

**INTERGOVERNMENTAL AGREEMENT
BY AND BETWEEN
WASHINGTON COUNTY AND
the CITIES OF TIGARD, TUALATIN, and SHERWOOD**

This Agreement (“Agreement”) is made by and between Washington County, a political subdivision of the State of Oregon (“County”), and the Cities of Tigard, Tualatin, and Sherwood, each a municipal corporation, relating to funding for a Homeless Services System City Liaison and funding for homeless services capital projects. The County or each city shall be individually referred to by name or collectively as the “Cities” or jointly as the “Parties” as appropriate.

RECITALS

WHEREAS, ORS 190.010 authorizes units of local government to enter into agreements with each other to perform the functions and activities that each party has authority to perform; and

WHEREAS, in May 2020, voters within the Metropolitan Service District (“Metro”) passed a measure to fund both shelter and wraparound services for the Metro area homeless population. The purpose of the Supportive Housing Services (SHS) measure was to provide a funding mechanism to enable the provision of wraparound services through local government programs. County is the recipient of Metro SHS funding for the unincorporated county and its incorporated cities, including Tigard, Tualatin, and Sherwood; and

WHEREAS, County and its cities are embracing an opportunity to create a more clear and official structure for coordination and action on homelessness. This agreement between the County and partnering city jurisdictions is intended to more clearly define roles and responsibilities to support program alignment and strategies that are working to make homelessness rare and brief in each of our cities, and across the entire county; and

WHEREAS, County’s Department of Housing Services serves as the County’s Continuum of Care lead agency and is the sole recipient of regional tax funding for supportive housing services. However, city jurisdictions must navigate the challenges of homelessness through their provision of city services such as libraries, law enforcement, economic development, and neighbor relations daily. Cities receive little to no external funding to support these daily challenges and do not have a clear role in the provision of homeless services; and

WHEREAS, the goal of this agreement is to support continued partnership between the Cities and County in addressing homelessness issues generally, and to

coordinate in support of the strategies and homeless service system provided by community-based organizations, funded by the Washington County Division of Homeless Services, and delivered in the Cities; and

WHEREAS, the County provides a coordinated system of services delivered through 20+ contracted services providers, and in order to support and enhance coordination of local issues related to homelessness, and homeless services provided across the County, this agreement is intended to provide funding to the Cities for a Homeless Services System City Liaison staff position, and the coordination work related to this role; and

WHEREAS, this agreement is intended to provide the Cities with staffing capacity to work with County staff, and service providers in their jurisdiction, to ensure effective response and coordination in the provision of homeless services. This agreement does not pass funds for service provision through the City of Tigard to manage with third-party service providers; and

WHEREAS, this agreement may also provide funding for homeless services capital projects in the Cities and funding for staff coordination to support these capital projects;

AGREEMENT

NOW, THEREFORE, the Parties agree as follows:

8.1. Termination for convenience. Washington County may terminate this Agreement, with or without cause and at any time, by providing six (6) months' written notice of intent to terminate to the other parties. The Cities of Sherwood, Tigard, and Tualatin, may each withdraw from this Agreement, with or without cause and at any time, by providing six (6) months' written notice of intent to withdraw to the other parties. The remedies provided under this Agreement shall not be exclusive. The parties shall also be entitled to any other equitable and legal remedies that are available. No waiver, consent, modification or change of terms of this Agreement shall bind the parties unless in writing and signed by all parties. Such waiver, consent, modification, or change, if made, shall be effective only in the specific instance and for the specific purpose given. The failure of a party to enforce any provision of this Agreement shall not constitute a waiver by a party of that or any other provision.

EXHIBIT A - SCOPE OF WORK

The Cities of Tigard, Tualatin, and Sherwood (the “Cities”) agree to the following scope of work and allowed uses as they relate to funding provided by Washington County (“County”) under this Agreement.

1. Homeless Services System City Liaison staff position

- 1.1 County will fund the City of Tigard \$200,000 per fiscal year for the purposes of a designated 1.0 full time equivalent (FTE) staff position and other associated costs, to serve as a Homeless Services System City Liaison. The County intends to provide funds annually to ensure ongoing support for this function as long as SHS funds are available. Funding will remain at \$200,000 for the first three years of this agreement (FY2023-24, FY2024-25, and FY2025-26); the annual funding amount will be renegotiated by mutual agreement in subsequent years.
- 1.2 The staff position works in coordination with the Washington County Department of Housing Services staff, the Cities of Sherwood, Tigard, and Tualatin, other city homeless services system city liaisons, and community-based service providers.
- 1.3 The position will work in coordination with city services including community engagement, law enforcement, fire and rescue, libraries, neighborhood associations or Community Participation Organizations (CPOs), public works, parks, utility providers, and other departments and institutions that are engaged in issues relating to homelessness to address programmatic, communications, and community needs.
- 1.4 The position will support relations with key stakeholders including neighborhood associations, business associations, advisory bodies, local elected officials, and other groups that are engaged in issues of homelessness, and lead communications when desired to provide educational opportunities to the community to better understand homelessness.
- 1.5 The general role of this position is to support coordination of services, provide clear information about homelessness and the service system, and help to identify local issues that can be resolved between parties through coordination.
- 1.6 Distribution of FTE capacity
 - 1.6.1 The FTE will provide homeless coordination activities for the Cities such as:
 - a. Public relations and communication with business partners, law enforcement, libraries, neighborhood associations or CPOs, public works, parks, utility providers, etc.;

- b. City services coordination, support, and education to address homelessness and understand homeless service provision, including coordination with law enforcement, libraries, neighborhood associations or CPOs, public works, parks, utility providers, etc.;
- c. Coordination and support on site identification and related community engagement for new homeless services to be located in the Cities;
- d. Coordination of the Cities' participation in the annual Point in Time (PIT) Count;
- d. City Council and City Manager communications and coordination; and
- e. Other homeless-related coordination activities for the Cities as needed.

1.6.2 The FTE will also provide coordination activities in support of homeless services funded by Washington County's Department of Housing Services, such as:

- a. Service provision planning and advising at the system level with County staff for new shelter, access centers, or other homeless service programming;
- b. Addressing challenges with local service providers regarding quality of care or other program challenges;
- c. Participating in services coordination meetings with County staff and local service providers;
- d. Conducting local analysis of systems gaps and service delivery opportunities to inform system planning and investment strategies with the County staff;
- e. Participating in system coordination meetings with other city homeless services system liaisons and County staff, and advisory bodies; and
- f. Other coordination activities with the County Homeless Services System as identified.

2. Supervision of Liaison and Work Equipment to be Provided by Each City

2.1 The City of Tigard is the Liaison's employer and is responsible for overall assignment of the Liaison. However, the Cities of Sherwood and Tualatin will each assign a primary point-of-contact for the Liaison. The primary point-of-contact will be responsible for on-boarding the Liaison into the individual City's systems, act as an internal resource, and report on the Liaison's performance periodically to the City of Tigard. The City of Tigard shall exercise sole discretion regarding discipline of the Liaison.

2.2 The Liaison will work the City of Tigard's default schedule – 10 hours a day, four days a week, Monday to Thursday. During the on-boarding period the Liaison may be

required to be in-person for training and other on-boarding activities. After the on-boarding period, the Liaison will be remote, except as required.

The Liaison will provide coordination activities to the City of Tigard approximately 50%, Tualatin 25% and Sherwood 25% of the time, with the understanding that this distribution may vary as needed.

2.3 The following will be provided for use by the Liaison:

- a. A computer, cell phone, and an email address will be issued to Liaison by the City of Tigard.
- b. Tualatin and Sherwood will issue necessary IT credentials. The Cities will coordinate how the Liaison will access all systems. Liaison shall comply with each City's respective acceptable use policy.
- c. Each City will issue building access credentials to the Liaison and each City will provide office space for the Liaison when the Liaison is required to be on-site.
- d. Each City will provide City-owned vehicles for use by the Liaison, when required.

3. Potential funding for capital projects

3.1 Additional funding may be distributed through this agreement for the purposes of supporting capital projects in the Cities that will be dedicated for the provision of homeless services.

3.2 Funding may include both capital investments and staff coordination capacity needed to support the project.

3.3 Funding will be determined per project for both the capital and staff capacity support, be provided as one-time funding, and be fully described in an amended scope of work to this agreement. Each scope amendment will include funding amount, estimated timeline, and role definition for the Cities and County staff related to that project.

3.4 When a potential project is identified, each of the individual Cities and County Department of Housing Services staff will work together to determine that the project is fit for funding through this agreement. This process will include:

- a. Determination that the project is eligible for Supportive Housing Services funding as determined by Metro's work plan for SHS revenue, and consistent with the County's Local Implementation Plan.

- b. Determination that the project is consistent with geographic equity and distribution of services across the County.
- c. Demonstration of joint support for the project from the Cities and County leadership.
- d. Determination that the capital project's budget is adequate and fully funded to ensure final delivery of the project.
- e. Identification of funding commitments to fully manage long-term program and building operations.
- f. Agreement on capital grant and project coordination costs to be funded through this agreement.

4. Evaluation and reporting

- 4.1 Reporting and program evaluation elements of this partnership are intended to demonstrate the value of the partnership and identify opportunities for system improvement. Evaluation and reporting activities will be intentionally constrained to ensure that undue burden is not created for staff responsible for this coordination agreement.
- 4.2 Upon commencement of the agreement, the Cities and Department of Housing Services staff, in partnership with other city liaisons, will work together to develop a reasonable reporting template to define an annual narrative and program outcomes report. This template can be amended annually as the parties seek continued process improvements through learned experience.
- 4.3 Annual reporting and evaluation process:
 - a. The Cities will each provide a narrative report describing the coordination activities that were achieved through this agreement by September 30 for the previous fiscal year (e.g., a narrative report for FY2024-25 will be due by Sept 30, 2025).
 - b. The Department of Housing Services will provide each of the Cities with annual outcomes data from the Homeless Management Information System (HMIS) to describe impact of services provided in the Cities by September 30 for the previous fiscal year (e.g., outcomes data for FY2024-25 will be due by Sept 30, 2025).
 - c. The parties will co-present these annual reports and findings to the Washington County Homeless Services advisory body and may also present to each of the

Cities' City Council, and the Washington County Board of County Commissioners, or other stakeholders as deemed mutually appropriate by the parties.

- d. The parties will convene at least annually to evaluate program outcomes and make recommendations for system improvements in April-May of each year, in advance of the County budget and work plan cycle.
- e. The parties will convene at least annually to review outcomes of this Homeless Services System City Liaison program to make recommended changes and improvements to this scope of work and overall contractual partnership.
- f. The Cities may request a report of program outcomes or provider evaluation data from HMIS to evaluate the quality of services in the local community at any time of the year. Department of Housing Services staff will make every effort to provide data as appropriate and deliver the data in a reasonable time frame.
