Terms and Conditions of Sale

Revised as of August 1st, 2022

1. APPLICABILITY. These Terms and Conditions of Sale are an abridged version of I-CON's standard Terms and Conditions of Sale accessible at <https://www.i-con.com/terms-and-conditions> ("Terms") and apply to all sales of goods and products (collectively, "Products") I-CON makes to a customer pursuant to the customer's order or other offer to purchase Products (collectively, "Order"). All Orders incorporate the Terms into, and make them a part of, all Orders as if fully repeated in all Orders (regardless of whether any Order specifically incorporates these Terms).

2. CUSTOMER TERMS AND CONDITIONS. As used in these Terms, "Customer Terms and Conditions" means all terms and conditions in any customer acknowledgement, bid, confirmation, communication, offer, Order, proposal, purchase order, request, solicitation, or other writing that attempts or purports to impose any (i) additional, amended, conflicting, deleted, different, inconsistent, limiting, modified, non-identical, qualifying, rejecting, substitute, or supplementary terms and conditions to these Terms or (ii) otherwise affect these Terms in any way. Notwithstanding any Customer Terms and Conditions, I-CON expressly and unequivocally conditions Product sales to customer upon customer's acceptance of, and agreement with, these Terms and no Customer Terms and Conditions. All Customer Terms and Conditions shall be disregarded in their entirety. No Customer Terms and Conditions are part of an Order or any contract between the customer and I-CON. Any Customer Terms and Conditions will have no validity or force or effect and will not be deemed part of a contract between I-CON and customer. I-CON objects to, and rejects all, Customer Terms and Conditions. Customer shall not assert against I-CON and irrevocably, unconditionally, unqualifiedly, and unequivocally waives any action, allegation, argument, assertion, cause of action, claim, defense, demand, proceeding, or suit, whether at law or in equity (collectively, "Claims"), that any Customer Terms and Conditions either (i) amend, conflict with, delete, differ from, are inconsistent with, limit, modify, are non-identical, qualify, reject, substitute, supplement, or (ii) otherwise affect these Terms in any way. I-CON's failure to object specifically to any Customer Terms and Conditions will not validate or give effect to such Customer Terms and Conditions in any way or modify or otherwise affect these Terms in any way.

3. ORDERS. All Orders are subject to I-CON's acceptance or rejection, in I-CON's sole discretion, and shall comply with I-CON's requirements as to form and substance. No Order will be binding upon I-CON until the earlier of (i) one of I-CON's authorized employees accepts and confirms the Offer in writing ("Order Confirmation") or (ii) I-CON delivers Products to customer pursuant to the Order. If I-CON does not issue an Order Confirmation or deliver Products to customer pursuant to the Order on or before the 30th day after I-CON receives the Order, then, without any additional action of I-CON or the customer, the Order will be deemed to have lapsed and be invalid and of no force or effect. If I-CON issues an Order Confirmation, customer shall confirm that all information in the Order Confirmation (including pricing, type of Products, and quantities of Products) is accurate and complete on or before the third business day of the Order Confirmation's date; and, if customer fails to confirm an Order Confirmation's accuracy and completeness within such 3 business day period, the Order Confirmation will be deemed accurate, complete, and binding upon customer. I-CON may cancel accepted but unfilled Orders, with or without cause, and without liability to customer. If customer cancels or modifies an Order prior to I-CON's delivery of all or part of the Order, customer will pay (i) all costs I-CON shall have incurred through the cancellation or modification date, (ii) all costs I-CON incurs after the cancellation or modification date relating to the cancellation or modification, and (iii) a service charge that I-CON shall set based upon the Order's size and pricing. I-CON may refuse any Order for less than \$50. If an Order is for any Custom Product, Customer will provide all measurements and other specifications for the Custom Product ("Custom Specifications") to I-CON. Notwithstanding anything to the contrary in these Terms, (i) Customer must submit all Custom Specifications in writing to I-CON's engineering department for prior acceptance and I-CON for pricing, (ii) I-CON's engineering department must accept the Custom Specifications in writing and Customer must accept I-CON's pricing in writing before I-CON will be deemed to have accepted an Order for any Custom Product pursuant to these Terms, (iii) I-CON's acceptance of any Custom Specifications will be limited to its acknowledgment that it can manufacture the Custom Specifications, (iv) Customer will be solely responsible and liable for all issues, Claims, and Liabilities arising out of, or relating to, its Custom Specifications (including, without limitation, their sizing and dimensions, fitness for a particular purpose, suitability for use, merchantability, and all other issues), (v) I-CON's sole obligation and liability will be to manufacture the Custom Product according to the Custom Specifications, (vi) I-CON's acceptance of any Custom Specifications will not constitute an approval of the Custom Specifications for any purpose or in any way including, without limitation, that any architect, engineer, or other third party will accept or approve the Custom Product or Custom Specifications. All amendments, changes, modifications, or supplements to any Custom Specifications that I-CON has accepted must be submitted to I-CON for its renewed acceptance and pricing. All Orders for Custom Products are subject to these Terms' provisions governing cancellation and modification of Orders.

4. PRICE AND PAYMENT. Customer will purchase Products at the prices I-CON shall quote to customer in writing, without set-off, reduction, discount, recoupment, or withholding. I-CON does not grant prepayment discounts. I-CON may change Prices without notice at any time, and I-CON's price quotes are conditioned upon customer's acceptance of them on or before the 30th day after their date, unless expressly stated otherwise in a price quote. All price quotes containing typographic or clerical errors are subject to I-CON's correction and will not be binding upon I-CON. Customer will pay in full all invoiced amounts in U.S. dollars on or before the 30th day after I-CON's invoice date, without set-off, reduction, discount, recoupment, or withholding, by such means as I-CON shall require from time to time. If payment shall be due on a non-banking day when banks or financial institutions are not open to receive funds, customer shall make payment on the next banking day. Customer will pay a service charge on delinquent invoiced amounts at the lesser of 2% per month or the highest rate permissible under applicable Laws, calculated daily and compounded monthly. Customer will reimburse I-CON for all costs I-CON incurs to collect delinquent amounts, including I-CON's attorneys' fees. I-CON may refuse to sell or deliver Products to customer if customer is then delinquent in making a payment or otherwise in breach of these Terms. I-CON may fix or change from time to time any credit terms upon which I-CON may be willing to sell Products to customer and may decline to sell or deliver Products to customer until customer has met I-CON's credit terms. Unless specifically set out in an Order Confirmation, I-CON's pricing for Products that customer shall order do not constitute "most favored customer" pricing. Customer will pay for Products by one of the following methods: ACH/electronic funds transfer; credit card; wire payment; or check. Customer shall mail any payment by check to the following address: I-CON Systems, Inc., P.O. Box 748371, Atlanta, Georgia 30374-8371.
