5. BACKGROUND

The City of West Covina is located in the San Gabriel Valley, 20 miles east of downtown Los Angeles and 15 miles north of Orange County. Incorporated as a general law city in 1923, the City operates under the council/manager form of government. The City's 16 square miles flourished with walnut groves and orange groves for many decades. The City has developed into a commercial and residential community, with a population currently estimated at about 110,200 residents.

Services

The City offers 16 parks, four community centers, a Sports Complex, and a County-operated library. The City provides a full range of services to its citizens, including police, fire and emergency medical; construction and maintenance of streets, traffic signalization and other infrastructure; planning and building safety; and social, recreational and cultural activities and events. However, the City contracts out building and safety services, engineering, and business licensing. Additionally, water utilities and solid services are provided and billed externally.

The City is financially accountable for the Successor Agency to the former Redevelopment Agency of the City of West Covina, a financing authority, and a housing authority, which are combined within the City's financial statements.

6. SCOPE OF SERVICES

The scope of services to be provided is described in Attachment E of this RFP.

7. CONTRACT PERIOD

It is anticipated that the initial term of the agreement will be for a period of three (3) months, with the option to extend the term for up to one (3) additional months upon mutual written agreement of the City and the selected contractor, contingent upon satisfactory performance of the selected contractor

8. PROPOSAL FORMAT

The proposal should be straightforward, concise and provide “layman” explanations of technical terms that are used. Emphasis should be concentrated on conforming to the RFP instructions, responding to the RFP requirements and on providing a complete and clear description of the offer. Proposals that appear unrealistic in the terms of technical commitments, lack of technical competence or are indicative of failure to comprehend the complexity of this RFP may be rejected. The proposal should contain the sections in the order indicated below. This standardization will facilitate evaluation of the comparative merits of all proposals submitted.

8.1 COVER LETTER

8.5 EXCLUDED OR SUBCONTRACTED SERVICES

Provide details of any necessary services relating to the proposal/service process which will not be included in your proposal, including those which the proposer expects to be performed by City staff and/or by other contractors or subcontractors. If you intend to subcontract any portion of the work, identify the subcontractor(s) and provide details regarding their qualifications.

8.6 LIST OF SIMILAR SERVICES COMPLETED

Provide a complete listing of all similar services that have been provided within the past three (3) years. Include name of agency or company, project manager/contact, dates services were provided and summary of services provided.

8.7 REFERENCES

The proposer shall submit with his/her/its proposal a list of at least **three (3)** clients using the same or similar services being proposed, with names, addresses, email addresses and telephone numbers. A survey of references will be made to determine, among other things, the proposer's success in meeting the needs of the contracting agency in a timely manner.

9. ORAL PRESENTATIONS

An oral presentation by/interview with the proposers in final contention for award of an agreement for services may, in City's discretion, be required as a part of this RFP process. The purpose of the oral presentation/interview would be twofold: first, to allow the proposer to demonstrate capabilities of the company and to clarify proposer's responses to the RFP; second, to allow the City staff to meet the proposer's key personnel who would be assigned to this project. Attendance at such a presentation shall be at the proposer's expense.

10. TERMS AND CONDITIONS OF RFP

10.1 SIGNED SUBMISSION OF PROPOSALS

Any modifications or changes to this RFP will be made by written addendum. Addenda will be posted on the City's PlanetBids page. No verbal modification will be binding on the City.

10.5 PROTEST PROCEDURES

All protests regarding the RFP process must be submitted in writing to the Purchasing Manager within five (5) business days following the opening of the proposals. This includes all protests relating to advertising of the RFP, deadlines, proposal opening, and any protests relating to alleged improprieties or ambiguities in the specifications. 10.7 NOTICE REGARDING DISCLOSURE OF CONTENTS OF PROPOSALS

All proposals submitted in response to this RFP shall become the exclusive property of the City of West Covina and will be a matter of public record. Proposers must identify, in writing, the elements of the proposal which proposer defines as business or trade secrets that are exempt from disclosure under the California Public Records Act (California Government Code Section 7920.000 et seq.) and plainly mark such items as “Trade Secret”, “Confidential”, or “Proprietary”.

Any proposer claiming such an exemption must identify the specific provision of the California Public Records Act that provides an exemption from disclosure for each item that the proposer claims is not subject to disclosure under said Act. Any proposer claiming such an exemption must also state in its proposal that the proposer agrees to defend, indemnify and hold harmless the City and its officers, employees, agents and volunteers from any action brought against the City for its refusal to disclose such material, trade secrets and other proprietary information to any party making a request therefor. Any proposer who fails to include such a statement shall be deemed to have waived any right to an exemption from disclosure as provided by said Act. Any exemption request must be clearly marked as set forth above, and any blanket statement (i.e., regarding entire pages, documents, or other non-specific designations) shall not be sufficient and shall not bind the City in any way whatsoever.

If disclosure is required or permitted under the California Public Records Act or otherwise by law, the City shall not in any way be liable or responsible for the disclosure of any such records or part thereof.

Notwithstanding the foregoing, all proposals submitted may be kept confidential until a contract is awarded.

SCOPE OF SERVICES

SCOPE OF SERVICES

SCOPE OF SERVICE:

The primary objective of the project is to have the selected geotechnical consultant to perform a preliminary geotechnical and geological evaluation of the subject slope, generally bounded to the east by the area between 2601 Altamira Drive and 2721 Altamira Circle, to the north by Amar Road, to the west by the City-owned sidewalk, and to the south by an imaginary line connecting 2721 Altamira Circle to 1801 East Woodgate Drive. The subject slope is depicted in Exhibit 1 below.

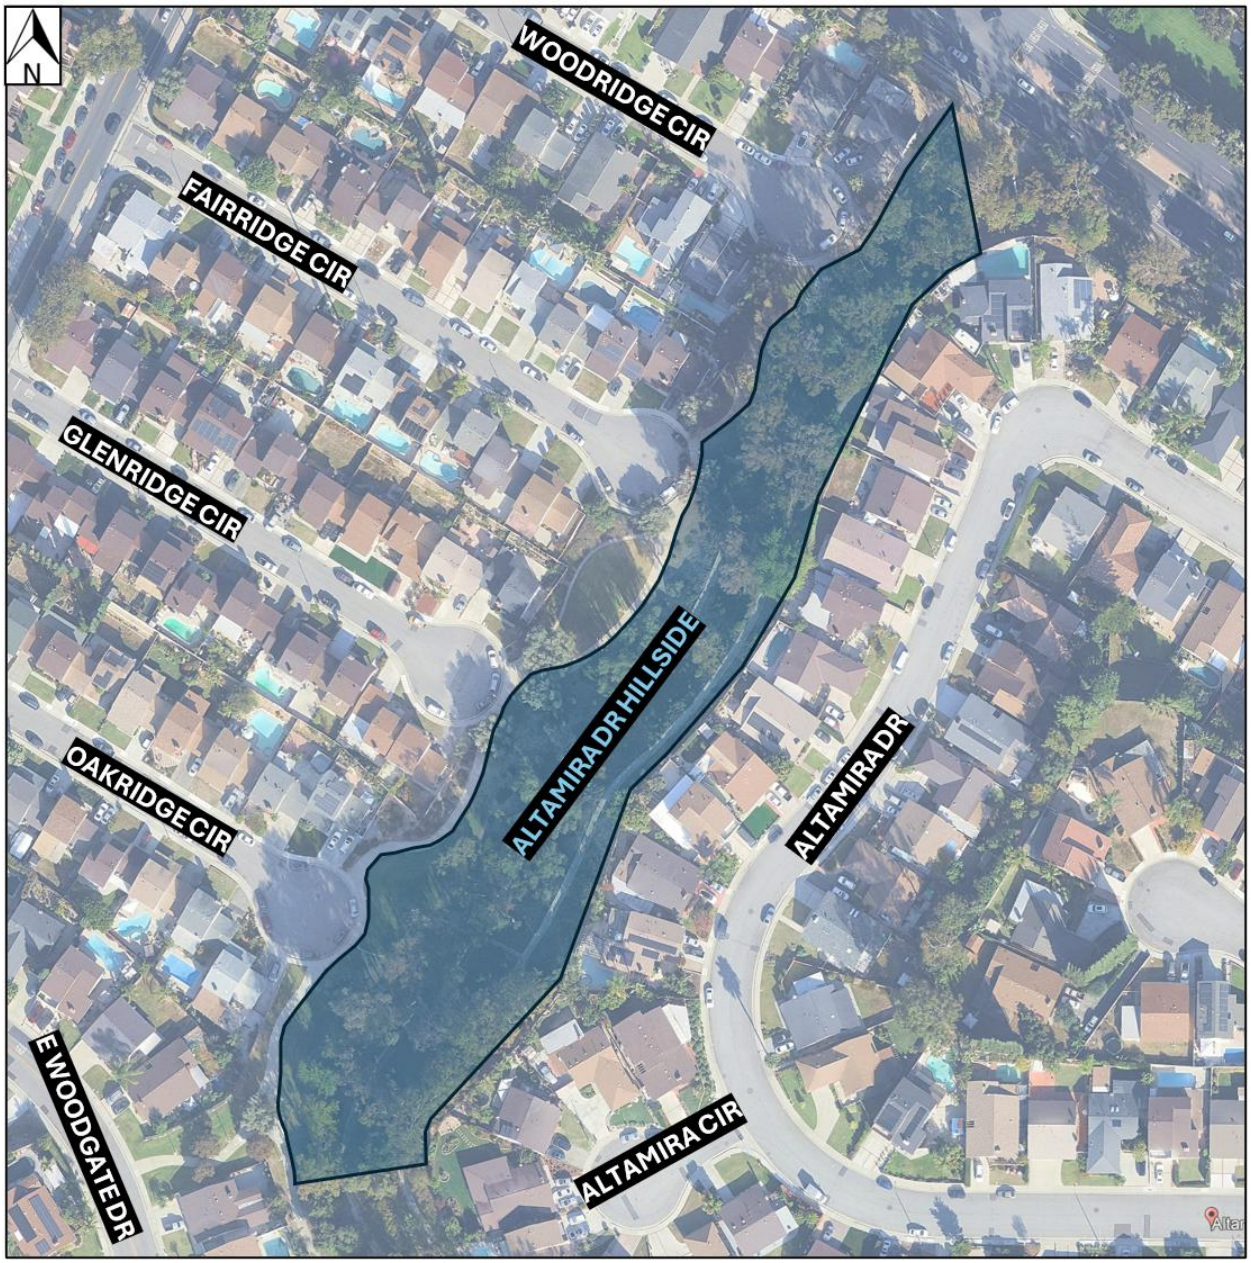

Exhibit 1: Investigation Location Boundary

The purpose of Phase I is to assess existing site conditions, identify potential geotechnical and geological concerns, and develop recommendations for additional investigations, as necessary. The evaluation shall include a review of available historical and technical documentation, site reconnaissance, and visual observations of affected properties to establish a preliminary understanding of the slope conditions and identify potential factors contributing to reported property damage.

Based on the findings of the preliminary evaluation, the Consultant shall develop a recommended scope of work, investigation plan, schedule, and cost estimate for subsequent phases, as warranted. Phase I shall be limited to a preliminary assessment, and conclusions regarding the cause of reported property damage or responsibility for such damage shall not be required unless adequately supported by the findings.

TASK 1 – REVIEW OF EXISTING DOCUMENTATIONS
Review available geological, geotechnical, topographic, grading, building, and historical records relevant to the subject slope and surrounding properties. The review shall also include available aerial photographs, historical imagery, and other pertinent documentation to identify previous site conditions, grading activities, or changes that may be relevant to the evaluation.

TASK 2 – SITE RECONNAISSANCE AND VISUAL ASSESSMENT

The Consultant shall also perform visual observations of affected properties and residences, subject to obtaining appropriate property access.

TASK 3 – DOCUMENTATION OF EXISTING CONDITIONS
Document observable site conditions, including visible distress, cracking, settlement, drainage concerns, or other conditions that may be relevant to the reported property damage. Documentation shall include photographs, field observations, and descriptions of pertinent findings.

TASK 4 – PRELIMINARY EVALUATION AND RECCOMENDATIONS
Evaluate the information obtained through the document review and site reconnaissance to identify potential geotechnical and geological concerns and determine whether additional investigation is warranted. The Consultant shall develop a recommended scope of work for Phase II and, if appropriate, Phase III, identifying proposed investigation methods, anticipated fieldwork, technical evaluations, and any additional services necessary to further assess slope stability and potential contributing factors to the reported property damage.

TASK 5 – PRELIMINARY EVALUATION REPORT
Prepare and submit a preliminary evaluation report summarizing the findings and recommendations of Phase I. At a minimum, the report shall include:
- Summary of available records and historical information reviewed.

- Documentation of existing site conditions and visual observations.
- Identification of preliminary geotechnical and geological concerns.
- Discussion of limitations associated with the preliminary evaluation.
- Recommendations for additional investigations, as warranted.
- Proposed scope of work, schedule, and itemized cost estimate for Phase II and, if appropriate, Phase III.

The Phase I evaluation shall be limited to a preliminary assessment of available information and observable site conditions. Conclusions regarding the cause of reported property damage or responsibility for such damage shall not be required unless adequately supported by the findings of the preliminary evaluation.

(i) Requirements not limiting. Requirements of specific coverage features, or limits contained in this section, are not intended as a limitation on coverage, limits or other requirements, or a waiver of any coverage normally provided by any insurance. Specific reference to a given coverage feature is for purposes of clarification only as it pertains to a given issue and is not intended by any party or insured to be all-inclusive, or to the exclusion of other coverage, or a waiver of any type. If Consultant maintains higher limits than the minimums shown above, City requires and shall be entitled to coverage for the higher limits maintained by Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to City.

(j) Prohibition of undisclosed coverage limitations. None of the coverages required herein will be in compliance with these requirements if they include any limiting endorsement of any kind that has not been first submitted to City and approved of in writing.

The defense obligation provided for hereunder shall apply without any advance showing of negligence or wrongdoing by Consultant, its employees, and/or authorized subcontractors, but shall be required whenever any claim, action, complaint, or suit asserts as its basis the negligence, errors, omissions or misconduct of Consultant, its employees, and/or

authorized subcontractors, and/or whenever any claim, action, complaint or suit asserts liability against the City, its elected and appointed officials, officers, agents and employees based upon the work performed by Consultant, its employees, and/or authorized subcontractors under this Agreement, whether or not Consultant, its employees, and/or authorized subcontractors are specifically named or otherwise asserted to be liable. Notwithstanding the foregoing, Consultant shall not be liable for the defense or indemnification of the City for claims, actions, complaints or suits arising out of the sole active negligence or willful misconduct of the City. This provision shall supersede and replace all other indemnity provisions contained either in the City's specifications or Consultant's Proposal, which shall be of no force and effect.

6.15. Conflict of Interest. Consultant and its officers, employees, associates and subconsultants, if any, will comply with all conflict of interest statutes of the State of California applicable to Consultant's services under this Agreement, including, but not limited to, the Political Reform Act of 1974 (California Government Code Section 81000, *et seq*.) and California Government Code Sections 1090-1092. 6.17. Order of Precedence. In the event of an inconsistency in this Agreement and any of the attached Exhibits, the terms set forth in this Agreement shall prevail. If, and to the extent

this Agreement incorporates by reference any provision of any document, such provision shall be deemed a part of this Agreement. Nevertheless, if there is any conflict among the terms and conditions of this Agreement and those of any such provision or provisions so incorporated by reference, this Agreement shall govern over the document referenced.

6.18. Costs. Each party shall bear its own costs and fees incurred in the preparation and negotiation of this Agreement and in the performance of its obligations hereunder except as expressly provided herein.

6.19. No Third Party Beneficiary Rights. This Agreement is entered into for the sole benefit of City and Consultant and no other parties are intended to be direct or incidental beneficiaries of this Agreement and no third party shall have any right in, under or to this Agreement.

In the event an ambiguity or question of intent or interpretation arises with respect to this Agreement, this Agreement shall be construed as if drafted jointly by the parties and in accordance with its fair meaning. The waiver of any right or remedy in respect to any occurrence or event shall not be deemed a waiver of any right or remedy in respect to any other occurrence or event, nor shall any waiver constitute a continuing waiver.

6.24. Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable in any circumstance, such determination shall not affect the validity or enforceability of the remaining terms and provisions hereof or of the offending provision in any other circumstance. Notwithstanding the foregoing, if the value of this Agreement, based upon the substantial benefit of the bargain for any party, is materially impaired, which determination made by the presiding court or arbitrator of competent jurisdiction shall be binding, then both parties agree to substitute such provision(s) through good faith negotiations.
