**Subject: Webb County – Statement of Qualifications
On Call Land Surveying Services for County Projects
RFQ 2025-012**

Dear Webb County Purchasing Agent:

Howland Engineering and Surveying Co., Inc. (Howland) values this opportunity to submit the Request for Qualifications (RFQ) which depicts that we at Howland are experienced and qualified to provide professional land surveying services for the above referenced project.

The following RFQ outlines in detail our qualifications and recent experience to complete the above referenced scope of work for your upcoming project(s). This Statement of Qualifications is valid for ninety (90) days from the deadline of submission. All terms and conditions of the RFQ are understood and acknowledged. If you have any questions or need additional information, please do not hesitate to contact me at 956-722-4411.

Thank you for providing us this opportunity to submit the following Request for Qualifications.

Sincerely,
Howland Engineering and Surveying Co., Inc.

EXECUTIVE SUMMARY

Howland Engineering and Surveying Co., Inc. (Howland) is comprised of a diverse team of highly skilled and certified professionals that include Registered Professional Land Surveyors, Professional Engineers, Certified Floodplain Managers, Planners, Safety Professionals, Certified Construction Materials Testing Technicians & other experienced personnel. Our focus has always been “getting the work done” and this remains our approach to providing efficient and quality service in today’s fast-paced environment.

Howland has been providing surveying services in Texas since 1922 to both the public and private sectors. Our geographic databases and knowledge are unsurpassed with historical survey data dating back to the 1890’s. This valuable database allows our team ready access to pertinent information about the territory in turn providing a detailed and accurate product for clients. To this date, Howland has conducted thousands of Land Title Surveys including ALTA’s and Category 1A surveys.

Howland is committed to efficiently providing our clients with timely and accurate products while staying within budgets. Howland is comprised of a diverse team of experienced and certified professionals and qualified staff members and technicians to complete the task at hand in our multi-discipline departments: surveying, land development, master planning, civil engineering, foundation engineering, geotechnical engineering, and construction materials testing. Howland Engineering and Surveying Co. maintains full-time professional personnel who will perform all surveying services.

LAND SURVEYING EXPERIENCE

Howland was established as a surveying company in 1922 and has been providing services to both the public and private sectors. Our geographic knowledge and databases are unsurpassed with historical survey facts dating back to the 1890's. This valuable database allows our team ready access to pertinent information about the territory in turn providing a detailed and accurate product for clients. To this date, Howland has conducted thousands of Land Title Surveys including ALTA's and Category 1A surveys.

Howland is committed to efficiently providing our clients with timely and accurate products while staying within budgets. Howland is comprised of a diverse team of experienced and certified professionals and qualified staff members and technicians to complete the task at hand in our multi-discipline departments: surveying, land development, master planning, civil engineering, foundation engineering, geotechnical engineering, and construction materials testing. Howland Engineering and Surveying Co. maintains full-time professional personnel who will perform all surveying services.

FINANCIAL STABILITY

Howland is financially stable and able to perform the functions required by this RFQ and to provide the services represented in this response.

II. PERSONNEL QUALIFICATIONS

KEY PERSONNEL

The following team members at Howland currently maintain professional certifications for their specific discipline and are currently in good standing with the state / institute agencies.

Professional		Experience
1	Bernal F. Slight, PE, RPLS Surveying / Civil Engineering	35+ years experience • ALTA Surveying • Boundary Surveying • Construction Staking • Residential Lot Surveying
2	James Ornelas, RPLS Surveying	30+ years experience • ALTA Surveying • Boundary Surveying • Residential Lot Surveying • Construction Staking • Oil and Gas Surveying
3	Juan Segovia, RPLS, CFM Planning Coordinator	30+ years experience • ALTA Surveying • Boundary Surveying • Construction Staking • Oil and Gas Surveying

Bernal F. Slight, PE, RPLS

Engineering Manager / Partner

Howland Engineering and Surveying Co., Inc.

CERTIFICATION

Texas Registered Professional Engineer (TX Registration No. 77981)

Texas Registered Professional Land Surveyor (TX Registration No. 5328)

TxDOT Pre-Certified Surveyor (Sequence No. 9914)

EDUCATION

Texas A&M University, College Station, Texas

Bachelor of Science in Civil Engineering (1986)

BIO

Bernal F. Slight is a partner and engineering manager of Howland Engineering and Surveying Co. A Howland staple since 1996, he started his career in civil engineering and grew to include land surveying services. Today he has more than 35 years of experience in civil engineering and land surveying. This includes vast experience with hydrology, civil engineering surveying services, land development, subdivision master planning and platting, and civil site development. He has managed various major land surveying, civil engineering, and land development projects throughout the City of Laredo.

PROJECT EXPERIENCE

- **BayWa r.e. Solar Projects, LLC –Corazon Ranch Solar Project | Laredo, TX**

Approximately 11 miles east of City of Laredo along State Highway-59, Webb County, Texas. 1,942.70 acre ALTA survey, identify oil & gas wells, identify water wells, identify utilities, identify easement and encumbrances, identify above ground improvements, create improvement and access easements, perform topographical survey using LIDAR technology, construction staking for solar development improvements including site grading, roads, fencing, transmission and electrical poles, foundations, solar panel support piles, culverts, and detention ponds.

- **Cuatro Vientos Road Right-of-Way Acquisition | Laredo, TX**

Howland performed the surveying documentation for the right-of-way acquisition and set horizontal and vertical controls for aerial mapping for the Cuatro Vientos Road in accordance with TxDOT requirements. Howland performed the necessary field work, research and plats with metes and bounds description for over 23 landowners for the proposed roadway from State Highway 359 to Mangana-Hein Road (~6.1 miles) with the required benchmarks throughout the alignment. The project utilized first-order GPS horizontal control at ½ mile intervals along the 1000' wide corridor.

James Ornelas, RPLS

Surveying Manager / Partner

Howland Engineering and Surveying Co., Inc.

CERTIFICATION

Texas Registered Professional Land Surveyor (TX Registration No. 5726)

EDUCATION

San Antonio College, San Antonio, Texas

Civil Engineering Technology Field (acquired class hours) (1985-1992)

South West Texas Junior College, Uvalde, Texas

Acquired class hours (1985)

BIO

James Ornelas is a partner and surveying manager of Howland Engineering and Surveying Co., Inc. With over 30 years of working in Texas as a surveyor, James has a wide-breadth of experience and insight. His extensive knowledge, coupled with a historical library dating back to the 1890's, are distinct benefits for clients. His management oversight includes research, field operations, field measurements for oil and gas well locations, analyzing survey boundaries and maintaining a high level of company safety leadership and training. James Ornelas is a partner and decision maker at Howland Engineering and Surveying Co. Inc. where he values the strong working relationships he has developed with clients over the years, including private parties, city, county, state and federal agencies.

PROJECT EXPERIENCE

- **42 Mile County Line Resurvey for McMullen Co. and LaSalle Co., TX**

Mr. Ornelas is the lead project's professional land surveyor mapping out and identifying the McMullen Co. and LaSalle Co. common county line west and east. The project involves re-surveying approximately 42 miles of the county line originally drawn in 1878, an era when boundary markers were often based on natural landmarks such as trees or riverbeds. Over time, those markers faded, and about a year and a half ago, landowners began raising concerns about inconsistencies in the boundary. With each county having a different boundary, the need for a new definitive survey became evident. His responsibilities included preparing and maintaining sketches, legal descriptions of surveys, maps, and report to certify for work performed; search legal and surveying records including land titles; verifying accuracy of surveying data including measurements and calculations performed at sites; establish legal boundaries for properties based on legal deeds and titles; determined coordinates or longitudes and latitudes of features and boundaries of surveyed areas based on a GPS system to resurvey counties lines. Mr. Ornelas' immense knowledge of Texas land has helped the client accurately obtain the information to guarantee precise and reliable documentation.

- **Piloncillo Ranch 105,480ac. Boundary Survey – Webb Co., Dimmit Co. & LaSalle Co. Texas**

Mr. Ornelas led the survey team in conducting and completing the 105,480 acre survey of the Piloncillo Ranch boundary and partitioning the ranch into 2 divided tracts along with their respective metes and bounds. The project scope spanned across three counties utilizing the GPS surveying equipment and over 80 years of historical data to complete the survey and fulfill our client's needs.

Juan Segovia, RPLS, CFM

Planning Coordinator

Howland Engineering and Surveying Co., Inc.

CERTIFICATION

Registered Professional Land Surveyor (Registration No. 6290)

Certified Floodplain Manager (Registration No. 0417-02N)

EDUCATION

University of Texas, Austin, Texas

Bachelor of Architecture (1988)

WORK EXPERIENCE

Howland Engineering & Surveying Co., Inc. - Planning Coordinator (2003- Present)

Laredo, Texas

- Review and certify ALTA/NSPS land title surveys, partition surveys, and boundary surveys
- Oversee the quality control department in the review of all oil & gas related plats (i.e. locations, SUP's, pipeline routes, leases, etc.)
- Oversee all planning and zoning applications and submittals that are to be presented to the Parks Advisory Board, Board of Adjustments, Planning and Zoning Commission, and City Council
- Review and provide input in the creation of plats and master plans
- Research warranty deeds, mineral leases, agreements, ordinances relevant to land development projects
- Review and certify elevation certificates and other floodplain development permits and related applications for compliance with technical requirements

City of Laredo - Planning and Zoning Department - Senior Planner (1993-2003)

Laredo, Texas

- Review plats and master plans submitted by engineering companies to be presented to the Planning and Zoning Commission
- Review zone change, special use permit, and conditional use permit requests to be presented to the Planning and Zoning Commission and City Council
- Review cases to be presented to the Board of Adjustments
- Review cases to be presented to the Historical Commission
- Oversee the park design and staff support for two city parks
- Long range planning, special projects and administrative duties
- Responsible for ordinance amendments and new ordinances (i.e. Model Rules, Floodplain Management Ordinance, etc.)

OTHER

Planner in charge of the *City of Laredo* creation of the Urban Plan of Los Dos Laredos "La Carta Urbana", in a joint project with the City of Nuevo Laredo, Tamps., Mexico. This project received the Project Planning Award from the Texas Chapter of the American Planning Association (1995).

BENEFITS FOR THIS PROJECT

Howland is excited to bring our land surveying expertise to Webb County to provide projects for our community. Our strengths and years of experience allow our team to work in an efficient and streamlined manner, which ensures we meet the County's needs and requirements.

Our reputation in Webb County is based on our ability to perform whatever tasks we undertake in a professional and workman like manner. The Howland team of multi-disciplinary professionals allows us the unique advantage to service varying components of projects for our clients. Howland will perform the work in accordance with all City, State, and Federal laws and guidelines in compliance to the specifications provided by Webb County.

CONFLICT OF INTEREST QUESTIONNAIRE
For vendor doing business with local governmental entity

FORM CIQ

This questionnaire reflects changes made to the law by H.B. 23, 84th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code, by a vendor who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the vendor meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Local Government Code.

A vendor commits an offense if the vendor knowingly violates Section 176.006, Local Government Code. An offense under this section is a misdemeanor.

OFFICE USE ONLY

Date Received

1 Name of vendor who has a business relationship with local governmental entity.

Howland Engineering and Surveying Co., Inc.

2 ☐ Check this box if you are filing an update to a previously filed questionnaire. (The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date on which you became aware that the originally filed questionnaire was incomplete or inaccurate.)

3 Name of local government officer about whom the information is being disclosed.

None.

Name of Officer

4 Describe each employment or other business relationship with the local government officer, or a family member of the officer, as described by Section 176.003(a)(2)(A). Also describe any family relationship with the local government officer. Complete subparts A and B for each employment or business relationship described. Attach additional pages to this Form CIQ as necessary.

A. Is the local government officer or a family member of the officer receiving or likely to receive taxable income, other than investment income, from the vendor?

☐ Yes

☒ No

B. Is the vendor receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer or a family member of the officer AND the taxable income is not received from the local governmental entity?

☐ Yes

☒ No

5 Describe each employment or business relationship that the vendor named in Section 1 maintains with a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership interest of one percent or more.

NA

6 ☐ Check this box if the vendor has given the local government officer or a family member of the officer one or more gifts as described in Section 176.003(a)(2)(B), excluding gifts described in Section 176.003(a-1).

CONFLICT OF INTEREST QUESTIONNAIRE
For vendor doing business with local governmental entity

A complete copy of Chapter 176 of the Local Government Code may be found at <http://www.statutes.legis.state.tx.us/Docs/LG/htm/LG.176.htm>. For easy reference, below are some of the sections cited on this form.

Local Government Code § 176.001(1-a): "Business relationship" means a connection between two or more parties based on commercial activity of one of the parties. The term does not include a connection based on:

- (A) a transaction that is subject to rate or fee regulation by a federal, state, or local governmental entity or an agency of a federal, state, or local governmental entity;
- (B) a transaction conducted at a price and subject to terms available to the public; or
- (C) a purchase or lease of goods or services from a person that is chartered by a state or federal agency and that is subject to regular examination by, and reporting to, that agency.

Local Government Code § 176.003(a)(2)(A) and (B):

(a) A local government officer shall file a conflicts disclosure statement with respect to a vendor if:

(2) the vendor:

(A) has an employment or other business relationship with the local government officer or a family member of the officer that results in the officer or family member receiving taxable income, other than investment income, that exceeds \$2,500 during the 12-month period preceding the date that the officer becomes aware that

(i) a contract between the local governmental entity and vendor has been executed;

or

(ii) the local governmental entity is considering entering into a contract with the vendor;

(B) has given to the local government officer or a family member of the officer one or more gifts that have an aggregate value of more than \$100 in the 12-month period preceding the date the officer becomes aware that:

(i) a contract between the local governmental entity and vendor has been executed; or

(ii) the local governmental entity is considering entering into a contract with the vendor.

Local Government Code § 176.00G(a) and (a-1)

(a) A vendor shall file a completed conflict of interest questionnaire if the vendor has a business relationship with a local governmental entity and:

(1) has an employment or other business relationship with a local government officer of that local governmental entity, or a family member of the officer, described by Section 176.003(a)(2)(A);

(2) has given a local government officer of that local governmental entity, or a family member of the officer, one or more gifts with the aggregate value specified by Section 176.003(a)(2)(B), excluding any gift described by Section 176.003(a-1); or

(3) has a family relationship with a local government officer of that local governmental entity.

(a-1) The completed conflict of interest questionnaire must be filed with the appropriate records administrator not later than the seventh business day after the later of:

(1) the date that the vendor:

(A) begins discussions or negotiations to enter into a contract with the local governmental entity; or

(B) submits to the local governmental entity an application, response to a request for proposals or bids, correspondence, or another writing related to a potential contract with the local governmental entity; or

(2) the date the vendor becomes aware:

(A) of an employment or other business relationship with a local government officer, or a family member of the officer, described by Subsection (a);

(B) that the vendor has given one or more gifts described by Subsection (a); or

(C) of a family relationship with a local government officer.

CERTIFICATION
REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY
EXCLUSION FOR COVERED CONTRACTS

PART A.

Federal Executive Orders 12549 and 12689 require the Texas Department of Agriculture (TOA) to screen each covered potential contractor to determine whether each has a right to obtain a contract in accordance with federal regulations on debarment, suspension, ineligibility, and voluntary exclusion. Each covered contractor must also screen each of its covered subcontractors.

In this certification "contractor" refers to both contractor and subcontractor; "contract" refers to both contract and subcontract.

By signing and submitting this certification the potential contractor accepts the following terms:

1. The certification herein below is a material representation of fact upon which reliance was placed when this contract was entered into. If it is later determined that the potential contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Department of Health and Human Services, United States Department of Agriculture or other federal department or agency, or the TOA may pursue available remedies, including suspension and/or debarment.
2. The potential contractor will provide immediate written notice to the person to which this certification is submitted if at any time the potential contractor learns that the certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
3. The words "covered contract", "debarred", "suspended", "ineligible", "participant", "person", "principal", "proposal", and "voluntarily excluded", as used in this certification have meanings based upon materials in the Definitions and Coverage sections of federal rules implementing Executive Order 12549. Usage is as defined in the attachment.
4. The potential contractor agrees by submitting this certification that, should the proposed covered contract be entered into, it will not knowingly enter into any subcontract with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Department of Health and Human Services, United States Department of Agriculture or other federal department or agency, and/or the TDA, as applicable.

Do you have or do you anticipate having subcontractors under this proposed contract?

☐ Yes

☒ No

5. The potential contractor further agrees by submitting this certification that it will include this certification titled "Certification Regarding Debarment, Suspension, Ineligibility, and Voluntary Exclusion for Covered Contracts" without modification, in all covered subcontracts and in solicitations for all covered subcontracts.
6. A contractor may rely upon a certification of a potential subcontractor that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered contract, unless it knows that the certification is erroneous. A contractor must, at a minimum, obtain certifications from its covered subcontractors upon each subcontract's initiation and upon each renewal.
7. Nothing contained in all the foregoing will be construed to require establishment of a system of records in order to render in good faith the certification required by this certification document. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
8. Except for contracts authorized under paragraph 4 of these terms, if a contractor in a covered contract knowingly enters into a covered subcontract with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, Department of Health and Human Services, United States Department of Agriculture, or other federal department or agency, as applicable, and/or the TOA may pursue available remedies, including suspension and/or debarment.

**PART B. CERTIFICATION REGARDING DEBARMENT, SUSPENSION,
INELIGIBILITY AND VOLUNTARY EXCLUSION FOR COVERED CONTRACTS**

Indicate in the appropriate box which statement applies to the covered potential contractor:

- ☒ The potential contractor certifies, by submission of this certification, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this contract by any federal department or agency or by the State of Texas.
- ☐ The potential contractor is unable to certify to one or more of the terms in this certification. In this instance, the potential contractor must attach an explanation for each of the above terms to which he is unable to make certification. Attach the explanation(s) to this certification.

CERTIFICATION REGARDING FEDERAL LOBBYING
(Certification for Contracts, Grants, Loans, and Cooperative Agreements)

PART A. PREAMBLE

Federal legislation, Section 319 of Public Law 101-121 generally prohibits entities from using federally appropriated funds to lobby the executive or legislative branches of the federal government. Section 319 specifically requires disclosure of certain lobbying activities. A federal government-wide rule, "New Restrictions on Lobbying", published in the Federal Register, February 26, 1990, requires certification and disclosure in specific instances.

PART B. CERTIFICATION

This certification applies only to the instant federal action for which the certification is being obtained and is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$100,000 for each such failure.

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
2. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with these federally funded contract, subcontract, subgrant, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying", in accordance with its instructions. (If needed, contact the Texas Department of Agriculture to obtain a copy of Standard Form-LLL.)

3. The undersigned shall require that the language of this certification be included in the award documents for all covered subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all covered subrecipients will certify and disclose accordingly.

Do you have or do you anticipate having covered subawards under this transaction?

☐ Yes
☒ No
