To Whom it May Concern:

Smiths Detection, Inc. was awarded New York OGS contract **PC69033** with award number **23173** and it includes Smiths Detection products, services and software in **Group 38232**. A local government would like to utilize this contract to complete their purchase of this screening equipment to improve safety at their jail and so Smiths Detection hereby grants **Webb County, Texas** our approval to purchase any listed equipment on award using the Hazardous Incident Response Equipment (HIRE) contract mentioned above.
