FINANCIAL SERVICES

AGREEMENT NUMBER

Addendum to Agreement # _____ and any future supplements/schedules thereto, between Webb, County of, as Customer and **Toshiba Financial Services**, as Lessor. The words "you" and "your" refer to Customer. The words "we" and "us" refer to Lessor.

1. The parties wish to amend the above-referenced Agreement by adding the following language:

REPRESENTATIONS AND WARRANTIES OF CUSTOMER: You hereby represent and warrant to us that: (i) you have been duly authorized under the Constitution and laws of the applicable jurisdiction and by a resolution or other authority of your governing body to execute and deliver this Agreement and to carry out your obligations hereunder; (ii) all legal requirements have been met, and procedures have been followed, including public bidding, in order to ensure the enforceability of this Agreement; (iii) this Agreement is in compliance with all laws applicable to you, including any debt limitations or limitations on interest rates or finance charges; (iv) the Equipment will be used by you only for essential governmental or proprietary functions of you consistent with the scope of your authority, will not be used in a trade or business of any person or entity, by the federal government or for any personal, family or household use, and your need for the Equipment is not expected to diminish during the term of this Agreement; (v) you have funds available to pay Payments until the end of your current appropriation period, and you intend to request funds to make Payments in each appropriation period, from now until the end of the term of this Agreement; and (vi) your exact legal name is as set forth on page one of this Agreement.

INITIAL TERM AND RENEWAL TERM(S): The term of the Agreement consists of an initial term beginning on the date we pay Supplier and ending at the end of your fiscal year in which we pay Supplier, and a series of renewal terms, each co-extensive with your fiscal year. Except to the extent required by applicable law, if you do not exercise your right to terminate the Agreement under the Non-Appropriation or Renewal paragraph as of the end of any fiscal year, the Agreement will be deemed automatically renewed for the next succeeding renewal term.

An election by you to terminate the Agreement under the Non-Appropriation or Renewal paragraph is not a default.

Notwithstanding anything to the contrary set forth in the Agreement, if we cancel the Agreement following a default by you, we may require that you pay the unpaid balance of Payments under the Agreement through the end of your then-current fiscal year, but we may not require you to pay future Payments due beyond that fiscal year or the anticipated residual value of the Equipment. If we sell the Equipment following a default by you, you will not be responsible for a deficiency, except to the extent of our costs of repossession, moving, storage, repair and sale, and our attorneys' fees and costs.

NON-APPROPRIATION OR RENEWAL: If either sufficient funds are not appropriated to make Payments or any other amounts due under this Agreement or (to the extent required by applicable law) this Agreement is not renewed either automatically or by mutual ratification, this Agreement shall terminate and you shall not be obligated to make Payments under this Agreement beyond the then-current fiscal year for which funds have been appropriated. Upon such an event, you shall, no later than the end of the fiscal year for which Payments have been appropriated or the term of this Agreement has been renewed, deliver possession of the Equipment to us. If you fail to deliver possession of the Equipment to us, the termination shall nevertheless be effective but you shall be responsible, to the extent permitted by law and legally available funds, for the payment of damages in an amount equal to the portion of Payments thereafter coming due that is attributable to the number of days after the termination during which you fail to deliver possession and for any other loss suffered by us as a result of your failure to deliver possession as required. You shall notify us in writing within seven days after (i) your failure to appropriate funds sufficient for the payment of the Payments or (ii) to the extent required by applicable law, (a) this Agreement is not renewed or (b) this Agreement is renewed by you (in which event this Agreement shall be mutually ratified and renewed), provided that your failure to give any such notice under clause (i) or (ii) of this sentence shall not operate to extend this Agreement or result in any liability to you.

SUPPLEMENTS; SEPARATE FINANCINGS: To the extent applicable, in the event that the parties hereafter mutually agree to execute and deliver any supplement or

schedule ("Supplement") under the above-referenced Agreement, such Supplement, as it incorporates the terms and conditions of the Agreement, shall be a separate financing distinct from the Agreement or other Supplements thereto. Without limiting the foregoing, upon the occurrence of an event of default or a non-appropriation event with respect to the Agreement or a Supplement (each, a separate "Contract"), as applicable, we shall have the rights and remedies specified in the Agreement with respect to the Equipment financed and the Payments payable under such Contract, and we shall have no rights or remedies with respect to Equipment financed or Payments payable under any other Contract unless an event of default or non-appropriation event has also occurred under such other Contract.

2. The parties wish to amend the above-referenced Agreement by restating certain language as follows:

Any provision in the Agreement stating that you shall indemnify and hold us harmless is hereby amended and restated as follows: "You shall not be required to indemnify or hold us harmless against liabilities arising from this Agreement. However, as between you and us, and to the extent permitted by law and legally available funds, you are responsible for and shall bear the risk of loss for, shall pay directly, and shall defend against any and all claims, liabilities, proceedings, actions, expenses, damages or losses arising under or related to the Equipment, including, but not limited to, the possession, ownership, lease, use or operation thereof, except that you shall not bear the risk of loss of, nor pay for, any claims, liabilities, proceedings, actions, expenses, damages or losses that arise directly from events occurring after you have surrendered possession of the Equipment in accordance with the terms of this Agreement to us or that arise directly from our gross negligence or willful misconduct."

Any provision in the Agreement stating that the Agreement is governed by a particular state's laws and you consent to such jurisdiction and venue is hereby amended and restated as follows: "This Agreement will be governed by and construed in accordance with the laws of the state where you are located. You consent to jurisdiction and venue of any state or federal court in such state and waive the defense of inconvenient forum."

Any provision in the Agreement stating this Agreement supersedes any invoice and/or purchase order is hereby amended and restated as follows: "You agree that the terms and conditions contained in this Agreement, which, with the acceptance certification, is the entire agreement between you and us regarding the Equipment and which supersedes any purchase order, invoice, request for proposal, response or other related document."

Any provision in the Agreement stating that this Agreement shall automatically renew unless the Equipment is purchased, returned or a notice requirement is satisfied is hereby amended and restated as follows: "Unless the purchase option is \$1.00 or \$101.00, you agree to send us written notice at least 30 days before the end of the final renewal term that you want to purchase or return the Equipment, and you agree to so purchase or return the Equipment not later than the end of the final renewal term. If you fail to so purchase or return the Equipment at or before the end of the final renewal term, you shall be a holdover tenant with respect to this Agreement and the Equipment, and this Agreement shall renew on a month-to-month basis under the same terms hereof until the Equipment has been purchased or returned."

Any provision in the Agreement stating that we may assign this Agreement is hereby amended and restated as follows: "We may sell, assign, or transfer this Agreement without notice to or consent from you, and you waive any right you may have to such notice or consent."

Any provision in the Agreement stating that you grant us a security interest in the Equipment to secure all amounts owed to us under any agreement is hereby amended and restated as follows: "To the extent permitted by law, you grant us a security interest in the Equipment to secure all amounts you owe us under this Agreement and any supplements hereto. You authorize and ratify our filing of any financing statement(s) and the naming of us on any vehicle title(s) to show our interest."

METER COLLECTION CHOICES:

What is Toshiba's Automated Meter Read Program (AMR)? As part of your service contract with TBS, you are required to report usage data for all your printers, copiers, and multifunction devices. With manual reporting, you must go to each device, record the serial numbers and meter readings, and submit this information via email, fax or phone. Toshiba's AMR program automatically gathers usage data for each device and sends it securely to TBS at scheduled intervals. The result is more accurate and timely reporting, fewer billing errors, and less busy work for you.

How much does Toshiba AMR cost me?

Nothing. Ever.

What information does AMR gather?

The automated meter reading system captures all required information for billing purposes; Machine model, Serial number, and usage information.

Is the transmission secure?

Yes. Data is completely secure.

Toshiba Business Solutions IT Team will work with you to set up equipment meter collections in the priority listed below:

1 Automated Meter Read (e-Bridge CloudConnect)

Your Toshiba system will be equipped with two-way communication capabilities. TBS will provide updates, system back ups, and meter collection automatically. Equipment MUST be connected to your network.

2 Automated Meter Read (On Site Software)

TBS will provide free AMR software that will automatically pull meter information and input into TBS billing system. Equipment MUST be connected to your network.

3 Meters Online (MOL)

An automatic meter request is sent to the End User directly from the TBS billing system.
End User collects the meter readings and goes to <http://meters.toshiba.com> and enters the meters online manually.
All meters submitted via online are electronically imported into the TBS billing with no manual entry or interaction by TBS.

TBS may charge a fee to recover the cost of meter collections if meters are not submitted through the automated website. TBS reserves the right to convert Customer to a flat fee, based upon the greater of a specific unit's historical average volume or the device type's midpoint manufacturer recommended volume, if meters are not made available for the device(s) after 3 consecutive billing periods.

ELECTRONIC INVOICING CHOICE:

Toshiba is committed to the environment through its worldwide green initiatives. One of the primary goals of Toshiba's green initiatives is environmental management through corporate social responsibility. One of TBS's Eco-Innovation initiatives is to convert to electronic invoicing whenever possible. Converting to electronic invoicing will enable TBS to decrease its consumption of environmental resources tremendously.
