Introduction

Juan Paco Rodriguez started working as a waiter at age 16 in 1970 with his father and brothers at different restaurants. They both started cooking in their home kitchen for small parties. Today Paco has achieved the success of which he has only dreamed. Paco has catered for hundreds of thousands of people in Laredo such as the TECOS, Miss. Texas USA, WBCA and Pocahontas festivities and in most of Laredo's reception halls including Zapata and Cotulla, Texas. Juan Paco Rodriguez is the founding father of Rodriguez Catering Company.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
