MEMORANDUM

From: Kelly Schroeder, City Planner
To: City of Sheridan City Council
Date: November 24, 2025

Re: PL-25-30, Resolution 30-25 Elmwood Estates Final Plat Staff Report

Background

AVI, P.C., on behalf of the property owner, Khanstruction, LLC, has submitted a final plat application for the following location:

Address:	900 Block of E. 5th Street, Sheridan, WY 82801
Legal:	Unplatted – Portions of Sections 23 and 26, T56N, R84W
PIN:	56842330000633

The applicant is proposing to divide 31.85 acres into four mixed-use lots, one of which is a large remainder lot intended for further subdivision in the future. The proposed subdivision will also establish two new public streets, which will be built to City standard and provide access and utilities to the subdivision

Discussion

Subdivision Details

The proposed Elmwood Estates subdivision is located in the B-1 Business District following a recently approved rezone request by the applicant. Proposed lot sizes within the subdivision are as follows:

- Lot 1, Block 1: 1.52 acres
- Lot 2, Block 1: 24.74 acres
- Lot 1, Block 2: 2.42 acres
- Lot 2, Block 2: 2.60 acres

There are no minimum lot size or density requirements for the B-1 Business District. Setback, height, and parking requirements will be addressed at the time of a building permit application for any of the lots. The property is also located in the Entryway Corridor, which contains certain architectural and landscaping requirements that will also be addressed at the time of a building permit. No open space is required as part of this subdivision as it is not located within a residential zone district.

The applicant intends to develop Lot 2, Block 2 in the immediate future with multi-family residential. Future development on the remaining lots may include additional multi-family residential or commercial uses.

Engineering

A traffic report submitted with this application estimates a daily vehicle trip count of 1,572, with 93 trips occurring during the morning peak hour and 119 trips occurring during the afternoon peak hour. This is based on the intended build out of 233 multi-family units on Lots 1 and 2, Block 2 of the subdivision. Based on this information, internal roads will need to be built to a Minor Collector street standard.

There are two proposed internal roadways in the subdivision with access off of E. 5th Street (WY HWY 336). The proposed Zayd Road will be 293 linear feet, have a 60-foot right-of-way, be a 39-foot-wide road, have a boulevard and sidewalk on both sides, and will terminate in a hammerhead configuration located in an access easement in accordance with International Fire Code. This hammerhead will connect to an access easement traversing Lot 1, Block 2 that will be constructed as a gravel road and serve as the secondary access to the subdivision and proposed building site on Lot 2, Block 2.

The proposed Hisham Drive will line up with Sibley Circle and be 387 linear feet, have a 60-foot right-of-way, be a 39-foot road, have a boulevard and sidewalk on both sides, and will also terminate in a hammerhead configuration with a continuation of the right-of-way located in an access easement to serve future development.

WYDOT has requested that the proposed road tie ins to East 5th Street (WY HWY 336) meet all WYDOT standards. WYDOT has reviewed and approved of the access permits for both proposed roads.

There is an existing pond easement in the center of the property that primarily functions as a stormwater storage facility for runoff from Interstate 90 and surrounding land. This easement will remain in place and development of this property is required to maintain historic drainage flows. A final drainage report was submitted with the Final Plat application and demonstrates that the proposed project and infrastructure do not have any negative downstream impacts.

Utilities

Municipal utility services, including water and sewer, are available to serve the Elmwood Estates subdivision. A comprehensive review of water and sewer infrastructure will be conducted during the Permit to Construct phase. Preliminary analysis of flow data by the applicant's design and engineering team indicates sufficient sewer capacity for this development. The Utilities Department issued a "Will Serve" letter to the applicant in March 2025.

The developer is proposing to utilize a lift station instead of a gravity sewer line for Lot 2, Block 2. This requires a Wyoming DEQ permit for construction and operation, as WDEQ is the permitting authority for this type of facility. The lift station and its appurtenances, like typical gravity sewer service lines, are to be owned and maintained by the property owner. The exact location of the lift station is to be determined during the WDEQ permit to construct process. WDEQ requires that

this facility be operated by a certified wastewater operator. The developer or owner would be responsible for securing this service in perpetuity.

Although not the preferred option, alternative design methods, such as a lift station, may be considered if they meet the City's adopted standards and achieve the intended objectives. If this alternative is implemented, care will be taken to ensure it fulfills the same functional requirements.

If plans are modified to include a gravity sewer service line to Lot 2 of Block 2, additional easements will likely be required but may be considered a minor modification to the plat.

Future Land Use

The Future Land Use Map from 2017 indicates that this area is appropriate for residential use. The proposed development of this area includes multi-family residential, which is consistent with the future vision for this area.

The B-1 Business District would also allow commercial use on the property. Although not necessarily aligned with the Future Land Use Plan, the location along major transportation routes (Interstate 90 and E. 5th Street) is ideal for commercial development. With an initial development plan to build multi-family residential, the B-1 zoning designation would allow future commercial development to support residential use.

Staff Review Comments

Staff comments during the internal review of this rezone application were related to minor errors on the plat, necessary coordination between WYDOT, WDEQ, and City staff on proposed roadways and utility infrastructure, and other concerns related to the future development of Lot 2, Block 2 such as grading and drainage.

Revised documents have been submitted, and all staff comments have been adequately addressed at this time.

Public Notice

Staff sent notices to 19 surrounding property owners and published a legal ad in the Sheridan Press with information about the project and the public hearing schedule. A sign was also posted on the property. To date, staff have received no comments or questions from the public regarding the application.

Planning Commission Public Hearing and Recommendation

Planning Commission will hold a public hearing on this matter on Monday, November 24th at 7:00pm. Staff will update this report prior to the regular City Council meeting on December 1st to include comments from the meeting as well as Planning Commission's recommendation.

Staff Recommendation

Staff recommends that Planning Commission recommend approval of PL-25-30, Resolution 30-25 Elmwood Estates Final Plat to the Governing Body.

RE: Variance Request Letter for Elmwood Estates/Sheridan Apartments Project

Dear Mr. Marneau,

AVI, P.C., on behalf of the proposed Elmwood Estates Subdivision and the Sheridan Apartments Project, would like to request a variance for section 504(A) in the City of Sheridan subdivision code. Hisham Drive ROW does not consistently maintain 60 feet in width. It is to our understanding that once the transfer of ROW from WYDOT to the City of Sheridan takes place, the full 60 feet of ROW would be established. Correspondence with the City and WYDOT has been made concerning this area. An encroachment permit will be required by WYDOT in order to construct Hisham Drive through the "triangle portion".

Additionally, this letter requests a variance from Section 505(E)(9) of the City of Sheridan Subdivision Code. The proposed dead-end designs for Hisham Drive and Zayd Road utilize a "hammerhead" configuration in accordance with the International Fire Code (IFC). Given the steep grades and the potential impact on drainage conveyance to the reservoir, the proposed configurations represent a more suitable and practical design solution versus the standard cul-de-sac turnaround.

If you have any questions or require additional information, please feel free to contact me directly.

Respectfully Submitted

FRACKELTON'S

Building Design / Site Layout Description – Frackelton's Restaurant

Address: 55 North Main Street, Sheridan, WY 82801

Alcohol Dispensing & Service Areas:
Alcohol is dispensed and served primarily from our main bar, located within the dining area visibly cordoned off by a large curved "bar". The bar features full seating and service for guests dining at the counter as well as preparation for drinks served to tables throughout the restaurant. Alcoholic beverages are also served by staff to guests seated in the main dining room and adjoining lounge area.

Alcohol Inventory & Storage:
All alcohol inventory is securely stored in the locked liquor storage room located in the basement. Access to this lock is limited by judgement of management and closely observed. There is a security camera with 24/7 surveillance pointed directly at the only entrance or exit to this area. This room is naturally temperature-controlled with our keg cooler being in that locked section as well. Any and all liquor or wine for cooking is kept in this area as well for safety.

Entrances & Exits:
The building has one primary public entrance located on North Main Street leading directly into the main dining area. A secondary exit is located at the rear of the building for staff use and deliveries. Two additional emergency exits are located on the North side of the building, one located in the dining room and one in the "prep room", used predominantly by staff. All entrances/exits are clearly marked and comply with fire and safety code requirements.

Supplement to Plan of Operation

No Name Bar

901 N Main St, Sheridan WY 82801

A. Location of the licensed building is 901 N Main St, Sheridan, WY 82801. The building is laid out with a room on the North end approximately 30 feet by 23 feet with the parking lot accessible out the north exit. The bar is accessible in this room, and runs through a partition wall into a smaller room approximately 20 feet by 15 feet on the south end with the back bar in this area. Pool table and a pellet stove are in the North end. A small storage area and walk in cooler are on the southeast side of the building and restrooms are on the northeast. Large glass bay doors on the west side open onto the enclosed patio.

B. Licensee will vary scheduled hours and days of operation but will generally fall between the outlined hours of 6 am – 2 am.

C. This facility is a bar.

D. This business has a computerized POS system with inventory control reports built in.

E. Experience of management allows them to anticipate when a crowd will be heavy due to special events in the community or at the NN. On nights when a crowd may become too large for the bartender(s) to monitor extra staff will be employed to prevent underage drinking, overages on capacity and to ensure nothing gets out of hand.

F. This business participates in the Safe Ride Program.

G. Finally, the Requirements for Liquor License Renewal Applications at the fourth box from the top seems to require a statement indicating the financial stability and condition of renewal applicants and new applicants. The Ordinance at 4-14(a) provides that the Clerk shall provide forms which requires information required to be provided by Wyoming statute section 12-4-102. Wyoming statute 12-4-102(a)(vi) requires "a statement indication that financial condition and financial stability of a new applicant.", therefore, Wyoming law does not require the production of statements concerning financial stability or condition from existing licensees. Unless an indication from the City to the contrary, a letter from our Bank would not seem either appropriate or required insofar as WJK LLC is concerned.

MEMORANDUM

RE: Consideration for the Approval of a Professional Service Agreement with Primary Municipal Court Judge, Jeremy Kisling - City Attorney Brad Thimmesch

From: Brad Thimmesch, City Attorney

To: City Council

CC: City Administrator Stuart McRae

Date: 12/01/2025

Background:

Municipal Court Judge Jeremy Kisling was initially appointed as the Alternative Municipal Judge in December 2024 at a rate of $250 per hour. Attached is his current Professional Services Appointment as Alternate Municipal Court Judge. During the months of January and February, Judge Kisling transitioned into the role of Primary Municipal Court Judge to meet the needs of the City.

Since becoming the Primary Municipal Court Judge, staff believe Judge Kisling has done an outstanding job in fulfilling the needs of Sheridan's Municipal Court. He maintains a strong and collaborative relationship with the City, consistently considering the City's priorities while balancing them with the needs of defendants. Judge Kisling has been an excellent addition to the Municipal Court and continues to serve with the best interests of all parties in mind. He demonstrates professionalism, provides consistent support to court staff, and upholds accountability for defendants. It is also my understanding that since becoming the Primary Municipal Judge, Judge Kisling has only missed Municipal Court a couple of times as a result of conflicts with defendants. Alternate Judge Kevin Kessner will continue to serve as the Alternate Judge for the City of Sheridan Municipal Court.

The following is a table of Judge Kisling's monthly invoiced amounts from March 2025 through October 2025, with September and October best reflecting the expected expenses moving forward.

Month	Invoice Number	Invoice Amount
March 2025	2025-4	$2,900.00
April 2025	2025-5	$2,750.00
May 2025	2025-6	$2,725.00
June 2025	-	$2,437.50
July 2025	2025-7	$2,750.00
August 2025	2025-8	$2,500.00
Sept 2025	2025-9	$3,187.50
Oct 2025	2025-10	$3,437.50
Overall Average = $2,835.94		
Sept & Oct Average = $3,312.50		

Discussion:

The main difference between the proposed Professional Agreement and previous Professional Agreements is the transition from an hourly rate of $250.00 to a flat monthly fee of $3,250.00. As you will notice from the above table, the average invoice amount is $2,835.94 per month with the last two months average $3,312.50. It is my understanding that although Municipal Court increased to two (2) days per week mid-July, it really did not go into full effect until September. With this understanding and the growth of the City, it can be expected that the invoiced amounts at the current rate will continue to be the same or increase as they are reflected in the months of September and October.

Additionally, the proposed Professional Agreements provides for a decrease in the monthly fee if the judge is unavailable or unable to serve for two (2) or more consecutive scheduled court dates at a rate of $325.00 per day, and the monthly flat fee structure provides greater flexibility in court operations and supports more efficient communication between parties, all while eliminating unpredictable monthly expenses. The proposed fees align with the City's approved FY26 budget and present no concerns for the financial standing of the Municipal Court.

As such, it is recommended by City Staff for the Governing Body to approve the attached proposed Professional Agreement making Judge Kisling the Primary Judge for two (2) years at a monthly fixed rate of $3,250.00.

Staff Recommendation:

It is recommended by City Staff for the Governing Body to approve the attached proposed Professional Agreement making Judge Kisling the Primary Judge for two (2) years at a monthly fixed rate of $3,250.00.

The Services required of the Alternate Municipal Judge will change from time to time as the City of Sheridan's Municipal Court System is revised and improved. The services actually required hereunder are subject to the mutual agreement of the Alternate Municipal Judge and the Mayor or his designee, from time to time. In addition, the Alternate Municipal Judge serves only when the designated Municipal Judge is unable to serve and requests the Alternate Municipal Judge to serve in his place. The City will ensure that the Municipal Court Clerk or Municipal Judge will provide timely notification to the Alternate Municipal Judge when services are needed under this Appointment.

Nothing in this Agreement shall be deemed to prohibit the Alternate Municipal Judge from performing other private legal services.

2. **JUDGE:** Jeremy Kisling has been appointed and designated as a provider of the Services required as the Alternate Municipal Judge on an as needed basis in such an event that the designated Municipal Judge is unavailable, who shall then provide such services at the direction of the Municipal Judge and the City. For example, if the Municipal Judge changes his policies concerning the imposition and payment of fines, the City will ensure that the Municipal Court Clerk or Municipal Judge informs the Alternate Municipal Judge of those changes so that the Alternate Municipal Judge can implement similar policies to ensure uniform treatment of Defendants in Municipal Court.

Except as specifically provided herein, the duties and responsibilities of the Alternate Municipal Judge shall primarily be those set forth in Wyo. Stat. §§ 5-6-101, *et seq.*; Wyo. Stat. §§ 5-6-201, *et seq.*; and the Sheridan Municipal Code.

3. **TERM:** The initial term of this Appointment shall be one (1) year commencing with the effective date of December ___, 2024 (unless otherwise mutually agreed by the parties to commence earlier) and ending on the one (1) year anniversary date thereafter, unless sooner terminated by the parties. The Alternate Municipal Judge was appointed by the Mayor of the City of Sheridan, with the consent of the Sheridan City Council, and such appointment is subject to termination by the Mayor for incompetency or neglect of duty. 4. **COMPENSATION:** The Alternate Municipal Judge agrees to accept and the City agrees to pay $250.00 per hour as compensation for the Services provided hereunder. The Alternate Municipal Judge shall invoice the City for all time spent providing the Services at the end of each calendar month during the term of this Agreement. The City shall pay such invoice within 45 days, subject to the City's voucher procedures. Expenses incurred by the Alternate Municipal Judge during their performance of Services shall be reimbursed at the rate of $.10 per copy, mileage at the federal rate of travel outside of Sheridan, and at straight cost for all other expenses advanced by the Alternate Municipal Judge for any particular case.

The City shall also provide for the Alternate Municipal Judge's use during the term of this Appointment, the following supplies and equipment used in the performance of the Alternate Municipal Judge's Services: paper, postage, photocopying, judicial robes, current copies of the City Ordinances, Blue Bond Schedule Book, State Statutes and Wyoming Rule of Criminal Procedure, and a printer, all for use at the courtroom.

5. **RELATIONSHIP BETWEEN PARTIES:** The Alternate Municipal Judge shall perform the Services as an appointee of the City, and nothing herein contained shall be construed to be inconsistent with this relationship or status. The City shall not make any withholdings as compensation is paid to the Alternate Municipal Judge. The Alternate Municipal Judge agrees to pay all taxes, insurance, and other expenses as should arise in the day-to-day fulfillment of the Appointment, as would be consistent with a non-employment relationship. The relationship with the Alternate Municipal Judge is nonexclusive. The Alternate Municipal Judge may perform other jobs as the Alternate Municipal Judge deem appropriate and not in conflict with the Services herein. However, the Alternate Municipal Judge shall not represent any party in the Municipal Court of the City of Sheridan and shall not represent any party in any matter or lawsuit filed in Circuit Court, District Court, or Federal Court adverse to the City.

6. **ACCOUNTING: MUNICIPAL COURT MANAGER:** The Alternate Municipal Judge shall not be required to supervise the accounting of the funds of the Municipal Court.

7. **SOVEREIGN IMMUNITY; INSURANCE:** To the maximum extent permitted by law, the Alternate Municipal Judge shall share in the governmental immunity provided to the City of Sheridan for all of the Services provided by the Alternate Municipal Judge pursuant to this Agreement. She requested that the Mayor's letter be posted on the website for transparency.
