

Wine selections Business plan

1. We will start the business within one week when we got license.
2. Business hours to public :
11am—6pm Wednesday—Sunday.
3. I sell wines only, I decorated my store with Chinese traditional furniture. Because I want to make it very unique and stylish.
4. At the beginning, I don't have a lot of money, so I just put 3 tracks of wine to sell. When I make more money I will fill more wines to sell.
