Dear Judge Tijerina:

We are hereby in agreement that the following percentages should be used for distributing the Available Fund balance for the school year ended August 31, 2025 in accordance with the Webb County MOU dated April 4, 2019:

United Independent School District:	58,343	73.05%
Laredo Independent School District:	21,267	26.63%
Webb Consolidated ISD:	254	0.32%

These percentages were calculated based on data obtained from the American Community Survey (ACS) that captures residents of school age residing in our respective districts during the school year 2024-25. Although the American Community Survey (ACS) produces population, demographic and housing unit estimates, it is the Census Bureau's Population Estimates Program that produces and disseminates the official estimates of the population for the nation, states, counties, cities, and towns and estimates of housing units for states and counties. Enclosed is a worksheet providing ACS information with supporting documents for figures used to calculate the above-mentioned percentages.

Please feel free to contact us if you have any questions regarding this matter.

Thank you for your prompt attention to this matter.

Sincerely,

Dr. Gerardo Cruz, Superintendent of Schools
United Independent School District

Mr. Pro, Superintendent of Schools
