A dark, atmospheric photograph of a cowboy on a horse barrel racing at a rodeo. The cowboy is wearing a hat and a light-colored shirt, leaning forward on the horse. The horse is in motion, kicking up dust. In the foreground, a white barrel with black and red stripes and the text "WHATABURGER SINCE 1950" is visible. In the background, a sign for "SAN ANTONIO STOCK SHOW & RODEO" is partially visible. The overall scene is dimly lit, with a focus on the action of the race.

Phase II CMAR Project Status
