Street Commission

a)

Meeting Date: 12/03/2024

ITEM TITLE: 306 Main Street East sidewalk removal request

DEPARTMENT: Public Works

PURPOSE:

Discuss the sidewalk removal request at noted address.

ITEM SUMMARY:

The property owner at 306 Main Street East has requested approval to remove their sidewalk on the West side of their house along Franklin Avenue. Normally in the past, if the sidewalk is by itself and not connected to other sidewalks in line with itself, we have given approval for removal. This sidewalk is a bit different because it connects an entire half block from the alley behind the residence to Main Street. This will require some discussion.
