it becomes due, which failure continues uncorrected for a period of (10) days or more after written notice thereof to TENANT, or (b) fails to perform or otherwise violates any of the covenants, agreements and conditions of this Lease and/or the agreements incorporated herein by reference, which violation continues uncorrected for a period of ten (10) days or more after written notice thereof to TENANT, then LANDLORD shall have, in addition to all other remedies available at law or in equity, the right to re-enter the Premises and immediately retake possession thereof and all of its contents, without notice, and to demand and bring suit, if necessary, for recovery of the past-due amounts owed, together with reasonable attorney's fees and costs incurred by LANDLORD. LANDLORD's right to re-enter the Premises shall include the right to repossess said Premises and all personal property in it, evict TENANT and/or others therein, remove the property of TENANT and others therein and, in the discretion of LANDLORD, re-let the Premises. Repossession made by LANDLORD, as provided in this paragraph, shall not relieve TENANT from the payment of rent during the unexpired portion of the term of this lease, but in the event LANDLORD re-lets the Premises after such repossession and prior to the expiration of this lease, TENANT's liability for rent under this paragraph shall be credited monthly (except TENANT shall receive no surplus over and above its liability for rent) with all rent received by LANDLORD from said re-letting from the time of re-letting to the expiration of this lease.

16. **LANDLORD'S DEFAULT/BREACH OF COVENANTS:** In the event LANDLORD shall fail to perform the covenants and/or agreements of this lease which are required to be performed by LANDLORD, TENANT may require LANDLORD to remedy said default or defaults by the service of written notice of opportunity to cure on LANDLORD or LANDLORD's agent, at the address to which rent payments due under this lease are forwarded, and if, at the expiration of thirty (30) days from the receipt of said notice to cure, said default or defaults have not been remedied or LANDLORD is not in the process of remedying the default, then TENANT shall have the option to terminate and cancel this lease on a date after the expiration of said thirty (30) day period, which date shall be selected and designated by TENANT in a written notice to LANDLORD addressed to the address for the forwarding of rent payments due under this lease. Should TENANT elect not to terminate, TENANT may remedy said breach of covenants, agreements, and/or warranties and the cost of such action shall be deducted by TENANT from the unpaid rents which shall accrue under the unexpired term of this lease.

17. **NO WAIVER:** No delay or omission of LANDLORD to exercise any right or power arising from any default by TENANT shall impair any such right or power or be considered as a waiver of any such default or as acquiescence thereto. The acceptance of rent by LANDLORD

Docusign Envelope ID: 8D54A4D7-3B50-4BA6-B892-2EE874019E06

shall not be deemed to be a waiver of any breach of any of the covenants herein contained or of any of the rights of LANDLORD to any remedies herein given.

18. INSPECTION BY LANDLORD: LANDLORD and its agents and employees shall have the right to enter the Premises at all reasonable times and upon reasonable notice to inspect and examine the Premises and to make changes or repairs to the Premises as are herein required, and/or to make repairs for the preservation or maintenance of the Premises. Any such inspection shall not unreasonably interfere with TENANT's use and enjoyment of the Premises. In event of emergency or reasonable need to inspect, LANDLORD may inspect with notice to TENANT during/after the fact if circumstances require.

19. INSURANCE:

(a) LANDLORD agrees to keep the real property insured to its replacement cost against loss or damage by perils.

(b) TENANT shall maintain a commercial general liability insurance policy with a minimum single limit of $1,000,000 for bodily injury, death and property damage insuring TENANT with respect to occurrences on the Premises. LANDLORD shall be named as an additional insured under the policy. TENANT shall be responsible for the cost of any insurance coverage on all inventory, equipment, trade fixtures, Premises fixtures, personal property and contents housed in the Premises.

(c) The insurance required to be carried by subparagraphs (a) and (b) above will be issued by financially responsible insurers duly authorized to do business in Wyoming. 20. TAXES: LANDLORD shall pay all real property taxes assessed against the Premises. 21. JANITORIAL & SNOW REMOVAL: TENANT shall be responsible for the routine cleaning, maintenance, and repair necessary to maintain the Premises and general snow removal of the sidewalk north of the Premises.

MEMORANDUM

RE: Consideration of Resolution 24-25: Revocation of the Standing Audit Committee - City Administrator Stuart McRae and City Treasurer Darla Hawkins

From: Stuart McRae, City Administrator

To: City Council

CC:

Date: 09/02/2025

Background:

In December 2019, the Governing Body agreed to form a standing audit committee consisting of the Mayor and two council members based on an understanding that the City's auditing agents, Porter-Muirhead-Cornia-Howard, had recommended it be done.

The committee was set up to review, recommend, and report to the Governing Body on audit oversight-related communications, taking responsibility for the financial statement disclosures, and any decisions that might become necessary related to findings, fraud, legal noncompliance, or abuse which may be identified by the auditors.

Discussion:

The Audit Committee has never functioned as intended with no instances of inappropriate activities occurring and other tasks already being performed in a manner that meets all audit and Council/public information release requirements.

The attached Resolution 24-25 rescinds Resolution 55-19 in its entirety. If the Governing Body suspects instances of inappropriate or illegal financial activity, the Mayor has the authority to establish a special-purpose, temporary committee to perform tasks as necessary.
