

HUMANE SOCIETY --- OF WICKENBURG

Thrift Shop Expansion

“Frost”

ESTABLISHED IN 2004

The Humane Society of Wickenburg is a 501(c)3 nonprofit organization who operates a no-kill animal shelter, temporarily housing owner surrendered and stray dogs and cats and provides animal related services and programs to residents in the community.

COMMUNITY IMPACT

The background of the slide features a photograph of three kittens perched on a carpeted cat tree. The kittens are of various breeds, including tabby and grey. The image is dimmed to allow the text to stand out.

SUCCESS

OUR SERVICES

✓ Homeless Pets & Strays

Pets of owners who suffer from unfortunate lifestyle changes and can no longer care for them and animals found in the streets or wandering in the desert are brought to the shelter to be rehomed or reunited with their lost owners.

✓ AniMeals

Our home delivered pet meal program for pets of homebound owners – like “meals-on-wheels” for pets. This program serves pets within a 30-mile service area from Morristown, Congress, to Forepaugh. We also partner with the Wickenburg Senior Center who we pre-package pet meals for delivery on their home delivered meals routes.

✓ Finding Forever Homes

Each animal is medically evaluated and receives necessary medical attention, tested for diseases, receives age-appropriate vaccinations, spayed or neutered, groomed if necessary, and placed for adoption through comprehensive adoption practices.

✓ Low Cost Veterinary Services

Our “Mackie Medical Center” – a surgical suite located in the shelter, is now serving shelter and public owned pets with low-cost veterinary services. Our Shelter Veterinarian provides spay & neuter surgeries, wellness exams, vaccinations, microchipping, and treatment for injured animals. We also partner with Midwestern University Veterinary Program to provide low-cost spay & neuter clinics in our community.

✓ AniMobile

Our Shuttle Services for Animals program provides transportation for ambulatory owners who no longer drive to veterinary or grooming appointments and trips to the dog park.

✓ Humane Officer

A staff member dedicated to the welfare of animals in our community. The Humane Officer responds to calls for service related to dogs at large, injured stray animals, welfare checks on animals, and facilitates our Feral Cat Program.

THRIFT SHOP EXPANSION

74 W. Wickenburg Way

This space was formerly a successful thrift shop location.

Increased Revenue

- Current Thrift Shop sales make up **10% of Annual Budget**
- 5x more space **offers more items available for resale**
